This procedure reduces the Company's printing costs, mailing costs and fees. All stockholders have the ability to

access the 2009 Annual Meeting materials on the website referred to in the Notice. If you would like to receive a separate copy of the Notice, please submit your request to:

Stockholders who hold shares in an account at a brokerage firm, bank or similar organization may contact their brokerage firm, bank or other similar organization to request information about householding.

Q: What does it mean if I get more than one Notice?

The Board recommends a vote **FOR** the ratification of Deloitte & Touche LLP as our independent auditors for the year ending December 31, 2009.

The Board recommends a vote **FOR** the approval of the American Apparel, Inc. Incentive Compensation Plan.

Q: Who is entitled to vote?

A: Only holders of record of common stock (the Common Stock) of the Company as of the close of business on April 28, 2009 (the Record Date) are entitled to vote at the Annual Meeting.

If your shares are held in an account at a brokerage firm, bank or similar organization, that organization is considered the record holder for purposes of voting at the Annual Meeting and will provide you with instructions on how to direct that organization to vote your shares. See

What if my shares are held in an account at a brokerage firm, bank or similar organization? below.

Q: How many shares can vote?

A: As of the Record Date, April 28, 2009, _____ shares of Common Stock, the only outstanding voting securities of the Company, were issued and outstanding. Each record holder of Common Stock is entitled to one vote for each share held.

Q: How do I vote?

A: There are four ways to vote:

Voting in Person. To vote in person, you must attend the Annual Meeting and follow the procedures for voting announced at the Annual Meeting. If your shares are held in an account at a brokerage firm, bank or similar organization, you must present a signed proxy from that organization in order to be able to vote at the Annual Meeting.

Voting by Internet. You may vote by proxy over the Internet by following the instructions provided in the Notice.

Voting by Telephone. If you requested a printed copy of the 2009 Annual Meeting materials, you may vote by proxy by calling the toll free number found on the proxy card or voting instruction form, as applicable.

Voting by Mail. If you requested a printed copy of the 2009 Annual Meeting materials, you may vote by proxy by mail by following the instructions on the proxy card or voting instruction form, as applicable.

Q: Can I mark my votes on the Notice and send it back to the Company or my broker?

A: No. The Notice is not a ballot. You cannot use it to vote your shares. If you mark your vote on the Notice and send it back to the Company or your broker, your vote will not count.

Q: Can I change my vote after I have voted?

A: You may revoke your proxy and change your vote at any time before the final vote at the Annual Meeting by voting again by proxy as described above (only your latest, properly completed proxy submitted, whether by mail, telephone or the Internet, prior to the Annual Meeting will be counted) or by attending the Annual Meeting and voting in person. However, your attendance at the Annual Meeting will not automatically revoke your proxy unless you vote again at the Annual Meeting or specifically request in writing that your prior proxy be revoked by delivering to the Company's Secretary at 747 Warehouse Street, Los Angeles, California 90021 a written notice of revocation prior to the Annual Meeting.

Q: What if my shares are held in an account at a brokerage firm, bank or similar organization?

A: If your shares are held in an account at a brokerage firm, bank or similar organization, then you are the beneficial owner of shares held in street name, and the Notice was forwarded to you by that organization. The organization holding your account is considered the record holder for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct that organization on how to vote the shares held in your account, and that organization will provide you with instructions on how to do so. If you requested a printed copy of the 2009 Annual Meeting materials, you will receive a voting instruction form from your brokerage firm, bank or similar organization instead of a proxy card, and you should follow the instructions on the voting instruction form.

If you do not provide the organization that holds your shares with specific voting instructions, under the rules of the NYSE Amex LLC (the NYSE Amex) in effect as of the date of this Proxy Statement, that organization generally may vote on routine matters but cannot vote on non-routine matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, that organization will inform the inspector of elections that it does not have the authority to vote on that matter with respect to your shares. This is generally referred to as a broker non-vote. A broker non-vote will have the effects described under What is a quorum? and What is required to approve each proposal? below.

Q: What is a quorum?

A: A quorum is a majority of the outstanding shares entitled to vote, present in person or represented by proxy. Abstentions and broker non-votes will be counted for purposes of determining whether a quorum is present.

Q: What is required to approve each proposal?

A: A quorum must have been established in order to consider any matter.

