Not Applicable.

Item 5. Interest of Named Experts and Counsel.

Item 6. Indemnification of Directors and Officers.

Our Articles of Incorporation and bylaws contain provisions permitted by the Nevada General Corporations Law that limit the liability of directors and executive officers in certain instances, and permit the company to indemnify such directors and officers against liabilities arising out of their service in such capacities. Such limitation does not affect liability for any breach of a director's duty to us or to our stockholders that involves intentional misconduct, fraud or a knowing violation of law. We are permitted to enter into a formal indemnification agreement with each director and executive officer, but to date have not done so.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended (the "1933 Act") may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses incurred or paid by a director, officer or controlling person of us in the successful

defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by us is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Item 9. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (a) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933.
- (b) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and
- (c) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

-4-

Provided, however, that paragraphs (1)(a) and (1)(b) do not apply if the registration statement is on Form S-3 or Form S-8 and the information required to be included in a post-effective amendment by this paragraphs is contained in periodic reports filed by us pursuant to Section 13 or Section 15(d) of the 1934 Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the 1933 Act, each filing of our annual report pursuant to Section 13(a) or Section 15(d) of the 1934 Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the 1934 Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(5) To deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the 1934 Act; and, where interim financial information required to be presented by Item 310(b) of Regulation S-B is not set forth in the prospectus, to deliver, or cause to be delivered, to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

If our last fiscal year has ended within 120 days prior to the use of the prospectus, our annual report for the preceding fiscal year may be delivered, but within such 120-day period the annual report for the last fiscal year will be furnished to each employee.

(7) To transmit or cause to be transmitted to all employees participating in the plans who do not otherwise receive such material as our stockholders, at the time and in the manner such material is sent to its stockholders, copies of all reports, proxy statements and other communications distributed to its stockholders generally.
