SRI/SURGICAL EXPRESS, INC.

PROXY STATEMENT

FOR

2009 ANNUAL MEETING OF SHAREHOLDERS

GENERAL INFORMATION

The enclosed proxy is solicited by the Board of Directors of SRI/Surgical Express, Inc. (the Board of Directors or the Board) for use at the Annual Meeting of Shareholders to be held on Thursday, May 21, 2009, at 10:00 a.m., local time, and at any adjournment of the meeting, for the purposes set forth in this Proxy Statement and in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at our corporate and principal executive offices located at 12425 Race Track Road, Tampa, Florida 33626. Our telephone number at our executive offices is (813) 891-9550.

These proxy solicitation materials, together with our 2008 Annual Report to Shareholders on Form 10-K filed with the Securities and Exchange Commission on March 10, 2009 (the Annual Report), were first mailed on or about April 3, 2009, to all shareholders entitled to vote at the Annual Meeting. In this Proxy Statement, the terms SRI, the Company, we, us and our refer to SRI/Surgical Express, Inc.

Record Date

Only shareholders of record at the close of business on March 12, 2009 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. We have one class of outstanding voting securities, our common stock. As of the Record Date, 6,495,978 shares of our common stock were outstanding. For information regarding security ownership by management and by the beneficial owners of 5.0% or more of our common stock, see Security Ownership of Directors, Officers, and Principal Shareholders below.

Revocability of Proxies

You may revoke any proxy given pursuant to this solicitation at any time before its use at the Annual Meeting by delivering to the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person.

Voting

Each shareholder is entitled to one vote for each share of common stock on all matters presented at the Annual Meeting. The holders of common stock will vote together as one group in the election of directors and other matters presented at the Annual Meeting. Shareholders do not have the right to cumulate their votes in the election of directors.

Solicitation

We will bear the entire cost of solicitation, including the preparation, assembly, printing, and mailing of this Proxy Statement. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to beneficial owners. Certain of our directors, officers, and other employees, without additional compensation, may also solicit proxies personally or by telephone, telegram, letter or facsimile.

Quorum; Abstentions; Broker Non-Votes

A majority of the shares of our common stock entitled to vote on a matter, represented in person or by proxy, will constitute a quorum for action on a matter at the Annual Meeting. We count shares that reflect

withheld votes, abstentions or broker non-votes (i.e., shares held by a broker or nominee that are represented at the Annual Meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) as shares that are present for purposes of determining the presence of a quorum, but not in determining the number of shares voted for or against any nominee for election as a director or any other proposal. For Proposal No. 1, the two director nominees receiving the highest number of affirmative votes cast will be elected as directors. Proposals No. 2 and 3 require that the number of votes cast in favor of the applicable proposal exceeds the number of votes cast against the proposal. Withheld votes, abstentions and broker non-votes will not be counted as votes cast for purposes of determining whether the proposal has received sufficient votes for approval, and therefore will have no effect on the outcome of the vote.

Fiscal Year End

The Company's fiscal year ends on the Sunday nearest December 31.

Communications with Directors

You may communicate with any of our directors or with all directors as a group by sending communications by regular mail to: SRI/Surgical Express, Inc., c/o Chairman of the Board of Directors, 12425 Race Track Road, Tampa, Florida 33626.

Communications are distributed to the Board of Directors, or to any individual director or directors as appropriate, depending on the content of the communication. Members of our Board of Directors have requested that certain items that are unrelated to their duties and responsibilities be excluded, such as spam, junk mail and mass mailings, product or service complaints, resumés and other forms of job inquiries, and business solicitations or advertisements. In addition, material that is unduly hostile, threatening, illegal or similarly unsuitable will be excluded, with the provision that any excluded communication will be made available to any outside director upon request. The procedures regarding distribution of shareholder communications to the Board of Directors have been approved by a majority of independent directors.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our Board of Directors has fixed the number of directors at seven pursuant to our bylaws. As described below, two directors are being renominated for new terms because their current terms expire on the date of the Annual Meeting and four directors will continue to serve after the Annual Meeting. Fewer nominees are being nominated to be elected as directors than the number authorized by our bylaws because, at the time of mailing this Proxy Statement, our Board of Directors is not nominating a person to fill the vacancy created by the recent resignation of one of our former directors, N. John Simmons, Jr. Proxies cannot be voted for a greater number of persons than the number of nominees named.

Nominees for Election at the 2009 Annual Meeting

Members of our Board of Directors serve staggered three-year terms expiring at the third Annual Meeting of Shareholders after their election. At the 2009 Annual Meeting, we will be electing two directors to serve a term of three years through our 2012 Annual Meeting. Our Board of Directors has authorized the nomination of the persons as candidates named in this Proxy Statement. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the two nominees named below, both of whom are presently directors. In the event that any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the current Board of Directors to fill the vacancy. We do not expect that any nominee will be unable or will decline to serve as a director. The term of office of each person elected as a director will continue until a successor has been elected and qualified.

James T. Boosales and Charles T. Orsatti are being renominated for new terms as directors because their current terms expire on the date of the Annual Meeting. Certain information with respect to our nominees for election as director appears below:

Required Vote

The two nominees receiving the highest number of affirmative votes of the shares of common stock present or represented and entitled to be voted for them shall be elected as directors. Votes withheld from any director, abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business, but have no further legal effect under Florida law.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE NOMINEES LISTED ABOVE.

CORPORATE GOVERNANCE

General Information About the Board of Directors and Corporate Governance

Our policies and practices comply with existing listing standards of The NASDAQ Stock Market LLC (NASDAQ) and the corporate governance requirements of the Sarbanes-Oxley Act of 2002, including:

Our Board of Directors has determined that four of our six directors are independent under the listing standards of NASDAQ as of the date of this Proxy Statement, and five of six of our directors are non-employee directors;

The non-employee members of our Board of Directors meet regularly without the presence of management;

Our Board of Directors has a standing Compensation Committee, Audit Committee, and Nominating and Governance Committee;

Our Board of Directors has determined that each member of the Compensation Committee, the Audit Committee and the Nominating and Governance Committee is independent under the listing standards of NASDAQ;

The Audit Committee meets with management and the auditors to receive information concerning the design and operation of internal controls;

Grant Thornton LLP, our independent accounting firm, reports directly to the Audit Committee; and

On the recommendation of the Audit Committee, our Board of Directors has adopted an Amended and Restated Code of Business Conduct and Ethics for our directors, officers and employees, and a compliance policy to allow for confidential and anonymous reporting of suspected or known violations of these policies.

Our Board of Directors has adopted written charters for its Audit Committee, Compensation Committee, and Nominating and Governance Committee that clearly establish their respective roles and responsibilities. Each charter provides that the respective committee is authorized to

obtain advice and independently seek assistance from outside advisors.

We maintain a corporate governance page on our website, which includes key information about our corporate governance practices, including the charters for the Audit Committee, Compensation Committee, and Nominating and Governance Committee, as well as our Amended and Restated Code of Business Conduct and Ethics. The corporate governance page can be found at <http://www.srisurgical.com> by clicking on About Us, Investors then Corporate Governance.

Board Independence

Our Board of Directors has determined that Messrs. Boosales, Emanuel, Federico and Orsatti are independent under the listing standards of NASDAQ. The Audit Committee, Compensation Committee and Nominating and Governance Committee are each comprised solely of our independent directors. Mr. Peterson is not independent based on his service as a consultant to the Company. Mr. Woodard is not independent based on his service as our Chief Executive Officer. In making its independence determinations, our Board of Directors reviewed transactions and relationships between the director or any member of his immediate family and us or one of our affiliates based on information provided by the director, Company records and publicly available information. In addition, our Board of Directors considered the following types of relationships and transactions: (i) principal employment positions and other public company directorships held by each director; (ii) contracts or arrangements that are ongoing or which existed during any of the past three fiscal years between us and/or our affiliates and any entity for which the non-employee director or his or her immediate family member is an executive officer or ten percent or more shareholder; and (iii) contracts or arrangements that are ongoing or which existed during any of the past three fiscal years between us and/or our affiliates and any other public company for which the director serves as a director.

Board Meetings and Committees of the Board

Our Board of Directors held six meetings, including regularly scheduled and special meetings, during 2008. During 2008, no director attended fewer than 75% of the meetings of the Board of Directors or fewer than 75% of the meetings of any committee of the Board of which he was a member. We invite our Board of Directors to our Annual Meeting of Shareholders, but do not require them to attend. Last year, all of the directors attended our 2008 Annual Meeting. Our Board of Directors has a standing Audit Committee, Compensation Committee, and Nominating and Governance Committee.

Compensation Committee. The Compensation Committee, which currently consists of Messrs. Boosales (chair), Federico, and Orsatti, assists our Board of Directors in making decisions regarding specific compensation plans, salaries, bonuses, and other benefits payable to our executive officers. The Board of Directors has determined that each member of the Compensation Committee is independent under the listing standards of NASDAQ. The Compensation Committee held four meetings during 2008.

The processes and procedures for the consideration and determination of executive compensation are as follows:

The Compensation Committee determines cash compensation for our executive officers with the benefit of a review by our Board of Directors and input from the Chief Executive Officer regarding compensation of other executive officers.

Our Board of Directors approves equity awards for our executive officers with the benefit of recommendations from the Compensation Committee.

Historically, our Board of Directors has not retained compensation consultants. In establishing compensation for newly engaged executives, our Board of Directors considers recommendations of the Compensation Committee and the executive search firms that assist in recruiting our executives. The Compensation Committee gathers and reviews publicly available compensation-related data of similarly situated companies in making its recommendations to our Board of Directors.

Our Board of Directors has approved a written charter for the Compensation Committee, which the committee reviews annually and updates as appropriate.

Audit Committee. The Audit Committee currently consists of Messrs. Emanuel (chair), Boosales, and Orsatti. Our Board of Directors has determined that each member of the Audit Committee is independent under the listing standards of NASDAQ, and Messrs. Emanuel and Boosales of the Audit Committee are audit committee financial experts, as that term is defined by the Securities and Exchange Commission (the SEC).

