(the “Company”) in connection with the solicitation by the Board of Directors of proxies for use at the Extraordinary General Meeting of Shareholders (the “Extraordinary General Meeting” or the “Meeting”), or any postponement or adjournment thereof, pursuant to the accompanying Notice of Extraordinary General Meeting of Shareholders. The Meeting will be held on September 13, 2009, at 8:00 a.m. (Israel time) at the offices of the Company, 14 Hakitor Street, Haifa Bay, Israel.

It is proposed that, at the Meeting, the following matters be considered:

1. a. To elect Ms. Irith Hausner as a statutory external director, as defined under Israeli law (an “External Director”), to the Board of Directors for a three-year term.
- b. To elect Mr. Yaron Saporta as an External Director to the Board of Directors for a three-year term.
2. To ratify, confirm and approve the Company’s exemption and indemnification undertakings (and to amend and restate the appendix thereto), as well as to confirm and approve the Company’s providing indemnification with respect to the Actions (as defined below) to directors who are not controlling persons (as defined in Section 268 of the Israeli Companies Law, 5759–1999 (respectively, “controlling persons” and the “Companies Law”)) and who served, are serving and may in the future serve, the Company, its subsidiaries and/or affiliates (including, Ben Zion Hod and Haim Fanaïro, who served until July and August 2009, respectively, as External Directors); and

A form of proxy for use at the Meeting and a return envelope for the proxy are also enclosed. Proxy votes may also be submitted by telephone or via the internet by following the proxy voting instructions included with the enclosed materials. Unless otherwise indicated on the form of proxy, shares represented by any proxy in the enclosed form, if the proxy is properly executed and received by the Company at least 48 hours prior to the Meeting, will be voted in favor of all the matters to be presented to the Meeting, as described above. The Board of Directors of the Company is soliciting proxies for use at the Meeting.

Only shareholders of record at the close of business on August 13, 2009, will be entitled to vote at the Extraordinary General Meeting. The Company may also retain one or more agents for the purpose of soliciting proxies in connection with the Meeting. The Company will bear the cost of the solicitation of the proxies, including postage, printing and handling, and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of Ordinary Shares.

#### Item 1 – ELECTION OF EXTERNAL DIRECTORS

At the Extraordinary General Meeting, it is intended that proxies (other than those directing the proxy holders not to vote for the listed nominees) will be voted for the election, as External Directors of the Company, of the two nominees named below who shall hold office for a three-year term, unless their service is earlier terminated under any relevant provision of law or the Company's Articles of Association.

The list of nominees is as follows:

- a. Ms. Irith Hausner
- b. Mr. Yaron Saporta

Under the Companies Law, companies incorporated under the laws of the State of Israel whose shares, inter alia, are listed for trading on a stock exchange or have been offered to the public by a prospectus and are held by the public are required to have at least two External Directors.

The Companies Law further provides that a person may not be elected as an External Director if the person or the person's relative, partner, employer, anyone to whom the person is subordinate, directly or indirectly, or any entity under the person's control has, as of the date of the person's election to serve as an External Director, or had, during the two years preceding that date, any affiliation (as defined below) with:

- (i) the Company;
- (ii) any entity controlling the Company as of the date of the election; or
- (iii) any entity controlled by the Company or under common control with the Company as of the date of the election or during the two years preceding that date.

The term "affiliation" includes an employment relationship, a commercial or professional relationship maintained on a regular basis or control of the Company, as well as service as an office holder (as defined below). Under the Companies Law, "relative" is defined as a spouse, brother or sister, parent, grandparent, child, child of such person's spouse or the spouse of any of the above.

The Companies Law defines the term "office holder" as a director, general manager, chief business manager, deputy general manager, vice-general manager, any other person assuming the responsibilities of any of the foregoing positions without regard to such person's title, and any manager that reports directly to the general manager.

The Companies Law further provides that no person can serve as an External Director if the person's other positions or businesses create, or may create, a conflict of interest with the person's responsibilities as an External Director or may otherwise interfere with the person's ability to serve as an External Director.

Until the lapse of two years from the time in which the External Director serves as such, a company may not engage an External Director to serve as an office holder and cannot employ or receive professional services from such former External Director for consideration, either directly or indirectly, including through a corporation controlled by such former External Director.

