PROXY STATEMENT

FOR

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD THURSDAY, MAY 13, 2004

INFORMATION ABOUT THE ANNUAL MEETING

Our 2004 Annual Meeting of Stockholders will be held at the Mobile Convention Center, One South Water Street, Mobile, Alabama 36602 on Thursday, May 13, 2004 at 9:00 a.m. central time.

Solicitation of Proxies

Our Board of Directors has sent you this proxy statement to solicit your vote at the annual meeting (including any adjournment or postponement of the annual meeting). In this proxy statement we summarize information that we are required to provide you under the rules of the Securities and Exchange Commission (the SEC). This proxy statement is designed to assist you in voting your shares. On or about April 12, 2004, we began mailing this proxy statement and the 2003 Annual Report to all stockholders of record at the close of business on March 31, 2004.

We will bear the cost of the solicitation of proxies. We will request brokers or nominees to forward this Proxy Statement to their customers and principals and will reimburse them for expenses so incurred. If deemed necessary, we may also use our officers and regular employees, without additional compensation, to solicit proxies personally or by telephone.

Stockholders Entitled to Vote

The Board of Directors has set March 31, 2004 as the record date for the annual meeting. Only stockholders of record at the close of business on the record date will be entitled to notice of and to vote at the annual meeting. At the close of business on March 31, 2004, there were 10,489,849 shares of the common stock of the Company, par value \$.001 per share, outstanding. Each stockholder is entitled to one vote in person or by proxy for each share of common stock held on all matters properly to come before the annual meeting.

Proposals to be Considered at the Annual Meeting

At the annual meeting, we will ask you to:

- Proposal 1: Elect three Class II directors to serve on the Board of Directors of the Company for a three-year term expiring at the 2007 annual meeting; and
- Proposal 2: Ratify the appointment of Ernst & Young LLP as independent auditors for the year ending December 31, 2004.

Information About a Quorum

At the annual meeting, the presence of a majority of the shares of common stock entitled to vote, represented in person or by proxy, shall constitute a quorum for the transaction of business. If a quorum is not present or if we decide that more time is necessary for the solicitation of proxies, we may adjourn the annual meeting. We may do this with or without a stockholder vote. If there is a stockholder vote to adjourn, the named proxies will vote all shares of common stock for which they have voting authority in favor of adjournment.

Table of Contents

Votes Necessary for Each Proposal to be Approved

Assuming the presence of a quorum, the three Class II director nominees receiving the most votes, whether cast in person or by proxy, will be elected (Proposal 1). Ratification of auditors (Proposal 2), requires for adoption the affirmative vote of the holders of a majority of shares of common stock present in person or represented by proxy and entitled to vote at the annual meeting.

A stockholder may abstain or withhold his or her vote (collectively, abstentions) with respect to each item submitted for stockholder approval. Abstentions will be counted as present for purposes of determining the existence of a quorum but will be counted as not voting in favor of any proposal brought before the annual meeting. Since the election of directors (Proposal 1) is determined by the votes cast at the annual meeting, abstentions will not affect the outcome of this matter. An abstention as to the ratification of the appointment of independent auditors (Proposal 2) will have the same effect as voting against the proposal.

Generally, a broker is entitled to vote shares held in street name on routine matters without instructions from the beneficial owner of such shares. On the other hand, a broker may not be entitled to vote shares held in street name on certain non-routine items absent instructions from the beneficial owner of such shares (a broker non-vote). Broker non-votes, if any, are counted for general quorum purposes, but are not deemed to be present with respect to any matter for which a broker does not have authority to vote.

Submission of Proxies

Please complete, sign, date and return the proxy card in the enclosed envelope so the common stock you own will be voted in accordance with your wishes. If you desire to revoke your proxy, you may do so either by attending the annual meeting in person or by delivering written notice of revocation so that it is received by the Company or its transfer agent, Wachovia Bank, N.A., on or before May 12, 2004. The address for Wachovia Bank, N.A. is Shareholder Services Group, 1525 West W. T. Harris Boulevard 3C3, Charlotte, North Carolina 28262-1153, Attention: Rhonda Whitley.

