Item 7.01 Regulation FD Disclosure.

On December 30, 2013, Senesco Technologies, Inc. (“Senesco” or the “Company”) issued a press release announcing that the Company has agreed to terms and executed a non-binding letter of intent to merge with Fabrus, Inc. (“Fabrus”), a privately-held, biotechnology company focused on expanding the clinical impact of antibodies by addressing drug targets resistant to traditional antibody discovery methods.

Under the terms of the non-binding letter of intent, Fabrus will merge with a wholly-owned subsidiary of Senesco. Senesco will be the surviving corporation. Post merger, the stockholders of Fabrus will receive approximately 50% of Senesco, and the Senesco stockholders will continue to own approximately 50% of Senesco. The Senesco stockholders will not be required to vote on this transaction, and Senesco stockholders will be entitled to hold their existing securities. A non-binding letter of intent has been signed and due to the non-binding nature of such agreement, the terms of the proposed transaction remain subject to change. The parties expect to sign a definitive agreement in early 2014, subject to final review and approval of the terms of the transaction by the board of directors of each of Senesco and Fabrus, and the transaction is expected to close concurrently with signing or shortly thereafter. Additional details of the transaction will be disclosed once an agreement is executed.

A copy of the press release is attached as Exhibit 99.1 hereto and incorporated herein by reference. The information contained in this Current Report on Form 8-K, including Exhibit 99.1, is intended to be "furnished" and shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section.