A person shall be qualified to serve as an External Director only if he or she possesses accounting and financial expertise or professional competence. At least one External Director must possess accounting and financial expertise. Under the regulations of the Companies Law, a director has “financial and accounting expertise” if, inter alia, he or she, based on his or her education, experience and qualifications, is highly skilled in respect of, and understands, business and accounting matters and financial statements, in a manner that enables him or her to have an in-depth understanding of the company’s financial statements and to stimulate discussion in respect of the manner in which the financial data is presented. A director has “professional competence” under such regulation if, inter alia, he or she has an academic degree in either economics, business administration, accounting, law or public administration or an academic degree in, or completion of, other higher learning, each in an area relevant to the company’s business, or has at least an aggregate of five years’ experience in a senior position in any one or any combination of the following: (a) the business management of a corporation with a substantial scope of business; (b) public office or public service; or (c) the field of the company’s business.

The Companies Law also provides that a shareholders’ general meeting at which the appointment of an External Director is to be considered will not be called unless the nominee has declared to the Company that he or she complies with the qualifications for appointment as an External Director. Each proposed nominee has declared to the Company that such nominee possesses the qualifications and complies with the requirements for appointment as an External Director under the Companies Law, that such nominee is capable of dedicating the appropriate amount of time for the performance of such nominee’s role as an External Director of the Company considering, inter alia, the Company’s size and special needs and such nominee has agreed to stand for election. Copies of the declarations of the External Directors are available for inspection at the offices of the Company.

The initial term of an External Director is three years and may be extended for an additional three-year term. An External Director may be removed from office only by the same percentage of shareholders as is required for election or by a court, if the External Director ceases to meet the statutory qualifications for appointment or if he or she violates his or her duty of loyalty to the company. Each committee of a company’s board of directors, that is empowered to exercise one of the functions of the board of directors, is required to include at least one External Director, except for the Audit Committee, which is required to include all the External Directors.

Each External Director has agreed to receive remuneration in accordance with Section 5(f) of the Companies Regulations (Easements to Public Companies which Shares are Listed for Trading in a Stock Exchange Outside of Israel), 5760-2000 as applied to Sections 4 and 5 of Companies Regulations (Rules regarding Remuneration and Expenses of External Directors), 5760-2000 (“Remuneration Rules”) and as approved by the Company’s Audit Committee and Board of Directors pursuant to Section 7a of the Remuneration Rules. In accordance with the foregoing, each External Director will receive an annual fee of NIS 115,400 and a fee of up to NIS 3,470 per meeting attended, which amounts are linked to the Israeli consumer price index. Under such regulations, the External Directors’ remuneration must be fixed and agreed upon with the company prior to the acceptance of the nomination.

---

Inasmuch as the term of Mr. Ben Zion Hod as External Director expired in July 2009 and that of Mr. Haim Fanairo as External Director will expire in August 2009, each of Ms. Irith Hausner and Mr. Yaron Saporta, if elected, will serve a three-year term commencing upon their election to the Board of Directors.

Ms. Hausner, an attorney, has served as Manager of the Marine and Aviation Department of Phoenix Insurance Co. Ltd. (the "Phoenix") since 1993 and prior thereto, as Claims Manager in the Marine Department of the Phoenix from 1983–1993. Her experience includes six years of private law practice from 1978–1983. Ms. Hausner served on the Company's Board of Directors as an External Director during the years 1998–2003. Ms. Hausner holds a Bachelor of Laws (LLB) degree from Tel Aviv University (1978).

Mr. Saporta, an accountant, is the managing partner of his accounting firm, Saporta, Penn & Co. In addition, he currently serves as an internal auditor for six corporations, three of which are public companies. His accounting and internal audit experience includes private and public companies, as well as government ministries. He served as the Company's internal auditor in the early 1990's. Mr. Saporta holds a BA in Accounting and Economics from the Tel Aviv University (1984), a LL.M. from Bar-Ilan University (2005), and is certified internal auditor (international) by the US Institute of Internal Auditors (1996).

The Board of Directors has reviewed Ms. Hausner's qualifications, taking into account the parameters specified by the Companies Law and the regulations thereunder, and has determined that she has professional competence.

