Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On March 20, 2007, Accredited Home Lenders Holding Co. (the "Company") announced that it had received a commitment for a \$200 million term loan from one or more entities managed by Farallon Capital Management[®], L.L.C. ("Farallon"), as more fully described in a commitment letter between the parties ("Commitment Letter"). The proceeds of the loan will be available for general working capital, the funding of mortgage loans and other corporate needs. The loan will have a five-year term, an interest rate of 13% per year, and will be able to be repaid by the Company at any time over the life of the loan, subject to certain conditions and prepayment fees. The loan will be a secured obligation of the Company and its subsidiaries. In connection with the term loan, the Company will issue Farallon approximately 3.3 million warrants in a private placement, with an exercise price equal to \$10 per share. The warrants will expire ten years from their issuance date. Farallon will also receive certain preemptive rights to purchase additional equity securities of the Company and certain registration rights with respect to its equity securities in the Company. The closing of the proposed transaction is subject to completion of definitive documentation, receipt of required third party and governmental consents and licenses, and certain other conditions. The full text of the Commitment Letter is attached hereto as Exhibit 10.1 and the above summary is qualified in its entirety by such text. Section 2 Financial Information

Item 2.06 Material Impairments.

In a press release dated March 16, 2007, the Company announced that it has determined that changes are required to the amount of goodwill established in its acquisition of Aames Investment Corporation in the fourth quarter of 2006. The previous goodwill estimate was based on the market price of the Company's common stock as of the closing date of the transaction, which was October 1, 2006. The Company has determined that the goodwill should have been established based on the market price of the Company's common stock on the announcement date of the transaction of May 25, 2006, resulting in total goodwill of approximately \$130 million. Further the Company has determined that the entire amount of goodwill established has been impaired and will be charged-off in the quarter ended December 31, 2006. This goodwill charge-off will not affect the Company's operations, tangible book equity, cash or liquidity. A copy of the press release announcing this goodwill charge-off is attached hereto as Exhibit 99.1 and is hereby incorporated into this item 2.06 by reference.

Section 3 Securities and Trading Markets

Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On March 16, 2007, the Company announced that it had received notice from the NASDAQ staff that the Company's common stock is subject to delisting from The NASDAQ Stock Market.

NASDAQ issued the notice, as required by its Marketplace Rules, in connection with the Company's failure to file its 2006 Annual Report on Form 10-K prior to expiration of the 12b-25 period on March 16, 2006. NASDAQ Marketplace Rule 4310(c)(14) requires that listed companies provide to NASDAQ, on a timely basis, with all filings required by the SEC. NASDAQ rules permit companies that have received a delisting notification to request a hearing with a NASDAQ Listing Qualifications Panel ("Panel") to appeal the staff's determination to delist its stock. The Company intends to request a hearing before the Panel to appeal the determination. Until a written notification of the Panel's decision and/or the expiration of any exception period granted by the Panel, the Company's stock will continue to be traded on NASDAQ. In the meantime, the Company is working to file its Form 10-K as soon as possible. A copy of the press release announcing this notice of delisting is attached hereto as Exhibit 99.2 and is hereby incorporated into this item 3.01 by reference.