For Proposal 1, directors are elected by a plurality of votes cast. Therefore, the three candidates for director receiving the most votes will become directors of the Company. Stockholders may not cumulate their votes. Any broker non-votes and any proxies marked *Withhold* with respect to the election of one or more directors will not count as votes cast with respect to the director or directors indicated and therefore will be disregarded for purposes of determining the outcome of this proposal.

Proposal 2, the ratification of our independent auditors, requires the affirmative for vote of a majority of those shares present in person or represented by proxy and entitled to vote on this proposal at the Annual Meeting. Any broker non-votes with respect to this proposal will not count as shares entitled to vote on this proposal and therefore will be disregarded for purposes of determining the outcome of the vote on this proposal. Any abstentions with respect to this proposal will count as votes against this proposal.

Proposal 3, the approval of the issuance of shares of Common Stock upon exercise of the Lion Warrant at a price less than the floor price if the anti-dilution provisions of the Lion Warrant so require, requires the affirmative for vote of a majority of votes cast. Any broker non-votes or abstentions with respect to this proposal will not count as votes cast and therefore will be disregarded for purposes of determining the outcome of the vote on this proposal.

Proposal 4, the approval of the American Apparel, Inc. Incentive Compensation Plan, requires the affirmative for vote of a majority of votes cast. Any broker non-votes or abstentions with respect to this proposal will not count as votes cast and therefore will be disregarded for purposes of determining the outcome of the vote on this proposal.

Under the terms of the Investment Voting Agreement (described under Proposal 1 below), Dov Charney, the beneficial owner of approximately 52.6% of the outstanding shares of Common Stock and voting power of the Company as of April 13, 2009, has agreed to vote his shares of Common Stock in favor of the election of Messrs. Capps and Richardson to the Board of Directors. Mr. Charney's vote is sufficient to elect Messrs. Capps and Richardson without further affirmative votes from the other stockholders. For more information on shares owned by Mr. Charney and other directors and executive officers of the Company, see *Beneficial Ownership of Shares* herein.

In addition, Mr. Charney has informed the Company that he intends to vote in favor of the election of Mr. Kowalewski, and his vote is sufficient to elect Mr. Kowalewski without further affirmative votes from the other stockholders.

In addition, Mr. Charney has informed the Company that he intends to vote in favor of Proposals 2, 3 and 4, and his vote is sufficient to approve such proposals without further affirmative votes from the other stockholders.

Q: How will voting on any other business be conducted?

A: Although we do not know of any business to be considered at the Annual Meeting other than the proposals described in this Proxy Statement, if any other business is presented at the Annual Meeting, your signed proxy or your authenticated Internet or telephone proxy, will give authority to each of Dov Charney, our Chairman, President and Chief Executive Officer, Adrian Kowalewski, our Executive Vice President and Chief Financial Officer, and Glenn A. Weinman, our Senior Vice President, General Counsel and Secretary to vote on such matters at his discretion.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors?

A: You may submit proposals, including director nominations, for consideration at future stockholder meetings as follows:

Stockholder Proposals: For a stockholder proposal to be considered for inclusion in the Company's proxy statement for the 2010 Annual Meeting of Stockholders, the written proposal must be delivered to or mailed and received by the Secretary of the Company at our principal executive offices no later than _____, 2010. If the date of the 2010 Annual Meeting of Stockholders is moved more than 30 days before or after the anniversary date of the Annual Meeting, the deadline for inclusion of proposals in our proxy statement instead will be a reasonable time before we begin to print and mail our proxy materials. Such proposals also will need to comply with Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the Exchange Act), regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Proposals should be addressed to:

Not earlier than the close of business on the 90th day prior to the 2010 Annual Meeting of Stockholders; and

Not later than the close of business on the 60th day prior to the 2010 Annual Meeting of Stockholders.

If less than 70 days notice or prior public disclosure of the date of the 2010 Annual Meeting of Stockholders is given or made to stockholders, then notice of a stockholder proposal that is not intended to be included in the Company's proxy statement under Rule 14a-8 under the Exchange Act must be received no later than the close of business on the tenth day following the date on which notice of the date of the 2010 Annual Meeting of Stockholders is mailed to the stockholders or the date on which public disclosure of the date of the 2010 Annual Meeting of Stockholders is made, whichever is first.

Nomination of Director Candidates: You may propose director candidates for consideration by the Board's Nominating and Corporate Governance Committee in accordance with the procedures set forth in the Bylaws, as summarized under the caption Corporate Governance and Board Matters Consideration of Director Nominees Stockholder Nominees herein.

