PROXY STATEMENT
FOR THE
2008 ANNUAL MEETING OF STOCKHOLDERS

Solicitation

This Proxy Statement is furnished to the holders of the common stock, par value \$.001 (the "Common Stock"), of Perma-Fix Environmental Services, Inc. (the "Company", "we", "our", or "us") in connection with the solicitation on behalf of the Board of Directors of the Company (the "Board of Directors" or the "Board") of proxies to be used in voting at the 2008 Annual Meeting of Stockholders to be held at the Crowne Plaza Hotel, Atlanta-Airport, 1325 Virginia Avenue, Atlanta, Georgia, 30344, on Tuesday, August 5, 2008, at 10:00 a.m. (EDST), and any adjournments thereof (the "Meeting"). The Notice of Annual Meeting of Stockholders, this Proxy Statement, and the accompanying Proxy Card were first mailed to stockholders on or about July 3, 2008.

The Company will pay the cost of preparing, printing, assembling, and mailing this Proxy Statement and the Proxy Card. In addition to solicitation by use of the mail, certain of the Company's officers and employees may, without receiving additional compensation therefore, solicit the return of proxies by telephone, telegram or personal interview. The Company will reimburse brokerage houses and custodians, nominees, and fiduciaries for their reasonable out-of-pocket expenses in forwarding soliciting materials to their principals, the beneficial owners of Common Stock.

Method of Voting Shares

Via Internet. You have the option of voting your shares electronically through the Internet, eliminating the need to return the proxy card. Your electronic vote authorizes the named proxies to vote your shares in the same manner as if you marked, signed, dated and returned the proxy card. Votes submitted electronically over the Internet or by telephone must be received by 7:00 p.m., EDST, on August 4, 2008. To vote your proxy by internet, have your proxy card available when you access the website at www.continentalstock.com and follow the prompts to vote your shares.

Via Written Ballot. You may also vote your shares by submitting the accompanying proxy card. Complete, date, sign, and return the card. The enclosed return envelope requires no additional postage if mailed in the United States.

If your shares are held in "street name" (through a broker, bank or other nominee), you may receive a separate voting instruction form with this Proxy Statement, or you may need to contact your broker, bank or other nominee to determine whether you will be able to vote electronically using the Internet.

Whether or not you plan to attend the Annual Meeting of Stockholders, please submit your vote either by internet or by written proxy card.

Revocation of Proxy

Any stockholder who executes a proxy may revoke it at any time before it is voted by delivering to the Company's Secretary either an instrument revoking the proxy or a duly executed proxy bearing a later date. Any stockholder present at the Meeting who expresses a desire to vote his shares in person may also revoke a proxy.

In the absence of a revocation, shares represented by the proxies will be voted at the meeting. Your attendance at the meeting will not automatically revoke your proxy. If you do not hold your shares directly, you should follow the instructions provided by your broker, bank or nominee to revoke your previously voted proxy.

Record Date and Voting Shares

Only the holders of Common Stock of record at the close of business on June 16, 2008 (the “Record Date”), will have the right to receive notice of, and be entitled to vote at, the Meeting. At the close of business on the Record Date, 53,762,850 shares of Common Stock were issued and outstanding. Each stockholder of record, as of the Record Date, is entitled to one vote for each share of Common Stock that the stockholder owned as of the Record Date on each matter to be voted upon at the Meeting.

1

A majority of all of the outstanding shares of Common Stock entitled to notice of, and to vote at, the Meeting, represented in person or by proxy, will constitute a quorum for the holding of the Meeting. The failure of a quorum to be represented at the Meeting will necessitate adjournment and will subject the Company to additional expense.

Pursuant to the General Corporation Law of the State of Delaware, only votes cast "FOR" a matter constitute affirmative votes, except proxies in which the stockholder fails to make a specification as to whether the stockholder votes "FOR," "AGAINST," "ABSTAIN" or "WITHHOLD" as to a particular matter shall be considered as a vote "FOR" that matter. Votes in which the stockholder specifies "WITHHOLD" or "ABSTAIN" are counted for quorum purposes. Because abstentions represent shares entitled to vote, an abstention (a) will have no effect on election of directors and (b) will have the effect of a vote against the ratification of the appointment of independent registered public accounting firm and against the approval of the First Amendment to the 2003 Outside Directors Stock Plan. A broker non-vote is counted toward the shares needed for a quorum, but because a broker non-vote is not considered to be eligible to vote, a broker non-vote will be deemed not to have voted on the election of directors, the ratification of the appointment of the Company independent registered public accounting firm, or the approval of the First Amendment to the 2003 Outside Directors Stock Plan. An inspector of election appointed by the Board of Directors will tabulate votes.

PROPOSAL 1 - ELECTION OF DIRECTORS

The Company's Certificate of Incorporation, as amended, provides that each member of the Board of Directors shall hold office until the next annual meeting of stockholders and their successors have been elected and qualified or until their earlier resignation or removal. Successors to those Directors whose terms have expired are required to be elected by stockholder vote. The existing Board of Directors fills vacancies for an unexpired term and any additional positions created by the Board of Directors' action.

The Company's Bylaws provide that the number of the Company's directors (the "Directors") shall be at least three, and that the number of Directors may be increased or decreased by action of the Board. The Board of Directors currently has determined that the number of Directors shall be eight.

The eight Directors named below have been recommended by the Corporate Governance and Nominating Committee ("Nominating Committee") to the Board of Directors for election at the Meeting to serve until the next annual meeting of the stockholders and until their respective successors are elected and qualified. All nominees are incumbent Directors. Shares represented by the enclosed proxy will be voted "FOR" the election as Directors of the eight nominees named below, unless authority is withheld. Approval of each nominee for election to the Board of Directors will require the affirmative vote of a plurality of the votes cast by the holders of the Company's Common Stock, in person or by proxy.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” THE ELECTION OF THE EIGHT NOMINEES AS THE COMPANY’S DIRECTORS.

Board Independence

The Board of Directors has determined that each of Messrs. Colin, Lahav, Reeder, Shelton, Young, and Zwecker is an “independent director” within the meaning of the applicable National Association of Securities Dealers Automated Quotation System (“NASDAQ”) Stock Market, Inc. rules and Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act.

Dr. Centofanti is not considered to be an “independent director” because of his employment as a senior executive of the Company. The Board of Directors also does not consider Mr. Ferguson to be “independent” because (a) he served as the Chief Executive Officer and Chairman of the Board of Directors of Nuvotec (n/k/a Perma-Fix Northwest, Inc.), our acquired subsidiary in June 2007, (b) as a former shareholder of Nuvotec who is “accredited” under the rules of Regulation D under the Act, the Company paid Mr. Ferguson a total of \$224,560 cash and issued to him 192,783 shares of our Common Stock in July 2007, (c) he is entitled to receive certain contingent consideration under the terms of the acquisition, which he has not received any consideration as of the date of this Proxy Statement, (d) Mr. Ferguson has guaranteed \$4.0 million of bank debt and a \$1.75 million line of credit assumed by us in the acquisition, which the \$1.75 million line of credit was released when we replaced the financial assurance of PEcoS, a subsidiary of Nuvotec, deposited with the State of Washington with our financial assurance, and (e) Mr. Ferguson, as a former shareholder of Nuvotec, is due his share of a \$2.5 million note payable by the Company to the former shareholders of Nuvotec. The foregoing consideration includes the amounts and shares paid and payable to entities controlled by Mr. Ferguson. See “Certain Relationships and Related Transaction-Mr. Robert L. Ferguson” for a discussion of certain transactions with Mr. Ferguson.

