ITEM 3.02 UNREGISTERED SALE OF EQUITY SECURITIES

From the period April 22, 2014 through July 23, 2014, the registrant sold its Common Stock to 26 investors in various private placements. The Common Stock was sold at prices ranging from \$.40 per share to \$.70 per share. A total of 1,080,680 shares were sold. The total proceeds received were \$632,340. No sales commissions were paid. The registrant intends to use the proceeds from the sales to purchase raw material inventory, invest in new equipment and general working capital purposes. We believe the sales were exempt from the registration requirements of the Securities Act of 1933, as amended by virtue of Section 4(2) of the Act. All of the purchasers were sophisticated investors and no general solicitation or advertising was used. Except for one entity all of the investors were for the benefit of individuals. The vast majority of the purchasers were existing stockholders of the registrant.

Also, on June 20, 2014, we exchange shares of our Common Stock in return for the debt held by a stockholder; we issued 20,800 shares of our Common Stock in exchange for \$12,500 of debt.

On May 5, 2014, we issued 15,000 shares of our Common Stock to one person for consulting services valued at \$6,000. On June 4, 2014, we issued 40,000 shares of our Common Stock to one person for professional services valued at \$16,000. On June 30, 2014 we issued 10,000 shares of our Common Stock to a stockholder in exchange for services valued at \$5,000. And on June 24, 2014, we issued 15,000 shares of our Common Stock to one person for consulting services valued at \$7,500. We believe that all of these transactions were exempt from the registration requirement of the 1933 Securities Act, as amended, by virtue of Section 4(2) of the act as all persons receiving the shares were sophisticated persons.
