Laidlaw Global Corporation and Subsidiaries

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

As of September 30, 2003

And for the nine and three months ended September 30, 2003 and 2002

NOTE A - ORGANIZATION AND BASIS OF PRESENTATION

Laidlaw Global Corporation (the Company) is a holding company whose directly and indirectly wholly- or majority-owned operating subsidiaries include Laidlaw Holdings, Inc. (Laidlaw Holdings), which was renamed Cardinal Holdings, Inc. (Cardinal Holdings) in March 2003, Laidlaw Global Securities, Inc. (Laidlaw Global Securities), a Laidlaw Holdings wholly-owned registered broker-dealer which ceased operations in November, 2002, and which was dissolved in April, 2003, Westminster Securities Corporation, (Westminster), which the Company sold in June, 2001, H&R Acquisition Corporation (HRAC), an 81%-owned Laidlaw Holdings subsidiary which maintains a 100% interest in Howe & Rusling, Inc., (H&R) which the Company sold in December, 2001, Globeshare Group, Inc., (GGI), formerly Global Electronic Exchange, Inc. a 97%-owned internet-based investment services company established on June 14, 1999 which maintains a 100% interest in Globeshare, Inc. (Globeshare), an internet-based broker-dealer, whose operations were integrated with Laidlaw Global Securities in October, 2001, Laidlaw Pacific (Asia) Ltd. (LPA), a registered broker-dealer and Investment Advisor with the Hong Kong Securities and Futures Commission, which ceased operations in 2001, Laidlaw International, S.A., (LI) a 99.8% owned broker-dealer based in France, which ceased operations in April, 2002, Laidlaw Properties, Inc., a new subsidiary incorporated in November, 2002 which will commence the Company's investment property business and other real estate ventures, and Phoenix Securities Corp., a newly added subsidiary in February, 2003, is a broker-dealer that specializes in corporate services not requiring broker-dealer registration. The business activities include or included securities brokerage, investment banking, asset management and investment advisory services to individual investors, corporations, pension plans and institutions worldwide, as well as investment property development and management.

On April 6, 2001, LPA ceased business activity to avoid incurring any further costs of maintaining a dormant operation. Its license was revoked in May, 2001.

On June 12, 2001, the Company sold its common stock interest in Westminster pursuant to an Amended and Restated Stock Purchase Agreement dated June 7, 2001. The parties to the transaction agreed to treat May 31, 2001 as the effective date of the transaction for financial statement purposes. Accordingly, results of operations of Westminster for fiscal 2001 incorporated in the consolidated financial statements pertain to the period through May 31, 2001.

Due to the continuing losses incurred by the Globeshare operations, the Company deemed it best for economic reasons to integrate the operations of the on-line broker as a division of Laidlaw Global Securities. The combination of the operations, which would eliminate the redundancy of services and reduce operating costs, was made effective on October 5, 2001.

On December 26, 2001, the Company sold its interest in HRAC pursuant to a Stock Purchase Agreement dated December 21, 2001. Accordingly, all assets,

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

liabilities, equity and results of operations of H & R for fiscal 2001 incorporated in the consolidated financial statements pertain to the period through December 26, 2001.

With the difficult market conditions that prevailed starting the second half of fiscal 2000, Laidlaw Global Securities experienced continued losses and erosion of capital despite management's persistent efforts to cut costs and find new avenues for revenue generation. In the last quarter of fiscal 2002, the Company's management deemed Laidlaw Global Securities was no longer a viable operation to maintain. On or about November 19, 2002 Laidlaw Global Securities filed with the Securities and Exchange Commission a Uniform Request Withdrawal from Broker-Dealer Registration effective November 13, 2002. LGSI also filed a Notice of Withdrawal as an Investment Advisor.

6

The accompanying consolidated financial statements have been prepared on a going concern basis, which contemplates the realization of assets and satisfaction of liabilities in the normal course of business. The Company has suffered recurring losses and has a significant accumulated deficit as of September 30, 2003. In addition, the Company continues to incur substantial losses. Accordingly, the Company anticipates that it will require additional sources of funding during 2003 to maintain its operations. The Company is dependent on outside sources of financing and is presently pursuing several alternatives, although no additional financing is imminent. These conditions raise substantial doubt about the ability of the Company to continue as a going concern. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Certain prior year amounts have been restated to conform to the current year presentation.

NOTE B - RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

In July, 2001, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standards No. 141, Business Combinations (SFAS No. 141) and Statement of Financial Accounting Standards No. 142, Goodwill and Other Intangible Assets (SFAS No. 142). The new standards require that all business combinations initiated after June 30, 2001 be accounted for under the purchase method. In addition, all intangible assets acquired that are obtained through contractual or legal right, or are capable of being separately sold, transferred, licensed, rented or exchanged shall be recognized as an asset apart from goodwill. Goodwill and intangibles with indefinite lives will no longer be subject to amortization, but will be subject to at least an annual assessment for impairment by applying a fair value based test. The Company does not expect there to be a material impact from the adoption of SFAS NO. 142.

In August 2001, the FASB issued Statement of Financial Accounting Standard No. 144 Accounting for the Impairment or Disposal of Long Lived Assets. This statement is effective for fiscal years beginning after December 15, 2001. This supercedes Statement of Financial Accounting Standards No. 121 "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to Be Disposed Of", while retaining many of the requirements of such statement. The Company is currently evaluating the impact of the statement.

In December 2002, the FASB issued SFAS No. 148, "Accounting for Stock-Based Compensation - Transition and Disclosure, an amendment of FASB Statement No. 123." This statement expands the disclosure requirements with respect to stock-based compensation. The transition guidance and annual disclosure provisions of SFAS Bo. 148 are effective for fiscal years ending after December

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

15, 2002. The adoption of SFAS NO. 148 did not impact the Company's financial condition or results of operations for fiscal 2002. Management is in the process of evaluating the impact of the statement on the Company's financial position and results or operations for fiscal 2003.

In April 2003 the FASB issued Statement of Financial Accounting Standards No. 149, "Amendment of Statement 133 on Derivative Instruments and Hedging Activities". In May 2003 the FASB issued Statement of Financial Accounting Standards No. 150, "Accounting for Certain Financial Instruments with Characteristics of Both Liabilities and Equity". The Company does not expect there to be a material impact from the adoption of these Statements.

NOTE C - NET CAPITAL REQUIREMENTS

The Company's broker-dealer subsidiaries were subject to the Securities and Exchange Commission's Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 for Laidlaw Global Securities. At September 30, 2002, Laidlaw Global Securities was required to maintain minimum net capital of \$115,158 and had total net capital of \$357,103 which was \$241,945 in excess of its minimum requirement. As discussed in Note D, during the quarter ended September 30, 2002 Laidlaw Global Securities received \$1,197,174 of additional capital and a \$67,673 paydown on an intercompany receivable from the Company.

7

NOTE D - NOTES PAYABLE AND SUBORDINATED BORROWINGS

There were no outstanding notes payable and borrowings under subordination agreements at September 30, 2003.

On March 14, 2001, LI obtained a loan of \$446,350 through the issuance of an 8% note in which the principal and interest are due in one year. This loan was assumed by the Company in December 2001 in the amount of \$482,058 which included interest of \$35,708 to original maturity date. If the Company defaults as defined in the agreement, then the noteholder may, in lieu of payment of the Principal Amount, convert the note into common stock of the Company at the conversion price of \$0.30 per Common Share. In March and April of 2002, the terms were renegotiated wherein \$50,000 of the note was converted into 333,329 shares of the Company's common stock with the balance of the principal and interest payable in varying installments with the final payment due in July 2002. No additional interest is charged on the note from March 14, 2002 until July 2002.

On April 5, 2001, GGI obtained a loan of \$250,000 through the issuance of a 10% convertible subordinated note in which the interest is due on a semi-annual basis and the principal on April 5, 2002. Under the terms of the note, the noteholder may convert into GGI stock at the greater of \$.65 per share or a 40% discount from the initial public offering price per share or into Company common shares at a price of \$.55 per share. In March and April 2002 the terms were renegotiated wherein \$50,000 of the note was converted into 166,670 shares of the Company's common stock and the balance is repayable in varying installment payments through August, 2002. No additional interest is charged on the note from April 5, 2002 until August 2002.

In March 2002, the Company borrowed securities worth \$397,600 from a related party and returned the same by the end of the month. In connection with these borrowings, the Company paid interest at the rate of 8% for the period the securities were borrowed.

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

In May, 2002, the Company borrowed securities worth \$1,033,598 from a related party through the issuance of a 4% promissory note due June 30, 2002. Under the terms of the loan agreement, the Lender acknowledges a fixed valuation for the securities and agrees to accept the return of such securities as full repayment of the principal sum due on the Note notwithstanding the market valuation of the securities on the Repayment date. The lender reserves the right to demand the return of the securities in lieu of any other form of repayment. At maturity, this note was extended under the same terms to expire on September 15, 2002. The note was extended twice under the same terms to expire on September 30, 2002 and November 15, 2002. As of September 30, 2002, \$1,000,000 of these securities were contributed by the Company as capital to Laidlaw Global Securities. On November 13, 2002, the Company decided to withdraw the membership of Laidlaw Global Securities from the NASD. On November 15, 2002, all the securities borrowed on the note were returned, which constituted full payment of the principal. A 90-day extension of payment for any interest due on the loan has been agreed upon until March 15, 2003, at which time the Lender, given the financial condition of the Company, forgave the unpaid interest balance.

In June, 2002, the Company borrowed securities worth \$727,788 from a related party through the issuance of a 4% promissory note due September 15, 2002. At maturity, this note was extended twice under the same terms to expire on September 30, 2002 and November 15, 2002. Under the terms of the loan agreement, the Lender acknowledges a fixed valuation for the securities and agrees to accept the return of such securities as full repayment of the principal sum due on the Note notwithstanding the market valuation of the securities on the Repayment date. The lender reserves the right to demand the return of the securities in lieu of any other form of repayment. As of September 30, 2002, the Company had transferred all of these borrowed securities to the Laidlaw Global Securities, Inc. subsidiary as a partial payment of its intercompany liability. On November 13, 2002, the Company decided to withdraw the membership of Laidlaw Global Securities from the NASD. On November 15, 2002, all the securities borrowed on the note were returned, which constituted full payment of the principal. A 90-day extension of payment for any interest due on the loan has been agreed upon until March 15, 2003, at which time the Lender, given the financial condition of the Company, forgave the unpaid interest balance.

8

In August, 2002, Laidlaw Holdings, Inc. borrowed securities worth \$731,250 from a shareholder through the issuance of a 4% promissory note due November 1, 2002. At maturity, this note was extended under the same terms to expire on November 15, 2002. Under the terms of the loan agreement, the Lender acknowledges a fixed valuation for the securities and agrees to accept the return of such securities as full repayment of the principal sum due on the Note notwithstanding the market valuation of the securities on the Repayment date. The lender reserves the right to demand the return of the securities in lieu of any other form of repayment. As of September 30, 2002, \$697,175 of these securities were contributed by the Company as capital to Laidlaw Global Securities and \$34,075 of these securities were transferred to Laidlaw Global Securities, Inc. as a partial payment of its intercompany liability. On November 13, 2002, the Company decided to withdraw the membership of Laidlaw Global Securities from the NASD. On November 15, 2002, all the securities borrowed on the note were returned, which constituted full payment of the principal. A 90-day extension of payment for any interest due on the loan has been agreed upon until March 15, 2003, at which time the Lender, given the financial condition of the Company, forgave the unpaid interest balance.

On June 15, 2002, Laidlaw and London Capital Group Ltd. ("LCG"), a British Virgin Island company, signed a stock purchase agreement whereby LCG agreed to

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

purchase from Laidlaw an equity interest representing 51% of the voting shares of Laidlaw on a fully diluted basis. LCG was to purchase this equity on or before June 28, 2002 for US \$3.2 million.

LCG was not able to meet the initial closing date. In consideration of Laidlaw extending the closing to July 30, 2002 or such earlier date as the parties may agree, LCG assigned to Laidlaw a third party demand note from an entity publicly traded on the London Stock Exchange, in the agreed upon amount of 2,356,060 Euros (US\$ 2,329,248) secured only by a reciprocal note of Laidlaw to LCG. LCG further agreed that in the event that LCG did not close the purchase by July 30, 2002 for any reason other than the action of Laidlaw, it would forgive \$500,000 of the repayment obligation on the reciprocal note.

On July 30, 2002, LCG failed to abide by the terms of the funding agreement.

Laidlaw notified LCG that the transaction terminated and maintained its right to a \$500,000 penalty under the terms of the agreement. Subsequently, upon the request of LCG which assured Laidlaw that it has arranged for the necessary funds to complete a revised proposal, Laidlaw agreed to voluntarily refrain from seeking the enforcement of its penalty in order to provide LCG with an opportunity to submit a revised proposal. Laidlaw initially agreed to wait until August 16, 2002 before acting and then agreed to extend that deadline to August 31, 2002. No revised proposal was received and Laidlaw may have enforced the penalty under the terms of its agreement with LCG.

In January, 2003, the Company settled this dispute with London Capital Group, Ltd. for a compensation of \$70,000, \$10,000 of which was received in December 2002 and the balance of \$60,000 was received in January 2003.

NOTE E - COMMITMENTS AND CONTINGENCIES

Litigation

Galacticomm Technologies, Inc. vs. Laidlaw Global Securities, Inc.