Copy of Bylaw Provisions: You may contact the Company's Secretary at our principal executive offices for a copy of the relevant Bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

Q: How is the Company soliciting proxies for the Annual Meeting?

A: This solicitation is made via the Internet on behalf of the Board of Directors. Costs of the solicitation will be borne by the Company. Further solicitation of proxies may be made by telephone, mail, facsimile or personal interview by the directors, officers and employees of the Company and its affiliates, who will not receive additional compensation for the solicitation. The Company will reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in forwarding proxy materials to stockholders.

Q: How can I find the voting results of the Annual Meeting?

A: We intend to announce preliminary voting results at the Annual Meeting and will publish final results in our Quarterly Report on Form 10-Q for the fiscal quarter ending on June 30, 2009.

Q: How may I communicate with the Company's Board or the non-management directors on the Company's Board?

Each of the Class B Nominees has consented to being named in this Proxy Statement and has agreed to serve as a member of the Board of Directors if elected. If any of the Class B Nominees is unable to serve, which is not anticipated, the persons named as proxies intend to vote for such other person or persons as the Board of Directors may designate in accordance with the Investment Agreement and the Investment Voting Agreement described below. In no event will the shares represented by the proxies be voted for more than three nominees for Class B directors at the Annual Meeting.

Lion's right to designate Investor Directors and a Board Observer is subject to maintaining certain minimum ownership thresholds of shares issuable under the Lion Warrant. Lion has designated Jacob Capps and Neil Richardson as its Investor Directors.

Pursuant to the Investment Voting Agreement, for so long as Lion has the right to designate any person or persons to the Board of Directors, Mr. Charney has agreed to vote his shares of Common Stock in favor of Lion's designees, provided that Mr. Charney's obligation to so vote terminates if he owns less than 6,000,000 shares of Common Stock (which number will be adjusted appropriately to take into account any stock split, reverse stock split or similar transaction). In addition, pursuant to the Investment Voting Agreement, for so long as Lion has the right to designate any person or persons to the Board of Directors, Lion has agreed to vote its shares of Common Stock in favor of Mr. Charney, provided that Lion's obligation to so vote terminates if either (i) Mr. Charney beneficially owns less than 27,900,000 shares of Common Stock (which number will be adjusted appropriately to take into account any stock split, reverse stock split or similar transaction) or (ii) (A) Mr. Charney is no longer employed on a full-time basis by the Company or any subsidiary of the Company and (B) Mr. Charney is in material breach of the non-competition and non-solicitation covenants contained in the Acquisition Agreement, as extended by a letter agreement, dated March 13, 2009, between Mr. Charney and Lion.

Vote Required

The Class B Nominees will be elected by a plurality of the votes cast as the Annual Meeting. **Unless instructed to the contrary in the proxy, the shares represented by the proxies will be voted FOR the election of the Class B Nominees named above.**

Pursuant to the agreements described above, Mr. Charney, the beneficial owner of approximately 52.6% of the outstanding shares of Common Stock and voting power of the Company as of April 13, 2009, has agreed to vote his shares of Common Stock in favor of the election of Messrs. Capps and Richardson to the Board of Directors. Mr. Charney's vote is sufficient to elect Messrs. Capps and Richardson without further affirmative votes from the other stockholders.

In addition, Mr. Charney has informed the Company that he intends to vote in favor of the election of Mr. Kowalewski, and his vote is sufficient to elect Mr. Kowalewski without further affirmative votes from the other stockholders. For more information on shares owned by Mr. Charney and other directors and executive officers of the Company, see Beneficial Ownership of Shares herein.

Any broker non-votes and any proxies marked Withhold with respect to the election of one or more directors will not count as votes cast with respect to the director or directors indicated and therefore will be disregarded for purposes of determining the outcome of the election of the Class B Nominees.

The Board of Directors unanimously recommends a vote FOR each of the Class B Nominees.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has selected the firm of Deloitte & Touche LLP (Deloitte) to act as the Company s independent auditors for the fiscal year ending December 31, 2009, and recommends that the stockholders vote in favor of such appointment.

Change in Accountants

Effective April 3, 2009, the Audit Committee of the Board of Directors (the Audit Committee) of the Company appointed Deloitte as the Company s independent registered public accounting firm for the year ending December 31, 2009, and dismissed Marcum & Kliegman LLP (M&K) as the Company s independent registered public accounting firm. Deloitte accepted the engagement as the Company s independent registered public accounting firm for the fiscal year ending December 31, 2009 on April 6, 2009. M&K did not perform any audit or review services for the Company subsequent to the issuance of its audit report dated March 16, 2009 (which was included in the Annual Report), with respect to the Company s financial statements for the year ended December 31, 2008.

