The Registrar will also maintain a record (the **Record**) that will include notations as to whether the Notes have been paid or cancelled, and, in the case of mutilated, destroyed, stolen or lost Notes, whether such Notes have been replaced. In the case of the replacement of any of the Notes, the Record will include notations of the Note so replaced, and the Note issued in replacement thereof. In the case of the cancellation of any of the Notes, the Record will include notations of the Note so cancelled and the date on which such Note was cancelled. The Registrar shall at all reasonable times during office hours make the Register and the Record available to the Trustee (if the Trustee is not the Registrar), the Issuer or any Person authorized by the Issuer in writing for inspection and for the taking of copies thereof or extracts therefrom, and at the expense and written direction of the Issuer the Registrar shall deliver to such Persons all lists of Holders of Notes, their addresses and amounts of such holdings as they may request in writing.

The Register and the Record shall be in written form in the English language or in any other form capable of being converted into such form within a reasonable time.

As long as it is required by Argentine law or by the CNV, the Issuer will cause Banco Río de la Plata S.A., Buenos Aires, Argentina, or in the Issuer's sole discretion, any other entity in Buenos Aires, Argentina with powers to act as registrar, to keep a duplicate of the Register and the Record in such form in the Spanish language in Argentina.

(b) Agent Members will have no rights under this Indenture with respect to any Global Note held on their behalf by the Depositary, and the Depositary may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner and Holder of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, a Holder that is a beneficial owner of a Global Note will have the right (i) to obtain evidence of its beneficial ownership interest in a Global Note in accordance with Argentine Decree 677/01, as amended, from Caja de Valores S.A. (or any other securities clearing service or

collective deposit system, including DTC, Euroclear and Clearstream) and (ii) to pursue remedies against the Issuer and assert rights in a legal action brought in Argentina under Argentine law in respect of its beneficial ownership interest in a Global Note (including the right to initiate summary proceedings (*acción ejecutiva*) in the manner provided by the Negotiable Obligations Law with respect thereto), and for such purposes, such beneficial owner will be treated as the owner of that portion of the global note which represents its beneficial ownership interest therein. Notwithstanding the foregoing, the Depositary or its nominee may grant proxies and otherwise authorize any person (including any Agent Member and any person that holds a beneficial interest in a Global Note through an Agent Member) to take any action which a Holder is entitled to take under this Indenture or the Notes, and nothing herein will impair, as between the Depositary and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

(c) If (i) the Depositary notifies the Issuer that it is unwilling or unable to continue to act as Depositary for a Global Note or ceases to be a clearing agency registered under the Exchange Act and a successor depositary is not promptly appointed within 120 days of such notice, (ii) the Depositary is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business, or (iii) the non-payment when due of amounts payable on the Notes (whether, in each case, on account of interest, redemption amounts or otherwise) shall have occurred and be continuing for 30 days, the Trustee will promptly, upon provision of executed Notes delivered to it by the Issuer therefor, exchange each beneficial interest in such Global Note for one or more Definitive Notes in equal principal amount registered in the name of the owner of such beneficial interest, as identified to the Trustee by the Depositary, and thereupon such Global Note will be deemed canceled.

If there is an Event of Default under the Notes of any or all Series, and the Trustee has been advised by counsel that in connection with such Event of Default it is necessary or appropriate for the Trustee to obtain possession of the Notes, the Trustee may, in the reasonable exercise of its discretion, determine that the Notes represented by Global Notes shall no longer be represented by such Global Notes. In such event, the Issuer hereby agrees to execute and the Trustee will authenticate and deliver, in exchange for such Global Notes, Definitive Notes (and if the Trustee has in its possession Definitive Notes previously executed by the Issuer, the Trustee will authenticate and deliver such Definitive Notes), in authorized denominations, in an aggregate principal amount equal to the principal amount of such Global Notes.

In the case of a Regulation S Global Note, unless the exchange takes place during the Restricted Period, the Definitive Notes issued in exchange therefor will not bear the Restricted Legend.

(d) Subject to Section 2.10, a Holder may transfer a Note to another person or exchange a Note for another Note or Notes of the same Series and Tranche of any authorized denomination by presenting to the Registrar a written request therefor stating the name of the proposed transferee or requesting such an exchange, accompanied by any certification, opinion or other document required by Section 2.10. The Registrar will promptly register any such transfer or exchange that meets the requirements of this Section by noting the same in the register maintained by the Registrar for such purpose; *provided* that (i) no transfer or exchange will be effective until such transfer or exchange is registered in such register and (ii) the Trustee will not be required (x) to issue, register the transfer of or exchange any Note for a period of 15 days before a selection of Notes to be redeemed, (y) to register the transfer of or exchange any Note so selected for redemption in whole or in part, except, in the case of a partial redemption, that portion of any such Note not being redeemed, or (z) if a redemption is to occur after a Record Date but on or before the corresponding interest payment date, to register the transfer or exchange of any Note on or after such Record Date and before such date of redemption. Prior to the registration of any transfer, the Issuer, the Trustee and their agents will treat the person in whose name the Note is registered as the owner and Holder thereof for all purposes (whether or not the Note is overdue), and will not be affected by notice to the contrary.

From time to time the Issuer will execute and the Trustee will authenticate additional Notes as necessary in order to permit the registration of a transfer or exchange in accordance with this Section 2.08.

Transfer, registration and exchange shall be permitted as provided in this Indenture without any charge to the Holder except for the expenses of delivery (if any) not made by regular mail and except, if the Issuer shall so require, the payment of a sum sufficient to cover any stamp duty, tax or governmental charge or insurance charge that may be imposed in relation thereto. Registration of the transfer of a Note by the Registrar shall be deemed to be the acknowledgment of such transfer on behalf of the Issuer.

(e) *Procedures to be Followed by the Trustee.* (i) *Global Note to Global Note.* If a beneficial interest in a Global Note is transferred or exchanged for a beneficial interest in another Global Note, the Trustee will (x) record a decrease in the principal amount of the Global Note being transferred or exchanged equal to the principal amount of such transfer or exchange and (y) record a like increase in the principal amount of the other Global Note. Any beneficial interest in one Global Note that is transferred to a person who takes delivery in the form of an interest in another Global Note, or exchanged for an interest in another Global Note, will, upon transfer or exchange, cease to be an interest in such Global Note and become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer and exchange restrictions, if any, and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

Table of Contents

(ii) *Global Note to Definitive Note.* If a beneficial interest in a Global Note is transferred or exchanged for a Definitive Note, the Trustee will (x) record a decrease in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (y) deliver a new Definitive Note in like principal amount to the transferee (in the case of a transfer) or the owner of such beneficial interest (in the case of an exchange) specified in writing by Depository, registered in the name of such transferee or owner, as applicable.

(iii) *Definitive Note to Definitive Note.* If a Definitive Note is transferred or exchanged for another Definitive Note, the Trustee will (x) cancel the Definitive Note being transferred or exchanged, (y) deliver a new Definitive Note in principal amount equal to the principal amount of such transfer or exchange to the transferee (in the case of a transfer) or the Holder of the canceled Definitive Note (in the case of an exchange), registered in the name of such transferee or Holder, as applicable, and (z) if such transfer or exchange involves less than the entire principal amount of the canceled Definitive Note, deliver to the Holder thereof a new Definitive Note in principal amount equal to the untransferred or unexchanged portion of the canceled Definitive Note, registered in the name of the Holder thereof.

Section 2.09 . *Restricted Legend.* (a) Each Regulation S Note will bear the Restricted Legend during the Restricted Period.

(b) If the Issuer determines that the Restricted Legend is no longer necessary or appropriate in order to ensure that subsequent transfers of such Note (or a beneficial interest therein) are effected in compliance with the Securities Act, the Issuer may instruct the Trustee in writing to cancel such Note and issue to the Holder thereof (or to its transferee) a new Note of like tenor and amount, registered in the name of the Holder thereof (or its transferee), that does not bear the Restricted Legend and the Trustee will comply with such instruction.

(c) By its acceptance of any Note bearing the Restricted Legend (or any beneficial interest in such a Note), each Holder thereof and each owner of a beneficial interest therein acknowledges the restrictions on transfer of such Note (and any such beneficial interest) set forth in this Indenture and in the Restricted Legend and agrees that it will transfer such Note (and any such beneficial interest) only in accordance with this Indenture and the Restricted Legend.

Section 2.10 . *Restrictions on Transfer and Exchange.* (a) The transfer or exchange of any Note (or a beneficial interest therein) may only be made in accordance with this Section 2.10 and, in the case of a Global Note (or a beneficial interest therein), the applicable rules and procedures of the Depository. The Trustee shall refuse to register any requested transfer or exchange that does not comply with this Section 2.10.

(b) Exchanges may be made only for Notes of the same Series and Tranche. For the avoidance of doubt, no exchanges shall be permitted between Series A Listed Notes and Series A Unlisted Notes, between Series B Listed Notes and Series B Unlisted Notes or between Series A Listed Note denominated in Dollars and Series A Listed Notes denominated in currencies other than Dollars.

(c) Registration of transfer of Unlisted Notes will be made in the amount equal to (i) U.S.\$5 million, 5 million, P\$5 million or ¥500 million and integral multiples of U.S.\$1.00, 1.00, P\$1.00 or ¥100, in excess thereof, as applicable or (ii) the amount equal to the amount of such Unlisted Note.

(d) Notwithstanding any other provision of this Section, unless and until it is exchanged in whole or in part for the Notes represented thereby pursuant to this Indenture, a Global Note representing all or a portion of the Notes of any Series may not be transferred except as a whole by the Depository to a nominee of such Depository or by a nominee of such Depository to such Depository or another nominee of such Depository or by such Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(e) During the Restricted Period, no transfer or exchange of a Regulation S Note (or a beneficial interest in a Regulation S Global Note) of a Series may be made for an Unrestricted Note (or a beneficial interest in an Unrestricted Global Note) of the same Series.

(f) During the Restricted Period, any Holder requesting a transfer or exchange of a Regulation S Note will be required to deliver or cause to be delivered to the Trustee a duly completed Regulation S Certificate in the form of Exhibit D hereto and, if required by the Issuer, an opinion of counsel and such other certifications and evidence as the Issuer may reasonably require in order to determine that the proposed transfer or exchange is being made in compliance with the Securities Act and any applicable securities laws of any State of the United States of America.

(g) During the Restricted Period, beneficial interests in a Regulation S Global Note may be held through the Depository only through Euroclear and Clearstream, and their respective direct and indirect participants.

Section 2.11 . *Mutilated, Defaced, Destroyed, Stolen and Lost Notes; Cancellation and Destruction Of Notes.* (a) The Issuer shall execute and deliver to the Trustee, Definitive Notes in such amounts and at such times as to enable the Trustee to fulfill its responsibilities under this Indenture and the Notes.

(b) The Trustee is hereby authorized, in accordance with and subject to applicable law, exchange regulations any terms and conditions set forth in the Notes, and upon provision of evidence satisfactory to the Trustee and to the Issuer that any Note was mutilated, defaced, destroyed, stolen or lost, together with such

security or indemnity as each of the Trustee and the Issuer may require, to authenticate and deliver from time to time such Notes in exchange for or in lieu of such Notes that become mutilated, defaced, destroyed, stolen or lost. Each Note delivered in exchange for or in lieu of any other Note shall carry all the rights to interest (including rights to accrued and unpaid interest and Additional Amounts) that were carried by such other Note.

(c) All Notes surrendered for payment or exchange shall be delivered to the Trustee. The Trustee shall cancel and may destroy all such Notes surrendered for payment or exchange, in accordance with its security destruction policy; *provided, however*, that the Trustee shall not be required to destroy cancelled Notes.

