PROXY STATEMENT

GENERAL MATTERS

When and where is the Annual Meeting?

The Annual Meeting will be held on Wednesday, May 21, 2008, at 10:00 a.m., Eastern Time, at The Peninsula Hotel, 700 Fifth Avenue, New York, New York 10019.

Why am I receiving these proxy materials?

You are receiving these proxy materials in connection with the solicitation by our Board of Directors of proxies to be voted at the 2008 Annual Meeting of Stockholders. If your shares were registered directly in your name with our transfer agent, BNY Mellon Shareowner Services, as of the close of business on April 7, 2008, you are considered a shareholder of record, and we have sent you this Notice of Annual Meeting and 2008 Proxy Statement and proxy card.

If your shares were held in the name of a bank, brokerage account or other nominee as of the close of business on April 7, 2008, you are considered a beneficial owner of the shares held in street name. Your bank, broker or other nominee has sent you this Notice of Annual Meeting and 2008 Proxy Statement and a vote instruction form. You have the right to direct your bank, broker or other nominee on how to vote your shares by completing and returning the vote instruction form or by following the voting instructions provided to vote on the Internet or by telephone.

What am I voting on?

You are voting on two proposals. Details of each proposal are included in the next section entitled Matters to Be Considered at the Annual Meeting.

Proposal 1: To elect nine Directors, each for a term of one year; and

Proposal 2: To ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2008.

What are the Board's recommendations on how I should vote my shares?

The Board recommends that you vote your shares:

Proposal 1: **FOR** the election of all nine Directors, each for a term of one year; and

Proposal 2: **FOR** the ratification of the appointment of Deloitte & Touche LLP.

What are my choices when voting?

Proposal 1: You may cast your vote in favor of election of all nominees or withhold authority to vote for all or one or more nominees. Abstentions and broker non-votes will have the effect of a vote against the election of all nine nominees.

Table of Contents

Proposal 2: You may cast your vote in favor of or against the proposal, or you may elect to abstain from voting your shares. Abstentions and broker non-votes will have the effect of a vote against the approval of this proposal.

How will my shares be voted if I do not specify how they should be voted?

The Board of Directors is asking for your proxy. Giving us your proxy means that you authorize us to vote your shares at the meeting in the manner you direct. If you sign and return the enclosed proxy card, but do not specify how to vote, we will vote your shares in the manner recommended above.

How do I vote?

You may vote your shares by any one of the following methods:

By mail: Mark your votes, sign and return the proxy card or vote instruction form in the postage paid envelope provided.

By Internet: Log onto the website indicated on your proxy card or vote instruction form.

By telephone: Call the toll-free number shown on your proxy card or vote instruction form and follow the voice prompts.

You may attend the Annual Meeting in person and use a ballot to cast your vote.

If you vote by the Internet or by telephone, you do not need to send in the proxy card or vote instruction form. The deadline for Internet and telephone voting will be 5:00 p.m., Eastern Time, on May 20, 2008. If your shares are held in the name of a bank, broker or other nominee, and you wish to vote your shares at the Annual Meeting, you will need to contact your bank, broker or other nominee to obtain a legal proxy form that you must bring with you to the meeting to exchange for a ballot.

What vote is needed for the proposals to be adopted?

As of the record date, April 7, 2008, there were 44,191,939 shares of PRIMEDIA Common Stock issued and outstanding.

Quorum: In order to conduct the Annual Meeting, more than one-half of the outstanding shares must be present or be represented by proxy. This is referred to as a quorum. If you submit a properly executed proxy card or vote by telephone or by Internet, you will be considered part of the quorum. Proxy cards marked as abstaining on any proposal to be acted on by stockholders will be treated as present at the Annual Meeting for purposes of a quorum.

Proposals: More than one-half of the outstanding shares must vote for a proposal for it to be adopted.

As of April 7, 2008, affiliates of Kohlberg Kravis Roberts & Co. L.P. beneficially own and have the right to vote approximately 62% of the outstanding shares of our Common Stock and have advised us that they intend to vote all such shares in favor of all nominees for Director and the

Table of Contents

ratification of the appointment of Deloitte & Touche LLP. As a result, we are assured a quorum at the Annual Meeting, the election of all nominees for Director and the ratification of the appointment of Deloitte & Touche LLP.

Who will count and certify the votes?

Representatives of Corporate Election Services and the staff of our Corporate Secretary office will count the votes and certify the election results. The results will be published in our Quarterly Report on Form 10-Q for the second quarter of 2008.

What does it mean if I receive more than one proxy card?

It means you have multiple accounts at the transfer agent or with stock brokers or other nominees. Please complete and provide your voting instructions for all proxy cards and voting instruction cards that you receive.

Will my shares be voted if I do not sign and return my proxy card?

They could be. If your shares are held in street name and you do not instruct your broker or other nominee how to vote your shares, your broker or nominee may use its discretion to vote your shares on routine matters (such as election of Directors and ratification of auditors) or leave your shares unvoted, which we refer to as broker non-votes. We encourage you to provide instructions to your nominee by completing the instruction card or proxy that it sends to you. This will ensure that your shares are voted at the Annual Meeting as you direct.

How can I change my vote?

You have the right to revoke your proxy at any time before the Annual Meeting. If you are a holder of record, you may contact our Corporate Secretary and request that another proxy card be sent to you. Alternatively, you may use the Internet or the telephone to re-vote your shares, even if you mailed the proxy card or previously voted using the Internet or telephone. The latest-dated, properly completed proxy that you submit, whether through the Internet, by telephone or by mail will count as your vote. Please note that if you re-vote your shares by mail, your re-vote will not be effective unless it is received by our Corporate Secretary at the address specified below prior to the Annual Meeting. If your shares are held in street name, you must contact your bank, broker or other nominee and follow their procedures for changing your vote instructions.

Can I view these materials electronically?

This Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2007 are available online at www.primedia.com. From the home page, select the Investor Relations tab to view or download the materials.

How do I obtain a copy of materials related to corporate governance?

Our Corporate Governance Guidelines, charters of standing committees of our Board of Directors, our Code of Ethics and other materials related to corporate governance are published on the Governance section of our website at www.primedia.com. In addition, this information is available in print to any stockholder who requests it by contacting our Corporate Secretary at the address specified below.

