Explanatory Note

We are a Delaware corporation formerly named Duke Energy Holding Corp. Unless otherwise stated or the context otherwise requires, references in this registration statement to Duke Energy we, our, or us refer to Duke Energy Corporation, and its direct and indirect subsidiaries. We entered into an Agreement and Plan of Merger, or the merger agreement, dated as of May 8, 2005, as amended, with Duke Energy Corporation, a North Carolina corporation (Duke Energy NC), Cinergy Corp., a Delaware corporation (Cinergy), Deer Acquisition Corp. and Cougar Acquisition Corp. Pursuant to the merger agreement, our newly created wholly-owned subsidiary, Deer Acquisition Corp., merged with and into Duke Energy NC (the Duke Energy merger), and our newly created wholly-owned subsidiary, Cougar Acquisition Corp., merged with and into Cinergy (the Cinergy merger). As a result of the Duke Energy merger and the Cinergy merger, each of Duke Energy NC and Cinergy became our wholly-owned subsidiaries. These mergers are referred to in this registration statement as the mergers. Pursuant to the mergers, the existing shareholders of Duke Energy NC and Cinergy became our shareholders. As a result of the mergers, each Duke Energy NC shareholder received one share of our common stock for each share of common stock of Duke Energy NC held and each Cinergy shareholder received 1.56 shares of our common stock for each share of Cinergy common stock held. In addition, after the consummation of the transactions contemplated by the merger agreement, our name was changed from Duke Energy Holding Corp. to Duke Energy Corporation and Duke Energy NC was converted to a limited liability company named Duke Power Company LLC (Duke Power).

For purposes of our eligibility to file this registration statement on Form S-3, we are a successor registrant to both Duke Power and Cinergy within the meaning of General Instruction I.7 to Form S-3.

- **Timing of Investments:** An Investment Date for optional investments will occur each Thursday, or, if that day is not a business day, the business day immediately following that Thursday, except that an Investment Date for optional investments made pursuant to Requests for Waiver will occur only once each month on the 3 day of the month, or, if that day is not a business day, the business day immediately following that day. **The Administrator must receive optional investments, other than optional investments pursuant to Requests for Waiver, no later than two business days before an Investment Date for those investments to be invested in our common stock beginning on that Investment Date.** Otherwise, the Administrator may hold those funds and invest them beginning on the next Investment Date. **No interest will be paid on funds held by the Administrator pending investment.** Accordingly, you may wish to transmit any such investments so as to reach the Administrator shortly but not less than two business days before an Investment Date in order to minimize any time period during which your funds are not invested. Optional investments made pursuant to Requests for Waiver must be made at the times and in accordance with the procedures described in *Optional Investments Over Maximum Monthly Amount* below.

Dividend payments that you have designated for reinvestment will be invested after the dividend payment date for the Investment Date immediately following.

In order to terminate an automatic bank draft, you must notify the Administrator in writing at least 10 business days before the next automatic bank draft date in order for the termination to be effective by that date.

- **Dividends on Shares Purchased:** If shares that you have purchased by optional investment are added to your Account on or before a dividend record date, you will receive the upcoming dividend on those newly added shares as well as any other shares already credited to your Account. We generally pay dividends on our common stock on the 16th of March, June, September and December to shareholders of record on the Friday closest to the 15th of February, May, August and November. Any such investments that are not invested in our common stock within 30 days of receipt will be promptly returned to you.
- **Optional Investments Over Maximum Monthly Amount:** Optional investments in excess of \$100,000 per month (including any initial investments in excess of \$100,000) may be made only with our approval by investors that submit Requests for Waiver in accordance with the procedure described under Electronic Submission of Requests of Waiver below.

Any investor interested in submitting a Request for Waiver that is not already a Plan participant must first submit a completed Enrollment Form to the Administrator. Any Plan participant that is interested in submitting a Request for Waiver must first notify the Administrator using the contact information beginning on page 7 of this prospectus. The Administrator will assign to the participant a unique account number and an accompanying password, which will allow access to a secure website set up to receive Requests for Waiver. See Electronic Submission of Requests for Waiver below.

We have sole discretion to accept or not accept any optional investments made pursuant to a Request for Waiver. In deciding whether to accept or not accept any such optional investment, we will consider relevant factors, including:

- whether the Plan is then purchasing newly issued shares of our common stock or is purchasing shares of our common stock through open market purchases;
- our need for additional funds;
- the attractiveness of obtaining those funds through the sale of our common stock under the Plan in comparison to other sources of funds;
- the purchase price likely to apply to any sale of our common stock under the Plan;

Table of Contents

- the party submitting the request, including the extent and nature of that party's prior participation in the Plan and the number of shares that party holds of record;
- the discount proposals submitted; and
- the aggregate amount of optional investments for which Requests for Waiver have been submitted for the month.

