The Board of Directors (the **Board**) of Surrey Bancorp (the **Company**), hereby solicits your appointment of proxy, in the form enclosed with this statement, for use at the Annual Meeting of Shareholders (**Annual Meeting**) to be held:

Tuesday, April 28, 2009

10:00 a.m., local time

Cross Creek Country Club
1129 Greenhill Road, Mount Airy, Surry County, North Carolina

or at any adjournment thereof, for the purposes stated in the accompanying Notice of Annual Meeting of Shareholders. The Board has fixed the close of business on March 12, 2009, as the record date for determining the shareholders entitled to notice of and to vote at the Annual Meeting. Included with these proxy materials is the Company's 2008 Annual Report to Shareholders. The Company anticipated mailing this Proxy Statement on or about March 31, 2009.

You are invited to attend the Annual Meeting. Even if you plan to attend the Annual Meeting, you are requested to vote on the proposal described in this Proxy Statement by returning the enclosed appointment of proxy or by voting through the internet.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Shareholders to Be Held on April 28, 2009: the proxy statement, form of proxy and annual report to shareholders are available at <https://www.shareholderlink.com/surrey/pxsignon.asp>.

VOTING OF APPOINTMENTS OF PROXY

Your vote is important. Your shares can be voted at the annual meeting only if you attend the meeting or vote the enclosed appointment of proxy. You do not have to attend the meeting to vote. To vote the enclosed appointment of proxy, you may:

Edgar Filing: SURREY BANCORP - Form PRE 14A

Vote over the internet: You may access our internet voting site by going to: <https://www.shareholderlink.com/surrey/pxsignon.asp>. If you have access to the internet, we encourage you to vote in this manner.

Vote by mail: You may vote by executing and returning the enclosed appointment of proxy in the pre-addressed pre-paid envelope provided with this proxy statement.

- 1 -

The internet voting procedures are designed to authenticate shareholders and to allow you to confirm that your instructions have been properly followed. The internet voting facilities for eligible shareholders will close at 5:00 p.m. Eastern Time on April 27, 2009.

The Board has named Pedro A. Pequeno, II and Mark H. Towe (the Proxies) as management proxies in the enclosed appointment of proxy. When appointments of proxy are properly voted in time for the annual meeting, the shares they represent will be voted at the meeting in accordance with the directions given. If no directions are given on how to vote your shares, your appointment of proxy will be voted FOR the eight nominees for director named in Proposal 1 described below and FOR approval of the compensation of the Company's executive officers in Proposal 2. If, at or before the time of the Annual Meeting, any nominee named in Proposal 1 has become unavailable for any reason, the Proxies will have the discretion to vote for a substitute nominee. If you return the appointment of proxy and do not indicate otherwise, the Proxies will be authorized to vote your shares in accordance with their best judgment on some matters not described in this Proxy Statement. These matters include approval of the minutes of the 2008 annual meeting; consideration of a motion to adjourn the annual meeting to another time or place, and matters for which the Company did not receive notice by February 13, 2009. As of the date the Company printed this Proxy Statement, the Company did not anticipate any other matters would be raised at the annual meeting.

Record Holders. If you hold shares in your own name, you are a record shareholder. Record shareholders may vote through the internet or complete and sign the accompanying appointment of proxy and mail it in the business return envelope provided or deliver it in person to the Company.

Street Name Holders. If you hold shares through a broker or other nominee, you are a street name shareholder. Street name shareholders who wish to vote at an annual meeting need to obtain the proxy materials from the institution that holds their shares and follow the voting instructions on that form.

REVOCATION OF APPOINTMENT OF PROXY

If you vote an appointment of proxy, you may revoke that appointment at any time before the actual voting. To revoke the proxy, you may notify the Company's Secretary in writing, vote again through the internet or execute another appointment of proxy bearing a later date and file it with the Secretary, or vote in person at the meeting as described below. The address of the Secretary is:

Brenda J. Harding, Secretary

Surrey Bancorp

P.O. Box 1227

145 North Renfro Street

Mount Airy, North Carolina 27030

If you vote the appointment of proxy, you may still attend the meeting and vote in person. When you arrive at the meeting, first notify the Secretary of your desire to vote in person. You will then be given a ballot to vote in person, and, provided you do vote in person or otherwise validly revoke your prior appointment of proxy as described above, your prior appointment of proxy will be disregarded.

If you attend the meeting in person, you may vote your shares without using the appointment of proxy. However, if your plans change and you are not able to attend, your shares will not be voted. Even if you plan to attend the meeting, the best way to ensure that your shares will be counted is to vote the appointment of proxy and, when you get to the meeting, notify the Secretary that you wish to vote in person.

DEFINITION OF A QUORUM

The Company's Bylaws provide that the holders of a majority of the Company's outstanding Shares, represented in person or by proxy, shall constitute a quorum at the Annual Meeting. The Bylaws also provide that if

there is no quorum present at the opening of the Meeting, the Annual Meeting may be adjourned from time to time by the vote of a majority of the Shares voting on the motion to adjourn. Abstentions and broker non-votes will be counted as present and entitled to vote for purposes of determining whether a quorum is present at the Annual Meeting. A broker non-vote occurs when an institution holding shares as a nominee does not have discretionary voting authority with respect to a proposal and has not received voting instructions from the beneficial owner of the shares.

HOW VOTES WILL BE COUNTED

Each Share is entitled to one vote for each matter submitted for a vote, and, in the election of directors, for each director to be elected. The appointments of proxy will be tabulated by one or more inspectors of election designated by the Board.

Proposal 1 Election of directors. In the election of directors under Proposal 1, the eight nominees receiving the highest number of votes will be elected. Shares not voted (including abstentions and broker non-votes) will have no effect. Shareholders are not authorized to cumulate their votes for directors.

Proposal 2 Approval of Executive Compensation. The compensation of the Company's executive officers under this Proposal will be approved if the number of votes cast for the proposal exceeds the number of votes cast against the proposal. Shares not voted (including abstentions and broker non-votes) will have no effect.

EXPENSES OF SOLICITATION

We will pay the cost of this proxy solicitation. In addition to solicitation by mail, the Company's directors, officers and regular employees may solicit appointments of proxy in person or by telephone. None of these employees will receive any additional or special compensation for this solicitation. We will, on request, reimburse brokerage houses and other nominees their reasonable expenses for sending these proxy soliciting materials to the beneficial owners of the Company's stock held of record by such persons.

DESCRIPTION OF THE VOTING SECURITIES

At the close of business on the voting record date, there were 3,189,077 shares of the Company's common stock, no par value per share (sometimes referred to herein as the Shares), issued and outstanding and entitled to vote at the Annual Meeting. PROPOSAL 1: ELECTION OF DIRECTORS

Board size and membership. Under the Company's Charter and Bylaws, the number of directors shall be the number the Board determines from time to time prior to each annual meeting of shareholders at which directors are to be elected. That number cannot be less than five or more than twelve. The Board, by resolution, has fixed the number of directors for 2009 at eight.

Director Independence. The Company's common stock is not traded on any exchange, but the Company has chosen to observe the independence requirements of The Nasdaq Stock Market, Inc. Other than the Company's President and Chief Executive Officer, Mr. Edward C. Ashby, III, all of the members of the Board satisfy the independence requirements stated in the rules of The Nasdaq Stock Market, Inc. The Company engaged J.G. Coram Company, for which William A. Johnson, a director of the Company, serves as Chief Financial Officer, to provide architectural planning services for a proposed addition to the main offices of the Bank in 2008, but the payments for those services did not exceed the safe harbor amounts of the independence standards in the rules of The Nasdaq Stock Market, Inc. The Company rents mats from Professional Rental Services, for which F. Eugene Rees, a director of the Company, serves as President, but the rental payments do not exceed the safe harbor amounts of the independence standards in the rules of The Nasdaq Stock Market, Inc. The Company purchased furniture for its new branch office from High Cotton Interiors, LLC, a company owned by Elizabeth Lovill, a director of the Company, but the purchase price of the furniture did not exceed the safe harbor amounts of the independence standards in the rules of The Nasdaq Stock Market, Inc.