Table of Contents

What are the solicitation expenses?

Our Board of Directors is asking for your proxy and we will pay all of the costs of asking for stockholder proxies. We can ask for proxies through the mail or personally by telephone or the Internet. While our Directors, officers and regular employees of PRIMEDIA may ask for proxies, these people do not receive additional compensation for these services. It is contemplated that additional solicitation of proxies will be made in the same manner under the engagement and direction of Georgeson & Co., at an anticipated cost of \$5,000, plus reimbursement of out-of-pocket expenses. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding solicitation material to the beneficial owners of PRIMEDIA Common Stock.

How can I submit a proposal for consideration at the 2009 annual meeting?

To be considered for the 2009 annual meeting, stockholder proposals must be submitted in writing to our Corporate Secretary at the address specified below. No proposal can be included in our proxy statement for the 2009 annual meeting unless it is received by our Corporate Secretary no later than December 26, 2008. The proposal must also meet the other requirements of the rules of the Securities and Exchange Commission relating to stockholder proposals.

How can I recommend someone as a candidate for Director?

A stockholder who wishes to recommend a candidate for Director may write to Mr. David Bell, Chairman of the Nominating and Corporate Governance Committee of the Board of Directors, in care of our Corporate Secretary. To be effective for consideration at the 2009 annual meeting, a nomination must be received by our Corporate Secretary no later than March 21, 2009 and must include information required under our By-laws, including information about the nominating shareholder and information about the nominee that would be required to be included in a proxy statement under the rules of the SEC. For additional information, please see Corporate Governance Stockholder Recommendations or Nominations for Director below.

What is the address of PRIMEDIA s Corporate Secretary?

You may write to our Corporate Secretary at PRIMEDIA Inc., 3585 Engineering Drive, Norcross, Georgia 30092.

What is the effect of the reverse stock split on the information in this Proxy Statement?

On August 1, 2007, we effected a reverse stock split, whereby each PRIMEDIA stockholder received one new share of PRIMEDIA Common Stock in exchange for every six existing shares of PRIMEDIA Common Stock. Effect has been given to the impact of the reverse stock split on all relevant amounts presented in this Proxy Statement, except as otherwise indicated.

Policy on Approval of Independent Registered Public Accounting Firm Fees and Services

The services performed by Deloitte & Touche in 2007 were pre-approved by the Audit Committee in accordance with the pre-approval policy and procedures adopted by written consent of the Audit Committee dated July 3, 2003. This policy describes the permitted audit, audit-related, non-audit related (tax) and non-permitted services (all other fees) (collectively referred to as the Disclosure Categories) that Deloitte & Touche may perform. The policy requires that prior to the beginning of each year s audit, a description of services (a Service List) to be performed by Deloitte & Touche in each of the Disclosure Categories must be presented to the Audit Committee for approval. In 2007, all services included on the Service List were pre-approved following the policies and procedures of the Audit Committee.

Any requests for audit, audit-related and non-audit related (tax) services not included on the Service List must be submitted to the Audit Committee for specific pre-approval. Generally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the authority to grant specific pre-approval between meetings, as necessary, has been delegated to the Chairman of the Audit Committee, or any member of the Committee in the absence of the Chairman. In the event unexpected matters arise requiring services by Deloitte & Touche not included on the Service List, management may approve the services for limited amounts. In the event any of the audit-related services or non-audit related services are authorized by fewer than all members of the Audit Committee, our Chief Accounting Officer or the Chairman shall notify any members of the Audit Committee who did not participate in such determination of the services and fees authorized.

On a quarterly basis, the Audit Committee reviews the status of services year-to-date against the original Service List and the forecast of remaining services for the year.

CORPORATE GOVERNANCE

Governance Principles

Our Board of Directors is committed to establishing and maintaining corporate governance practices that reflect the highest standards of ethics and integrity. Toward that end, the Board has established a Nominating and Corporate Governance Committee and adopted Corporate Governance Guidelines, which set forth the practices of the Board, including guidelines for determining qualifications for Directors, Director independence, and business conduct and ethics for the Board. The Nominating and Corporate Governance Committee charter is available, along with the Corporate Governance Guidelines, in the Governance section of our website located at www.primedia.com. They are also available in print by writing to our Corporate Secretary. All modifications to the Corporate Governance Guidelines will be reflected on our website.

In accordance with our Corporate Governance Guidelines, the Board completed an evaluation of the effectiveness of the Board and each of its committees since the last annual meeting of stockholders. The Board evaluations consider, among other things, the quality of meeting agendas, materials and discussions. Evaluations focus on both strengths and opportunities for improvement.

We comply with the NYSE listing standards applicable to corporate governance. On June 18, 2007, we timely submitted to the NYSE the Annual CEO Certification, pursuant to Section 303A.12 of the NYSE's listing standards, whereby our Chief Executive Officer certified that he was not aware of any violation by PRIMEDIA of the NYSE's corporate governance listing standards as of the date of the certification.

Director Independence

The Board is comprised of a majority of independent Directors within the meaning of applicable NYSE listing standards and the applicable provisions of the Securities Exchange Act of 1934, as amended. In order for a Director to be considered independent, the Board must affirmatively determine that the Director has no material relationship with PRIMEDIA (either directly or as a partner, stockholder or officer of an organization that has a relationship with PRIMEDIA). The Board has established guidelines to assist it in making this determination, and those guidelines are set forth in Annex A of our Corporate Governance Guidelines. In each case, the Board considers all relevant facts and circumstances. The ownership of a significant amount of stock is not, in and of itself, a bar to independence; but, rather, is one factor to consider. Applying these guidelines and the rules of the NYSE and applicable laws, the Board has affirmatively determined that each of the following Directors is independent:

David A. Bell	Meyer Feldberg	H. John Greeniaus	Thomas C. Uger
Daniel T. Ciporin	Perry Golkin	Kevin J. Smith	

Neither of our other Directors, Dean B. Nelson, our Chairman, and Beverly C. Chell, our former Vice Chairman and General Counsel, qualifies as independent under established guidelines.