If Requests for Waiver are submitted for any Investment Date for a total amount greater than the amount we are then willing to accept, we may honor any, all or none of those requests on any basis that we, in our sole discretion, consider appropriate.

Electronic Submission of Requests for Waiver The Administrator will maintain a website at www.duke-energy.com/investors/shareholders/drip, which will contain information on whether or not we will accept optional investments pursuant to Requests for Waiver in the current month. The website will also contain a form for submitting a Request for Waiver via electronic mail through the website.

The Administrator must receive electronic Requests for Waiver between 8:00 a.m. (New York City time) on the third business day before the first day of the pricing period for the relevant Investment Date, and 10:00 a.m. on the second business day before the first day of such pricing period. Each Request for Waiver must include, in addition to certain investor information and the dollar amount which the investor wishes to invest, a discount proposal specifying the waiver discount which the investor proposes to be applicable to its optional investment. For further information on waiver discounts, see *Waiver Discount* below. The waiver discount in the discount proposal must be expressed as a percentage carried out to two decimal places.

The Administrator will notify investors whose Requests for Waiver have been accepted by us by 5:00 p.m. on the second business day before the first day of the applicable pricing period, and must receive their optional investments by wire transfer no later than 12:00 noon on the first business day before the first day of the applicable pricing period. The Administrator will apply all optional investments made pursuant to Requests for Waiver that are so received to the purchase of shares of our common stock on the next Investment Date. All such optional investments received after 12:00 noon on the first business day before the first day of the relevant pricing period will be returned without interest. No interest will be paid on funds held by the Administrator pending investment.

Pricing Period The price of each newly issued share of our common stock purchased pursuant to a Request for Waiver will be the average of the daily high and low sale prices, computed to four decimal places, of our common stock as reported on the New York Stock Exchange for the relevant pricing period that is, the ten trading days immediately preceding the relevant Investment Date (except as provided below in *Threshold Price*) less an amount based on any applicable waiver discount as described below. A trading day means a day on which trades in our common stock are reported on the New York Stock Exchange.

Table of Contents

Threshold Price We may, in our sole discretion, establish for any pricing period a threshold price applicable to optional investments made pursuant to Requests for Waiver. The threshold price will be the minimum price applicable to purchases of our common stock made pursuant to Requests for Waiver during the applicable pricing period as set forth below. At least three business days before the first day of the applicable pricing period, we will determine whether to establish a threshold price and, if a threshold price is established, its amount, and will notify the Administrator. We will make that determination, in our sole discretion, after a review of current market conditions, the level of participation in the Plan and our current and projected capital needs.

The threshold price will be the dollar amount that the average of the high and low sale prices of our common stock on the New York Stock Exchange must equal or exceed for each trading day during the relevant pricing period. In the event that the threshold price is not satisfied for a trading day during the pricing period, then that trading day will be excluded from the pricing period. Additionally, a trading day will be excluded if no trades in our common stock are reported on the New York Stock Exchange for that day. For example, if the threshold price is not satisfied for one of the ten trading days in a pricing period, then the purchase price will be based upon the remaining nine trading days in which the threshold price was satisfied.

A portion of each optional investment made pursuant to a Request for Waiver will be returned for each trading day during a pricing period on which the threshold price is not satisfied and for each trading day on which no trades of our common stock are reported on the New York Stock Exchange. The returned amount will equal one-tenth of the total amount of that optional investment for each trading day that the threshold price is not satisfied. For example, if the threshold price is not satisfied or no sales are reported for one of the ten trading days in a pricing period, one-tenth of the optional investment will be returned without interest.

The establishment of the threshold price and the possible return of a portion of the investment in the event a threshold price is not satisfied, apply only to optional investments made pursuant to Requests for Waiver. Setting a threshold price for a pricing period will not affect the setting of a threshold price for any subsequent pricing period. We may waive our right to set a threshold price for any pricing period. Neither we nor the Administrator will be required to provide any written notice of the threshold price, if any, for any pricing period.

Waiver Discount We may, in our sole discretion, permit a waiver discount of 0% to 3% from the market price applicable to optional investments made pursuant to Requests for Waiver for a particular Investment Date, and, if a waiver discount is permitted, establish a maximum waiver discount of not more than 3% for that Investment Date. For any Request for Waiver to be considered by us, the waiver discount, if any, in the applicable discount proposal may not exceed the maximum waiver discount, if any, for the relevant Investment Date. The maximum waiver discount may vary for different Investment Dates but will apply uniformly to all optional investments made pursuant to Requests for Waiver with respect to a particular Investment Date.

Table of Contents

We will determine, in our sole discretion, the amount of any maximum waiver discount after a review of current market conditions, the level of participation and our current and projected capital needs. At least three business days before the first day of the applicable pricing period, we will determine whether to permit a waiver discount and, if a waiver discount is permitted, the amount of the maximum waiver discount, and will notify the Administrator. Neither we nor the Administrator will be required to provide any written notice of the maximum waiver discount, if any, for any pricing period.

