**Item 1.01. Entry into a Material Definitive Agreement.**

On March 29, 2005, Verizon Communications Inc., a Delaware corporation ( *Verizon* ), announced that it had entered into an amendment (the *Amended Merger Agreement* ) of the Agreement and Plan of Merger (the *Merger Agreement* ), dated as of February 14, 2005, among Verizon, its wholly owned subsidiary, ELI Acquisition, LLC ( *Merger Sub* ) and MCI, Inc. ( *MCI* ).

Under the Amended Merger Agreement, Verizon agreed to acquire MCI for \$23.10 per share, not including the \$0.40 per share cash dividend paid by MCI on March 15, 2005. MCI stockholders will receive total cash of \$8.35 per share of MCI common stock. This represents up to \$5.60 per share in special cash dividends, not including the \$0.40 per share cash dividend paid by MCI on March 15, 2005 (less the amount of any dividends declared by MCI during the period from February 14, 2005 to the consummation of the acquisition of MCI by Verizon) and \$2.75 per share in cash consideration (the *Per Share Cash Amount* ). The previous Merger Agreement provided for up to \$4.10 per share in special cash dividends, not including the \$0.40 per share cash dividend paid by MCI on March 15, 2005 (less the amount of any dividends declared by MCI during the period from February 14, 2005 to the consummation of the acquisition of MCI by Verizon) and \$1.50 per share in cash consideration. The Amended Merger Agreement also provides that Verizon will issue at least 0.4062 shares of Verizon common stock for each share of MCI common stock. The exact exchange ratio will be determined by dividing \$14.75 by the volume weighted average of the closing prices of Verizon common stock, as such prices are reported on the NYSE Composite Transactions Tape, for each of the 20 trading days ending on the third trading day immediately preceding the effective time of the acquisition of MCI by Verizon and will be deemed equal to 0.4062 if the quotient is less than 0.4062.

The Amended Merger Agreement provides that the Per Share Cash Amount is subject to downward adjustment for certain remaining bankruptcy claims, including state tax claims, and certain international tax liabilities which exceed \$1,775,000,000. (The adjustment threshold in the previous Merger Agreement was \$1,725,000,000.)

The Amended Merger Agreement increases to \$240,000,000 the termination fee that, under specified circumstances, MCI may be required to pay Verizon. Under the Amended Merger Agreement MCI also agreed to reimburse Verizon for up to \$10,000,000 in expenses.

In addition, under the Amended Merger Agreement, in the event that the MCI board of directors changes, withdraws, modifies or qualifies its recommendation of the acquisition of MCI by Verizon to MCI stockholders as a result of a superior proposal, Verizon has the option to request MCI to cause a stockholder meeting to be held to consider approval of the acquisition of MCI by Verizon and the other transactions contemplated by the Amended Merger Agreement and the Merger Agreement. Under the previous Merger Agreement, this right was limited to situations in which such change in recommendation resulted from an event that was not known to the MCI board of directors as of the signing of the Merger Agreement which became known prior to MCI stockholder approval and which caused the MCI board of directors to conclude in good faith that its failure to effect a change in recommendation would result in a breach of its fiduciary duties to the MCI stockholders.

The foregoing description of the Amended Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Amended Merger Agreement, which is filed as Exhibit 2.1 hereto and the Merger Agreement, which was filed as Exhibit 2.1 to Form 8-K on February 17, 2005, both of which are incorporated into this report by reference.

---

**Item 8.01 Other Events**

On March 29, 2005, Verizon and MCI issued a joint press release announcing the execution of the Amended Merger Agreement.

The press release is attached as Exhibit 99.1 and is incorporated herein by reference.
