ARDENT MINES LIMITED
(An Exploration Stage Company)
NOTES TO UNAUDITED FINANCIAL STATEMENTS

NOTE 1 - BASIS OF PRESENTATION

The accompanying unaudited interim financial statements of Ardent Mines Limited have been prepared in accordance with accounting principles generally accepted in the United States of America and the rules of the Securities and Exchange Commission and should be read in conjunction with the audited financial statements and notes thereto contained in Ardent Mines' Annual Report filed with the SEC on Form 10-K for the fiscal year ended June 30, 2010. In the opinion of management, all adjustments, necessary for a fair presentation of financial position and the results of operations for the interim periods presented have been reflected herein. The results of operations for interim periods are not necessarily indicative of the results to be expected for the full year. Notes to the financial statements which substantially duplicate the disclosure contained in the audited financial statements for the fiscal year ended June 30, 2010 as reported in the Form 10-K have been omitted.

NOTE 2 - GOING CONCERN

From July 27, 2000 (date of inception) to December 31, 2010, Ardent Mines Limited has incurred an accumulated deficit and has a working capital deficit at December 31, 2010. The ability of Ardent Mines to emerge from the exploration stage with respect to any planned principal business activity is dependent upon its successful efforts to raise additional equity financing and/or attain profitable mining operations. Management has plans to seek additional capital through a private placement and public offering of its common stock. There is no guarantee that Ardent Mines will be able to complete any of the above objectives. These factors raise substantial doubt regarding the Ardent Mines' ability to continue as a going concern.

NOTE 3 - LOANS

As of December 31, 2010, we have borrowed a total of \$250,000 from CRG Finance AG at a rate of 7.5% per annum. This unsecured loan, plus any interest accumulated, is due upon demand after the first anniversary of the agreement date within thirty calendar days upon delivery to the Borrower a written demand by the Lender. As of December 31, 2010, \$3,438 in interest has accrued.

NOTE 4 - ADVANCES

As of December 31, 2010, Ardent Mines owes Urmas Turu, the Company's former president and a current board member, \$43,554 that was used for payment of Company expenses. The amount has no terms of repayment, is unsecured, and bears no interest.

NOTE 5- RELATED PARTY TRANSACTIONS

Pursuant to his Employment Agreement, Leonardo Riera was granted the right to receive fifty thousand (50,000) restricted shares of the Company's common stock valued at \$84,500. In consideration for services rendered to the Company, Mr. Riera was paid a monthly salary of Twenty Thousand U.S. Dollars (\$20,000) per month, retroactive to August 15, 2010. As of December 31, 2010, \$50,000 was accrued and unpaid.

Introduction

We were incorporated in Nevada on July 27, 2000. We are presently engaged in the acquisition of mining properties. The Company's address is 100 Wall Street, 21st Floor, New York, NY 10005. The Company's telephone number is (561) 989-3200.

In August 2000, we acquired the right to prospect one mineral property containing eight mining claims located on Copperkettle Creek in British Columbia, Canada. We have allowed these claims to lapse. From August 26, 2006 to December 11, 2006, we did not conduct any operations. During that period, we intended to identify an acquisition or merger candidate with ongoing operations in any field. However in December 2006 we decided to acquire the right to explore a new property in British Columbia and returned to the business of mineral exploration. On April 30, 2009, the Company decided not to renew certain claims due to a lack of capital. To date we have not performed any work on developing claims in Canada, and we no longer plan to pursue such development. The Company determined to pursue other mining development opportunities.

During the period covered by this Report, the Company has expanded its Board of Directors, appointed new officers, and entered into a Letter of Intent for the acquisition of a Brazilian mining company. The Company is continuing to negotiate, and perform due diligence related to the acquisition of the Brazilian company, and is exploring other potential acquisitions.

The Company's Current Business Operations

Change of Officers and Directors

On August 25, 2010, Mr. Urmas Turu resigned as the President of the Company. He shall remain a member of the Company's Board of Directors and as the Company's Secretary and Treasurer until qualified replacements are appointed. On August 25, 2010, Mr. Leonardo Alberto Riera was appointed as a member of the Company's Board of Directors and as the President and Chief Executive Officer of the Company. On September 2, 2010, Mr. Luis Feliu was appointed as the Chief Financial Officer of the Company. Mr. Riera and Mr. Feliu will both devote the majority of their time to the Company's operations.

