Explanatory Note

Espey Mfg. & Electronics Corp., a New York corporation (the “Company”) is filing this Post-Effective Amendment No. 1 to Registration Statement on Form S-8 to deregister certain securities previously registered by the Company pursuant to its Registration Statement on Form S-8 filed with the Securities and Exchange Commission on January 15, 2008 (Registration No. 333-148678) (the “2007 Plan Registration Statement”). The 2007 Plan Registration Statement registered 400,000 shares of the Company’s common stock (the “Common Stock”) for issuance, offer or sale pursuant to the Company’s 2007 Stock Option and Restricted Stock Plan (the “2007 Plan”).

The 2007 Plan expired on August 16, 2017. No further grants of options will be made under the 2007 Plan. Of the 400,000 shares registered under the 2007 Plan Registration Statement, 156,550 shares (the “Unutilized Shares”) are not subject to outstanding grants of stock options awards and remain available for issuance.

The Unutilized Shares are hereby deregistered. The 2007 Plan Registration Statement otherwise continues in effect as to the balance of the shares of Common Stock remaining available for issuance, offer or sale pursuant thereto upon and following the exercise of options previously granted or stock awards previously made under the 2007 Plan.