Meetings and Committees of the Board of Directors

During 2007, the Board of Directors held seven meetings, which included three telephonic meetings. No Director attended fewer than 75% of the aggregate number of meetings held by the Board of Directors and the committees on which he served during 2007, except Mr. Joe Reeder, who attended 73% of the Board meetings and committee meetings on which he served. Although the Company does not currently have a policy with respect to the attendance of its Directors at annual meetings, the Company encourages each of its Directors to attend whenever possible. During 2007, all Board of Directors attended our Annual Meetings of Shareholders held on August 2, 2007. The Board of Directors has an Audit Committee, Compensation and Stock Option Committee, and a Corporate Governance and Nominating Committee.

Audit Committee:

The Audit Committee assists the Board of Directors in monitoring the integrity of the financial statements of the Company, the independent auditor’s qualifications and independence, the performance of the Company’s internal audit function and independent auditor, and the Company’s compliance with legal and regulatory requirements. In carrying out these purposes, the Audit Committee, among other things:

- appoints, evaluates, and approves the compensation of the Company’s independent auditor;
- pre-approves all auditing services and permitted non-audit services;
- annually considers the qualifications and independence of the independent auditors;
- reviews recommendations of independent auditors concerning the Company’s accounting principles, internal controls, and accounting procedures and practices;
- reviews and approves the scope of the annual audit;
- reviews and discusses with the independent auditors the audited financial statements; and

performs such other duties as set forth in the Audit Committee Charter.

The Audit Committee was established in accordance with Section 3(a)(58)(A) of the Exchange Act, and is governed by an Audit Committee Charter that was adopted by the Board of Directors on February 27, 2003, which replaced its previous charter. A copy of the Audit Committee Charter is available on the website at www.perma-fix.com. The Audit Committee has established procedures for the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission of concerns by employees of the Company regarding accounting or auditing matters.

The Audit Committee members during 2007 were Mark Zwecker (Chairperson), Jon Colin, and Larry Shelton. The Board of Directors has determined that each of the three members of the Audit Committee is an “audit committee financial expert” as defined by Item 407(d) of Regulation S-K of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The Audit Committee meets at least quarterly and at such additional times as necessary or advisable and held four meetings in 2007.

Compensation and Stock Option Committee:

The Compensation and Stock Option Committee reviews and recommends to the Board of Directors the compensation and benefits of all of the Company’s officers and reviews general policy matters relating to compensation and benefits of the Company’s employees. The Committee also administers the Company’s stock option plans. The Compensation and Stock Option Committee does not have a charter. The members of the Compensation and Stock Option Committee during 2007 were Jack Lahav (Chairperson), Jon Colin, Joe Reeder, and Dr. Charles E. Young. The Compensation and Stock Option Committee held four meetings in 2007.

Corporate Governance and Nominating Committee:

The Corporate Governance and Nominating Committee recommends to the Board of Directors candidates to fill vacancies on the Board, as well as, the nominees for election as the Company’s Directors by the stockholders at each annual meeting of stockholders. Members of the Nominating Committee during 2007 were Dr. Charles E. Young (Chairperson), Jack Lahav, Joe Reeder, and Larry Shelton. The Corporate Governance and Nominating Committee meets at least quarterly and as such times as necessary or advisable and held four meetings in 2007. The Corporate Governance and Nominating Committee adopted a Corporate Governance and Nominating Committee Charter, which is available on our website at www.perma-fix.com. All members of the Corporate Governance and Nominating Committee are "independent" as that term is defined by the current NASDAQ listing standards.

The Corporate Governance and Nominating Committee does not have a formal policy with regard to the consideration of any director candidate recommended by stockholder, because our Board of Directors believes that our by-laws and the procedures noted below provide sufficient guidance for the consideration of such persons so recommended. Although there is no formal procedure for stockholders to recommend nominees for the Board of Directors, the Nominating Committee will consider such recommendations if received in writing, together with all of the information described below as to the person so recommended, 120 days in advance of the annual meeting of stockholders. The Committee will consider appropriate factors such as experience with other organizations, skills, diversity, integrity, judgment and independence. Recommendations should be addressed to the Nominating Committee at the Company’s address and provide all information relating to such person that the stockholder desires to nominate that is required to be disclosed in solicitation of proxies for the election of such nominee, including the nominee’s written consent to serve as a director if so elected. If the Chairman of the Meeting determines that a person is not nominated in accordance with the nomination procedure, such nomination will be disregarded.

Code of Ethics

We have adopted a Code of Ethics that applies to all our executive officers. Our Code of Ethics is available on our website at www.perma-fix.com. If any amendments are made to the Code of Ethics or any grants of waivers are made to any provision of the Code of Ethics to any of our executive officers, we will promptly disclose the amendment or waiver and nature of such amendment of waiver on our website.

Compensation of Directors

Directors who are employees receive no additional compensation for serving on the Board of Directors or its committees. In 2007, as a result of our review of the director compensation provided by a peer group of companies, we increased our monthly payment of fees to our outside directors from \$1,500 to \$1,750 in order to approximate the director fees paid by companies of comparable size and industry. See “Executive Compensation - Compensation Discussion and Analysis - The Committee’s Processes - Peer Group Assessment” for a description of our peer group. The increase in the director fees was approved by our Board of Directors. In 2007, we provided the following annual

compensation to directors who are not employees:

·as of the date of our 2007 Annual Meeting, each of our continuing non-employee directors was awarded options to purchase 12,000 shares of our Common Stock, and our newly elected director (Mr. Robert L. Ferguson) was awarded options to purchase 30,000 shares of our Common Stock. The grant date fair value of each option award received by our non-employee directors was \$2.296 per share, based on the date of grant, pursuant to Statement of Financial Accounting Standard (“SFAS”) 123R;

6

- a monthly director fee of \$1,750, with the Audit Committee Chairman receiving an additional monthly fee of \$2,250, of which 65% or 100%, as selected by the Director, is payable in Common Stock under the 2003 Outside Directors Plan, with the remaining payable in cash;
- a fee of \$1,000 for each board meeting attendance and a \$500 fee for each telephonic conference call attendance, of which the fees are payable at 65% or 100% in Common Stock under the 2003 Outside Directors Plan, with the remaining payable in cash; and
- pursuant to terms of the 2003 Outside Directors Plan, shares of Common Stock payable to directors in lieu of cash are valued based on 75% of the fair market value of the Common Stock determined on the business day immediately preceding the date that the fee is due. (See “2003 Outside Directors Plan”).

The table below summarizes the director compensation expenses recognized by the Company for the director option and stock (resulting from fees earned) awards. The terms of the 2003 Outside Directors Plan are further described below under “2003 Outside Directors Plan.”

Mark Zwecker	18,725	46,367	27,556	—	—	92,648		

⁽¹⁾Under the 2003 Outside Directors Plan, each director elects to receive 65% or 100% of the director’s fees in shares of our Common Stock. The amounts set forth below represent the portion of the director’s fees paid in cash and excludes the value of the director’s fee elected to be paid in Common Stock under the 2003 Outside Directors Plan.

⁽²⁾Mr. Robert L. Ferguson was nominated to serve as a Director in June 2007 in connection with the closing of the acquisition by the Company of Nuvotec and PEcoS and subsequently elected as a Board Member at our 2007 Meeting of the Shareholders held on August 2, 2007.