9

Laidlaw Global Securities, Inc. ("LGSI") is a defendant in a legal matter involving the underwriting and initial public offering of Galacticomm Technologies, Inc. ("Galacticomm") shares. The lead underwriters for the Galacticomm IPO were First Equity Corporation of Florida and Security Capital Trading, Inc. ("Lead Underwriters"). The Lead Underwriters entered into a sub-underwriting agreement with various sub-underwriters, including LGSI. Pursuant to said Agreement, LGSI agreed to purchase 200,000 shares of Galacticomm at \$5.40 per share (\$1,080,000) and 200,000 warrants of Galacticomm at \$0.09 per warrant (\$18,000). Additionally, LGSI agreed to guarantee the purchase of an additional 20,000 shares and warrants if deemed necessary. On the eve of the IPO, the lead underwriters aborted the IPO based upon what they, in their sole discretion, believed was a declining market in the U.S. and abroad. Pursuant to the underwriting agreement between Galacticomm and the Lead Underwriters, the Lead Underwriters had the right, in their sole discretion, to abort the IPO in the event of adverse conditions. Galacticomm commenced suit against the entire underwriting group in a Florida state court seeking damages for breach of the underwriting agreement. The Sub-Underwriters jointly engaged Florida counsel to defend them in this proceeding and they are vigorously defending this matter under the theory that the Lead Underwriters were justified in aborting the IPO based upon a dramatic downturn in the world financial community which jeopardized all the underwriters' abilities to sell Galacticomm shares to its investors at the time of the IPO.

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

Before this matter could proceed to trial, all remaining defendants reached a settlement agreement with plaintiff. The settlement agreement provided for LGSI to pay the sum of \$72,500 over four quarterly installments. However, LGSI breached the terms of the settlement agreement resulting in a judgment against LGSI in the amount of \$1,378,681 (with interest accruing at the rate of 9% per annum from January 21, 2003). Since this judgment is against LGSI only, the Company's counsel believes that plaintiff can enforce this judgment only against LGSI and not against any of the other Laidlaw entities, including the parent entity. Furthermore, it is the opinion of the Company counsel that in the event LGSI has sufficient capital to pay the original settlement amount, plaintiff will accept this sum in full satisfaction of the aforementioned judgment. Of course, there is no guarantee that this will occur. Management had initially indicated its intent to appeal the judgment in the state of Florida. However, given the non-impact of this matter on the parent company and the cessation of operations of the subsidiary concerned by this issue, management has opted for no further action on this matter.

Greek Capital Market Commission vs. Laidlaw Global Corporation

The Company, as well as its subsidiary Laidlaw Global Securities, have been named in an administrative proceeding involving the Greek Capital Market Commission ("CMC"). In early 2000, representatives of the Company were introduced to a representative of Elektra S.A. ("Elektra"), an entity whose securities are publicly traded in Greece, in order to discuss a business strategy by which the Company would assist in the sale of a significant amount of Elektra's shares by certain of its stockholders. Following meetings with such persons, Elektra announced in the spring of 2000 that its principal shareholders would sell up to 3,000,000 shares of its stock. On March 28, 2000, Elektra sold two million shares of its stock to institutional investors through a Greek brokerage firm, Contalexis Financial Services.

On February 28, 2001, the CMC, an administrative body which reviews securities issues in Greece, found that Laidlaw Global Securities violated certain notification requirements to the CMC and Elektra. According to the CMC's findings, the Company (i) failed to notify the CMC and Elektra of the March 28, 2000 acquisition of Elektra shares and (ii) failed to notify the Athens Stock Exchange of the Company's assignment of voting rights and participation of share capital in Elektra. The Company believes that, since neither it nor any of its subsidiaries ever owned shares of Elektra, and for the other reasons set forth below, both of these findings are without merit and factually inaccurate and will be overturned on appeal.

10

Additionally, the CMC found that a representative of the Company falsely stated to the public that the Company was interested in holding Elektra shares two days prior to selling such shares. Since the Company never held shares of Elektra, management believes that such statements were misquoted by the Greek press. The subsidiary Laidlaw Global Securities and the Company have been assessed fines and penalties aggregating 1,257,168 Euros (US\$1,357,741). These fines were levied after reviewing response letters filed by the Company's Greek counsel. Greek counsel to the Company will be filing Remedy Petitions before the CMC against the decisions assessing the fines, which is a form of an administrative proceeding. In the event the Remedy Petitions are rejected by the CMC, the Parent will file Writs of Annulment before the Conseil d'Etat, which is the Greek Court having jurisdiction over such matters. Since neither the Company, nor any of its subsidiaries, has (i) ever owned shares of Elektra, (ii) ever acted as a principal or agent for the purchase or sale of shares of Elektra, (iii) acted as a broker-dealer of securities of Elektra, or (iv) ever stated, publicly or otherwise, that it, or any of its subsidiaries, did hold, or

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

intended to hold or own, shares of Elektra, it believes that the findings of the CMC will be overturned on appeal. The Company's counsel in Greece has advised that in its opinion, the fines imposed by the CMC are civil fines and can only be enforced against the assets of the Company in Greece. Further, they advise that any enforcement of fine in the United States would require commencing a new action in the United States.

Plural, Inc. vs. Laidlaw Global Corporation, et. al.

In November, 2001, Plural instituted action in the New York State Supreme Court for services rendered pursuant to a computer consulting agreement. Plural claimed approximately \$700,000 was due to it pursuant to the agreement. In June, 2002, Plural and Laidlaw entered into a settlement agreement wherein the payment by Laidlaw of \$40,000 to Plural by August 2, 2002 shall cause all claims or counterclaims which are or could be asserted, including but not limited to those set forth in the Complaint and the draft counterclaims, to be dismissed with prejudice, without costs, for which purpose either party may tender an appropriate form of judgment to the Court, on notice. Payment of the settlement amount has been made by Laidlaw.

Estate of Harold Slote v. Laidlaw Global Securities, Inc. ("LGSI"), Drake Capital Securities, Inc. ("Drake"), Gruntal & Co., LLC ("Gruntal") et al.

The Claimant alleges that a registered representative while employed at LGSI, Drake and Gruntal, made investments on behalf of Harold Slote which were unsuitable and in contravention of Mr. Slote's investment goals. Plaintiff seeks \$36,091 in compensatory damages against LGS and \$571,193 from all defendants for alleged lost opportunities, interest, attorney's fees, costs and punitive damages. In response to the motion by LGS counsel, the case was dismissed in August, 2002.

Liptak v. Laidlaw Holdings Asset Management, Inc. Laidlaw Global Securities, Inc. et al

The Claimant alleges unauthorized trades, unsuitability, fraud, conversion, breach of fiduciary duty by a former registered representative and failure to properly supervise. A hearing was held on the matter by an NASD arbitration panel in July 2002 and post-hearing memoranda have been submitted. Claimant seeks damages in excess of \$750,000. LGSI was aware that the registered representative had been terminated by another broker/dealer for "selling away", i.e. conducting business on behalf of a customer outside of the firm and without the firm's knowledge.

LGSI hired the registered representative but imposed enhanced supervisory/compliance procedures. Notwithstanding the procedures and unbeknownst to LGS, the registered representative continued the practice of "selling away" and the issue is whether LGSI took necessary measures to prevent the registered representative from harming his customers while at LGSI. On the merits of the denial of liability position by LGSI, the decision in favor of Laidlaw was rendered in June, 2002.

Bergmann v. Laidlaw Global Corp. and Roger Bendelac

Robert Bergmann, Jr., a former customer of Laidlaw Global Securities, has filed a NASD Arbitration against Laidlaw Global Corp. and Roger Bendelac individually, seeking \$953,000 in damages based upon allegations that Roger Bendelac failed to sell Bergmann's shares of Laidlaw's common stock upon the expiration of the restrictive period. At the time the stock was issued, as a conversion from a Laidlaw Holdings, Inc. Convertible Subordinated Note, the common stock carried a one year restriction on the re-sale of the stock pursuant to Rule 144 of the Securities Exchange Act; i.e., the holder had to hold the security for a minimum of one year before selling it. According to the Statement of Claim, Bergmann

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

obtained this stock in August 1999, as he inherited this account from his father Robert Bergmann, Sr., and instructed Bendelac to sell his shares in January 2000. However, Bendelac failed to sell Bergmann's shares and by the summer of 2000, the value of this security dropped substantially. It should also be noted that by this time, Roger Bendelac has been elevated to CEO and no longer handled the Bergmann account. Claimant is seeking the difference in the value of the stock at the time he instructed Bendelac to sell the shares, versus the current value of his holdings. The Statement of Claim further alleges that Bendelac misrepresented the law to Mr. Bergmann, specifically as it pertained to the restrictive legend, as a means of justifying the failure to sell his stock. By doing so, it is alleged that Bendelac was able to limit the amount of stock that hit the market, thereby artificially preserving the value of Laidlaw's stock and the value of Bendelac's holdings in this security.

11

Upon a review of the facts and the law, and based upon Claimant's admissions as to the applicable dates, it appears that as of January 2000, Bendelac was unable to carry out Bergmann's instructions based upon Rule 144. As the stock was acquired by Bergmann in August 1999, based upon the fact that the security was subject to a one year holding period, Bendelac could not have sold this stock for Bergmann until August 2000, at the earliest. As such, this Claim should be dismissed as a matter of law.

Counsel has interposed an answer to the Statement of Claim on behalf of Bendelac and the company and has petitioned the NASD for dismissal based upon the applicable statute; Rule 144. This application was supported by an affidavit from Laidlaw's corporate counsel who joined in the position that the stock was restricted and was incapable of being sold legally. If the security could not be sold until August 2000, Claimant's damages were not proximately caused by any of the acts complained of in the Statement of Claim, but by market forces responsible for the stock's decline. Because of the issues surrounding the appointment of arbitrators in California, no NASD panel has yet been appointed. To date, Claimant's counsel has not responded to Respondents' motion to dismiss.

Counsel has had numerous conversations with Claimant's counsel about reaching a settlement. Laidlaw has offered a nuisance value settlement of \$4,000 back in early 2002. Claimant's counsel has indicated that he is favorably disposed to accepting this sum given the pending motion, his review of the applicable law as set forth in Counsel's motion to dismiss, and based upon Laidlaw's dire financial circumstances. He further informed Laidlaw counsel that his client has yet to accept or reject the offer of settlement but in any event, Claimant's counsel has indicated that given the aforementioned circumstances, he will not proceed to represent Claimant in this matter if Claimant is unwilling to settle this case for the sum set forth in our offer. Since these conversations between counsels more than six months ago, there have been no further conversations with Claimant's counsel, nor has Claimant taken any affirmative steps to continue the prosecution of this action. It is Laidlaw counsel's opinion that there exists no liability to the company. It should also be noted that the real party [Respondent] in this matter should be Laidlaw Global Securities, as opposed to Laidlaw Global Corp. Should the matter continue to be prosecuted, and a NASD Panel is appointed, the company will amend its motion to include dismissal based upon the wrong party in interest. Counsel is optimistic, however, that given Claimant's lack of prosecuting this matter in any aggressive fashion, and based upon conversations with Claimant's counsel, as set forth above, it is unlikely this matter will reach the hearing phase.

Thomas v. Laidlaw Global Securities, Inc., Coleman & Co. and Andrew Fine.

Shaji Mathew Thomas filed a Statement of Claim with the NASD against Laidlaw

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

Global Securities, Inc. (LGS) Andrew Fine, its former registered representative, and Coleman & Co., alleging the Respondents are liable to him for an amount between \$100,000 and \$500,000. Claimant asserts an array of theories of liability including breach of contract and warranties, to claims of fraud and deceptive trade practices. In reality, the Statement of Claim centers around the issue of suitability and LGS's failure to properly supervise Fine while he was employed at LGS and handled Thomas' account at the company. In particular, Claimant Thomas alleges that his former broker Andrew Fine recommended unsuitable investments on Thomas' behalf and subjected his account to unnecessary risks that Claimant was unable to withstand. This speculative investment strategy was allegedly contrary to Claimant's investment objectives and inappropriately placed his "life savings" at risk and ultimately dissipated. The stock Claimant focused on was in a company known as Razorfish. It should be known that Razorfish is, itself, the target of intense regulatory scrutiny for committing securities fraud and thus, to the extent Fine was caused to make any misrepresentations, we have the added defense that Fine believed his representations to be true at the time he made them to Thomas based upon information Razorfish was disseminating to the public.

Laidlaw counsel has interposed an Answer on behalf of LGS but not on behalf of its former broker Fine who is representing himself. Apparently, the acts complained of primarily occurred while Fine was employed at Coleman & Co. where Claimant had his account prior to it being transferred to Laidlaw. Razorfish, the security complained of the most by Claimant, was purchased well before Claimant transferred his account to LGS and only represented a small percentage of the value of Claimant's losses, if any. While LGS had many valid defenses, in spite of this, LGS elected to enter into a "nuisance value" settlement with Claimant in the amount of \$4,990 reached in May, 2003. To date, this sum is overdue and LGS is in default on its payment obligation. Claimant's counsel has threatened to commence a new and separate action for breach of the settlement agreement naming former principals of LGS. The proposed

12

claim also seeks to include the original claim "settled" by the company. Should Claimant carry forth with the threat of subsequent litigation, in Laidlaw counsel's opinion no liability exists against these individuals. There is a near certainty Claimant would prevail against LGS for the \$4,990 settlement fee plus additional costs and fees for Claimant having to commence an enforcement action. However, because LGS is no longer a registered entity, there is little Claimant can do to enforce this settlement. Laidlaw, the parent company, has no exposure on this claim or for the settlement.

David Bottoms, Jr. v. Laidlaw Global Corp, et al.