Table of Contents

Under the applicable NYSE rules and the Sarbanes-Oxley Act of 2002, we must have an audit committee comprised solely of independent Directors. In addition to the requirements for independent Directors in the preceding paragraph, members of the Audit Committee must meet separate requirements that they receive no compensation from PRIMEDIA, other than compensation for serving as a Director, and that they are not affiliated persons of PRIMEDIA. We are in compliance with all the independence requirements relating to the Audit Committee. Please refer to Board Committees below for more information.

Board Composition and Meetings

The Board is currently comprised of nine members. The Board has responsibility for establishing broad corporate policies and for our overall performance. Members of the Board are kept informed of our businesses by various reports and documents sent to them periodically, as well as by operating and financial reports made at Board and committee meetings by the Chairman, the President and CEO, the Chief Financial Officer and other officers and management executives.

Regular meetings of the Board are held throughout the year. In 2007, the Board held 13 meetings and also acted by unanimous written consent. Each Director standing for election attended at least 80% of the total number of meetings of the Board and Board committees of which he or she was a member in 2007. It is our policy that Directors are encouraged to attend the annual meeting of stockholders. A majority of our Directors attended the annual meeting in 2007 either in person or by telephone.

Directors who are not officers or employees of PRIMEDIA hold regular executive sessions at which management Directors, including our Chairman, are not present. Unless the Board determines otherwise, these sessions occur, at a minimum, two times a year. In addition, those Directors who are not management or affiliated with our majority stockholder (investment partnerships controlled by Kohlberg Kravis Roberts & Co. L.P., or KKR) hold an executive session at least once a year at which only these Directors are present. The Director with the most seniority in attendance at an executive session presides over such executive session.

Board Committees

The Board currently has four standing committees: Audit Committee, Nominating and Corporate Governance Committee, Compensation Committee and Executive Committee. Under applicable NYSE rules, we are considered a controlled company because more than 50% of the stockholder voting power is held by investment partnerships controlled by KKR. As a result, we are not required to have a compensation, nominating or corporate governance committee; however, the Board has elected to establish these committees.

During 2007, the Audit Committee held six meetings, the Nominating and Corporate Governance Committee held four meetings, the Compensation Committee held one meeting and the Executive Committee held one meeting.

The Board has determined that all the members of each of the Board's standing committees meet the criteria for independence as established by the NYSE and under the Sarbanes-Oxley Act of 2002, except that Beverly C. Chell, a member of the Compensation Committee, and Dean B. Nelson, a member of the Executive Committee, are not considered independent. Each of the committees is described in greater detail below. The Board has established written charters for the Compensation Committee, Audit Committee and Nominating and Corporate Governance Committee. Each of the charters can be found in the Governance section on our website located at www.primedia.com or can be obtained in print by writing to our Corporate Secretary. Any changes to the charters will be reflected on our website.

Audit Committee

The purpose of the Audit Committee is to assist the Board in overseeing our accounting, reporting and financial practices. Its duties include selecting and overseeing our independent auditor, reviewing the scope of the audit to be conducted by the independent auditor, including the results of such audit, reviewing our internal audit function and our disclosure and internal controls procedures, approving audit and other services to be provided by our independent auditor and overseeing our financial reports, including our annual report, and the critical accounting policies and estimates used in preparing such reports.

The charter of the Audit Committee requires that the Audit Committee be comprised of at least three Directors, all of whom must be independent under the NYSE rules and the Sarbanes-Oxley Act of 2002. In addition, each member of the Audit Committee must be financially literate within the meaning of the NYSE listing standards, and at least one member must have accounting or related financial expertise as determined by the Board. The Board has determined that each of the Audit Committee members is independent and financially literate and that Messrs. Smith, Bell, Ciporin and Greeniaus each qualify as an audit committee financial expert, as defined by the SEC, and as a result have accounting and related financial management expertise within the meaning of the NYSE listing standards. The Audit Committee's Report appears on pages 39 through 40.

Compensation Committee

The purpose of the Compensation Committee is to review and oversee our compensation programs, including remuneration arrangements for our senior executives, including our Chairman and our President and CEO. Additional information about the Compensation Committee's responsibilities is included in the Compensation Discussion and Analysis beginning on page 17. The Compensation Committee's Report appears on page 39.

Nominating and Corporate Governance Committee

The purpose of the Nominating and Corporate Governance Committee is to develop and recommend to the Board a set of corporate governance principles and to perform a leadership role in shaping our corporate governance; and identify qualified candidates to serve on the Board and recommend Director nominees to be submitted to the stockholders for election at an annual meeting. The Committee's duties include regularly reviewing and recommending

Table of Contents

changes to our corporate governance principles, including retirement and other tenure policies for Directors, assessing channels through which the Board receives information and overseeing evaluation of the Board and management. The Board has determined that each of the Nominating and Corporate Governance Committee members is independent.

Executive Committee

The Executive Committee has authority to act for the Board on all matters during intervals between Board meetings.

Stockholder Recommendations or Nominations for Director

The Nominating and Corporate Governance Committee considers candidates recommended by current Directors, officers, employees and third parties. The Nominating and Corporate Governance Committee also will consider stockholder recommendations for candidates for the Board. Stockholders should send their recommendations to our Corporate Secretary. Nominations must conform to the procedures set forth in our By-Laws, a copy of which is available without charge upon request to our Corporate Secretary.

Candidates recommended by stockholders are evaluated against the same criteria used to evaluate all candidates. Candidates should be individuals with high standards of ethics and integrity, good judgment and who are committed to representing the interests of the stockholders. They should have broad business, governmental, non-profit or professional experience that indicates the candidate will be able to make significant and immediate contributions to the Board's discussions and decisions. They should be able to devote sufficient time and energy to the performance of the duties of a Director. The Board's review of a candidate is typically based on any written materials provided with respect to the potential candidate, personal references and interviews. In the future, the Nominating and Corporate Governance Committee will use these and other materials approved by the Board and the Nominating and Corporate Governance Committee to evaluate potential candidates. In 2007, we did not pay a fee to any third party to identify candidates.

Code of Ethics

We strongly believe that our business practices should reflect the highest standards of honesty, fair dealing and ethics. Toward that end, the Board has adopted a Code of Ethics, which applies to all of our Directors, officers and employees. The Code of Ethics is available in the Governance section of our website located at www.primedia.com. It is also available in print by writing to our Corporate Secretary. Any modifications to the Code of Ethics will be reflected on our website. We also have an Ethics Committee, which investigates allegations of unethical or inappropriate behavior, as well as a toll-free Ethics HelpLine, which employees and others may use on a confidential basis to notify the Audit Committee if they become aware of any questionable accounting practices.

Communications with the Board

Stockholders or other interested parties who wish to communicate with our Directors, a committee of the Board, the independent Directors as a group or our Board of Directors generally may do so by addressing their correspondence to such member or members in care of our Corporate Secretary at PRIMEDIA Inc., 3585 Engineering Drive, Norcross, Georgia 30092.

Table of Contents**COMPENSATION OF DIRECTORS****Overview**

Only Directors who are not full-time employees of PRIMEDIA receive compensation for services as a Director. We use a combination of cash and stock-based compensation to attract and retain highly-qualified individuals to serve on our Board. Compensation for non-employee Directors during 2007 was comprised of the following:

Type Of Compensation	Amount(\$)
Annual Cash Retainer(1)	55,000
Additional Annual Retainer for Committee Chair:	
Audit Committee	5,000
Nominating and Corporate Governance Committee	5,000
Additional Annual Retainer for Committee Membership:	
Audit Committee	25,000
Nominating and Corporate Governance Committee	10,000
Compensation Committee(2)	10,000

(1) Includes all service on the Board and standing committees, including attendance at meetings. Annual fees are payable in quarterly installments. For 2008, the annual retainer will remain at \$55,000, and additional committee fees will remain unchanged.

(2) Board members affiliated with KKR do not receive additional fees for serving on the Compensation Committee. Directors are reimbursed for the business expenses related to attendance at Board meetings, including room, meals and transportation to and from Board meetings.

Stock Option Awards

Upon initial election to the Board, each non-employee Director is granted an option to acquire 8,333 shares of our Common Stock. These options vest over three years in equal installments and expire after five years. We do not grant annual stock option awards to our Directors, but we have in the past periodically granted options to Directors in addition to those granted upon being elected as a Director. No stock options were granted to Directors in 2007.

Directors' Deferred Compensation Plan

Under the Directors' Deferred Compensation Plan, a non-employee Director may elect to defer all or part of the annual fees payable to the Director. Deferred amounts are credited to an unfunded cash account or Common Stock equivalent account, as selected by the Director. Interest, at PRIMEDIA's average borrowing rate, is credited quarterly for bookkeeping purposes to a Director's cash account. Subject to certain restrictions, a Director is permitted to take distributions in cash from a cash account or in shares of Common Stock or cash equivalent equal to the value of credited shares at the time of distribution, at the Company's option, in whole or in part, from her or his account following retirement or termination of service. Only one Director, Mr. Golkin, currently participates in the Plan under which he has elected to defer his fees in Common Stock equivalents.

Director and Officer Liability Insurance

We obtain Director and officer liability insurance to insure our Directors and officers against certain losses they may be required to pay as a result of performing their duties as Directors.

and officers. We pay one premium for this insurance for all of PRIMEDIA and therefore do not allocate a specific dollar amount to any individual Director or the Directors as a whole.

(3) Amount reflects fees and expenses paid pursuant to Ms. Chell's consulting agreement, which expired on December 31, 2007.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction and Overall Compensation Philosophy

Our executive compensation programs are designed to attract, retain and motivate top executive talent while aligning the interests and compensation of such executives with the interests of our stockholders. To that end, our compensation packages have historically included both cash and stock-based compensation that are designed to recognize and reward individual contributions as measured against established short-term and long-term financial and operational goals.

This section describes our 2007 compensation programs for our named executive officers, which for purposes of this proxy statement are the individuals listed in the Summary Compensation Table on page 25. Robert C. Metz, PRIMEDIA's President and CEO, resigned effective April 25, 2008. Because Mr. Metz served as a named executive officer during 2007, the section below includes discussion of Mr. Metz's compensation for such period. We have entered into an employment agreement with Charles Stubbs, under which Mr. Stubbs will become President and CEO on or before May 27, 2008. As a result, Mr. Stubbs is not considered a named executive officer for 2007 and the components of his compensation are not discussed below.

Role of Compensation Committee

The Compensation Committee is responsible for reviewing and overseeing our executive compensation programs. In connection with its duties, the Compensation Committee periodically reviews executive compensation programs and evaluates the relationship between the programs and performance. The Compensation Committee considers, among other things, the following factors in making decisions regarding executive compensation:

Our compensation philosophy;

Our financial and operational performance relative to peers and industry standards;

Aligning of executive interests with stockholder interests; and

Total compensation and the combination of compensation elements.

The Compensation Committee also develops the individual and corporate goals and objectives relevant to the compensation of our Chairman. The Compensation Committee, together with our Chairman, reviews the compensation components for our other executive officers.

Role of Management

Management assists the Compensation Committee in making compensation determinations in various ways. Our Chairman assesses the performance of the other named executive officers and makes recommendations regarding their compensation to the Compensation Committee. In addition, our Chairman and Executive Vice President, Human Resources, develop proposals regarding changes in compensation for review and approval by the Compensation Committee and assist the Compensation Committee in making compensation decisions by providing data necessary to evaluate and implement compensation proposals and programs.

The Compensation Committee has established a pool consisting of 150,000 stock options and has delegated to our Chairman the authority and discretion to make grants from such pool not exceeding 15,000 options per grant. Our Chairman is required to periodically report these grants to the Compensation Committee. No options from this pool were granted in 2007.

Table of Contents

Role of Compensation Consultant and other Advisors

Neither we nor the Compensation Committee has any contractual relationship with any compensation consultant. Periodically, however, we have engaged Hewitt Associates to assist with specific requests regarding equity compensation packages. In addition, from time to time we seek advice from legal counsel regarding current developments in laws and regulations relating to compensation matters.

2007 Executive Compensation Adjustments

In anticipation of or in connection with the sale of our Enthusiast Media segment in 2007, several changes were made in the positions, responsibilities and compensation of our named executive officers:

Salaries and Target Bonuses.