⁽³⁾The number of shares of Common Stock comprising stock awards granted under the 2003 Outside Directors Plan is calculated based on 75% of the closing market value of the Common Stock as reported on the NASDAQ on the business day immediately preceding the date that the quarterly fee is due. Such shares are fully vested on the date of grant. The value of the stock award is based on the market value of our Common Stock at each quarter end times the number of shares as determined in the manner noted.

⁽⁴⁾Options granted under the Company’s 2003 Outside Directors Plan upon the reelection of the Board of Directors on August 2, 2007. Options are for a 10 year period with an exercise price of \$2.95 per share and are fully vested in six

months from grant date. The value of the option award is calculated based on the fair value of the option per share (\$2.296) on the date of grant pursuant to SFAS 123R. In 2007, the option expense recognized for financial statement purposes totaled \$191,000. The remaining \$43,000 option expense was recognized by February 2008, upon vesting of the stock option, pursuant to SFAS 123R.

⁽⁵⁾In addition to the quarterly fees for his service as a member of our Board of Directors, Mr. Reeder was awarded \$160,000 in additional fees by the Board of Directors on October 31, 2007, as compensation for his services as the board's representative in negotiating the agreement to settle the claims brought by the United States, on behalf of the Environmental Protection Agency ("EPA"), against Perma-Fix of Dayton ("PFD"), our former Dayton, Ohio, subsidiary, and resolution of certain other matters relating to that lawsuit. Payment of the fee is governed by the terms of our 2003 Outside Directors Stock Plan. Mr. Reeder elected to receive 100% of his fees payable in stock. As a result, Mr. Reeder was issued 73,818 shares of Common Stock in lieu of cash (based on 75% of the closing price of \$2.89/share on October 30, 2007). The fair value of the stock on October 30, 2007 was \$213,334. See "Certain Relationships and Related Transactions – Mr. Joe Reeder."

2003 Outside Directors Plan

We believe that it is important for our directors to have a personal interest in our success and growth and for their interests to be aligned with those of our stockholders. Therefore, under our 2003 Outside Directors Stock Plan (“2003 Plan”), each outside director is granted a 10 year option to purchase up to 30,000 shares of Common Stock on the date such director is initially elected to the Board of Directors, and receives on each reelection date an option to purchase up to another 12,000 shares of Common Stock, with the exercise price being the fair market value of the Common Stock preceding the date that the option is granted. No option granted under the 2003 Plan is exercisable until after the expiration of six months from the date the option is granted and no option shall be exercisable after the expiration of ten years from the date the option is granted. Options to purchase 426,000 shares of Common Stock were granted and are outstanding under the 2003 Plan as of December 31, 2007.

In 2007, we increased our monthly payment of fees to our outside directors from \$1,500 to \$1,750. In addition, each board member is paid \$1,000 for each board meeting attendance as well as \$500 for each telephonic conference call. We compensate our Audit Committee Chairman an additional \$2,250 for each month of service as Chairman, as result of the additional responsibilities placed on that position. As a member of the Board of Directors, each director elects to receive either 65% or 100% of the director's fee in shares of our Common Stock based on 75% of the fair market value of the Common Stock determined on the business day immediately preceding the date that the quarterly fee is due. The balance of each director's fee, if any, is payable in cash. In 2007, the fees earned by our outside directors totaled \$458,000, which included 73,818 shares of stock valued at \$213,334 paid to Mr. Joe Reeder as compensation for his services as the Board's representative in negotiating the agreement to settle the claims brought by the United States, on behalf of the EPA, against PFD, our former Dayton, Ohio, subsidiary, and resolution of certain other matters relating to that lawsuit. In accordance with the terms of the 2003 Plan, the value of the shares issued to Mr. Reeder was based on 75% of the fair market value of the Common Stock determined on the business day immediately preceding the date that the payment was due. The aggregate amount of accrued directors' fees at December 31, 2007, to be paid during 2008 to the seven outside directors (Colin, Ferguson, Lahav, Reeder, Shelton, Young and Zwecker) was approximately \$100,000. Reimbursements of expenses for attending meetings of the Board are paid in cash at the time of the applicable Board meeting. Although Dr. Centofanti is not compensated for his services provided as a director, Dr. Centofanti is compensated for his services rendered as an officer of the Company. See “EXECUTIVE COMPENSATION — Summary Compensation Table.”

As of the date of this Proxy Statement, we have issued 412,465 shares of our Common Stock in payment of director fees under the 2003 Plan, covering the period October 1, 2002, through December 31, 2007 and 426,000 shares are issuable under outstanding options granted under the 2003 Plan, resulting in only 161,535 shares remaining available for issuance under the 2003 Plan. As described in “Proposal 2 - Approval of the First Amendment to the 2003 Outside Directors Stock Plan,” we are proposing to amend the 2003 Plan to increase from 1,000,000 to 2,000,000 the number of shares of our Common Stock reserved for issuance under the 2003 Plan in order to continue the benefits that are derived by the Company through the 2003 Plan.

In the event of a change of control (as defined in the 2003 Plan), each outstanding option and award granted under the plans shall immediately become exercisable in full notwithstanding the vesting or exercise provisions contained in the stock option agreement.

Communications with the Board

The Company's Board of Directors believes that it is important for the Company to have a process that enables stockholders to send communications to the Board. Accordingly, stockholders who wish to communicate with the Board of Directors or a particular director may do so by sending a letter to the Secretary of the Corporation, at 8302 Dunwoody Place, Suite 250, Atlanta, Georgia 30350. The mailing envelope must clearly indicate that the enclosed letter is a “Stockholder-Board Communication” or “Stockholder-Director Communication.” All such letters must identify the author as a stockholder and clearly state whether the intended recipients are all members of the Board of Directors or only certain specified individual directors. The Secretary of the Corporation will make copies of all such letters

and circulate them to the appropriate director or directors.

Compensation Committee Interlocks and Insider Participation

During 2007, the Compensation and Stock Option Committee for our Board of Directors was composed of Jack Lahav (Chairperson), Jon Colin, Joe Reeder, and Dr. Charles E. Young. None of the members of the Compensation and Stock Option Committee has been an officer or employee of the Company or has had any related party transaction with the Company requiring disclosure under the SEC regulations, except Mr. Joe Reeder. See "Certain Relationships and Related Transactions - Mr. Joe Reeder" for a discussion of fees paid to Mr. Joe Reeder for his services as the Board's representative in negotiating a settlement of certain legal proceedings.

Family Relationships

There are no family relationships between any of the Company's existing Directors, executive officers, or persons nominated or chosen to become a Director or executive officer. Dr. Centofanti is the only Director who is the Company's employee.

Certain Relationships and Related Transactions

The Company's Audit Committee acts under its Audit Committee Charter and reviews all related party transactions involving our directors and officers.

Lawrence Properties LLC

During February 2006, our Board of Directors approved and we entered into a lease agreement, whereby we lease property from Lawrence Properties LLC, a company jointly owned by the president of Schreiber, Yonley and Associates, Robert Schreiber, Jr. and his spouse. Mr. Schreiber is a member of our executive management team. The lease is for a term of five years from June 1, 2006. We pay monthly rent expense of \$10,000, which we believe is lower than costs charged by unrelated third party landlords. Additional rent will be assessed for any increases over the initial lease commencement year for property taxes or assessments and property and casualty insurance premiums.