Letter of Intent to Acquire Rio Sao Pedro Mineracao LTDA

On September 25, 2010, the Company entered into a letter of intent (the "Letter of Intent") with Rio Sao Pedro Mineracao LTDA ("Rio Sao Pedro"), a Brazilian mining company. Rio Sao Pedro owns a prospective gold mine, the "Fazenda Lavras," which is near the Morro do Ouro mine of Kinross Gold Corporation in the city of Paracatu, located in the State of Minas Gerais, Brazil. The Rio Sao Pedro Fazenda Lavras property covers approximately 211 hectares (approximately 521 acres), with gold mining rights and other mineral rights on a total of 828 hectares (approximately 2,046 acres). Subject to the closing of the transaction, Rio Sao Pedro will become a wholly owned subsidiary of the Company.

The closing of the transaction is subject to customary closing conditions, including the completion of an independent geology survey, completion of audited financial statements, acquisition of all necessary government approvals to commence gold mining on the property, completion of due diligence satisfactory to the Company in its sole discretion, and execution of detailed final agreements supplementing the terms and conditions of the Letter of Intent, including, without limitation, representations regarding the validity of the assessments of all gold ore reserves, the status of all government licenses and related matters.

Negotiations between the Company and Rio Sao Pedro and the Sellers have continued amicably. The Company is presently engaged in due diligence concerning the prospective acquisition of Rio Sao Pedro. As a condition to closing of the acquisition of Rio Sao Pedro by the Company, certain outstanding issues among the Sellers must be resolved. In addition, certain disputes between the Sellers and third parties are also being reviewed. The Company has been advised that the Sellers intend to resolve all internal issues and disputes with third parties during the foreseeable future, however, as of the date of this report no assurances or guarantees can be given in respect of closing the acquisition of Rio Sao Pedro by the Company.

Exploration and Acquisition Agreement to Acquire Capri General Trading Co. Ltd.

On December 12, 2010, the Company entered into an Exploration and Acquisition Agreement (the "Capri Agreement") with Afrocan Resources Ltd. ("Afrocan"), a company incorporated in British Columbia, Canada. Afrocan owns 100% of all issued and outstanding shares of Capri General Trading Co. Ltd. ("Capri"), which is the legal and beneficial owner of 100% of all mineral rights as per Tanzanian License No. PL 1761/2001 (the "Shenda License"). The Shenda License is the mineral rights for a property situated approximately 53 kilometers West North West of Kahama in the Bukombe District, in the Shinyanga Region of Tanzania. Subject to the closing of the transaction, Capri will become a wholly owned subsidiary of the Company.

Pursuant to the Capri Agreement, the Company intends to conduct exploration activities at the property covered by the Shenda license (the "Shenda Property") over the following twelve months (such costs, the "Exploration Costs"). In the event that the Company shall ascertain commercially available and commercially exploitable reserves of not less than

Four Hundred Thousand (400,000) ounces of gold at the Shenda Property, the Company shall acquire all of the issued and outstanding equity interests in Capri (the “Capri Shares”) from Afrocan. In exchange for the acquisition of the Capri Shares, the Company shall issue to Afrocan shares of the Company having an aggregate value of Nine Million U.S. Dollars (\$9,000,000) (the “Ardent Shares”). The price per share shall be determined at the lower of Five U.S. Dollars (\$5.00) per share or the average closing price of the publicly traded common stock of the Company on the five (5) consecutive days prior to the closing. In the event that the Exploration Costs exceed Three Million U.S. Dollars (\$3,000,000), the number of Ardent Shares to be delivered shall be reduced accordingly, so that the total value of the purchase price shall not exceed Twelve Million U.S. Dollars (\$12,000,000).

The closing of the Capri Agreement transaction is subject to final due diligence satisfactory to the Company and the completion and execution of detailed long form agreements supplementing the terms and conditions of the Capri Agreement, including, without limitation, representations regarding the validity of the assessments of all gold ore reserves, the status of all government licenses and related matters. The Company and Afrocan have agreed to exclusivity and not to solicit or negotiate any alternative transactions.

Following the closing, the Company shall undertake to raise such funds as are necessary for the development of mining operations at the property covered by the Shenda License and the general operating expenses of the Company.

Compensation of Officers and Directors

Pursuant his employment agreement, the Company's President and Chief Executive Officer, Leonardo Riera, was to be granted fifty thousand (50,000) restricted shares of the Company's common stock (the "Restricted Shares"). On February 4, 2011, the Company's Board of Directors granted Leonardo Riera options to purchase fifty thousand (50,000) shares of the Company's common stock at a purchase price of one cent (\$.01) per share. This option was granted in lieu of the Restricted Shares.

On November 1, 2010, Gabriel Margent was appointed to our board and to the position financial expert on our Audit Committee. The remainder of this compensation shall accrue until such time as the Company shall have received capital investments in the amount of ten million U.S. Dollars (\$10,000,000), at which time all accrued and unpaid amounts shall be due and payable. The Company and Mr. Margent have agreed that an option grant from the Company to Mr. Margent shall be set at a future date.