In connection with Dean B. Nelson's change in position from Chairman, President and Chief Executive Officer of PRIMEDIA to Chairman of PRIMEDIA, his base salary was reduced from \$1,000,000 to \$500,000, effective October 1, 2007.

Upon Robert C. Metz's promotion to President and Chief Executive Officer of PRIMEDIA, his base salary was increased from \$500,000 to \$525,000, and his target bonus under our Executive Incentive Compensation Plan, was increased from 65% to 70%, effective October 1, 2007.

Upon Kim R. Payne's promotion to Chief Financial Officer of PRIMEDIA, her base salary was increased from \$200,000 to \$250,000, and her target bonus under our Executive Incentive Compensation Plan was increased from 45% to 50%, effective October 1, 2007.

Retention Bonuses. The retention bonus to which each of Robert J. Sforzo and Carl F. Salas will be entitled under his employment agreement if he remains an employee of PRIMEDIA on May 31, 2008 was increased from \$125,000 to \$200,000.

Special Bonuses. In connection with the sale of our Enthusiast Media segment, Dean B. Nelson, Kevin J. Neary, Steven Parr and Steve Aster received a special bonus of \$1,000,000, \$555,800, \$1,845,300 and \$555,800, respectively.

2007 Executive Compensation Components

During 2007, our primary compensation programs were comprised of the following components:

Base Salary

Annual Incentive Awards

Other Incentives

Retirement Benefits

Personal Benefits and Perquisites

Table of Contents

Base Salary. Base salaries for our named executive officers depend on the level of responsibility of the position, experience of the executive, performance of the executive and company objectives. In addition, we evaluate salaries paid in the competitive marketplace for executive talent and compare base salaries for comparable positions at other companies.

We regularly monitor base salaries and adjustments are made based upon company and executive performance and, if applicable, changes in position and responsibilities. Both financial and non-financial performance measures are considered when determining if any adjustment is warranted. If a named executive officer has responsibility for a particular business unit, the financial results of that unit are also considered.

Annual Incentive Awards. During 2007, each of the named executive officers (other than Messrs. Parr and Aster) participated in our Executive Incentive Compensation Plan, or EICP. The EICP is an annual cash incentive program that provides cash awards that are contingent and based on pre-established financial targets. Awards are based on a percentage of the executive's earned base salary during the calendar year in which they participate in the EICP.

Each year, as part of our annual budget process, the Compensation Committee determines the components of the financial portion of the EICP for the next bonus period and sets the threshold, target and maximum levels for each component as well as the weighting of each component respective to the total award. The Compensation Committee considers specific circumstances relating to our current operations when determining the threshold, target and maximum levels.

For 2007, the Compensation Committee determined that 80% of the named executive officer's EICP target award would be based on achievement of financial objectives relating to consolidated net revenue, EBITDA and net free cash flow (each as defined below) of their respective business units, with each component accounting for 20%, 40% and 20%, respectively, of the total financial portion. The remaining 20% would be discretionary.

However, in connection with the sale of our Enthusiast Media segment in 2007, the Compensation Committee determined to pay Messrs. Nelson, Neary, Sforzo and Salas the full amount of their respective target awards for 2007. Also, the purchaser of our Enthusiast Media segment assumed all obligations under the EICP for 2007 with respect to Messrs. Parr and Aster.

The financial portion of 2007 EICP target awards for Mr. Metz and Ms. Payne were based solely on financial results of our Consumer Guides segment. The financial portion of 2007 EICP target award for Ms. Mayfield was based solely on the financial results of the Apartment Guide business, which is part of our Consumer Guides segment. For Mr. Metz and Ms. Payne, the financial objectives under the EICP were defined:

Net Revenue: The total product and services revenues of our Consumer Guides segment, excluding barter revenues and intercompany revenues, which include cross-promotion revenues. For 2007, the objective upon which bonuses were based for these executives was approximately \$344 million.

EBITDA: Consumer Guides segment EBITDA, which represents earnings before interest, taxes, depreciation, amortization, non-cash compensation, provision for restructuring costs and other. For 2007, the objective upon which bonuses were based was approximately \$86 million.

Table of Contents

Net Free Cash Flow: Consumer Guides segment EBITDA, plus/minus changes in working capital, non-cash EBITDA items and acquisition reserve payments. For 2007, the objective upon which bonuses were based was approximately \$85 million.

Bonus payments can range from no payment to 150% of an executive's target bonus, though historically they have ranged from 50% to 150%, and are contingent upon the extent to which pre-established objectives are met:

No payment for a particular financial objective of the EICP award unless the threshold performance level (90% of the Net Revenue objective; 85% of the EBITDA and Net Free Cash Flow objectives) is achieved;

Payment of at least 50% but less than 100% of the target bonus for a particular financial objective of the EICP award determined on a pro rata basis if the threshold performance level for that objective is achieved or exceeded, but the objective is not met;

Payment of at least 100% but less than 150% of the target bonus for a particular financial objective of the EICP award determined on a pro rata basis if the target performance level for that objective is achieved or exceeded, but the maximum performance level (110% of the Net Revenue objective; 115% of the EBITDA and Net Free Cash Flow objective) is not achieved; and

Payment of 150% of the target bonus for a particular financial objective of the EICP award if the maximum performance level for that objective is achieved or exceeded.

Following the completion of the audit of our consolidated financial statements for the prior year, the Compensation Committee, with the assistance of the Human Resources and Accounting departments, reviews the actual performance of the business unit or units in relation to each of the pre-determined financial objectives to determine financial achievement. Discretionary awards for named executive officers in most cases are determined by applying the weighted-average financial award percentage to the discretionary award target amounts. Payment of EICP bonuses is generally made as soon as practicable following the plan year.

Table of Contents

The total target awards and payments under the EICP for each of the named executive officers for 2007 are:

Name	2007 EICP Target (%)	2007 EICP Target (\$)	2007 EICP Payment (\$)
Mr. Nelson	60	525,000	525,000
Mr. Metz(1)	65	335,391	260,650
Ms. Payne(2)	45	98,281	91,425
Mr. Neary	55	220,000	220,000
Ms. Mayfield	50	119,375	123,101
Mr. Sforzo	50	140,000	140,000
Mr. Salas	50	140,000	140,000

(1) Upon Mr. Metz's promotion to President and Chief Executive Officer of PRIMEDIA, his target bonus was increased from 65% to 70% effective October 1, 2007.

