**Item 7.01 Regulation FD Disclosure**

On January 10, 2007, Amedisys, Inc. (the Company) filed a Current Report on Form 8-K (the Initial 8-K) with the Securities and Exchange Commission furnishing as Exhibit 99.1 thereto certain slides to be used by Company management at investor conferences during 2007. The slides included financial information not prepared in accordance with generally accepted accounting principles ( Non-GAAP Financial Measures ).

This Amendment No. 1 on Form 8-K/A is being filed to amend the Initial 8-K for the sole purpose of including a reconciliation of the Non-GAAP Financial Measures included in the slides to financial information prepared in accordance with generally accepted accounting principles ( GAAP ), as required by Regulation G.

The reconciliations appear as Exhibit 99.2 to this Current Report on Form 8-K/A.

We are providing disclosure of the reconciliation of reported Non-GAAP Financial Measures used in our investor presentation, among other places, to our comparable financial measures on a GAAP basis. The Company believes that the Non-GAAP Financial Measures provide investors the ability to evaluate financial performance in a way that is comparable to measures reported by other home nursing companies.

The reconciliations are furnished pursuant to Item 7.01 of Form 8-K and shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that Section, unless we specifically incorporate it by reference in a document filed under the Securities Act of 1934.

By filing this report on Form 8-K/A and furnishing this information, we make no admission as to the materiality of any information in this report that is required to be disclosed solely by reason of Regulation FD.

The information contained in the reconciliations is summary information that is intended to be considered in the context of our Securities and Exchange Commission ( SEC ) filings and other public announcements that we may make, by press release or otherwise, from time to time. We undertake no duty or obligation to publicly update or revise the information contained in this report, although we may do so from time to time as our management believes is warranted. Any such updating may be made through the filing of other reports or documents with the SEC, through press releases or through other public disclosure.

When included in this Current Report on Form 8-K/A, the words expects, intends, anticipates, believes, estimates, and analogous expressions are intended to identify forward-looking statements. Such statements inherently are subject to a variety of risks and uncertainties that could cause actual results to differ materially from those projected. Such risks and uncertainties include, among others, general economic and business conditions, current cash flows and operating deficits, debt service needs, adverse changes in federal and state laws relating to the health care industry, competition, regulatory initiatives and compliance with governmental regulations, customer preferences and various other matters, many of which are beyond the Company's control. These forward-looking statements speak only as of the date of the Current Report on Form 8-K/A. The Company expressly disclaims any obligation or undertaking to release publicly any updates or any changes in the Company's expectations with regard thereto or any changes in events, conditions or circumstances on which any statement is based.
