Item 1.01. Entry into a Material Definitive Agreement

On November 8, 2004, Storage Computer Corporation (SCC) entered into a "Source Code License and Distribution Agreement" and a "Software Porting and Development Agreement" for its CyberVSA Storage Operating System with Galactic Computing Corporation thru its British Virgin Islands subsidiary. Galactic operations are based in Shenzhen China.

Under the Software Porting and Development Agreement SCC has granted to GSS a Source Code License for its CyberVAS Storage Operating System. (Licensed Software)

Under the Source Code License and Distribution Agreement SCC grants to Galactic a perpetual, fully paid, non-exclusive, limited license to use, modify, and copy the Licensed Software internally on galactic platforms for the following purposes: (a) create Derivative Works thereof that are Developed Products (b) support and maintain such Developed Products, (c) copy, have copied, and distribute such Developed Products in Galactic generated Firmware directly through Distributors to End Users; and (d) grant said Distributors the rights the rights granted in (c) above. In addition, Subject to the terms and