As described below, the change in independent registered public accounting firms is not the result of any disagreement with M&K.

During the years ended December 31, 2008 and December 31, 2007, and during the subsequent interim period from January 1, 2009 through April 3, 2009, the Company had no disagreements with M&K on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure that, if not resolved to M&K s satisfaction, would have caused M&K to make reference to the subject matter thereof in connection with its report on the Company s consolidated financial statements for either of such years.

M&K s audit report dated March 16, 2009 (which was included in the Annual Report) on the Company s consolidated financial statements as of, and for the years ended, December 31, 2008 and December 31, 2007, did not contain an adverse opinion or a disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope, or accounting principles.

During the years ended December 31, 2008 and December 31, 2007, and during the subsequent interim period from January 1, 2009 through April 3, 2009, there were no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K), except that (i) in M&K s report dated March 16, 2009 (which was included in the Annual Report) on the Company s internal control over financial reporting as of December 31, 2008, M&K expressed an adverse opinion on the effectiveness of the Company s internal control over financial reporting due to the existence of the material weaknesses identified and described in Management s Report on Internal Control Over Financial Reporting under Item 9A in the Annual Report; and (ii) M&K discussed with the Audit Committee the existence of the material weaknesses in the Company s internal control over financial reporting identified and described in Internal Control Over Financial Reporting under Item 9A in the Company s Annual Report on Form 10-K for the year ended December 31, 2007, filed with the SEC on March 17, 2008.

In accordance with Item 304(a)(3) of Regulation S-K, the Company provided M&K with a copy of the disclosures it made in the Company s Amendment No. 1 to Current Report on Form 8-K filed on April 10, 2009 (the Current Report) prior to the time the Current Report was filed with the SEC. The Company requested that M&K furnish a letter addressed to the SEC stating whether or not it agrees with the statements made herein. A copy of M&K s letter dated April 10, 2009 was filed as Exhibit 16.1 to the Current Report.

During the years ended December 31, 2008 and December 31, 2007, and during the subsequent interim period from January 1, 2009 through April 3, 2009, respectively, neither the Company nor anyone acting on its behalf has consulted with Deloitte on any of the matters or events set forth in Item 304(a)(2) of Regulation S-K.

Deloitte LLP, a member firm of Deloitte Touche Tohmatsu that is based in the United Kingdom, has in the past provided, and may in the future provide, certain tax services to Lion Capital and its partners including preparing personal tax returns for Mr. Richardson and several other partners of Lion Capital and providing advice to Lion Capital and its affiliates regarding tax compliance and the structuring of transactions, in each case, where such services are permissible under the independence rules related to taxes promulgated by the Public Company Accounting Oversight Board. Currently, there are no plans for Messrs. Capps or Richardson to be members of any of the current Committees of the Board of Directors.

Although stockholder ratification of the selection of Deloitte as our independent auditors is not required by our Bylaws or otherwise, the Board of Directors believes it appropriate as a matter of policy to request that stockholders ratify the selection of the Company's independent registered public accounting firm. In the event the stockholders do not ratify the appointment of Deloitte, the Audit Committee will reconsider its appointment. In addition, even if the stockholders ratify the appointment of Deloitte, the Audit Committee may in its discretion appoint a different independent public accounting firm at any time if the Audit Committee determines that a change is in the best interests of the Company and its stockholders.

Representatives of Deloitte are expected to be present at the Annual Meeting to respond to appropriate questions and to make a statement if such representatives so desire. Representatives of M&K are not expected to be present at the Annual Meeting.

Vote Required

The affirmative vote of a majority of shares present in person or represented by proxy at the Annual Meeting and entitled to vote is required to ratify the selection of Deloitte as our independent auditors for the fiscal year ending December 31, 2009. **Unless instructed to the contrary in the proxy, the shares represented by the proxies will be voted FOR this Proposal 2.**

Dov Charney, the beneficial owner of approximately 52.6% of the outstanding shares of Common Stock and voting power of the Company as of April 13, 2009, has informed the Company that he intends to vote in favor of this Proposal 2, and his vote is sufficient to approve this Proposal 2 without further affirmative votes from the other stockholders. For more information on shares owned by Mr. Charney and other directors and executive officers of the Company, see Beneficial Ownership of Shares herein.