Participants with access to the Plan's website may ascertain the threshold price and the maximum waiver discount applicable to Requests for Waiver that we will accept, if any, for any given pricing period by logging on to www.duke-energy.com/investors/shareholders/drip at any time after 8:00 a.m. on the third business day before the first day of the relevant pricing period.

Optional investments that do not exceed \$100,000 per month as well as dividend reinvestments will not be subject to a waiver discount or a threshold price.

PURCHASE OF SHARES

- **Source of Shares:** Shares of our common stock needed to meet the requirements of the Plan will be either newly issued shares purchased directly from us or shares purchased in the open market by an Independent Agent. We will not change our determination regarding the source of shares more than once in any 3-month period.
- **Pricing of Newly Issued Shares:** The price of each newly issued share purchased directly from us for dividend reinvestments or for optional investments not exceeding \$100,000 per month will be the average of the high and low sale prices of our common stock reported on the New York Stock Exchange Composite Tape for the trading date preceding the Investment Date. In the event no trading is reported for that trading day, we may determine the purchase price on the basis of market quotations as we deem appropriate. The price of each newly issued share of common stock purchased pursuant to Request for Waiver is described above under **Optional Investments Over Maximum Monthly Amount**.
- **Pricing of Shares Purchased in the Open Market:** The price of any shares of our common stock purchased in the open market to satisfy Plan requirements will be the weighted average price per share of the aggregate number of shares purchased for the relevant Investment Date. The number of shares (including any fraction of a share, rounded to four decimal places) of our common stock purchased in the open market that is credited to your Account for a particular Investment Date will be determined by dividing the total amount of cash dividends, optional investments and/or initial investments to be invested for you on that Investment Date by the relevant purchase price per share. We will pay any brokerage fees that the Plan incurs for open market purchases. Such brokerage fees will be reported to you as taxable income and will become a part of the cost of shares purchased on your behalf.

Table of Contents

The Independent Agent may commingle your funds with those of other participants in the Plan for the purpose of executing purchase and sale transactions.

- **Timing of Purchases:** Purchases in the open market may begin on the relevant Investment Date and will be completed no more than 15 days after that Investment Date. For dividends being reinvested, purchases may begin immediately after the dividend payment date. Funds not invested in our common stock within 30 days of receipt will be promptly returned to you. With regard to open market purchases of shares of our common stock by an Independent Agent, neither we, the Administrator, nor any participant in the Plan will have any authority or power to:
 - direct the time or price at which shares may be purchased;
 - designate the markets on which shares are to be purchased; or
 - select the broker or dealer (other than the Independent Agent) through which purchases may be made.

Therefore, you will not be able to precisely time your purchases through the Plan, and will bear the market risk associated with fluctuations in the price of our common stock.

SALE OF SHARES

You may request, at any time, that all or a portion of the shares of our common stock credited to your Account be sold by delivering written instructions to the Administrator. Those instructions may be sent either by mail or telecopier (fax) and must be signed by all registered holders of those shares. The Administrator will forward the instructions to the Independent Agent, who will sell the shares as promptly as practicable. The Independent Agent cannot, however, sell any certificated shares owned by a participant in the Plan unless the certificates are first deposited into the Plan using the safekeeping feature.

The Administrator reserves the right to close your Account if the share balance in the Account is less than one whole share. If the Administrator exercises this right, you will receive a check for the value of any fractional share less applicable brokerage commissions and any required tax withholdings or transfer taxes.

- **Timing of Sales:** The Independent Agent will generally make sales of Plan shares at least weekly, or more frequently if volume dictates. With regard to those sales, neither we, the Administrator, nor any participant in the Plan will have any authority or power to:
 - direct the time or price at which shares may be sold;
 - designate the markets on which shares are to be sold; or
 - select the broker or dealer (other than the Independent Agent) through which sales may be made.

Therefore, you will not be able to precisely time your sales through the Plan and will bear the market risk associated with fluctuations in the price of our common stock. You may also choose to sell your shares through a stockbroker of your choice, in which case you should withdraw the shares by requesting a

Table of Contents

certificate for your shares from Duke Energy Investor Relations. See Issuance of Certificates in this prospectus for more information.

- **Pricing of Shares Sold:** The sale price of any shares sold will be the weighted average price of all shares sold for participants in the Plan during the period in which the Independent Agent is provided with Plan shares for that sale. You will receive the proceeds of the sale, less a nominal brokerage fee (currently \$0.05 per share) and any required tax withholdings or transfer taxes.

SAFEKEEPING OF CERTIFICATES

You may deposit any shares of our common stock that you hold in certificate form into the Plan for safekeeping by delivering those stock certificates, unendorsed, to the Administrator and requesting that the shares be credited to your Account. You may do this at the time of enrollment by delivering the certificates along with a completed Enrollment Form or at any later time. Also, shares issued in direct registration are eligible for safekeeping in the Plan by delivering written instructions to the Administrator. The safekeeping feature is offered at no charge to you and eliminates the risk associated with the loss of stock certificates.