On or about December 21, 2001, David Bottoms entered into two contracts with Laidlaw Global Corp. The first agreement (Acquisition Agreement) provided Laidlaw would purchase certain rights and interests owned by Bottoms in consideration for the payment of \$300,000 and enter into a three year consulting agreement in which Laidlaw agreed to pay Bottoms the sum of \$100,000 per year. Laidlaw paid the \$300,000 acquisition fee and paid \$50,000 toward the three year consulting agreement. However, after the Company encountered cash flow difficulties, Laidlaw was unable to pay the balance of \$250,000. However, Bottoms was not required to provide any consulting services to the company as a result.

On or about December 19, 2002, Bottoms commenced a lawsuit in the Supreme Court of the State of New York, County of New York against Laidlaw Global Corp., Laidlaw Holdings, Inc., Laidlaw Global Securities, Inc. and Laidlaw Global Properties, Inc. alleging breach of the aforementioned agreements and seeking

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

\$250,000 in damages plus 7% interest. After some preliminary motion practice between the parties, Laidlaw's counsel interposed an answer and the matter proceeded to trial on an expedited basis on July 14, 2003. At the trial, the parties reached a settlement in which the Company agreed to pay the sum of \$20,000 to the Law Office of Bottoms' attorneys within forty-five days. The company further agreed to give Bottoms \$300,000 worth of non-voting Preferred Stock of Laidlaw Global Corp. with no coupon, (\$1.00 par value @ liquidation) with the option to covert those shares to 3,000,000 shares of Laidlaw Global Corp. common stock. He may convert to the common at any time prior to three years at \$0.10 per share and at the end of three years, he may convert at a price of \$0.10 or the then prevailing market price, whichever is lower. In consideration of the foregoing, Bottoms has discontinued his action against LGC with prejudice. To date, none of the terms of the settlement were performed and demands for performance have been made. Laidlaw intends to implement the terms of the settlement as soon as circumstances make it feasible. Certain actions have to be undertaken prior to implementation such as an increase in the authorized shares of Laidlaw Common Stock because the conversion feature of the Preferred Stock could result in the issuance of the Common Stock beyond what is authorized. Laidlaw has represented to Bottoms Counsel that it is in the process of implementing steps required to complete the terms of the settlement agreement.

S.L. Greene vs. Laidlaw Holdings, Inc.

Laidlaw Holdings, Inc., the leaseholder to the Company's office spaces at 100 Park Avenue defaulted on its lease agreement with its landlord SL Greene. As a result, SL Greene has obtained a judgment against Laidlaw Holdings, Inc. in excess of \$500,000. The Company has voluntarily vacated the premises. There is no way of knowing at this time whether SL Greene intends to seek enforcement of its judgment in light of its awareness of the Company's current financial status.

Richard Tuten vs. Laidlaw Global Securities, Inc.

Claimant Richard Tuten commenced a NASD Arbitration against Laidlaw Global Securities, Inc. seeking \$821,226 in compensatory damages alleging that LGSI fraudulently induced Tuten to personally guarantee certain loans for his company under the guise that LGSI would raise \$3,000,000 in private funding only to purposely withhold its successful fund raising efforts in an effort to drive the company into bankruptcy so other LGSI clients could buy Tuten's company's assets for pennies on the dollar.

Counsel has interposed an answer on behalf of LGSI and has raised Statute of Limitations as an affirmative defense. The matter is now scheduled to be heard in Orlando, Florida the entire week of December 8, 2003. It is counsel's opinion that Claimant will not prevail on his underlying claims based upon the Statute of Limitations defense, as well as other pleadings and irregularities. Laidlaw Global Corp., the parent company, has no exposure in this matter.

13

Equilease vs. Globeshare, Inc., Laidlaw Global Corp. et al

Claimant alleged the respondents are liable to them for the amount of \$190,000 based on non fulfillment of a lease agreement by the Globeshare, Inc. subsidiary and non fulfillment of guarantee by Laidlaw Global Corp. On June 18, 2003, the Company announced that it has agreed to settle the debt. In accordance with the agreement, in September, 2003 the Company issued \$190,000 Principal of Preferred Stock with a 7% simple coupon payable quarterly and a 3-year maturity. The Preferred Stock have a convertible feature allowing for conversion into shares

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

of the Common Stock of Laidlaw at a price of \$0.10 or \$0.20 if the conversion is forced by the warrant holder. As part of the same agreement, Laidlaw issued to the creditor 600,000 warrants of its Common Stock with a strike price of \$0.10. The settlement agreements were concluded by Counsel, the shares have been issued and a Stipulation of Discontinuance have been received and is being filed with the Court.

Information Leasing Corporation vs. Global Electronics Exchange (renamed Globeshare Group, Inc.) and Laidlaw Global Corporation (as guarantor of certain equipment leases)

Information Leasing Corporation has moved the Court of Common Pleas, Hamilton, Ohio for a summary judgment against Global Electronic Exchange and Laidlaw Global Corporation as guarantor of certain lease obligations contracted by the now defunct subsidiary Global Electronic Exchange (renamed Globeshare Group, Inc.) for an amount of \$ 81,337.23 plus accrued interest since the date of the alleged default in June 1, 2002. Laidlaw chose not to defend this action in the State of Ohio since any judgment would have to be transferred and defended in a New York jurisdiction. It is management's belief that it can offer defenses with respect to this liability as to the validity of the amount claimed as guaranteed by Laidlaw and it has chosen to await for a New York action prior to entering such defenses. Any potential judgment to be entered against the defunct subsidiary GLOBESHARE GROUP, INC. is not deemed to affect Laidlaw. To date Laidlaw's management has not been made aware of any status as to the Motion for Summary Judgment requested in the Ohio Court by plaintiffs.

NASD Regulatory Matter

NASD's regulatory arm had commenced a formal investigation against LGSI stemming from certain trading activities LGSI engaged in the stock of the Company during the period June 1999 through September 1999. The NASD alleges that a firm trader and others improperly traded restricted shares of the Company from the LGSI's proprietary account. Further, NASD alleged, and trading records confirmed, LGSI may have engaged in improper solicited agency trades of the Company's restricted stock during this period. If the allegations were proven true, the aforementioned trades would have been in violation of securities rules and regulations.

After submitting a Wells submission (a legal brief outlining the reasons why charges should not be brought against Laidlaw Global Securities, Inc.) LGSI has signed a settlement agreement with the NASD wherein LGSI agreed to a censure and a fine in the amount of \$50,000 to be paid on a scheduled basis. There were no admissions of wrongdoing by LGSI and once the fine is paid, the matter will be deemed concluded.

Since LGSI no longer exists as a corporate entity, the Company, being the ultimate parent, took upon itself to satisfy this obligation to the NASD. On April 30, 2002, the Company proposed the following payment schedule that would be feasible considering the financial difficulties of the Company: \$12,500 paid with the proposal as initial payment and the balance payable in installments of \$6,250 each from July 1, 2003 to October 1, 2004. Interest was proposed at the appropriate minimal interest authorized by the Internal Revenue Service (IRS). The NASD communicated their agreement with the Company upon their receipt of the proposal. So far the Company has met the initial \$12,500 payment due under the terms of the agreement on behalf of its former subsidiary and intends to pay the balance when and if its cash position allows it to do so in the future, provided its Board continues to approve the voluntary repayment on behalf of its former subsidiary.

American Stock Exchange Listing Matter

On April 10, 2003 the staff of American Stock Exchange (AMEX) confirmed with the

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

management of the Company the intention of AMEX to proceed with the filing of an application with the Securities and Exchange Commission (the "SEC") to strike the Company's common stock from listing and registration on the Exchange. AMEX had earlier advised Laidlaw Global Corporation in April 2002 that Laidlaw was in breach of two continuing listing requirements of the Exchange, namely, its equity was below the required minimum and that it had reported losses two of the previous three years. Laidlaw submitted a business plan to AMEX outlining its strategy to cure the defaults over the next three to four quarters and requested AMEX to maintain the listing as long as Laidlaw continued to meet the goals set out in the business plan. Given the continuing difficult markets, Laidlaw has ascertained that it will be unable to meet the deadline set forth in the business plan to comply with the AMEX listing standards. Moreover, the AMEX has notified Laidlaw in its most recent communication that the Company presently is in breach of additional listing requirements, including its failure to hold a shareholders' meeting in a timely manner. The Company does not agree with all of the issues in the AMEX notification and has the right to appeal the AMEX notification. Laidlaw's Board of Directors reviewed the merits of appealing the notification but has decided that it will not be in compliance with AMEX's listing requirements, given the Company's financial performance in the latest fiscal year. Consequently, Laidlaw filed an application on April 21, 2003 with the SEC to withdraw its common stock from trading and registration on the AMEX. On May 21, 2003, the SEC notified the Company that, upon consideration of the facts stated in Laidlaw's application for voluntary delisting, the SEC approved the Company's said application effective the opening of business on May 22, 2003. The Company is making all

14

efforts to facilitate the trading of its shares on the OTC Bulletin Board and will cooperate with any qualified party interested in sponsoring such application. Meanwhile, the Company's stock is eligible for trading in the Pink Sheets and it is the Company's understanding that there are existing market makers for the Company's shares in the Pink Sheets. Laidlaw is current with all its SEC filings and intends to remain a fully reporting Company.

Securities and Exchange Commission Regulatory Matter

On March 5, 2002, Grant Thornton LLP ("Grant") notified the Laidlaw Board of Directors that pursuant to Section 10A of the Exchange Act of 1934 (the "Grant Report"), in their belief, an illegal act or acts may have occurred at Laidlaw during 2001 with respect to the repricing of stock options. Grant alleged in part that neither management nor the Board of Directors had taken sufficient steps to determine whether an illegal act had occurred within the meaning of Section 10A of the Exchange Act of 1934 and, accordingly, Grant notified the Securities and Exchange Commission (SEC). At the current time, the Securities and Exchange Commission (SEC) has commenced a formal investigation into this matter.

To date the Company and its employees are fully cooperating with the Commission's investigation and no formal proceedings against the Company have been commenced by the Commission. At this time, there is no way for Counsel to make any determination as to the potential liability of the Company in this matter, if any, should formal proceedings be commenced.

Other

Unbeknownst to Laidlaw Global Corporation, it has been discovered that Laidlaw was named in an action in the U.S. Western District Court of New York against Howe & Rusling, Inc. ("H&R"), a subsidiary of H & R Acquisition Corp. ("HRAC"), which was a former subsidiary of Laidlaw, along with H&R's new owners, Third

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

Security LLC ("Third Security"), and several employees of H&R in an age and sex discrimination employment lawsuit from a former female employee of H&R, in connection with the employee's termination in 2001. H&R had undertaken the defense of the matter on behalf of Laidlaw without informing Laidlaw of the proceedings based on an indemnification agreement in the sale contract of H&R to Third Security. Because Laidlaw was not an employer of said plaintiff and it is further contractually indemnified by Third Security, management believes it cannot have any liability in this matter.

Effective November 1, 2003, Phoenix Consulting Group, the newly created division of Phoenix Securities Corp., entered into a six-month sublease agreement with a base monthly rent of \$1,900 for an office space in New York City.

We are subject to various legal proceedings. In management's opinion, some of these proceedings in which Laidlaw Global Corporation is involved as a defendant could adversely affect the viability of the Company to continue its existence if not satisfactorily settled or if an adverse decision beyond the ability of the Company to receive financing was to be rendered.

NOTE F - INDUSTRY SEGMENTS

In 2002 and prior years, the Company operated in two principal segments of the financial services industry: Asset Management and Broker-Dealer activities. Corporate services consist of general and administrative services that are provided to the segments from a centralized location and are included in corporate and other.

Asset Management and Investment: activities include raising and investing capital and providing financial advice to companies and individuals throughout the United States and abroad. Through this group the Company provides client advisory services and pursues direct investment in a variety of areas.

Broker-Dealer: Activities include underwriting public offerings of securities, arranging private placements and providing client advisory services, trading, and brokerage services including conducting research on, originating and distributing both foreign and domestic equity and fixed income securities on a commission basis to both institutional and individual investors throughout the United States and abroad and for their own proprietary trading accounts.

15

Laidlaw Global Securities, the now dissolved wholly owned subsidiary of Cardinal Holdings, Inc. (formerly Laidlaw Holdings, Inc.) which, in turn, is wholly owned by the Company, was substantially engaged in traditional trading, brokerage and investment banking services.

Foreign Operations and Major Customers: The Company had no significant assets or revenues (either external or intercompany) from operations in foreign countries for each of the two periods ended September 30, 2003 and 2002 other than commission and Investment Banking revenues from the activities of Laidlaw Global Securities on behalf of foreign and U.S. customers in foreign markets, amounting to \$52,500 as of September 30, 2002, which approximates 3.52% of external revenue. Additionally, the Company had no significant individual customers (domestic or foreign) as of September 30, 2003, or for each of the periods ended September 30, 2003 and 2002.

The following table sets forth the net revenues of these industry segments of the Company's business.

Nine months ended September 30,

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

	2003	2002
	(Unaudited)	
Revenue from external customers		
Asset management	\$ --	\$ 172,397
Brokerage	75,031	1,286,584
Corporate and other	235,302	32,047
	-----	-----
Total external revenue	\$ 310,333	\$ 1,491,028
	=====	=====
Net (loss)		
Asset management	\$ --	\$ --
Brokerage	66,571	(2,942,414)
Corporate and other	(672,556)	(677,889)
	-----	-----
Total net (loss)	\$ (605,985)	\$ (3,620,303)
	=====	=====
Total assets (1)		
Asset management	\$ --	\$ --
Brokerage	85,392	2,755,998
Corporate and other	(61,596)	983,804
	-----	-----
Total assets	\$ 23,796	\$ 3,739,802
	=====	=====

(1) The decrease in assets is primarily due to the cessation of operations of Laidlaw Global Securities, Inc. in November, 2002, the settlement of a funding agreement, and the write down of fixed assets.