(d) Upon the issuance of any substitute Note of any Series, the Holder of such Note, if so requested by the Issuer, will pay a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation thereto and any other expense (including the fees and expenses of the Trustee) connected with the preparation and issuance of the substitute Note.

(e) All Notes issued upon any transfer or exchange of Notes shall be valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such transfer or exchange.

Section 2.12 . *Purchase and Cancellation*. The Issuer may at any time and from time to time purchase Notes pursuant to Market Purchase or Optional Redemption transactions or a Note Payment, except that the Issuer is not permitted to purchase any Notes during any time that a Devaluation Event Cure Period shall have occurred and be continuing. Other than as stated in the preceding sentence, the Issuer shall not purchase any Notes or any other outstanding Indebtedness of the Issuer or any of its Subsidiaries (except for Qualified Telecom Personal Indebtedness or Permitted Refinancing Indebtedness). Any Notes so purchased by the Issuer shall be surrendered promptly to the Trustee for cancellation. The Notes so purchased, while held by or on behalf of the Issuer, shall not entitle the holder to vote at any meeting of Holders of Notes and shall not be deemed to be Outstanding for the purpose of calculating quorums at meetings of Holders of Notes. The Issuer will not acquire any Note or any beneficial interest in a Global Note, and will not permit any of its Restricted Subsidiaries to acquire any Note or any beneficial interest in any Global Note unless the Issuer or the acquiring company shall notify the Trustee in writing of such acquisition. The Trustee and all Holders of Notes shall be entitled to rely without further investigation on any such notification (or the lack thereof). The Trustee shall have no responsibilities or liability for compliance by the Issuer with this provision.

Section 2.13 . *CUSIP Numbers*. The Issuer in issuing the Notes may use CUSIP and/or CINS and/or ISIN and/or Common Code numbers (if then generally in use), and, if so, the Trustee shall use CUSIP and/or CINS and/or ISIN or Common Code numbers in notices of payment or redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers.

Section 2.14 . *Special Provisions Regarding Unlisted Notes*. ARTICLE 3

COVENANTS OF THE ISSUER AND THE TRUSTEE

Section 3.01 . *Payment of Principal and Interest.* The Issuer covenants and agrees for the benefit of each Series of Notes that it will duly and punctually pay or cause to be paid in immediately available funds to the Trustee or one or more Paying Agents appointed by it hereunder no later than 12:00 noon (New York City time) one Business Day prior to any date of payment, the principal of and interest on each of such Notes and any other payments to be made by the Issuer under such Notes and this Indenture due on such date of payment.

Section 3.02 . *Offices for Payments, etc.* So long as any of the Notes remain Outstanding, the Issuer will maintain in New York City the following for each Series: a Paying Agent or Registrar (i) where the Notes may be presented for payment, (ii) where the Notes may be presented for exchange, transfer or registration of transfer as provided in this Indenture, and (iii) where notices and

demands to or upon the Issuer in respect of the Notes or of this Indenture may be served. The Issuer hereby initially designates the Corporate Trust Office as the office to be maintained by it for each such purpose and where the Register will be maintained, and hereby appoints the Trustee as its Paying Agent and Transfer Agent, and the Trustee hereby accepts such appointment. In case the Issuer shall fail to so designate or maintain any such Agent or Registrar or shall fail to give such notice of the location or of any change in the location thereof, presentations and demands may be made and written notices may be served at the Corporate Trust Office.

So long as any Series of Notes are authorized for their public offering in Argentina and the rules of the CNV or other applicable Argentine law so require, or are listed on the Buenos Aires Stock Exchange or on the Mercado Abierto Electrónico S.A. and the rules of the Buenos Aires Stock Exchange, or of the Mercado Abierto Electrónico S.A., as the case may be, so require, the Issuer will maintain a Registrar, a Paying Agent and a Transfer Agent in Argentina and the Trustee will maintain a representative in Argentina. Banco Río de la Plata S.A. Buenos Aires, Argentina, will initially act as such Paying Agent and Transfer Agent and Trustee's Representative.

So long as the Notes of any Series are listed on the Luxembourg Stock Exchange and the Luxembourg Stock Exchange rules so require, there will be a Paying Agent and a Transfer Agent in Luxembourg. The Bank of New York (Luxembourg) S.A. will initially act as such Paying Agent and Transfer Agent.

The Issuer will give to the Trustee written notice of the location of any such Agent or Registrar and of any change of location thereof.

Section 3.03 . *Appointment to Fill a Vacancy in Office of Trustee.* The Issuer, whenever necessary to avoid or fill a vacancy in the office of Trustee, will appoint, in the manner provided in Section 5.10, a Trustee, so that there shall at all times be a Trustee with respect to each Series of Notes hereunder.

Section 3.04 . *Payments and Paying Agents.* (a) At least three Business Days prior to the first Interest Payment Date or the first principal payment date and, if there has been any change with respect to the matters set forth in the below-mentioned certificate, at least three Business Days prior to each Interest Payment Date or principal payment date thereafter, the Issuer shall furnish the Trustee with an Issuer Order instructing the Trustee as to any circumstances in which payments of principal or interest on the Notes of any Series due on such date shall be subject to deduction or withholding for or on account of any taxes and the rate of any such deduction or withholding. If any such deduction or withholding shall be required and if the Issuer therefore becomes liable to pay Additional Amounts pursuant to the terms of the Notes of such Series, then at least three Business Days prior to each Interest Payment Date or principal payment date, the Issuer will furnish the Trustee with an Issuer Order that

specifies the amount required to be withheld on such payment date to Holders of Notes of such Series and the Additional Amounts due to Holders of such Notes and certifies that the Issuer shall withhold such amount on such payment date from such payment, and shall pay such amount to the appropriate governmental authorities and will pay to the Trustee such Additional Amounts as shall be required to be paid to such Holders.

The Issuer agrees to indemnify each of the Trustee and the Paying Agents for, and to hold each of them harmless against, any loss, liability or expense arising out of or in connection with actions taken or omitted by it in reliance on any Issuer Order furnished pursuant to this Section or the failure of the Issuer to furnish any such Issuer Order, except to the extent that such loss, liability or expense results from its own negligence or bad faith.

(b) Whenever the Issuer shall appoint a Paying Agent other than the Trustee for the purpose of paying amounts due in respect of the Notes of any Series, it will cause such Paying Agent to execute and deliver to the Trustee a written instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section:

(i) that it will hold all sums received by it as such agent for the payment of the principal of or interest on or redemption payments on the Notes of such Series (whether such sums have been paid to it by or on behalf of the Issuer or by any other obligor on the Notes of such Series) in trust for the benefit of Holders of the Notes of such Series or of the Trustee;

(ii) that it will give the Trustee written notice of any failure by the Issuer to make any payment of the principal of or interest on the Notes of such Series and any other payments to be made by or on behalf of the Issuer under this Indenture or the Notes of such Series when the same shall be due and payable; and

(iii) that it will pay any such sums so held in trust by it to the Trustee upon the Trustee's written request at any time during the continuance of the failure referred to in clause (ii) above.

The Trustee, in its capacity as the principal Paying Agent, shall arrange with all such Paying Agents for the payment, from funds furnished by the Issuer to the Trustee pursuant to this Indenture, of the principal of and interest on, and any required redemption payments on, the Notes and of the compensation of such Paying Agents for their services as such.

If the Issuer shall act as its own Paying Agent with respect to the Notes of any Series, it will, on or before each due date of the principal of or interest on the Notes of such Series, and any required redemption payments on, set aside, segregate and hold in trust for the benefit of Holders of the Notes of such Series a

sum sufficient to pay such principal or interest so becoming due. The Issuer will promptly notify the Trustee in writing of any failure to take such action.

Anything in this Section 3.04 to the contrary notwithstanding, the Issuer may at any time, for the purpose of obtaining a satisfaction and discharge with respect to one or more or all Series of Notes hereunder, or for any other reason, pay or cause to be paid to the Trustee all sums held in trust for any such Series by the Issuer or any Paying Agent hereunder, as required by this Section 3.04, such sums to be held by the Trustee upon the trusts herein contained.

Anything in this Section 3.04 to the contrary notwithstanding, the agreements to hold sums in trust as provided in this Section are subject to the provisions of Section 9.03 and 9.04.

Section 3.05 . *Taxation.* (a) All payments by the Issuer in respect of the Notes will be made without withholding or deduction for or on account of any present or future taxes, duties, assessments or other governmental charges of whatsoever nature imposed or levied by or on behalf of Argentina or any political subdivision or authority thereof or therein having power to tax, unless the Issuer is compelled by law to deduct or withhold such taxes, duties, assessments or other governmental charges. In such event, the Issuer will pay such additional amounts (**Additional Amounts**) as may be necessary to ensure that the net amounts paid by the Issuer after such withholding or deduction shall equal the respective amounts of principal and interest that would have been payable by the Issuer in respect of the Notes in the absence of such withholding or deduction, except that no such Additional Amounts shall be payable in respect of any Note:

(i) if any such tax, duty, assessment or other governmental charge would not have been so imposed but for the presentation by the Holder of any such Note for payment on a date more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

(ii) if any such tax, duty, assessment or other governmental charge would not have been imposed or withheld but for the failure by the Holder of Notes or, any other Person as required under applicable law, statute, treaty or regulation of Argentina or written administrative instruction of the *Administración Federal de Ingresos Públicos*, or AFIP, (whether or not such Holder or Person is lawfully able to do so) to provide information, documents or other evidence, in the form and conditions as required under applicable law, statute, treaty, or regulation of Argentina or written administrative instruction of the AFIP concerning the nationality, residence, identity, or connection with Argentina of such Holder or Person or other significant information which is required or imposed by a law, statute, treaty, or regulation of Argentina or written administrative

instruction of the AFIP as a precondition to exemption from all or part of such tax, duty, assessment or governmental charge;

(iii) held by or on behalf of a Holder of Notes who is liable for taxes, duties, assessments or governmental charges in respect of such Note by reason of having some connection with Argentina (or any political subdivision or authority thereof) other than the mere purchase, holding or disposition of such Note, or the receipt of principal or interest in respect thereof;

(iv) for any estate, inheritance, gift, sales, transfer, personal property tax or any similar tax, assessment or governmental charge;

(v) for any tax, duty, assessment or other governmental charge which is payable otherwise than by withholding or deduction from payments on or in respect of any Note;

(vi) if the Issuer is compelled by law to make any withholding or deduction for or on account of, or is obligated to act as substitute obligor for the Argentine personal assets tax established by the Argentine Law No. 23,966, as amended and implemented; or

(vii) any combination of (i), (ii), (iii), (iv), (v) or (vi).

The Extinguished Covenants will not, however, be of any effect with regard to actions of the Issuer properly taken while the Issuer's long-term debt was rated Investment Grade, and no Default will be deemed to have occurred solely by reason of any Indebtedness Incurred or capital expenditures made while the covenants were suspended.

Section 4.13. *Undertaking for Costs.* All parties to this Indenture agree, and each Holder of any Note by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Issuer, to any suit instituted by the Trustee, to any suit instituted by a Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Notes of any Series, or to any suit instituted by any Holder of any Note for the enforcement of the payment of the principal of or any premium or interest (including any Additional Amounts) on any Note on or after the stated maturity or maturities expressed in such Note (or, in the case of redemption, on or after the redemption date). This Section 4.13 shall be in lieu of Section 315(e) of the Trust Indenture Act of 1939, and such Section 315(e) of the Trust Indenture Act of 1939 is hereby expressly excluded from this Indenture, as permitted by the Trust Indenture Act of 1939.

