Item 2.01 Completion of Acquisition or Disposition of Assets.

As previously announced, effective August 27, 2010, we sold our unprofitable remanufacturing subsidiary, New Century Remanufacturing, Inc. (“NCR”), to our former directors, David Duquette and Josef Czikmanti, for \$1 and an indemnity from all of NCR’s liabilities. As such, we are no longer in the machine tool business and are focused solely on aerospace and defense.

We expect to record a gain of approximately \$1.2 million based on the sale of the net liabilities of NCR. The operations associated with NCR and the gain on sale will be classified as income (loss) from discontinued operations subsequent to the date of sale. Prior to reclassification, the operations associated with this transaction were classified into our “CNC machine tool remanufacturing” segment. Summarized balance sheet information for NCR as of August 16, 2010 is set forth below:
