This Schedule 13D relates to the common stock, no par value (the Common Shares ) of World Heart Corp., a Canadian corporation (the Issuer ). The address of the Issuer s principal executive offices is 7799 Pardee Lane, Oakland, CA 94621.

**Item 2. Identity and Background**

This Schedule 13D is being filed by ABIOMED, Inc., a corporation organized under the laws of the State of Delaware (the Reporting Person ). The Reporting Person s principal business address is 22 Cherry Hill Drive, Danvers, MA 01923. The Reporting Person is a provider of medical devices in the field of circulatory support. The Reporting Person has not been convicted in a criminal proceeding during the last five years. In the past five years, the Reporting Person has not been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction which, as a result of such proceeding, rendered the Reporting Person subject to a judgment, decree, or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

**Item 3. Source and Amount of Funds or Other Consideration**

The Reporting Person acquired beneficial ownership of an 8% convertible promissory note that is convertible into 2,858,861 Common Shares for a total of \$5,000,000 (\$1,000,000 of which was paid on December 11, 2007 and the remaining \$4,000,000 of which is anticipated to be paid on January 3, 2008) using working capital funds. **Persons who respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB control number.**

**Item 4. Purpose of Transaction**

The Reporting Person, the Issuer and World Heart Inc., a wholly owned subsidiary of the Issuer ( WHI ), entered into a Note Purchase Agreement, dated as of December 11, 2007 (the Note Purchase Agreement ), a copy of which was filed as Exhibit 99.1 to a Form 8-K filed by the Issuer on December 13, 2007, File No. 000-28882 (the 8-K ), and is incorporated herein by reference. The description of the Note Purchase Agreement set forth herein is qualified in its entirety by reference to the copy filed as Exhibit 99.1 to such Form 8-K. Pursuant to the Note Purchase Agreement, the Issuer issued to the Reporting Person a secured convertible promissory note in the principal amount of up to \$5 million (the Note ), to be funded in two tranches, \$1 million of which was funded on December 11, 2007 and \$4 million of which is scheduled to be funded on or about January 3, 2008, subject to certain limited conditions. The Note is secured by the Issuer's assets and contains certain covenants and customary events of default, the occurrence of which could result in an acceleration of the Note. The Note is convertible into Common Shares at the Reporting Person's option, in whole or in part, at \$1.748948 per share, subject to anti-dilution adjustments in the event that the Issuer issues securities at a lower effective price, at any time, except that until and unless shareholder approval for the purposes of compliance with the shareholder approval rules of the NASDAQ Stock Market has been received, any conversion of the Note (including any accrued interest), together with any exercise of the Warrant as described below, is limited such that the Reporting Person will not hold more than 19.9% of the Issuer's Common Shares outstanding as of December 11, 2007. The Note will accrue interest at 8% per annum, which is payable upon payment or conversion of the Note, and the interest may also be converted into Common Shares at the then market value, at the option of the Reporting Person. After the second anniversary of the issuance, the Note is payable on demand, or subject to fulfillment of certain conditions, at the Issuer's option.

As part of the Note Purchase Agreement, the Issuer also granted the Reporting Person a right of first refusal to act as an exclusive worldwide distributor for any Issuer product not currently sold by Issuer and a right to designate one nominee to the Issuer's board of directors or have an observer present at the Issuer's board meetings.

The Issuer, WHI and the Reporting Person also entered into a Clinical and Marketing Support Services Agreement (the Services Agreement ) a copy of which was filed as Exhibit 99.6 to the 8-K, and is incorporated herein by reference. The description of the Note Purchase Agreement set forth herein is qualified in its entirety by reference to the copy filed as Exhibit 99.6 to the Form 8-K. Pursuant to the Services Agreement the Reporting Person agreed to provide clinical support and certain marketing services in connection with the Issuer's products in development. As partial consideration for these clinical and marketing services, the Issuer issued to the Reporting Person a 5-year warrant (the Warrant ) to purchase up to 3,400,000 Common Shares, exercisable at \$0.01 per share. The Warrant is exercisable with respect to only 680,000 Common Shares until the second tranche of the Note is funded, and until and unless shareholder approval has been received, the exercise of the Warrant, together with any conversion of the Note, is limited to 19.9% of the Issuer's currently outstanding Common Shares.

In addition, the Issuer and Reporting Person entered into a Registration Rights Agreement pursuant to which the Issuer granted the Reporting Person registration rights with respect to the Common Shares underlying the Note and Warrant and agreed to file such registration statement