Among other things, the Audit Committee selects and retains (subject to our shareholders' approval) the independent auditors, sets the independent auditors' compensation, reviews and evaluates the results and scope of the audit and other services provided by our independent auditors, reviews reports from management, legal counsel, and third parties relating to legal compliance, and establishes procedures for receipt and treatment of confidential, anonymous submissions by our employees of concerns regarding accounting, auditing, and internal controls matters.

Our Board of Directors has approved a written charter for the Audit Committee, which the committee reviews annually and updates as appropriate. During 2008, the Audit Committee held five meetings.

Nominating and Governance Committee. Our Nominating and Governance Committee, which consists of Messrs. Orsatti (chair), Emanuel, and Federico, provides assistance to the Board of Directors in (i) identifying and recommending qualified director nominees; (ii) evaluating the performance and effectiveness of the Board of Directors and its committees; (iii) evaluating and recommending corporate governance guidelines and practices; and (iv) administering our Related Party Transaction Policies and Procedures. The Nominating and Governance Committee may, in its sole discretion, engage director search firms and may consult with outside advisors to assist it in carrying out its duties to the Company. The Nominating and Governance Committee has the sole authority to approve the fees and other retention terms with respect to any such firms. The Board of Directors has determined that each member of the Nominating and Governance Committee is independent under the listing standards of NASDAQ. The Nominating and Governance Committee held five meetings during 2008.

To fulfill its responsibility to recruit and recommend to the full Board of Directors nominees for election as directors, the Nominating and Governance Committee reviews the composition of the full Board of Directors to determine the qualifications and areas of expertise needed to further enhance the composition of the Board of Directors and works with management in attracting candidates with those qualifications. Appropriate criteria for Board membership include the following:

Directors should be individuals of high integrity and independence and substantial accomplishments;

Directors should have demonstrated leadership ability and the ability to exercise sound business judgment; and

The background and experience of directors should be in areas important to our company, such as business, finance, operations, and healthcare industry experience.

The Nominating and Governance Committee considers candidates for directors suggested by our shareholders, provided that the recommendations are made in accordance with the procedures required under applicable law and described in this Proxy Statement under the heading Requirements to Submit Proxy Proposals and Director Nominations. Shareholder nominations that comply with these procedures and that meet the criteria outlined above receive the same consideration that the Nominating and Governance Committee's nominees receive.

Indemnification

We have entered into indemnification agreements with our executive officers and directors. The indemnification agreements provide, among other things, that we will indemnify such officer or director, under the circumstances and to the extent provided for in the agreements, for expenses, damages, judgments, fines and

settlements he or she may be required to pay in actions or proceedings which he or she is or may be made a party to by reason of his or her position as a director, officer or other agent of the Company, and otherwise to the fullest extent permitted under applicable law and our bylaws.

Related Party Transactions Policies and Procedures

On July 31, 2007, our Board of Directors adopted written related party transaction policies and procedures (the Policy). For purposes of the Policy, related party transactions include transactions that involve more than \$50,000 in any calendar year in which the Company is a participant and any related party has a direct or indirect interest, and related party includes our officers, directors or 5 percent shareholders and their immediate family members.

Except as described below, the Nominating and Governance Committee (excluding any interested director) (the Committee) will review the material facts of all related party transactions. The Committee will either approve or disapprove of the entry into the related party transaction after taking into account, among other factors it deems appropriate, whether the related party transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related party's interest in the transaction. If advance Committee approval of a related party transaction is not feasible, the Committee will consider, and if it deems appropriate, ratify the transaction at the Committee's next regularly scheduled meeting.

The following related party transactions are deemed to be pre-approved or ratified by the Committee (subject to the specific requirements and limitations set forth in the Policy):

- (a) employment arrangements with our executive officers;
- (b) compensation arrangements with our directors;
- (c) transactions with companies affiliated with related parties if the amount involved does not exceed the greater of \$50,000 or 2 percent of the company's total annual revenues;
- (d) charitable contributions that do not exceed the lesser of \$50,000 or 2 percent of the charitable organization's total annual receipts;
- (e) transactions pursuant to which all of our shareholders receive proportional benefits;
- (f) transactions involving competitive bids;
- (g) regulated transactions; and
- (h) banking transactions.

Under the Policy, the Committee may establish guidelines for our management to follow in its ongoing dealings with related parties. The Committee will review and assess, at least annually, the appropriateness of ongoing related party relationships and will confirm compliance with any guidelines.

DIRECTOR COMPENSATION

Directors who are not our current employees receive \$1,000 to attend each meeting of the Board of Directors and each of its committees, and a quarterly retainer of \$6,000 under our Non-Employee Directors Compensation Plan. Directors who chair the Board of Directors or the following committees receive the following amounts for that service:

Chair of:	Annual Fee
Board of Directors	\$ 5,000
Audit Committee	\$ 4,000
Compensation Committee	\$ 3,000
Nominating and Governance Committee	\$ 3,000

All options vest ratably over a term of three years, have an exercise price equal to the fair market value of the common stock on the date of grant, and expire ten years after the date of grant.

Effective March 20, 2006, we entered into a Consulting Arrangement with Wayne Peterson to provide advice on matters relating to operations and supply chain management pending our engagement of a permanent senior vice president of operations. When the arrangement extended into the second half of 2007, Mr. Peterson agreed not to receive any meeting fees, quarterly retainers or stock options payable to our non-employee directors pursuant to our Non-Employee Directors Compensation Plan during the remaining term of the Consulting Arrangement.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our officers and directors and persons who own ten percent or more of a registered class of our equity securities to file reports of ownership on Form 3 and changes in ownership on Form 4 or Form 5 with the SEC. Those officers, directors and ten percent or more shareholders are also required by SEC rules to furnish us with copies of all such forms that they file.

Based solely on our review of the copies of such forms received by us, we believe that during 2008, all Section 16(a) filing requirements applicable to our officers, directors, and ten percent or more shareholders were satisfied, except that, due to an administrative error, (i) a Form 4 was not filed within the required time period to report two acquisitions of options to purchase our Common Stock by James Emanuel on May 8, 2008, and May 22, 2008, and (ii) a Form 4 was not filed within the required time period to report an acquisition of options to purchase our Common Stock on May 22, 2008, by James Boosales, Charles Federico, Charles Orsatti, and N. John Simmons, Jr. Form 5 filings for each of these directors, including a late report of the acquisition of these options, were filed on February 17, 2009.

Compensation Committee Interlocks and Insider Participation

Our Compensation Committee is currently composed of Messrs. Boosales (chair), Federico, and Orsatti. A member of the Compensation Committee, James T. Boosales, was formerly an officer and an employee of the Company. No interlocking relationship exists between our Board of Directors or Compensation Committee and the board of directors or compensation committee of any other company, nor has any such interlocking relationship existed in the past.

PROPOSAL NO. 2

APPROVAL FOR ADOPTION OF 2009 STOCK COMPENSATION PLAN

On March 27, 2009, the Board of Directors adopted the SRI/Surgical Express, Inc. 2009 Stock Compensation Plan (the 2009 Plan), subject to shareholder approval at the Annual Meeting. The 2009 Plan provides for the granting of stock options or shares of restricted stock to employees and non-employee directors. The stock options will be either incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the Tax Code), or nonqualified stock options. The shareholders are being requested to approve the 2009 Plan at the Annual Meeting.

SRI believes that stock options and restricted stock awards motivate high levels of performance and are an effective way to recognize employee and non-employee director contributions to SRI 's success. Moreover, stock options and restricted stock grants align the interests of the employees and non-employee directors with the interests of the shareholders, because when SRI performs well, employees and non-employee directors are rewarded along with SRI 's shareholders. The Board of Directors believes that the ability to grant stock options and restricted stock will be important to SRI 's future success by allowing it to remain competitive in attracting and retaining key personnel.

Required Vote; Recommendation of the Board of Directors

Affirmative votes constituting a majority of the votes cast at the Annual Meeting will be required to approve the 2009 Plan.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THIS PROPOSAL.

Summary of the 2009 Stock Compensation Plan

Certain features of the 2009 Plan are outlined below. The full text of the 2009 Plan is attached to this Proxy Statement as Appendix A. If you have more specific questions, you should refer to the full text of the 2009 Plan. The following description is qualified in its entirety by reference to the full text of the 2009 Plan.

Purposes. The purposes of the 2009 Plan are to attract and retain the best available personnel for positions of substantial responsibility, to provide additional incentive to SRI 's employees and non-employee directors, and to promote the success of SRI 's business.

Shares Available. The aggregate number of shares available and reserved for restricted stock grants and issuance upon exercise of stock options under the 2009 Plan is Six Hundred Thousand (600,000) shares.

Administration. The 2009 Plan is administered by an Administrative Committee. The Board of Directors is currently acting as the Administrative Committee, but the Board of Directors may choose to delegate administration to a committee of two or more directors. Grants to executive officers require a prior approval or recommendation of the Company 's Compensation Committee. The Board of Directors must always act as the Administrative Committee with respect to all grants to non-employee directors, and may not delegate to a committee. The Administrative Committee will determine the terms of each stock option, including the exercise

price, exercisability, and the number of shares for each option granted to participants in the 2009 Plan. The Administrative Committee will also determine the terms of each restricted stock grant, including the restriction period, the conditions for removal of restrictions, and the number of shares granted to each participant.

Eligibility. Non-employee directors and full-time, salaried employees of SRI may be granted options and/or restricted stock. Options granted to employees may be incentive stock options or nonqualified stock options, but options granted to non-employee directors may only be nonqualified stock options. Any participant in the 2009 Plan may receive more than one grant. The Administrative Committee selects the recipients of options or restricted stock. When making grants, the Administrative Committee considers the participant's duties and responsibilities, the value of his or her services, his or her potential contribution to SRI's success, the anticipated number of years of future service, and other relevant factors.

