HMS Holdings Corp. (the "Company") will not file its Quarterly Report on Form 10-Q for the period ended March 31, 2017 (the "Form 10-Q") within the prescribed time period. As previously disclosed, the Company was unable to timely file its Annual Report on Form 10-K for the fiscal year ended December 31, 2016 (the "Form 10-K"). The Form 10-K continues to be delayed because additional time continues to be needed to complete the Company's previously disclosed review of its CMS reserves and related internal controls over financial reporting. Once complete, any necessary adjustment to the Company's financial statements will be made.

Until the above items are complete and the Company files the Form 10-K, it will be unable to file the Form 10-Q. In consideration of the additional time required to determine whether any adjustments or additional disclosure is required in the Form 10-K, such Form 10-Q cannot be timely filed without unreasonable effort and expense. The Company intends to file the Form 10-Q as soon as reasonably practicable after filing the Form 10-K.
