PROXY STATEMENT

These proxy materials and the enclosed proxy card are being furnished in connection with the solicitation of proxies by the Board of Directors of U.S. Auto Parts Network, Inc., a Delaware corporation, to be voted at the 2007 Annual Meeting of Stockholders to be held on June 22, 2007 (the Annual Meeting) and at any adjournment or postponement of the meeting. The Annual Meeting will be held at 10:00 a.m. Pacific Time at the Marriott in Torrance, located at 3635 Fashion Way, Torrance, California 90503. These proxy solicitation materials are expected to be mailed on or about May 14, 2007 to all stockholders entitled to vote at the Annual Meeting.

Purpose of Meeting

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of the Annual Meeting of Stockholders (the Notice) and are described in more detail in this proxy statement.

Voting; Quorum

The record date for determining those stockholders who are entitled to notice of, and to vote at, the Annual Meeting has been fixed as May 7, 2007. Only stockholders of record at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting and any adjournment or postponement thereof. Each stockholder is entitled to one vote for each share of our common stock held by such stockholder as of the record date. As of the date of the Notice, 29,832,927 shares of our common stock were outstanding and no shares of our preferred stock were outstanding.

The presence at the Annual Meeting, either in person or by proxy, of holders of a majority of the outstanding shares of our common stock entitled to vote will constitute a quorum for the transaction of business at the Annual Meeting. If a quorum is not present, the Annual Meeting will be adjourned until a quorum is obtained.

In the election of directors under Proposal One, the two nominees receiving the highest number of affirmative votes of our common stock, present or represented by proxy and entitled to vote at the Annual Meeting, will be elected. With regard to Proposal Two, the affirmative vote of the holders of a majority of our common stock present or represented by proxy and entitled to vote at the Annual Meeting is being sought.

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes (*i.e.*, shares held by a broker or nominee that are represented at the Annual Meeting, but with respect to which such broker or nominee is not instructed to vote on a particular proposal and does not have discretionary voting power). Abstentions and broker non-votes are counted as present for purposes of determining the presence or absence of a quorum for the transaction of business. With regard to Proposal One, broker non-votes and votes marked withheld will not be counted towards the tabulation of votes cast on such proposal presented to the stockholders. With regard to Proposal Two, abstentions will be counted towards the tabulation of votes cast on such proposal presented to the stockholders and will have the same effect as negative votes, whereas broker non-votes will not be counted for purposes of determining whether such proposal has been approved and will not have the effect of negative votes.

Proxies

Please use the enclosed proxy card to vote by mail. If your shares are held in street name, then in lieu of a proxy card you should receive from that institution an instruction form for voting. Should you receive more than one proxy card or voting instruction form because your shares are held in multiple accounts or registered in different names or addresses, please be sure to complete, sign, date and return each proxy card or voting instruction form to ensure that all of your shares will be voted. Only proxy cards that have been signed, dated and timely returned will be counted in the quorum and voted.

If the enclosed proxy card is properly signed and returned to us, the shares represented thereby will be voted at the Annual Meeting in accordance with the instructions specified thereon. If the proxy does not specify how the shares represented thereby are to be voted, the proxy will be voted FOR the election of the directors proposed by the Board under Proposal One unless the authority to vote for the election of such directors is withheld and, if no contrary instructions are given, the proxy will be voted FOR the approval of Proposal Two described in the Notice and this proxy statement.

The enclosed proxy also grants the proxy holders discretionary authority to vote on any other business that may properly come before the Annual Meeting. We have not been notified by any stockholder of his or her intent to present a stockholder proposal at the Annual Meeting.

If your shares are held in your name, you may revoke or change your vote at any time before the Annual Meeting by filing a notice of revocation or another signed proxy card with a later date with our corporate Secretary at our principal executive offices at 17150 South Margay Avenue, Carson, California 90746. If your shares are held in street name, you should contact the record holder to obtain instructions if you wish to revoke or change your vote before the Annual Meeting. If you attend the Annual Meeting and vote by ballot, any proxy that you submitted previously to vote the same shares will be revoked automatically and only your vote at the Annual Meeting will be counted. Please note, however, that if your shares are held in street name, your vote in person at the Annual Meeting will not be effective unless you have obtained and present a proxy issued in your name from the record holder. Attendance at the Annual Meeting will not, by itself, revoke a proxy.