Terms and Conditions of Options. In order for a participant to receive a stock option, he or she must enter into a written stock option agreement with SRI. The additional terms and conditions of each stock option are contained in the stock option agreement. The common terms and conditions of the stock options are:

- (a) *Exercise Price.* The Administrative Committee sets the exercise price of each stock option on the grant date. The exercise price of an incentive stock option cannot be less than the fair market value of SRI's common stock on the grant date. As long as SRI's common stock is traded on the NASDAQ Global Market, the fair market value is the closing sales price of the common stock as reported by NASDAQ on the grant date.
- (b) *Option Exercise.* Each stock option agreement specifies the expiration date of the option and the dates on which the option becomes exercisable. A participant exercises an option by giving to SRI written notice and full payment for the number of shares he or she is purchasing.
- (c) *Termination of Employment or Service as a Director.* Unless the stock option agreement provides otherwise, if a participant's employment or service as a director ends for any reason other than disability or death, that participant may exercise his or her option for up to 90 days after the employment or service ends, but only to the extent that it could be exercised on the date employment or service ended.
- (d) *Disability.* If a participant's employment or service as a director ends because of permanent and total disability as defined in Section 22(e)(3) of the Tax Code, that participant may still exercise his or her option for up to one year after the date employment or service ended, but only to the extent that it could be exercised on the date employment or service ended.
- (e) *Death.* If a participant dies, his or her estate or beneficiary may exercise the option during the year following death, but only to the extent that it could be exercised on the date of death.
- (f) *Termination of Options.* Options expire ten years after the grant date. No option may ever be exercised after it expires.
- (g) *Nontransferability of Options.* Unless the stock option agreement provides otherwise, an option is not transferable by the participant, other than by will or the laws of descent and distribution. During the participant's lifetime, an option is exercisable only by the participant. In the event of the participant's death, his or her options may be exercised by a person who acquires the right to exercise the option by bequest or inheritance.
- (h) *Adjustments Because of Capitalization Changes.* If there are any stock splits, reverse stock splits, stock dividends, mergers, recapitalizations or other changes in SRI's capital structure, the Administrative Committee will make appropriate adjustments in exercise prices and the number and class of shares subject to outstanding options.
- (i) *Other Provisions.* The Administrative Committee may include additional terms and conditions in a stock option agreement as long as they do not conflict with the 2009 Plan. When an option terminates before it has been fully exercised, any option shares which were not purchased under that option will become available again for future grants under the 2009 Plan.

Terms and Conditions of Restricted Stock. In order for a participant to receive shares of restricted stock, he or she must enter into a written stock restriction agreement with SRI. The additional terms and conditions of each restricted stock grant are contained in the stock restriction agreement. The common terms and conditions of restricted stock grants are:

- (a) *Payment for Restricted Stock.* Other than rendering services to SRI and satisfying any conditions set by the Administrative Committee, participants are not required to pay SRI for grants of restricted stock.
- (b) *Restrictions.* Restricted stock is subject to certain periods of restriction and any other restrictions set by the Administrative Committee at the time of the grant. These other restrictions may include performance criteria, forfeiture provisions, additional vesting conditions, and restrictions under applicable federal and state securities laws.
- (c) *Restrictive Legends on Certificates.* The certificates representing shares of restricted stock may bear legends describing the restrictions on transfer of the shares.
- (d) *Removal of Restrictions.* After the applicable period of restriction has ended and all other restrictions have been satisfied, the shares of restricted stock will become freely transferable, and any restrictive legends may be removed.
- (e) *Voting Rights and Dividends.* With respect to his or her shares of restricted stock, the participant will receive full voting rights and any dividends or distributions paid with respect to such shares.
- (f) *Termination of Employment or Service as a Director.* Unless the stock restriction agreement provides otherwise, if a participant's employment or service as a director ends for any reason other than disability or death, all of that participant's shares which are still subject to restrictions will be forfeited.
- (g) *Disability.* If a participant's employment or service as a director ends because of permanent and total disability as defined in Section 22(e)(3) of the Tax Code, that participant's shares of restricted stock will not be forfeited, but may continue to vest according to their original terms.
- (h) *Death.* If a participant dies, his or her restricted stock will become fully vested as of the date of death.
- (i) *Nontransferability of Restricted Stock.* Unless the stock restriction agreement provides otherwise, restricted stock is not transferable by the participant, other than by will or the laws of descent and distribution.
- (j) *Other Provisions.* The Administrative Committee may include additional terms and conditions in a stock restriction agreement as long as they do not conflict with the 2009 Plan. When shares of restricted stock are forfeited, they will become available again for future grants under the 2009 Plan.

Change in Control of SRI. Stock options and shares of restricted stock will become fully vested if certain Change in Control (as such term is defined in the 2009 Plan) transactions occur. If a Change in Control occurs, the Administrative Committee may elect to cancel participants' options and pay participants holding options the difference between the exercise price and the fair market value of the shares issuable on exercise of their stock options.

Amendment of the 2009 Plan. The Board of Directors may amend, suspend or terminate the 2009 Plan. SRI must obtain shareholder approval for any amendment that (i) materially increases the benefits, (ii) materially modifies the eligibility requirements for participation, (iii) reduces the minimum exercise price per share of previously granted stock options, (iv) increases the number of shares issuable under the 2009 Plan, or (v) changes the requirements for amendment of the 2009 Plan. Any amendment or termination of the 2009 Plan will not affect outstanding options unless the participant and SRI agree otherwise in writing.

Termination of the 2009 Plan. The 2009 Plan will terminate in March 2019. The termination of the 2009 Plan will not affect outstanding options or shares of restricted stock unless the participant and SRI agree otherwise in writing.

Material Federal Tax Considerations

Below is a general summary of the effect of federal income taxation upon SRI and participants with respect to stock options and restricted stock, based upon the current Tax Code. This is not necessarily a complete discussion of all potential tax considerations, and does not address the tax consequences of a participant's death or the tax laws of any municipality, state or foreign country. Tax laws are complex and subject to change and may vary depending on an individual's specific circumstances. This summarized tax information is not tax advice, and each participant should rely on the advice of his or her legal and tax advisors.

Incentive Stock Options. Some stock options granted under the 2009 Plan may be incentive stock options, as defined in Section 422 of the Tax Code. Incentive stock options may not be granted to non-employee directors. Certain federal tax consequences of incentive stock options are:

The participant does not realize any taxable ordinary income on the date of grant.

SRI is not entitled to any tax deduction on the date of grant.

If the participant holds the shares for at least one year following the exercise of the option and at least two years from the date of grant, any gain or loss will be treated as long-term capital gain or loss. SRI will not be entitled to a tax deduction upon exercise.

If the participant does not hold the shares acquired on exercise for the holding periods described above, then

- the participant will recognize ordinary income at the time of sale equal to the difference between the exercise price and the lower of (i) the fair market value of the shares at the date of the option exercise or (ii) the sale price of the shares;
- SRI will be entitled to a tax deduction equal to the participant's recognized ordinary income; and
- any gain or loss recognized in excess of the amount treated as ordinary income will be long-term or short-term capital gain or loss, depending on the holding period.

Nonqualified Stock options. Any option granted under the 2009 Plan that does not qualify as an incentive stock option is a nonqualified stock option. Certain federal tax consequences of nonqualified stock options are:

The participant does not realize any taxable ordinary income on the date of grant.

SRI is not entitled to a tax deduction on the date of grant.

When the participant exercises the option, he or she will recognize ordinary income in an amount equal to the difference between the option exercise price and the fair market value of the shares on the date of exercise.

Any taxable ordinary income recognized by the participant will be subject to tax withholding by SRI.

SRI will be entitled to a tax deduction in an amount equal to the participant's taxable ordinary income with respect to the exercise.

Upon sale of the shares by the participant, any difference between the sales price and the exercise price, will be treated as long-term or short-term capital gain or loss, depending on the holding period.

Restricted Stock. Under the 2009 Plan, SRI may also grant shares of restricted stock. Certain federal tax consequences of restricted stock are:

The participant will realize taxable ordinary income, subject to tax withholding by SRI, on the date the restriction is removed from the stock.

The amount of the participant's taxable ordinary income is the difference between the fair market value of the stock on the date the restriction is removed and the amount paid for the stock (if any).

Under certain circumstances, the participant may choose to realize the taxable ordinary income in the year in which the restricted stock is granted in an amount equal to the difference between the fair market value of the stock on the date of grant and the amount paid for the stock, if any.

SRI will be entitled to a tax deduction at the same time and in the same amount as is realized as ordinary income by the participant.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board of Directors reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

In this context, we met and held discussions with management and the independent auditors. Management represented to us that the Company's financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the financial statements with management and the independent auditors. We discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as adopted by the Public Accounting Oversight Board in Rule 3200T.

In addition, we received from the independent auditors the written disclosures and the letter relating to the independent auditors' independence, as required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as adopted by the Public Accounting Oversight Board in Rule 3600T, and we discussed with the independent auditors their independence from the Company and its management.

We discussed with the Company's independent auditors the overall scope and plan for their audit. We met with the independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, we recommended to the Board of Directors, and the Board of Directors has approved, including the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 28, 2008, for filing with the SEC.

The Audit Committee and the Board of Directors also have recommended, subject to shareholder approval, the selection of the Company's independent auditors for the year ended December 27, 2009 - see Proposal No. 3.

EXECUTIVE OFFICER COMPENSATION

Compensation Discussion and Analysis

Overview

The Compensation Committee of our Board of Directors (the Compensation Committee) is responsible for establishing and implementing executive compensation arrangements designed to recruit and retain executives. The Compensation Committee periodically reviews these arrangements for consistency with our compensation philosophy and objectives and with the goal of making them more effective.

Philosophy and Objectives of Executive Compensation

In establishing executive compensation arrangements, we primarily seek to align our executives' incentives with the interests of our shareholders in both the short and long term. We place a relatively heavy emphasis on equity compensation as a percentage of total compensation to establish long-term incentives, although we do not have any rule for establishing the relative amounts of each component. We also structure our annual incentive cash compensation to motivate our executives to achieve business and individual goals.

