Gold Fields Attempts to Corrupt Harmony Employee

Harmony is outraged by the depths to which the desperate Gold Fields Limited (Gold Fields) now appears to be stooping. Gold Fields has attempted to corrupt at least one senior Harmony employee.

The Head of Security of Gold Fields, Mr. Pine Pienaar, has offered a senior Harmony employee a contract to become an informer, specifically tasked to spy on Harmony's tactics with regard to Harmony's offers to Gold Fields.

Harmony has in its possession the draft contract that Gold Fields proposed to the Harmony employee.

Edgar Filing: GOLD FIELDS LTD - Form 425

In a sworn affidavit, the Harmony employee has stated that he was encouraged to conduct these covert operations and to be paid under a false name.

On 8th November, 2004, Mr. Pienaar specifically requested that the Harmony employee collect any documentation lying around about the deal and he said that any information on the takeover bid that you get, I would like to have.