Voting by Telephone or through the Internet

If your shares are registered in the name of a bank or brokerage firm, you may be eligible to vote your shares by telephone or through the Internet. A large number of banks and brokerage firms provide eligible stockholders the opportunity to vote in this manner. If your bank or brokerage firm allows for this, your voting form will provide instructions for such alternative method of voting.

Solicitation

We will bear the entire cost of proxy solicitation, including the costs of preparing, assembling, printing and mailing this proxy statement, the proxy card and any additional solicitation material furnished to the stockholders. Copies of the solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, we may reimburse such persons for their reasonable expenses in forwarding the solicitation materials to the beneficial owners. The original solicitation of proxies by mail may be supplemented by a solicitation by personal contact, telephone, facsimile, email or any other means by our directors, officers or employees. No additional compensation will be paid to these individuals for any such services.

In the discretion of management, we reserve the right to retain a professional firm of proxy solicitors to assist in the solicitation of proxies. Although we do not currently expect to retain such a firm, we estimate that the fees of such firm would range from \$5,000 to \$20,000 plus out-of-pocket expenses, all of which would be paid by us.

Note with Respect to Forward-Looking Statements

We have made certain forward-looking statements in this proxy statement that relate to expectations concerning matters that are not historical facts. Words such as projects, believes, anticipates, plans, expects, intends and similar words and expressions are intended to identify forward-looking statements. Although we believe that such forward-looking statements are reasonable, there can be no assurance that such expectations will prove to be correct. Forward-looking statements are subject to risks and uncertainties that could cause actual results to differ materially from such expectations. All forward-looking statements attributable to us are expressly qualified in their entirety by such language. We do not undertake any obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise.

MATTERS TO BE CONSIDERED AT THE ANNUAL MEETING

PROPOSAL ONE:

ELECTION OF DIRECTORS

Our certificate of incorporation provides for a classified board of directors consisting of three classes of directors, each serving staggered three-year terms and each as nearly equal in number as possible as determined by our Board of Directors. As a result, a portion of our Board of Directors will be elected each year. Our Board of Directors currently consists of six persons. Mr. Nia and Ms. Siminoff have been designated Class I directors whose terms expire at the 2007 Annual Meeting. Messrs. Each nominee for election is currently a member of our Board of Directors and has agreed to serve if elected. Management has no reason to believe that any of the nominees will be unavailable to serve. In the event any of the nominees named herein is unable to serve or declines to serve at the time of the Annual Meeting, the persons named in the enclosed proxy will exercise discretionary authority to vote for substitutes. Unless otherwise instructed, the proxy holders will vote the proxies received by them FOR the nominees named below.

CORPORATE GOVERNANCE

Code of Ethics and Business Conduct

The full text of our Code of Ethics and Business Conduct is available on the Investor Relations section of our website at www.usautoparts.net. We intend to disclose future amendments to certain provisions of the Code of Ethics and Business Conduct, and any waivers of provisions of the Code of Ethics required to be disclosed under the rules of the Securities and Exchange Commission (SEC), at the same location on our website.

Director Independence

The Board of Directors has determined that Mr. Majteles and Ms. Siminoff each satisfies the requirements for independence under the listing standards of The NASDAQ Stock Market (the NASDAQ Rules).

Board Committees and Meetings

Our Board of Directors has an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. The Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee each has a written charter that is reviewed annually and revised as appropriate. A copy of each committee's charter is available on the Investor Relations section of our website at www.usautoparts.net.

During the fiscal year ended December 31, 2006, the Board of Directors and the various committees of the Board held the following number of meetings: Board of Directors four; Audit Committee one; Compensation Committee one; and Nominating and Corporate Governance Committee none. During fiscal year 2006, no director attended fewer than 75% of the aggregate of the total number of meetings of the Board of Directors and total number of meetings of any committees of the Board, which he or she was required to attend.

Audit Committee. Our Audit Committee consists of Mr. Majteles and Ms. Siminoff. Mr. Majteles is the Chair of the Audit Committee. Our Board of Directors has determined that each member of the Audit Committee is independent under the NASDAQ Rules and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the Exchange Act). Mr. Majteles qualifies as an audit committee financial expert as that term is defined in the rules and regulations established by the SEC. The functions of this committee include:

meeting with our management periodically to consider the adequacy of our internal controls and the objectivity of our financial reporting;

meeting with our independent auditors and with internal financial personnel regarding these matters;

pre-approving audit and non-audit services to be rendered by our independent auditors;

engaging and determining the compensation of our independent auditors and oversight of the work of our independent auditors;

reviewing our financial statements and periodic reports and discussing the statements and reports with our management and independent auditors, including any significant adjustments, management judgments and estimates, new accounting policies and disagreements with management;

establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls and auditing matters;

reviewing our financing plans and reporting recommendations to our full Board of Directors for approval and to authorize action; and

administering and discussing with management and our independent auditors our Code of Ethics.

