**QUESTIONS AND ANSWERS ABOUT
2007 ANNUAL MEETING OF
ANSWERS CORPORATION (THE “COMPANY” OR “ANSWERS”)**

Q: When and where will the annual meeting be held?

A: The annual meeting will be held at the offices of Sichenzia Ross Friedman Ference LLP, 61 Broadway, 32nd Floor, New York, NY 10006, on Tuesday, June 26, 2007 at 11:00 a.m. Eastern Daylight Time.

Q: Who is making this proxy solicitation?

A: This proxy statement is furnished to holders of the Company’s common stock as of the close of business on May 1, 2007, the record date for the annual meeting (the “Record Date”), as part of the solicitation of proxies by the Company’s board of directors for use at the annual meeting and any adjournments or postponements of the annual meeting.

Q: What am I being asked to vote on at the annual meeting?

A: At the annual meeting, you will be asked to consider and vote on:

- a proposal to elect three Class III directors to hold office for a three-year term or until their respective successors are elected and qualified; and
- a proposal to ratify the appointment by the Company’s Audit Committee of Somekh Chaikin, a member of KPMG International, to serve as Answers’ independent registered public accounting firm for the fiscal year ending December 31, 2007.

At present, we know of no other matters to be presented for stockholder action at the annual meeting.

Q: How does the Company’s board of directors recommend that I vote?

A: Our board of directors recommends that you vote your shares “**FOR**” the election of each of the three nominees named herein to the board of directors of Answers and “**FOR**” the ratification of the appointment of Somekh Chaikin, a member of KPMG International, to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2007.

Q: What vote is required to approve each proposal?

A: In the election of directors, the three persons receiving the highest number of “**FOR**” votes will be elected. The proposal regarding the ratification of Somekh Chaikin, a member of KPMG International, as our independent registered public accounting firm requires the affirmative “**FOR**” vote of a majority of those shares of the Company’s common stock present in person or represented by properly executed proxies and entitled to vote at the annual meeting.

Q: What is the quorum requirement with respect to the annual meeting?

A:

The presence, in person or by properly executed proxy, of the holders of a majority of the shares of the Company's common stock entitled to vote at the annual meeting will constitute a quorum.

Q: Under what circumstances will the annual meeting be adjourned?

1

A: Although it is not expected, the annual meeting may be adjourned in the absence of a quorum for the purpose of obtaining a quorum. Any adjournment may be made without notice, other than by an announcement made at the annual meeting, by the affirmative vote of a majority of the shares of the Company's common stock present in person or by properly executed proxy at the annual meeting.

Q: What shares can be voted at the annual meeting?

A: All shares of the Company's common stock that you own as of the Record Date may be voted by you. You may cast one vote per share of the Company's common stock that you held on the Record Date. These shares include shares that are: (1) held directly in your name as the stockholder of record, and (2) held for you as the beneficial owner through a stockbroker, bank or other nominee.

Q: What is the difference between a holder of record and a beneficial owner of the Company's common stock?

A: Most of the Company's stockholders hold their shares through a stockbroker, bank or other nominee, rather than directly in their own name. As summarized below, there are some distinctions between shares held as a holder of record and those beneficially owned.

Holder of Record

If your shares of the Company's common stock are registered directly in your name with the Company's transfer agent, American Stock Transfer & Trust Company, you are considered, with respect to those shares, the holder of record, and these proxy materials are being sent directly to you by the Company. As the holder of record, you have the right to grant your voting proxy directly to the Company or to vote in person at the annual meeting. We have enclosed a proxy card with this proxy statement for you to use.

Beneficial Owners

If your shares of the Company's common stock are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name," and these proxy materials are being forwarded to you by your broker or nominee, who is considered, with respect to those shares, the holder of record. As the beneficial owner, you have the right to direct your broker or nominee how to vote and are also invited to attend the annual meeting. However, since you are not the holder of record, you may not vote these shares in person at the annual meeting. Your broker or nominee has enclosed a voting instruction card with this proxy statement for you to use in directing the broker or nominee how to vote your shares. You may also vote by telephone as described below under "How can I vote my shares without attending the annual meeting?" If you are a beneficial owner and do not provide the holder of record with voting instructions, your shares may constitute broker non-votes, as described in the section titled "The 2007 Annual Meeting of Stockholders—Voting of Proxies; Abstentions; and Broker Non-Votes."