(2) Upon Ms. Payne's promotion to Chief Financial Officer of PRIMEDIA, her target bonus was increased from 45% to 50% effective October 1, 2007.

Other Incentive Awards. From time to time, we create special cash-based incentive programs for senior executive officers specifically tailored to the business units such executives operate and the financial and operational performance of such units. The purpose of these programs is to provide incentives for long-term earnings growth and organic operational growth in such businesses. The two special incentive programs described below, both of which relate to our Consumer Source operations, have either expired or been terminated.

CSI 2005-2007 Long-Term Plan. The Long-Term Plan was a cash incentive program that provided for annual awards to certain executives of our Consumer Source operations. The Compensation Committee administered the Long-Term Plan and determined each year the executives that would participate in the Long-Term Plan for that year. The Long-Term Plan expired as of December 31, 2007.

Awards under the Long-Term Plan were contingent on achieving pre-established financial targets based on the EBITDA, as defined, of Consumer Source. Calculation of Consumer Source EBITDA under the Long-Term Plan utilized the same method as the calculation of EBITDA under the EICP. For awards to be made in any plan year, EBITDA for that year must have equaled at least 90% of the target for that year. If that minimum threshold was reached, 50% of the award was paid. If EBITDA equaled or exceeded the target for that year by 110%, then 150% of the award was paid. If EBITDA was above 90% but below 110%, then award payments were scaled ratably.

Long-Term Plan Awards made to named executive officers for 2006 or 2007 performance are reflected in footnote (5) to the Summary Compensation Table on page 26.

CSI Auto and New Home Guide Launch Incentive Plan. The Launch Incentive Plan was another cash incentive program that provided for annual awards for certain executives of our Consumer Source operations. The Compensation Committee administered the Launch Incentive Plan and determined each year the executives that would participate in the plan for that year. The Launch Incentive Plan was terminated as of December 31, 2006.

Table of Contents

Under the plan, a pool of funds was set aside to be paid out in connection with each new Auto Guide and New Home Guide launched during the plan year. There were two types of awards under the Launch Plan:

Launch Awards \$10,000 for each New Home Guide launched and \$40,000 for each new Auto Guide launched; and

Profitability Awards for each of the three years following the launch of a publication, participants were eligible for payments of \$10,000 for each New Home Guide and \$40,000 for each new Auto Guide launched, based on achievement of certain contribution and profitability goals.

Launch Awards were limited to \$1,140,000 in the aggregate and Profitability Awards were limited to \$1,800,000 in the aggregate. Launch Plan payments made to named executive officers for 2006 performance are reflected in footnote (5) to the Summary Compensation Table on page 26. No Launch Plan Awards were made to named executive officers for performance in 2007.

Long-Term Incentive Awards

Our named executive officers are eligible to receive either stock options or restricted stock under the PRIMEDIA 1992 Stock Purchase and Option Plan, as amended. The value and size of any equity awards granted are based on the market price of our Common Stock, and company and executive performance.

The most recent broad-based grant of stock options or restricted stock occurred in December 2003. We were evaluating the possibility of making a broad-based grant in 2005, but, in October 2005, we began exploring the possible spin-off of our Consumer Guides segment and delayed any new grants pending the outcome of any decision relating to the spin-off. As a result, during 2006, we did not grant any stock options or restricted stock to any named executive officers. In February 2007, we announced that we were exploring the sale of our Enthusiast Media segment and, in light of the pending sale and subsequent developments, no grants were made to any named executive officers in 2007. However, we expect to grant stock options or restricted stock, or both, to our continuing named executive officers in the near future.

Stock Options. Stock options provide an effective means to align the interests of executives with our stockholders, and the vesting schedule of option grants encourages executive retention. The Compensation Committee considers a number of factors when considering a grant of stock options, including the executive's base salary, performance and value of the options, as well as recommendations from management. In addition, the Compensation Committee, or Chairman, as described earlier, has also granted stock options to newly hired or promoted executives other than the named executive officers. The Compensation Committee approves all grants of stock options or restricted stock, except for the pool established for our Chairman. All awards of stock options are made at the closing market price of our Common Stock on the business day preceding the date of grant.

Table of Contents

Restricted Stock. The Compensation Committee, in certain circumstances, will award restricted stock to executives as a special incentive award. The Compensation Committee considers a number of factors when considering a grant of restricted stock, including the executive's performance and recommendations from management. Restricted stock awards vest in tranches on designated anniversary dates of the grant date, and such tranches vest only if the recipient remains employed by us on the vesting dates.

One of our named executive officers, Robert Metz, was granted 75,000 shares of restricted stock in December 2003, 18,750 shares of which vested in 2007.

Retirement Benefits

All of our employees are eligible to participate in the PRIMEDIA Thrift & Retirement Plan, or Retirement Plan, following completion of one year of service. The Retirement Plan is a defined contribution, tax-qualified retirement savings plan pursuant to which all eligible highly compensated employees, as defined in the Retirement Plan, including the named executive officers, are able to contribute, on a before-tax or after-tax basis, the lesser of up to 7% of their annual base salary or the limit prescribed by the Internal Revenue Service, or IRS. All other eligible employees are able to contribute the lesser of 20% of their annual base salary or the limit prescribed by the IRS. We match 50% of the first 6% of base salary that is contributed to the Retirement Plan by employees at certain of our operating units and 25% at our other operating units. In addition, for employees at certain operating units, we will contribute to the Retirement Plan 1.5% of an employee's base pay even if the employee does not contribute to the Retirement Plan. All employee contributions to the Retirement Plan are 100% vested upon contribution and PRIMEDIA contributions vest in 20% increments equally over a period of five years commencing on the employee's hire date. Other than the Retirement Plan, we do not operate any pension or retirement plan that receives contributions or provide any additional retirement benefits specifically to our named executive officers.