PROPOSAL 1

ELECTION OF CLASS II DIRECTORS

Board Structure

Our Certificate of Incorporation provides that the number of directors of the Company shall be fixed by resolution of the Board of Directors and divided into three classes. Upon the expiration of their initial terms, directors in each class will be elected for three-year terms. The initial term of the Class II directors expires at the annual meeting. The current Class III directors will serve until the 2005 annual meeting and until their successors are elected and qualified. The current Class I directors will serve until the 2006 annual meeting and until their successors are elected and qualified.

We currently have eight directors, but the Board of Directors recently approved an increase in the number of directors from eight to eleven in order to comply with the new director independence standards recently issued by The Nasdaq Stock Market, Inc. (Nasdaq). These three new positions will be allocated equally among the three classes of directors, with one new director being added to each class. The new Class II director will be elected along with the other two Class II nominees at the annual meeting of stockholders. Because the Class I and Class III directors are not being elected at the annual meeting, the Board of Directors has appointed two persons to fill the new positions in these classes. These appointments will take effect and these persons will begin serving as directors at the conclusion of the annual meeting. The new Class I and Class III directors will serve until the 2006 and 2005 annual meetings, respectively, and until their successors are elected and qualified.

Voting of Proxies

The persons named as proxies in the enclosed proxy card, unless a contrary direction is indicated on the enclosed proxy card, intend to vote the shares for which they serve as proxy in favor of the nominees named herein. If any of the nominees should be unable to serve, which the Board of Directors does not anticipate will occur, the proxies will be voted for a substitute selected by the Board of Directors, or the Board of Directors may decide not to select an additional person as a director.

Unless otherwise specified in the enclosed proxy card, it is intended that votes will be cast for the election of all of the nominees as Class II directors. Proxies cannot be voted for a greater number of persons than the number of actual nominees so named. Vacancies that occur on the Board of Directors may be filled by remaining directors until the next election of directors for the class in which the vacancy occurred.

Information About the Nominees

The Board of Directors has nominated M. Kenny Muscat, J. Boyd Douglas and Charles P. Huffman for election as Class II directors to serve a three-year term until the 2007 annual meeting of stockholders and until their successors are elected and qualified. Below is a description of each of the nominees. Two of these nominees, Mr. Muscat and Mr. Douglas, currently serve as directors of the Company. Mr. Huffman has not previously served as a director of the Company. Mr. Huffman was recommended to the Board of Directors for nomination as a director by a

Edgar Filing: COMPUTER PROGRAMS & SYSTEMS INC - Form DEF 14A

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE IN FAVOR OF THE CLASS II DIRECTOR NOMINEES.

In addition to Mr. Muscat and Mr. Douglas described above, the following is a description of each of our other current directors (including John C. Johnson and Hal L. Daugherty who have been appointed as directors effective at the conclusion of the annual meeting):

Mr. Wilkins now serves as President of the Cassiopeia Foundation, a non-profit organization founded by Mr. Wilkins for the advancement of science education and research.

William R. Seifert, II, 55, was elected as a director in February 2002. Since 1994, Mr. Seifert has served as Executive Vice President of AmSouth Bank with responsibility for 48 branch offices in south Alabama and south Louisiana.

W. Austin Mulherin, III, 38, was elected as a director in February 2002. Since 1991, Mr. Mulherin has practiced law, handling a variety of litigation and business matters for public and private companies. He has been a partner in the law firm of Frazer, Greene, Upchurch & Baker, LLC since 1998.

After chairing the transition team for the sale of Coopersmith, Inc. to Earthgrains Company from January 1998 to May 1999, Mr. Johnson retired from the bakery industry and worked for a brief time as the Business Manager of Saint Ignatius Church. Mr. Johnson is currently a director of Regions Bank of Mobile, an operating division of Regions Bank, which is a subsidiary of Regions Financial Corporation. Mr. Johnson will become a director of the Company at the conclusion of the annual meeting.

