Item 5. OTHER EVENTS

On August 13, 2003, OraLabs Holding Corp. (the "Company") issued a press release announcing that it received a notification letter from NASDAQ dated August 11, 2003, stating that the Company has not maintained a minimum market value of publicly-held shares ("MVPHS") of \$1,000,000.00 as required for continued inclusion by Marketplace Rule 4310(c)7 (the "Rule"). If compliance with the Rule cannot be demonstrated by November 10, 2003, NASDAQ will provide written notification that the Company's securities will be delisted, and at that time, the Company may appeal the determination to a Listing Qualification Panel. There can be no assurance that such an appeal would be successful.

In addition, as previously reported and as discussed in the press release, NASDAQ gave written notice to the Company on August 26, 2002 that the Company did not maintain a minimum bid price of \$1.00 as required by Market Place Rule 4310 (c) (4). The 180-day period in which to demonstrate compliance

ended February 24, 2003 but was extended for an additional 180 days that now expires on August 21, 2003. The Company's securities will then be subject to delisting as of that date, and the Company intends to request an extension of time and appeal the delisting so that the Company can implement a reverse share split with a goal of retaining the listing. There can be no assurance that such an appeal would be successful.

A copy of the news release is attached hereto as Exhibit No. 99.1.