The Board of Directors has reviewed Mr. Saporta's qualifications, taking into account the parameters specified by the Companies Law and the regulations thereunder, and has determined that Mr. Saporta has expertise in finance and accounting.

The Board of Directors will present the following Resolutions at the Extraordinary General Meeting of Shareholders:

Resolution 1a

"RESOLVED, to appoint Ms. Irith Hausner as an External Director of the Company for a term of three-years, commencing upon her election to the Board of Directors."

Resolution 1b

"RESOLVED, to appoint Mr. Yaron Saporta as an External Director of the Company for a term of three-years, commencing upon his election to the Board of Directors."

VOTE REQUIRED

In order to elect, under Items 1a and 1b of this Proxy Statement, Ms. Irith Hausner and Mr. Yaron Saporta, respectively, each to a three-year term as an External Director, the required vote, in each case, is a majority of the votes cast at the Meeting, whether in person or by proxy, provided that (i) that majority includes at least one-third (1/3) of the total votes of non-controlling shareholders or anyone voting on their behalf present at the Meeting in person or by proxy (abstentions will not be taken into account); or (ii) the total number of votes of the shareholders mentioned in (i) above that are voted against the election of such nominee does not exceed one percent (1%) of the Company's voting rights.

Section 1 of the Securities Law, 5728-1968 (the "Securities Law") defines "control" as "the ability to direct the activity of a corporation, excluding an ability deriving merely from holding an office of director or another office in the corporation, and a person shall be presumed to control a corporation if he or she holds half or more of a certain type of means of control of the corporation" and "means of control" in section 1 of the Securities Law is defined as "any one of the following: (1) the right to vote at a general meeting of a company or a corresponding body of another corporation; or (2) the right to appoint directors of the corporation or its general manager."

Each shareholder who is a controlling shareholder or acting on behalf of a controlling shareholder and who wishes to attend the Meeting in person or by proxy, is required to so advise the Company in writing, at or prior to the Meeting, for purposes of voting with respect to Items 1a and 1b.

Dr. Barrie Levitt (a director and Chairman of the Board of the Company), his daughter, Tal Levitt (a director and Secretary of the Company) and Dr. Daniel Moros (a director and Vice Chairman of the Company and a first cousin of Dr. Levitt) (collectively, the "executive directors") have indicated to the Company that they do not believe that they are controlling shareholders.

Given the important role played by the External Directors under the Companies Law, the validity of their elections must be unquestioned. Accordingly, without derogating from the foregoing or in any manner admitting that they are controlling shareholders, the executive directors have advised the Company, solely for purposes of this Meeting, not to count shares owned and controlled by them (or by entities under their control) as part of the votes of the non-controlling shareholders for purposes of Items 1a and 1b.

As a result of the executive directors so advising the Company not to count their shares as part of the non-controlling shareholders, the Board of Directors reminds the shareholders that it is particularly important that they vote at the Meeting.

The Board of Directors also reminds the shareholders of their duty under the Companies Law to act fairly and in good faith towards the Company, including, inter alia, in voting shares of the Company at this Meeting.

The Board of Directors has determined that Ms. Hausner and Mr. Saporta are fully qualified to serve as External Directors. Accordingly, the Board of Directors unanimously recommends a vote FOR the election of Ms. Hausner (Item 1a) and Mr. Saporta (Item 1b) as External Directors.

**Item 2 – RATIFICATION, CONFIRMATION AND APPROVAL OF EXEMPTION AND INDEMNIFICATION UNDERTAKINGS AND AMENDMENT AND RESTATEMENT OF THE APPENDIX THERETO, AS WELL AS CONFIRMATION AND APPROVAL OF INDEMNIFICATION WITH RESPECT TO THE ACTIONS (AS DEFINED BELOW)**

In a recent lawsuit filed against the Company and its directors (the "Action")<sup>1</sup> by a subsidiary of Sun Pharmaceuticals Industries Ltd. ("Sun"), Sun asked the court, inter alia, to declare that the resolutions approved by the Shareholders at the September 8, 2005 Annual General Meeting to indemnify its officers and directors (the "2005 Resolution"), are void and ineffective.