Both our independent auditors and internal financial personnel regularly meet privately with the Audit Committee and have unrestricted access to this committee.

Compensation Committee. Our Compensation Committee consists of Mr. Majteles and Ms. Siminoff. Mr. Majteles is the Chair of our Compensation Committee. Our Board of Directors has determined that each member of the Compensation Committee is independent under the NASDAQ Rules. The functions of this committee include:

reviewing and, as it deems appropriate, recommending to our Board of Directors, policies, practices and procedures relating to the compensation of our directors, officers and other managerial employees and the establishment and administration of our employee benefit plans;

exercising authority under our employee benefit plans;

reviewing and approving executive officer and director indemnification and insurance matters; and

advising and consulting with our officers regarding managerial personnel and development.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee consists of Mr. Majteles and Ms. Siminoff. Ms. Siminoff is the Chair of our Nominating and Corporate Governance Committee. Our Board of Directors has determined that each member of the Nominating and Corporate Governance Committee is independent under the NASDAQ Rules. The functions of this committee include:

identifying qualified candidates to become members of our Board of Directors;

selecting nominees for election of directors at the next annual meeting of stockholders (or special meeting of stockholders at which directors are to be elected);

selecting candidates to fill vacancies of our Board of Directors;

developing and recommending to our Board of Directors our corporate governance guidelines; and

overseeing the evaluation of our Board of Directors.

In connection with their recommendations regarding the size and composition of the Board, the Nominating and Corporate Governance Committee reviews the appropriate qualities and skills required of directors in the context of the then current make-up of the Board. This includes an assessment of each candidate's independence, personal and professional integrity, financial literacy or other professional or business experience relevant to an understanding of our business, ability to think and act independently and with sound judgment, and ability to serve our and its stockholders' long-term interests. These factors, and others as considered useful by the Nominating and Corporate Governance Committee, are reviewed in the context of an assessment of the perceived

needs of the Board at a particular point in time. As a result, the priorities and emphasis of the Nominating and Corporate Governance Committee and of the Board may change from time to time to take into account changes in business and other trends, and the portfolio of skills and experience of current and prospective directors. The Nominating and Corporate Governance Committee leads the search for and selects, or recommends that the Board select, candidates for election to the Board. Consideration of new director candidates typically involves a series of committee discussions, review of information concerning candidates and interviews with selected candidates. Candidates for nomination to our Board typically have been suggested by other members of the Board or by our executive officers. From time to time, the Nominating and Corporate Governance Committee may engage the services of a third-party search firm to identify director candidates.

The Nominating and Corporate Governance Committee will consider candidates for directors recommended by our stockholders who meet the eligibility requirements for submitting stockholder proposals for inclusion in our next proxy statement. This committee will evaluate such recommendations applying its regular nominee criteria. Eligible stockholders wishing to recommend a nominee must submit such recommendation in writing to the Chair, Nominating and Corporate Governance Committee, care of the corporate Secretary, by the deadline for stockholder proposals set forth in the prior year's proxy statement, specifying the following information: (a) the name and address of the nominee, (b) the name and address of the stockholder making the nomination, (c) a representation that the nominating stockholder is a stockholder of record of our stock entitled to vote at the next annual meeting and intends to appear in person or by proxy at such meeting to nominate the person specified in the notice, (d) the nominee's qualifications for membership on the Board, (e) a resume of the candidate's business experience and educational background as well as all of the information that would be required in a proxy statement soliciting proxies for the election of the nominee as a director, (f) a description of all direct or indirect arrangements or understandings between the nominating stockholder and the nominee and any other person or persons (naming such person or persons) pursuant to whose request the nomination is being made by the stockholder, (g) all other companies to which the nominee is being recommended as a nominee for director, and (h) a signed consent of the nominee to cooperate with reasonable background checks and personal interviews, and to serve as a director, if elected. In connection with its evaluation, the Nominating and Corporate Governance Committee may request additional information from the candidate or the recommending stockholder, and may request an interview with the candidate. The Nominating and Corporate Governance Committee has the discretion to decide which individuals to recommend for nomination as directors.