NOTE G - STOCK OPTIONS

During 1999, the Company established a stock option plan which incorporated all outstanding options previously granted under the prior Laidlaw Holdings stock option plans. The plan allows the Company to grant options to employees of the Company, its subsidiaries and affiliates, for up to 4,350,000 shares of common stock at December 31, 2002. Options currently outstanding are exercisable either

16

immediately or up to five years from the grant date and expire five years after the grant date.

In December 2002, the FASB issued SFAS No. 148, "Accounting for Stock-Based Compensation - Transition and Disclosure, and amendment of FASB Statement No. 123." This statement expands the disclosure requirements with respect to stock-based compensation. The transition guidance and annual disclosure provisions of SFAS No. 148 are effective for fiscal years ending after December 15, 2002. The adoption of SFAS No. 148 did not impact the Company's financial condition or results of operations for fiscal 2002. Management is in the process of evaluating the impact of the statement on the Company's financial position and results or operations for fiscal 2003.

The following table illustrates the effect on net income and earnings per share if the fair value based method had been applied to all outstanding and unvested

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

awards in each period.

	Nine Months Ended September 30	
	2003	2002
Net loss, as reported	\$ (605,985)	\$ (3,620,303)
Add: Stock-based employee compensation expense included in reported net loss, net of related tax effects		754,712
Deduct: Total stock-based employee compensation expense determined under fair value based method for all awards, net of related tax effects	(11,917)	(88,849)
Pro forma net loss	\$ (617,902)	\$ (2,954,440)
Loss per share:		
Basic - as reported	\$ (0.02)	\$ (0.10)
Basic - pro forma	\$ (0.02)	\$ (0.10)

NOTE H - LOSS PER COMMON SHARE

Loss per common share is computed in accordance with Statement of Financial Accounting Standards No. 128, "Earnings Per Share." Basic earnings per share excludes the dilutive effects of options and convertible securities and is calculated by dividing income available to common shareholders by the weighted-average number of common shares outstanding for the period. Diluted earnings per share reflect all potentially dilutive securities, as well as the related effect on net income. Set forth below is the reconciliation of net income (loss) applicable to common shares and weighted-average common and common equivalent shares of the basic and diluted earnings per common share computations:

	Nine Months Ended September 30	
	2003	2002
	(Unaudited)	
Numerator		
Net loss applicable to common shares for basic and diluted earnings per share	\$ (605,985)	\$ (3,620,303)
Denominator		
Weighted-average common shares for basic and diluted earnings per share	35,683,592	28,505,804
Loss per common share		
Basic and diluted	\$ (.02)	\$ (.13)

All outstanding warrants and options were excluded from the computation of the diluted earnings per share because the Company incurred losses for the nine

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

month period ended September 30, 2003 and 2002 and the effect would have been antidilutive.

17

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Overview

Laidlaw Global Corporation is a financial services firm that operated in two business segments: brokerage, which includes investment banking and sales and trading, and asset management. Going forward the company intends to have two wholly owned subsidiaries: (1) Phoenix Securities Corp.; and (2) Laidlaw Properties, Inc. ("Laidlaw Properties").

1) Phoenix Securities Corp. offers a range of innovative investment strategies, and financial services. Phoenix Securities Corp. provides its clients with an opportunity to extend their investment offerings to key international markets. Once appropriately licensed and registered, it will assist international companies who require access to the U.S. capital markets. Laidlaw has years of experience in building strategic alliances and investment relationships, as well as advising on mergers and acquisitions and related financing opportunities. Until it has completed the process of registration and obtained the necessary licenses, the newly formed subsidiary of Laidlaw is limiting itself to investment banking services that do not require a registration as a broker-dealer. It has recently completed its first assignment by issuing a fairness opinion for a fee in the corporate merger of a publicly traded entity.

2) Laidlaw Properties, Inc. aims to establish itself as a leading niche player in the global property market. Given the size of Laidlaw and the flat structure of the business model, the two divisions will be interdependent on each other and will share their respective skill pools.

Asset management activities included raising and investing capital and providing financial advice to companies and individuals throughout the United States of America and overseas. Through this group, Laidlaw provided client advisory services.

Brokerage activities included underwriting public offerings of securities, arranging private placements and providing client advisory services, trading, conducting research on, originating and distributing equity and fixed income securities on a commission basis and for their own proprietary trading accounts.

Laidlaw has operated through a number of separate entities owned directly by Laidlaw Global Corporation or through its wholly owned subsidiary, Laidlaw Holdings, Inc., which was renamed Cardinal Holdings, Inc. in March 2003. Laidlaw Global Securities, Inc. provided brokerage services and was wholly owned by Laidlaw Holdings, Inc. Howe & Rusling, Inc. provided management services of financial assets and was owned by H&R Acquisition Corp., 81% of whose stock was owned by Laidlaw Holdings, Inc. The interest in H&R Acquisition Corp. was sold on December 26, 2001 pursuant to a Stock Purchase Agreement dated December 21, 2001. Westminster Securities Corporation, a NYSE member firm acquired by Laidlaw on July 1, 1999 also provided general brokerage services. Westminster Securities Corporation was sold on June 12, 2001. The sale of Westminster Securities Corporation was completed pursuant to the Amended and Restated Stock Purchase Agreement dated June 7, 2001. The Agreement stipulated that the transactions shall be treated solely for tax and financial reporting purposes as having an effective date of May 31, 2001. Another subsidiary, Globeshare Group, Inc. (formerly Global Electronic Exchange, Inc.), was a holding company that owned

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

100% of Globeshare, Inc., an online broker-dealer. Globeshare, Inc. filed for withdrawal of its registration as a broker/dealer with the NASD on November 20, 2001. The operations and customer accounts of the on-line broker were transferred to Laidlaw Global Securities on October 5, 2001 after duly informing the customers. A broker/dealer subsidiary called Laidlaw International, S.A., located in France, was granted the license to operate as a broker/dealer by Banque de France in April 2001. A new subsidiary Laidlaw Properties, Inc., which was incorporated in the state of Delaware under the General Corporation Law, will undertake the Company's investment property business and other real estate ventures. Another subsidiary, Phoenix Securities Corp., which was incorporated in Delaware under the General Corporation Law in September, 2001 and was not operational until recently, specializes in Corporate services including the rendering of fairness opinions, the review of merger and acquisition transactions and the brokering of such transactions for a fee or an equity participation. At this point, Phoenix Securities Corp. provides services not requiring its registration as a Broker-Dealer. In the future, should it decide to enter into businesses requiring such registration, Phoenix will apply for the appropriate registrations, authorizations and licenses.

18

Numerous changes in the operation of the businesses of Laidlaw Global Corporation occurred during fiscal years 2003 and 2002. After September 11, 2001, the European market, an essential part of the business generated by the French subsidiary, Laidlaw International, deteriorated and did not recover as promptly as the U.S. markets. In early February, 2002, the French Commission Bancaire demanded a capital increase of 2 million Euros in order to maintain the French subsidiary in Compliance with French Net Capital Regulations. Laidlaw Global Corporation had to make a hard decision since it could not support its European operations while keeping adequate capital for the U.S. operations. With a very short deadline imposed by the French regulatory authority, Laidlaw Global Corporation determined not to provide the additional capital and this resulted in the nomination of an Administrator for Laidlaw International by the Commission Bancaire. Effective April 11, 2002, the French Administrator committed to a process of liquidation. Accordingly, the Company recognized a loss as of December 31, 2001 from the write off of all its investment in the French subsidiary amounting to \$634,562. In March 2002, the Company incurred an additional expense of \$35,264 in connection with the final settlement in closing the operations of the French subsidiary as required by the French Administrator. With the difficult market conditions that prevailed starting the second half of fiscal 2000, Laidlaw Global Securities, Inc. ("LGSI") experienced continued losses and erosion of its capital despite management's persistent efforts to cut costs and find new avenues for revenue generation. In the last quarter of fiscal 2002, the Company's management deemed LGSI was no longer a viable operation to maintain. On or about November 19, 2002, LGSI filed with the Securities and Exchange Commission a Uniform Request Withdrawal from Broker-Dealer Registration effective November 13, 2002. LGSI also filed a Notice of Withdrawal as an Investment Advisor. In conjunction with this, LGSI sold its list of client accounts to Kuhns Brothers Securities for a cash consideration of \$75,000. A negative consent transfer letter was sent to all clients of LGSI. With the cessation of operations of LGSI, Laidlaw terminated most of its employees and retained only key personnel required to close the affairs of said broker-dealer subsidiary and maintain the downsized operations of the Company. An asset write down in the amount of \$333,042 was required to adjust the investment of LGSI and the Company in computer hardware and software, furniture, and leasehold improvements. Since LGSI was no longer engaged in broker-dealer activities, LGSI filed a Certificate of Dissolution with the state of Delaware on April 2, 2003.

Market fluctuations in both U.S. and overseas markets, as well as general global economic factors, significantly affected Laidlaw's operations. These factors

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

include economic and market conditions; the availability of capital; the availability of credit; the level and volatility of equity prices and interest rates; currency values and other market indices; and technological changes and events. The increased use of the Internet for securities trading and investment services are important factors that may affect Laidlaw's operations. Inflation and the fear of inflation as well as investor sentiment and legislative and regulatory developments will continue to affect the business conditions in which our industry operates. Such factors may also have an impact on Laidlaw's ability to achieve its strategic objectives, including growth in assets under management, global investment banking and brokerage service activities.

Laidlaw's securities business, particularly its involvement in primary and secondary markets in domestic and overseas markets was subject to substantial positive and negative fluctuations caused by a variety of factors that cannot be predicted with great certainty. These factors include variations in the fair value of securities and other financial products and the volatility and liquidity of global trading markets. Fluctuations also occurred due to the level of market activity, which, among other things, affected the flow of investment dollars into bonds and equities, and the size, number and timing of transactions or client assignments.

Laidlaw's results of operations were also materially affected by competitive factors. Recent and continuing global convergence and consolidation in the financial services industry will lead to increased competition from larger diversified financial services organizations even though Laidlaw's strategy has been to position itself in markets where it believes it has an advantage over its competition due to strong local connections and access to foreign brokerage firms and investors.

19

Critical Accounting Policies

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Note A to the Consolidated Financial Statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2002, describes the significant accounting policies and methods used in the preparation of the Consolidated Financial Statements. The following lists some of the Company's critical accounting policies impacted by judgments, assumptions and estimates.

Revenue Recognition

Securities Transactions

Customers' securities transactions are recorded on a settlement-date basis with related commission income and expenses recorded on a trade-date basis. Proprietary securities transactions are recorded on a trade-date basis. Profit and loss arising from all securities transactions entered into for the account and risk of the Company are recorded on a trade-date basis.

Securities are stated at market value, and securities not readily marketable are stated at fair value as determined by management. The resulting difference between cost and market (or fair value) is included in trading gains, net.

Securities sold, but not yet purchased, consist of trading securities at market

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

value. The difference between the proceeds received from securities sold short and the current market value is included in trading gains, net.

Investment Banking Fees

Investment banking fees include gains, losses and fees, net of syndicate expenses, arising from securities offerings in which the Company acts as an underwriter or agent. These fees are recorded on the offering date, sales concessions on the settlement date and underwriting fees at the time the underwriting is completed and the income is reasonably determinable.

Corporate Finance Fees

Corporate finance fees are received from providing advisory and due diligence services for proposed financings that do not result in either the offering of private or public financing. Fees are recognized as the services are performed.

Asset Management Fees

The Company computes asset management fees and the related commission payout on a quarterly basis and amortizes them for financial statement purposes on a monthly basis.

Impairment of Long-Lived Assets

The Company assesses potential impairment of its long-lived assets, which include its property and equipment and its identifiable intangibles such as software development costs and deferred charges under the guidance of SFAS 144 "Accounting for the Impairment or Disposal of Long-Lived Assets". The Company continually determines if a permanent impairment of its long-lived assets has occurred and the write-down of the assets to their fair values and charges current operations for the measured impairment as required.

20

Income Taxes

Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. The Company records a valuation allowance on deferred tax assets when appropriate to reflect the expected future tax benefits to be realized. In determining the appropriate valuation allowance, certain judgments are made relating to recoverability of deferred tax assets, use of tax loss carryforwards, level of expected future taxable income and available tax planning strategies. These judgments are routinely reviewed by management. For further discussion, see Notes A and L to the Consolidated Financial Statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2002.

QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Interest Rate Risk

As of September 30, 2003, the Company did not have any derivatives, non fixed-interest debt or hedges outstanding. Therefore, the Company was not

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

subject to interest rate risk.

CONTROLS AND PROCEDURES

Disclosure Controls and Procedures

The Chief Executive Officer (CEO) and Chief Financial Officer (CFO) has evaluated the Company's disclosure controls and procedures, as defined in the rules of the SEC, within 90 days of the filing of the date of this report and has determined that such controls and procedures were effective in ensuring that material information relating to the Company and its consolidated subsidiaries was made known to them during the period covered by this report.

Internal Controls

The CEO and CFO is primarily responsible for the accuracy of the financial information that is presented in this report. To meet their responsibility for financial reporting, he has established internal controls and procedures which he believes are adequate to provide reasonable assurance that the Company's assets are protected from loss. These internal controls are reviewed by the independent accountants to support their audit work. In addition, our Audit Committee, which is composed entirely of outside directors, meets regularly with management and the independent accountants to review accounting, auditing and financial matters. This Committee and the independent accountants have free access to each other, with or without management being present.

