SECTION 2 FINANCIAL INFORMATION

Item 2.02 Results of Operations and Financial Condition

On July 20, 2006, Gilead Sciences, Inc., a Delaware corporation (the Company), issued a press release announcing the financial results for the quarter ended June 30, 2006. A copy of the press release is filed as Exhibit 99.1 to this report.

Each non-GAAP financial measure reflected in the earnings press release is included because the Company's management uses this information to better understand the comparative operating performance of the Company. For the three months ended June 30, 2006, these adjustments included \$27.7 million of after-tax stock based compensation expense from the impact of our adoption of the Financial Accounting Standards Board's Statement No. 123 (revised 2004), Share Based Payment. Consequently, excluding these transactions from the Company's results provides users of the financial statements an important insight into the Company's results and related trends that affect the Company's core business.

The information in this Form 8-K and the exhibit attached hereto shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities under that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, regardless of any general incorporation language in such filing.