Personal Benefits and Perquisites

We do not have an extensive personal benefits and perquisite program. However, we provide named executive officers with perquisites and other personal benefits that we believe provide economic value to the executive and assist us in attracting, retaining and motivating key executives. Personal benefits and perquisites are designed to be reasonable, competitive and consistent with our overall compensation philosophy. The Compensation Committee, with input and recommendations from our Human Resources department, periodically reviews the level of perquisites and personal benefits provided to named executive officers.

Personal benefits and perquisites constitute only a small percentage of each named executive officer's compensation and include, or have included in the past, automobile allowances or direct payment of automobile leases, use of car services, payment of club memberships, reimbursement of travel expenses, use of corporate apartments and tax gross-up payments. Other than these personal benefits and perquisites, our named executive officers have the same benefits as provided to other employees. We report the costs of personal benefits and perquisites for the named executive officers for 2007 in the Summary Compensation Table on page 25.

Table of Contents

Severance Payments

We believe that it is important to provide reasonable severance benefits to senior management both to remain competitive in the market for executive talent and in acknowledgement that it may be difficult for these employees to find comparable positions in a short period of time. Generally, each member of our senior management (other than our Chairman) is entitled to severance payments in the event that he or she is terminated by us without cause, as defined in their respective employment or severance agreements. For additional information, please see *Potential Payments Upon Termination or Change in Control* beginning on page 29.

Tax and Accounting Implications

Deductibility of Executive Compensation. In overseeing our executive compensation program, the Compensation Committee reviews and considers the effect of Section 162(m) of the Internal Revenue Code, which provides that a company may not deduct compensation of more than \$1 million that is paid to certain individuals. The Compensation Committee seeks to preserve the tax deductibility of compensation; however, it has authorized, and will continue to retain the right to authorize, compensation that may not meet deductibility requirements if it determines that such compensation is in the best interests of our stockholders. The Compensation Committee believes it must retain flexibility to exercise its judgment in assessing executive performance and that compensation for executive officers should be governed by our overall executive compensation philosophy and the interests of our stockholders, notwithstanding the effect of such compensation on deductibility in any given year.

Accounting for Stock-Based Compensation. Effective January 1, 2006, we began accounting for stock-based compensation in accordance with Statement of Financial Accounting Standards No. 123(R), *Share-Based Payment*.

Securities Trading Policy

Executives may not engage in any transaction in which they may profit from short-term speculative swings in the value of PRIMEDIA securities. This prohibition includes short sales (selling borrowed securities which the seller hopes can be purchased at a lower price in the future) or short sales against the box (selling owned, but not delivered securities), put and call options (publicly available rights to sell or buy securities within a certain period of time at a specified price or the like) and other hedging transactions designed to minimize an executive's risk inherent in owning PRIMEDIA stock, such as zero-cost collars and forward sale contracts. In addition, this policy is designed to ensure compliance with all insider trading rules.

Stock Ownership Guidelines

We do not currently have a formal stock ownership requirement for executives, but each of our named executive officers (other than named executive officers who are former employees) owns shares of our Common Stock or options to purchase shares of our Common Stock.

Table of Contents**Employment Agreements with Former Named Executive Officers**

We have entered into employment agreements with the following former named executive officers in connection with their service.

Kevin J. Neary. In 2006, we entered into an employment agreement with Mr. Neary that was modified in August 2007. Under the agreement, Mr. Neary will be paid an annual salary of \$400,000 and will participate in the EICP at a target of 55% of earned base salary. In addition, Mr. Neary is entitled to one-time stay bonuses of \$100,000 and \$250,000 if he is employed by PRIMEDIA on March 31, 2007 and January 4, 2008, respectively. In the event Mr. Neary's employment is terminated without cause, Mr. Neary would be entitled to a lump-sum payment in an amount equal to 18 months' base salary plus target EICP bonus for 2007 (and any unpaid stay bonuses). Under separate agreement in 2007, Mr. Neary became entitled to receive a special bonus of \$555,800 upon the sale of our Enthusiast Media segment, which sale occurred on August 1, 2007.

The following table describes the payments made to Mr. Neary upon termination of his employment on January 4, 2008:

Executive Benefits and Payments upon Termination	Voluntary Termination	Early Retirement	Normal Retirement	Involuntary Not for Cause Termination(1)	For Cause Termination	Death or Disability
Base Salary				\$ 600,000		
Annual Incentive Bonus (EICP)				220,000		
Stay Bonuses				121,538		
Total				\$ 941,538		

(1) Payments were contingent upon Mr. Neary executing a separation and release agreement in the form being used by PRIMEDIA at the time of termination. Mr. Neary waived his right to receive a portion of his \$250,000 stay bonus for tax-related reasons.

Steven Parr. In 2006, we entered into an employment agreement with Mr. Parr that expires on May 31, 2008. Under the agreement, Mr. Parr will be paid an annual salary of \$600,000 and will participate in the EICP at a target of 60% of earned base salary. In the event Mr. Parr's employment is terminated without cause, Mr. Parr would be entitled to a lump-sum payment in an amount equal to the greater of:

- (a) (i) the remaining amount of base salary due under the agreement from the date of termination until May 31, 2008; plus
- (ii) an amount equal to the EICP target bonus for 2006 and 2007; plus
- (iii) an amount equal to ⁵/₁₂ of his EICP target bonus for 2008; or
- (b) an amount equal to 12 months' base salary plus target EICP bonus for the calendar year in which the termination occurs. Mr. Parr separated from PRIMEDIA effective August 1, 2007. No payments were made by us to Mr. Parr under his employment agreement upon his termination because the purchaser of our Enthusiast Media segment assumed all of our obligations under such agreement. However, we paid Mr. Parr a special bonus of \$1,845,300 upon the sale of the segment, and we are obligated to reimburse the purchaser for one-half of a \$500,000 retention bonus due Mr. Parr if he remains employed by the purchaser for nine months following the sale.

Steven Aster. In 2007, we entered into an agreement with Mr. Aster. The agreement provides for the payment to Mr. Aster of the following if PRIMEDIA terminates Mr. Aster's employment without cause:

12 months' base salary at the rate being paid on the date of termination (but not less than \$475,000); and

a bonus equal to his target EICP bonus (but not less than \$250,000).