CONCERNING THE TRUSTEES

Section 5.01. *Duties and Responsibilities of the Trustee.* (a) With respect to Holders of any Series of Notes issued hereunder, prior to the occurrence of an Event of Default with respect to the Notes of a particular Series and after the curing or waiving of all Events of Default which may have occurred with respect to such Series of Notes, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. If an Event of Default with respect to the Notes of a Series has occurred (which has not been cured or waived), the Trustee shall with respect to such Series of Notes exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise under the circumstances in the conduct of his/her own affairs.

(b) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) prior to the occurrence of an Event of Default with respect to such Series of Notes and after the curing or waiving of all such Events of Default with respect to such Series of Notes which may have occurred, (A) the duties and obligations of the Trustee with respect to the Notes of any Series shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and (B) in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any statements, certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such statements, certificates or opinions that by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Responsible Officers of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of Holders of such Series of Notes pursuant to Section 4.10 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

(c) None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there shall be reasonable ground for believing that the repayment of such funds or adequate indemnity against such liability is not satisfactorily assured to it.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to this Section 5.01.

The provisions of this Section 5.01 are in furtherance of and subject to Sections 315 and 316 of the Trust Indenture Act of 1939.

Section 5.02. *Certain Rights of the Trustee.* In furtherance of and subject to the Trust Indenture Act of 1939, and subject to Section 5.01:

(i) the Trustee may rely and shall be protected in acting or refraining from acting upon any Board Resolution, Issuer Order, Officers Certificate or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture, note, coupon, security or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(ii) any request, direction, order or demand of the Issuer mentioned herein shall be sufficiently evidenced by an Issuer Order (unless other evidence in respect thereof is herein specifically prescribed); and any resolution of the Board of Directors may be evidenced to the Trustee by a copy thereof certified by the secretary or an assistant secretary of the Issuer;

(iii) the Trustee may consult with counsel and other experts and any advice or opinion of Counsel or experts shall be full and complete authorization and protection in respect of any action taken, suffered or omitted to be taken by it hereunder in good faith and in accordance with such advice or opinion of Counsel or expert, as the case may be;

(iv) the Trustee shall be under no obligation to exercise any of the trusts or powers vested in it by this Indenture at the request, order or direction of any of the Noteholders pursuant to the provisions of this Indenture unless such Noteholders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities that might be incurred thereby;

(v) the Trustee shall not be liable for any action taken or omitted by it in good faith and believed by it to be authorized or within the discretion, rights or powers conferred upon it by this Indenture;

(vi) prior to the occurrence of an Event of Default and after the curing or waiving of all Events of Default, the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, appraisal, bond, debenture, note, coupon, security, or other paper or document unless requested in writing so to do by Holders of not less than a majority in the Dollar Amount of the then Outstanding aggregate principal amount of the Notes of all Series affected; *provided* that, if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not reasonably assured to the Trustee by the security afforded to it by the terms of this Indenture, the Trustee may require from Noteholders reasonable indemnity against such

expenses or liabilities as a condition to proceeding; the reasonable expenses of every such investigation shall be paid by the Issuer or, if paid by the Trustee or any predecessor trustee, shall be repaid by the Issuer upon demand; and

(vii) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, representatives or attorneys not regularly in its employ; *provided* that the Trustee shall not be responsible for any misconduct or negligence on the part of any such agent, representative or attorney appointed by it hereunder with the approval of the Issuer and that is acting in a capacity that has been approved by the Issuer (which approval will not be unreasonably withheld).

Section 5.03. *Trustee Not Responsible for Recitals, Disposition of Notes or Application of Proceeds Thereof.* The recitals contained herein and in the Notes, except the Trustee's certificates of authentication, shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for the correctness of the same. Subject to the obligations imposed on the Trustee by paragraph (c) of Section 13 of the Negotiable Obligations Law, the Trustee through the Issuer, the Issuer's attorneys and accountants and its own attorneys, has confirmed the accuracy of the information set forth on the first page of this Indenture, has reviewed an English translation of the resolution of the Issuer's shareholders meetings dated November 2, 2004, and of the resolutions of the Board of Directors dated September 24, 2004, April 27, 2005 and July 25, 2005 and confirms that the terms and conditions of the Notes issued hereunder reflect accurately the terms of the resolution or resolutions adopted by the shareholders and the Board of Directors of the Issuer, respectively. The Trustee makes no representation as to the validity or sufficiency of this Indenture or of the Notes. The Trustee shall not be accountable for the use or application by the Issuer of any of the Notes or of the proceeds thereof.

Section 5.04. *Trustee and Agents May Hold Notes; Collections, etc.* The Trustee or any agent of the Issuer or the Trustee, in its individual or any other capacity, may become the owner or pledgee of securities with the same rights it would have if it were not the Trustee or such agent and may otherwise deal with the Issuer and receive, collect, hold and retain collections from the Issuer with the same rights it would have if it were not the Trustee or such agent. The Trustee or any agent of the Issuer or the Trustee is entitled to enter into business transactions with the Issuer or any of its affiliates without accounting for any profit resulting from such transactions.

Section 5.05. *Moneys Held by Trustee.* Subject to the provisions of Section 9.04, all moneys received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by

mandatory provisions of U.S. law. Neither the Trustee nor any agent of the Issuer or the Trustee shall be under any liability for interest on or investment of any moneys received by it hereunder.

Section 5.06. *Compensation and Indemnification of Trustee and its Prior Claim.* The Issuer covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to, such compensation as shall be agreed with the Issuer in writing (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) and the Issuer covenants and agrees to pay or reimburse each of the Trustee and any predecessor Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by or on behalf of it in accordance with any of the provisions of this Indenture (including the reasonable compensation and the expenses and disbursements of its counsel and of all agents and other Persons not regularly in its employ) for services in its capacity as Trustee, Paying Agent, Registrar and/or Authentication Agent hereunder, as applicable except to the extent any such expense, disbursement or advance may arise from its negligence or bad faith. The Trustee shall provide to the Issuer such supporting documentation as may be available to it and reasonably requested in writing by the Issuer relating to such expenses, disbursements and advances. The Issuer also covenants to indemnify and defend each of the Trustee and any predecessor Trustee for, and to hold it harmless against, any and all loss, liability, damage, claim or expense (including the reasonable compensation and the expenses and disbursements of its counsel and of all agents and other Persons not regularly in its employ) arising out of or in connection with the acceptance or administration of this Indenture or the trusts hereunder and the performance of its duties and the exercise of its rights hereunder as Trustee, Paying Agent, Registrar and/or Authentication Agent, including the costs and expenses of defending itself against or investigating any claim of liability in the premises, except to the extent such loss, liability or expense is due to its own negligence or bad faith. The obligations of the Issuer under this Section to compensate and indemnify the Trustee and each predecessor Trustee and to pay or reimburse the Trustee and each predecessor Trustee for expenses, disbursements and advances shall constitute additional indebtedness hereunder and shall survive the resignation or removal of such Trustee and the satisfaction and discharge of this Indenture. The Trustee shall have, with respect to such indebtedness, a prior lien to that of the Holders of the Notes on all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the Holders of particular Notes.

Section 5.07. *Right of Trustee to Rely on Officers' Certificate, etc.* Subject to Sections 5.01 and 5.02, whenever in the administration of the trusts of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering or omitting any action hereunder, such matter (unless other evidence in respect thereof shall be herein specifically prescribed) may, in the absence of negligence or bad faith on the part of the Trustee, be deemed to be conclusively proved and established by an

Officers Certificate delivered to the Trustee, and such certificate, in the absence of negligence or bad faith on the part of the Trustee, shall be full warranty to the Trustee for any action taken, suffered or omitted by it under the provisions of this Indenture upon the faith thereof.

Section 5.08. *Corporate Trustee Required; Eligibility.* There shall at all times be a Trustee for each Series of Notes hereunder which shall be either (i) a corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, which is authorized under such laws to exercise corporate trust powers and is subject to supervision or examination by Federal or state authority and having its Corporate Trust Office located in The City of New York or (ii) a corporation or other Person organized and doing business under the laws of a foreign government that is permitted to act as Trustee pursuant to a rule, regulation or order of the Commission, which is authorized under such laws to exercise corporate trust powers and is subject to supervision or examination by authority of such foreign government or a political subdivision thereof substantially equivalent to supervision or examination applicable to United States of America institutional trustees; in either case having a combined capital and surplus of at least \$50 million. If such corporation or Person publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation or Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In addition, as long as required by Argentina law, the Trustee shall also be a financial institution or broker-dealer. Neither the Issuer nor any Person directly or indirectly controlling, controlled by, or under common control with the Issuer shall serve as trustee for the Notes of any Series issued hereunder. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 5.09. *Disqualification; Conflicting Interest.* If the Trustee has or shall acquire any conflicting interest, as defined in Section 310(b) of the Trust Indenture Act of 1939, it shall, within 90 days after ascertaining that it has such conflicting interest, either eliminate such conflicting interest or resign in the manner and with the effect provided by, and subject to the provisions of, Section 310(b) of the Trust Indenture Act of 1939 and this Indenture. The Issuer shall comply with Section 310(b)(i) of the Trust Indenture Act of 1939. The Trustee shall at all times comply with Section 310(b) of the Trust Indenture Act of 1939.

In the event that the Trustee shall fail to comply with the provisions of the preceding sentence, the Trustee shall, within 10 days after the expiration of such 90-day period, transmit, in the manner and to the extent provided in Section 12.04, to all Holders of Notes notice of such failure.

Nothing herein shall prevent the Trustee from filing with the Commission the application referred to in the penultimate paragraph of Section 310(b) of the Trust Indenture Act of 1939.

Section 5.10. *Resignation and Removal; Appointment of Successor Trustee.* (a) The Trustee, or any trustee or trustees hereafter appointed, may at any time resign with respect to one or more or all Series of Notes in connection with its services as Trustee and/or Paying Agent by giving 30 days written notice of resignation to the Issuer and by giving notice thereof to the Noteholders as specified in Section 12.04. Upon receiving notice of resignation as Trustee, the Issuer shall promptly appoint a successor trustee or trustees with respect to the applicable Series of Notes by written instrument in duplicate, executed by authority of a Board Resolution, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor trustee or trustees. If no successor trustee shall have been so appointed with respect to the applicable Series of Notes and have accepted appointment within 30 days after the giving of such notice of resignation, the resigning trustee may petition any court of competent jurisdiction for the appointment of a successor trustee, or the Holders of at least 10% in the Dollar Amount of the then Outstanding aggregate principal amount of Notes of such Series (voting as a separate class) may petition any such court for the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and as it may prescribe, appoint a successor trustee.

(b) In case at any time any of the following shall occur:

(i) the Trustee shall fail to comply with the provisions of Section 310(b) of the Trust Indenture Act of 1939 with respect to any Series of Notes after written request therefor by the Issuer or by any Noteholder who has been a bona fide Holder of a Note or Notes for at least six months;

(ii) the Trustee shall cease to be eligible in accordance with the provisions of Section 5.08 and shall fail to resign after written request therefor by or on behalf of the Issuer or by any Noteholder; or

(iii) the Trustee shall become incapable of acting with respect to any Series of Notes, or shall be adjudged bankrupt or insolvent, or a receiver or liquidator of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case, the Issuer may remove the Trustee with respect to the applicable Series of Notes and appoint a successor trustee for such Series by written instrument, in duplicate, executed by authority of a Board Resolution, one copy of which instrument shall be delivered to the Trustee so removed and one

copy to the successor trustee, or, subject to the provisions of Section 315(e) of the Trust Indenture Act of 1939, unless, with respect to clause (i) of paragraph (b), the Trustee's removal is stayed by the Commission in accordance with Section 310(b) of the Trust Indenture Act of 1939, any Noteholder who has been a bona fide Holder of a Note or Notes for at least six months may on behalf of himself and all others similarly situated petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee with respect to such Series of Notes. Such court may thereupon, after such notice, if any, as it may deem proper and as it may prescribe, remove the Trustee and appoint a successor trustee.