Any broker non-votes with respect to this Proposal 2 will not count as shares entitled to vote on this Proposal 2 and therefore will be disregarded for purposes of determining the outcome of the vote on this Proposal 2. Any abstentions with respect to this Proposal 2 will count as votes AGAINST this Proposal 2.

The Board of Directors unanimously recommends a vote FOR this Proposal 2.

RELATIONSHIP WITH INDEPENDENT AUDITORS
Principal Accounting Firm Fees

Aggregate fees billed to us for the fiscal years ended December 31, 2008 and 2007 by M&K, our independent auditors during such periods, are as follows. Amounts prior to December 12, 2007, the closing date of the Acquisition (as defined under Corporate Governance and Board Matters below), represent fees billed to Old American Apparel (as defined under Corporate Governance and Board Matters below) and our predecessor, Endeavor:

	American Apparel, Inc. (formerly known as Endeavor Acquisition Corp.) (dollars in thousands)		Old American Apparel
	2008	2007	2007 (through December 12, 2007)
Audit fees (1)	\$ 2,835	\$ 1,163	\$ 59
Audit related fees (2)		17	1,837
Tax fees (3)			8
All other fees (4)			
Total	\$ 2,835	\$ 1,180	\$ 1,904

- (1) Audit fees consist of fees for professional services rendered for the audit of the Company's annual financial statements included in Form 10-K, the review of financial statements included in Form 10-Qs and for services that are normally provided by the auditor in connection with statutory and regulatory filings or engagements.
- (2) Audit related fees consist of fees for services related to employee benefit plans, due diligence and other procedures performed on behalf of the Company relating to the Acquisition consummated on December 12, 2007 and assurance and similar services that are reasonably related to the performance of the audit or review of the Company's financial statements that are not reported under Audit fees.
- (3) Tax fees consist of fees for tax compliance, tax advice and tax planning.
- (4) All other fees consist of fees for any services not included in the first three categories.

In accordance with Section 10A(i) of the Exchange Act, before the Company engages its independent accountant to render audit or non-audit services, the engagement will be approved by our Audit Committee. The Audit Committee considered whether the provision of non-audit services provided by M&K during 2008 was compatible with maintaining M&K's independence. In addition to retaining M&K to audit and review our consolidated financial statements for 2008, the Company retained other accounting firms to provide tax and advisory services in 2008. M&K did not provide any tax or advisory services to the Company in 2008. The Company understands the need for its independent auditors to maintain objectivity and independence in its audit of the Company's financial statements.

The Audit Committee utilizes a policy pursuant to which the audit, audit-related, and permissible non-audit services to be performed by the independent auditor are pre-approved prior to the engagement to perform such services. Pre-approval is generally provided annually, and any pre-approval is detailed as to the particular service or category of services and is generally limited by a maximum fee amount. The independent auditor and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditor in accordance with this pre-approval, and the fees for the services performed to date.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee assists the Board in fulfilling its responsibilities for general oversight of the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the Company's system of internal control over financial reporting and the qualifications, independence and performance of the Company's internal audit function and independent auditor. Management is responsible for the financial reporting process, including the Company's system of internal control over financial reporting, and for the preparation of the Company's consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditor is responsible for performing an independent audit of the Company's financial statements and expressing an opinion as to the conformity of the Company's audited financial statements with generally accepted accounting principles.

The Audit Committee has reviewed and discussed with management the Company's audited financial statements. In addition, the Audit Committee has discussed with M&K the matters required to be discussed by Statement on Auditing Standards No. 61, as amended and adopted by the Public Company Accounting Oversight Board in Rule 3200T, pertaining to communications with audit committees. The Audit Committee has also received the written disclosures and the letter from M&K required by applicable requirements of the Public Company Accounting Oversight Board regarding M&K's communications with the Audit Committee concerning independence and has discussed with M&K its independence.

The Audit Committee has met with M&K, with and without management present, to discuss the overall scope of its audit, the results of its examinations, its evaluations, if any, of the Company's internal control over financial reporting, and the overall quality of the Company's financial reporting.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008 for filing with the SEC.