21

Recent Developments

In January 2003, the Company issued 2,000,000 shares of its common stock to an individual unrelated to the Company in a private sale for \$148,930 (\$.074 per share).

In January, 2003, the Company settled the dispute that arose out of the previously non completed funding agreement entered with London Capital Group, Ltd. for a compensation of \$70,000, \$10,000 of which was received in December, 2002 and the balance of \$60,000 in January, 2003.

On February 14, 2003, Phoenix Securities Corp., which was incorporated in Delaware under the General Corporation Law in September, 2001 and was until then a non operating entity, was added as a new subsidiary of the Company. Phoenix Securities Corp specializes in Corporate services including the rendering of fairness opinions, the review of merger and acquisition transactions and the brokering of such transactions for a fee or an equity participation. At this point, Phoenix Securities Corp. provides services not requiring its registration as a Broker-Dealer. In the future, should it decide to enter into businesses requiring such registration, Phoenix will apply for the appropriate registrations, authorizations and licenses. It has recently completed its first assignment by issuing a fairness opinion for a fee in the corporate merger of a publicly traded entity.

On March 4, 2003, the Company moved its offices to a new location in New York City. The move is in conjunction with its cost restructuring efforts.

On March 26, 2003, the Board of Directors of Laidlaw Holdings, Inc. approved the dissolution of its wholly-owned subsidiary Laidlaw Global Securities, Inc. which was no longer engaged in broker-dealer activities. On the same date the Board of Directors of Laidlaw Global Securities, Inc. concurred with the resolution of the parent company. Accordingly, a Certificate of Dissolution was filed by

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

Laidlaw Global Securities, Inc. with the State of Delaware on April 2, 2003.

On March 31, 2003, Laidlaw Holdings, Inc. filed an amendment of its Certificate of Incorporation with the state of Delaware for a change of corporate name to Cardinal Holdings, Inc. This amendment was approved by the Secretary of State of Delaware on April 3, 2003 and made effective retroactive to the filing date.

On April 8, 2003, the Company issued 300,000 shares of its common stock to an entity based in the United Kingdom and unrelated to the Company in a private sale for \$24,000 (\$.08 per share). On June 6, 2003, the Company issued 166,700 shares of its common stock to the same unrelated entity in a private sale for \$10,000 (\$.06 per share). The average price of these stock issuances was \$.0728. These are in accordance with a Subscription Agreement dated January 14, 2003, with an amendment dated May 6, 2003, for a \$150,000 financing commitment.

22

On April 10, 2003 the staff of the American Stock Exchange (AMEX) confirmed with the management of the Company the intention of AMEX to proceed with the filing of an application with the Securities and Exchange Commission (the "SEC") to strike the Company's common stock from listing and registration on the Exchange. AMEX had earlier advised Laidlaw Global Corporation in April 2002 that Laidlaw was in breach of two continuing listing requirements of the Exchange, namely, its equity was below the required minimum and that it had reported losses for two of the previous three years. Laidlaw submitted a business plan to AMEX outlining its strategy to cure the defaults over the next three to four quarters and requested AMEX to maintain the listing as long as Laidlaw continued to meet the goals set out in the business plan. Given the continuing difficult markets, Laidlaw has ascertained that it will be unable to meet the deadline set forth in the business plan to comply with the AMEX listing standards. Moreover, the AMEX has notified Laidlaw in its most recent communication that the Company presently is in breach of additional listing requirements, including its failure to hold a shareholders' meeting in a timely manner. The Company does not agree with all of the issues in the AMEX notification and has the right to appeal the AMEX notification. Laidlaw's Board of Directors reviewed the merits of appealing the notification but has decided that it will not be in compliance with AMEX's listing requirements, given the Company's financial performance in the latest fiscal year. Consequently, Laidlaw filed an application on April 21, 2003 with the SEC to withdraw its common stock from trading and registration on the AMEX. On May 21, 2003, the SEC notified the Company that, upon consideration of the facts stated in Laidlaw's application for voluntary delisting, the SEC approved the Company's said application effective the opening of business on May 22, 2003. The Company is making all efforts to facilitate the trading of its shares on the OTC Bulletin Board and will cooperate with any qualified party interested in sponsoring such application. Meanwhile, the Company's stock is eligible for trading in the Pink Sheets and it is the Company's understanding that there are existing market makers for the Company's shares in the Pink Sheets. Laidlaw is current with all its SEC filings and intends to remain a fully reporting Company.

On April 19, 2003, Westminster Securities Corporation ("Westminster Securities") failed to meet its obligation on a note payable to the Company of \$165,000, consisting of \$150,000 principal and \$15,000 interest. After several communications with an officer of Westminster Securities who represented that Westminster Securities needed time to gather the necessary funds to meet its obligation, the president of Westminster Securities informed the Company on April 22, 2003 that the funds were available but they intended to obtain a reduction in the amount due based on alleged breaches in a service agreement between Westminster Securities and the Company. The Company acknowledges that it had a service agreement with Westminster Securities, and that Westminster

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

Securities paid for the services rendered and already negotiated reductions to the amounts due on a contemporaneous basis when it did not agree with the charges. After further discussions with the Company's legal counsel and negotiations with Westminster Securities, the Company agreed with Westminster Securities for a settlement of \$99,989 on April 28, 2003, whereby the Company issued a general release to Westminster Securities in consideration of \$99,999 and Westminster Securities issued a general release to the Company in consideration of \$10. The settlement was received by the Company on April 29, 2003.

In May 2003, the Company issued 133,140 shares of its common stock to certain shareholders of Globeshare Group, Inc. on a one-for-one exchange for stock of Globeshare Group, Inc. The exchange was valued at \$3,328.

Laidlaw Properties, Inc. terminated on June 15, 2003 its agreement with Prince William Resort LLC to acquire the Whittier, Alaska property as a result of Laidlaw Properties, Inc. not having received an updated independent valuation report by the previously set June 15, 2003 deadline.

23

On June 18, 2003, the Company announced that it has agreed to settle a debt incurred as guarantor of certain obligations contracted by its past operated subsidiaries Globeshare Group, Inc. (formerly Global Electronic Exchange, Inc.) and Laidlaw Global Securities, Inc. for the leasing of computer hardware. In accordance with the agreement, in September, 2003 the Company issued \$190,000 Principal of Preferred Stock with a 7% simple coupon payable quarterly and a 3-year maturity. The Preferred Stock have a convertible feature allowing for conversion into shares of the Common Stock of Laidlaw at a price of \$0.10 or \$0.20 if the conversion is forced by the warrant holder. As part of the same agreement, Laidlaw issued to the creditor 600,000 warrants of its Common Stock with a strike price of \$0.10. The settlement agreements were concluded by Counsel, the shares have been issued and a Stipulation of Discontinuance has been received and is being filed with the Court.

In August 2003, the Company issued 1,640,000 shares of common stock to a partnership in which a principal officer and director has an interest in settlement of loans owed to the principal officer and director amounting to \$16,400 (\$.01 per share).

In September 2003, the Company issued 1,333,333 shares of common stock to foreign corporation unrelated to the Company in a private sale for \$20,000 (\$.015 per share).

On October 15, 2003, Stanley Ira Birnbaum resigned as a member of the Board of Directors and the Audit Committee. Laidlaw is in the process of placing a new candidate to fill the vacated position.

On October 29, 2003, the Company obtained a \$25,000 loan from an unrelated party. Once the necessary registrations are completed, shares of Preferred stock that are convertible into Common Stock and that have warrants attached with no exercise rights until the increase in authorized Common Stock has been effected, will be issued in settlement of the loan.

Laidlaw is in negotiations with respect to a licensing agreement with a United Kingdom entity with which it expects to conclude a final agreement before the end of the year. The original expected completion date of September 1, 2003 was extended due to further discussions being undertaken.

Phoenix Securities Corp. ("Phoenix") created a new division called Phoenix

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

Consulting Group ("PCG"). PCG has entered into an agreement to market the services of Gunn Allen Financial ("Gunn Allen"), a broker-dealer, as an Office of Supervisory jurisdiction of Gunn Allen. Four employees of Phoenix Consulting Group are in the process of being registered as Registered Representative of Gunn Allen to operate on behalf of the PCG, an Office of Supervisory Jurisdiction of Gunn Allen.

As a result Phoenix expects to start receiving revenues upon completion of the registration process that will consist in the contractual giving up of part of the commissions earned by the Registered Representatives for office services rendered to them by Phoenix. The use of the proceeds will cover office operating costs with the purpose of reaching a level of production that could allow a surplus to be earned by Phoenix upon the full development of the business of the PCG division.

The operation is essentially aimed at institutional investors. It is too early to predict the level of profitability if any of this venture at this time. All resulting agreements and registration authorization are in the process of completion and the unit should be up and running by December 1, 2003.

Effective November 1, 2003, PCG entered into a six-month sublease agreement with a base monthly rent of \$1,900 for an office space in New York City.

Global Economic and Market Developments in the Quarter and Nine Months Ended September 30, 2003

The difficult global market and economic conditions that existed during fiscal 2002 and continued through the second quarter of fiscal 2003 did not improve as expected during the third quarter, despite the increase in financial market indices. Most global economies continued to experience higher levels of unemployment and lower levels of industrial production. It is currently unpredictable when these market and economic conditions will improve.

24

In Europe, economic growth was generally weak, with the level of business confidence feeling the impact of difficult conditions existing in the global economy. Unemployment remained high, hovering around 8 or 9 percent. Industrial production remained sluggish, corporate earnings were weak, and corporate debt experienced downgrades. Economists predict that European economies will probably grow by only 0.5 percent this year on average. However, consumer confidence improved, thereby increasing consumer spending. With the expectation of a gradual improvement in economic activity in the Euro area in the second half of 2003, and a further strengthening in 2004, the European Central Bank (ECB) left the minimum bid rate on the main refinancing operations of 2.00% unchanged since June, 2003.

In the U.S., the economy grew at a 7.2% annual rate in the third quarter, the fastest growth in almost 20 years and the broadest-based gain in the economy in the three years since the stock-market-fueled boom years of the 1990s. Consumer spending and exports climbed and business investment rebounded. The increase in business investment on equipment and software rose markedly at an annualized rate of 15.4%. The U.S. dollar strengthened against the euro attracting higher capital inflows to the U.S., a contributing factor to the rise in the equity markets. Economists cautioned, however, that the robust expansion in the economy was basically a result of the tax cut and mortgage-refinancing boom. Unemployment still remains above 6% of the labor force. Economic reports reinforced the expectations by economists of the nation's economy rebounding in the second half of the year. Against that backdrop and with monetary policy having been eased substantially, the Federal Open Market Committee (FOMC)

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

maintained the federal funds rate at 1 percent during the quarter and until October 2003, their lowest level since 1958. The Committee believes that, since the economy has recently showed signs of improvement, such as increases in manufacturing activity and retail sales and strong earnings reports, these developments should foster an improving economic climate over time.

These uncertain and turbulent market and economic environments adversely affected the results of operations of the Company for the third quarter of fiscal 2003. The only revenues recognized by the Company were from expense reversals and concessions as well as corporate income tax refunds.

The Company continued its efforts to position Laidlaw in new markets and ventures, while trying to optimize the business structure of Laidlaw. These efforts have included the sale and closing of subsidiaries, where it was determined that such efforts were in the best interest of the Company as a whole. Management continued to focus its activities in areas that took into consideration the operational structure of Laidlaw and the need to allocate resources efficiently giving priority to ventures that can reasonably be expected to self-finance on a short term basis. Laidlaw's mission is to maximize long-term shareholder value through the mutual development of its investment banking operations and the continued expansion of its property interests. The revenue model is balanced between the less predictable cash flow characteristics of the investment banking operations with the more predictable pattern generated by Laidlaw Properties. The investment banking operations will source their revenue from conventional retainers and fees, fund raising and the equity participation carry into their client companies. Laidlaw Properties will benefit from the sale of developed sites and rental income earned from property on its books.

Results of Operations for the Quarter and Nine Month Period Ended September 30, 2003 and 2002

Laidlaw posted a loss of \$18,654 for the third quarter of 2003, compared to the net loss of \$1,265,099 for the third quarter of 2002. While there was a decrease in the net loss, losses continue because Laidlaw is still in the process of rebuilding its revenue base through the operations of its two new subsidiaries, Phoenix Securities Corp. and Laidlaw Properties Inc. Furthermore, the management of Laidlaw is continuing its efforts in seeking fresh capital to be utilized for the operational needs of the Company until its revenue stream can support these. The only revenues recognized for the third quarter of fiscal 2003 were from expense reversals and concessions and refunds of corporate income taxes paid.

25

Basic and diluted loss per common share was \$.0005 and \$.02 in the quarter and nine month period ended September 30, 2003 as compared with \$.04 and \$.13 in the quarter and nine month period ended September 30, 2002.

Operations of three subsidiaries, Laidlaw Global Securities, Inc. Globeshare Group, Inc., and Laidlaw International, S.A., significantly contributed to the loss incurred during the third quarter of fiscal 2002. Laidlaw Global Securities, Inc. saw a sharp decrease in its commissions volume strictly related to the market performance of the emerging global markets and the NASDAQ market in the U.S. Globeshare Group, Inc. still incurred depreciation costs on the remaining carrying value of computer hardware and software as well as interest expense on the note payable which was fully paid in May, 2002 and the equipment lease contracts. The Company incurred an additional expense of \$35,264 in March 2002 pertinent to the final settlement of the closing down of the operations of the Laidlaw International subsidiary as required by the French Administrator.

