The price reported in Column 4 is a weighted average sales price. These shares were sold in multiple transactions at sale prices ranging from \$36.4200 to \$36.4310. The reporting person undertakes to provide to the Issuer, any security holder of the Issuer, or the staff of the SEC, upon request, full information regarding the number of shares sold at each separate price within the ranges set forth herein.

The reporting person previously reported holding these shares directly, which prior reports inadvertently excluded 8,700 shares. The reporting person was able to determine that the previously excluded shares were acquired more than ten years ago. As such, details of the acquisition date and price were not able to be determined after due inquiry.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
