Item 2.02. Results of Operations and Financial Condition.

On February 7, 2011, Neoprobe Corporation (the "Company") issued a press release (the "Press Release") announcing that its common stock has been cleared for listing on the NYSE Amex. The Company's common stock, which currently trades on the OTC Bulletin Board, will begin trading on the NYSE Amex on or about February 10, 2011. In connection with the listing, the Company's ticker symbol will change to "NEOP" from "OTCBB:NEOP."

To ensure that all the required information provided to the NYSE Amex in connection with the Company's application had been adequately disclosed to the investing public, the Company provided pro forma financial information in the press release to update the financial position of the Company as reported in its most recently completed quarterly filing with the Securities and Exchange Commission for the nine months ended September 30, 2010. A copy of the complete text of the Company's February 7, 2011, press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Statements contained or incorporated by reference in this Current Report on Form 8-K which relate to other than strictly historical facts, such as statements about the Company's plans and strategies, expectations for future financial performance, new and existing products and technologies, anticipated clinical and regulatory pathways and markets for the Company's products, are forward-looking statements. The words "believe," "expect," "anticipate," "estimate," "project" and similar expressions identify forward-looking statements that speak only as of the date hereof. Investors are cautioned that such statements involve risks and uncertainties that could cause actual results to differ materially from historical or anticipated results due to many factors including, but not limited to, the Company's continuing operating losses, uncertainty of market acceptance of its products, reliance on third party manufacturers, accumulated deficit, future capital needs, uncertainty of capital funding, dependence on limited product line and distribution channels, competition, limited marketing and manufacturing experience, risks of development of new products, regulatory risks and other risks detailed in the Company's most recent Annual Report on Form 10-K and other Securities and Exchange Commission filings. The Company undertakes no obligation to publicly update or revise any forward-looking statements.
