**Item 4.01 Changes in Registrant's Certifying Accountant.**

On April 7, 2015, Table Trac, Inc. (the "Company") decided to change its independent registered public accountants, and accordingly dismissed Baker Tilly Virchow Krause, LLP ("Baker Tilly"). Baker Tilly's reports on the Company's financial statements during the past two fiscal years did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

The decision to change independent registered public accountants was proposed by management to the Audit Committee and subsequently recommended by the Audit Committee to the Board of Directors. By direction of the Board of Directors, the Audit Committee analyzed and approved the change.

During the past two fiscal years and through April 7, 2015, there were no disagreements with Baker Tilly on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which if not resolved to Baker Tilly's satisfaction would have caused it to make reference to the subject matter of the disagreement in connection with its report.

The Company has provided Baker Tilly with the contents of this current report on Form 8-K and has requested that Baker Tilly furnish a letter addressed to the Securities and Exchange Commission stating whether it agrees with the statements made by the Company in this report, and if not, stating the respects in which it does not agree. A copy of the letter from Baker Tilly to the Securities and Exchange Commission is filed as Exhibit 16.1 hereto.

On April 7, 2015, the audit committee approved the engagement of Boulay, P.L.L.P. ("Boulay") as the Company's independent registered public accounting firm for the year ending December 31, 2015 subject to Boulay's completion of its client acceptance process.

During the years ended December 31, 2013 and December 31, 2014 and through April 7, 2015, neither the Company nor anyone on its behalf has consulted Boulay with respect to (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor oral advice was provided to the Company that Boulay concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K) or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K).