No candidates for director nominations were submitted to the Nominating and Corporate Governance Committee by any stockholder in connection with the election of directors at the Annual Meeting. Each of the director nominees standing for election at this Annual Meeting is a current director of the company.

Annual Meeting Attendance

We do not have a formal policy regarding attendance by members of our Board of Directors at annual meetings of stockholders; however, directors are encouraged to attend all such meetings. We completed our initial public offering in February 2007. Accordingly, the 2007 Annual Meeting of Stockholders will be the first meeting of stockholders that we hold as a public company.

Stockholder Communications to the Board

Our Board of Directors has implemented a process by which stockholders may send written communications directly to the attention of the Board, any committee of the Board or any individual Board member, care of our corporate Secretary at 17150 South Margay Avenue, Carson, California 90746. The name of any specific intended Board recipient should be noted in the communication. Our corporate Secretary will be primarily responsible for collecting, organizing and monitoring communications from stockholders and, where appropriate depending on the facts and circumstances outlined in the communication, providing copies of such communications to the intended recipients. Communications will be forwarded to directors if they relate to appropriate and important substantive corporate or Board matters. Communications that are of a commercial or frivolous nature or otherwise inappropriate for the Board's consideration will not be forwarded to the Board.

PROPOSAL TWO:

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The accounting firm of Ernst & Young LLP was engaged to serve as our independent auditors for the fiscal year ended December 31, 2006. The Audit Committee of our Board of Directors has selected that firm to continue in this capacity for the fiscal year ending December 31, 2007. We are asking the stockholders to ratify the selection by the Audit Committee of Ernst & Young LLP as our independent auditors to audit our consolidated financial statements for the fiscal year ending December 31, 2007 and to perform other appropriate services. Stockholder ratification of the selection of Ernst & Young LLP as our independent auditors is not required by our bylaws or otherwise. In the event that the stockholders fail to ratify the appointment, the Audit Committee will reconsider its selection. Even if the selection is ratified, the Audit Committee, in its sole discretion, may direct the appointment of a different independent accounting firm at any time during the year if the committee feels that such a change would be in our best interests and our stockholders.

A representative of Ernst & Young LLP is expected to be present at the Annual Meeting, and that representative will have the opportunity to make a brief presentation to the stockholders if he or she so desires and is expected to be available to respond to appropriate questions from stockholders.

Stockholder Approval

The affirmative vote of the holders of a majority of the shares of our common stock present or represented and entitled to vote at the Annual Meeting is being sought to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2007.

Recommendation of Our Board of Directors

Our Board of Directors recommends that the stockholders vote FOR the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2007.

FEES PAID TO INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
Principal Accountant Fees

The following table sets forth the fees billed to us for the fiscal years ended December 31, 2005 and 2006 by Ernst & Young LLP (E&Y), our independent registered public accounting firm:

Audit Fees	\$ 516,235	\$ 1,629,319
Audit-Related Fees		16,725
Tax Fees		9,572
All Other Fees		1,500
Total Fees	\$ 516,235	\$ 1,657,116

Such fees included fees associated with the preparation and review of the registration statement on Form S-1 relating to our initial public offering.

Audit-Related Fees. Audit-related fees consisted of fees billed for professional services that are reasonably related to the performance of the audit or review of our consolidated financial statements but are not reported under Audit Fees. All Other Fees. All other fees during the fiscal year ended December 31, 2006 consisted principally of an accounting research subscription.

The Audit Committee of the Board of Directors has determined that the provision by E&Y of the non-audit services described above is compatible with maintaining the independence of E&Y.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services

All engagements for services by E&Y or other independent registered public accountants are subject to prior approval by the Audit Committee; however, de minimis non-audit services may instead be approved in accordance with applicable SEC rules. The Audit Committee approved all services provided by E&Y for the fiscal year ended December 31, 2006.

Compensation Discussion and Analysis

The primary objective of our compensation policies and programs with respect to executive compensation is to serve our stockholders by attracting, retaining and motivating talented and qualified executives. We focus on providing a competitive compensation package which provides significant short and long-term incentives for the achievement of measurable corporate and individual performance objectives. Prior to the creation of the Compensation Committee of our Board of Directors in October 2006, decisions regarding executive compensation were made by our Board of Directors. Future decisions regarding executive compensation will be the primary responsibility of our Compensation Committee, in consultation from time to time with our Board of Directors and any compensation consultants we may retain.