Q: How can I vote my shares in person at the annual meeting?

A: Shares of the Company's common stock held directly in your name as the holder of record may be voted in person at the annual meeting. If you choose to do so, please bring the enclosed proxy card or proof of identification. Even if you plan to attend the annual meeting, we recommend that you vote your shares in advance as described below, so that your vote will be counted if you later decide not to attend the annual meeting. Shares held in street name may be voted in person by you only if you obtain a signed proxy from the record holder giving you the right to vote the shares.

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the holder of record or beneficially in street name, without attending the annual meeting you may direct your vote by telephone or by completing and mailing your proxy card or voting instruction card in the enclosed postage pre-paid envelope. You may also be able to direct your vote via the Internet. Please refer to the enclosed materials for details.

Q: Can I change my vote after I have voted by proxy?

A: Yes. You can change your vote at any time before your proxy is voted at the annual meeting by revoking your proxy.

If you are a holder of record of the Company's common stock, you may revoke your proxy by:

- attending the annual meeting and voting your shares in person at the annual meeting. Your attendance at the annual meeting alone will not revoke your proxy -- you must also vote at the annual meeting;
- filing an instrument in writing with the Secretary of the Company stating that you would like to revoke your proxy; or
- filing another duly executed proxy bearing a later date with the Secretary of the Company so that it arrives prior to the annual meeting.

You should send your revocation or new proxy card to the Company's Secretary at Answers Corporation, 237 West 35th Street, Suite 1101, New York, NY 10001.

If you are a beneficial owner of the Company's common stock and you instructed a broker or other nominee to vote your shares, you must follow your broker's directions for changing those instructions.

Q: What does it mean if I receive more than one proxy card or voting instruction card?

A: It means your shares are registered differently or are in more than one account. Please provide voting instructions for each proxy and voting instruction card you receive.

Q: Where can I find the voting results of the annual meeting?

A: We will announce preliminary voting results at the annual meeting and publish final results in the Company's Quarterly Report on Form 10-Q for the fiscal quarter ended June 30, 2007.

THE 2007 ANNUAL MEETING OF STOCKHOLDERS

General

We are furnishing this proxy statement to Answers' stockholders in connection with the solicitation of proxies by the Company's board of directors for use at the 2007 annual meeting of stockholders to be held on June 26, 2007, and at any adjournment, postponement or continuation thereof. This proxy statement is first being furnished to stockholders of the Company on or about May 8, 2007.

Date, Time and Place

The annual meeting of stockholders will be held on Tuesday, June 26, 2007, at 11:00 a.m. Eastern Daylight Time, at the offices of Sichenzia Ross Friedman Ference LLP, 61 Broadway, 32nd Floor, New York, NY 10006.

Matters to be Considered at the Annual Meeting

At the annual meeting, you will be asked to consider and vote on:

- a proposal to elect three Class III directors to hold office for a three-year term or until their respective successors are elected and qualified; and
- a proposal to ratify the appointment by the Company's Audit Committee of Somekh Chaikin, a member of KPMG International, to serve as Answers' independent registered public accounting firm for the fiscal year ending December 31, 2007.

At present, we know of no other matters to be presented for stockholder action at the annual meeting.

Record Date

We have fixed the close of business on May 1, 2007 as the Record Date for determination of stockholders entitled to notice of and to attend and vote at the annual meeting.

Vote Required

As of the close of business on the Record Date, there were 7,853,590 shares of the Company's common stock outstanding and entitled to vote at the annual meeting. A quorum of stockholders is necessary to hold a valid meeting. The presence, in person or by properly executed proxy, of the holders of a majority of the shares of the Company's common stock entitled to vote at the annual meeting will constitute a quorum. If a quorum is not present at the annual meeting, we expect that the meeting will be adjourned or postponed to solicit additional proxies. Votes for and against, abstentions and "broker non-votes" will each count as being present to establish a quorum. A "broker non-vote" occurs when a broker holding shares in street name has not received voting instructions from the customer on certain "non-routine" matters and therefore is barred by the rules of the applicable securities exchange from exercising discretionary authority to vote those securities on such proposal.