The shares of our common stock that you deposit will be credited to your Account and will be treated in the same manner as shares of our common stock purchased under the Plan and credited to your Account. Cash dividends paid on shares of our common stock that are deposited into the Plan for safekeeping will be paid to you or reinvested in shares of our common stock in accordance with your reinvestment election as designated on your Enrollment Form.

GIFTS OR TRANSFERS OF SHARES

You may give or transfer shares of our common stock to anyone you choose by:

- making an initial investment to establish an Account in the recipient's name. Simply complete and submit an application to the Administrator in the recipient's name together with the required initial investment of at least \$250 but not more than \$100,000; or
- making an optional investment in an amount of at least \$50 but not more than \$100,000, on behalf of an existing participant; or
- transferring shares from your Account to another person as described below.

You may transfer ownership of all or part of your Plan shares by delivering a written request to the Administrator with instructions for the change in ownership. Requests for Account transfers are subject to the same requirements as requests for the transfer of securities, including the requirement that the Administrator receive a properly executed and signed stock power with signatures guaranteed by a financial institution

Table of Contents

participating in the Medallion Signature Guarantee program. Most banks and brokers participate in the Medallion Signature Guarantee program.

The Administrator will continue to hold shares transferred under the Plan. The Administrator will open an Account in the name of the transferee, if the transferee is not already a participant, and the transferee will automatically be enrolled in the Plan. The transferee will receive an Enrollment Form and may make elections on the form with regard to the reinvestment of cash dividends on the transferred shares. If no election is made, cash dividends will be reinvested on behalf of the transferee. A statement will be sent to the transferee showing the transfer of shares into his or her Account unless you request otherwise.

The transfer will be made as soon as practicable after the Administrator receives the required documentation. Requests for transfer of the **entire** Account balance received after a dividend record date but before the related dividend payment date will be held until the dividend has been paid, reinvested in our common stock and applied to your Account.

Shares of our common stock credited to your Account may not be pledged or assigned. If you wish to pledge or assign your shares, you must withdraw those shares from your Account.

ISSUANCE OF CERTIFICATES

You may obtain at any time, free of charge, a certificate for all or a part of the whole shares of our common stock credited to your Account upon written request to the Administrator. The reverse side of the statement top may be used for this purpose. Those certificate(s) will be mailed by first class mail, within two business days of the Administrator's receipt of the written request, to your address of record. The issuance of Plan shares in certificate form will not change your reinvestment instructions unless you direct otherwise. Any remaining whole or fractions of shares of our common stock will continue to be credited to your Account. Certificates for fractions of shares of our common stock will not be issued under any circumstances.

Certificates will be issued in the name or names in which the Account is registered unless you instruct otherwise. If the certificate is issued in a name other than your Account registration, the signature on the instructions or stock power must be guaranteed by a financial institution participating in the Medallion Signature Guarantee program. Most banks and brokers participate in the Medallion Signature Guarantee program.

CONVERT TO DIRECT REGISTRATION

You may convert at any time, free of charge, to direct registration form for all or a part of the whole shares of our common stock credited to your Account upon written request to the Administrator. The reverse

Table of Contents

side of the statement top may be used for this purpose. The conversion of Plan shares to direct registration form will not change your reinvestment instructions unless you direct otherwise. Any remaining whole or fractions of shares of our common stock will continue to be credited to your Account. No fractional shares of our common stock will be issued in direct registration form under any circumstances.

Shares in direct registration form will be issued in the name(s) in which the Account is registered unless you instruct otherwise. If the shares are to be issued in a name other than your Account registration, the signature on the instructions or stock power must be guaranteed by a financial institution participating in the Medallion Signature Guarantee program. Most banks and brokers participate in the Medallion Signature Guarantee program.

STATEMENTS OF ACCOUNT

You will receive a quarterly statement showing all transactions for your Account during the current calendar year. You will receive supplemental statements in months in which you made an optional investment or deposited, transferred or withdrew shares under the Plan. The Administrator will also send a statement promptly after the sale of shares under the Plan. If you participate in the Plan through a broker, bank or other intermediary account, you should contact that party regarding your statement.

Please notify Duke Energy Investor Relations promptly of any change in your address. The Administrator will mail all notices, statements and reports to your address of record. You should retain the statements that you receive in order to establish the cost basis of shares purchased under the Plan for tax and other purposes.

TERMINATION OF PARTICIPATION

You may terminate your participation in the Plan at any time by delivering written instructions to the Administrator, either by mail or telecopier (fax), signed by all registered holders listed on the Account. Upon termination, you must elect either to receive a certificate or direct registration shares for the number of whole shares held in your Account and a check for the value of any fractional share, or to have all the shares in your Account sold for you as described under the caption **Sale of Shares** in this prospectus.