In 2006, we paid our senior management through a mix of base salary, bonus and equity compensation at levels that we believed were comparable to executives of companies of similar size and stage of development. We did not have an equity incentive plan until March 2006 and have only recently established a formalized policy with respect to our allocations between long-term equity compensation and currently paid out compensation. As a private company, our compensation plans and the amount of each compensation element to pay our executives were generally developed by our management and approved by our Board on an individual, case-by-case basis utilizing a number of factors, including publicly available data and our general business conditions and objectives, as well as our subjective determination with respect to the executive's individual contributions to such objectives.

The primary components of our executive compensation program for fiscal 2007 are expected to include (a) base salaries; (b) annual cash incentive opportunities; and (c) long-term equity incentive opportunities in the form of stock options and performance-based stock options. In the future, such long-term equity opportunities may also include other types of equity instruments including, but not limited to, restricted stock or restricted stock units. Executives also participate in employee benefit programs available to the broader employee population. Our executive compensation program is intended to provide executives with overall levels of compensation that are competitive within the e-commerce industry, as well as within a broader spectrum of companies of comparable market capitalization and profitability.

We recently retained an independent compensation consultant, Compensia, Inc., to assist us in establishing a compensation program which includes more objective criteria and formalized policies with respect to the determination of compensation amounts and allocations for our executives. In determining the compensation policies and structure for 2007, our Compensation Committee considered the studies and benchmark data provided by our compensation consultant, which included compensation information from 15 similarly situated, U.S.-based, publicly-traded companies.

For our executive officers, other than Messrs. Nia and Pine, the Compensation Committee has adopted a policy of setting total compensation at approximately the 50th to 75th percentile level of comparable companies (the Target Percentile Range) in order to effectively recruit and retain key executives, with an emphasis on equity compensation in order to align our executives' incentives with the interests of stockholders. The cash compensation, including the base salaries and bonuses, for 2007 for our executive officers has been established generally at the lower end of the Target Percentile Range, while the equity compensation generally will be at the higher end of such range.

Beginning in March 2007, we reduced the cash compensation for several of our founders who already have a significant ownership stake in the company, including Mr. Nia, our Chief Executive Officer and President, and Mr. Pine, our Vice President of Strategic Planning, to \$1.00 per year. In lieu of salary, we have granted performance-based options to such officers, which options only vest upon the company's achievement of certain financial and operational milestones.

We expect that we will continue to seek outside assistance, including engaging the services of other compensation consultants, conducting annual benchmark reviews of our executive compensation or subscribing to various surveys or reports, in setting appropriate levels of compensation for our executives in the future.

Elements of Executive Compensation

Base Salary

We seek to provide our senior management with a base salary appropriate to their roles and responsibilities. As indicated above, for 2007, with the exception of Mr. Nia, our Chief Executive Officer, we have generally established base salaries for our executive officers at the lower end of our Target Percentile Range, with the exact base salaries for our executives based on the executive's qualifications and experience, scope of responsibilities and future potential, the executive's past performance, and the salaries paid by other companies for similar positions. Base salaries are reviewed annually, and adjusted from time to time to realign salaries with market levels after taking into account individual responsibilities, performance and experience.

Incentive Cash Bonuses

In 2006, we awarded incentive cash bonuses to our executive officers based upon their individual performance as well as performance objectives of the company. We paid to one of our named executive officers a bonus in connection with the successful completion of our March 2006 recapitalization. All other bonuses to our executive officers were awarded primarily based on the subjective evaluation by the Board of each executive's contribution towards achieving general business objectives. For the year 2007, the Compensation Committee has generally established target bonus amounts at the lower end of our Target Percentile Range for our executive officers, except for Mr. Nia, who is not expected to receive any cash bonus at this time. The bonuses to be awarded to our executive officers, other than Mr. Nia and Mr. Akhavan, are designed to reward our executives for their contributions to our overall performance, and will be substantially dependent upon us meeting certain company-wide, financial and operational milestones. The bonus amount to be awarded to Mr. Akhavan, our Vice President of Marketing, will be substantially dependent upon our achievement of certain Internet marketing metrics.

