On September 29, 2006, a subsidiary of ChoicePoint Inc. (the Company) entered into a Stock Purchase Agreement with Vertafore, Inc. (Vertafore), pursuant to which the Company sold to Vertafore all of the outstanding capital stock of Insurity Rating and Analytics Services Inc. (IRAS), which operates the Company's Priority Data Systems business. The sale of IRAS was made in connection with the Company's previously-announced company-wide strategic review. As a result of the sale of the capital stock of IRAS, the Company expects to record a loss of approximately \$3-\$4 million, net of the related tax benefit, which represents the impairment of goodwill and other identifiable intangibles carried on the Company's books associated with the acquisition of IRAS in 2004. These are preliminary estimates and are subject to change as the Company finalizes the accounting for this transaction. The loss on the sale will be recorded in the third quarter of 2006. The above-referenced charge will be a non-cash charge and is not expected to result in future cash expenditures.

Simultaneous with the execution of the above-referenced Stock Purchase Agreement, the Company entered into a Strategic Alliance Agreement with Vertafore that will extend the Company's capabilities for data sales to thousands of insurance agents and industry professionals nationwide through Vertafore's AMS Services business unit. The press release announcing the sale and the execution of the Strategic Alliance Agreement is filed herewith as Exhibit 99.1.