All Directors to be elected at this Annual Meeting. At this Annual Meeting, all eight directors will be elected to serve one year terms expiring at the Annual Meeting of Shareholders in 2010, or until their successors are elected and qualified.

How votes will be counted. Unless you give instructions to the contrary, the Proxies will vote for the election of the eight nominees listed below by casting the number of votes for each nominee designated by the shareholder proxies. If, at or before the meeting time, any of these nominees should become unavailable for any reason, the Proxies have the discretion to vote for a substitute nominee. Management currently has no reason to anticipate that any of the nominees will become unavailable.

Votes needed to elect. The eight nominees receiving the highest number of votes will be elected.

Board recommendation. The Board has nominated the eight incumbent Board members for re-election. These nominees have served as directors of Surrey Bank & Trust, the sole subsidiary and predecessor to the Company (the Bank), since its incorporation on July 15, 1996, with the exception of Director Rees, who has served since 1997, and Director Williams, who has served since 2001. *The Board recommends that shareholders vote for each of the eight nominees.*

Ashby, III, who is not independent within the meaning of the rules of The Nasdaq Stock Market, Inc. The Company does not have a Nominating Committee or a

The Company's bylaws currently require that nominations for election to the Board shall be made by the Board. At such time as there is a need for nominations to the Board, the Board will consider amending the bylaws to create a Nominating Committee and it is anticipated that all the members of that Nominating Committee will satisfy the independence requirements stated in the rules of The Nasdaq Stock Market, Inc. The banking laws of the state of North Carolina require directors of a bank to own Shares having at least \$1,000 in book value. The nomination of any person for election to the Board may also be made by a shareholder entitled to vote on such election. See HOW TO SUBMIT SHAREHOLDER PROPOSALS - Nominations of directors in this proxy statement for further details.

Committees of the Board of Directors

The Board has established the following committees on which all members of the Board serve, with the exception of the Audit Committee, which is composed of all members of the Board other than the President and Chief Executive Officer, Mr. Ashby, and the Compensation Committee, which is described below.

Executive Committee. The Executive Committee establishes and monitors all policies of the Company and compliance therewith. The Executive Committee held four meetings during 2008. The chair of the Executive Committee is Director Moody.

Compensation Committee. The charter for the Compensation Committee is available on the Bank's corporate website located at <http://www.surreybank.com>. In accordance with its Charter, the Compensation Committee approves compensation for senior management of the Company. The Compensation Committee approves compensation based upon a review of the compensation earned by executive officers with financial institutions of similar asset size in North Carolina from an annual survey of compensation prepared by the North Carolina Bankers Association. Mr. Ashby recommends base salaries other than his own and is also permitted to discuss the targets for incentive cash compensation. Mr. Ashby is not permitted to be present while his compensation is being debated or approved by the Compensation Committee. During 2008, he participated in the discussion of executive compensation other than his own. The Compensation Committee is also responsible for granting options pursuant to the Incentive Stock Option Plan and the Non-Employee Directors' Stock Option Plan of the Company. The Compensation Committee met twice in 2008. The Compensation Committee consists of Directors Rees (chair), Moody, Webb and Wright.

Audit Committee. The Audit Committee recommends to the Board the engagement of the Company's independent auditors, determines the scope of the annual audit and any special audit of the Company, oversees the administrative, operational and internal controls of the Company, reviews compliance with accounting policies and procedures and establishes and oversees an internal audit program. The Audit Committee held four meetings in 2008. The chair of the Audit Committee is Director Lovill. All of the members of the Audit Committee satisfy the audit committee independence requirements stated in the rules of The Nasdaq Stock Market, Inc. William A. Johnson has been appointed as the audit committee financial expert. His qualifications to serve as the audit committee financial expert are listed under "Nominees" above.