The Administrator will send your stock certificates, statement and/or proceeds to you as soon as practicable. If the Administrator receives a notice of termination after a dividend record date but before the related dividend payment date, a separate dividend check will be mailed to you on the dividend payment date. Thereafter, cash dividends on any remaining shares of our common stock that you hold will be paid to you and will not be reinvested.

OTHER INFORMATION

- **Stock Dividend/Stock Split:** Any stock dividends or split shares that we distribute on shares credited to your Account will be added to your Account. Stock dividends or split shares that we distribute on shares registered in your name outside of the Plan will be mailed directly to you in the same manner as to holders of shares of our common stock who are not participating in the Plan.
- **Rights Offering:** Your entitlement under the Plan in a regular rights offering will be based upon your total holdings of our common stock in the Plan. We will issue rights certificates only for the number of whole shares credited to your Account. Rights based on a fraction of a share held in your Account will be sold for the Account and the net proceeds will be invested in our common stock and added to your Account by the end of the following month.
- **Voting of Proxies:** You will have the exclusive right to exercise all voting rights with respect to shares of our common stock credited to your Account. You will receive proxy materials from us for each shareholder meeting, including a proxy statement and a form of proxy covering all shares credited to your Account and all shares of stock registered in your name outside of the Plan as of the record date for the shareholder meeting. You are encouraged to enroll for electronic delivery of proxy materials by going to www.icsdelivery.com/duk and following the instructions.
- **Shareholder Communications:** In addition to proxy materials, participants in the Plan will have the right to receive all communications sent to holders of our common stock generally.
- **Responsibility of the Administrator, the Independent Agent and us:** Neither the Administrator (including us acting as such) nor the Independent Agent will be liable for any act done in good faith or for the good faith omission to act in connection with the Plan, including any claim of liability arising out of failure to terminate your Account upon your death prior to receipt of written notice of your death, or with respect to the prices at which shares of our common stock are purchased or sold for your Account and the times when those purchases and sales are made.
- **Plan Modification or Termination:** We reserve the right to suspend, modify or terminate the Plan at any time without the approval of participants in the Plan. We will send notice of any suspension, termination or significant modification of the Plan to all participants, who will in all events have the right to withdraw from participation.
- **Multiple Accounts:** We reserve the right to aggregate all optional investments for participants with more than one Account using the same name, address or social security or taxpayer identification number. Also for the purpose of such limitations, all participants' Accounts that we believe to be under common control or management or to have common ultimate beneficial ownership may be aggregated. In the event that we exercise our right to aggregate investments and the result would be an investment in excess of \$100,000 per month without submission of a Request for Waiver and receipt of our approval in accordance with the

Table of Contents

procedures described in Optional Investments Over Maximum Monthly Amount under Optional Investments above, we will return, without interest, as promptly as practicable, any amount in excess of \$100,000.

- ***Transfer Agent and Registrar:*** We act as our own transfer agent and registrar for our common stock.

We cannot assure you of a profit or protect you against a loss on the shares of our common stock that you purchase or sell under the Plan.

The payment of dividends is at the discretion of our Board of Directors and will depend upon future earnings, our financial condition and other factors. There can be no assurance as to the declaration or payment of any dividend. Nothing in the Plan obligates us to declare or pay any dividend on our common stock.

CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES

The following is a summary of certain U.S. federal income tax consequences regarding the Plan. This summary is based on current law and may be affected by future legislation, Internal Revenue Service rulings and other administrative pronouncements, income tax regulations and court decisions. This discussion does not purport to deal with all aspects of taxation that may be relevant to you in light of your circumstances, or if you are a type of investor who is subject to special treatment under U.S. federal income tax law (including, without limitation, insurance companies, partnerships, tax-exempt organizations, financial institutions, broker dealers, foreign corporations and persons who are not citizens or residents of the United States). **YOU SHOULD CONSULT WITH YOUR OWN TAX ADVISOR REGARDING THE SPECIFIC TAX CONSEQUENCES (INCLUDING THE FEDERAL, STATE, LOCAL, FOREIGN AND OTHER TAX CONSEQUENCES) OF PARTICIPATING IN THE PLAN, AND OF POTENTIAL CHANGES IN APPLICABLE TAX LAWS.**

In general, the amount of cash dividends paid by Duke Energy will be includable in your income even though reinvested under the Plan. When your dividends are reinvested to acquire shares (including any fractional share) directly from us, you will be treated as having received on the dividend payment date a taxable dividend in an amount equal to the fair market value of our common stock purchased for your account under the Plan. When your dividends are reinvested to acquire shares (including any fractional share) purchased in market transactions, you will be treated as having received a taxable dividend equal to the amount of cash dividends used to make those purchases, plus the amount of any brokerage fees paid by us in connection with those purchases. You should be aware that, when we pay brokerage fees on your behalf for shares purchased in market transactions, the taxable income recognized by you as a participant in the Plan will be greater than the taxable income that would have resulted solely from the receipt of the dividend in cash.

