Item 1. Security and Issuer.

Common Stock of Natus Medical Incorporated, 1501 Industrial Road, San Carlos, CA 94070

Item 2. Identity and Background.

The D3 Family Fund, L.P. is a Washington State limited partnership, whose principal business is investing in the equities of public micro-cap issuers. Located at 19605 N.E. 8th St., Camas, Washington 98607. No convictions or administrative proceedings as described in 2 (d) and (e).

Edgar Filing: NIERENBERG DAVID - Form SC 13D/A

Item 3. Source and Amount of Funds or Other Consideration.

Source of funds is money invested in the partnership by its partners.

Item 4. Purpose of Transaction.

We continue to be pleased with BABY's progress, so much so that we anticipate purchasing more shares right up to the poison pill limit of 15%, subject, of course, to price and availability.

BABY has strengthened corporate governance with the addition of three new outside directors and the election of a new independent board Chair, Bob Gunst. We have worked closely with Bob before, when he served as board chair at Garden Fresh Restaurant (LTUS), where he did an excellent job of building, and of harvesting, shareholder value.

Also, we are pleased with the actions Jim Hawkins already has taken during his first several months as BABY's new CEO. Not only is he cost-reducing the company to immediate profitability and flattening its previously top heavy management structure, more importantly, he is taking the steps needed to reinvigorate growth in BABY's core hearing screening business. The just-announced acquisition of the Fischer-Zoth company is far more significant than its current size: it should enable BABY to accelerate penetration of foreign country markets which prefer the OAE modality; it could build audiologist support for BABY; it brings strong technology capability to BABY's R&D department; and it opens up the adjacent market segment of office-based pediatrician screening of children. At his prior company Jim Hawkins did a terrific job of building synergistic, profitable growth through acquisitions. With Fischer-Zoth he is doing the same thing here at BABY.

Item 5. Interest in Securities of the Issuer.