Setting Compensation

The Compensation Committee determines cash compensation for our executive officers with the benefit of a review by the Board of Directors and input from the Chief Executive Officer regarding compensation of other officers. The Compensation Committee establishes objectives for annual performance-based cash incentive compensation for executives. The Board of Directors approves equity awards for our executive officers with the benefit of recommendations from the Compensation Committee.

The Board of Directors, including the Compensation Committee, has relied on its members' extensive general business and industry-specific knowledge and experience in determining executive compensation. In establishing compensation for newly engaged executives, the Board of Directors considered recommendations of the Compensation Committee and the executive search firms that assisted in recruiting those executives. Historically, the Board of Directors has not retained a compensation consultant. The Compensation Committee gathers and reviews publicly available compensation-related data of similarly-sized companies operating in the same industries and regions, including local competitors, in making its recommendations to the Board of Directors regarding future compensation decisions.

2008 Executive Compensation Components

For the 2008 fiscal year, the principal components of executive compensation for our executive officers were:

base salary

performance-based cash incentive compensation

long-term equity incentive compensation, and

retirement and other benefits.

Base Salary: We establish base salaries for each of our executive officers based on the executive officer's position, responsibilities, experience, business judgment, and role in developing and implementing our overall business strategy, without applying a specific formula to weigh each of these factors. We review base salary levels annually and adjust them from time to time for market changes, promotions, or other changes in job responsibilities. Generally, we believe base salaries paid to executive officers should be competitive with salaries paid to executive officers with similar positions and responsibilities at similar companies. The Compensation Committee periodically reviews regional and industry-specific compensation statistics, but it has not benchmarked our executives' compensation levels against levels of any other companies or groups of companies.

In 2008, the Compensation Committee adjusted the base salary of Mr. Ruiz from \$270,375 to \$278,486, based on a cost-of-living increase. In addition, the Compensation Committee adjusted Mr. McGuire's 2008 base salary from \$194,875 to \$220,000 in connection with Mr. McGuire's promotion from Senior Vice President of Strategic Sourcing to Senior Vice President of Sales effective as of March 3, 2008. Mr. Woodard's base salary was \$375,000 pursuant to his employment agreement.

Performance-Based Cash Compensation: We believe that approximately 70% of our executive officers' annual performance-based cash compensation should be contingent on the Company's achieving quantitative financial performance targets, such as revenues, gross margin, profitability, and cash flow, and approximately 30% of the executives' compensation should be contingent on satisfying individual qualitative performance objectives established for the executive officer. The Compensation Committee establishes annual financial targets for our executives. The Compensation Committee evaluates performance of the Company and each executive officer and awards incentives in the first calendar quarter following the end of the fiscal year. If the Compensation Committee determines that the financial targets were not achieved, it may determine not to make any incentive cash payments to our executives even if the executive's individual qualitative performance objectives were satisfied.

The Compensation Committee determined in the first quarter of 2009 that the Company did not meet its 2008 financial performance targets, which included management's budgeted total revenues of \$98 million and loss before income taxes of \$2,715,000. Actual total revenues were \$97 million and the actual loss before income taxes was \$2,768,000. Although the Compensation Committee determined that Messrs. Woodard, Ruiz and McGuire achieved certain individual non-financial business objectives during 2008, the Committee recommended and the Board of Directors approved no cash payments to Messrs. Woodard, Ruiz and McGuire for incentive compensation due to non-achievement of the quantitative financial objectives during 2008. In addition, pursuant to his employment agreement, Mr. Woodard was entitled to receive 20% of his 2008 target performance-based cash compensation (\$37,500) based on his service during the first six months of 2008. However, Mr. Woodard waived his right to receive this bonus because of the Company's financial performance and challenging healthcare market conditions.

Long-Term Stock Incentives: Our equity plans provide for grants to employees of stock options and restricted stock. We design our grants to executives to align a significant portion of our executive compensation with the long-term interests of our shareholders by providing an incentive that focuses attention on managing the Company from the perspective of an owner with an equity stake in our business. Awarded stock options have an exercise price equal to the fair market value of our common stock on the grant date. These stock options typically vest ratably over five years and expire ten years after the grant date. We believe stock option awards encourage retention of our key employees and that vesting requirements foster loyalty.

In connection with the commencement of his employment in 2008, Mr. Woodard has received inducement grants of 150,000 stock options, which vest in three equal annual installments, and 25,000 shares of restricted stock, which vest in full upon the earlier of January 31, 2011 or termination for any reason other than cause, death or disability.

We have adopted a policy pursuant to which the Compensation Committee will review and recommend all future stock option grants to our executive officers to the full Board of Directors for approval by the end of April each year. The option grants will be approved by the Board of Directors by the end of April each year and issued on the second full trading day after the Company's quarterly earnings release for the prior fiscal year or our first quarter. In the case of a new hire or promotion, the Compensation Committee will also review and recommend any option grants to the Board of Directors for approval. The grant date of these options will be the first trading day of the month following the date of hire or promotion.

In 2009, we granted 50,000 stock options to Mr. Woodard and 12,500 stock options to Messrs. Ruiz and McGuire.

Retirement and Other Benefits: Our executive officers participate in our 401(k) plan and other benefits that are generally available to employees. We do not provide retirement or other benefit plans established especially for executives or other key employees, except for the equity and incentive compensation arrangements described above.

Severance and Change in Control Arrangements

Messrs. Woodard, Ruiz and McGuire are entitled to receive portions of their annual base salaries and prorated bonuses as severance if they are terminated without cause. We offered these terms to Mr. Woodard and Mr. Ruiz as part of their initial recruitment packages. We offered these terms to provide a sense of security for, and to help retain, Mr. McGuire in connection with the appointment of a new President and Chief Executive Officer in February 2005 and amended the terms of Mr. McGuire's severance agreement on November 4, 2008 to make the severance amount payable thereunder the same amount payable to Mr. Ruiz under Mr. Ruiz's severance agreement.

Our 1998 Stock Option Plan and 2004 Stock Compensation Plan provide that all grants under these plans vest in full on a change in control of the Company. In addition to their role in facilitating recruitment, we believe that these severance and change in control arrangements encourage retention.

We believe that these severance and change in control arrangements reflect market levels for comparable executives and are important to effectively recruit and retain key executives. For a more detailed discussion of these arrangements, see *Employment Agreements, Termination of Employment and Change-in-Control Arrangements* below.

Tax and Accounting Implications

Deductibility of Executive Compensation: The Company believes that compensation paid under its compensation plans will be fully deductible for federal income tax purposes under current rules.

Accounting for Stock-Based Compensation: Beginning on January 1, 2006, the Company began accounting for stock-based payments, including its stock option grants, in accordance with requirements of FASB Statement 123(R).

Summary of Executive Compensation

The following table shows the compensation information for fiscal years 2006, 2007 and 2008 for our named executive officers:

Our assumptions used in calculating these amounts are included in footnote K to the Company's audited financial statements for the 2008 fiscal year included in our Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 10, 2009.

(2) The amounts in column (g) reflect the cash awards to the named individuals under our management incentive plan, which is described in further detail on page 14 under the heading *Performance-Based Cash Compensation*.

(3) Mr. Woodard became our Chief Executive Officer on December 31, 2008.

(4) This represents the dollar value of insurance premiums paid by the Company with respect to health insurance.

(5) From the date our former President and Chief Executive Officer, Christopher Carlton, resigned on February 5, 2007, until the appointment on December 31, 2007 of our new Chief Executive Officer, Mr. Woodard, our day-to-day operations were managed by a Management Committee comprised of Mr. Ruiz and Mr. McGuire. Mr. McGuire served as Chairman of the Management Committee. The Management Committee managed the Company under the oversight of an Executive Committee of the Board of Directors comprised of N. John Simmons, Jr. and James T. Boosales.

(6) Mr. McGuire served as our Senior Vice President of Strategic Sourcing from January 2006 until his promotion to Senior Vice President of Sales on March 3, 2008.

Employment Agreements, Termination of Employment and Change-in-Control Arrangements*Employment Agreements*

We have employment agreements with Gerald Woodard, our Chief Executive Officer, and Wallace D. Ruiz, our Senior Vice President and Chief Financial Officer. We have not entered into an employment agreement with David J. McGuire, our Senior Vice President of Sales.

Mr. Woodard's employment agreement provides for annual base salary of \$375,000 in 2008 and a contingent signing bonus of \$100,000, which was intended to compensate Mr. Woodard for his inability to participate in his prior employer's management incentive program for 2008. On May 2, 2008, Mr. Woodard voluntarily waived his right to receive this signing bonus because Mr. Woodard maintained his eligibility under his prior employer's management incentive program for 2008. In addition, Mr. Woodard is entitled to participate in our management incentive plan. In connection with the commencement of his employment, Mr. Woodard has received inducement grants of 150,000 stock options, which vest in three equal annual installments, and 25,000 shares of restricted stock, which vest in full upon the earlier of three years or termination for any reason other than cause, death or disability.

Mr. Ruiz's employment agreement provides for annual base salary of \$278,486 and participation in our management incentive plan.

Termination of Employment

According to the terms of their respective employment agreements, Mr. Woodard and Mr. Ruiz are entitled to receive upon their termination for any reason other than for cause, death or disability, their respective annual base salary and health insurance benefits for twelve months and nine months, respectively, and a pro-rated cash award under our management incentive plan (as determined by our Board of Directors acting in good faith). The base salary component of the severance is payable in accordance with the Company's then-current pay practices over the severance period following a termination and the pro-rated cash award is payable as a lump sum at such time that the executive officer would have been entitled to receive any earned cash award for the year in which he is terminated if he had been employed on the last day of year in which his employment is terminated. For purposes of each of Mr. Woodard's and Mr. Ruiz's employment agreements, cause generally includes the executive's indictment, conviction or plea of no contest for a felony, violation of the employment agreement, failure to perform his duties, failure to cooperate with a governmental investigation, insubordination, incompetence, misconduct, unethical conduct or failure to comply with our policies. Under their respective employment agreements, Mr. Woodard and Mr. Ruiz are prohibited from competing with us during the two-year period following termination of their employment, and the foregoing severance is conditioned upon their compliance with such covenant not to compete with the Company and the execution of a release in favor of the Company.