Table of Contents

If you make optional investments that are subject to a waiver discount, you may be treated as having received an additional dividend distribution equal to the excess, if any, of the fair market value of the shares acquired on the Investment Date over the amount of your optional investment. The Internal Revenue Service has issued private letter rulings on plans similar to the Plan which ruled that shareholders making optional investments will not be treated as having received such dividend income if the shareholders are not also participants in the dividend reinvestment aspect of the plan. Private letter rulings are not precedent and may not be relied upon by persons other than the taxpayers to which they are issued.

We will report to you for tax purposes the dividends to be credited to your account as well as brokerage costs incurred by us on your behalf. Such information will also be furnished to the Internal Revenue Service to the extent required by law.

The tax basis of shares acquired through the reinvestment of dividends pursuant to the Plan will generally equal the amount of distributions you are treated as receiving, as described above. The tax basis of shares purchased with optional investments will be equal to the amount of those investments increased by the amount of any additional dividend that you are treated as having received as a result of a waiver discount. The tax basis of shares purchased in the open market to satisfy Plan requirements will be increased by the amount of any brokerage fees incurred by the Plan on your behalf. Your December Plan statement will disclose all Plan activities for the year and may be useful when calculating your tax basis. The holding period for shares acquired under the Plan (including any fractional share) generally will begin on the date after the date on which the shares are purchased and credited to your Plan account, regardless of the source of purchase. Consequently, shares of our common stock acquired at different times will have different holding periods.

You will not realize any taxable income when you receive certificates for whole shares credited to your Account under the Plan. Upon the sale of either a portion or all of your shares from the Plan, you may recognize a capital gain or loss based on the difference between the sales proceeds and the tax basis in the shares sold, including any fractional share. Such capital gain or loss will be long-term capital gain or loss if your holding period for your shares or fractional share exceeded the Internal Revenue Code's applicable period (currently one year) at the time of disposition.

If you are subject to withholding taxes, we will withhold the required taxes from the gross dividends and from the proceeds from the sale of shares. The dividends and proceeds received by you, or dividends reinvested on your behalf, will be net of the required taxes.

INTERPRETATION OF THE PLAN

Our officers are authorized to take any actions that are consistent with the Plan's terms and conditions. We reserve the right to interpret and regulate the Plan as we deem necessary or desirable in connection with the Plan's operations.

PLAN OF DISTRIBUTION

In connection with the administration of the Plan, we may be requested to approve optional investments made pursuant to Requests for Waiver by or on behalf of participants or other investors who may be engaged in the securities business. In deciding whether to accept or not accept an optional investment made pursuant to such a Request for Waiver, we will consider relevant factors, including:

- whether the Plan is then purchasing newly issued shares of our common stock or is purchasing shares of our common stock through open market purchases;
- our need for additional funds;
- the attractiveness of obtaining those funds through the sale of our common stock under the Plan in comparison to other sources of funds;
- the purchase price likely to apply to any sale of our common stock under the Plan;
- the person submitting the request, including the extent and nature of that person's prior participation in the Plan and the number of shares that person holds of record;
- the discount proposals submitted; and
- the aggregate amount of optional investments for which Requests for Waivers have been submitted for the month.

We will not extend to any such person any rights or privileges other than those to which it would be entitled as a participant, nor will we enter into any agreement with any such person regarding the resale or distribution by any such person of the shares of our common stock so purchased. We may, however, accept optional investments made pursuant to Requests for Waiver by such persons. If Requests for Waiver are submitted for any Investment Date for a total amount greater than the amount we are willing to accept, we may honor any, all or none of such requests on any basis that we, in our sole discretion, consider appropriate.

Subject to the availability of shares of our common stock registered for issuance under the Plan, there is no maximum number of shares that can be issued pursuant to the reinvestment of dividends. From time to time, financial intermediaries, including brokers and dealers, and other persons may engage in positioning transactions in order to benefit from the waiver discounts applicable to optional investments made pursuant to Requests for Waiver under the Plan. Those transactions may cause fluctuations in the trading volume of our common stock. Financial intermediaries and such other persons who engage in positioning transactions may be deemed to be underwriters. We have no arrangements or understandings, formal or informal, with any person relating to the sale of shares of our common stock to be received under the Plan. We reserve the right to modify, suspend or terminate participation in the Plan by otherwise eligible persons in order to eliminate practices which are inconsistent with the purpose of the Plan.

Table of Contents

We will pay any and all brokerage commissions and related expenses incurred in connection with purchases of our common stock under the Plan. Upon withdrawal by a participant from the Plan by the sale of shares of our common stock held under the Plan, the participant will receive the proceeds of that sale less a nominal brokerage commission and any required tax withholdings or transfer taxes.