Class III Directors

Ernest F. Ladd, III, 63, was elected as a director in February 2002. From 1979 until his retirement in 1997, Mr. Ladd was employed by Dravo Corporation, a national producer and marketer of chemical products, serving most recently as its Executive Vice President and Chief Financial Officer since 1988. Mr. Ladd is currently a director of Regions Bank of Mobile, an operating division of Regions Bank, which is a subsidiary of Regions Financial Corporation. Mr. Ladd is chairman of the Audit Committee of the Board of Directors.

Representative. From that time until June 1999, he worked for us in various capacities, including as Manager of Financial Software Support, Director of Information Technology and most recently as our Vice President supervising the areas of sales, marketing and information technology.

Hal L. Daugherty, 56, has served since 1999 as the Chief Executive Officer of The Heart Group, P.C., a cardiology practice located in Mobile, Alabama. The Heart Group, P.C. is comprised of 15 cardiologists who deliver diagnostic and therapeutic patient services in five main offices and five satellite locations in Alabama and Mississippi. Mr. Daugherty will become a director of the Company at the conclusion of the annual meeting.

CORPORATE GOVERNANCE AND BOARD MATTERS

Governance Guidelines

We are committed to having sound corporate governance principles. Having such principles is essential to running our business efficiently and to maintaining our integrity in the marketplace. The Board of Directors has adopted corporate governance guidelines that set forth the fundamental corporate governance principles of the Company in order to demonstrate the Board's accountability and its desire to achieve superior business results. We have adopted a Code of Business Conduct and Ethics that is applicable to all of our directors, officers (including our Chief Executive Officer and senior financial officers) and employees. We have also adopted a separate code of ethics with additional guidelines and responsibilities applicable to our Chief Executive Officer and senior financial officers, known as the Code of Ethics for CEO and Senior Financial Officers. Copies of the Code of Business Conduct and Ethics and the Code of Ethics for CEO and Senior Financial Officers are exhibits to our Annual Report on Form 10-K for the year ended December 31, 2003, as filed with the SEC.

Board Independence

At the conclusion of the annual meeting, the Board of Directors will have eleven members. The Board has determined that the following six directors have no relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) that would interfere with the exercise of their independent judgment in carrying out their responsibilities, and such persons are independent within the meaning of the Company's independence standards, which reflect the new Nasdaq director independence standards: Hal L. Daugherty, Charles P. Huffman, John C. Johnson, Ernest F. Ladd, III, W. Austin Mulherin, III and William R. Seifert, II. Therefore, a majority of the members of the Board of Directors will be independent under the Nasdaq director independence standards at the conclusion of the annual meeting.

Board Structure and Committee Composition

Our Board of Directors is divided into three classes, with one class of directors being elected at each annual meeting of stockholders. Each director serves for a term of three years or until his successor is elected and qualified. The Board of Directors oversees the business and affairs of the Company and monitors the performance of its management. Although the Board of Directors is not involved in the Company's day-to-day operations, the directors keep themselves informed about the Company through meetings of the Board, reports from management and discussions with key executives. Directors also communicate with the Company's outside advisors, as necessary. The Board of Directors met four times in 2003.

During 2003, the Company had two standing committees of the Board of Directors: the Executive Committee and the Audit Committee. In March 2004, in response to new rules of Nasdaq and the SEC, the Board of Directors evaluated its existing committee structure and decided to create two additional committees, the Compensation Committee and the Nominating and Corporate Governance Committee. The creation of these two committees, however, will not be effective until the conclusion of the annual meeting when our three new

Table of Contents

directors begin serving. The Board of Directors may from time to time form other committees as circumstances warrant. Such committees will have the authority and responsibility as delegated by the Board.

Only members of the Board of Directors can be members of a committee, and each committee is required to report its actions to the full Board of Directors. The Audit Committee operates under a written charter adopted by the Board, and the Compensation Committee and the Nominating and Corporate Governance Committee will also operate under written charters adopted by the Board. The committee charters of the Compensation Committee and the Nominating and Corporate Governance Committee are attached as Appendices A and B to this proxy statement. The Nominating and Corporate Governance Committee Charter also will be available on the Company's website at www.cpsinet.com after the annual meeting. The Audit Committee Charter was included as an appendix to our Proxy Statement for the 2003 annual meeting.