By the Audit Committee,

PROPOSAL 3: APPROVAL OF THE ISSUANCE OF SHARES OF COMMON STOCK UPON EXERCISE OF THE LION WARRANT AT A PRICE LESS THAN THE FLOOR PRICE IF THE ANTI-DILUTION PROVISIONS OF THE LION WARRANT SO REQUIRE

Description of the Lion Transaction

On March 13, 2009, the Company entered into a Credit Agreement (the Lion Credit Agreement) with Lion Capital (Guernsey) II Limited, a Guernsey limited company (LCGII), and an affiliate of LCGII pursuant to which the Company borrowed an aggregate principal amount of \$80 million. In connection with such transaction, on March 13, 2009, the Company issued to Lion a seven-year warrant (the Lion Warrant), which is exercisable at any time during its term, to purchase an aggregate of 16,000,000 shares of Common Stock at an exercise price of \$2.00 per share, subject to adjustment under certain circumstances. Also in connection with such transaction, on March 13, 2009, Lion entered into the Investment Agreement with the Company and the Investment Voting Agreement with Dov Charney, as further described under Proposal 1 above, and Mr. Charney entered into the agreements described below under Certain Relationships and Related Transactions Agreements Between Mr. Charney and Lion. On March 20, 2009, LCGII transferred and assigned all of its right, title and interest in such loans, agreements and the Lion Warrant to its affiliate, Lion.

The descriptions of the Lion transaction, the Lion Warrant, the Investment Agreement, the Investment Voting Agreement and the other transaction documents are qualified in their respective entireties by reference to the descriptions contained in the Current Report on Form 8-K filed by the Company with the SEC on March 16, 2009, and the documents filed as exhibits to such Current Report.

Description of the Lion Warrant s Anti-Dilution Adjustments

The Lion Warrant contains certain anti-dilution provisions which adjust the exercise price of the Lion Warrant and the number of shares of Common Stock for which the Lion Warrant is exercisable upon the occurrence of certain events. These events include if the Company takes the following actions (the Adjustment Events):

sells or issues additional shares of Common Stock without consideration or at a price per share that is lower than the closing price per share of the Common Stock on the last trading day immediately preceding the earlier of the date of announcement of such sale or issuance and the date on which the price for such sale or issuance is agreed or fixed; or

takes a record of the holders of its Common Stock for the purpose of entitling them to receive a distribution of, or in any manner (whether directly or by assumption in a merger in which the Company is the surviving corporation) issues or sells any evidences of indebtedness, shares of capital stock or other securities which are or may be at any time convertible into or exchangeable for additional shares of Common Stock, or any warrant, option or other right to subscribe for or purchase any additional shares of Common Stock or any such convertible security (collectively, Common Stock Equivalents), whether or not the rights to exchange or convert thereunder are immediately exercisable, and the price per share for which the Common Stock is issuable upon such conversion or exchange (including such price as it may thereafter be amended or adjusted) is less than the closing price per share of the Common Stock on the last trading day immediately preceding the earliest of such record date, the date of the announcement of such sale or issuance and the date on which the price of such sale or issuance (or amendment or adjustment, as applicable) is agreed or fixed, or if, after any such issuance of Common Stock Equivalents, the price per share for which additional shares of Common Stock may be issuable will be amended and adjusted, and the price so amended or adjusted will be less than the closing price per share of the Common Stock on the last trading day immediately preceding the date of such amendment or adjustment.

The Adjustment Events are subject to some exceptions in which an adjustment is not required, such as (i) for securities issued upon the exercise or conversion of exercisable or convertible securities outstanding as of the date of issuance of the Lion Warrant, including the warrant held by SOF Investments, L.P. Private IV to

purchase 1,000,000 shares of Common Stock issued in December 2008, and (ii) for issuances or grants pursuant to the Company's stock option plans, employee stock purchase plans or employment agreements if the price or exercise price per share is equal to or greater than the closing price of the Common Stock on the date of such issuance or grant.