Other standing committees. The Board has approved one additional standing committee, the Loan Committee, to which certain responsibilities have been delegated.

Report of the Audit Committee

In accordance with its written Charter (which is available on the website at <http://www.surreybank.com>), the Audit Committee supervises the quality and integrity of the accounting, auditing and financial reporting practices of the Company on behalf of the Board. Management has the primary responsibility for preparing the financial statements and managing the reporting process, including the system of internal controls. As required by the Audit Charter, each Audit Committee member satisfies the independence and financial literacy requirements for serving on the Audit Committee, and at least one member has accounting or related financial management expertise, all as stated in the rules of The Nasdaq Stock Market, Inc. In fulfilling its oversight responsibilities, the Audit Committee discussed and reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements of the Company.

The Audit Committee discussed and reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of the audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee by Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90 (*Communication with Audit Committees*).

In discharging its responsibility for the audit process, the Audit Committee obtained from the independent auditors a letter describing all relationships between the auditors and the Company that might bear on the auditors' independence required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence. The Audit Committee also discussed with the auditors any relationships that might impact their objectivity and independence and satisfied itself as to the auditors' independence, and considered the compatibility of nonaudit services with the auditor's independence.

The Audit Committee reviewed with both the independent and the internal auditors their audit plans, audit scope, and identification of audit risks. The Audit Committee met with the internal auditors and the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, the overall quality of the Company's financial reporting, and the internal audit function's organization, responsibilities, budget and staffing. The Audit Committee also discussed the interim financial information contained in earnings announcements with the independent auditors prior to the public release of each such announcement.

Based on the above-mentioned review and discussions with management and the independent auditors, the Audit Committee recommended to the Board (and the Board has approved) that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2008, for filing with the Securities and Exchange Commission. The Audit Committee also approved the reappointment of the independent auditors.

This report is submitted by the Audit Committee: Directors Elizabeth Johnson Lovill (chair), William A. Johnson, Robert H. Moody, F. Eugene Rees, Tom G. Webb, Buddy E. Williams and Hylton Wright.

Shareholder Communications with Directors

The Company encourages all shareholders who wish to communicate with any of the Directors to send such inquiries by mail, telephone or email to the Company. The Company will forward all communications to the named Director or, if no particular Director is named, to the appropriate committee of the Board for consideration.

Code of Ethics

The Company has adopted a Code of Ethics for Senior Officers to resolve ethical issues in an increasingly complex business environment. The Code of Ethics applies to all senior officers, including the Chief Executive Officer, the Chief Financial Officer, the Controller and any other employee with any responsibility for the preparation and filing of documents with the Securities and Exchange Commission. The Code of Ethics covers topics including, but not limited to, conflicts of interest, confidentiality of information, and compliance with laws and regulations. The Code of Ethics is available on the website at <http://www.surreybank.com>. The Company may post amendments to or waivers of the provisions of the Code of Ethics, if any, made with respect to any of our executive officers on that website.

Transactions with Directors and Officers

As the operating subsidiary of the Company, the Bank has had, and expects to have in the future, banking transactions in the ordinary course of the Bank's business with directors, principal officers and their associates. All transactions with directors, principal officers and their associates were made in the ordinary course of the Bank's business, on substantially the same terms, including (in the case of loans) interest rates, collateral and repayment terms, as those prevailing at the same time for other comparable transactions, and have not involved more than normal risks of collectibility or presented other unfavorable features.

Reports of Changes in Beneficial Ownership

Directors and principal officers of the Company are required by federal law to file reports with the Securities and Exchange Commission (SEC) regarding the amount of and changes in their beneficial ownership of the Shares. To the Company's knowledge, all such required reports were timely filed.