In the election of directors, the three persons receiving the highest number of votes cast "**FOR**" will be elected. The ratification of the appointment of Somekh Chaikin, a member of KPMG International, to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2007 requires the affirmative "**FOR**" vote of holders of shares representing a majority of the shares of the Company's common stock represented in person or by properly executed proxy and entitled to vote at the annual meeting.

Edgar Filing: Answers CORP - Form DEF 14A

The annual meeting shall be presided over by the Chairman of the Board and the Company's Secretary shall act as secretary of the annual meeting. Inspectors of election appointed for the annual meeting will tabulate the votes cast by proxy or in person at the meeting. The inspectors of election will determine whether or not a quorum is present.

4

Voting of Proxies; Abstentions; and Broker Non-Votes

In the election of directors, you may vote “**FOR**” each of the nominees or your vote may be “**WITHHELD**” with respect to one or both of the nominees. You may vote “**FOR**,” “**AGAINST**” or “**ABSTAIN**” for the other proposal. All shares of the Company’s common stock represented by properly executed proxies received before or at the annual meeting will, unless the proxies are revoked, be voted in accordance with the instructions indicated on those proxies. If no instructions are indicated on a properly executed proxy card, the shares will be voted “**FOR**” the election of management’s three nominees for membership on the Company’s board of directors and “**FOR**” ratification of the appointment of Somekh Chaikin, a member of KPMG International, to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2007. You are urged to mark the box on the card to indicate how to vote your shares.

If your shares are held in an account at a brokerage firm or bank, that brokerage firm or bank will not be permitted to vote your shares with respect to certain “non-routine” proposals, unless you provide instructions as to how to vote your shares. If an executed proxy card is returned by a broker or bank holding shares which indicates that the broker or bank has not received voting instructions and does not have discretionary authority to vote on a certain proposal to be presented at the annual meeting, the shares will be considered present at the annual meeting for purposes of determining the presence of a quorum, but will not be considered entitled to vote on such proposal. Brokers may, however, vote their clients’ shares on routine matters, such as the election of directors. Please note that if your shares are held of record by a broker, bank or nominee and you wish to vote at the meeting, you will not be permitted to vote in person unless you first obtain a proxy issued in your name from the record holder.

A properly executed proxy marked “**ABSTAIN**”, although counted for purposes of determining whether there is a quorum and for purposes of determining the aggregate voting power and number of shares represented and entitled to vote at the annual meeting, will not be voted.

Revocability of Proxies

The grant of a proxy on the enclosed proxy card does not preclude a holder of record of the Company’s common stock from voting in person at the annual meeting. If you are a holder of record of the Company’s common stock, you may revoke a proxy at any time prior to your proxy being voted at the annual meeting by:

- attending the annual meeting and voting your shares in person at the annual meeting. Your attendance at the annual meeting alone will not revoke your proxy -- you must also vote at the annual meeting;
- filing an instrument in writing with the Secretary of the Company at Answers Corporation, 237 West 35th Street, Suite 1001, New York, New York 10001, stating that you would like to revoke your proxy; or
- filing another duly executed proxy bearing a later date with the Secretary of the Company at Answers Corporation, 237 West 35th Street, Suite 1001, New York, New York 10001, stating that you would like to revoke your proxy, so that it arrives prior to the annual meeting.

If you revoke your proxy in writing you must indicate the certificate number and the number of shares to which such revocation relates and the aggregate number of shares represented by such certificate(s). The written notification revoking your proxy or a later-dated signed proxy card changing your vote must arrive before the annual meeting takes place in order to be acknowledged and reflected in the vote.

If you are a beneficial owner of the Company’s common stock and you instructed a broker or other nominee to vote your shares, you must follow your broker’s directions for changing those instructions.

