Participant contributions designated to be invested in issuer common stock are accounted for as units of interest in the issuer fund. Each unit was valued at \$37.50 as of 03/13/2012. The unit value will fluctuate with fluctuations in the value of the issuer common stock and the daily cash position. The number of shares of issuer stock attributable to the reporting person can be determined at any time by first multiplying the number of units in the reporting person's account by the then current unit price and dividing the total by the price of the issuer common stock.