We have a retention agreement with Mr. McGuire, under which the Company will continue to pay Mr. McGuire his base salary and health insurance benefits for a period of nine months following termination of employment for any reason other than cause, death or disability. For purposes of Mr. McGuire's retention agreement, cause generally includes Mr. McGuire being charged with a felony, disclosure of our trade secrets or other confidential information, or misconduct, insubordination or violation of Company policies. Mr. McGuire also entered into a non-competition and confidentiality agreement with the Company, pursuant to which Mr. McGuire is prohibited from competing with the Company during the one-year period following termination of his employment, and the foregoing severance is conditioned upon Mr. McGuire's compliance with such competition and confidentiality agreement and his execution of a release in favor of the Company.

If Mr. Woodard had been terminated for any reason other than for cause, death or disability on December 26, 2008, which was the last business day of the Company's 2008 fiscal year, Mr. Woodard would have received the following severance benefits in accordance with the procedures outlined above: twelve months' base salary equal to \$375,000, a cash award under our management incentive plan and payment of health insurance premiums by the Company in the aggregate amount of \$5,806 (which represents 100 percent of the annual health insurance premiums).

If Mr. Ruiz had been terminated for any reason other than for cause, death or disability on December 26, 2008, which was the last business day of the Company's 2008 fiscal year, Mr. Ruiz would have received the following severance benefits in accordance with the procedures outlined above: nine months' base salary equal to \$208,865, a cash award under our management incentive plan and payment of health insurance premiums by the Company in the aggregate amount of \$4,354 (which represents 75 percent of the annual health insurance premiums).

If Mr. McGuire had been terminated for any reason other than for cause, death or disability on December 26, 2008, which was the last business day of the Company's 2008 fiscal year, Mr. McGuire would have received the following severance benefits pursuant to his retention agreement: nine months' base salary equal to \$171,750, a cash award under our management incentive bonus plan and payment of health insurance premiums by the Company in the aggregate amount of \$5,864 (which represents 75 percent of the annual health insurance premiums).

Change in Control Arrangements and Termination Due to Death

Our 1998 Stock Option Plan and 2004 Stock Compensation Plan provide that all grants under these plans vest on a change in control of the Company and grants of restricted stock vest upon the recipient's death. If a change in control occurs, the Company may elect to cancel participants' options and instead pay to them the difference between the exercise price of such options and the fair market value of the shares issuable on the exercise thereof. For these purposes, a change in control generally occurs when:

our shareholders approve a liquidation of the Company, a sale of all or substantially all of the Company's assets or certain mergers or consolidations of the Company; or

if during any two consecutive years, individuals who at the beginning of the period constitute our Board of Directors cease for any reason to constitute at least a majority of our Board of Directors, except for individuals whose election or nomination for election was previously approved by at least two-thirds of the directors who were directors at the beginning of the period or whose nomination for election was previously so approved.

If a change in control occurred on December 26, 2008, which was the last business day of the Company's 2008 fiscal year, 150,000 options and 25,000 shares of restricted stock held by Mr. Woodard would have vested, resulting in an aggregate dollar amount realizable by Mr. Woodard equal to \$54,500, 52,000 options and 15,000 shares of restricted stock held by Mr. Ruiz would have vested, resulting in an aggregate dollar amount realizable by Mr. Ruiz equal to \$32,700, and 79,000 options and 12,000 shares of restricted stock held by Mr. McGuire would have vested, resulting in an aggregate dollar amount realizable by Mr. McGuire equal to \$26,160. For purposes of the foregoing calculation, the aggregate dollar value realizable with respect to option shares that vest upon a change in control is derived by multiplying (A) the number of securities underlying such options by (B) the difference between (i) the closing price of the Company's common stock on the date of change in control and (ii) the per share option exercise price. The aggregate dollar value realizable with respect to restricted stock that vests upon a change in control or death is determined by multiplying the number of shares of such stock by the closing price of the Company's common stock on the date of change in control or termination due to death.

1.4 HEADINGS AND REFERENCES. The titles and headings preceding the text of the articles and sections of this Plan are solely for convenient reference and neither constitute a part of this Plan nor affect its meaning, interpretation, or effect. Unless otherwise expressly stated, a reference in this Plan to a Section refers to a section of this Plan and a reference in this Plan to an Article refers to an article of this Plan.

1.5 LIMITATION OF RIGHTS. Nothing in this Plan, whether express or implied, is intended or should be construed to confer upon, or to grant to, any person (other than the Participants and their respective heirs, guardians, and personal representatives) any claim, right, remedy, or privilege under or because of this Plan or any provision of it, except that every member of the Administrative Committee is a third-party beneficiary of the provisions of Sections 2.2 and 2.4. An employee or non-employee Director of the Company or any Subsidiary does not have any claim or right to participate in this Plan, and the grant of an Award to a Participant does not create or extend any right of the Participant to continue to serve as an employee or non-employee Director of the Company or any Subsidiary, to participate in any other stock option or employee benefit plan of the Company or any Subsidiary, or to receive the same employee benefits as any other employee of the Company or any Subsidiary. Furthermore, an employee's selection as a Participant does not restrict in any way the right of the Company or a Subsidiary to terminate at any time the Participant's employment with it either at will or as provided in any written employment agreement between it and the Participant.

1.6 GOVERNING LAW. The validity, construction, enforcement, and interpretation of this Plan are governed by the laws of the United States of America and the State of Florida, excluding the laws of those jurisdictions relating to resolution of conflicts with laws of other jurisdictions.

ARTICLE II

PLAN ADMINISTRATION

2.1 ADMINISTRATIVE COMMITTEE. This Plan will be administered by the Board of Directors, or, at its election, the Board of Directors may delegate administration of this Plan (other than with respect to non-employee Directors) to an Administrative Committee consisting of two or more directors who are appointed by the Board of Directors and satisfy the criteria described below. The members of the Administrative Committee will serve for unspecified terms at the discretion of the Board of Directors. The Board of Directors has the exclusive power to increase or decrease the size of the Administrative Committee, appoint additional members of the Administrative Committee, remove a member of the Administrative Committee (as such) at any time, with or without cause, and appoint a successor to fill any vacancy on the Administrative Committee. The Board of Directors shall not appoint as a member of the Administrative Committee any director who (a) is an officer or employee of the Company, any Subsidiary, or any parent corporation of the Company or who does not qualify as an outside director for purposes of section 162(m) of the Internal Revenue Code, (b) receives directly or indirectly from the Company, any Subsidiary, or any parent corporation of the Company a dollar amount of compensation for services rendered as a consultant or in any capacity other than as a director for which disclosure would be required pursuant to Item 404(a) of Regulation S-K under the Exchange Act and the Securities Act, (c) possesses an interest in any other transaction to which the Company or any Subsidiary was or will be a party and for which disclosure would be required pursuant to Item 404(a) of Regulation S-K under the Exchange Act and the Securities Act, or (d) has a business relationship for which disclosure would be required pursuant to Item 404(b) of Regulation S-K under the Exchange Act and the Securities Act. If the Board of Directors is unable to appoint an Administrative Committee comprising two or more directors who satisfy the foregoing criteria, or if the Administrative Committee ceases at any time to comprise directors who satisfy those criteria, the Board of Directors shall serve as the Administrative Committee for this Plan, and all Awards granted under this Plan must be approved by the Board of Directors.

2.2 POWER AND AUTHORITY. Subject to compliance with all applicable rules and regulations of any relevant authorities, including stock exchanges and the Securities and Exchange Commission, the Administrative Committee has the exclusive power and authority, and the sole and absolute discretion, to do the following: (a) construe and interpret this Plan; (b) select the Employees and non-employee Directors who will be Participants in this Plan; (c) adopt, amend, and rescind forms, rules, procedures, and regulations relating to this Plan (all of which must be approved by the Board of Directors if a Board Committee serves as the Administrative Committee); (d) grant Awards under the Plan, either conditionally or unconditionally; (e) determine when

Awards will be granted under the Plan; (f) determine the number of Shares subject to each Award; (g) determine the Market Value of a Share in accordance with the provisions of this Plan; (h) determine the terms and conditions of each Award, including, in the case of Restricted Stock, the duration of the restriction period, the conditions under which the Restricted Stock will vest, and any limitations, restrictions, performance criteria, or forfeiture conditions applicable to the Restricted Stock, and in the case of a Stock Option, the exercise price (which must comply with Section 4.2), the methods of exercising the Stock Option, the methods for payment of the exercise price, the time or times when the Stock Option will become exercisable and the duration of the exercise period (which must not exceed the limitations specified in Section 4.2), the conditions under which the Stock Option will vest and become exercisable, and any limitations, restrictions, performance criteria, or forfeiture conditions applicable to the Stock Option or any Shares purchased pursuant to it; (i) determine the consideration for the granting of an Award and the consideration to be paid for Shares purchased pursuant to a Stock Option (subject to Section 4.5); (j) to approve and recommend amendments to the Plan for adoption by the Board of Directors and (if necessary or desirable) the shareholders of the Company; (k) authorize any officer or director of the Company to execute in the name and on behalf of the Company any agreement, certificate, instrument, or other document required to carry out the purposes of this Plan; (l) engage the services of any agent, expert, or professional advisor in furtherance of the Plan's purposes; (m) amend any outstanding Stock Restriction Agreement or Option Agreement, subject to complying with applicable legal restrictions and obtaining the approval of the Participant who is a party to such agreement; (n) determine whether, to what extent, and under what circumstances payment of cash, Shares, other property and other amounts payable with respect to an Award made under the Plan shall be deferred either automatically or at the election of the Participant; and (o) take all other actions, and make all other determinations, that are advisable or necessary for the Plan's administration. Except as provided in Section 6.9, the Administrative Committee shall be authorized to make adjustments in Award criteria or in the terms and conditions of Awards in recognition of unusual or nonrecurring events affecting the Company or its financial statements or changes in applicable laws, regulations or accounting principles. The Administrative Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Award in the manner and to the extent it shall deem desirable to carry it into effect. In the absence of fraud or mistake, any action, decision, interpretation, or determination by the Administrative Committee, including constructions of disputed or doubtful Award or Plan provisions, will be final and binding on all persons.