If an adjournment occurs, it will have no effect on the ability of stockholders as of the Record Date to exercise their voting rights or to revoke any previously delivered proxies. The Company does not expect to adjourn the annual meeting for a period of time long enough to require the setting of a new record date for such meeting.

Adjournments

Although it is not expected, the annual meeting may be adjourned in the absence of a quorum for the purpose of obtaining a quorum. Any adjournment may be made without notice, other than by an announcement made at the annual meeting. Any adjournment or postponement of the annual meeting for the purpose of soliciting additional proxies will allow the Company's stockholders who have already sent in their proxies to revoke them at any time prior to their use.

Voting By Telephone or Via the Internet

If you hold your shares directly registered in your name with American Stock Transfer & Trust Company, you may vote by telephone or via the Internet. To vote by telephone, call 1-800-690-6903 and follow the automated instructions. Instructions for voting via the Internet are set forth on the enclosed proxy card if you hold your shares directly registered in your name with American Stock Transfer & Trust Company. Many banks and brokerage firms have a process for their beneficial owners to provide instructions over the telephone or via the Internet. Your voting form from your broker or bank will contain instructions for voting.

Votes submitted by telephone or via the Internet must be received by 11:59 p.m., Eastern Daylight Time, on June 25, 2007. Submitting your proxy by telephone or via the Internet will not affect your right to vote in person should you decide to attend the annual meeting.

Solicitation of Proxies and Expenses of Solicitation

The Company generally will bear the cost of the solicitation of proxies in the enclosed form from Answers' stockholders. In addition to solicitation by mail, the Company's directors, officers and employees may solicit proxies from stockholders by telephone, telegram, letter, facsimile or in person. Following the original mailing of the proxies and other soliciting materials, we will request that brokerage houses and other custodians, nominees and fiduciaries forward copies of the proxy and other soliciting materials to the beneficial owners of stock held of record by such persons and request authority for the exercise of proxies. In those cases, we will reimburse such company's custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in connection with doing so.

PROPOSAL NO. 1**ELECTION OF DIRECTORS**

The Company's Amended and Restated Certificate of Incorporation provides that the Company's board of directors shall consist of not less than five and not more than nine directors. The Company's board of directors is currently composed of seven directors and is divided into three classes serving staggered terms: Class I, whose term will expire at the 2008 annual meeting of stockholders, Class II, whose term will expire at the 2009 annual meeting of stockholders and Class III, whose term expires at the upcoming annual meeting of stockholders to be held on June 26, 2007. At each annual meeting of stockholders, the successors to directors whose term will then expire will be elected to serve from the time of election and qualification until the third annual meeting following their election. The terms of three of the present directors expire this year and each of them has been nominated for reelection. The three nominees identified in the table below are nominated to be elected at the 2007 annual meeting for the term expiring at the 2010 annual meeting of the stockholders.

At the annual meeting, Robert S. Rosenschein, Yehuda Sternlicht and Mark B. Segall will stand for reelection to serve as Class III directors for a three-year term expiring at the annual meeting of stockholders in 2010 or until their respective successors are elected and qualified.

If a proxy is properly executed but does not contain voting instructions, it will be voted "**FOR**" the election of each of the nominees named below as a director of the Company. Proxies cannot be voted for a greater number of persons than three. Management has no reason to believe that any of the nominees named below will not be a candidate or will be unable to serve as a director. However, in the event that any of the nominees should become unable or unwilling to serve as a director, the proxies may be voted for such substitute nominees as the Company's board of directors may designate.

Communications by Stockholders with Directors

The Company encourages stockholder communications with the Company's board of directors and/or individual directors. Stockholders who wish to communicate with Company directors should send their communications to the care of Caleb Chill, Secretary, Answers Corporation, at 237 West 35th Street, Suite 1001, New York, New York 10001; Fax: 646-502-4778. Communications regarding financial or accounting policies should be sent to the attention of the Chairman of the Audit Committee. Mr. Chill will maintain a log of such communications and will transmit as soon as practicable such communications to the Chairman of the Audit Committee or to the identified individual director(s), although communications that are abusive, in bad taste or that present safety or security concerns may be handled differently, as determined by Mr. Chill.