Long-Term Equity Compensation

We believe that long-term performance is achieved through an ownership culture that encourages long-term performance by our executive officers through the use of equity-based awards. We have established equity incentive plans to provide our employees, including our executive officers, with incentives to help align those employees' interests with the interests of stockholders. In 2006, we granted to our executive officers varying amounts of stock options that generally vest over a four year period, to provide a long-term incentive to such officers, to provide them with an opportunity to obtain an ownership interest in our company and to further align their interests with the interests of our stockholders. Historically, we have issued stock options, which may be exercised prior to vesting and converted into restricted stock. However, the stock options that have been granted since our initial public offering in February 2007 are only exercisable to the extent the option is vested at the exercise date. The stock options that we grant to officers generally vest as to 25% of the shares underlying the grant on the first anniversary of the grant date, with the remainder vesting in 36 equal monthly installments thereafter. The performance-based stock options granted in April 2007 to Messrs. Nia and Pine vest only if, and then to the extent, that we achieve certain financial and operating goals. All of the stock options that we have granted to date have a maximum term of ten years.

In 2006, we did not have a formal policy as to the amount or timing of grants to executive officers. Because the Compensation Committee believes that the use of stock and stock-based awards promotes our overall executive compensation objectives, the Compensation Committee has established a compensation policy for 2007 that emphasizes equity compensation rather than cash compensation. As indicated above, for 2007, the Board has generally established long-term equity compensation for the executive officers at the higher end of the Target Percentile Range. In April 2007, in furtherance of our equity compensation policy, the Compensation Committee awarded stock options to our executive officers to generally raise their total equity ownership to the higher end of our Target Percentile Range of comparable companies.

Other Compensation

Our executive officers are eligible to receive the same benefits, including non-cash group life and health benefits, that are available to all employees. Certain additional benefits may be provided to our executives such as a car allowance, but each on a case-by-case basis.

Grants of Plan-Based Awards

All options were granted under our 2006 Equity Incentive Plan and are immediately exercisable. Except as otherwise noted

below, the options vest as to 25% of the shares underlying the option on the first anniversary of the grant date, with the remainder vesting in 36 equal monthly installments thereafter.

Employment Contracts and Termination of Employment and Change of Control Arrangements

In January 2007, we entered into a five year employment agreement with Michael McClane, our Chief Financial Officer, Executive Vice President of Finance, Treasurer and Secretary, pursuant to which Mr. McClane's annual salary will be at least \$225,000, subject to increase from time to time at the discretion of our Board of Directors. Mr. McClane is also entitled to an annual discretionary bonus of up to \$100,000, subject to increase from time to time at the discretion of our Board of Directors, and to participate in all of our employee benefit programs offered to other executive officers. In the event Mr. McClane's employment is terminated for any reason other than for cause, then we will be required to continue to provide coverage for one year under our healthcare plans and group insurance policies for Mr. McClane and his immediate family, as well as pay six months of severance if such termination occurs prior to September 18, 2007 and one year of severance if such termination occurs after September 18, 2007.

We entered into an offer letter with Howard Tong in November 2006, pursuant to which he agreed to serve as our Chief Operating Officer. Mr. Tong's annual salary was set at \$220,000, and Mr. Tong is also eligible to receive a discretionary bonus of up to \$100,000 per year. In the event Mr. Tong's employment is terminated for any reason other than for cause, then we will be required to pay six months of severance to Mr. Tong if the termination occurs within the first two years of his service and 12 months of severance if the termination occurs after the first two years of his service. Mr. Tong is entitled to participate in all of our sponsored employee benefit programs. If a triggering event under the severance provisions of his agreement had occurred on the last business day of fiscal year 2006, then Mr. Tong would have been entitled to a payment of \$110,000.

We entered into an employment agreement with Richard Pine on May 19, 2006. The agreement provides for a two-year term of employment, but we may terminate Mr. Pine's employment at any time during such term for cause. If Mr. Pine is terminated for any reason other than for cause within the first two years of his employment, Mr. Pine is entitled to receive a severance payment equal to the remainder of his unpaid salary for the two year term plus the costs COBRA premiums for six months if he elects continued medical insurance coverage under COBRA. Mr. Pine's annual salary was \$200,000 subject to adjustment from time to time in accordance with our standard compensation policies. As discussed in Compensation Discussion and Analysis, beginning in March 2007, we reduced the cash compensation for Mr. Pine to a nominal amount. In lieu of salary, we have granted performance-based options to Mr. Pine, which options only vest upon our achievement of certain financial and operational milestones. Mr. Pine is also entitled to participate in all of our sponsored employee benefit programs. If a triggering event under the severance provisions of his agreement had occurred on the last business day of fiscal year 2006, then Mr. Pine would have been entitled to a payment of \$277,260 plus the costs COBRA premiums of approximately \$5,900.