Our common stock may not be available under the Plan in all states. We are not making an offer to sell our common stock in any state where the offer or sale is not permitted.

Item 15. Indemnification of Directors and Officers.

Delaware law permits a corporation to adopt a provision in its certificate of incorporation eliminating or limiting the personal liability of a director, but not an officer in his or her capacity as such, to the corporation or its shareholders for monetary damages for breach of fiduciary duty as a director, except that such provision shall not limit the liability of a director for (i) any breach of the director's duty of loyalty to the corporation or its shareholders, (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) liability under section 174 of the Delaware General Corporation Law (the "DGCL") for unlawful payment of dividends or stock purchases or redemptions, or (iv) any transaction from which the director derived an improper personal benefit. Our certificate of incorporation provides that no director of ours shall be personally liable to us or our shareholders for monetary damages for breach of fiduciary duty as a director, except to the extent such an exemption from liability or limitation thereof is not permitted under applicable law.

Under Delaware law, a corporation may indemnify any person made a party or threatened to be made a party to any type of proceeding, other than action by or in the right of the corporation, because he or she is or was an officer, director, employee or agent of the corporation or was serving at the request of the corporation as an officer, director, employee or agent of another corporation or entity against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such proceeding: (1) if he or she acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation; or (2) in the case of a criminal proceeding, he or she had no reasonable cause to believe that his or her conduct was unlawful. A corporation may indemnify any person made a party or threatened to be made a party to any threatened, pending or completed action or suit brought by or in the right of the corporation because he or she was an officer, director, employee or agent of the corporation, or is or was

Table of Contents

serving at the request of the corporation as a director, officer, employee or agent of another corporation or other entity, against expenses actually and reasonably incurred in connection with such action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, provided that such indemnification will be denied if the person is found liable to the corporation unless, in such a case, the court determines the person is entitled to indemnification for such expenses in any event. A corporation must indemnify a present or former director or officer who successfully defends himself or herself in a proceeding to which he or she was a party because he or she was a director or officer of the corporation against expenses actually and reasonably incurred by him or her. Expenses incurred by an officer or director, or any employees or agents as deemed appropriate by the board of directors, in defending civil or criminal proceedings may be paid by the corporation in advance of the final disposition of such proceedings upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the corporation. The Delaware law regarding indemnification and expense advancement is not exclusive of any other rights which may be granted by our certificate of incorporation or bylaws, a vote of shareholders or disinterested directors, agreement or otherwise.

Under the DGCL, termination of any proceeding by conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that such person is prohibited from being indemnified.

Our bylaws provide that we will indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of us), by reason of the fact that such person is or was a director or officer of us, or is or was a director or officer serving at our request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to our best interests, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, will not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to our best interests, and, with respect to any criminal action or proceeding, had reasonable cause to believe that such person's conduct was unlawful.

Our bylaws further provide that we will indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of us to procure a judgment in its favor by reason of the fact that such person is or was a director or officer of us, or is or was a director or officer of us serving at our request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such

Table of Contents

person acted in good faith, and in a manner such person reasonably believed to be in or not opposed to our best interests except that no indemnification will be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to us unless and only to the extent that the Court of Chancery of the State of Delaware or the court in which such action or suit was brought determines upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

However, our bylaws provide that we will only provide indemnification pursuant to the bylaws (unless ordered by a court) if such indemnification is authorized in the specific case upon a determination that indemnification of the present or former director or officer is proper in the circumstances because such person has met the applicable standard of conduct set forth in the bylaws. Such determination is to be made, with respect to a person who is a director or officer at the time of such determination, (i) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (ii) by a committee of directors who are not parties to such action, suit or proceeding designated by a majority vote of such directors, even though less than a quorum, or (iii) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (iv) by the shareholders. Such determination is to be made, with respect to former directors and officers, by any person or persons having the authority to act on the matter on our behalf. To the extent, however, that a present or former director or officer of ours has been successful on the merits or otherwise in defense of any action, suit or proceeding, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith, without the necessity of authorization in the specific case.

Our bylaws further provide that except for proceedings to enforce rights to indemnification, we will not be obligated to indemnify any director or officer (or his or her heirs, executors or personal or legal representatives) or advance expenses in connection with a proceeding (or part thereof) initiated by such person unless such proceeding (or part thereof) was authorized or consented to by the board of directors.

The indemnification and advancement of expenses provided by, or granted pursuant to, our bylaws are not deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under the certificate of incorporation, bylaws, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office. It is our policy that indemnification shall generally be made to the fullest extent permitted by law. Our bylaws do not preclude indemnifying persons in addition to those specified in the bylaws but whom we have the power or obligation to indemnify under the provisions of the DGCL, or otherwise.