Mr. Aster separated from PRIMEDIA effective August 1, 2007. No payments were made by us to Mr. Aster under his employment agreement upon his termination because the purchaser of our Enthusiast Media segment assumed all of our obligations under such agreement. However, we paid Mr. Aster a special bonus of \$555,800 upon the sale of the segment, and we are obligated to reimburse the purchaser for one-half of a \$300,000 retention bonus due Mr. Aster if he remains employed by the purchaser for nine months following the sale.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Related Person Transaction Policy

Our Board of Directors has adopted a specific written policy regarding the review of related person transactions. For purposes of this Policy, related persons generally include executive officers and Directors, stockholders owning more than 5% of our Common Stock and immediate family members of the foregoing persons. A related person transaction will be approved only if it is disclosed to and approved by the Nominating and Corporate Governance Committee, which is comprised entirely of independent, non-employee Directors, or by a majority of the disinterested members of the Board. Prior to approving any related person transaction, the members of the Board reviewing such transaction must (i) be satisfied that they received all material facts relating to the transaction, (ii) have considered all relevant facts and circumstances available to them, and (iii) have determined that the transaction is in (or not inconsistent with) the best interests of our stockholders. No Director that is an interested party in a transaction may participate in the discussion or approval of such transaction. Other than as disclosed below, based on written representations from our executive officers and Directors, there were no related person transactions during 2007.

Related Person Transactions

From time to time, Kohlberg Kravis Roberts & Co. L.P., or KKR, which is an affiliate of KKR Associates, may receive customary investment banking fees for services rendered to us in connection with divestitures, acquisitions and certain other transactions. No such fees were paid in 2007. In addition, KKR renders management, consulting, acquisition and financial services to PRIMEDIA. For 2007, we paid KKR annual fees of \$917,000 for these services payable quarterly in arrears. We anticipate that these fees will be approximately \$500,000 for 2008. We believe these fees are no less favorable than those that could be obtained for comparable services from unaffiliated third parties. Executives of KKR who also serve as Directors of PRIMEDIA do not receive additional compensation for service in such capacity, other than customary Director fees.

From time to time, Capstone has provided consulting services to PRIMEDIA primarily to identify and advise on potential opportunities to reduce costs. We did not pay Capstone any such fees in 2007. Mr. Nelson, our Chairman, is the Chief Executive Officer of Capstone. Though neither KKR nor any entity affiliated with KKR owns any of the equity of Capstone, KKR has provided financing to Capstone prior to January 2007.

On July 1, 2006, we entered into a consulting agreement with Beverly Chell, a current Director and former Vice Chairman and General Counsel of PRIMEDIA, under which Ms. Chell was to provide certain management and legal services and strategic and financial advice as requested by PRIMEDIA. Under the agreement, Ms. Chell was paid a daily rate of \$3,250 for her services. During 2007, we paid Ms. Chell approximately \$112,000 for consulting services. The consulting agreement expired on December 31, 2007.

None of Messrs. Greeniaus, Golkin or Uger has been an officer or employee of PRIMEDIA. Mr. Golkin is a general partner of KKR Associates and a member of KKR 1996 GP LLC, the general partners of the partnerships which own approximately 62% of the outstanding Common Stock of PRIMEDIA. Mr. Uger is a director of KKR. In such capacities, Mr. Golkin and Mr. Uger may be deemed to share beneficial ownership of the Common Stock beneficially owned by KKR Associates and KKR 1996 GP LLC; however, each of them disclaim any beneficial ownership of such shares. See [Stock Ownership](#) for additional information.

AUDIT COMMITTEE REPORT

In accordance with the Audit Committee Charter, the Audit Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of PRIMEDIA. The Audit Committee is comprised of five independent directors. During 2007, the Audit Committee met six times. During such meetings, the Audit Committee met with senior management (including the Chief Financial Officer and Chief Accounting Officer) and PRIMEDIA s independent registered public accounting firm, Deloitte & Touche, to discuss the financial information to be included in PRIMEDIA s quarterly earnings announcements, Form 10-Qs and Form 10-K.

During the course of the year ended December 31, 2007, management reviewed, updated and revised, when necessary, the documentation, testing and evaluation of PRIMEDIA s system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes Oxley Act of 2002 and related regulations, which PRIMEDIA completed in 2004. The Audit Committee received periodic updates provided by management and Deloitte & Touche at meetings held throughout the year and provided oversight and advice to management during the process. During the process, management provided the Audit Committee with, and the Audit Committee reviewed, reports from Deloitte & Touche and management on the effectiveness of PRIMEDIA s internal control over financial reporting.

As a result of management s evaluation of the effectiveness of its internal control over financial reporting for the year ended December 31, 2007, management identified two material weaknesses in the operation of PRIMEDIA s internal controls limited to accounting for income taxes and accounting for cash and cash equivalents and available for sale

securities. The Audit Committee is overseeing the PRIMEDIA s efforts to remediate the specifically identified material weaknesses and continues to oversee all of the PRIMEDIA s efforts related to its internal control over financial reporting.

The Audit Committee discussed and reviewed with Deloitte & Touche all communications required by Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees, and, with and without management present, discussed and reviewed the results of Deloitte & Touche s audit of the consolidated financial statements. The Audit Committee also discussed the results of the internal audit examinations.

The Audit Committee reviewed with management and Deloitte & Touche the audited consolidated financial statements of PRIMEDIA as of and for the year ended December 31, 2007. Management has the responsibility for the preparation of PRIMEDIA s consolidated financial statements, and Deloitte & Touche is responsible for auditing the consolidated financial statements. The Audit Committee s responsibility is to monitor and review the financial processes and procedures designed to ensure compliance with accounting standards and applicable laws and regulations.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the registered independent public accounting firm a formal written statement describing all relationships between Deloitte & Touche and PRIMEDIA that might bear on Deloitte & Touche s independence consistent with Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and discussed with Deloitte & Touche any relationships that may impact their objectivity and independence. The Audit Committee has concluded that Deloitte & Touche is independent from PRIMEDIA and its management.

Based on the above mentioned reviews and discussions with management, Deloitte & Touche and the internal auditors, the Audit Committee recommended to the Board that PRIMEDIA s audited consolidated financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2007 for filing with the Securities and Exchange Commission. The Audit Committee also reappointed Deloitte & Touche, and the Board concurred in such reappointment.