The Board of Directors may reserve to itself any of the power and authority conferred on the Administrative Committee, provided that any Awards to executive officers of the Company are approved or recommended by the Compensation Committee of the Company. All references in this Plan to the Administrative Committee include the Board of Directors whenever it is exercising the power and authority of the Administrative Committee.

2.3 APPROVAL PROCEDURES. All actions and determinations of the Administrative Committee must be unanimous, unless the Board of Directors is exercising the power and authority of the Administrative Committee. All actions and determinations of the Board of Directors with respect to this Plan must be approved in the manner provided by the Company's Bylaws and applicable law. Every action or determination of the Administrative Committee that is expressly required or permitted under this Plan will be valid only if undertaken pursuant to a vote, consent, or approval that is evidenced by either (a) a resolution adopted by the affirmative vote of the requisite number of members of the Administrative Committee at a meeting, or (b) a written consent signed by the requisite number of members of the Administrative Committee. The members of the Administrative Committee may execute a written consent in counterparts. Each executed counterpart will constitute an original document, and all of them, together, will constitute the same document. A properly executed written consent will be effective as of the date specified in it or, if an effective date is not so specified, on the date when it is signed by the last director whose signature is necessary to validate it, and will be valid if it is executed before, after, or concurrently with the action or determination to which it applies.

2.4 INDEMNIFICATION. A member of the Administrative Committee is not liable for, and the Company and each Participant releases each member of the Administrative Committee from all liability for, any punitive, incidental, compensatory, consequential, or other damages or obligation to the Company or any Employee,

Participant, or other person for any act or omission by the member of the Administrative Committee (including the person's own negligence), or by any agent, employee, professional advisor, or other expert used or engaged by the Administrative Committee, if the act or omission does not constitute gross negligence or willful misconduct and is done or omitted in good faith, on behalf of the Company, and in a manner reasonably believed by the member of the Administrative Committee to be both in the best interests of the Company and within the scope of the authority granted to the Administrative Committee by this Plan. The Company shall indemnify each member of the Administrative Committee, and shall reimburse the member from the Company's assets, for any cost, loss, damage, expense, or liability (including fines, amounts paid in settlement, and legal fees and expenses) incurred by the member by reason of any act or omission for which the member is released from liability pursuant to this Section 2.4.

ARTICLE III

PARTICIPANTS AND BENEFIT LIMITATIONS

3.1 PARTICIPANTS. Every Employee and non-employee Director is eligible to be selected to participate in this Plan; provided, however, that Incentive Options shall only be awarded to employees within the meaning of Section 422 of the Internal Revenue Code. Notwithstanding any provision in this Plan to the contrary, the Board of Directors shall have the authority, in its sole and absolute discretion, to select non-employee Directors as Participants who are eligible to receive Awards other than Incentive Options under the Plan. The Board of Directors shall set the terms of any such Awards in its sole and absolute discretion, and the Board of Directors shall be responsible for administering and construing such Awards in substantially the same manner that the Administrative Committee administers and construes Awards to Employees. The Administrative Committee's designation of a Participant at any particular time does not require the Administrative Committee to designate that Participant to receive any Award at any other time or to receive the same Award as any other Participant at any time. The Administrative Committee may consider factors that it considers pertinent in selecting Participants and in determining the terms and conditions of Awards granted to them, including the following: (a) the consolidated financial condition of the Company; (b) the expected net income of the Company for the current or future years; (c) the contributions of a Participant to the success and profitability of the Company; and (d) the adequacy of the Participant's other compensation. The Administrative Committee may grant an Award to a Participant even if an Award previously was granted to the Participant under this Plan or another grant was made to the Participant under another plan of the Company or an Affiliate, and whether or not the previously granted benefits have been fully exercised. An Employee or non-employee Director who participates in another benefit plan of the Company or an Affiliate also may participate in this Plan.

3.2 BENEFIT LIMITATIONS. The total number of Shares that are authorized to be issued pursuant to the award of Restricted Stock or exercise of Stock Options granted under this Plan is limited to Six Hundred Thousand (600,000) Shares. This amount will be adjusted automatically in accordance with Section 6.1. If an Award lapses, expires, or is cancelled, forfeited, or terminated as a whole or in part for any reason other than the exercise of a Stock Option, the forfeited Shares or the Shares subject to the unexercised portion of the Stock Option (or the part of it so cancelled, forfeited, or terminated) will be available for the future grants of Awards under this Plan. If a Participant pays the exercise price for Shares purchased pursuant to the exercise of a Stock Option by delivering to the Company previously acquired Shares, the number of Shares available for future Awards under this Plan will be reduced only by the net amount of Shares issued in connection with the exercise of the Stock Option (that is the number of Shares issuable pursuant to the exercise of the Stock Option, less the number of Shares retained by, or delivered to, the Company in payment of the exercise price).

ARTICLE IV

STOCK OPTIONS

4.1 STOCK OPTION GRANTS. Subject to the terms and provisions of the Plan, the Administrative Committee, at any time and from time to time, may grant Stock Options under the Plan to such Participants and in such amounts as it shall determine. Stock Options granted to non-employee Directors shall be Nonqualified Options. Each Stock Option issued to an Employee will constitute an Incentive Option unless the Administrative Committee designates such Stock Option as a Nonqualified Option or such Stock Option fails to comply with the requirements of Section 4.3 (in which case it will constitute a Nonqualified Option). The Administrative Committee may grant an Employee both Incentive Options and Nonqualified Options, at the same time or at different times.

4.2 EXERCISE PRICE AND DATES. The purchase price for each Share issuable pursuant to the exercise of a Stock Option must be not less than the Market Value of a Share on the Date of Grant of the Stock Option. Every Stock Option must expire not later than ten years after its Date of Grant, and, except as otherwise provided in Sections 4.6 and 6.2 or in the Option Agreement, it will expire on the 90th day following the date when the Participant ceases to be an Employee or non-employee Director. However, if a Participant owns (within the meaning of section 422(b)(6) of the Internal Revenue Code) at the time when an Incentive Option is granted to the Participant stock representing more than 10% of the total combined voting power of all classes of outstanding stock of the Company, any Subsidiary, or any parent corporation of the Company, then: (a) the Incentive Option must expire not later than five years after its Date of Grant; and (b) the exercise price of the Incentive Option must be not less than 110% of the Market Value of a Share on the Date of Grant of the Incentive Option. Stock Options are not exercisable until they have been accepted by the Participant. An award of a Stock Option to a Participant will be cancelled automatically if the Participant does not accept the award within 90 calendar days following the date when the Participant is given written notice of the award. Unless a Participant's Option Agreement expressly provides otherwise, every Stock Option will be exercisable in serial increments after each Option Year as follows:

After Option Year	Percentage Exercisable	
	Per Option Year	Cumulatively
1	20%	20%
2	20%	40%
3	20%	60%
4	20%	80%
5	20%	100%

Subject to the foregoing limitations, the Administrative Committee may impose on an award of a Stock Option any terms and conditions that it determines to be desirable, including performance criteria, forfeiture provisions, and additional or different vesting conditions. Extension of the expiration date of a Stock Option beyond its initially scheduled expiration date is not permitted. In calculating the stock ownership of any person for purposes of the foregoing, the attribution rules of section 424(d) of the Internal Revenue Code will apply.

4.3 INCENTIVE OPTIONS. Notwithstanding anything in this Plan to the contrary, a Stock Option must satisfy all conditions and requirements imposed by the Internal Revenue Code for incentive stock options and any policies adopted by the Administrative Committee with respect to incentive stock options in order to qualify as an Incentive Option. In addition, if a Stock Option which is intended to qualify as an Incentive Option is granted for a number of Shares having an aggregate Market Value on the Date of Grant in excess of \$100,000, then, notwithstanding anything in this or the relevant Option Agreement to the contrary, the Incentive Option will be exercisable in each calendar year as to only that number of Shares having a Market Value on the Date of Grant of not more than \$100,000. However, the number of Shares as to which an Incentive Option is exercisable in any one calendar year is cumulative, so, if the Incentive Option is not exercised to the fullest extent allowed in any

one calendar year, the unexercised portion will accumulate and carry forward to ensuing years. For example, if in 2009, the Company were to grant an Employee an Incentive Option to purchase 100,000 Shares at an exercise price of \$5.00 per Share (which was the then current Market Value), the Incentive Option would be exercisable with respect to only 20,000 Shares during 2010, and the Incentive Option would become exercisable with respect to 20,000 additional Shares in each successive year (2011 through 2014). If the Participant elected to purchase only 10,000 Shares pursuant to the Incentive Option during 2010, the Participant could purchase up to 30,000 Shares in 2011, and, if no additional purchases were made in 2011, the Participant could purchase up to 50,000 Shares in 2012 (carry forward of 10,000 Shares from 2010 and 20,000 Shares from 2011; plus 20,000 Shares in 2012).

4.4 EXERCISE OF STOCK OPTIONS. Subject to limitations imposed by this Plan and the Option Agreement, a Participant may exercise a Stock Option as a whole or in part in increments of the lesser of 100 Shares or the number of Shares then exercisable at any time and from time to time before it expires. A partial exercise of a Stock Option will not affect a Participant's subsequent right to exercise the Stock Option as to the remaining Shares subject to the Stock Option. A Stock Option must be exercised for a number of whole Shares and is not exercisable for a fraction of a Share. To exercise a Stock Option, a Participant must do the following: (a) deliver to the Company a written notice of exercise in such form as prescribed by the Administrative Committee; (b) tender to the Company full payment for the Shares to be purchased pursuant to the exercise of the Stock Option; (c) pay to the Company, or make an arrangement satisfactory to the Administrative Committee for the payment of, any tax withholding required in connection with the exercise of the Stock Option (including FICA, Medicare, and local, state, or federal income taxes); and (d) comply with any and all other reasonable requirements established by the Administrative Committee for the exercise of Stock Options. The exercise date of a Stock Option will be the date when (i) the Company has received the written notice of exercise and full payment of the exercise price, (ii) the Participant has paid to the Company or made a satisfactory arrangement for the payment of any requisite tax withholding, and (iii) any and all other requirements of exercise established by the Administrative Committee have been satisfied.