(c) The Holders of a majority in the Dollar Amount of the then Outstanding aggregate principal amount of the Notes of each Series at the time Outstanding may at any time remove the Trustee with respect to Notes of such Series and appoint a successor trustee with respect to the Notes of such Series by delivering to the Trustee so removed, to the successor trustee so appointed and to the Issuer the evidence provided for in Section 6.01 of the action in that regard taken by the Noteholders.

(d) Any resignation or removal of the Trustee with respect to any Series of Notes and any appointment of a successor trustee any Series of pursuant to any of the provisions of this Section 5.10 shall become effective upon acceptance of appointment by the successor trustee as provided in Section 5.11.

Section 5.11. *Acceptance of Appointment By Successor Trustee.* Any successor trustee appointed as provided in Section 5.10 shall execute and deliver to the Issuer and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee with respect to all or any applicable Series shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all rights, powers, duties and obligations with respect to such Series of its predecessor hereunder, with like effect as if originally named as trustee for such Series hereunder; but, nevertheless, on the written request of the Issuer or of the successor trustee, upon payment of its charges then unpaid, the trustee ceasing to act shall, subject to Section 9.04, pay over to the successor trustee all moneys at the time held by it hereunder and shall execute and deliver an instrument transferring to such successor trustee all such rights, powers, duties and obligations. Upon request of any such successor trustee, the Issuer shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor trustee all such rights and powers. Any trustee ceasing to act shall, nevertheless, retain a prior claim upon all property or funds held or collected by such trustee to secure any amounts then due it pursuant to the provisions of Section 5.06.

If a successor trustee is appointed with respect to the Notes of one or more (but not all) Series, the Issuer, the predecessor Trustee and each successor trustee

with respect to the Notes of any applicable Series shall execute and deliver an indenture supplemental hereto which shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the predecessor Trustee with respect to the Notes of any Series as to which the predecessor Trustee is not retiring shall continue to be vested in the predecessor Trustee, and shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such trustees co-trustees of the same trust and that each such trustee shall be trustee of a trust or trusts under separate indentures.

Upon acceptance of appointment by any successor trustee as provided in this Section 5.11, the Issuer shall provide notice thereof to the Noteholders of any Series for which such successor trustee is acting as trustee as specified in Section 12.04 and to the CNV. If the acceptance of appointment is substantially contemporaneous with the resignation, then the notice called for by the preceding sentence may be combined with the notice called for by Section 5.10. If the Issuer fails to provide such notice within ten days after acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be provided at the expense of the Issuer.

Section 5.12. *Merger, Conversion, Consolidation or Succession to Business of Trustee.* Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; *provided* that such corporation shall be qualified under Section 310(b) of the Trust Indenture Act of 1939 and eligible under the provisions of Section 5.08, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

In case at the time such successor to the Trustee shall succeed to the trusts created by this Indenture any of the Notes of any Series shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor Trustee and deliver such Notes so authenticated; and, in case at that time any of the Notes of any Series shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor Trustee; and in all such cases such certificate shall have the full force as provided in the Notes of such Series or in this Indenture as the certificate of the Trustee shall have; *provided* that the right to adopt the certificate of authentication of any predecessor Trustee or to authenticate Notes of any Series in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

Section 5.13. *Notice of Defaults.* If an Event of Default occurs and if it is actually known by a Responsible Officer of the Trustee, the Trustee shall give to Holders of Notes of any Series affected a notice, in the manner and to the extent provided in Section 313(c) of the Trust Indenture Act of 1939, of the Event of Default within 90 days after it occurs. Except in the case of an Event of Default in the payment of the principal of or interest on any Note of any Series, or the payment of any sinking or purchase fund installment, or in the case of an Event of Default that occurs as a result of a merger, consolidation or conveyance as set forth in Section 8.01, the Trustee may withhold the notice if and so long as the board of directors, the executive committee, or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determines that withholding the notice is in the interests of Holders of Notes of any Series affected. The foregoing sentence of this Section 5.13 shall be in lieu of the proviso to Section 315(b) of the Trust Indenture Act of 1939, and such proviso to Section 315(b) of the Trust Indenture Act of 1939 is hereby expressly excluded from this Indenture and the Notes, as permitted by the Trust Indenture Act of 1939.

Person, or upon his order, shall be valid, and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Note.

Section 6.04. *Notes Owned by Issuer Deemed Not Outstanding.* In determining whether the Holders of the requisite aggregate principal amount of Outstanding Notes of any or all Series have concurred in any request, consent or waiver under this Indenture, Notes that are owned by the Issuer or any other obligor on the Notes with respect to which such determination is being made or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer or any other obligor on the Notes with respect to which such determination is being made shall be disregarded and deemed not to be Outstanding for the purpose of any such determination, except that for the purpose of determining whether the Trustee shall be protected in relying on any such request, consent or waiver, only Notes that a Responsible Officer of the Trustee knows are so owned shall be so disregarded. Notes so owned that have been pledged in good faith may be regarded as Outstanding if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to such Notes and that the pledgee is not the Issuer or any other obligor upon the Notes or any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer or any other obligor on the Notes. In case of a dispute as to such right, the advice of counsel shall be full protection in respect of any decision made by the Trustee in accordance with such advice. Upon request of the Trustee, the Issuer shall furnish to the Trustee promptly an Issuer Order listing and identifying all securities, if any, known by the Issuer to be owned or held by or for the account of any of the above-described Persons; and the Trustee shall be entitled to accept such Issuer Order as conclusive evidence of the facts therein set forth and of the fact that all Notes not listed therein are Outstanding for the purpose of any such determination.

Section 6.05. *Right of Revocation of Action Taken.* At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 6.01, of the taking of any action by the Holders of the percentage in aggregate principal amount of the Notes or of the percentage of votes cast of any or all Series, as the case may be, specified in this Indenture in connection with such action, any Holder of a Note the serial number of which is shown by the evidence to be included among the serial numbers of the Notes the Holders of which have consented to such action may, by filing written notice at the Corporate Trust Office and upon proof of holding as provided in this Article or otherwise in accordance with the applicable rules of the Depositary, revoke such action so far as concerns such Note. Except as aforesaid any such action taken by the Holder of any Note shall be conclusive and binding upon such Holder and upon all future Holders and owners of such Note and of any Notes issued in exchange or substitution therefor, irrespective of whether or not any notation in regard thereto is made upon any such Note. Any action taken by the Holders of the percentage

in aggregate principal amount of the Notes or of the percentage of votes cast of any or all Series, as the case may be, specified in this Indenture in connection with such action shall be conclusively binding upon the Issuer, the Trustee and the Holders of all the Notes affected by such action.

Section 6.06. *Noteholders Meetings.* (a) The Issuer (through the Board of Directors or the Supervisory Committee of the Issuer) may at any time call a meeting of the Holders of the Notes of any Series for the purpose of entering into an *acuerdo preventivo extrajudicial* under Argentine law with respect to the Notes, to enter into an APE relating to the Notes, to consent to any Voluntary Capital Reduction, to enter into a supplemental indenture as provided in Article 7 or to approve a modification or amendment to, or to obtain a waiver of, any provision of this Indenture or the Notes. The meetings will be held in Buenos Aires; *provided, however*, that each of the Issuer and the Trustee may determine to hold any such meeting simultaneously in Buenos Aires and in New York City and/or any other city by any means of telecommunications which permits the participants to hear and speak to each other, and any such simultaneous meeting shall be deemed to constitute a single meeting for purposes of the quorum and voting percentages applicable to such meeting. In addition, the Issuer (through the Board of Directors or the Supervisory Committee of the Issuer) shall upon the written request of the Trustee or of Holders of at least 5% in aggregate principal amount of any Series of Notes at the time Outstanding call such a meeting of the Holders of the Notes of such Series. In the event the Board of Directors or the Supervisory Committee of the Issuer shall fail to call a meeting requested by the Trustee or the Holders as provided in the immediately preceding sentence, the meeting may be called by the CNV or by the competent court. If a meeting is being held pursuant to a request of Noteholders, the agenda for such meeting shall be that set forth in the request made by such Noteholders and such meeting shall be convened within 40 days from the date such request is received by the Issuer and the Trustee.

(b) For so long as applicable Argentine laws and regulations so require, notice of any meeting of Noteholders, setting forth the date, time and place of such meeting and the agenda therefor (which shall describe in general terms the action proposed to be taken at such meeting), shall be called by publications as specified in Section 12.04 on five different days, not less than 10 days nor more than 30 days prior to the date fixed for the meeting, in the Official Gazette of the Republic of Argentina (*Boletín Oficial de la República Argentina*), the Buenos Aires Stock Exchange Bulletin and in another widely circulated newspaper in Argentina. To be entitled to vote at any meeting of Noteholders a Person shall be (i) a Holder of one or more Notes as of the relevant Record Date determined pursuant to Section 6.02 or (ii) a Person appointed by an instrument in writing as proxy by such a Holder of one or more Notes; *provided* that a person appointed as chairman of a meeting may not be appointed as proxy. The only Persons who shall be entitled to be present or to speak at any meeting of Noteholders shall be the Persons entitled to vote at such meeting and their financial and legal counsels,

any representatives of the Issuer and its financial and legal counsels and any representatives of the Trustee and its financial and legal counsels.

(c) Amendments or supplements to this Indenture or to the Notes of any Series or waivers of any provision hereof or thereof approved at a meeting of Holders may only be approved at a meeting as provided herein and in compliance with Section 7.02. The Persons entitled to vote 60% (or such greater percentage as may be required under applicable Argentine law) in aggregate principal amount of the Series A Notes, Series B Notes or a relevant Series of Notes, respectively, at the time Outstanding shall initially constitute a quorum at any such meeting of Holders of Notes of that Series. No business shall be transacted in the absence of a quorum, unless a quorum is present when the meeting is called to order. In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting may be adjourned for a period of not less than 10 days nor more than 30 days, as determined by the chairman of the meeting. For so long as applicable Argentine laws and regulations so require, Notice of the reconvening of any adjourned meeting shall be given as provided above and, in addition, published in the Official Gazette of the Republic of Argentina (*Boletín Oficial de la República Argentina*), the Buenos Aires Stock Exchange Bulletin and in another widely circulated newspaper in Argentina, except that such notice need be published only for three days not less than eight days prior to the date on which the meeting is scheduled to be reconvened. The Persons entitled to vote 30% (or such greater percentage as may be required under applicable Argentine law) in aggregate principal amount of the Series A Notes, Series B Notes or such Series of Notes, respectively, at the time Outstanding shall constitute a quorum at any such reconvened adjourned meeting. Notice of the reconvening of an adjourned meeting shall state expressly the aggregate principal amount of Series A Notes, Series B Notes or Notes of that Series, as applicable, that shall constitute a quorum at said meeting.

(d) Any Noteholder who has executed an instrument in writing appointing a Person as proxy shall be deemed to be present for the purposes of determining a quorum and be deemed to have voted; *provided* that such Noteholder shall be considered as present or voting only with respect to the matters covered by such instrument in writing. Any resolution passed or decision taken at any meeting of Noteholders of Series A Notes, Series B Notes or an individual Series of Notes, as the case may be, duly held in accordance with this Section shall, if otherwise in compliance with this Indenture, be binding on all the Noteholders of Series A Notes, Series B Notes or such Series of Notes, respectively, whether or not present or represented at the meeting.