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

Laidlaw's income for fiscal 2002 was derived from its operation in two principal segments of the financial services industry, namely asset management and brokerage activities. Income from those activities is summarized as follows.

Brokerage commission revenues which represent 141% (inclusive of investment trading losses) of total revenues for the nine month period ended June 30, 2002 are geographically categorized as follows:

For the nine months ended September 30, 2002, LGSI generated revenues of \$308,859 from its activities on behalf of foreign and U.S. institutional customers and \$1.8 million from its activities in the U.S. markets. The investors transacting in the U.S. markets are both U.S. and non-U.S. entities and individuals.

Asset Management fees from LGSI amount to \$172,397 for the nine months ended September 30, 2002, which represents 12% of the Company's revenue for the period. Corporate finance fees of Phoenix Securities Corp. for the nine months ended September 30, 2003 amount to \$75,000 which represents 24% of the Company's revenue. Corporate finance fees of LGSI for the nine months ended September 30, 2002 amount to \$106,389, which represents 7% of the Company's revenue. Trading loss of LGSI amount to \$1,041,593 for the nine months ended September 30, 2002. Other revenue, which consists principally of interest income and rebates on securities trades, as well as expense reversals and concessions and corporate income tax refunds in 2003, amount to \$235,333 and \$148,798 for the nine months ended September 30, 2003 and 2002, respectively, which represent 76% and 10% of the Company's revenue for the respective periods.

Salaries and other employee costs for the nine months ended September 30, 2003 decreased to \$351,215 from \$1,602,519 for the nine months ended September 30, 2002. Salaries and other employee costs for the quarter ended September 30, 2003 decreased to \$19,162 from \$476,326 for the quarter ended September 30, 2002. The decrease in this expense primarily relates to the cessation of the operations of LGSI and the reversal in the third quarter of 2003 of officers' accrued salaries recognized in the previous quarters as voluntary concessions to the Company.

The Company recorded a net credit of \$754,712 for the nine months ended September 30, 2002 and a credit of \$153,797 for the quarter ended September 30, 2002 related to stock options subject to variable pricing. The net credit resulted in a corresponding decrease in additional paid-in capital and the charge resulted in a corresponding increase in said capital account.

There was no commission expense for the nine months and quarter ended September 30, 2003, respectively. Commission expense amounted to \$1,057,043 and \$126,311 for the nine months and quarter ended September 30, 2002, respectively. The decrease is attributable to the cessation of operations of LGSI.

Clearing expenses for the nine months ended September 30, 2003 decreased to \$6,697 from \$248,887 for the nine months ended September 30, 2002. Clearing expenses for the quarter ended September 30, 2002 amounted to \$46,637. Clearing expenses, which primarily consist of amounts paid to the broker-dealers' clearing agent for processing and clearing

customers' trades, reflect the decrease related to the cessation of operations of LGSI. The minimal clearing fees incurred during the quarter ended March 31, 2003 were the charges by the clearing broker in closing the accounts of LGSI.

Rent and utility expenses for the nine months ended September 30, 2003 decreased to \$193,801 from \$568,580 for the nine months ended September 30, 2002. Rent and

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

utility expenses for the quarter ended September 30, 2003 decreased to \$7,738 from \$219,224 for the quarter ended September 30, 2002. Rent and utility expenses include cost of leasing office space and space with our Internet service provider, net of the amortization of the deferred rent on the lease at its former office location. Although the Company moved to a new location on March 4, 2003, the reduction in rent impacted the results of operations only starting in the second quarter of fiscal 2003 because the sublease payments received in January and February 2003 were substantially reduced compared to the sublease payments received in the first quarter of fiscal 2002. In addition, the Company recognized certain real estate tax adjustments in the first quarter of fiscal 2003.

There were no depreciation and amortization expenses for the nine months and the quarter ended September 30, 2003. Depreciation and amortization expenses amounted to \$268,053 and \$88,573 for the nine months and the quarter ended September 30, 2002, respectively. Depreciation and amortization expenses, which include depreciation of equipment and amortization of software development costs, decreased primarily due to the asset write down recorded in 2002 to adjust LGSI's and the Company's investment in computer hardware and customized application software to their net realizable values.

Travel and entertainment expenses for the nine months ended September 30, 2003 decreased to \$8,381 from \$221,394 for the nine months ended September 30, 2002. Travel and entertainment expenses for the quarter ended September 30, 2003 decreased to \$200 from \$65,080 for the quarter ended September 30, 2002. The decrease in travel and entertainment expenses are attributed to the cessation of operations of LGSI and the cost-cutting efforts of management.

Professional fees for the nine months ended September 30, 2003 decreased to \$171,671 from \$1,183,899 for the nine months ended September 30, 2002. Professional fees for the quarter ended September 30, 2003 decreased to \$17,009 from \$308,330 for the quarter ended September 30, 2002. The decrease in accounting fees and legal fees resulted from the cost-cutting efforts of management and from the cessation of operations of LGSI.

Dues and assessments for the nine months ended September 30, 2003 decreased to \$15,342 from \$113,177 for the nine months ended September 30, 2002. Dues and assessments for the quarter ended September 30, 2003 decreased to \$326 from \$24,243 for the quarter ended September 30, 2002. The decrease resulted from the cessation of the operations of LGSI.

Communications and information systems expenses for the nine months ended September 30, 2003 decreased to \$55,149 from \$477,574 for the nine months ended September 30, 2002. Communications and information systems expenses for the quarter ended September 30, 2003 decreased to \$3,375 from \$140,174 for the quarter ended September 30, 2002. Communications and information systems expenses, which include telephone, quotes and other information costs, decreased due to the reduction of services related to the cessation of operations of LGSI in November 2002.

Interest expense for the nine months ended September 30, 2003 decreased to \$2,089 from \$84,254 for the nine months ended September 30, 2002. There was no interest expense for the quarter ended September 30, 2003, while interest expense amounting to \$30,524 was incurred for the quarter ended September 30, 2002. The decrease in interest expense resulted from the settlement of the loans by the Company in 2002. The only remaining contractually interest-bearing obligations are the leases on computer equipment.

For the nine months ended September 30, 2003, the Company recognized a loss on the write down in March 2003 of notes and interest receivable from Westminster Securities Corp. Of the note receivable amounting to \$150,000 and interest receivable amounting to \$10,458, only \$99,989 was collected in the final

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

settlement received on April 29, 2003. Accordingly, \$60,469 of the total receivable was written off. Interest on the note for

27

the period January 1 to April 19, 2003 amounting to \$4,542 was no longer effected in the results of operations, considering the outcome of the settlement.

Loss on sale of subsidiaries of \$238,530 for the nine months ended September 30, 2002 represent a \$275,000 reversal of accrued equipment lease of Laidlaw International, \$35,264 additional expense incurred by the Company in March, 2002 pertinent to the final settlement of the cessation of operations of the Laidlaw International subsidiary as required by the French administrator and \$1,206 loss on the cessation of operations of Laidlaw Pacific (Asia), the subsidiary that was not operational since its acquisition.

The Company recognized a credit of \$289,879 for the nine months ended September 30, 2002 pertinent to the settlement in June, 2002 of the claims by and counterclaims against Plural, a software developer.

A charge of \$3,329 and \$73,708 was recognized in the nine months ended September 30, 2003 and September 30, 2002, respectively, pertinent to the exchange of the shares Globeshare Group, Inc. for shares of Laidlaw.

All other expenses for the nine months ended September 30, 2003 decreased to \$70,512 from \$198,194 for the nine months ended September 30, 2002. All other expenses for the quarter ended September 30, 2003 decreased to \$19,504 from \$79,056 for the quarter ended September 30, 2002. These expenses consist, among other things, of office supplies, insurance, and other miscellaneous expenses. The decrease in these expenses resulted from the reduced cost of operations resulting from the cessation of operations of LGSI in November 2002.

Liquidity and Capital Resources

The Company has incurred continuing net losses from fiscal year December 31, 2002 through the third quarter of fiscal 2003, and working capital and stockholders' capital deficiencies as of September 30, 2003 and December 31, 2002, respectively. As a result, the Company has continued to experience net cash outflows from operations. The Company is in the process of receiving and evaluating various investment proposals related to Laidlaw. If an understanding with a third party cannot be reached, the Company will have to consider all alternatives including the potential termination of operations.

If the cash flow problems continue and we are unable to obtain financing from the sale of our equity and/or debt securities, the ability of the Company to implement its strategic plan and continue the current levels of its operations will be impaired.

Laidlaw has developed a business plan to rebuild its operations and attempt to establish its return to profitability. The plan aims to maximize long-term shareholder value through the mutual development of its investment banking operations and of its property interests. The revenue model is balanced between the less predictable cash flow characteristics of the merchant banking operations with the more predictable pattern generated by Laidlaw Properties. The merchant banking operations will source their revenue from conventional retainers and fees, fund raising and the equity participation carried into their client companies. Smoothing this revenue stream out will be the associated fees earned from the Investment Management operations. Laidlaw Properties will benefit from the sale of developed sites and rental income earned from property

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

on its books. Management has defined clear strategic and financial objectives. However, one has to be fully aware that there is no guarantee of success.

Phoenix Securities Corp.

1. Attempt to undertake about four transactions a year with an ability to raise from \$5 million to \$25 million for each client company.
2. Have a carry forward equity participation in each of its transaction of less than 5% (ideally 4.9 %) of the equity of each client company.

Phoenix Securities Corp. ("Phoenix") created a new division called Phoenix Consulting Group ("PCG"). PCG has entered into an agreement to market the services of Gunn Allen Financial ("Gunn Allen"), a broker-dealer, as an Office of Supervisory jurisdiction of Gunn Allen. Four employees of Phoenix Consulting Group are in the process of being registered as Registered Representative of Gunn Allen to operate on behalf of the PCG, an Office of Supervisory Jurisdiction of Gunn Allen.

As a result Phoenix expects to start receiving revenues upon completion of the registration process that will consist in the contractual giving up of part of the commissions earned by the Registered Representatives for office services rendered to them by Phoenix. The use of the proceeds will cover office operating costs with the purpose of reaching a level of production that could allow a surplus to be earned by Phoenix upon the full development of the business of the PCG division.

The operation is essentially aimed at institutional investors. It is too early to predict the level of profitability if any of this venture at this time. All resulting agreements and registration authorization are in the process of completion and the unit should be up and running by December 1, 2003.

28

Laidlaw Properties. Inc.

1. Identify and attempt to complete the development of a resort project if due diligence confirms the viability of said project.
2. Evaluate for the purpose of acquisition for shares or through capital raising any viable project that would meet the recommendations of Laidlaw Properties' Chief Executive.
3. Study the potential of developing Laidlaw Properties United States commercial property portfolio
4. Study the potential of developing Laidlaw Properties United Kingdom commercial property portfolio in a Joint Venture with a major International Real Estate development Company.

Laidlaw Properties is currently reviewing certain acquisitions for projects that have already been built, on very favorable terms that can be sold immediately as timeshares, without the risks or delays associated with construction and development. The property division will also act as a fee based real estate manager and as an advisor to developers and institutional investors, as a real estate broker of commercial properties and Hotel Properties and as a General Partner in real estate syndication transactions of commercial properties such as office buildings industrial properties or shopping centers. The Company anticipates earning fees and commissions in future years to generate a positive cash flow in the real estate division while at the same time expanding the

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

Company's real estate portfolio of owned and managed properties.

PART II OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

Galacticomm Technologies, Inc. vs. Laidlaw Global Securities, Inc.

Laidlaw Global Securities, Inc. ("LGSI") is a defendant in a legal matter involving the underwriting and initial public offering of Galacticomm Technologies, Inc. ("Galacticomm") shares. The lead underwriters for the Galacticomm IPO were First Equity Corporation of Florida and Security Capital Trading, Inc. ("Lead Underwriters"). The Lead Underwriters entered into a sub-underwriting agreement with various sub-underwriters, including LGSI. Pursuant to said Agreement, LGSI agreed to purchase 200,000 shares of Galacticomm at \$5.40 per share (\$1,080,000) and 200,000 warrants of Galacticomm at \$0.09 per warrant (\$18,000). Additionally, the Company agreed to guarantee the purchase of an additional 20,000 shares and warrants if deemed necessary. On the eve of the IPO, the lead underwriters aborted the IPO based upon what they, in their sole discretion, believed was a declining market in the U.S. and abroad. Pursuant to the underwriting agreement between Galacticomm and the Lead Underwriters, the Lead Underwriters had the right, in their sole discretion, to abort the IPO in the event of adverse conditions. Galacticomm commenced suit against the entire underwriting group in a Florida state court seeking damages for breach of the underwriting agreement. The Sub-Underwriters jointly engaged Florida counsel to defend them in this proceeding and they are vigorously defending this matter under the theory that the Lead Underwriters were justified in aborting the IPO based upon a dramatic downturn in the world financial community which jeopardized all the underwriters' abilities to sell Galacticomm shares to its investors at the time of the IPO.