On November 30, 2010, James Ladner was appointed as a member of our board of directors and also the Audit Committee. The Company and Mr. Ladner have agreed that his compensation shall initially be five thousand U.S. Dollars (\$5,000) per month. Two thousand five hundred U.S. Dollars (\$2,500) of this amount shall be payable incrementally on a monthly basis and pro-rated for any partial month of service, less any applicable statutory and regulatory deductions, which shall be payable in accordance with the Company's regular payroll practices, as the same may be modified from time to time. The remainder of this compensation shall accrue until such time as the Company shall have received capital investments in the amount of ten million U.S. Dollars (\$10,000,000), at which time all accrued and unpaid amounts shall be due and payable. The Company and Mr. Ladner have agreed that an option grant from the Company to Mr. Ladner shall be set at a future date.

On December 9, 2010, Luciano de Freitas Borges was appointed as a member of our board of directors. The Company and Mr. Borges have agreed that his compensation shall initially be five thousand U.S. Dollars (\$5,000) per month. In addition, Mr. Borges shall be eligible to receive a future grant of options to purchase 200,000 shares of the Company's common stock. In addition to Mr. Borges' service as a Member of the Board, he shall provide consulting services to the Company through Ad Hoc Associated Advisors Inc. (the "Technical Advisor"), a Company of which he is the Chief Executive Officer. Such consulting services shall relate to the Company's mining activities, and shall be governed by the Technical Advisory Services Agreement dated as of December 9, 2010 (the "Ad Hoc Agreement"), by and between the Company and the Technical Advisor. The Company shall compensate the Technical Advisor as follows: (i) The Technical Advisor shall be paid at a rate of Two thousand five hundred U.S. Dollars (\$2,500) per month; and (ii) be

eligible to receive a bonus of restricted common stock. Either party may terminate the Ad Hoc Agreement on thirty (30) days written notice.

Liquidity and Capital Resources

As of the date of this Report, we have yet to generate any revenues from our business operations. The Company has raised funds through the sale of equity and borrowing. The Company will need to raise additional capital to commence operations. The amount of capital required will be determined by the size and nature of the mining projects which the Company may commence in the future. We have no assurance that financing will be available to us on acceptable terms. If financing is not available on satisfactory terms, we may be unable to continue, develop or expand our operations. Any equity financing we may pursue will result in additional dilution to existing shareholders.

The Company will require significant additional funding in order to conduct proposed operations for the next year. The amount of funding required will be determined by the number of acquisitions of mining properties the Company engages in during such time.

On July 27, 2007 we completed our private placement. We raised \$82,432 by selling 8,243,200 shares of common stock at a price of \$0.01 per share to twelve investors. The proceeds of the offering have been used to sustain operations through the date of this Report.

On May 11, 2010, we entered into a stock purchase agreement with CRG Finance AG whereby CRG Finance AG purchased 700,000 shares of common stock at \$0.01 per share for a total of \$7,000.

On October 19, 2010, the Company entered into a Convertible Promissory Note with CRG Finance AG. CRG Finance AG has agreed to loan the Company an aggregate of up to One Million U.S. Dollars (\$1,000,000) which may be drawn down by the Company in tranches at an interest rate of seven and one half percent (7.5%), calculated based on a year of 365 days and actual days elapsed. After the first anniversary thereof, the loan shall be due thirty (30) days after a demand is made by CRG Finance AG. Subsequent Events

On January 18, 2011, the Company announced that it agreed upon binding and exclusive terms to acquire Gold Hills Mining Ltda ("Gold Hills"), a Brazilian corporation which owns mineral rights on four properties located in Northeastern Brazil, comprising a total area of approximately 3,500 Hectares, collectively to be known as the "Serra do Ouro" project.

The Gold Hills properties are in a gold bearing shear zone, which hosts a 14 km trend of highly mineralized veins, with areas of gold grades in the 10 gr/MT range, underground galleries (built by the CPRM, an agency of Brazil's Ministry of Mines), shafts, and gold-bearing tailings with average grades in the 1 – 3 gr/MT range, yet to be fully evaluated. Gold Hills has secured all mineral rights, and has conducted preliminary geochemical and geophysical work on this area.

The Gold Hills properties are located in Teixeira County, State of Paraiba, and Itapetim County, State of Pernambuco. As per the arrangement with Gold Hills Mining Ltda., the Company will engage in a new survey drilling program during the first 12 to 15 months after the closing of the acquisition, which is expected to occur in March of 2011. The closing of this transaction is subject to the completion of due diligence and other conditions, including the execution of mutually acceptable detailed agreements.