None of the incumbent directors attended less than 75% of the aggregate of (a) the total number of meetings of the Board of Directors and (b) the total number of meetings held by all committees of the Board of Directors on which he served. Absent extenuating circumstances, directors are expected to attend annual meetings of the Company's stockholders. All of our directors attended the 2003 annual meeting of stockholders.

The following describes the functions of each committee of the Board of Directors, the current membership of the Audit and Executive Committees and the proposed membership of the Audit, Compensation and Nominating and Corporate Governance Committees at the conclusion of the annual meeting. The number of meetings that each Committee held in 2003 is also listed.

Executive Committee

The members of the Executive Committee are John Morrissey, Chairman, Dennis P. Wilkins and M. Kenny Muscat. The Executive Committee met once in 2003.

Between meetings of the Board of Directors and while the Board of Directors is not in session, the Executive Committee has all the powers and can exercise all the duties of the entire Board of Directors relating to the management of the business and affairs of the Company. The Executive Committee, however, is prohibited from taking certain actions, including, but not limited to, approving dividends and filling vacancies on the Board.

Audit Committee

The current members of the Audit Committee are Ernest F. Ladd, III, Chairman, William R. Seifert, II and W. Austin Mulherin, III, all of whom are independent directors as defined under existing Nasdaq rules. One of these directors, W. Austin Mulherin, III, however, will not be deemed to be an independent director under the new Nasdaq independence rules that take effect, with respect to the Company, at the time of the annual meeting. Consequently, at the conclusion of the annual meeting, Mr. Mulherin will resign from the Audit Committee and will be replaced by Charles P. Huffman. The Audit Committee met six times during 2003.

Edgar Filing: COMPUTER PROGRAMS & SYSTEMS INC - Form DEF 14A

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities with respect to: the financial reports and other financial information provided by the Company to its stockholders and others; the Company's financial policies and procedures; the Company's system of internal controls; and the Company's auditing, accounting and financial reporting processes. The Audit Committee is directly responsible for appointing and overseeing the independent auditor of the Company.

The Board of Directors has carefully evaluated the backgrounds of the members of the Audit Committee and has determined that such members qualify as independent under applicable Nasdaq listing standards and SEC rules for Audit Committee membership. Furthermore, in accordance with SEC rules, the Board has determined that each of Ernest F. Ladd, III and Charles P. Huffman is an audit committee financial expert as defined by the applicable SEC rules. The Report of the Audit Committee appears in this proxy statement at page 16.

Table of Contents

Compensation Committee

In March 2004, the Board of Directors authorized the creation of a Compensation Committee, effective as of the conclusion of the annual meeting. The members of the Compensation Committee will be William R. Seifert, II, Chairman, W. Austin Mulherin, III and John C. Johnson. The Board of Directors has determined that each of these members is independent under the Nasdaq director independence standards.

The Compensation Committee is authorized to approve and recommend to the Board of Directors the compensation to be paid to officers, directors and committee members of the Company. Executive compensation may include, but is not limited to, salary, bonus, stock options, other annual compensation and any combination thereof as the Compensation Committee deems appropriate in light of the performance of the Company. The Compensation Committee will be composed of three directors each of whom has been determined by the Board of Directors to qualify as independent under the Nasdaq director independence standards. The Compensation Committee will be governed by the Compensation Committee Charter, a copy of which is attached to this proxy statement as Appendix A.

Nominating and Corporate Governance Committee

In March 2004, the Board of Directors authorized the creation of a Nominating and Corporate Governance Committee, effective as of the conclusion of the annual meeting. The members of the Nominating and Corporate Governance Committee will be W. Austin Mulherin, III, Chairman, Hal L. Daugherty, Jr. and Charles P. Huffman. The Board of Directors has determined that each of these members is independent under the Nasdaq director independence standards.