Before this matter could proceed to trial, all remaining defendants reached a settlement agreement with plaintiff. The settlement agreement provided for LGSI to pay the sum of \$72,500 over four quarterly installments. However, Laidlaw breached the terms of the settlement agreement resulting in a judgment against the Company in the amount of \$1,378,681 (with interest accruing at the rate of 9% per annum from January 21, 2003). Since this judgment is against LGSI only, the Company's counsel believes that plaintiff can enforce this judgment only against LGSI and not against any of the other Laidlaw entities, including the parent entity. Furthermore, it is the opinion of the Company counsel that in the event LGSI has sufficient capital to pay the original settlement amount, plaintiff will accept this sum in full satisfaction of the aforementioned judgment. Of course, there is no guarantee that this will occur. Management had initially indicated its intent to appeal the judgment in the state of Florida. However, given the non-impact of this matter on the parent company and the

29

cessation of operations of the subsidiary concerned by this issue, management has opted for no further action on this matter.

Greek Capital Market Commission vs. Laidlaw Global Corporation

The Company, as well as its subsidiary Laidlaw Global Securities, have been named in an administrative proceeding involving the Greek Capital Market Commission ("CMC"). In early 2000, representatives of the Company were introduced to a representative of Elektra S.A. ("Elektra"), an entity whose securities are publicly traded in Greece, in order to discuss a business strategy by which the Company would assist in the sale of a significant amount of Elektra's shares by certain of its stockholders. Following meetings with such

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

persons, Elektra announced in the spring of 2000 that its principal shareholders would sell up to 3,000,000 shares of its stock. On March 28, 2000, Elektra sold two million shares of its stock to institutional investors through a Greek brokerage firm, Contalexis Financial Services.

On February 28, 2001, the CMC, an administrative body which reviews securities issues in Greece, found that Laidlaw Global Securities violated certain notification requirements to the CMC and Elektra. According to the CMC's findings, the Company (i) failed to notify the CMC and Elektra of the March 28, 2000 acquisition of Elektra shares and (ii) failed to notify the Athens Stock Exchange of the Company's assignment of voting rights and participation of share capital in Elektra. The Company believes that, since neither it nor any of its subsidiaries ever owned shares of Elektra, and for the other reasons set forth below, both of these findings are without merit and factually inaccurate and will be overturned on appeal.

Additionally, the CMC found that a representative of the Company falsely stated to the public that the Company was interested in holding Elektra shares two days prior to selling such shares. Since the Company never held shares of Elektra, management believes that such statements were misquoted by the Greek press. The subsidiary Laidlaw Global Securities and the Company have been assessed fines and penalties aggregating 1,257,168 Euros (US\$1,357,741). These fines were levied after reviewing response letters filed by the Company's Greek counsel. Greek counsel to the Company will be filing Remedy Petitions before the CMC against the decisions assessing the fines, which is a form of an administrative proceeding. In the event the Remedy Petitions are rejected by the CMC, the Parent will file Writs of Annulment before the Conseil d'Etat, which is the Greek Court having jurisdiction over such matters. Since neither the Company, nor any of its subsidiaries, has (i) ever owned shares of Elektra, (ii) ever acted as a principal or agent for the purchase or sale of shares of Elektra, (iii) acted as a broker-dealer of securities of Elektra, or (iv) ever stated, publicly or otherwise, that it, or any of its subsidiaries, did hold, or intended to hold or own, shares of Elektra, it believes that the findings of the CMC will be overturned on appeal. The Company's counsel in Greece has advised that in its opinion, the fines imposed by the CMC are civil fines and can only be enforced against the assets of the Company in Greece. Further, they advise that any enforcement of fine in the United States would require commencing a new action in the United States.

Plural, Inc. vs. Laidlaw Global Corporation, et. al.

In November, 2001, Plural instituted action in the New York State Supreme Court for services rendered pursuant to a computer consulting agreement. Plural claimed approximately \$700,000 was due to it pursuant to the agreement. In June, 2002, Plural and Laidlaw entered into a settlement agreement wherein the payment by Laidlaw of \$40,000 to Plural by August 2, 2002 shall cause all claims or counterclaims which are or could be asserted, including but not limited to those set forth in the Complaint and the draft counterclaims, to be dismissed with prejudice, without costs, for which purpose either party may tender an appropriate form of judgment to the Court, on notice. Payment of the settlement amount has been made by Laidlaw.

Estate of Harold Slote v. Laidlaw Global Securities, Inc. ("LGS"), Drake Capital Securities, Inc. ("Drake"), Gruntal & Co., LLC ("Gruntal") et al.

The Claimant alleges that a registered representative while employed at LGS, Drake and Gruntal, made investments on behalf of Harold Slote which were unsuitable and in contravention of Mr. Slote's investment goals. Plaintiff seeks \$36,091 in compensatory damages against LGS and \$571,193 from all defendants for alleged lost opportunities, interest, attorney's fees,

costs and punitive damages. In response to the motion by LGS counsel, the case was dismissed in August, 2002.

Liptak v. Laidlaw Holdings Asset Management, Inc. Laidlaw Global Securities, Inc. et al

The Claimant alleges unauthorized trades, unsuitability, fraud, conversion, breach of fiduciary duty by a former registered representative and failure to properly supervise. A hearing was held on the matter by an NASD arbitration panel in July 2002 and post-hearing memoranda have been submitted. Claimant seeks damages in excess of \$750,000. LGSI was aware that the registered representative had been terminated by another broker/dealer for "selling away", i.e. conducting business on behalf of a customer outside of the firm and without the firm's knowledge.

LGSI hired the registered representative but imposed enhanced supervisory/compliance procedures. Notwithstanding the procedures and unbeknownst to LGS, the registered representative continued the practice of "selling away" and the issue is whether LGSI took necessary measures to prevent the registered representative from harming his customers while at LGSI. On the merits of the denial of liability position by LGSI, the decision in favor of Laidlaw was rendered in June, 2002.

Bergmann v. Laidlaw Global Corp. and Roger Bendelac

Robert Bergmann, Jr., a former customer of Laidlaw Global Securities, has filed a NASD Arbitration against Laidlaw Global Corp. and Roger Bendelac individually, seeking \$953,000 in damages based upon allegations that Roger Bendelac failed to sell Bergmann's shares of Laidlaw's common stock upon the expiration of the restrictive period. At the time the stock was issued, as a conversion from a Laidlaw Holdings, Inc. Convertible Subordinated Note, the common stock carried a one year restriction on the re-sale of the stock pursuant to Rule 144 of the Securities Exchange Act; i.e., the holder had to hold the security for a minimum of one year before selling it. According to the Statement of Claim, Bergmann obtained this stock in August 1999, as he inherited this account from his father Robert Bergmann, Sr., and instructed Bendelac to sell his shares in January 2000. However, Bendelac failed to sell Bergmann's shares and by the summer of 2000, the value of this security dropped substantially. It should also be noted that by this time, Roger Bendelac has been elevated to CEO and no longer handled the Bergmann account. Claimant is seeking the difference in the value of the stock at the time he instructed Bendelac to sell the shares, versus the current value of his holdings. The Statement of Claim further alleges that Bendelac misrepresented the law to Mr. Bergmann, specifically as it pertained to the restrictive legend, as a means of justifying the failure to sell his stock. By doing so, it is alleged that Bendelac was able to limit the amount of stock that hit the market, thereby artificially preserving the value of Laidlaw's stock and the value of Bendelac's holdings in this security.

Upon a review of the facts and the law, and based upon Claimant's admissions as to the applicable dates, it appears that as of January 2000, Bendelac was unable to carry out Bergmann's instructions based upon Rule 144. As the stock was acquired by Bergmann in August 1999, based upon the fact that the security was subject to a one year holding period, Bendelac could not have sold this stock for Bergmann until August 2000, at the earliest. As such, this Claim should be dismissed as a matter of law.

Counsel has interposed an answer to the Statement of Claim on behalf of Bendelac and the company and has petitioned the NASD for dismissal based upon the applicable statute; Rule 144. This application was supported by an affidavit

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

from Laidlaw's corporate counsel who joined in the position that the stock was restricted and was incapable of being sold legally. If the security could not be sold until August 2000, Claimant's damages were not proximately caused by any of the acts complained of in the Statement of Claim, but by market forces responsible for the stock's decline. Because of the issues surrounding the appointment of arbitrators in California, no NASD panel has yet been appointed. To date, Claimant's counsel has not responded to Respondents' motion to dismiss.

Counsel has had numerous conversations with Claimant's counsel about reaching a settlement. Laidlaw has offered a nuisance value settlement of \$4,000. Claimant's counsel has indicated that he is favorably disposed to accepting this sum given the pending motion, his review of the applicable law as set forth in Counsel's motion to dismiss, and based upon Laidlaw's dire financial circumstances. He further informed Laidlaw counsel that his client has yet to accept or reject the offer of settlement but in any event, Claimant's counsel has indicated that given the aforementioned circumstances, he will not proceed to represent Claimant in this

31

matter if Claimant is unwilling to settle this case for the sum set forth in our offer. Since these conversations between counsels more than six months ago, there have been no further conversations with Claimant's counsel, nor has Claimant taken any affirmative steps to continue the prosecution of this action. It is Laidlaw counsel's opinion that there exists no liability to the company. It should also be noted that the real party [Respondent] in this matter should be Laidlaw Global Securities, as opposed to Laidlaw Global Corp. Should the matter continue to be prosecuted, and a NASD Panel is appointed, the company will amend its motion to include dismissal based upon the wrong party in interest. Counsel is optimistic, however, that given Claimant's lack of prosecuting this matter in any aggressive fashion, and based upon conversations with Claimant's counsel, as set forth above, it is unlikely this matter will reach the hearing phase.

Thomas v. Laidlaw Global Securities, Inc., Coleman & Co. and Andrew Fine.

Shaji Mathew Thomas filed a Statement of Claim with the NASD against Laidlaw Global Securities, Inc. (LGS) Andrew Fine, its former registered representative, and Coleman & Co., alleging the Respondents are liable to him for an amount between \$100,000 and \$500,000. Claimant asserts an array of theories of liability including breach of contract and warranties, to claims of fraud and deceptive trade practices. In reality, the Statement of Claim centers around the issue of suitability and LGS's failure to properly supervise Fine while he was employed at LGS and handled Thomas' account at the company. In particular, Claimant Thomas alleges that his former broker Andrew Fine recommended unsuitable investments on Thomas' behalf and subjected his account to unnecessary risks that Claimant was unable to withstand. This speculative investment strategy was allegedly contrary to Claimant's investment objectives and inappropriately placed his "life savings" at risk and ultimately dissipated. The stock Claimant focused on was in a company known as Razorfish. It should be known that Razorfish is, itself, the target of intense regulatory scrutiny for committing securities fraud and thus, to the extent Fine was caused to make any misrepresentations, we have the added defense that Fine believed his representations to be true at the time he made them to Thomas based upon information Razorfish was disseminating to the public.

This office has interposed an Answer on behalf of LGS but not on behalf of its former broker Fine who is representing himself. Apparently, the acts complained of primarily occurred while Fine was employed at Coleman & Co. where Claimant had his account prior to it being transferred to Laidlaw. Razorfish, the

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

security complained of the most by Claimant, was purchased well before Claimant transferred his account to LGSI and only represented a small percentage of the value of Claimant's losses, if any. While LGSI had many valid defenses, in spite of this, LGSI elected to enter into a "nuisance value" settlement with Claimant in the amount of \$4,990 reached in May, 2003. To date, this sum is overdue and LGSI is in default on its payment obligation. To date, this sum is overdue and LGSI is in default on its payment obligation. Claimant's counsel has threatened to commence a new and separate action for breach of the settlement agreement naming former principals of LGSI. The proposed claim also seeks to include the original claim "settled" by the company. Should Claimant carry forth with the threat of subsequent litigation, in Laidlaw counsel's opinion no liability exists against these individuals. There is a near certainty Claimant would prevail against LGSI for the \$4,990 settlement fee plus additional costs and fees for Claimant having to commence an enforcement action. However, because LGSI is no longer a registered entity, there is little Claimant can do to enforce this settlement. Laidlaw, the parent company, has no exposure on this claim or for the settlement. However, because LGSI is no longer a registered entity, there is little Claimant can do to enforce this settlement. Laidlaw, the parent company, has no exposure on this claim or for the settlement.

David Bottoms, Jr. v. Laidlaw Global Corp, et al.

On or about December 21, 2001, David Bottoms entered into two contracts with Laidlaw Global Corp. The first agreement (Acquisition Agreement) provided Laidlaw would purchase certain rights and interests owned by Bottoms in consideration for the payment of \$300,000 and enter into a three year consulting agreement in which Laidlaw agreed to pay Bottoms the sum of \$100,000 per year. Laidlaw paid the \$300,000 acquisition fee and paid \$50,000 toward the three year consulting agreement. However, after the Company encountered cash flow difficulties, Laidlaw was unable to pay the balance of \$250,000. However, Bottoms was not required to provide any consulting services to the company as a result.

On or about December 19, 2002, Bottoms commenced a lawsuit in the Supreme Court of the State of New York, County of New York against Laidlaw Global Corp., Laidlaw Holdings, Inc., Laidlaw

32

Global Securities, Inc. and Laidlaw Global Properties, Inc. alleging breach of the aforementioned agreements and seeking \$250,000 in damages plus 7% interest. After some preliminary motion practice between the parties, Laidlaw's counsel interposed an answer and the matter proceeded to trial on an expedited basis on July 14, 2003. At the trial, the parties reached a settlement in which the Company agreed to pay the sum of \$20,000 to the Law Office of Bottoms' attorneys within forty-five days. The company further agreed to give Bottoms \$300,000 worth of non-voting Preferred Stock of Laidlaw Global Corp. with no coupon, (\$1.00 par value @ liquidation) with the option to covert those shares to 3,000,000 shares of Laidlaw Global Corp. common stock. He may convert to the common at any time prior to three years at \$0.10 per share and at the end of three years, he may convert at a price of \$0.10 or the then prevailing market price, whichever is lower. In consideration of the foregoing, Bottoms has discontinued his action against LGC with prejudice. To date, none of the terms of the settlement were performed and demands for performance have been made. Laidlaw intends to implement the terms of the settlement as soon as circumstances make it feasible. Certain actions have to be undertaken prior to implementation such as an increase in the authorized shares of Laidlaw Common Stock because the conversion feature of the Preferred Stock could result in the issuance of the Common Stock beyond what is authorized. Laidlaw has represented to Bottoms Counsel that it is in the process of implementing steps required to

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

complete the terms of the settlement agreement.