(e) The appointment of any proxy shall be proved by having the signature of the Person executing the proxy guaranteed or certified by any notary public, bank, trust company satisfactory to the Issuer or judicially certified in the manner provided under Argentine law. The following Persons may not act as proxies: members of the Board of Directors or of the Supervisory Committee,

managers and other employees of the Issuer. The holding of Notes shall be proved by the Register maintained in accordance with Section 2.08 or by a certificate or certificates of the Trustee; *provided* that the holding of a beneficial interest in a Global Note shall be proved by a certificate or certificates of the Depository.

(f) A representative of the Trustee shall act as the chairman of the meeting. If the Trustee fails to designate a representative to act as chairman of the meeting, the Issuer shall designate a member of the Supervisory Committee to act as chairman of the meeting. If the Issuer fails to designate such a Person, the CNV or the competent court shall designate a Person to act as chairman. The secretary of the meeting shall be elected by vote of the Holders of a majority in the Dollar Amount of the then Outstanding aggregate principal amount of the Notes of the relevant Series represented at the meeting. At any meeting of Noteholders of any Series, each Noteholder of such Series or proxy shall be entitled to one vote for each U.S.\$1, 1, P\$1 or ¥100, respectively, principal amount of the Notes of such Series held or represented by such Noteholder; *provided* that no vote shall be cast or counted at any meeting in respect of any Note challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote except as a Noteholder or proxy. Any meeting of Noteholders duly called at which a quorum is present may be adjourned from time to time, and the meeting may be held as so adjourned without further notice.

(g) The vote upon any resolution submitted to any meeting of Noteholders shall be by written ballot on which shall be subscribed the signatures of the Noteholders or proxies and on which shall be inscribed the serial number or numbers of the Notes held or represented by them. The chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Noteholders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was published as provided above. The record shall be signed and verified by the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Issuer and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

Section 6.07. *Waiver of Certain Covenants.* The Issuer may omit in any particular instance to comply with any covenant or condition contained in this Indenture, if before the time for such compliance the Holders of at least a majority in the Dollar Amount of the then Outstanding aggregate principal amount of

Series A Notes, Series B Notes or, in the case of non-compliance with respect to a Series of Notes, the Notes of such individual Series, as the case may be, shall, by act of such Holders, either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Issuer and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect. Any such waiver shall be obtained by consent of Holders as specified in Section 6.08.

Section 6.08. *Consent of Holders.* With respect to any action requiring the consent of the Series A Notes, the Series B Notes or the Notes of any individual Series, as applicable, such consent may be granted by written consent of Holders of not less than a majority of the Dollar Amount of the then Outstanding aggregate principal amount of the Series A Notes, Series B Notes or the Notes of such individual Series, as applicable, or by consent of a majority of the Holders of Series A Notes, Series B Notes or the Notes of such individual Series, as applicable, present or represented at a meeting of Holders of Notes as set forth in Section 6.06.

Section 6.09. *Communications by Holders with Other Holders.* Noteholders may communicate pursuant to Section 312(b) of the Trust Indenture Act of 1939 with other Noteholders with respect to their rights under this Indenture or the Notes. The Issuer, the Trustee, the Registrar and any other person shall have the protection of Section 312(c) of the Trust Indenture Act of 1939.

(d) to cure any ambiguity or to cure, correct or supplement any defective or inconsistent provision contained herein or in the Notes or in any supplemental indenture or to conform this Indenture or the Notes to the descriptions thereof in the APE or the Issuer's solicitation statement related thereto; or to make such other provisions in regard to matters or questions arising under this Indenture, the Notes or under any supplemental indenture as the Issuer may, in its written opinion, deem necessary or desirable and which shall not adversely affect the rights of any Holders of Outstanding Notes in any material respect;

(e) to evidence and provide for the acceptance of appointment hereunder by a successor trustee with respect to the Notes of one or more Series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, pursuant to the requirements of Sections 5.10 and 5.11; and

(f) to comply with any requirements of the Commission under the Trust Indenture Act of 1939.

The Trustee is hereby authorized to join with the Issuer in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations that may be therein contained and to accept the conveyance, transfer, assignment, mortgage or pledge of any property thereunder, but the Trustee shall not be obligated to enter into any such supplemental indenture that adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Any supplemental indenture authorized by the provisions of this Section 7.01 may be executed without the consent of the Holders of any of the Notes at the time Outstanding, notwithstanding any of the provisions of Section 7.02.

Table of Contents

Promptly after the execution by the Issuer and the Trustee of any supplemental indenture pursuant to the provisions of this Section, the Issuer at its expense shall give notice thereof to the Holders of Notes of any and all Series of Notes affected and to the Trustee as specified in Section 12.04, and to the CNV, setting forth in general terms the substance of such supplemental indenture. Any failure of the Issuer to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

Section 7.02. *Supplemental Indentures with Consent of Noteholders.* With (a) the consent, (obtained at a meeting and evidenced as provided in Article 6) of the Holders of not less than a majority in the Dollar Amount of the then Outstanding aggregate principal amount of all Series of Notes or the Notes of any Series, as the case may be, affected by such supplemental indenture (voting as a single class) present or represented at a meeting at which a quorum is present or (b) to the extent permitted under Argentine law, the written consent of the Holders of not less than a majority of the Dollar Amount of the then outstanding aggregate principal amount of all Series of Notes or the Notes of any Series, as applicable, affected by such supplemental indenture (voting as a single class), the Issuer, when authorized by a Board Resolution, and the Trustee may, from time to time and at any time, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture, the Notes or of any supplemental indenture or of modifying in any manner the rights of the Holders of Notes of all Series of Notes or Notes of such Series, as applicable; *provided that*, notwithstanding any other provision provided herein, including but not limited to Article 6 of the Indenture, the unanimous affirmative vote of the Holders of all Series of Notes or the Notes of any Series, as the case may be, affected by such supplemental indenture shall be required to approve any supplemental indenture which:

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular Series of Notes, or which modifies the rights of Holders of Notes of such Series with respect to such covenant or provision, shall be deemed not to affect the rights under this Indenture of the Holders of Notes of any other Series.

Upon the written request of the Issuer and upon the filing with the Trustee of evidence of the consent of Noteholders as aforesaid and other documents, if any, required by Section 6.01 and such opinions and/or certificates as the Trustee may reasonably request, the Trustee shall join with the Issuer in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

It shall not be necessary for the consent of the Noteholders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

(c) In the event that the Issuance Date does not occur prior to October 15, 2004, the Issuer shall pay on the Issuance Date any payment of principal scheduled to occur prior to such Issuance Date.

(d) Scheduled principal payments on the Notes may be rescheduled as provided in Section 10.14.

Section 10.02. *Mandatory Prepayment With Excess Cash.* (a) Subject to the authorization of the Central Bank, to the extent required by applicable law, if on the last day of any six month period beginning on July 1 or January 1 (the **Calculation Date**), which period ends after the Issuance Date (the **Excess Cash Period**), there is any Excess Cash, then, no later than the next April 15 or October 15, respectively (each, a **Mandatory Prepayment Date**), the Issuer will apply such Excess Cash as follows:

(i) if the Issuer's Cash Balance as of the Calculation Date is less than U.S.\$50 million (or its equivalent in other currencies), the Issuer will apply up to 30% of the Excess Cash for such Excess Cash Period to increase the Cash Balance as of such Calculation Date up to (but not exceeding) U.S.\$50 million (or its equivalent in other currencies);

(ii) at the Issuer's election, up to 29% of the amount equal to the Excess Cash minus any amount applied pursuant to clause (i) above (**Reserved Excess Cash**) shall be deposited in the Reserve Account on such Mandatory Prepayment Date; and

(iii) any remaining Excess Cash (whether or not the Cash Balance is increased to US\$50 million as a result of the application of Excess Cash pursuant to clause (i) above), together with any cash that is required to be released from the Reserve Account on such date in accordance with the provisions hereunder, shall be applied (A) at the Issuer's election, to purchase or prepay New Debt through Market Purchase or Optional Redemption transactions or a Note Payment and (B) to the extent that any such Excess Cash is not so applied on or before the

Mandatory Prepayment Date, such Excess Cash shall be applied to a Note Payment not later than such Mandatory Prepayment Date.

provided, however, that if at any time during such Excess Cash Period, the Issuer makes any Distribution Payment, the aggregate amount of the Excess Cash for such Excess Cash Period applied to purchase or prepay New Debt through a Note Payment (excluding any amounts in respect of accrued interest or Additional Amounts) shall be at least two and a half times such Distribution Payment, notwithstanding any provision to the contrary regarding the application of Excess Cash for such Excess Cash Period.

(b) If Excess Cash available to purchase Notes through Market Purchase or Optional Redemption transactions or a Note Payment is less than U.S.\$5 million (or its equivalent in other currencies), the amount of such Excess Cash shall, to the extent not applied to purchase or prepay New Debt as provided in Section 10.02(a), be deposited in the Reserve Account and applied on the next Mandatory Prepayment Date.

(c) Excess Cash will be calculated in Pesos in accordance with Argentine GAAP (except for the exclusion of Telecom Personal and its Subsidiaries in the consolidation). For purposes of determining the amount of cash to be applied by the Issuer pursuant to Section 10.02(a)(i), the Cash Balance will be converted into dollars using exchange rates in effect as of the relevant Measurement Date. In connection with any Note Payment, for purposes of determining the amount payable to holders of New Debt (including the Noteholders) denominated in various currencies, the principal amount of all outstanding New Debt shall be deemed to equal the Dollar Amount thereof as of the relevant Measurement Date. Payments will be made to holders of New Debt in the same currency in which the underlying New Debt are denominated. Payments in currencies other than dollars will be calculated by converting the applicable amount into Pesos, Euro and Yen, as applicable, using the same rates of exchange as applied in determining the Dollar Amount of the outstanding New Debt.

(d) To the extent that any authorization of the Central Bank required to make any such payment is not obtained on or prior to the relevant Mandatory Prepayment Date, the Issuer will deposit Excess Cash to be applied pursuant to clause (a)(iii) above in a trust account on the Mandatory Prepayment Date, and such funds will be held by the trustee of such trust for the benefit of the holders of the New Debt until such payment can be made. Any investment income earned by the trust will be added to the Excess Cash amount payable to holders of the New Debt. The Issuer will use its best efforts to obtain any required authorization of the Central Bank within 90 days after such Mandatory Prepayment Date. In the event that the Issuer is unable to receive the authorization of the Central Bank within such 90-day period, the Issuer will, as promptly as practicable thereafter,

make such payment by following the procedures as set forth in Section 12.08. In the event of any delay in payment as contemplated herein:

(i) The determination of the proportion of Excess Cash payable to holders of New Debt denominated in various currencies will be made as of the end of the business on the third Business Day prior to the relevant record date for such payment to holders;

(ii) the Issuer shall make payments from the Excess Cash to holders of all New Debt of each Tranche on the same date, except for payments made to holders requesting payment in Pesos as provided under Section 12.08 (which payments may be made using funds held in the trust account referred to above); and

(iii) the Issuer shall procure the assistance of an investment bank, commercial bank or similar entity nationally recognized in Argentina having experience in obtaining authorization from the Central Bank for access to foreign exchange in order to comply with debt obligations held by creditors outside of Argentina, and will provide to the Trustee copies of any request, application or other documentation submitted to the Central Bank requesting the approvals required in order to make the payment.

Any such delay in payment contemplated herein within 90 days after such Mandatory Prepayment Date, and any failure to make any payment due to the inability to complete the procedures set forth under Section 12.08 (including any inability to purchase and sell Securities or acquire Dollars, Euros or Yen as applicable, through any other legal mechanism), shall not constitute an Event of Default, and no interest will be payable to holders of the New Debt in respect of any such amount.