Director Attendance at Annual Meetings

The Company will make every effort to schedule its annual meeting of stockholders at a time and date to accommodate attendance by directors taking into account the directors' schedules. All directors are encouraged to attend the Company's annual meeting of stockholders. The Company does not have a formal policy regarding director attendance at the Company's stockholder annual meetings.

Vote Required and Recommendation of the Company's Board of Directors

The terms of three of the Company's incumbent Class III directors will expire on the date of the upcoming annual meeting. Accordingly, three persons are to be elected to serve as Class III directors of the Company's board of directors at the annual meeting. Management's nominees for election by the Company's stockholders to those three positions are Robert S. Rosenschein, Yehuda Sternlicht and Mark B. Segall. Please see "Director Nominees" above for information concerning each of the nominees.

If a quorum is present at the annual meeting, the three nominees for Class III directors receiving the highest number of votes cast "**FOR**" will be elected as directors, each to serve until the Company's 2010 annual meeting of stockholders or until their respective successors are elected and qualified. Abstentions and broker non-votes will have no effect on the outcome of the election of directors.

The Company's board of directors unanimously recommends that you vote "FOR" the election of each of the nominees named above.

PROPOSAL 2**SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the board of directors has selected Somekh Chaikin, a member of KPMG International, as the Company's independent registered public accounting firm for the year ending December 31, 2007. The board of directors has concurred in the Audit Committee's selection and requests the ratification of the appointment of Somekh Chaikin by the stockholders at the annual meeting.

Vote Required and Recommendation of the Company's Board of Directors

The affirmative vote of a majority of the shares of Answers' common stock present in person at the annual meeting or represented by proxy is required for ratification of the appointment of Somekh Chaikin as Answers' independent registered public accounting firm for 2007. Because the ratification of Answers' independent registered public accounting firm is a routine matter, a brokerage firm or bank will be entitled to exercise discretionary voting authority in the event you have not provided instructions as to how to vote your shares, and, therefore, broker non-votes will have the effect of votes against this proposal. Abstentions will be counted as present for purposes of determining if a quorum is present, but will have the effect of votes against this proposal.

Stockholder ratification of the selection of Somekh Chaikin as the Company's independent registered public accounting firm is not required by the Company's Bylaws or otherwise. However, the Company is submitting the selection of Somekh Chaikin to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain Somekh Chaikin. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent audit firm at any time during the year if it is determined that such a change would be in the best interests of the Company and its stockholders.

The Company's board of directors unanimously recommends a vote "FOR" Proposal No. 2.

Auditors

A representative of Somekh Chaikin is expected to be available at the annual meeting and will have the opportunity to make statements if he or she desires to do so and to respond to appropriate questions.

At the beginning of each year, the Audit Committee approves the proposed services along with the range of corresponding fees to be provided by our independent registered accountants. If any proposed service would exceed the pre-approved cost levels, the proposed service requires specific pre-approval. In addition, specific pre-approval is required for any proposed services that may arise during the year that are outside the scope of the initial services pre-approved by the Audit Committee. COMPENSATION DISCUSSION AND ANALYSIS (CD&A)

The following discussion and analysis of compensation arrangements of our named executive officers for 2006 should be read together with the compensation tables and related disclosures set forth below.

Introductory Remark

We believe our success depends on the continued contributions of our named executive officers. Personal relationships are very important in our industry. Our named executive officers are primarily responsible for many of our critical customer and business development relationships. The maintenance of these relationships is critical to ensuring our future success. Therefore, it is important to our success that we retain the services of these individuals and prevent them from competing with us should their employment with us terminate.

General Philosophy

Our overall compensation philosophy is to provide an executive compensation package that enables us to attract, retain and motivate executive officers to achieve our short-term and long-term business goals. We strive to apply a uniform philosophy regarding compensation of all employees, including members of senior management. This philosophy is based upon the premise that the achievements of the company result from the combined and coordinated efforts of all employees working toward common goals and objectives in a competitive, evolving market place. The goals of our compensation program are to align remuneration with business objectives and performance and to enable us to retain and competitively reward executive officers and employees who contribute to our long-term success. We attempt to pay our executive officers and employees competitively in order that we will be able to retain the most capable people in the industry. In making executive compensation and other employment compensation decisions, the Compensation Committee considers achievement of certain criteria, some of which relate to our performance and others of which relate to the performance of the individual employee. Awards to executive officers are based on achievement of company and individual performance criteria.