4.5 PAYMENT OF EXERCISE PRICE. A Participant may pay all or any part of the exercise price and any applicable tax withholding for any Shares to be purchased pursuant to exercise of a Stock Option by any combination of the following methods:

- (a) By bank draft, money order, or personal check payable to the order of the Company; or
- (b) By transferring to the Company outstanding Shares that have been owned by the Participant for more than six months on the exercise date of the Stock Option.

Shares that are transferred to, or withheld by, the Company in payment of the exercise price or any tax withholding will be valued for purposes of payment at their Market Value on the exercise date of the Stock Option, as determined pursuant to Section 4.4. The foregoing provision does not preclude the exercise of a Stock Option by any other proper legal method specifically approved in advance by the Administrative Committee. The Administrative Committee shall determine the acceptable methods for tendering or withholding Shares as payment of the exercise price of a Stock Option and may impose limitations and prohibitions on the use of Shares to pay the exercise price of a Stock Option as it considers appropriate for tax, legal, business, or accounting reasons. No one has the rights of a shareholder with respect to Shares subject to a Stock Option until a certificate representing those Shares has been delivered to the person exercising the Stock Option.

4.6 EXERCISE CONDITIONS. A Stock Option expires and ceases to be exercisable on the 90th day after the Participant to whom it was granted ceases to be an Employee or non-employee Director, except as otherwise provided in this Plan and in the Option Agreement. If a Participant's employment with the Company or a Subsidiary is terminated (voluntarily or involuntarily), the Participant may exercise her or his Stock Option within 90 calendar days following the date of termination of employment. If a Participant dies or ceases to be an Employee or non-employee Director because of a disability at a time when the Participant is entitled to exercise a Stock Option, the Stock Option will continue to be exercisable for one year after the Participant's death or

disability by the Participant or the Participant's guardian (in the case of disability) or the Participant's heir or personal representative (in the case of death). Notwithstanding the foregoing, a Stock Option is never exercisable later than its stated expiration date. After the death, disability, or termination of employment of a Participant, a Stock Option of the Participant will be exercisable only with respect to the number of Shares (if any) that could have been exercised as of the date when the Participant ceased to be an Employee or non-employee Director (subject to any adjustment required by Section 6.1). A Stock Option will terminate to the extent that it ceases to be exercisable for any of the Shares subject to it.

4.7. NONTRANSFERABILITY OF STOCK OPTIONS. Except to the extent provided in the Option Agreement, a Participant is prohibited from transferring a Stock Option, any interest in it, or any right under an Option Agreement by any means other than by will or the law of descent and distribution. Any prohibited transfer (whether by gift, sale, pledge, assignment, hypothecation, or otherwise) will be invalid and ineffective as to the Company. In addition, a Stock Option and the Participant's rights under it and the related Option Agreement are not subject to any lien, levy, attachment, execution, or similar process by creditors. The Company may cancel any Stock Option by notice to the Participant to whom it was granted, if the Participant attempts to make a prohibited transfer, or if the Stock Option, any interest in it, or any right under the related Option Agreement becomes subject to a lien, levy, attachment, execution, or similar process by any creditor.

ARTICLE V

RESTRICTED STOCK

5.1 GRANT OF RESTRICTED STOCK. Subject to the terms and provisions of the Plan, the Administrative Committee, at any time and from time to time, may grant Shares of Restricted Stock under the Plan to such Participants and in such amounts as it shall determine. Unless required by applicable law, Participants receiving Restricted Stock grants shall not be required to pay the Company for such Restricted Stock (except for applicable tax withholding) other than the rendering of services and/or until other conditions are satisfied as determined by the Administrative Committee in its sole discretion.

5.2 STOCK RESTRICTION AGREEMENT. Each Restricted Stock grant shall be evidenced by a Stock Restriction Agreement that will specify the Period of Restriction, the conditions which must be satisfied prior to removal of the restriction, the number of Shares of Restricted Stock granted, and such other provisions as the Administrative Committee shall determine.

5.3 OTHER RESTRICTIONS. The Administrative Committee shall impose such other restrictions on any Shares of Restricted Stock granted pursuant to the Plan as it may deem advisable including, without limitation, performance criteria, forfeiture provisions, additional or different vesting conditions, and restrictions under applicable federal or state securities laws, and may legend the certificates representing Restricted Stock to give appropriate notice of such restrictions. Alternatively, the Administrative Committee, in its sole discretion, may have Shares of Restricted Stock issued without legend and held by the Secretary of the Company until such time that all restrictions are satisfied.

5.4 CERTIFICATE LEGEND. In the event that the Administrative Committee elects to legend the certificates representing Restricted Stock, and in addition to any legends placed on certificates pursuant to Section 5.3, each certificate representing Shares of Restricted Stock granted pursuant to the Plan shall bear a legend in substantially the following form:

The sale or other transfer of the shares represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the SRI/Surgical Express, Inc. 2009 Stock Compensation Plan, effective March 27, 2009 and in a Stock Restriction Agreement dated _____ between the Company and the holder. A copy of the Plan and Stock Restriction Agreement may be obtained from the Secretary of SRI/Surgical Express, Inc.

5.5 REMOVAL OF RESTRICTIONS. Except as otherwise provided in this Article V, Shares of Restricted Stock granted under the Plan shall become freely transferable by the Participant after the last day of the applicable Period of Restriction and/or upon the satisfaction of other conditions as determined by the Administrative Committee in its sole discretion. Once the Shares of Restricted Stock are released from all restrictions, the Participant will be entitled to have removed any legend that may have been placed on the certificates representing such Shares pursuant to Sections 5.3 and 5.4.

5.6 VOTING RIGHTS. During the Period of Restriction, Participants in whose name Shares of Restricted Stock are granted under the Plan may exercise full voting rights with respect to those Shares.

5.7 DIVIDENDS AND OTHER DISTRIBUTIONS. During the Period of Restriction, Participants in whose name Shares of Restricted Stock are granted shall be entitled to receive all dividends and other distributions paid with respect to those Shares. If any such dividends or distributions are paid in Shares, such Shares shall be subject to the same restrictions on transferability as the Shares of Restricted Stock with respect to which they were distributed, and the Shares shall be so legended.

5.8 TERMINATION. Except as otherwise provided in this Plan and in the Stock Restriction Agreement, if a Participant's employment with the Company is terminated by either the Participant or the Company, then all of that Participant's Shares of Restricted Stock which remain subject to restriction on the date of termination shall be forfeited. Notwithstanding the foregoing, (a) if a Participant dies during any applicable Period of Restriction, that Participant's Shares of Restricted Stock which remain subject to restriction shall become fully vested effective as of the date of death, and (b) if a Participant ceases to be an Employee or non-employee Director because of a disability during any applicable Period of Restriction, that Participant's Shares of Restricted Stock which remain subject to restriction shall not be forfeited, and shall continue to vest according to the terms of this Plan and the Stock Restriction Agreement.

5.9 NONTRANSFERABILITY OF RESTRICTED STOCK. Except as provided in this Article V or to the extent provided in the Stock Restriction Agreement, a Participant is prohibited from transferring a Share of Restricted Stock, any interest in it, or any right under a Stock Restriction Agreement by any means other than by will or the law of descent and distribution. Any prohibited transfer (whether by gift, sale, pledge, assignment, hypothecation, or otherwise) will be invalid and ineffective as to the Company. In addition, a Share of Restricted Stock and the Participant's rights under it and the related Stock Restriction Agreement are not subject to any lien, levy, attachment, execution, or similar process by creditors. The Company may cancel any Share of Restricted Stock by notice to the Participant to whom it was granted, if the Participant attempts to make a prohibited transfer, or if the Share of Restricted Stock, any interest in it, or any right under the related Stock Restriction Agreement becomes subject to a lien, levy, attachment, execution, or similar process by any creditor.

ARTICLE VI

ADDITIONAL PROVISIONS

6.1 ADJUSTMENTS FOR CORPORATE TRANSACTIONS. The Administrative Committee may determine that a corporate transaction has occurred affecting the Shares such that an adjustment or adjustments to outstanding Awards is required to preserve (or prevent the enlargement of) the benefits or potential benefits intended at the Date of Grant. For this purpose, a corporate transaction includes, but is not limited to, a dividend or other distribution (whether in the form of cash, common stock, securities of a subsidiary of the Company, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction. In the event of such a corporate transaction, the Administrative Committee may, in the manner that the Administrative Committee deems equitable, adjust (i) the number and kinds of Shares that may be awarded under the Plan; (ii) the number and kinds of Shares subject to outstanding Awards; and (iii) the exercise price of outstanding Stock Options.

6.2 CHANGE IN CONTROL.

(a) Generally. Subject to paragraph (b) of this Section 6.2, if a Change in Control occurs, (i) all Shares of Restricted Stock which remain subject to restriction shall become fully vested and (ii) all outstanding Stock Options will become fully vested and exercisable as of the earlier of the effective date of the shareholder approval or the effective date of any Change in Control transaction. In the event of a Change in Control, the Board of Directors may elect, in its sole discretion, to cancel any outstanding Stock Options or Restricted Stock and pay or deliver, or cause to be paid or delivered, to the Participant an amount in cash or securities having a value (as determined by the Board of Directors acting in good faith), in the case of each Share of Restricted Stock, equal to the formula or fixed price per share paid to holders of Shares and, in the case of Stock Options, equal to the product of the number of Shares subject to the Stock Option multiplied by the amount, if any, by which (i) the formula or fixed price per share paid to holders of Shares pursuant to the transaction exceeds (ii) the exercise price applicable to the Shares subject to the Stock Option. The Company shall send written notice of a transaction or event that will result in such a termination to all Participants not later than the time at which the Company notifies its shareholders of the applicable transaction or event.