We may also purchase and maintain insurance on behalf of any person who is or was a director or officer, or is or was a director or officer serving at our request as a director, officer, employee or agent of another

corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not we would have the power or the obligation to indemnify such person against such liability under the provisions of the bylaws.

Each of the parties to the merger agreement agreed, that, to the fullest extent permitted under applicable law, all rights to indemnification and exculpation from liabilities for acts or omissions occurring at or prior to the consummation of the Cinergy merger existing as of the date of the merger agreement in favor of the current or former directors, officers, employees or fiduciaries under benefit plans currently indemnified of Cinergy and its subsidiaries or Duke Power and its subsidiaries, as the case may be, as provided in their respective certificate or articles of incorporation, bylaws (or comparable organizational documents) or other agreements providing indemnification will survive the mergers and will continue in full force and effect in accordance with their terms. In addition, from and after the consummation of the Cinergy merger, directors, officers, employees and fiduciaries under benefit plans currently indemnified of Cinergy or Duke Power or their respective subsidiaries who become directors, officers, employees or fiduciaries under our benefit plans will be entitled to the indemnity rights and protections afforded to directors, officers, employees and fiduciaries under our benefit plans.

Further, the merger agreement provides that for six years after the consummation of the mergers, we will maintain in effect the directors' and officers' liability (and fiduciary) insurance policies maintained by Cinergy and Duke Power covering acts or omissions occurring on or prior to the consummation of the mergers with respect to those persons who are currently covered by Cinergy's and Duke Power's respective directors' and officers' liability (and fiduciary) insurance policies on terms with respect to such coverage and in amounts no less favorable than those set forth in the relevant policy in effect on the date of the merger agreement. If such no less favorable insurance coverage cannot be maintained, we will maintain the most advantageous policies of directors' and officers' insurance otherwise obtainable. In addition, each of Duke Power and Cinergy may purchase a six-year tail prepaid policy prior to the consummation of the mergers on terms and conditions no less advantageous to the parties entitled to indemnification than the existing directors' and officers' liability (and fiduciary) insurance maintained by Duke Power or Cinergy, as the case may be, covering without limitation the transactions contemplated by the merger agreement, including the mergers. If Duke Power or Cinergy purchases a tail prepaid policy prior to the consummation of the mergers, we will, and will cause Duke Power and Cinergy, as the case may be, after the consummation of the mergers, to maintain such policy in full force and effect, for its full term, and to continue to honor their respective obligations under such policy.

The merger agreement also provides that from and after the consummation of the Cinergy merger, we and the corporation surviving the Cinergy merger will jointly and severally indemnify and hold harmless each present director and officer of Cinergy or any of its subsidiaries (in each case, for acts or failures to act in such capacity), determined as of the date of the merger agreement, and any person who becomes such a director or officer between the date of the merger agreement and the consummation of the Cinergy merger, against any

costs or expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of matters existing or occurring at or prior to the consummation of the Cinergy merger, whether asserted or claimed prior to, at or after the consummation of the Cinergy merger (including any matters arising in connection with the transactions contemplated by the merger agreement), to the fullest extent permitted by applicable law (and we and the surviving company in the Cinergy merger will also advance expenses as incurred to the fullest extent permitted under applicable law, provided that if required by applicable law the person to whom expenses are advanced provides an undertaking to repay such advances if it is ultimately determined that such person is not entitled to indemnification).

The merger agreement further provides that from and after the consummation of the Duke Energy merger, we and Duke Power, the corporation surviving the Duke Energy merger, will jointly and severally indemnify and hold harmless each director and officer of Duke Power or any of its subsidiaries (in each case, for acts or failures to act in such capacity), determined as of the date of the merger agreement, and any person who becomes such director or officer between the date of the merger agreement and the consummation of the Duke Energy merger, against any costs or expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of matters existing or occurring at or prior to the consummation of the Duke Energy merger, whether asserted or claimed prior to, at or after the consummation of the Duke Energy merger (including any matters arising in connection with the transactions contemplated by the merger agreement), to the fullest extent permitted by applicable law (and we or Duke Power will also advance expenses as incurred to the fullest extent permitted under applicable law, provided that if required by applicable law the person to whom expenses are advanced provides an undertaking to repay such advances if it is ultimately determined that such person is not entitled to indemnification).

The obligations of us, the surviving company in the Cinergy merger and Duke Power will not be terminated or modified by such parties in a manner so as to adversely affect any of the persons entitled to indemnification without the consent of such affected persons. If we, the surviving company in the Cinergy merger or Duke Power or any of their respective successors or assigns (i) consolidates with or merges into any other corporation or entity and is not to be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers all or substantially all of its properties and assets to any individual, corporation or other entity, then, and in each such case, proper provisions will be made so that the successors and assigns of us, the surviving company in the Cinergy merger or Duke Power, as the case may be, assumes all of the foregoing indemnification obligations.

(ii) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