We entered into an offer letter with Houman Akhavan in January 2006, pursuant to which he agreed to serve as our Vice President of Marketing. In the event Mr. Akhavan's employment is terminated for any reason other than for cause, then we will be required to pay six months of severance to Mr. Akhavan based on his average pay for the six month preceding the termination date. If a triggering event under the severance provisions of his agreement had occurred on the last business day of fiscal year 2006, then Mr. Akhavan would have been entitled to a payment of approximately \$143,000.

In 2006, we granted to Mr. McClane and to Mr. Akhavan options to purchase an aggregate of 309,060 and 231,000 shares, respectively, of our common stock. These stock option agreements provide that in the event of an involuntary termination of the applicable officer's service with us within 12 months after a change in control of U.S. Auto Parts, then all unvested option shares will immediately vest and will remain exercisable until the earlier of (i) the expiration of such options, or (ii) the one year anniversary of the involuntary termination. If a triggering transaction had occurred as of the last business day of fiscal year 2006, all of the shares subject to these options, none of which had vested as of December 29, 2006, would have become vested.

In April 2007, Messrs. Nia and McClane were granted stock options to purchase up to 249,326 and 235,000 shares, respectively, of our common stock at the then current fair market value of \$5.81 per share. The stock option granted to Mr. Nia vests only if, and then to the extent, that we achieve certain financial and operating goals in 2007. The stock option granted to Mr. McClane vests as to 25% of the shares underlying the option on the first anniversary of the grant date, with the remainder vesting in 36 equal monthly installments thereafter. However, both of these options provide for acceleration of vesting in full of all shares underlying the applicable option upon an involuntary termination of the executive officer without cause within 12 months after a change in control of the company. Upon such acceleration of vesting, each affected option will remain exercisable until the earlier of (i) the expiration date of such option or (ii) the one year anniversary of the involuntary termination.

Director Compensation

The compensation and benefits for service as a member of the Board of Directors is determined by our Board of Directors. Directors employed by us or one of our subsidiaries are not compensated for service on the Board or on any committee of the Board; however, we reimburse each of our directors for any out-of-pocket expenses in connection with attending meetings of our Board of Directors and committees of the Board of Directors. Beginning in January 2007, each of our non-employee directors, other than Messrs. Harman and Khazani, will be paid a fee of \$25,000 per year for his or her service as a director. Members of the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee will each receive an additional \$7,500, \$5,000 and \$2,500, respectively, per year for his or her service on such committee. The chairpersons of the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee will receive \$15,000, \$7,500 and \$5,000, respectively, per year for his or her service on such committee.

Any non-employee director who is first elected to the Board of Directors will be granted an option to purchase 45,000 shares of our common stock on the date of his or her initial election to the Board of Directors. In addition, on the date of each annual stockholders meeting, each person who has served as a non-employee member of the Board of Directors for at least six months before the date of the stockholder meeting will be granted a stock option to purchase 20,000 shares of our common stock. These options will have an exercise price per share equal to the fair market value of our common stock on the date of grant and will vest over a three year period, subject to the director's continuing service on our Board of Directors. The term of each option granted to a non-employee director shall be ten years. These options will be granted under our 2007 Omnibus Incentive Plan.

For the year ended December 31, 2006, we approved the payment of \$12,500 per quarter to Mr. Massoud Entekhabi, a former director, for his service as a director. Each of our other non-employee directors, other than Messrs. Harman and Khazani, was entitled to \$20,000 per year for his or her service as a director, as well as the payment of an additional \$2,500 per year for each committee on which he or she served. The chairperson of a committee was entitled to receive \$5,000 per year for service on such committee. The following table sets forth a summary of the compensation earned in fiscal year 2006 by each person who served as a director during such year, who is not a named executive officer.

In addition, our company policies require that our officers and employees avoid using their positions for purposes that are, or give the appearance of being, motivated by a desire for personal gain, and our policies further require that all officers and employees who have authority to initiate related party transactions provide a written report, on an annual basis, of all activities which could result in a conflict of interest or impair their professional judgment.