Mr. Joe Reeder

The Compensation Committee of our Board of Directors unanimously recommended to the full Board of Directors, and, based on such recommendation, on October 31, 2007, our Board of Directors, with Mr. Reeder abstaining, approved that Mr. Joe R. Reeder, a member of our Board of Directors be paid an additional director's fee of \$160,000 as compensation for his services as the Board's representative in negotiating the agreement to settle certain claims brought by the United States, on behalf of the EPA, against PFD, our former Dayton, Ohio, subsidiary, for violating certain state and federal clean air statutes connected with its operation and resolution of certain other matters relating to that lawsuit. As a fee payable to Mr. Reeder for his services as a member of our Board of Directors, payment of the fee is governed by the terms of our 2003 Outsider Directors Stock Plan. In accordance with the terms of the 2003 Directors Plan, fees payable to a non-employee director may be paid, at the election of the director, either 65% or 100% in shares of our Common Stock, with any balance payable in cash. Mr. Reeder elected to receive 100% of such fee in shares of our Common Stock in lieu of cash. As fees payable to Mr. Reeder on October 31, 2007, Mr. Reeder was issued 73,818 shares of Common Stock in lieu of cash (based on 75% of the closing price of \$2.89/share on October 30, 2007). The fair value of the stock on October 30, 2007 is \$213,334, which we expensed as director's fees in the 4th quarter of 2007. The shares were issued to Mr. Reeder on December 31, 2007. The number of shares to be issued under the 2003 Directors Plan in lieu of cash fees is determined by dividing the amount of the fee by 75% of the closing sales price of our common stock on the business day immediately preceding the date that the fee is due.

Mr. David Centofanti

Mr. David Centofanti is not an executive officer, but is employed as our Director of Information Services. For such services, he received total compensation in 2007 of approximately \$154,000. Mr. David Centofanti is the son of our Chief Executive Officer and Chairman of our Board, Dr. Louis F. Centofanti. We believe the compensation received by Mr. Centofanti for his technical expertise which he provides to the Company is competitive and comparable to compensation we would have to pay to an unaffiliated third party with the same technical expertise.

Mr. Robert L. Ferguson

On June 13, 2007, we acquired Nuvotec and Nuvotec's wholly owned subsidiary, PEcoS, pursuant to the terms of the Merger Agreement, between us, Nuvotec, PEcoS, and our wholly owned subsidiary. At the time of the acquisition, Robert L. Ferguson was the Chairman, Chief Executive Officer, and individually or through entities controlled by him, the owner of approximately 21.29% of Nuvotec's outstanding Common Stock.

As consideration for the merger, we agreed to pay the Nuvotec's shareholders the sum of approximately \$11.2 million, payable as follows:

- (a) \$2.3 million in cash at closing of the merger;

9

- (b) an earn-out amount not to exceed \$4.4 million over a four year period ("Earn-Out Amount"), with the first \$1.0 million of the Earn-Out Amount to be placed in an escrow account to satisfy certain indemnification obligations under the Merger Agreement of Nuvotec, PEcoS, and the shareholders of Nuvotec (including Mr. Ferguson) to us that are identified by us within two years following the merger. If under the terms of the Earn-Out, we become obligated to place the first \$1.0 million of the Earn-Out Amount into escrow, we may have certain claims against a portion of the \$1.0 million to be placed into escrow as discussed below; and
- (c) payable only to the shareholders of Nuvotec that qualified as accredited investors pursuant to Rule 501 of Regulation D promulgated under the Securities Act of 1933, as amended (which includes Mr. Ferguson):

\$2.5 million, payable over a four year period, unsecured and nonnegotiable and bearing an annual rate of interest of 8.25%, with (i) accrued interest only payable on June 30, 2008, (ii) \$833,333.33, plus accrued and unpaid interest, payable on June 30, 2009, (iii) \$833,333.33, plus accrued and unpaid interest, payable on June 30, 2010, and (iv) the remaining unpaid principal balance, plus accrued and unpaid interest, payable on June 30, 2011 (collectively, the "Installment Payments"). The Installment Payments may be prepaid at any time by Perma-Fix without penalty; and

709,207 shares of our Common Stock, with such number of shares determined by dividing \$2.0 million by 95% of average of the closing price of the Common Stock as quoted on the NASDAQ during the 20 trading days period ending five business days prior to the closing of the merger.

At the closing of the merger, the Nuvotec debt was approximately \$9.4 million, of which approximately \$3.7 million was for PEcoS. Approximately \$8.9 million of the \$9.4 million was owed to KeyBank National Association. We paid approximately \$5.4 million of the total debt, with payment of approximately \$4.9 million on the KeyBank debt. Of the amount of remaining debt, \$4.0 million is owed by Perma-Fix Northwest under a credit facility with KeyBank. The KeyBank credit facility and a related \$1.75 million line of credit with KeyBank is guaranteed by Mr. Ferguson and another individual who prior to the merger was a stockholder, officer, and director of Nuvotec and PEcoS. The \$1.75 million line of credit was released when we replaced the financial assurance of PEcoS (a subsidiary of Nuvotec) deposited with the State of Washington with Perma-Fix's financial assurance.

We paid Mr. Ferguson and entities controlled by him, as accredited stockholders in Nuvotec, a total of \$224,560 cash and issued to him and the entities controlled by him a total of 192,783 shares of our Common Stock in consideration for the merger pursuant to the terms described above. The fair market value of the 192,783 shares of Common Stock issued to Mr. Ferguson was \$584,133, based on the closing price of our Common Stock on July 23, 2007, the date of issuance. Mr. Ferguson and the entities controlled by him will also be entitled to receive 21.29% of the total Earn-Out Amount and 27.18% of the Installment Payments payable under the terms of the Merger Agreement, based on the proportionate share of Nuvotec's Common Stock owned prior to the merger by Mr. Ferguson and entities controlled by him.

The EPA has alleged that prior to the date that we acquired the PEcoS facility, the PEcoS facility was in violation of certain regulatory provisions relating to the facility's handling of certain hazardous waste and Polychlorinated Biphenyl ("PCB") waste. In connection with these alleged violations, during May 2008, the EPA advised the facility that in the view of EPA, a total penalty of \$317,500 is appropriate to settle the alleged violations. We are attempting to negotiate with EPA a reduction in the proposed fine. Under the agreements relating to our acquisition of Nuvotec and PEcoS, we may have certain claims against a portion of the \$1 million of the Earn-Out Amount that may be placed into escrow under the terms of the earn-out to satisfy the indemnification obligations of the former shareholders of Nuvotec (including Mr. Ferguson) in connection with these allegations made by the EPA.

In connection with the merger, our Board of Directors agreed to increase the number of our directors from seven to eight and to take reasonable action to nominate and recommend Mr. Ferguson for election as a member of our Board of Directors, if such nomination would not breach any fiduciary duties or legal requirements of our Board. The Board

of Directors subsequently determined that nominating Mr. Ferguson for election as a member of our Board would not breach the Board's fiduciary duties or legal requirements. Accordingly, our Corporate Governance and Nominating Committee considered Mr. Ferguson's qualifications and nominated him for election to the Board. Our shareholders elected Mr. Ferguson as a director at our 2007 annual meeting held on August 2, 2007.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act, and the regulations promulgated thereunder require our executive officers and directors and beneficial owners of more than 10% of our Common Stock to file reports of ownership and changes of ownership of our Common Stock with the Securities and Exchange Commission (“SEC”), and to furnish us with copies of all such reports. Based solely on a review of the copies of such reports furnished to us and written information provided to us, we believe that during 2007 none of our executive officers, directors, or beneficial owners of more than 10% of our Common Stock failed to timely file reports under Section 16(a).