MANAGEMENT OF THE COMPANY

Terms of the Employment Agreements. The Bank is a party to employment contracts with Edward C. Ashby, III, President and Chief Executive Officer of the Company, Pedro A. Pequeno, II, Senior Vice President of the Company, and Mark H. Towe, Senior Vice President and Chief Financial Officer of the Company (the Employment Agreements). The term of each Employment Agreement is three years. On each anniversary of the effective date of the Employment Agreements, the term of each agreement is automatically extended for an additional one-year period beyond the then-effective expiration date unless written notice from the Bank or the officer is received 90 days prior to the anniversary date, advising the other that the Employment Agreement shall not be further extended. No such notice has been given by either party. In addition, the officers have the option to terminate the Employment Agreements upon sixty days written notice to the Bank. While each officer is employed by the Bank and for one year following termination of employment, the Employment Agreements prohibit each officer from competing with the Bank.

Under the Employment Agreements, each officer receives an annual cash salary, with annual adjustments and discretionary bonuses as determined by the Board. For 2009, Mr. Ashby s compensation has been established at \$160,648, Mr. Pequeno s compensation has been established at \$122,334, and Mr. Towe s compensation has been established at \$108,284. Under the Employment Agreements, each officer is entitled to all fringe benefits generally provided by the Bank for its employees.

Terms of the Salary Continuation Agreements. The Bank is a party to Salary Continuation Agreements with certain officers, including Edward C. Ashby, III, Pedro A. Pequeno, II, and Mark H. Towe, to supplement the amount that these officers can defer under the Bank s 401(k) Plan because of Federal tax code limitations on the amount of compensation that may be deferred by highly compensated employees. Such plans are a common component of the compensation packages of the peer banks with which the Bank competes, and of the financial

institution industry generally. The Bank has purchased, and is the primary beneficiary, of life insurance policies on each officer which are intended to offset the cost of these retirement benefits. These retirement benefits are unfunded and are not intended to be a tax-qualified retirement plan under Section 401(a) of the Internal Revenue Code of 1986, as amended (Internal Revenue Code).

At normal retirement age of 65, the Salary Continuation Agreements provide that each officer will be paid an annual benefit equal to \$89,900, \$88,231, and \$50,827, respectively, from retirement until death. In the case of disability prior to the normal retirement age of 65, the benefit is reduced to the amount accrued by the Bank for the benefit at such date. The full benefit is also payable at the officer's normal retirement age following a Change of Control of the Bank, as defined below. If the officer dies while employed by the Bank, the Bank shall pay the amount accrued by the Bank for the benefit at such date in a lump sum to the officer's beneficiary. If the officer dies while receiving the benefit, the Bank shall pay the balance in the accrued liability retirement account to the officer's beneficiary. If the officer voluntarily leaves employment with the Bank, the Bank shall pay the amount accrued by the Bank for the benefit at such date in lump sum. No benefit will be payable if the officer is terminated for Cause, as defined in the Salary Continuation Agreements.

Potential Payments Upon a Change of Control. The Employment Agreements and Salary Continuation Agreements provide for certain payments to Mr. Ashby, Mr. Pequeno, and Mr. Towe if their employment is terminated following a change of control. Change of control is defined to mean any of the following events:

Any person or group acquires beneficial ownership of representing more than fifty percent (50%) of the fair market value or voting power of the Company's securities; or

During any period of twelve consecutive months, any person or group acquires beneficial ownership representing thirty-five percent (35%) or more of any class of voting securities of the Company, or a majority of the Company's board of directors is replaced by individuals who were not appointed, or whose election was not endorsed in advance, by a majority the Company's board of directors;

During any period of twelve consecutive months, any person or group acquires more than forty percent (40%) of the assets of the Company.

Under the terms of the Employment Agreements, each officer has the right to terminate his employment if he determines, in his sole discretion, that within 24 months after such change of control, that he has not been assigned duties, responsibilities, and status commensurate with his duties prior to such change of control, his salary has been reduced below the amount he would have received under his Employment Agreement, his benefits have been reduced or eliminated, or he has been transferred to a location which is an unreasonable distance from his then current principal work location.

Upon a termination of employment following a change of control, the Bank has agreed to pay each officer an amount equal to 2.99 times his base amount as defined in Section 280G(b)(3) of the Internal Revenue Code. This compensation is payable by lump sum. The Bank has the right, under the Employment Agreements, to reduce any such payments as necessary under the Internal Revenue Code to avoid the imposition of excise taxes on the officers or the disallowance of a deduction to the Bank.