At the request of the Issuer, the trustee for the trust mentioned above will apply the funds held in the trust account to purchase Dollars or Euro or Yen and apply such funds to scheduled payments of principal and interest on the New Debt, if permitted by the Central Bank.

(e) The trust account referred to in Section 10.02(d) shall operate as follows:

(i) The trust account shall be opened in the name of a trustee (the **Collateral Trustee**), for the benefit of the holders of the New Debt under a trust created under Argentine Law 24,441, as amended.

(ii) The Collateral Trustee shall (x) be an internationally recognized financial entity authorized to act as such under Argentine law 21,526 with offices in the City of New York, State of New York, United States of America; and (y) have a rating of at least A granted by a rating

agency authorized by the Central Bank in accordance with the regulations of the Central Bank in respect of Evaluation of Financial Entities (*Evaluación de Entidades Financieras*), or, at any time when such regulations are suspended, the term deposits of such financial entity shall be rated at least A by a rating agency authorized by the Central Bank in accordance with the regulations of the Central Bank in respect of Investments of the Proceeds of Pension Funds-Rating of Assets (*Inversiones con los Recursos de los Fondos de Jubilaciones y Pensiones Calificación de Activos*).

(iii) Any funds deposited in the trust account shall only be released in the following manner and for the following purposes:

(A) If a default under Section 4.01 (a) or (b) of this Indenture (or equivalent provisions in the New Loans) shall not have occurred and be continuing, and the New Debt has not been accelerated pursuant to Sections 4.01 and 4.02 of this Indenture:

(1) in the case of funds deposited pursuant to Section 10.02 or 3.23 of the Indenture (or equivalent provisions in the New Loans), upon the delivery by the Issuer of (a) an Officer's Certificate stating that the authorization of the Central Bank required to make any payments under such sections has been duly obtained and is in full force and (b) a copy of the authorization of the Central Bank, the Collateral Trustee shall deliver the funds to the counterparty of the foreign exchange transaction indicated in writing by an Officer of the Issuer, in order to acquire Dollars, Euro or Yen and apply such Dollars, Euro or Yen to enable the Issuer to satisfy its obligations under such sections; or

(2) in the case of Qualified Telecom Personal Indebtedness deposited pursuant to Section 3.13(b) of the Indenture (or the equivalent provision in the New Loans), the Collateral Trustee shall deliver the proceeds of the sale of such indebtedness to the Issuer or upon the Issuer's order in order to enable the Issuer to satisfy its obligations under such section of the Indenture and New Loans; or

(B) if a default under Section 4.01 (a) or (b) of this Indenture (or equivalent provisions in the New Loans) shall have occurred and be continuing or the New Debt shall have been accelerated pursuant to Sections 4.01 and 4.02 of this Indenture, the Collateral Trustee shall apply the funds deposited in the trust

account as instructed in writing by the Trustee on behalf of holders of the Notes (with pro rata payment made to any holder of a New Loan).

(f) The trust account shall be governed by a trust agreement substantially in the form of Exhibit F hereto.

Section 10.03. *Offer to Redeem Upon a Change in Control.* (a) An **Offer to Redeem** means an offer by the Issuer to redeem Notes as required by Section 3.23 of this Indenture. An Offer to Redeem must be made by written offer (the **offer**) sent to the Holders. The Issuer will notify the Trustee in writing at least five days (or such shorter period as is acceptable to the Trustee) prior to sending the offer to Holders of its obligation to make an Offer to Redeem, and the offer will be sent by the Issuer or, at the Issuer's request and having been provided to the Trustee by the Issuer, by the Trustee in the name and at the expense of the Issuer.

(b) The offer must include or state the following as to the terms of the Offer to Redeem:

(i) that the Offer to Redeem is being made pursuant to this provision of the Indenture;

(ii) the aggregate principal amount of the Outstanding New Debt offered to be purchased by the Issuer pursuant to the Offer to Redeem (the **purchase amount**);

(iii) the purchase price, including the portion thereof representing accrued interest;

(iv) an expiration date (the **expiration date**) not less than 30 days or more than 60 days after the date of the offer, and a settlement date for redemption not more than five Business Days after the expiration date;

(v) information concerning the business of the Issuer and its Restricted Subsidiaries which the Issuer in good faith believes will enable the Holders to make an informed decision with respect to the Offer to Redeem;

(vi) that a Holder may tender all or any portion of its Notes subject to any requirement that any portion of a Note tendered must be in a multiple of U.S.\$1.00, P\$1.00, 1.00 or ¥100;

(vii) the place or places where Notes are to be surrendered for tender pursuant to the Offer to Redeem;

Table of Contents

(viii) that each Holder electing to tender a Note pursuant to the offer will be required to surrender such Note at the place or places specified in the offer prior to the close of business on the expiration date (such Note being, if the Issuer or the Trustee so requires, duly endorsed or accompanied by a duly executed written instrument of transfer);

(ix) that interest on any Note not tendered, or tendered but not purchased by the Issuer pursuant to the Offer to Redeem, will continue to accrue;

(x) that on the redemption date the purchase price will become due and payable on each Note accepted for purchase, and interest on Notes redemption will cease to accrue on and after the redemption date;

(xi) that Holders are entitled to withdraw Notes tendered by giving written notice, which must be received by the Issuer or the Trustee not later than the close of business on the expiration date, setting forth the name of the Holder, the principal amount of the tendered Notes, the certificate number of the tendered Notes and a statement that the Holder is withdrawing all or a portion of the tender;

(xii) if any Note is purchased in part, new Notes equal in principal amount to the unpurchased portion of the Note will be issued; and

(xiii) if any Note contains a CUSIP or ISIN or CINS or Common Code number, no representation is being made as to the correctness of the CUSIP or ISIN or CINS or Common Code number either as printed on the Notes or as contained in the offer and that the Holder should rely only on the other identification numbers printed on the Notes.

(c) Prior to the redemption date, the Issuer will accept tendered Notes for redemption as required by the Offer to Redeem and deliver to the Trustee all Notes so accepted together with an Officers Certificate specifying which Notes have been accepted for redemption. On the redemption date the redemption price will become due and payable on each Note accepted for redemption, and interest on Notes purchased will cease to accrue on and after the redemption date. The Trustee will promptly return to Holders any Notes not accepted for redemption and send to Holders new Notes equal in principal amount to any portion not redeemed of any Notes accepted for redemption in part.

The Issuer will comply with Rule 14e-1 under the Exchange Act, the regulations of the Central Bank and the CONSOB and all other applicable Argentine, Italian and the United States securities laws in making any Offer to Redeem and the above procedures will be deemed modified as necessary to permit such compliance. To the extent that the provisions of any securities laws or regulations conflict with this provision, the Issuer will comply with the

applicable securities laws and regulations and will not be deemed to have breached its obligations under such provision by virtue of such conflict. To the extent that any authorization of the Central Bank is required, the Issuer will deposit the purchase amount in a trust as contemplated in Section 10.02(d).

Section 10.04. *Payment Upon Completion of the APE.* If, pursuant to the APE, the Issuer applies less than U.S.\$663 million to pay Option C (as defined in the APE) cash consideration, then the Issuer will, within 45 days of the Issuance Date, apply the difference between U.S.\$663 million and the lower Dollar amount that the Issuer applied to Option C cash consideration to purchase Notes at the Issuer's election through Market Purchase or Optional Redemption transactions or a Note Payment.

Section 10.05. *Mandatory Redemption Provisions.* Except as set forth in Sections 10.01, 10.02, 10.03 and 10.04 above and in Sections 3.14, 3.15 and 3.22, the Issuer shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

Section 10.06. *Redemption or Prepayment at the Option of the Issuer.* (a) The Notes may be redeemed at the option of the Issuer, without payment of any premium or penalty, in whole or in part, at any time after the Issuance Date and prior to the maturity date specified in the terms of the Notes at the redemption price equal to 100% of the Outstanding principal amount thereof (adjusted to take into account any prepayments or repurchases), together with accrued interest, if any, to the date fixed for redemption and any Additional Amounts (**Optional Redemption**). Notice of redemption will be given pursuant to Section 12.04 not less than 10 Business Days prior to the date fixed for redemption. In the case of any Optional Redemption of less than all of the Notes, the Notes will be redeemed on a pro rata basis, or will be selected for redemption by the Trustee in compliance with the requirements of the principal securities exchange, if any, on which such notes are listed, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

(b) Subject to Section 10.14(a), the Notes may be prepaid, at the option of the Issuer, without payment of any premium or penalty, in whole or in part, at any time pursuant to Note Payments.

Section 10.07. *Redemption at the Option of the Issuer for Taxation Reasons.* Notes of any Series (or any Tranche thereof) may be redeemed, at the option of the Issuer, as a whole, but not in part, at any time, upon giving notice to Holders not less than 30 days nor more than 60 days prior to the date fixed for redemption (which notice shall be irrevocable and shall be given in the manner described below), at a redemption price equal to the principal amount thereof, together with interest accrued to the date fixed for redemption and any Additional Amounts payable with respect thereto, if the Issuer determines and certifies in writing to the Trustee that:

(a) as a result of any change in or amendment to the laws (or any regulations or rulings promulgated thereunder) of Argentina or any political subdivision or taxing authority thereof or therein affecting taxation, or any change in the official position regarding the application or interpretation of such laws, regulations or rulings (including a holding by a court of competent jurisdiction), which change, amendment, application or interpretation becomes effective on or after the date of issue of such Notes, the Issuer pays or would become obligated to pay Additional Amounts in respect of the Listed Notes pursuant to their terms or Additional Amounts in excess of the amounts the Issuer is obligated to pay pursuant to the terms of the Unlisted Notes, and

(b) such obligation cannot be avoided by the Issuer taking reasonable measures available to it; *provided* that no such notice of redemption may be given earlier than 60 days prior to the earliest date on which the Issuer would be obligated to pay such Additional Amounts if a payment in respect of such Notes was due on such date.

Prior to the giving of any notice of redemption of any Notes described in this Section 10.07, the Issuer shall deliver to the Trustee (i) a certificate signed by two directors of the Issuer stating that the obligation to pay Additional Amounts cannot be avoided by the Issuer by taking reasonable measures available to it and (ii) a written opinion of independent legal counsel to the Issuer to the effect that the Issuer has become obligated to pay Additional Amounts as a result of a change, amendment, official interpretation or application described above and that the Issuer cannot avoid payment of such Additional Amount by taking reasonable measures available to it.

Section 10.08. *Notice of Redemption.* A notice of redemption shall be given by the Issuer or by the Trustee pursuant to an Issuer Order delivered to the Trustee not less than five days (or such shorter period as is acceptable to the Trustee) prior to the date of such redemption. Such notice shall specify the provision pursuant to which the redemption is being made; the principal amount of each Note held by such Holders to be redeemed; the date fixed for redemption; the redemption price, the place or places of payment; if applicable, that payment will be made upon presentation and surrender of such Notes; the CUSIP and/or ISIN and/or CINS and/or Common Code number (if any); that interest accrued to the date fixed for redemption and any Additional Amounts will be paid as specified in such notice, that on and after said date interest thereon or on the portions thereof to be redeemed will cease to accrue and any other matter required to be specified therein by Argentine law or regulation. Any notice of Redemption required to be provided to Holders of Notes of any Series to be redeemed pursuant to Section 12.04 will be given by the Issuer or by the Trustee in the name and at the expense of the Issuer.