The purpose of the Nominating and Corporate Governance Committee is to (a) identify individuals qualified to become members of the Board and to recommend director nominees to the Board for election by the stockholders, (b) monitor, oversee and evaluate the corporate governance principles applicable to the Company and (c) oversee the evaluation of the Board and management. The Nominating and Corporate Governance Committee is governed by the Nominating and Corporate Governance Committee Charter, a copy of which is attached to this proxy statement as Appendix B.

Consideration of Director Nominees

Director Qualifications

Criteria that will be used by the Nominating and Corporate Governance Committee in connection with evaluating and selecting new directors include factors relating to whether the director candidate would meet the definition of independence required by the Nasdaq listing standards, as well as skills, occupation and experience in the context of the needs of the Board. The Company's *Guidelines of Significant Governance Issues* (the Governance Guidelines) also set forth certain factors that should be considered by the Nominating and Corporate Governance Committee in recommending a nominee to the Board, including relevant experience, intelligence, independence, commitment, integrity, diligence, conflicts of interest, age, compatibility with the Company's management team and culture, prominence, understanding of the Company's business, the ability to act in the interests of all stockholders and other factors deemed relevant. The Board believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities.

Process for Evaluating Nominees for Director

The process that will be followed by the Nominating and Corporate Governance Committee to identify and evaluate director candidates will include requests to Board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Nominating and Corporate Governance Committee and

Table of Contents

the Board. Assuming that appropriate biographical and background material is provided for candidates recommended by stockholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by Board members.

Director Nominees Proposed by Stockholders

The Nominating and Corporate Governance Committee will consider stockholder-recommended director candidates for inclusion in the slate of nominees that the Board recommends to the stockholders for election. In considering whether to recommend any candidate for inclusion in the Board's slate of recommended director nominees, including candidates recommended by stockholders, the Nominating and Corporate Governance Committee will apply the selection criteria described above. The Nominating and Corporate Governance Committee will not assign specific weights to its various criteria and no particular criterion is necessarily applicable to all prospective nominees.

Stockholders may recommend individuals for the Nominating and Corporate Governance Committee to consider as potential director candidates by submitting the following information to the Nominating and Corporate Governance Committee of Computer Programs and Systems, Inc., c/o Corporate Secretary, 6600 Wall Street, Mobile, Alabama 36695:

The name of the recommended person;

All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934;

The written consent of the recommended person to being named in the proxy statement as a nominee and to serve as a director if elected;

As to the stockholder making the recommendation, the name and address, as they appear on the Company's books, of such stockholder; provided, however, that if the stockholder is not a registered holder of the Company's common stock, the stockholder should submit his or her name and address along with a current written statement from the record holder of the shares that reflects ownership of the Company's common stock; and

A statement disclosing whether such stockholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In addition to submitting nominations in advance to the Nominating and Corporate Governance Committee for consideration, a stockholder also may nominate persons for election to the Board of Directors in person at a stockholders meeting. Our Bylaws provide that written notice of a stockholder's intent to make a nomination at a stockholders meeting must be given, either by personal delivery or by United States certified mail, postage prepaid, to the Secretary of the Company and received (1) with respect to any annual meeting, not less than 120 days nor more than 150 days before the first anniversary of the date of our proxy statement in connection with the last annual meeting of stockholders, (2) if the date of the applicable annual meeting has been changed by more than 30 days from the date of the previous year's annual meeting, not less than 60 days before the date of the applicable annual meeting, or (3) with respect to any special stockholders meeting called for the election of directors, not later than the close of business on the seventh day following the date on which notice of such meeting is first given to stockholders.

Each such stockholder's notice shall set forth:

the name and address, as they appear on the Company's books, of such stockholder;

a representation that such stockholder is a stockholder of record and intends to appear in person or by proxy at such meeting to nominate the person or persons specified in the notice;

Table of Contents

the class and number of shares of our stock beneficially owned by such stockholder and the nominee;

a description of all arrangements or understandings between such stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by such stockholder;

the name, age, business address and, if known, residence address of the nominee;

the principal occupation or employment of the nominee;

any other information relating to the nominee that is required to be disclosed in solicitations of proxies for election of directors or is otherwise required by the rules and regulations of the SEC; and

the written consent of the nominee to serve as a director if elected.

