QuadraMed 2008 Incentive Compensation Plan

On March 6, 2008, the Board of Directors (the "Board") of QuadraMed Corporation (the "Company"), acting on the recommendation of the Compensation Committee of the Board, approved the QuadraMed 2008 Incentive Compensation Plan (the "2008 ICP"). The 2008 ICP is the Company's primary bonus plan, providing cash incentive compensation to eligible employees. The objectives of the 2008 ICP are to attract, retain and motivate eligible employees; to reward them for the achievement of the Company's financial targets and individual goals; to align their interests with shareholder interests; and to signal important organizational performance priorities.

In contrast to previous years, the 2008 ICP applies only to Company employees in manager positions and above, including each of our named executive officers Keith Hagen, David Piazza, James Klein, James Milligan and Steven Russell (our "Named Executive Officers"). Individuals in eligible positions must be in those positions prior to October 1, 2008 in order to participate, and their 2008 ICP bonus amounts, if any, will be pro-rated to reflect time of service in the eligible positions. Further, unless otherwise provided in the participant's employment agreement (if applicable), participants must be employed with the Company on the date of payment (generally, around the end of the Company's first fiscal quarter of the following year) in order to receive a bonus payment under the 2008 ICP.

The 2008 ICP bonuses would be awarded based upon a mix of the Company's achievement of profitability milestones related to adjusted EBITDA, revenue and sales bookings and each eligible participant's achievement of his or her established individual performance objectives, which are generally two to five measurable criteria linked to the Company's strategy and business needs. The portions of an eligible employee's 2008 ICP bonus criteria dependent on the Company's goals and individual goals varies with such employee's position with the Company, with lower level eligible employees' bonus amounts being more dependent on individual performance goals and higher level eligible employees' bonus amounts being more dependent on the Company's financial performance goals.

If the Company surpasses its profitability targets, the amounts payable under the 2008 ICP may be increased; however, in no event will any eligible employee receive more than 125% of his or her maximum 2008 ICP bonus potential. The amounts payable under the 2008 ICP to an eligible employee will depend upon the percentage of such employee's base salary that may be earned in the form of a 2008 ICP bonus, ranging generally from 10% for managers to 50% for senior vice presidents, as calculated using such employee's salary at September 30, 2008. For the Named Executive Officers, Mr. Hagen's targeted maximum ICP bonus is 100% of his annual base salary, and Messrs. Piazza, Klein, Milligan and Russell's targeted maximum ICP bonuses are 50% of their annual base salaries.

2008 ICP incentive awards for the 2008 calendar year will be determined by the Board in early 2009, based upon the Company's financial performance in 2008 as well as the satisfaction of individual performance goals.

QuadraMed 2008 Sales Overachievement Bonus Plan

In addition, also on March 6, 2008, the Board, upon the recommendation of the Compensation Committee, approved a new bonus plan, named the QuadraMed 2008 Sales Overachievement Bonus Plan (the "2008 SOBP"). The 2008 SOBP recognizes and rewards a group of eighteen executives and senior leaders, including each of our Named Executive Officers, for sales bookings in 2008 above a certain initial target level set by the Compensation Committee and approved by the Board (the "Target Bookings"). For each \$1 million in 2008 sales bookings (up to \$10 million) over the Target Bookings, each 2008 SOBP participant will receive a cash bonus of \$3,000. If the Company achieves sales bookings of \$10 million or more than the Target Bookings, each participant will receive the maximum payment of \$30,000, and the total maximum amount of bonuses payable by the Company for the 2008 SOBP will be \$540,000. The 2008 SOBP is separate from the Company's 2008 ICP; accordingly, any bonuses paid under the 2008 SOBP would be in addition to any 2008 ICP bonuses received by participants.