(b) Special Rules Governing Mergers and Stock Exchanges. In the case of a merger, share exchange, or other transaction in which the shareholders of the Company receive securities of the acquirer, at the election of the Board of Directors, the Company may (but is not obligated to) elect to continue this Plan, in which case (i) each Share of Restricted Stock will be converted into restricted securities of the acquirer being issued in the transaction based on the applicable exchange or conversion ratio and (ii) each Stock Option granted under the Plan will be converted into an option to purchase securities of the acquirer being issued in the transaction. In such case, the exercise price and number of Shares subject to the Stock Option will be adjusted based on the exchange or conversion ratio (the Ratio) used to convert Shares into securities of the acquirer. The adjusted exercise price will be the exercise price per Share, divided by the Ratio. The adjusted number of Shares subject to the Stock Option will be the product of the Ratio multiplied by the number of Shares subject to the Stock Option before the transaction.

6.3 TAX WITHHOLDING. When a Participant is granted Shares of Restricted Stock or exercises a Stock Option, the Administrative Committee, in its sole discretion, may require the Participant to pay to the Company the amount (if any) that the Company considers necessary to satisfy its legal obligation to withhold any local, state, or federal taxes (including FICA, income, and Medicare taxes) imposed by any governmental authority as a result of the issuance of the Shares or the exercise of the Stock Option, and the Company may defer delivery of any Shares so issued until it has been paid or indemnified to its satisfaction for those taxes. A Participant may pay to the Company any requisite tax withholding by (a) in the case of a Restricted Stock grant, (i) requesting that the Company withhold from the Shares to be delivered Shares sufficient to satisfy all or a portion of such tax withholding requirements or (ii) by bank draft, money order, or personal check payable to the order of the Company, or (b) in the case of a Stock Option exercise, any of the methods of payment authorized for payment of the exercise price for Shares purchased pursuant to the Stock Option. In addition, the Company shall be entitled at any other time to require payment in cash from a Participant or deduction from other compensation payable to the Participant of any amount required to satisfy any tax withholding obligations with respect to the Participant's Award. If a Restricted Stock grant or an exercise of a Stock Option does not give rise to any tax withholding obligation on the date of the grant or exercise but is reasonably expected to do so at a future time, the Administrative Committee (in its sole discretion) may require the Participant to place some or all of the Shares in escrow for the benefit of the Company until tax withholding is required for the amounts included in the Participant's gross income as a result of the Participant's Restricted Stock grant or exercise of the Stock Option. At that time, the Administrative Committee (in its discretion) may require the Participant to pay to it an amount that it considers sufficient to satisfy the tax withholding obligation incurred by it as a result of the Participant's Restricted Stock grant or exercise of the Stock Option, in which case the Company shall promptly release to the Participant the escrowed Shares.

6.4 RESERVATION, LISTING, AND DELIVERY OF SHARES. The Company shall reserve from its authorized but unissued Shares and keep available until the termination of this Plan, solely for issuance upon the grant of Restricted Stock or exercise of Stock Options, the number of Shares issuable at any time pursuant to the grant of Restricted Stock or exercise of Stock Options granted or available for grant under this Plan. In addition, the Company shall take all requisite action to assure that it validly and legally may issue fully-paid, nonassessable Shares upon the grant of Restricted Stock or exercise of each Stock Option. Also, if the Shares are traded in the Nasdaq Stock Market or on any United States national securities exchange, the Company, at its sole expense, shall reserve for quotation or listing on that market or exchange, upon official notice of issuance pursuant to the grant of Restricted Stock or exercise of Stock Options, the number of Shares issuable at any time upon the grant of Restricted Stock or exercise of Stock Options granted or available for grant under this Plan, and the Company shall maintain that listing until this Plan terminates. Promptly after Restricted Stock is granted or a Stock Option is validly exercised, the Company shall issue and deliver to the order of the Participant a stock certificate representing that number of fully-paid and nonassessable Shares that were granted or purchased, plus, instead of any fractional Share to which that person otherwise would be entitled, a cash sum equal to the product of (a) that fraction, multiplied by (b) the Market Value of one full Share as of the grant date or exercise date, as the case may be. The Company shall pay all costs and excise taxes associated with the original issuance of stock certificates representing the Shares issued.

6.5 LEGAL COMPLIANCE. Stock Options are exercisable, and Shares are issuable under this Plan, only in compliance with all applicable state and federal laws and regulations (including securities laws) and the rules of all stock markets or exchanges on which the Shares are quoted or listed for trading. Any certificate representing Shares issued under the Plan will bear such legends and statements as the Administrative Committee considers advisable to assure compliance with those laws, rules, and regulations. In addition, the Administrative Committee may require a Participant, as a condition to the grant of Restricted Stock or grant or exercise of a Stock Option, to provide to the Company any agreements, representations, and warranties that, in the opinion of counsel for the Company, are desirable or necessary to comply with applicable laws and all rules and regulations of any stock market or exchange on which the Shares are traded or quoted, including a representation that the Shares granted or Shares issuable pursuant to exercise of the Stock Option are or will be acquired for investment purposes without a view to distribute them to others. A grant of Restricted Stock is not effective and a Stock Option is not exercisable, and the Company shall not issue any Shares under this Plan, until the Company has obtained any consent or approval required from any state or federal regulatory body having jurisdiction. Upon the transfer of Restricted Stock or exercise of a Stock Option by an heir, guardian, or personal representative of a Participant, the Administrative Committee may require reasonable evidence of the person's legal ownership of the Restricted Stock or Stock Option and any consents and releases of governmental authorities as it determines are advisable.

6.6 AMENDMENT AND TERMINATION. The Board of Directors may alter, amend, suspend, or terminate this Plan at any time without approval of the Company's shareholders, unless the approval of the Company's shareholders is required to comply with applicable law or any rule or regulation of a stock market or exchange on which the Shares are traded or quoted. An amendment or termination of this Plan, whether with or without the approval of the Company's shareholders, that would adversely affect any right or obligation of a Participant under an outstanding Award will not be valid or effective as to that Award without that Participant's written consent; provided that the Administrative Committee or the Board of Directors shall have the right to amend this Plan and any outstanding Awards or adopt other policies and procedures applicable to this Plan and Awards (including with retroactive effect) without Participant consent as may be necessary or appropriate to comply with the requirements of Section 409A of the Internal Revenue Code or an exemption thereto. No action may be taken by the Board of Directors or the Administrative Committee without the approval of the shareholders that would, except as expressly provided in Section 6.1, materially increase the number of Shares that may be issued under the Plan.

6.7 EXPENSES AND PROCEEDS. The Company shall pay all expenses of the Plan. The Company may use the cash proceeds received from Participants upon the exercise of Stock Options for general corporate purposes.

6.8 SECTION 16(b) EXEMPTIONS. With respect to Participants subject to section 16(b) of the Exchange Act, transactions under this Plan are intended to comply with all applicable conditions of SEC Rules 16b-3 and 16b-6 and any rule promulgated by the Securities and Exchange Commission under the Exchange Act in substitution for either of those rules. To the extent any provision of this Plan or action by the Administrative Committee fails to so comply, it shall be null and void to the extent permitted by law and determined by the Administrative Committee. In furtherance of the foregoing objective, the Administrative Committee may include in a Stock Restriction Agreement or an Option Agreement with a Participant who is subject to section 16 of the Exchange Act any additional conditions or restrictions that are required to qualify the grant of Restricted Stock or grant and exercise of the Stock Option for exemption under Rules 16b-3 and 16b-6 or any future rule providing an exemption for such grant of Restricted Stock or grant and exercise of stock options.

6.9 INTERNAL REVENUE CODE SECTION 162(m) PROVISIONS.

(a) Notwithstanding any other provision of the Plan, if the Administrative Committee determines at the time an Award is granted to a Participant who is then an officer that such Participant is, or is likely to be as of the end of the tax year in which the Company would ordinarily claim a tax deduction in connection with such Award, a Covered Employee, then the Administrative Committee may provide that this Section 6.9 is applicable to such Award.

(b) If an Award is subject to this Section 6.9, then the lapsing of restrictions thereon and the distribution of cash, Shares, or other property pursuant thereto, as applicable, shall be subject to the achievement of one or more objective performance goals established by the Administrative Committee, which shall be based on the attainment of specified levels of one or any combination of the following: revenues, cost reductions, operating income, income before taxes, net income, adjusted net income, earnings per share, adjusted earnings per share, operating margins, working capital measures, return on assets, return on equity, return on invested capital, cash flow measures, market share, shareholder return or economic value added of the Company or the Affiliate or division of the Company for or within which the Participant is primarily employed. Such performance goals also may be based on the achievement of specified levels of Company performance (or performance of an applicable Affiliate or division of the Company) under one or more of the measures described above relative to the performance of other corporations. Such performance goals shall be set by the Administrative Committee within the time period prescribed by, and shall otherwise comply with the requirements of, Section 162(m) of the Internal Revenue Code, or any successor provision thereto, and the regulations thereunder.

(c) With respect to any Award that is subject to this Section 6.9, the Administrative Committee may adjust downwards, but not upwards, the amount payable pursuant to such Award, and the Administrative Committee may not waive the achievement of the applicable performance goals, except in the case of the death or disability of the Participant, or under such other conditions where such waiver will not jeopardize the treatment of other Awards under this Section as performance-based compensation under Section 162(m) of the Internal Revenue Code.

(d) The Administrative Committee shall have the power to impose such other restrictions on Awards subject to this Section 6.9 as it may deem necessary or appropriate to ensure that such Awards satisfy all requirements for performance-based compensation within the meaning of Section 162(m)(4)(C) of the Internal Revenue Code, or any successor provision thereto.

6.10 DURATION AND EFFECTIVE DATE. This Plan will become effective as of March 27, 2009, subject to approval by the Company's shareholders within 12 months after that date, and will terminate on the tenth anniversary of its effective date. The Company is not authorized to grant any Awards until this Plan receives approval of the Company's shareholders or after the termination date of this Plan.