Section 10.09. *Selection of Notes to be Redeemed.* Unless otherwise provided herein, if fewer than all of the Notes of any Series are being redeemed,

such Notes will be redeemed on a pro rata basis, or will be selected for redemption by the Trustee in compliance with the requirements of the principal securities exchange, if any, on which such Notes are listed, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate. For the avoidance of doubt, any redemption made through a Note Payment (other than during a Devaluation Event Cure Period) shall be applied to the remaining installments of the Notes in direct order of maturity, with such payment being made pro rata among the Notes based on the next remaining scheduled amortization payments.

If any Notes are to be redeemed only in part, the notice of redemption relating to the Notes shall state the portion of the principal amount thereof to be redeemed.

Section 10.10. *Deposit of Redemption Price.* On or before 12:00, noon, New York City time, at least one Business Day prior to the redemption date specified in the notice of redemption given as provided in Article 10, the Issuer will deposit with the Trustee (or, if the Issuer is acting as its own Paying Agent, set aside, segregate and hold in trust as provided in Section 3.04) an amount of money sufficient to redeem on the redemption date all the Notes so called for redemption at the appropriate redemption price, together with accrued interest to the date fixed for redemption and any Additional Amounts.

Section 10.11. *Payment of Notes Called for Redemption.* If notice of redemption has been given as above provided, the Notes specified in such notice shall become due and payable on the date and at the place stated in such notice at the applicable redemption price, together with interest accrued to the date fixed for redemption and any Additional Amounts, and on and after said date (unless the Issuer shall default in the payment of such Notes at the redemption price, together with interest accrued to said date and any Additional Amounts) interest on the Notes so called for redemption shall cease to accrue and, except as provided in Sections 5.05 and 9.04, such Notes shall cease from and after the date fixed for redemption to be entitled to any benefit or security under this Indenture, and the Holders thereof shall have no right in respect of such Notes except the right to receive the redemption price thereof and unpaid interest accrued to the date fixed for redemption and any Additional Amounts. On presentation and surrender, pursuant to the terms of such Notes, of such Notes at a place of payment specified in said notice, said Notes shall be paid and redeemed by the Issuer at the applicable redemption price, together with interest accrued thereon to the date fixed for redemption and any Additional Amounts; *provided* that any semiannual payment of interest and any scheduled principal payment made pursuant to Section 10.01 becoming due on the date fixed for redemption and any Additional Amounts shall be payable to the Holders of such Notes registered as such on the relevant Record Date subject to the terms and provisions of Section 2.07 hereof.

Table of Contents

From and after the redemption date, if moneys for the redemption of the Notes called for redemption shall have been made available as provided herein for redemption on the redemption date, such Notes shall cease to bear interest, and the only right of the Holders of such Notes shall be to receive payment of the redemption price and all unpaid interest accrued to the date of redemption and any Additional Amounts.

Notwithstanding any provision to the contrary in this Section 10.11, if any Note called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid or duly provided for, bear interest from the date fixed for redemption at the rate specified in the Note.

Section 10.12. *Exclusion of Certain Notes from Eligibility for Selection for Redemption.* Notes of any Series shall be excluded from eligibility for selection for redemption if they are identified by registration and certificate number in an Officers Certificate delivered to the Trustee at least 30 days prior to the date on which notice of redemption will be given as being owned of record and beneficially by, and not pledged or hypothecated, by either (i) the Issuer or (ii) an entity specifically identified in such written statement as directly or indirectly controlled by the Issuer.

Section 10.13. *Notes Redeemed in Part.* Upon surrender of a Definitive Note that is redeemed in part, the Issuer shall issue and the Trustee shall authenticate a new Definitive Note of the same Series equal in principal amount to the unredeemed portion of the Notes surrendered upon cancellation of the original Notes.

Section 10.14. *Devaluation Event.* (a) Upon a Major Devaluation Event, the Issuer may, at its option, elect to reschedule one principal amortization payment on any or all Series of Notes by written notice to the Trustee on or prior to the Record Date for such payment. The six-month period following the date of the rescheduled payment is referred to as the **Devaluation Event Cure Period**. The Issuer may elect to reschedule the principal amortization payment occurring immediately after the Major Devaluation Event, or the next succeeding scheduled principal payment. In such event, the principal payment selected shall be rescheduled in equal installments over the remaining scheduled principal payments on such Series of Notes due after the Devaluation Event Cure Period. The Issuer may exercise its right to reschedule principal payments with respect to any Series of Notes up to two times, but may not elect to reschedule two consecutive payments.

(b) The Issuer's right to reschedule any principal payment shall immediately terminate upon the making of any Distribution Payment by the Issuer. In the event that the Issuer makes a Distribution Payment during a Devaluation Event Cure Period, the principal amortization payment deferred

under this Section 10.14 will become immediately due and payable, and the original amortization schedule shall be reinstated.

(c) In addition, during a Devaluation Event Cure Period, the Issuer will not be permitted to (i) Incur any Indebtedness other than Permitted Indebtedness (excluding Permitted Indebtedness specified in clauses iv, ix and x under Section 3.12(b) and (ii) make any Investment under clause 14 of the definition of Permitted Investment.

Section 10.15. *Redemptions and Purchases of the New Debt.* In this Indenture and the Notes, the Issuer's obligations to prepay or repurchase the Notes shall be construed to give effect to the Issuer's concurrent obligation to purchase or prepay the Notes and all other outstanding New Debt of the Series to which the Notes relate, on a pro rata basis. Without limiting the foregoing, reference herein to Optional Redemption shall be construed to include the Optional Prepayment of the New Loans on a pro rata basis and reference herein to Offer to Redeem shall be construed to include the Offer to Prepay the New Loans on a pro rata basis.

For this purpose, such covenant defeasance means that the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such Section or clause, whether directly or indirectly by reason of any reference elsewhere herein to any such Section or clause or by reason of any reference in any such Section or clause to any other provision herein or in any other document, but the remainder of this Indenture and such Notes shall be unaffected thereby.

(iv) No Event of Default or event which with notice or lapse of time or both would become an Event of Default shall have occurred and be continuing on the date of such deposit or will occur as a result of such deposit or, insofar as Section 4.01(l) and Section 4.01(m) is concerned, at any time during the period ending on the 121st day after the date of such deposit (it being understood that this condition shall not be deemed satisfied until the expiration of such period).

(vi) Such defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under, any other agreement or instrument to which the Issuer is a party or by which it is bound.

(viii) The Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect the Issuer's exercise of its election under Section 11.02 or 11.03, as the case may be, will not result in any of the Issuer, the Trustee or the trust created by the Issuer's deposit of funds in connection with the exercise of its election thereunder becoming or deemed to be an investment company as defined in the Investment Company Act of 1940, as amended.

(ix) The Issuer has delivered to the Trustee, subject to certain exceptions set forth in this Indenture, an opinion of counsel in Argentina to the effect that after two years (or with respect to any trust funds for the benefit of any Person who may be deemed an insider for purposes of Title 11 of the United States Code, after one year) following the deposit, the trust funds deposited in accordance with Argentine Law 24,447 as drafted as of the date hereof will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors rights generally under the laws of Argentina.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations deposited pursuant to Section 11.05 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the Outstanding Notes of such Series.

Anything in this Article 11 to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon an Issuer Order any money or U.S. Government Obligations held by it as provided in Section 5.05 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent defeasance or covenant defeasance.

Section 11.06. *Reinstatement.* If the Trustee or any Paying Agent is unable to apply any money in accordance with Section 11.02 or Section 11.03 by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's obligations under this Indenture and the Notes of any Series shall be revived and reinstated as though no deposit had occurred pursuant to this Article 11 until such time as the Trustee or Paying Agent is permitted to apply such money in accordance with Section 11.02 or Section 11.03; *provided, however,* that if the Issuer makes any payment of principal of (and premium, if any) or interest on any Note of such Series following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or the Paying Agent.

ARTICLE 12

expressly waived and released by the acceptance of the Notes by the Holders thereof and as part of the consideration for the issuance of the Notes; *provided* that the waiver may not be effective to waive liabilities under the federal securities laws of the United States and it is the view of the Commission that such a waiver is against public policy.

Section 12.02. *Provisions of Indenture for the Sole Benefit of Parties and Noteholders.* Nothing in this Indenture or in the Notes, express or implied, shall give or be construed to give to any Person, firm or corporation, other than the parties hereto and their successors and the Holders of the Notes, any legal or equitable right, remedy or claim under this Indenture or under any covenant or provision herein contained, all such covenants and provisions being for the sole benefit of the parties hereto and their successors and of the Holders of the Notes; *provided, however*, that under Section 34 of the Negotiable Obligations Law, the Directors and members of the Supervisory Committee shall be jointly and severally liable for damages to the Noteholders arising from any violation of the Negotiable Obligations Law.

Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Except as otherwise provided herein or in the Notes, the Issuer agrees to give the Trustee the English text of any notice that the Issuer is required to provide to the Noteholders pursuant hereto and to the Notes, at least 5 days (or such shorter period as is acceptable to the Trustee) prior to the earliest date on which such notice is required to be given.

Section 12.05. *Officers Certificates and Opinions of Counsel; Statements to be Contained Therein.* Upon any application or demand by or on behalf of the Issuer to the Trustee to take any action under any of the provisions of this Indenture, the Issuer shall furnish to the Trustee, at the request of the Trustee, an Officers Certificate stating that all conditions precedent provided for in this Indenture relating to the proposed action have been complied with and an Opinion of Counsel stating that in the opinion of such counsel all such conditions precedent have been complied with, except that in the case of any such application or demand as to which the furnishing of such documents is specifically required by any provision of this Indenture relating to such particular application or demand, no additional certificate or opinion need be furnished.

certificate, statement or opinion may be based as aforesaid are erroneous, or in the exercise of reasonable care should know that the same are erroneous. Any certificate, statement or Opinion of Counsel may be based, insofar as it relates to factual matters, information with respect to which is in the possession of the Issuer, upon the certificate, statement or opinion of or representations by a director or directors or officer or officers of the Issuer, unless such counsel knows that the certificate, statement or opinion or representations with respect to the matters upon which his certificate, statement or opinion may be based as aforesaid are erroneous, or in the exercise of reasonable care should know that the same are erroneous.

Any certificate, statement or opinion of a director or officer of the Issuer or of counsel may be based, insofar as it relates to accounting matters, upon a certificate or opinion of or representations by an accountant or firm of accountants in the employ of the Issuer, unless such director or officer or counsel, as the case may be, knows that the certificate or opinion or representations with respect to the accounting matters upon which his certificate, statement or opinion may be based as aforesaid are erroneous, or in the exercise of reasonable care should know that the same are erroneous.

Any certificate or opinion of any independent firm of public accountants filed with the Trustee shall contain a statement that such firm is independent.

Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture (other than annual certificates provided pursuant to Section 3.08 shall include in substance:

The Trustee shall make available to any Noteholder as soon as practicable at the Corporate Trust Office or at the office of any Paying Agent, upon written request and upon presentation by such Holder of such evidence of its ownership of its Notes as may be satisfactory to the Trustee, copies of all financial

statements and certificates delivered to the Trustee by the Issuer pursuant to this Indenture or the Notes of any Series; *provided* that the Trustee shall have no liability with respect to any information contained therein or omitted therefrom.

Section 12.06. *Payments Due on Non-business Days.* If the date of maturity or the date for payment of interest (including any Additional Amounts) on or principal of the Notes of any Series or the date fixed for redemption or repayment of any such Note shall not be a Business Day, then payment of interest (including any Additional Amounts), premium, if any, or principal need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date fixed for such payment, and no interest shall accrue on such payment for the period from and after such date.

Section 12.07. *Governing Law; Consent to Jurisdiction; Waiver of Immunities.* (a) This Indenture and the Notes shall be construed in accordance with and governed by the laws of the State of New York without regard to any rules regarding conflicts of laws; *provided, however*, that all matters relating to the due authorization, execution, issuance and delivery of the Notes, the capacity of the Issuer, and matters relating to the legal requirements necessary in order for the Notes to qualify as *negotiable obligations* under Argentine law, shall be governed by the Negotiable Obligations Law and other applicable Argentine laws and regulations.

