Item 4.01. Changes in Registrant's Certifying Accountant

Net Element International, Inc. (formerly Cazador Acquisition Corporation Ltd.) (the "Company") previously engaged BDO USA, LLP ("BDO") as its independent auditor for the fiscal year ending December 31, 2011. BDO has served as the independent auditor for the Company since April 20, 2010.

On October 2, 2012, the Company acquired Net Element, Inc. ("Net Element"). The Company accounted for this acquisition as a "reverse merger" for financial reporting purposes. Daszkal Bolton LLP ("Daszkal") was engaged by Net Element for the purpose of auditing Net Element's financial statements as of December 31, 2011 and December 31, 2010 and reviewing Net Element's unaudited financial statements for the three-month periods ended March 31, 2012 and 2011, the three and six-month periods ended June 30, 2012 and 2011 and the three and nine-month periods ended September 30, 2012 and 2011 (collectively, the "Target Financial Statements") in connection with the acquisition by the Company.

The Company will continue to use BDO as its independent auditor. On November 13, 2012, the Board of Directors approved the engagement of BDO as the Company's independent auditor for the year ended December 31, 2012. The Board of Directors of the Company took no action regarding Daszkal, as Daszkal had never been engaged by the Company.

However, because Daszkal has not been engaged by the Company to audit its financial statements following the acquisition, it can be stated that Daszkal was dismissed by the Company as its auditor. This change in auditors effectively occurred on November 13, 2012, the date on which the Company confirmed BDO as the Company's independent auditor.

Neither Net Element nor anyone acting on its behalf consulted BDO with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on financial statements, or any other matters or reportable events listed in Items 304(a)(1)(iv) and (v) of Regulation S-K prior to October 2, 2012, the date of its acquisition by the Company.

Daszkal's report on the Target Financial Statements did not contain an adverse opinion or disclaimer of opinion, nor was the report qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company's two most recent fiscal years and through the date of change in accountants (November 13, 2012), there were (i) no disagreements between the Company and Daszkal on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Daszkal's satisfaction, would have caused Daszkal to make reference to the subject matter of the disagreement in

connection with its report on the Target Financial Statements; and (ii) Daszkal did not advise the Company of any of the events requiring reporting in this Form 8-K under Item 304(a)(1)(v) of Regulation S-K.

The Company provided Daszkal with a copy of the disclosures made in this report before this report was filed with the Securities and Exchange Commission. The Company requested that Daszkal send a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the above statements that are related to Daszkal, and, upon receipt, will file a copy of such letter as an exhibit to an amendment to this Form 8-K.
