Dividend Capital Trust Inc.

We have audited the accompanying statement of revenue and certain expenses of the Eagles Landing and South Creek I & II facilities (Eagles Landing / South Creek) for the year ended December 31, 2003. This financial statement is the responsibility of Eagles Landing / South Creek s management. Our responsibility is to express an opinion on this financial statement based upon our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenue and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and for inclusion in the Current Report on Form 8-K of Dividend Capital Trust Inc., as described in Note 1. The presentation is not intended to be a complete presentation of Eagles Landing / South Creek s revenues and expenses.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the revenue and certain expenses of the Eagles Landing and South Creek I & II facilities for the year ended December 31, 2003, on the basis of accounting described in Note 1.

Note 1 Description of Business and Summary of Significant Accounting Policies

The accompanying statements of revenue and certain expenses reflect the operations of the Eagles Landing and South Creek I & II facilities (Eagles Landing / South Creek) for the three months ended March 31, 2004 (unaudited) and for the year ended December 31, 2003. Eagles Landing / South Creek consists of two buildings in Fairburn, Georgia and one building in Stockbridge, Georgia, both are sub-markets of Atlanta. Eagles Landing / South Creek contains 1,257,874 aggregate rentable square feet collectively. As of December 31, 2003, Eagles Landing / South Creek had an occupancy rate of 100%.

Eagles Landing / South Creek was acquired by Dividend Capital Trust Inc. from an unrelated party on June 8, 2004 for a total cost, including acquisition costs, of approximately \$36.5 million, which was paid with proceeds from a public offering. Such costs included an acquisition fee of \$359,000 paid to an affiliate.

The accounting records of Eagles Landing / South Creek are maintained on the accrual basis. The accompanying statements of revenue and certain expenses were prepared pursuant to the rules and regulations of the Securities and Exchange Commission, and exclude certain expenses such as mortgage interest, depreciation and amortization, professional fees and other costs not directly related to future operations of Eagles Landing / South Creek.

Eagles Landing / South Creek recognizes revenue from tenant leases on a straight-line basis over the life of the related lease. The results of operations can be significantly impacted by the rental market of the Fairburn, Georgia and Stockbridge, Georgia regions.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Interim Information (unaudited) In the opinion of management, the unaudited information as of March 31, 2004 included herein contains all the adjustments necessary, which are of a normal recurring nature, to present fairly the revenue and certain expenses for the three months ended March 31, 2004. Results of interim periods are not necessarily indicative of results to be expected for the year. Management is not aware of any material factors that would cause the information included herein to not be indicative of future operating results.

Note 2 Operating Leases

Eagles Landing / South Creek's revenue is obtained from tenant rental payments as provided for under non-cancelable operating leases. This accounting treatment resulted in an increase in rental revenue of \$87,000 and \$361,000 for the three months ended March 31, 2004 and the year ended December 31, 2003, respectively.

Future minimum lease payments due under these leases, excluding tenant reimbursements of operating expenses, as of December 31, 2003, are as follows:

2008	2,085,171
Thereafter	5,974,879
	<u>\$ 15,811,029</u>

Tenant reimbursements of operating expenses are included in Other revenue in the accompanying statements of revenue and certain expenses.