The Compensation Committee will evaluate our compensation policies on an ongoing basis to determine whether they enable us to attract, retain and motivate key personnel. To meet these objectives, the Compensation Committee may from time to time increase salaries, award additional stock options or provide other short and long-term incentive compensation to executive officers and other employees.

Compensation Program & Forms of Compensation

We provide our executive officers with a compensation package consisting of base salary and participation in benefit plans generally available to other employees. In setting total compensation, the Compensation Committee considers individual and company performance, as well as market information regarding compensation paid by other companies in our industry.

In order to achieve the above goals, our total compensation packages include base salary, annual bonus and in cases of our sales employees, commissions, all paid in cash, as well as long-term compensation in the form of stock options.

Base Salary. Salaries for our executive officers are initially set based on negotiation with individual executive officers at the time of recruitment and with reference to salaries for comparable positions in the industry for individuals of similar education and background to the executive officers being recruited. We also consider the individual's experience, reputation in his or her industry and expected contributions to our company. Base salary is continuously evaluated by competitive pay and individual job performance. Base salaries for executives are reviewed annually or more frequently should there be significant changes in responsibilities. In each case, we take into account the results achieved by the executive, his or her future potential, scope of responsibilities and experience, and competitive salary practices.

Bonuses. A component of each executive officer's potential annual compensation may take the form of a performance-based bonus. Contractually, our Chief Revenue Officer is entitled to an annual bonus based on specified criteria (including, meeting revenue targets, meeting profit and loss statement targets and satisfying certain non-financial goals) and our CEO is entitled to an annual bonus, to be determined at the discretion of our Board of Directors or the Compensation Committee. Bonus payments to officers other than the Chief Executive Officer are determined by the Compensation Committee, in consultation with the Chief Executive Officer, based on our financial performance and the achievement of the officer's individual performance objectives. The Chief Executive Officer's bonus is determined by the Compensation Committee, without participation by the Chief Executive Officer, based on the same factors.

Long-Term Incentives. Longer-term incentives are provided through stock options, which reward executives and other employees through the growth in value of our stock. The Compensation Committee believes that employee equity ownership provides a major incentive for employees to build stockholder value and serves to align the interests of employees with those of our stockholders. Grants of stock options to executive officers are based upon each officer's relative position, responsibilities and contributions to Answers, with primary weight given to the executive officers' relative rank and responsibilities. Initial stock option grants designed to recruit an executive officer to join Answers may be based on negotiations with the officer and with reference to historical option grants to existing officers. Stock options are generally granted at an exercise price equal to the market price of our common stock on the date of grant and will provide value to the executive officers only when the price of our common stock increases over the exercise price.

Based on our compensation philosophy, a substantial portion of our compensation rewards long-term performance of our company and promotes executive retention. This is delivered to our executives through stock options granted upon their initial hire and through ongoing annual option grants. Similar to base salary increases, option grants are also granted to address promotions and significant changes in responsibility. Although the expenses of stock options affect our financial statements negatively, we continue to believe that this is a strong element of compensation that focuses the employees on financial and operational performance to create value for the long-term. Stock option awards are "time based." In order to provide an incentive for continued employment, stock options granted under our stock option plans generally vest 25% upon completion of 12 months of service and $\frac{1}{36}$ per month thereafter, and generally expire six or ten years from the date of the grant, depending on the relevant compensation plan. This provides a reasonable time frame to align the executive officer compensation with the appreciation of our stock price while

managing potential dilution effectively.

Initial stock option grants and annual option grants for plan participants are generally determined within ranges established for each job level. These ranges are established based on our desired pay positioning relative to the competitive market. Specific recruitment needs are taken into account for establishing the levels of initial option grants. Annual option grants take into consideration a number of factors, including performance of the individual, job level, prior grants and competitive external levels. The goals of option grant guidelines are to ensure future grants remain competitive from a grant value perspective and to ensure option usage consistent with option pool forecasts.