(b) The Issuer agrees that any suit, action or proceeding against it or its properties, assets or revenues with respect to this Indenture or any Note (a **Related Proceeding**) may be brought in the Supreme Court of the State of New York, County of New York; or in the United States of America District Court for the Southern District of New York; or in the courts of Argentina that sit in Buenos Aires (collectively, the **Specified Courts**), as the Person bringing such Related Proceeding may elect in its sole discretion. The Issuer hereby irrevocably submits to the non-exclusive jurisdiction of each of the Specified Courts for the purpose of any Related Proceeding. The agreement made by the Issuer in this Section 12.07 with respect to jurisdiction is made solely with respect to Related Proceedings and under no circumstances shall it be interpreted as a general agreement by the Issuer with respect to proceedings unrelated to this Indenture or the Notes.

(c) The Issuer agrees that service of all writs, claims, process and summonses in any Related Proceeding brought against it in the State of New York may be made upon CT Corporation System, presently located at 111 Eighth Avenue, New York, New York 10011 (the **Process Agent**), and the Issuer irrevocably appoints the Process Agent as its agent and true and lawful attorney-in-fact in its name, place and stead to accept such service of any and all such writs, claims, process and summonses, and agrees that the failure of the Process Agent to give any notice to it of any such service of process shall not impair or affect the validity of such service or of any judgment based thereon. The Issuer

agrees to maintain at all times an agent with offices in New York to act as its Process Agent. Nothing herein shall in any way be deemed to limit the ability to serve any such writs, process or summonses in any other manner permitted by applicable law.

(d) The Issuer irrevocably consents to and waives any objection that it may now or hereafter have to the laying of venue of any Related Proceeding brought in any of the Specified Courts and further irrevocably waives, to the fullest extent it may effectively do so, the defense of an inconvenient forum to the maintenance of any Related Proceeding in any such court.

(e) To the extent that the Issuer or any of its revenues, assets or properties shall be entitled, with respect to any Related Proceeding at any time brought against the Issuer or any of its revenues, assets or properties in any jurisdiction in which any Specified Court is located, any immunity (sovereign or otherwise) from suit, from the jurisdiction of any such court, from attachment prior to judgment, from attachment in aid of execution of judgment, from execution of a judgment or from any other legal or judicial process or remedy, and to the extent that in any such jurisdiction there shall be attributed such an immunity, the Issuer irrevocably agrees not to claim and irrevocably waives such immunity to the fullest extent permitted by law (including, without limitation, the Foreign Sovereign Immunities Act of 1976 of the United States of America), it being understood that, should enforcement against assets of the Issuer be sought in Argentina, courts may refuse to grant such enforcement on the basis that assets of the Issuer are subject to the provision of an essential public service or pursuant to applicable provisions of the Argentine Bankruptcy law. The Issuer agrees that final judgment in any such suit, action or proceeding brought in any Specified Court will be conclusive and binding on it and may be enforced in any court to the jurisdiction of which the Issuer is subject by a suit upon such judgment; *provided*, that service of process is effected upon the Issuer in the manner specified above or as otherwise permitted by law.

(f) If for the purpose of obtaining judgment in any court it is necessary to convert a sum due under a Note in one currency into another currency, the Issuer and the Trustee, on behalf of the Holders, agree, to the fullest extent that it may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Issuer or such Holder, as applicable, could purchase the first currency with such other currency in the city which is the principal financial center of the country of issue of the first currency on the day which is two Business Days prior to the day on which final judgment is rendered.

(g) The obligation of the Issuer in respect of any sum payable by it to the Holder of a Note hereunder shall, notwithstanding any judgment in a currency (the **judgment currency**) other than that in which such sum is denominated in accordance with the applicable provisions of this Indenture or such Note (the

note currency), be discharged only to the extent that on the Business Day following receipt by such Holder of any sum adjudged to be so due in the judgment currency, such Holder may in accordance with normal banking procedures purchase the note currency with the judgment currency; if the amount of the note currency so purchased is less than the sum originally due in the note currency the Issuer agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Holder against such loss, and if the amount of the note currency so purchased exceeds the sum originally due to such Holder, such Holder agrees to remit to the Issuer such excess; *provided* that such Holder shall have no obligation to remit any such excess as long as the Issuer failed to pay such Holder any obligations due and payable under this Indenture or such Note, in which case such excess may be applied to such obligations of the Issuer hereunder in accordance with the terms of this Indenture or such Note.

(h) The Issuer hereby waives, to the fullest extent permitted by applicable laws, in connection with any legal proceeding arising out of or in connection with this Agreement instituted against the Issuer in Argentina, (i) the right to demand that the holder of a Note post a performance bond or guaranty (*excepción de arraigo*) and (ii) the right to challenge without cause the presiding judge or any other member of the court having jurisdiction over any such action or proceeding.

(i) The Issuer further agrees to submit to the jurisdiction of the Arbitration Panel any disputes brought against Telecom by holders of the notes concerning the existence, validity, or interpretation of, or compliance with, or resolutions passed in connection with, the notes. The Issuer and the Noteholders agree that any matters presented to the Arbitration Panel by the Noteholders shall be definitively solved by such panel. This agreement shall not limit the rights of Noteholders (i) to elect to file a claim before Argentine courts as provided in section 38, Chapter X, Title I of the Annex to Decree Nr 677/01, if applicable, or (ii) to submit a claim to a court selected by the holder in its discretion as provided in the Indenture. If the same case has been filed before the Arbitration Panel and a court, the Issuer shall not object to the case being referred to the court, if such court was the forum elected by the Noteholders.

Section 12.08. *Foreign Exchange Restrictions.* In the event of any foreign exchange restriction or prohibition in Argentina, the Issuer shall make any and all payments of any Dollar Note, Euro Note or Yen Note in Dollars, Euro, or Yen respectively (or with respect to Notes denominated in Euro or Yen, in Euro or Yen, respectively) through: (i) purchasing, with Pesos, *Bonos Externos Globales de la República Argentina* (Global 2008 Bonds) issued by Argentina and payable in Dollars or any other public or private securities issued in Argentina and denominated in Dollars or Euro or Yen, as applicable, or any other securities (collectively, the **Securities**) and selling such instruments outside Argentina for Dollars or Euro or Yen, or (ii) any other legal mechanism for the acquisition of Dollars or Euro or Yen, as applicable, in any exchange market.

Table of Contents

In addition, in the event of any foreign exchange restriction or prohibition in Argentina, any Holder of Notes may elect to receive the payment in an amount equivalent to the Peso amount necessary for purchasing Securities and the reasonable and customary cost of transferring and selling such Securities outside Argentina for Dollars, Euro or Yen in an amount equivalent to the sums due and payable under the Notes. Such payment will discharge and satisfy the Issuer's payment obligations to such Holders on such payment date. In each case all reasonable and customary costs, including any taxes, relative to such operations to obtain foreign currency will be borne by the Issuer.

In addition, in the event of any restriction or prohibition in Argentina to pay in foreign currency any obligations under the Notes to any Holder of Notes that is a resident in Argentina, the Issuer shall pay such Holder the Peso equivalent amount of the foreign currency amount due on the relevant payment date.

Such payments in Pesos will be calculated using the Dollar/Peso exchange rate quoted by Bloomberg L.P. (Bloomberg Screen (ARS currency) ASK SIDE PCS Composite (NY)) at 12:00 p.m., New York City time on the payment date. Such payment in Pesos will fully discharge and satisfy the Borrower's payment obligation to such Holder on the payment date and shall not constitute an Event of Default.

This Section 12.08 shall not alter the provisions set forth in Section 10.14 with respect to any Major Devaluation Event.

Section 12.09. *Counterparts*. This Indenture may be executed in any number of counterparts, each of which shall be an original; but such counterparts shall together constitute but one and the same instrument.

Section 12.10. *Effect of Headings*. The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 12.11. *Separability*. In case any provision in the Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 12.12. *Trust Indenture Act of 1939*. The Indenture shall incorporate and be governed by the provisions of the Trust Indenture Act that are required to be part of and to govern indentures qualified under the Trust Indenture Act, whether or not physically contained herein. If any provision of this Indenture limits, qualifies or conflicts with another provision that is required to be included in this Indenture by the Trust Indenture Act, the provision required by the Trust Indenture Act shall control unless such incorporated provision may be

expressly excluded herefrom and such exclusion shall have herein been evidenced.

Section 12.13. *Exchange of Notes for Loans.* (a) The Issuer will permit Holders of Notes to receive new loans (**New Loans**) in exchange for all, but not a portion of, the Notes issued to them hereunder, within 60 consecutive days after the Issuance Date; *provided* that such Holders provide the Issuer with satisfactory documentation (including an opinion of counsel) evidencing that under the laws of jurisdiction of organization of such Holder or, in the case of a natural person, the jurisdiction of residence, or under the by laws, articles of incorporation or any other organizational documents of such Holder, holding or beneficially owning Notes of the Issuer would not be permitted, or would violate such laws or organizational documents. In order to be eligible for such exchange the documentation must demonstrate that the restriction against holding or beneficially owning Notes of the Issuer has been in effect no later than January 2002.

(b) In addition, within 60 consecutive days after the Issuance Date, the Issuer will permit such an exchange for any Holder of Notes; *provided* that, in the Issuer's reasonable judgment (taking into consideration the tax status of the Holder), such exchange will not result in unfavorable tax consequences for the Issuer. In order to be eligible for the exchange, the participating Holder must make an election to receive loans in the letter of transmittal submitted, or election form executed in connection with their commitment to sign the APE directly, with respect to the outstanding debt restructured pursuant to the APE. The New Loans will be issued substantially in the form of the loan agreement (the **Loan Agreement**) attached hereto as Exhibit E. The Issuer shall execute and deliver the New Loan to the relevant holder upon receipt of the Notes to be exchanged.

(i) if the Issuer's Cash Balance as of the Calculation Date is less than U.S.\$50 million (or its equivalent in other currencies), the Issuer will retain up to 30% of the Excess Cash for such Excess Cash Period to raise the Cash Balance as of such Calculation Date up to (but not exceeding) U.S.\$50 million (or its equivalent in other currencies);

(ii) at the Issuer's election, up to 29% of the amount equal to the Excess Cash minus any amount applied pursuant to clause (i) above (**Reserved Excess Cash**) shall be paid into the Reserve Account on such Mandatory Prepayment Date; and

(iii) any remaining Excess Cash (whether or not the Cash Balance is increased to U.S.\$50 million as a result of the application of Excess Cash pursuant to clause (i) above), together with any cash that is required to be released from the Reserve Account on such date in accordance with the Indenture, shall be applied (A) at the Issuer's election, to purchase Notes through Market Purchase or Optional Redemption transactions or Note Payments and (B) to the extent that any such Excess Cash is not so applied on or before the Mandatory Prepayment Date, such Excess Cash shall be applied to a Note Payment not later than such Mandatory Prepayment Date,

Payments in currencies other than dollars will be calculated by converting the applicable amount into Pesos, Euro and Yen, as applicable, using the same rates of exchange as applied in determining the Dollar Amount of the outstanding Notes.

To the extent that any authorization of the Central Bank required to make any such payment is not obtained on or prior to the relevant Mandatory Prepayment Date, the Issuer will deposit the Excess Cash to be applied pursuant to paragraph (b)(iii) above in a trust account on the Mandatory Prepayment Date, and such funds will be held by the trustee of such trust for the benefit of the holders of the New Debt until such payment can be made.
