Specifically, each will receive \$1,500 for attending each meeting of the Board. Mr. Basu will receive \$1,500 for attending each Executive Committee meeting of the Board. Mr. Devou will receive \$2,500 for attending each Audit Committee meeting of the Board. Each of Messrs. (e) Compensation Matters

On March 25, 2008, the Board of Directors of the Company approved certain recommendations of the Company's Compensation Committee that met on February 20, 2008. The following recommendations were approved.

1. The committee reviewed the most recently available base salary and other compensation for the Company's peers. Based upon the data reviewed and consideration of individual executive and corporate performance, base salaries were not changed from their current levels.
2. The committee reviewed the 2007 Executive bonus plan for any needed action. The plan as approved provided for cash bonus opportunity for the CEO and other executive officers based upon attainment of net income of \$5.5 million. Based upon the company's reported net income, the minimum criteria to produce a payout was not met and subsequently no bonuses were authorized.
3. The committee established a short-term incentive plan for 2008, whereby the Chief Executive Officer and other executive officers are eligible to earn incentive payouts in the form of cash, dependent upon 2008's reported net income. The plan establishes the annual budgeted net income for 2008 as the target level of performance. Cash payouts eligible upon achievement of the targeted earnings are 20% of base salary for the Chief Executive Officer and other executive officers. Eligible payouts under the plan would increase on a pro-rata basis for earnings in

excess of the budgeted net income or decrease on a pro-rata basis for earnings lower than the budgeted net income.

4. The committee recommended that discretionary stock option grants be awarded to executive officers as follows: Edwin Hale - 15,000 shares, George Mantakos - 7,500 shares, Joseph Cicero 7,500 shares, and Mark Keidel - 6,000 shares. The shares have an exercise price of \$5.70 per share (Market price at time of the grant) and would vest equally over the next three years.