21

Option Grant Practice

The Compensation Committee has delegated the authority to make initial option grants to new employees (within an approved range) to executive management. During 2006, initial hire grants that were within the Chief Executive Officer's approved range were granted quarterly, commencing in the second quarter, on the 27th of June, the 27th of September and the 27th of December. According to our practice, if the 27th of the last month of a quarter falls on a Friday, Saturday or Sunday, the meeting approving the grant is to be held on the following non-holiday Monday. Based on the definition of fair market value in our stock option plan, options are granted at 100% of the closing sales price of our stock on the last market trading date prior to the grant date.

We did not have any initial hire grants that were above executive management's approved range. In the event such a case was to occur in the future, such grants would be approved by the Compensation Committee with the grant date being the day after the first day of service and the exercise price being the closing sale price on the last market trading day prior to the grant date. For annual option grants to all employees, the Compensation Committee must review and submit its approval. In 2006, these grants were made on January 30. This timing enables management and the Compensation Committee to consider performance by both us and the individual and balance it against our expectations for the current year.

We do not time the granting of our options with any favorable or unfavorable news released by us. The initial grants are based on the timing of the quarterly pre-determined end-of-quarter dates. Proximity of any awards to an earnings announcement or other market events is coincidental.

Executive Equity Ownership

We encourage our executives to hold a significant equity interest in our company. However, we do not have specific share retention and ownership guidelines for our executives.

Performance-Based Compensation and Financial Restatement

We have not considered or implemented a policy regarding retroactive adjustments to any cash or equity-based incentive compensation paid to our executives and other employees where such payments were predicated upon the achievement of certain financial results that were subsequently the subject of a financial restatement.

Tax and Accounting Considerations

Compliance with Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code of 1986, as amended, restricts deductibility of executive compensation paid to our Chief Executive Officer and each of the four other most highly compensated executive officers holding office at the end of any year to the extent such compensation exceeds \$1,000,000 for any of such officers in any year and does not qualify for an exception under Section 162(m) or related regulations. The Compensation Committee's policy is to qualify its executive compensation for deductibility under applicable tax laws to the extent practicable. Income related to stock options granted under our 1999 Stock Option Plan, the 2000 Stock Plan, the 2003 Stock Plan, the 2004 Stock Plan and the 2005 Incentive Compensation Plan generally qualify for an exemption from these restrictions imposed by Section 162(m). In the future, the Compensation Committee will continue to evaluate the advisability of qualifying its executive compensation for full deductibility.

Accounting for Stock-Based Compensation. On January 1, 2006, we began accounting for stock-based payments including our stock option program in accordance with the requirements of FASB Statement 123(R).

Employment Contracts and Termination of Employment and Change-In-Control Arrangements

Robert S. Rosenschein is employed as Answers' President and Chief Executive Officer pursuant to a five-year employment agreement that commenced on January 1, 2002 and was amended and restated as of January 8, 2004 and further amended on November 27, 2006. If the Company terminates Mr. Rosenschein without cause, the Company shall extend the period during which Mr. Rosenschein may exercise his options granted after the date of his employment agreement by one (1) year from the effective date of his termination. Furthermore, if the Company terminates Mr. Rosenschein for any reason other than cause, the Company is required to pay him a lump sum of \$150,000 less the severance pay portion of his Manager's Insurance Policy (the "Policy"), regardless of the period remaining in the term of his employment agreement. If the Policy is greater than \$150,000, then Mr. Rosenschein will be entitled to the entire amount payable under the Policy. At the time Mr. Rosenschein's employment agreement was amended and restated in 2004, 241,964 options were granted to Mr. Rosenschein under the 2003 Stock Option Plan. In the event of a change in control, the Company will accelerate the vesting of 50% of any options granted to Mr. Rosenschein that have not vested as of the effective date of the change in control. If, within twelve months after such change in control, Mr. Rosenschein is terminated without cause, any unvested options that were granted to Mr. Rosenschein will vest immediately upon the effective date of the termination. Mr. Rosenschein has agreed to refrain from competing with the Company for a period of two years following the termination of his employment.