Audit Committee Report

The Audit Committee is responsible for providing independent objective oversight of the Company’s accounting functions and internal controls. In accordance with rules adopted by the Commission, the Audit Committee of the Company states that:

- The Audit Committee has reviewed and discussed with management the Company’s audited financial statements for the fiscal year ended December 31, 2007.
- The Audit Committee has discussed with BDO Seidman, LLP, the Company’s independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61 (“Communications with Audit Committees”), as modified or supplemented.
- The Audit Committee has received the written disclosures and the letter from BDO Seidman, LLP, required by Independence Standards Board Standard No. 1 (“Independence Discussions with Audit Committees”), as modified or supplemented, and has discussed with BDO Seidman, LLP, the independent registered public accounting firm’s independence.

In connection with the Audit Committee’s discussion with BDO Seidman, LLP, as described above, the Audit Committee discussed and considered the nature and scope of the non-audit services performed by Cross Fernandez & Riley, LLP (“CFR”, member of the BDO alliance network of firms) for the year ended December 31, 2007, and determined that the audit and non-audit services provided by BDO Seidman, LLP and CFR were compatible with maintaining the independence of BDO Seidman, LLP.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company’s audited financial statements be included in the Company’s Annual Report on Form 10-K/A for the fiscal year ended December 31, 2007, for filing with the Securities and Exchange Commission. The Audit Committee also appointed BDO Seidman, LLP as the Company’s independent registered public accounting firm for 2008.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Our long-term success depends on our ability to efficiently operate our facilities, evaluate strategic acquisitions within our Nuclear Segment, and to continue to research and develop innovative technologies in the treatment of nuclear waste, mixed waste and industrial waste. To achieve these goals, it is important that we be able to attract, motivate, and retain highly talented individuals who are committed to our values and goals.

The Compensation and Stock Option Committee (for purposes of this analysis, the “Committee”) of the Board has responsibility for establishing, implementing, and continually monitoring adherence with our compensation philosophy. The Committee attempts to ensure that the total compensation paid to the named executive officers is fair, reasonable, and competitive. Generally, the Committee attempts to provide the types of compensation and benefits to the named executive officers that are similar to those provided to other executive officers at similar sized companies and industries.

Compensation Philosophy and Objectives

The Committee evaluates both executive performance and compensation to ensure that we maintain our ability to attract superior employees in key positions and to remain competitive relative to the compensation paid to similarly situated executives of our peer companies. The Committee believes executive compensation packages provided to our executives, including the named executive officers, should include both cash and equity-based compensation that

provide rewards for performance. The Committee bases its executive compensation program on the following criteria:

- Compensation should be based on the level of job responsibility, executive performance, and company performance. Executive officers' pay should be more closely linked to company performance than that of other employees because the executive officers have a greater ability to affect our results.

· Compensation should be competitive with compensation offered by other companies that compete with us for talented individuals.

· Compensation should reward performance.

· Compensation should motivate executives to achieve our strategic and operational goals.

Role of Executive Officers in Compensation Decisions

The Committee approves all compensation decisions for the named executive officers and approves recommendations regarding equity awards to all of our officers. Decisions regarding the non-equity compensation of other officers are made by the Chief Executive Officer.

The Chief Executive Officer annually reviews the performance of each of the named executive officers (other than the Chief Executive Officer whose performance is reviewed by the Committee). Based on such reviews, the Chief Executive Officer presents a recommendation to the Committee, which may include salary adjustments, bonus and equity based awards, and annual award. The Committee exercises its discretion in accepting or modifying all such recommendations. Historically, the Chief Executive Officer's recommendations have generally been approved by the Committee.

The Committee's Processes

The Compensation Committee has established certain processes designed to achieve our executive compensation objectives. These processes include the following:

· *Company Performance Assessment.* The Committee assesses our performance in order to establish compensation ranges and, as described below, to assist the Committee in establishing specific performance measures that determine incentive compensation under the Company's Executive Management Incentive Plan. For this purpose, we consider numerous measures of performance of both us and industries with which we compete.

· *Individual Performance Assessment.* Because the Committee believes that an individual's performance should effect an individual's compensation, the Committee evaluates each named executive officer's performance. With respect to the named executive officers, other than the Chief Executive Officer, the Committee considers the recommendations of the Chief Executive Officer. With respect to all named executive officers, the Committee exercises its judgment based on its interactions with the executive officer, such officer's contribution to our performance and other leadership achievements.

· *Peer Group Assessment.* The Committee benchmarks our compensation program with a group of companies against which the Committee believes we compete for talented individuals (the "Peer Group"). The composition of the Peer Group is periodically reviewed and updated by the Committee. The companies currently comprising the Peer Group are Clean Harbors, Inc., American Ecology Corporation, and EnergySolutions, Inc. The Committee considers the Peer Group's executive compensation programs as a whole and the compensation of individual officers if job responsibilities are meaningfully similar. The Committee sets compensation for executive officers at levels paid to similarly situated executives of the companies comprising the Peer Group. The Committee also considers individual factors such as experience level of the individual and market conditions. The Committee believes that the Peer Group comparison helps insure that our executive compensation program is competitive with other companies in the industry.

2007 Executive Compensation Components

For the fiscal year ended December 31, 2007, the principal components of compensation for executive officers were:

base salary;

- performance-based incentive compensation;
- long term incentive compensation;
- retirement and other benefits; and
- perquisites and other personal benefits.

Salary accounted for approximately 89.7% of the total compensation of the executive officers while non-equity incentive, option award, and other compensation accounted for approximately 10.3% of the total compensation of the executive officers.

Base Salary

The Company provides the named executive officers, other officers, and other employees with base salary to compensate them for services rendered during the fiscal year. Base salary ranges for executive officers are determined for each executive based on his or her position and responsibility by using market data and comparisons to the Peer Group. The base salary ranges for our executives are comparable to the Peer Group.

During its review of base salaries for executives, the Committee primarily considers:

- market data and Peer Group comparisons;
- internal review of the executive's compensation, both individually and relative to other officers; and
- individual performance of the executive.

Salary levels are typically considered annually as part of the performance review process as well as upon a promotion or other change in job responsibility. Merit based increases to salaries of members of the executive are based on the Committee's assessment of the individual's performance.

Performance-Based Incentive Compensation

The Committee has the latitude to design cash and equity-based incentive compensation programs to promote high performance and achievement of our corporate objectives by Directors and the named executives, encourage the growth of stockholder value and enable employees to participate in our long-term growth and profitability. The Committee may grant stock options and/or performance bonuses. In granting these awards, the Committee may establish any conditions or restrictions it deems appropriate. In addition, the Chief Executive Officer has discretionary authority to grant stock options to certain high-performing executives.

All awards of stock options are made at or above the market price at the time of the award. Stock options may be awarded to newly hired or promoted executives at the discretion of the Committee, following the hiring or promotion. Grants of stock options to newly hired executive officers who are eligible to receive them are made at the next regularly scheduled Committee meeting following their hire date.

