Item 1.01. Entry into a Material Definitive Agreement.

In May 2018, Align Technology, Inc., a Delaware corporation (“Align”), announced a \$600 million stock repurchase program (the “Stock Repurchase Program”). In August 2018, Align repurchased \$50 million of its common stock on the open market. On November 7, 2018, Align entered into an accelerated share repurchase agreement (the “ASR Contract”) with Morgan Stanley & Co. LLC (“Morgan Stanley”), to repurchase an aggregate of approximately \$50 million of Align’s common stock. Under the ASR Contract, Align will make an initial payment of approximately \$50 million in the aggregate to Morgan Stanley and will receive an initial delivery of approximately 142,677 shares of common stock. The exact number of shares Align will repurchase under the ASR Contract will be based generally upon the average daily volume weighted average price of Align’s common stock during the repurchase period, less a discount and subject to adjustments pursuant to the terms and conditions of the ASR Contract. At settlement, under certain circumstances, Morgan Stanley may be required to deliver additional shares of common stock to Align, or under certain circumstances, Align may be required either to deliver shares of common stock or to make a cash payment to Morgan Stanley. Final settlement of the transactions under the ASR Contract is expected to occur no later than approximately three months from November 7, 2018. The terms of the accelerated share repurchases under the ASR Contract are subject to adjustment if the Company were to enter into or announce certain types of transactions or to take certain corporate actions.

The ASR Contract contains the principal terms and provisions governing the accelerated share repurchases, including, but not limited to, the mechanism used to determine the number of shares that will be delivered, the required timing of delivery of the shares, the circumstances under which Morgan Stanley is permitted to make adjustments to valuation and calculation periods and various acknowledgements, representations and warranties made by Align, on the one hand, and Morgan Stanley, on the other hand, to one another. The foregoing description of the ASR Contract is a summary and is qualified in its entirety by the terms of the ASR Contract, a copy of which will be filed with the Company’s annual report on Form 10-K for the year ended December 31, 2018.

A copy of the press release announcing Align’s entry into the ASR Contract is furnished herewith as Exhibit 99.1.