The Company and its directors believe that the Action is without merit and that the 2005 Resolution was duly adopted and is fully valid and binding on the Company. The Company and its directors also believe that the scope of the Company's undertaking to indemnify its directors and other office holders pursuant to the 2005 Resolution as reflected in the Exemption and Indemnification Agreement entered into with Company directors and other office holders pursuant to the 2005 Resolution (the "Agreement") encompasses any purported or alleged liability of the directors under the Action and another lawsuit filed by Sun in the New York State Supreme Court (the "NY Action") in June 2008 with

respect to the merger agreement with Sun that was terminated by the Company (the NY Action and the Action, collectively the “Actions”).

1 OM 1410/09, filed with the Tel Aviv District Court on May 14, 2009.

---

Indemnification of directors of publicly held companies is extremely important, because it enables directors to fulfill their duties toward the company without fear of personal liability for actions that they take in good faith, on behalf of the company. Therefore, it is proposed, for the avoidance of doubt and for the sake of good order, to give the greatest possible certainty to directors who are not controlling persons (including the new External Directors) as to their indemnification rights and, inter alia, in order to avoid unnecessary expenses that may otherwise be required to be expended in the course of the Action, to ratify, confirm and approve the Company's undertaking to exempt from liability and to indemnify the persons who are not controlling persons and who have served (including, inter alia, Messrs. Ben Zion Hod and Haim Fanairo, the Company's External Directors whose terms of office expire in July and August of 2009 and, for the avoidance of doubt, not including the executive directors) and are serving (currently and from time to time in the future) the Company, its subsidiaries and affiliates, as directors pursuant to the Agreement, in the original form thereof, which is attached as Exhibit 1 to this Proxy Statement. In addition, the Company believes that adoption of the resolutions set forth below is in the best interests of the Company and its shareholders in order to attract and maintain highly qualified individuals, including the new External Directors, to serve as directors of the Company.

Pursuant to the Agreement, the Company obligated itself, inter alia, to indemnify each of the directors and other office holders against all monetary obligations imposed and all reasonable litigation expenses incurred as a consequence of any act or omission in such person's capacity as director or other office holder of the Company or of its subsidiaries or affiliates, provided that with respect to monetary obligations imposed, they are imposed with respect to events which, in the opinion of the Board of Directors, are to be expected in light of the Company's actual activities and that the Company's aggregate obligations with respect thereto do not exceed a fixed sum deemed by the Board of Directors to be reasonable in the circumstances, all as set forth in the Agreement attached to this Proxy Statement as Exhibit 1 and subject to law.

As discussed above, Section 260 of the Companies Law provides that the events as to which the Company may provide an undertaking to indemnify (such as the Agreement) must be those events which, in the opinion of the Board of Directors, are to be expected in light of the Company's actual activities. Accordingly, the Company believes that it is appropriate periodically to update the events set forth in Appendix A to the Agreement. No change in the overall aggregate limitation on the indemnification to be provided by the Company under an Agreement (which is also set forth in Appendix A) is proposed to be made. A copy of the updated Appendix A is attached to this Proxy Statement as Exhibit 2. The Company's obligation to indemnify in advance as to monetary obligations that may be imposed on a director is limited to the events, and to the monetary limitation, set forth in Exhibit 2. The Company and the directors are of the view that both the current Appendix A set forth in Exhibit 1 hereto and the updated Appendix A set forth in Exhibit 2 hereto encompass the Actions including, inter alia, allegations made by Sun in the Action with respect to the delay in the preparation of the Company's annual audited financial statements for the years 2006 and 2007.

The Company believes that adoption of the resolutions set forth in this Proposal 2 is in keeping with the purpose and intent of the 2005 Resolution which approved indemnification of the officers and directors of the Company "to the maximum extent permitted by the Companies Law, as amended from time to time and the Company's Articles of Association, as amended from time to time...".