Executive Management Incentive Plan

In 2005, the Board of Directors adopted the Executive Management Incentive Plan (the "MIP"), which became effective January 1, 2006 for the Company's Chief Executive Officer, Chief Financial Officer, and Chief Operating Officer. The MIP is an annual cash incentive program under the management incentive plans. The MIP provides guidelines for the calculation of annual cash incentive based compensation, subject to Committee oversight and modification. The Committee considers whether an MIP should be established for the next succeeding year and, if so, approves the group of employees eligible to participate in the MIP for that year. Prior to 2007, the Committee established the MIP for 2007. The MIP includes various incentive levels based on the participant's responsibilities and impact on Company operations, with target award opportunities that are established as a percentage of base salary. These targets range from 26% of base salary to 50% of base salary for the Company's named executive officers.

For fiscal 2007, 70% of a named executive officer's MIP award was based upon achievement of corporate financial objectives relating to revenue and net income targets based on board approved budget, with each component accounting for 15% and 55%, respectively, of the total corporate financial objective portion of the MIP award. The remaining 30% of an executive's MIP award was based upon health & safety incidents and permit & license compliance targets. Each year, the Committee sets target and maximum levels for each component of the corporate

financial objective portion of the MIP. Payments of awards under the MIP are contingent upon the achievement of such objectives for the current year. Executive officers participating in the MIP receive:

- no payment for the corporate financial objective portion of the MIP award unless we achieve the target performance level (as computed for the total corporate financial objective portion);

- a payment of at least 100% but less than 175% of the target award opportunity for the corporate financial objective portion of the MIP award if we achieve or exceed the target performance level but do not attain the maximum performance level; and
- a payment of 175% of the target award opportunity for the corporate financial objective portion of the MIP award if we achieve or exceed the maximum performance level.

Upon completion of each fiscal year, the Committee assesses the performance of the Company for each corporate financial objective of the MIP comparing the actual fiscal year results to the pre-determined target and maximum levels for each objective and an overall percentage amount for the corporate financial objectives is calculated.

Generally, the Committee sets the target level for earnings using our annually approved budget for the upcoming fiscal year. Minimum target objectives are set between 80% - 100% of the Company's budget. Maximum earnings objectives are set at 161% or higher of the Company's budget. In making the annual determination of the target and maximum levels, the Committee may consider the specific circumstances facing the Company during the coming year. The Committee generally sets the target and maximum levels such that the relative difficulty of achieving the target level is consistent from year to year.

Each of the executive officers for the fiscal year ended December 31, 2006, received the following payments in March 2007 under the MIP for fiscal year 2006 performance.

Name	2006 MIP Bonus Award
Dr. Louis F. Centofanti	\$ 55,530
Steven T. Baughman	\$ 37,693
Larry McNamara	\$ 47,463
Robert Schreiber, Jr.	\$ —

For 2007, the potential MIP bonus award for each named executive officer was as follows:

Annual Bonus Award (Percentage of 2007 Base Salary)

Name	Target	Maximum
Dr. Louis F. Centofanti	48%	144%
Steven T. Baughman	25%	121%
Larry McNamara	48%	144%

In fiscal year ended December 31, 2007, our named executives, with the exception of Mr. Schreiber, reached 88.03% of the revenue component under the MIP, resulting in the following bonus awards under the MIP for 2007:

Name	2007 MIP Bonus Award
Dr. Louis F. Centofanti	\$ 17,550
Steven T. Baughman	\$ 7,800
Larry McNamara	\$ 15,000
Robert Schreiber, Jr.	\$ —

The above awards made to Executive officers under the MIP for performance in 2007 were paid on May 16, 2008, and are reflected in the “Non-Equity Incentive Plan Compensation” column of the Summary Compensation Table.

Long-Term Incentive Compensation

Employee Stock Option Plan

The 2004 Stock Option Plan (the "Option Plan") encourages participants to focus on long-term performance and provides an opportunity for executive officers and certain designated key employees to increase their stake in us. Stock options succeed by delivering value to the executive only when the value of our stock increases. The Option Plan authorizes the grant of non-qualified stock options and incentive stock options for the purchase of Common Stock.

The Option Plan assists the Company to:

- enhance the link between the creation of stockholder value and long-term executive incentive compensation;
- provide an opportunity for increased equity ownership by executives; and
- maintain competitive levels of total compensation.

Stock option award levels are determined based on market data, vary among participants based on their positions with us and are granted at the Committee's regularly scheduled March meeting. Newly hired or promoted executive officers who are eligible to receive options are awarded such options at the next regularly scheduled Committee meeting following their hire or promotion date.

Options are awarded with an exercise price equal to the closing price of the Company's Common Stock on the date of the grant as reported on the NASDAQ. In certain limited circumstances, the Committee may grant options to an executive at an exercise price in excess of the closing price of the Company's Common Stock on the grant date. The Committee will not grant options with an exercise price that is less than the closing price of the Company's Common Stock on the grant date, nor has it granted options which are priced on a date other than the grant date.

No options were granted to any named executives in 2007 due to timing constraints resulting from our acquisition and divestiture efforts. The stock options granted prior to 2006 generally have a ten year term with annual vesting of 20% over a five year period. In anticipation of the adoption of SFAS 123R, on July 28, 2005, the Committee approved the acceleration of all outstanding and unvested options as of the approval date. The options granted in 2006 by the Committee are for a six year term with vesting period of three years at 33.3% increment per year. Vesting ceases upon termination of employment and exercise right of the vested option amount ceases upon 3 months from termination of employment except in the case of death, disability, or retirement (subject to a six month limitation for death or retirement), or disability (subject to a one year limitation). Prior to the exercise of an option, the holder has no rights as a stockholder with respect to the shares subject to such option.

In the event of a change of control (as defined in the "1993 Non-Qualified Stock Option Plan" and "2004 Stock Option Plan") of the Company, each outstanding option and award granted under the plans shall immediately become exercisable in full notwithstanding the vesting or exercise provisions contained in the stock option agreement.

Accounting for Stock-Based Compensation

On January 1, 2006, we adopted Financial Accounting Standards Board ("FASB") Statement No. 123 (revised) ("SFAS 123R"), *Share-Based Payment*, a revision of FASB Statement No. 123, *Accounting for Stock-Based Compensation*, superseding APB Opinion No. 25, *Accounting for Stock Issued to Employees*, and its related implementation guidance. This Statement establishes accounting standards for entity exchanges of equity instruments for goods or services. It also addresses transactions in which an entity incurs liabilities in exchange for goods or services that are based on the fair value of the entity's equity instruments or that may be settled by the issuance of those equity instruments. SFAS 123R requires all share-based payments to employees, including grants of employee

stock options, to be recognized in the statement of operations based on their fair values.

We adopted SFAS 123R utilizing the modified prospective method in which compensation cost is recognized beginning with the effective date based on SFAS 123R requirements for all (a) share-based payments granted after the effective date and (b) awards granted to employees and directors prior to the effective date of SFAS 123R that remain unvested on the effective date.

Prior to our adoption of SFAS 123R, on July 28, 2005, the Compensation and Stock Option Committee of the Board of Directors approved the acceleration of vesting for all the outstanding and unvested options to purchase Common Stock awarded to employees as of the approval date. The Board of Directors approved the accelerated vesting of these options based on the belief that it was in the best interest of our stockholders to reduce future compensation expense that would otherwise be required in the statement of operations upon adoption of SFAS 123R, effective beginning January 1, 2006.