S.L. Greene vs. Laidlaw Holdings, Inc.

Laidlaw Holdings, Inc., the leaseholder to the Company's office spaces at 100 Park Avenue defaulted on its lease agreement with its landlord SL Greene. As a result, SL Greene has obtained a judgment against Laidlaw Holdings, Inc. in excess of \$500,000. The Company has voluntarily vacated the premises. There is no way of knowing at this time whether SL Greene intends to seek enforcement of its judgment in light of its awareness of the Company's current financial status.

Richard Tuten vs. Laidlaw Global Securities, Inc.

Claimant Richard Tuten commenced a NASD Arbitration against Laidlaw Global Securities, Inc. seeking \$821,226 in compensatory damages alleging that LGSI fraudulently induced Tuten to personally guarantee certain loans for his company under the guise that LGSI would raise \$3,000,000 in private funding only to purposely withhold its successful fund raising efforts in an effort to drive the company into bankruptcy so other LGSI clients could buy Tuten's company's assets for pennies on the dollar.

Counsel has interposed an answer on behalf of LGSI and has raised Statute of Limitations as an affirmative defense. The matter is now scheduled to be heard in Orlando, Florida the entire week of December 8, 2003. It is counsel's opinion that Claimant will not prevail on his underlying claims based upon the Statute of Limitations defense, as well as other pleadings and irregularities. Laidlaw Global Corp., the parent company, has no exposure in this matter.

Equilease vs. Globeshare, Inc., Laidlaw Global Corp. et al

Claimant alleged the respondents are liable to them for the amount of \$190,000 based on non fulfillment of a lease agreement by the Globeshare, Inc. subsidiary and non fulfillment of guarantee by Laidlaw Global Corp. On June 18, 2003, the Company announced that it has agreed to settle the debt. In accordance with the agreement, in September, 2003 the Company issued \$190,000 Principal of Preferred Stock with a 7% simple coupon payable quarterly and a 3-year maturity. The Preferred Stock have a convertible feature allowing for conversion into shares of the Common Stock of Laidlaw at a price of \$0.10 or \$0.20 if the conversion is forced by the warrant holder. As part of the same agreement, Laidlaw issued to the creditor 600,000 warrants of its Common Stock with a strike price of \$0.10. The settlement agreements were concluded by Counsel, the shares have been issued and a Stipulation of Discontinuance have been received and is being filed with the Court.

Information Leasing Corporation vs. Global Electronics Exchange (renamed Globeshare Group, Inc.) and Laidlaw Global Corporation (as guarantor of certain equipment leases)

Information Leasing Corporation has moved the Court of Common Pleas, Hamilton, Ohio for a summary judgment against Global Electronic Exchange and Laidlaw Global Corporation as guarantor of certain lease obligations contracted by the now defunct subsidiary Global Electronic Exchange (renamed Globeshare Group, Inc.) for an amount of \$ 81,337.23 plus accrued interest since the date of the alleged default in June 1, 2002. Laidlaw chose not to defend this action in the State of Ohio since any judgment would have to be transferred and defended in a New York jurisdiction. It is management's belief that it can offer defenses with respect to this liability as to the validity of the amount claimed as guaranteed by Laidlaw and it has chosen to await for a New York action prior to entering such defenses. Any potential judgment to be entered against the defunct subsidiary GLOBESHARE GROUP, Inc. is not deemed to affect Laidlaw. To date Laidlaw's management has not been made aware of any status as to the Motion for

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

Summary Judgment requested in the Ohio Court by plaintiffs.

NASD Regulatory Matter

NASD's regulatory arm had commenced a formal investigation against LGSI stemming from certain trading activities LGSI engaged in the stock of the Company during the period June 1999 through September 1999. The NASD alleges that a firm trader and others improperly traded restricted shares of the Company from the LGSI proprietary account. Further, NASD alleged, and trading records confirmed, LGSI may have engaged in improper solicited agency trades of the

33

Company's restricted stock during this period. If the allegations were proven true, the aforementioned trades would have been in violation of securities rules and regulations.

After submitting a Wells submission (a legal brief outlining the reasons why charges should not be brought against Laidlaw Global Securities, Inc.) LGSI has signed a settlement agreement with the NASD wherein LGSI agreed to a censure and a fine in the amount of \$50,000 to be paid on a scheduled basis. There were no admission of wrongdoing by LGSI and once the fine is paid, the matter will be deemed concluded.

Since LGSI no longer exists as a corporate entity, the Company, being the ultimate parent, took upon itself to satisfy this obligation to the NASD. On April 30, 2002, the Company proposed the following payment schedule that would be feasible considering the financial difficulties of the Company: \$12,500 paid with the proposal as initial payment and the balance payable in installments of \$6,250 each from July 1, 2003 to October 1, 2004. Interest was proposed at the appropriate minimal interest authorized by the Internal Revenue Service (IRS). The NASD communicated their agreement with the Company upon their receipt of the proposal. So far the Company has met the initial \$12,500 payment due under the terms of the agreement on behalf of its former subsidiary and intends to pay the balance when and if its cash position allows it to do so in the future, provided its Board continues to approve the voluntary repayment on behalf of its former subsidiary.

American Stock Exchange Listing Matter

On April 10, 2003 the staff of American Stock Exchange (AMEX) confirmed with the management of the Company the intention of AMEX to proceed with the filing of an application with the Securities and Exchange Commission (the "SEC") to strike the Company's common stock from listing and registration on the Exchange. AMEX had earlier advised Laidlaw Global Corporation in April 2002 that Laidlaw was in breach of two continuing listing requirements of the Exchange, namely, its equity was below the required minimum and that it had reported losses two of the previous three years. Laidlaw submitted a business plan to AMEX outlining its strategy to cure the defaults over the next three to four quarters and requested AMEX to maintain the listing as long as Laidlaw continued to meet the goals set out in the business plan. Given the continuing difficult markets, Laidlaw has ascertained that it will be unable to meet the deadline set forth in the business plan to comply with the AMEX listing standards. Moreover, the AMEX has notified Laidlaw in its most recent communication that the Company presently is in breach of additional listing requirements, including its failure to hold a shareholders' meeting in a timely manner. The Company does not agree with all of the issues in the AMEX notification and has the right to appeal the AMEX notification. Laidlaw's Board of Directors reviewed the merits of appealing the notification but has decided that it will not be in compliance with AMEX's listing requirements, given the Company's financial performance in the latest

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

fiscal year. Consequently, Laidlaw filed an application on April 21, 2003 with the SEC to withdraw its common stock from trading and registration on the AMEX. On May 21, 2003, the SEC notified the Company that, upon consideration of the facts stated in Laidlaw's application for voluntary delisting, the SEC approved the Company's said application effective the opening of business on May 22, 2003. The Company is making all efforts to facilitate the trading of its shares on the OTC Bulletin Board and will cooperate with any qualified party interested in sponsoring such application. Meanwhile, the Company's stock is eligible for trading in the Pink Sheets and it is the Company's understanding that there are existing market makers for the Company's shares in the Pink Sheets. Laidlaw is current with all its SEC filings and intends to remain a fully reporting Company.

Securities and Exchange Commission Regulatory Matter

On March 5, 2002, Grant Thornton LLP ("Grant") notified the Laidlaw Board of Directors that pursuant to Section 10A of the Exchange Act of 1934 (the "Grant Report"), in their belief, an illegal act or acts may have occurred at Laidlaw during 2001 with respect to the repricing of stock options. Grant alleged in part that neither management nor the Board of Directors had taken sufficient steps to determine whether an illegal act had occurred within the meaning of Section 10A of the Exchange Act of 1934 and, accordingly, Grant notified the Securities and Exchange Commission (SEC). At the current time, the Securities and Exchange Commission (SEC) has commenced a formal investigation into this matter.

To date the Company and its employees are fully cooperating with the Commission's investigation and no formal proceedings against the Company have been commenced by the Commission. At this time, there is no way for Counsel to make any determination as to the

34

potential liability of the Company in this matter, if any, should formal proceedings be commenced.

Other

Unbeknownst to Laidlaw Global Corporation, it has been discovered that Laidlaw was named in an action in the U.S. Western District Court of New York against Howe & Rusling, Inc. ("H&R"), a subsidiary of H & R Acquisition Corp. ("HRAC"), which was a former subsidiary of Laidlaw, along with H&R's new owners, Third Security LLC ("Third Security"), and several employees of H&R in an age and sex discrimination employment lawsuit from a former female employee of H&R, in connection with the employee's termination in 2001. H&R had undertaken the defense of the matter on behalf of Laidlaw without informing Laidlaw of the proceedings based on an indemnification agreement in the sale contract of H&R to Third Security. Because Laidlaw was not an employer of said plaintiff and it is further contractually indemnified by Third Security, management believes it cannot have any liability in this matter.

We are subject to various legal proceedings. In management's opinion, some of these proceedings in which Laidlaw Global Corporation is involved as a defendant could adversely affect the viability of the Company to continue its existence if not satisfactorily settled or if an adverse decision beyond the ability of the Company to receive financing was to be rendered.

ITEM 6. EXHIBITS AND REPORTS ON FORM 8-K

- (a) Exhibits

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

EXHIBIT NO.	DESCRIPTION
2.1	Amended and Restated Plan and Agreement of Reorganization by and among Laidlaw Holdings, Inc., Fi-Tek V, Inc., Westminster Securities Corporation and shareholders of the companies, dated May 27, 1999(1)

(6) Such document is incorporated by reference to Laidlaw's Report on Form 10-QSB filed on May 30, 2002.

(7) Such document is incorporated by reference to Laidlaw's Annual Report

(b) Reports on Form 8-K

On November 7, 2001, Laidlaw filed a Current Report on Form 8-K announcing the transfer of the brokerage operations of Globeshare, Inc. to Laidlaw Global Securities, Inc. The Report also stated that shareholders of Globeshare Group, Inc. would have the opportunity to exchange their shares for shares of Laidlaw Global Corporation common stock. The Report also announced that Pacific USA Holdings Corp. had made a \$1,450,000 secured loan to Laidlaw Global Corporation.

On January 29, 2002, Registrant filed a Current Report primarily relating to the sale of its entire stock interest in H & R Acquisition Corp.

On March 11, 2002, Registrant filed a Current Report stating that its independent accountant had resigned and that Richard A. Eisner & Company, LLP had been engaged as its new independent accountants. Pursuant to Section 10A of the Exchange Act of 1934, the prior accountants filed a report with the Securities and Exchange Commission ("SEC") stating that an illegal act or acts may have occurred at the Registrant during 2001. The acts referred to the cancellation and pricing of stock options. The report stated in part "that neither management nor the Board of Directors had taken sufficient steps to determine whether or not an illegal act has occurred. The report continued that "without the ability to determine the accurate facts and circumstances", the accountants "would be unable to issue an audit report." The Registrant engaged an independent director and counsel to look into the matter and both persons concluded that "no unlawful or deceptive practices, or fraudulent conduct" was engaged in by the Registrant. The Registrant filed

36

its response with the SEC vigorously rejecting the contentions in the report.

On March 29, 2002, Registrant filed an amendment to the Current Report filed on March 11th. The amendment included as an exhibit, a letter from its prior accountant stating whether it agreed or disagreed with the statements made by the Registrant in the original report.

On November 8, 2002, Laidlaw filed a Current Report on Form 8-K announcing its decision to dismiss Eisner LLP as its independent accountant for fiscal year ended December 31, 2002 and engage Weinick Sanders Leventhal & Co., LLP. Laidlaw's decision is in line with management's overall efforts to reduce operating expenses. As required by Item 304 (a) (3) of Regulation S-B, Laidlaw furnished Eisner with the disclosure contained in this Item 4 and Eisner furnished Laidlaw with a letter addressed to the Securities and Exchange Commission stating that it has no basis to agree or disagree with the statements made in paragraph 1 of Item 4 regarding Laidlaw engaging Weinick Sanders Leventhal & Co., LLP or Laidlaw's reason to replace them. A copy of the letter was filed as an exhibit to a Form 8-K/A. The Report also announced the resignations of the following directors: Messrs Jean-Marc Beaujolin and Carlos P. Campbell as of September 20 and 24, 2002, respectively, and Messrs. Jack Takacs and Michael K. McCraw as of November 5, 2002. No new directors had been appointed or elected to the Board.

Edgar Filing: LAIDLAW GLOBAL CORP - Form 10QSB

On November 27, 2002, Laidlaw filed a Current Report on Form 8-K announcing the filing with the Securities and Exchange Commission a Request Withdrawal from Broker-Dealer Registration by Laidlaw Global Securities, Inc. ("LGSI"), Laidlaw Holdings Inc.'s wholly-owned, registered broker-dealer subsidiary. LGSI sold its list of clients to Kuhns Brothers Securities Corporation for a cash consideration of \$75,000 and also filed a Notice of Withdrawal as an Investment Adviser, The Report also announced that Stanley Ira Birnbaum, attorney at law, was elected to the Board of Directors of Laidlaw.

37