---

For the avoidance of doubt and for the sake of good order, nothing in any of the following resolutions, whether or not adopted by the shareholders, or in any Company undertaking to exempt from liability and indemnify any director or other office holder: (a) diminishes or derogates or shall diminish or derogate in any manner whatsoever from any right, claim, defense, demand and/or complaint of the Company and/or its directors or other office holders; and/or (b) shall be deemed to waive and/or limit any right, claim, defense or complaint as aforesaid and/or constitute an admission and/or deemed admission on the part of the Company and/or its directors or other office holders; and/or (c) shall derogate in any way from any previous undertaking to exempt from liability and to indemnify given by the Company to any director or other office holder, including, inter alia, any agreement, which shall continue in full force and effect with respect to such person, provided that the total amount of indemnification granted to such person under the Agreement and all previous Company undertakings to indemnify such person, shall not exceed the indemnification amount stated in Appendix A to the Agreement set forth as Exhibit 1 (which is identical to the amounts set forth in Exhibits 2 and 3) to this Proxy Statement.

Pursuant to and following Audit Committee and Board of Directors' approval and authorization, as required by the Companies Law, the following resolutions will be presented at the Meeting as Proposal 2:

“RESOLVED, to: (a) ratify, confirm and approve the Company's undertaking to exempt from liability and to indemnify persons who are not controlling persons who served and are serving, currently and from time to time in the future, as directors of the Company, its subsidiaries and affiliates (including, inter alia, Mr. Ben Zion Hod and Mr. Haim Fanairo who served until July and August 2009, respectively, as External Directors), pursuant to the Exemption and Indemnification Agreement entered into pursuant to the resolution adopted by the Shareholders on September 8, 2005, the original form of which is attached to the proxy statement for this Meeting as Exhibit 1 (the “Agreement”); and (b) amend and restate Appendix “A” to the Agreement to read in its entirety as set forth in Exhibit 2 to the proxy statement for this Meeting;

for the avoidance of doubt, the Company's obligation to indemnify in advance as to monetary obligations that may be imposed on a director is limited to the events, and to the monetary limitation, set forth in Exhibit 2.

AND BE IT FURTHER RESOLVED, for the avoidance of doubt, that the Company's undertaking to exempt from liability and to indemnify the Company's directors pursuant to the above resolution shall include indemnification with respect to all monetary obligations that may be imposed and/or reasonable expenses to be incurred, and the Company shall hereby provide indemnification with respect to all reasonable expenses incurred, on account of, or related to, the Actions, as defined in the proxy statement for this Meeting.”

#### VOTE REQUIRED

In order to approve, under Item 2 of this Proxy Statement, the ratification, confirmation and approval of the Company's exemption and indemnification undertakings (and amendment and restatement of the appendix thereto), as well as confirmation and approval of indemnification with respect to the Actions (as defined above) to directors identified above, the required vote is a majority of the votes cast at the Meeting, whether in person or by proxy.

For the reasons set out above, the Board of Directors unanimously recommends a vote FOR Item 2 above.

Item 3 – APPROVAL OF UNDERTAKING TO EXEMPT  
FROM LIABILITY AND TO INDEMNIFY NEW EXTERNAL  
DIRECTORS, UPON THEIR ELECTION AS EXTERNAL DIRECTORS

The form of Exemption and Indemnification Agreement to be entered into with Ms. Hausner and Mr. Saporta, upon their election as External Directors of the Company, attached as Exhibit 3 to this Proxy Statement, consists of the form of Agreement attached to this Proxy Statement as Exhibit 1 (without the original Appendix A thereto) and Exhibit 2, representing the amended and restated Appendix A.

Pursuant to and following Audit Committee and Board of Directors' approval and authorization, as required by the Companies Law, the following resolution will be presented to the meeting as Proposal 3:

“RESOLVED, that the Company undertake to exempt from liability and to indemnify new External Directors in accordance with the form of Exemption and Indemnification Agreement attached as Exhibit 3 to the proxy statement for this Meeting, upon their election as External Directors of the Company;

for the avoidance of doubt, the Company's obligation to indemnify in advance as to monetary obligations that may be imposed on a new External Director is limited to the events, and to the monetary limitation, set forth in Appendix A to Exhibit 3.”

VOTE REQUIRED

In order to approve, under Item 3 of this Proxy Statement, the undertakings to exempt from liability and to indemnify the External Directors, the required vote, is a majority of the votes cast at the Meeting, whether in person or by proxy.

For the reasons set out above, the Board of Directors unanimously recommends a vote FOR Item 3 above.