Retirement and Other Benefits

401(k) Plan

We adopted the Perma-Fix Environmental Services, Inc. 401(k) Plan (the “401(k) Plan”) in 1992, which is intended to comply with Section 401 of the Internal Revenue Code and the provisions of the Employee Retirement Income Security Act of 1974. All full-time employees who have attained the age of 18 are eligible to participate in the 401(k) Plan. Eligibility is immediate upon employment but enrollment is only allowed during two yearly open periods of January 1 and July 1. Participating employees may make annual pretax contributions to their accounts up to 100% of their compensation, up to a maximum amount as limited by law. We, at our discretion, may make matching contributions based on the employee’s elective contributions. Company contributions vest over a period of five years. We currently match 25% of our employees’ contributions. We contributed \$418,000 in matching funds during 2007, with \$17,000 for our named executive officers during 2007.

Perquisites and Other Personal Benefits

The Company provides executive officers with limited perquisites and other personal benefits that the Company and the Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain superior employees for key positions. The Committee periodically reviews the levels of perquisites and other personal benefits provided to executive officers. The executive officers are provided an auto allowance.

Proposed Employment Agreements

On March 1, 2007, the Board of Directors authorized us to enter into employment agreements with our named executives, if management deems such agreements are in our best interest. As of the date of this Proxy Statement, management has not determined whether finalizing such agreements is in our best interests, and none of our named executives has entered into any employment agreement with us.

If management determines that such employment agreements are in our best interest and completes the agreements, it is anticipated that such employment agreements would be effective for three years, unless earlier terminated by us with or without cause or by the executive officer for “good reason” or any other reason. If the executive officer’s employment is terminated due to death, disability or for cause, it is anticipated that we would pay to the executive officer or to his estate a lump sum equal to the sum of any unpaid base salary through the date of termination, any earned or unpaid incentive bonus, and any benefits due to the executive officer under any employee benefit plan, excluding any severance program or policy (the “Accrued Amounts”).

If the executive officer terminates his employment for good reason or is terminated without cause, it is anticipated that the employment agreements will provide that we would be required to pay the executive officer a sum equal to the total Accrued Amounts and one year of full base salary. If the executive terminates his employment for a reason other than for good reason, it is anticipated that the Company would pay to the executive the amount equal to the Accrued Amounts. The employment agreements would provide, when finalized, that if there is a Change in Control (to be defined in the agreements), that all outstanding stock options to purchase common stock held by the executive officer will immediately become exercisable in full.

Compensation Committee Report

The Committee of the Company has reviewed and discussed this Compensation Discussion and Analysis with management and, based on such review and discussions, the Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

PROPOSAL 2 – APPROVAL OF THE FIRST AMENDMENT TO THE 2003 OUTSIDE DIRECTORS STOCK PLAN

Background. In 2003, the Board of Directors adopted the 2003 Outside Directors Stock Plan (the "2003 Plan"), and the 2003 Plan was approved by our stockholders at the annual meeting held on July 29, 2003. The 2003 Plan authorizes the grant of non-qualified stock options and stock awards to each member of our Board of Directors who is not our employee. Currently, we have seven outside directors. The Board of Directors believes that the 2003 Plan serves to:

- (a) attract and retain qualified members of the Board of Directors who are not our employees, and
- (b) enhance such outside directors' interests in our continued success by increasing their proprietary interest in us and more closely aligning the financial interests of such outside directors with the financial interests of our stockholders.

First Amendment. Currently, the maximum number of shares of our Common Stock that may be issued under the 2003 Plan is 1,000,000, of which 412,465 shares have previously been issued under the 2003 Plan, and 426,000 shares are issuable under outstanding options granted under the 2003 Plan. As a result, an aggregate of 838,465 of the 1,000,000 shares authorized under the 2003 Plan have been previously issued or reserved for issuance, and only 161,535 shares remain available for issuance under the 2003 Plan. In order to continue the benefits that are derived through the 2003 Plan, on June 9, 2008, our Compensation and Stock Option Committee approved and recommended that our Board of Directors approve the First Amendment to the 2003 Plan (the "First Amendment") to increase from 1,000,000 to 2,000,000 the number of shares of our Common Stock reserved for issuance under the 2003 Plan. Our Board of Directors approved the First Amendment to the 2003 Plan on June 13, 2008. The adoption of the First Amendment to the 2003 Plan is subject to shareholder approval. The First Amendment is attached as Appendix "A" to this Proxy Statement.

Pursuant to Rule 16b-3 of the Securities Exchange Act, as amended, and the NASDAQ rules, our stockholders are being asked to approve the First Amendment to the 2003 Plan at the annual meeting. The principal features of the 2003 Plan, as amended by the First Amendment, are summarized below, but such summary is qualified in its entirety by reference to the terms of the First Amendment, as set forth in Exhibit "A" to this Proxy Statement. Our Board of Directors unanimously recommends that stockholders approve the First Amendment to the 2003 Plan.

Available Shares. If the First Amendment is adopted, the 2003 Plan will provide that the maximum number of shares of our Common Stock that may be issued under the 2003 Plan is 2,000,000 shares (subject to adjustment as provided in the 2003 Plan), of which 838,465 have previously been issued or reserved for issuance under the 2003 Plan. As of the record date, the fair market value of a share of our common stock was \$2.29, based on the closing price of such stock as reported on NASDAQ on such date. As a result, the aggregate fair market value of the additional 1,000,000 shares of our Common Stock that may be granted under the 2003 Plan if the First Amendment is approved was \$2,290,000 as of the record date. Shares of our Common Stock subject to options that are canceled or expired without being exercised will again be available for awards under the 2003 Plan. The shares of Common Stock to be delivered under the 2003 Plan will be made available from our authorized and unissued shares.

Eligibility. Each member of our Board of Directors who is not our employee ("Eligible Director") is eligible to receive options and awards under the 2003 Plan. As of the date of this Proxy Statement, seven persons are eligible to participate in the 2003 Plan. If new or additional non-employee directors are added to our Board of Directors, they will be eligible to participate in the 2003 Plan.

Grant of Options. Each Eligible Director automatically receives an option to purchase 30,000 shares of Common Stock on the date the Eligible Director is initially elected to the Board of Directors. Thereafter, each Eligible Director receives an option to acquire an additional 12,000 shares of Common Stock on each date the Eligible Director is reelected to the Board of Directors by our stockholders. The options granted under the 2003 Plan are non-qualified stock options, which do not qualify as "incentive stock options" under Section 422 of the Internal Revenue Code, as amended (the "Code").

Option Terms. The 2003 Plan provides that the terms of each option granted will include the following:

Exercise Price. The exercise price of options will be the fair market value of the shares of Common Stock subject to the option on the business day preceding the date the option is granted. Common Stock purchased upon the exercise of an option granted under the 2003 Plan must be paid in cash in full at the time of exercise. Options must be exercised for not less than 1,000 shares of Common Stock unless the remaining shares that are exercisable are less than 1,000 shares.

Term. No option shall be exercisable until after the expiration of at least six months from the date the option was granted. Each option will expire 10 years from the date the option is granted.

Stock in lieu of Director Fees Payable in Cash. The 2003 Plan provides that an Eligible Director may elect to receive either:

65% of the fee payable to the Eligible Director for service on our Board (the "Director Fee") in Common Stock with the balance paid in cash, or

100% of the Director Fee in Common Stock.