The chairman of the annual meeting of stockholders shall determine whether or not a nomination was made in accordance with the procedures set forth in our Bylaws. REPORT OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

To Our Stockholders

Currently, the full Board of Directors has responsibility for overseeing and administering the executive compensation program for the Company. Effective as of the conclusion of the annual meeting, however, a Compensation Committee of the Board of Directors will be created. The Compensation Committee will consist of three directors, William R. Seifert, II, W. Austin Mulherin, III and John C. Johnson, each of whom are independent, as determined by the Board, within the meaning of applicable Nasdaq listing standards. The specific duties and responsibilities of the Compensation Committee are described above under **CORPORATE GOVERNANCE AND BOARD MATTERS** Board Structure and Committee Composition, and in the Compensation Committee Charter that is attached to this proxy statement as Appendix A.

The following report provides details and background information regarding our current executive compensation program.

Compensation of the CEO and other Executive Officers

Total compensation for the executive officers is reviewed and set annually and includes two primary types of compensation:

Base salary; and
Annual bonuses.

The following discussion is applicable to executive officers of the Company, including the Chief Executive Officer and the other Named Executive Officers.

Base Salary. Executive officers' base salaries are determined by several factors, but principally by the responsibilities required by the position. In establishing base salaries, the Board reviews recommendations by the Chief Executive Officer. Individual competence, length of service in a position, and comparisons to salaries for similar positions in other comparable companies guide the determination of the appropriate level of an executive officer's salary. Company performance may also be a factor in determining the amount of any base salary increase. The Board's compensation strategy for executive officers is to pay salaries at or near the median compensation paid by comparable companies. Based on these factors, Mr. Dye's base salary for calendar year 2003 was set at \$240,000.

Annual Bonus. In 1999 and 2001, our executive officers purchased common stock in the Company from certain of our stockholders. These officers financed their purchases with bank loans. In order to allow these officers to service the principal and interest payments on their loans, the Board approved the payment to these officers of annual bonuses. The Board expects that it will continue to pay bonuses in the future as part of the Company's overall executive compensation program, both to support the ownership of the Company common stock by these officers and to ensure that our compensation structure is competitive. The Board believes that the current compensation levels of its key executives, including the bonus amounts, are consistent with our objective of rewarding, retaining and providing incentives for outstanding performance to the executives who contribute most to the operating results of the Company. The Board specifically reviews and approves each annual bonus paid to the executive officers, including the Chief Executive Officer.

Summary. The Board believes that the caliber and motivation of our employees, and their leadership, are critical to our success in a competitive marketplace. Effective and motivational compensation programs are essential ingredients to success. The Board believes that our compensation programs are effective in serving us and our stockholders in the short and long term.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors is currently composed of three directors who are independent directors as defined under existing Nasdaq rules. One of these directors, W. Austin Mulherin, III, however, will not be deemed to be an independent director under the new Nasdaq independence rules. Consequently, at the conclusion of the annual meeting, Mr. Mulherin will resign from the Audit Committee and will be replaced by Charles P. Huffman. Mr. Huffman will be deemed to be an independent director under the new Nasdaq rules. The Audit Committee operates under a written charter as amended by the Board of Directors on April 1, 2003.

The Audit Committee hereby submits the following report:

We have reviewed and discussed with management the Company's audited financial statements as of, and for, the year ended December 31, 2003.

We have discussed with the independent auditors, Ernst & Young LLP, the matters required to be discussed by Statement on Auditing Standard No. 61, *Communication with Audit Committees*, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from the independent auditors required by Independence Standard No. 1, *Independence Discussions with Audit Committees*, as amended by the Independence Standards Board, and have discussed with the auditors the auditors' independence. We considered whether the provision of non-financial audit services was compatible with Ernst & Young LLP's independence in performing financial audit services.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003. It should be noted that management is responsible for the Company's financial reporting process, including its system of internal controls, and of the preparation of financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures.