In the event of a change in control, the Company will accelerate the vesting of 50% of any options granted to Mr. Steinberg that have not vested as of the effective date of the change of control. If, within twelve (12) months after such change in control, Mr. Steinberg is terminated without cause, Mr. Steinberg is entitled to four (4) months written notice and any unvested options that were granted to Mr. Steinberg will vest immediately upon the effective date of the termination. Mr. Steinberg has agreed to refrain from competing with the Company for a period of twelve (12) months following the termination of his employment.

In the event of a change in control, the Company will accelerate the vesting of 50% of any options granted to Mr. Schneiderman subsequent to his employment agreement that have not vested as of the effective date of the change in control. If, within twelve (12) months after such change in control, Mr. Schneiderman is terminated without cause, Mr. Schneiderman is entitled to four (4) months written notice and any unvested options that were granted to Mr. Schneiderman subsequent to the date of his employment agreement will vest immediately upon the effective date of the termination. Mr. Schneiderman has agreed to refrain from competing with the Company for a period of twelve (12) months following the termination of his employment.

Jeffrey S. Cutler is employed as Answers' Chief Revenue Officer pursuant to an employment agreement that commenced on March 15, 2005. During 2006, Mr. Cutler's annual base salary was set at \$225,000. Mr. Cutler's annual base salary was increased to \$237,600 as of March 1, 2007. Mr. Cutler or the Company may terminate the employment agreement by providing thirty days written notice.

If the Company terminates Mr. Cutler without cause, or if Mr. Cutler resigns for certain "good reasons" enumerated below, the Company shall (i) extend the period during which Mr. Cutler may exercise his options granted after the date of his employment agreement by one year from the effective date of Mr. Cutler's termination and (ii) pay Mr.

Cutler a lump-sum cash payment equal to between six and twelve months of his base salary, depending upon his length of service at the time of such termination, meaning, this lump-sum cash payment increases by one month's pay for each six months that Mr. Cutler is employed by the Company, up to a cap of twelve months of base salary.

In the event of a change in control, the Company will accelerate the vesting of 50% of any options granted to Mr. Cutler subsequent to his employment agreement that have not vested as of the effective date of the change in control. If the Company terminates Mr. Cutler's employment without cause, or if Mr. Cutler resigns for certain "good reasons" enumerated below, at any time during the twelve (12) months subsequent to a change of control, then, 100% of any options granted to Mr. Cutler that have not vested will immediately vest and the Company will pay to Mr. Cutler a lump-sum cash payment equal to his annual base salary at the time of the change in control. If upon a change in control the market closing price of the Company's common stock is less than 120% of our market closing price on the employment commencement date, then Mr. Cutler shall have the option to forfeit 200,000 of his options and he shall receive a stock award of 50,000 shares of the Company's common stock.

Mr. Cutler may be eligible for a bonus of up to 75% of his base annual salary, contingent upon meeting certain performance goals. Mr. Cutler has agreed to refrain from competing with the Company following the termination of his employment for a period of between six (6) to twelve (12) months, depending on certain conditions enumerated in the employment agreement.

The "good reasons" for which Mr. Cutler may resign and be entitled to the certain benefits described above are the occurrence of any of the following events or conditions: (i) a substantial reduction in his base salary; (ii) his demotion prior to a change in control; (iii) our requirement that he be based at a location other than the New York City metropolitan area; or (iv) any material breach of his employment agreement on the Company's part.

Bruce D. Smith is employed as Answers' Vice President - Strategic Development pursuant to an employment agreement that commenced on July 27, 2005. The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.

Answers Corporation Audit Committee Pre-Approval Policy

I. STATEMENT OF PRINCIPALS

The Audit Committee is required to pre-approve the audit and non-audit services performed by the independent auditor in order to assure that the provision of such services does not impair the auditor's independence. in the Internal Revenue Code and related regulations. The Audit Committee has pre-approved the Tax services listed in Appendix C. All Tax services involving transactions not listed in Appendix C must be separately pre-approved by the Audit Committee.

VI. ALL OTHER SERVICES