The number of shares of Common Stock issuable to the Eligible Directors in lieu of Director Fees payable in cash is determined by valuing the Common Stock at 75% of its fair market value on the business day immediately preceding the date that the Director Fee is due. No shares of Common Stock received in lieu of Director Fees paid in cash may be transferred by an Eligible Director until after the expiration of six months from the date the shares are issued.

Amendment or Termination. The Board of Directors may amend or modify the 2003 Plan at any time (except as otherwise provided in the 2003 Plan); provided however, the Board of Directors may not amend the 2003 Plan more than once every six months with respect to the provisions relating to the grant of options, except to comport with changes in the Code, the Employee Retirement Income Securities Act, or rules thereunder. No amendment shall be effective without shareholder approval if shareholder approval is required to apply with applicable law or stock exchange rules.

Adjustments. Subject to any required action by our stockholders, the number of shares of common stock for which options may be granted and the number of shares of common stock then subject to options previously granted will be proportionately adjusted for any increase or decrease in the number of issued and outstanding shares of our common stock resulting from a merger, consolidation, reorganization, recapitalization, reclassification, combination of shares, stock split or stock dividend. Such adjustments shall be made solely by the Board of Directors.

Federal Tax Consequences:

· *Stock Options.* An optionee will realize no taxable income at the time an option is granted under the 2003 Plan. Ordinary income will generally be realized by the optionee at the time the optionee exercises of an option. The amount of income will be equal to the difference between the exercise price and the fair market value of the shares on the date of exercise. Tax withholding may be required on such income at the time of exercise by the optionee. We are entitled to a deduction for federal income tax purposes at the same time and in the same amount as the optionee is considered to have realized ordinary income on the exercise of an option. When an optionee disposes of shares of Common Stock acquired upon the exercise of the option, any amount received in excess of the fair market value of the shares on the date of exercise will be treated as long or short-term capital gain, depending upon the holding period of the shares. If the amount received is less than the fair market value of the shares on the date of exercise, the loss will be treated as long or short-term capital loss depending upon the holding period of the shares.

· *Stock Awards.* An Eligible Director will recognize ordinary income upon the issuance of shares of Common Stock in lieu of cash Director Fees in an amount equal to the fair market value of the shares received, adjusted for certain marketability restrictions of these shares. Tax withholding may be required on such income at the time of issuance. We generally will be entitled to a federal income tax deduction on the date of issuance equal to the amount the Eligible Director recognizes as ordinary income. When a participant sells shares received as a stock award, the participant will recognize capital gain or loss equal to the difference between the amount the participant recognized as ordinary income (adjusted for certain marketability restrictions of these shares) and the fair market value of the shares on the date of the sale. Such capital gain or loss will be treated as long term or short term, depending on the holding period of the shares."

The above-described tax consequences are based upon present federal income tax laws, and thus are subject to change when laws change.

Vote Required. The affirmative vote of a majority of the Common Stock present in person or represented by proxy at the Meeting is required for the adoption of the First Amendment to the 2003 Outside Directors Stock Plan.

THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" APPROVAL OF THE FIRST AMENDMENT TO THE 2003 OUTSIDE DIRECTORS STOCK PLAN.

PROPOSAL 3 - RATIFICATION OF INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee has appointed BDO Seidman, LLP ("BDO") as independent registered public accounting firm to audit the consolidated financial statements of the Company for fiscal year 2008. BDO has been the Company's independent auditor since December 18, 1996. It is expected that representatives of BDO will be present at the annual meeting, will have an opportunity to make a statement if they desire to do so, and will be available to answer appropriate questions.

The affirmative vote of the holders of a majority of the Common Stock present in person or by proxy at the Meeting and entitled to vote is required for adoption of this proposal.

Audit Fees

The aggregate fees and expenses billed by BDO Seidman, LLP ("BDO") for professional services rendered for the audit of the Company's annual financial statements for the fiscal years ended December 31, 2007 and 2006, for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for those fiscal years, and for review of documents filed with the Securities and Exchange Commission for those fiscal years were approximately \$557,000 and \$478,000, respectively. Audit fees for 2007 and 2006 include approximately \$175,000 and \$195,000,

respectively, in fees related to the audit of internal control over financial reporting. Approximately 8% and 7% of the total hours spent on audit services for the Company for the years ended December 31, 2006, were spent by Cross, Fernandez and Riley, LLP (“CFR”) and by McLeod and Company, respectively, members of the BDO alliance network of firms. Such members are not full time, permanent employees of BDO. No members of any BDO alliance network of firms performed audit services for the Company for the years ended December 31, 2007

Audit-Related Fees

BDO was not engaged to provide audit related services to the Company for the fiscal years ended December 31, 2007 and 2006. The aggregate fees billed by CFR for audit related services to the Company for the fiscal year ended December 31, 2007 was approximately \$4,200.

CFR audited the Company's 401(k) Plan during 2007 and 2006, and billed \$10,000 and \$11,000, respectively.

Tax Services

BDO was not engaged to provide tax services to the Company for the fiscal year ended December 31, 2007 and 2006.

The aggregate fees billed by CFR for tax compliance services for 2007 and 2006 were approximately \$7,800 and \$34,000, respectively. CFR was engaged to provide consulting on corporate tax issues for the fiscal year ended December 31, 2006, resulting in fees billed of approximately \$4,300.

All Other Fees

BDO was engaged to provide services related to the acquisition of Nuvotec USA, Inc. and its wholly owned subsidiary, Pacific EcoSolutions, Inc. ("PEcoS") and other corporate related matters for the fiscal year ended December 31, 2007, resulting in fees totaling approximately \$12,000. In 2006, BDO was engaged to provide services related to our proposed acquisition of Nuvotec USA, Inc. and its wholly owned subsidiary, Pacific EcoSolutions, Inc. ("PEcoS"), resulting in fees of approximately \$4,300.

The Audit Committee of the Company's Board of Directors has considered whether BDO's provision of the services described above for the fiscal years ended December 31, 2007 and 2006, is compatible with maintaining its independence. The Audit Committee also considered services performed by CFR and McLeod and Company to determine that it is compatible with maintaining independence.

Engagement of the Independent Auditor

The Audit Committee is responsible for approving all engagements with BDO and any members of the BDO alliance network of firms to perform audit or non-audit services for us, prior to engaging these firms to provide those services. All of the services under the headings Audit Fees, Audit Related Fees, Tax Services, and All Other Fees were approved by the Audit Committee pursuant to paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X of the Exchange Act. The Audit Committee's pre-approval policy provides as follows:

- The Audit Committee will review and pre-approve on an annual basis any known audit, audit-related, tax and all other services, along with acceptable cost levels, to be performed by BDO and any members of the BDO alliance network of firms. The Audit Committee may revise the pre-approved services during the period based on subsequent determinations. Pre-approved services typically include: statutory audits, quarterly reviews, regulatory filing requirements, consultation on new accounting and disclosure standards, employee benefit plan audits, reviews and reporting on management's internal controls and specified tax matters.
- Any proposed service that is not pre-approved on the annual basis requires a specific pre-approval by the Audit Committee, including cost level approval.
- The Audit Committee may delegate pre-approval authority to one or more of the Audit Committee members. The delegated member must report to the Audit Committee, at the next Audit Committee meeting, any pre-approval decisions made.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” RATIFICATION OF THE REAPPOINTMENT OF BDO AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.