As noted above, the full retirement benefit under the terms of the Salary Continuation Agreements is payable at the officer's normal retirement age following a change of control. Also, under the terms of the Company's stock option plans, all unvested stock options shall become immediately and fully exercisable.

Potential Payments Upon Termination. Under the terms of the Employment Agreements, in the event an officer's employment is terminated by the Bank without cause, the Bank is obligated to pay each officer the compensation and benefits provided for in the Employment Agreements for the remaining term of each Employment Agreement. Termination for cause includes termination because of the officer's personal dishonesty or moral turpitude, incompetence, willful misconduct, breach of fiduciary duty involving personal profit, intentional failure to perform stated duties, willful violation of any law, rule, or regulation (other than traffic violations or similar offenses) or final cease-and-desist order, or material breach of any provision of the Employment Agreement.

If the officer voluntarily leaves employment with the Bank, the Bank shall pay the amount accrued by the Bank for the retirement benefit under the terms of the Salary Continuation Agreements at such date in lump sum. No retirement benefit under the terms of the Salary Continuation Agreements will be payable if the officer is terminated for cause.

Limitations on Executive Compensation. The Company has sold shares in two series of its Preferred Stock to the United States Department of the Treasury pursuant to the Treasury's Capital Purchase Program. As a condition to that sale and for the period of time that Treasury holds the investment in the Preferred Stock, Mr. Ashby, Mr. Pequeno, and Mr. Towe have agreed to waive any applicable severance from employment to the extent the aggregate present value of such payments exceeds 2.99 times the officer's base amount as defined in Section 280G of the Internal Revenue Code. Also as a condition to the sale, the Company agreed that it may not claim a federal income tax deduction for any compensation paid to Mr. Ashby, Mr. Pequeno, or Mr. Towe in excess of \$500,000, in each case, for each taxable year that the Treasury holds any investment in the Preferred Stock. The recently enacted American Recovery and Reinvestment Act of 2009 contains additional restrictions on executive compensation. At this time, the Company can not predict how the Treasury will enforce these provisions on the pre-existing contract rights of Mr. Ashby, Mr. Pequeno, and Mr. Towe.

PROPOSAL 2: APPROVAL OF EXECUTIVE COMPENSATION

As required for companies participating in the Treasury Department's Capital Purchase Program by the recently enacted American Recovery and Reinvestment Act of 2009, the Company is providing its shareholders the opportunity to cast an advisory vote on the compensation of its executive officers at the Annual Meeting. This say-on-pay proposal permits shareholders to vote to approve the compensation paid or provided to the Company's executive officers (as identified elsewhere in this Proxy Statement) and the Company's compensation policies and practices. By voting FOR Proposal 2, you will be approving the compensation paid or provided to executive officers of the Company and the Bank and the Company's and Bank's executive compensation policies and practices, as described in the tabular and narrative compensation disclosures contained in this Proxy Statement.

The vote by the Company's shareholders on this Proposal 2 is a non-binding, advisory vote. This means that the results of the vote will not be binding on the Company's Board of Directors or its Compensation Committee, will not overrule or affect any previous action or decision by the Board or Committee or any compensation previously paid or awarded, and will not create or imply any additional duty on the part of the Board or Committee.

The Board of Directors and its Compensation Committee believe that the Company's compensation policies and practices appropriately reward performance without inviting unnecessary risk-taking by its executive officers and are strongly aligned with the long-term interests of the Company's shareholders. Further, the Board of Directors and its Compensation Committee believe the compensation paid or provided to the Company's executive officers is and has been appropriate for each of the executive officers and comparable to the compensation of officers of peer institutions for the industry in which the Company operates.

The Board of Directors recommends that you approve the compensation of the Company's executive officers by voting FOR Proposal 2. This proposal will be approved if the number of votes cast in favor of Proposal 2 exceeds the number of votes cast against it.