Upon the occurrence of an Adjustment Event, both the number of shares of Common Stock for which the Lion Warrant is exercisable and the exercise price of the Lion Warrant will be adjusted as follows (the "Adjustments"):

Adjustment of Number of Shares of Common Stock

Number of shares of Common Stock for which the Lion Warrant is exercisable immediately after such sale or issuance	=	Number of shares of Common Stock for which the Lion Warrant is exercisable immediately prior to such sale or issuance	x	Number of shares of Common Stock outstanding immediately after such sale or issuance Number of shares of Common Stock which the aggregate consideration received for such sale or issuance would purchase at such per share market value <u>plus</u> number of shares of Common Stock outstanding immediately prior to such sale or issuance
---	---	---	---	---

Adjustment of Exercise Price

Exercise price of the Lion Warrant immediately after such sale or issuance	=	Exercise price of the Lion Warrant immediately prior to such sale or issuance	x	Number of shares of Common Stock issuable upon exercise of the Lion Warrant immediately before the preceding adjustment to the number of shares New number of shares of Common Stock issuable upon exercise of the Lion Warrant determined in accordance with the preceding adjustment to the number of shares
---	---	--	---	---

Description of the Lion Warrant's Floor Price Limitation

Edgar Filing: AMERICAN APPAREL, INC - Form PRER14A

The Lion Warrant provides that the Company will not enter into any transaction that would result in the exercise price being adjusted pursuant to the Adjustments described above less than a floor price of \$1.93 (the Floor Price), unless the Company obtains stockholder approval of the Adjustments and the corresponding issuance of the shares of Common Stock in accordance with the rules of the NYSE Amex described below.

Stockholder Approval

Section 713 of the NYSE Amex Company Guide requires stockholder approval for the sale, issuance, or potential issuance by an issuer, other than in a public offering, of common stock (or securities convertible into common stock) equal to 20% or more of the presently outstanding stock for a price that is less than the greater of book or market value of the stock. The Company is subject to NYSE Amex rules because its Common Stock is listed on NYSE Amex.

The issuance of the Lion Warrant did not require stockholder approval because the exercise price was in excess of the greater of book or market value of the Common Stock at the time of the closing of the Lion transaction. Stockholder approval of the Adjustments and the corresponding issuance of shares of Common Stock upon exercise of the Lion Warrant at a price less than the Floor Price is necessary because if, following an

Adjustment Event, the exercise price of the Lion Warrant is adjusted below the Floor Price, then, as described in more detail above, the price at which such Common Stock would be issued upon the exercise of the Lion Warrant would be below the greater of book or market value of the Common Stock as of the closing of the Lion transaction, and the number of shares of Common Stock issued upon the exercise of the Lion Warrant could be in excess of 20% of the outstanding shares (not taking into account the shares issuable upon exercise of the Lion Warrant) as of the closing of the Lion transaction. As described above, the Company has agreed not to enter into any such transaction unless the Company obtains stockholder approval of the Adjustments and corresponding issuance of the shares of Common Stock in accordance with the rules of the NYSE Amex.

Accordingly, the Company is seeking stockholder approval of the Adjustments and corresponding issuance of the shares of Common Stock upon exercise of the Lion Warrant at a price less than the Floor Price if the anti-dilution provisions of the Lion Warrant so require. Elimination of the Floor Price would provide the Company with the flexibility to issue in the future additional securities, even if that issuance would constitute an Adjustment Event and would cause the exercise price to be adjusted pursuant to the Adjustments to a price that is less than the Floor Price. In the event that this Proposal 3 is not approved by the stockholders, the Company may be limited in its ability to obtain future financing in that the Company would not be permitted to issue additional securities that would constitute an Adjustment Event if that issuance were to cause the exercise price to be adjusted pursuant to the Adjustments to a price that is less than the Floor Price.

Effect of Approval of this Proposal on Current Stockholders

The total number of shares of Common Stock currently issuable upon exercise of the Lion Warrant is 16,000,000, representing approximately 18% of the outstanding shares of Common Stock (after giving effect to the issuance of such shares). As of April 13, 2009, the Lion Warrant had not been exercised and, accordingly, no shares of Common Stock have been issued under the Lion Warrant.

If an Adjustment Event were to occur, the exercise price of the Lion Warrant would be adjusted and, in addition, the number of shares of Common Stock issuable upon exercise of the Lion Warrant would be adjusted. However, the Company has agreed in the Investment Agreement not to enter into any such transaction if such adjustment would result in the exercise price being adjusted to below the Floor Price unless the Company obtains stockholder approval of the Adjustments and corresponding issuance of the shares of Common Stock in accordance with the rules of the NYSE Amex. If this Proposal 3 is approved, the Company would be permitted to engage in any such transaction, which could result in an adjustment of the exercise price of the Lion Warrant below the Floor Price and an increase in the number of shares of Common Stock issuable upon exercise of the Lion Warrant. As a result, the same or a greater number of shares could be issuable upon a future exercise of the Lion Warrant but at a lower exercise price, and this could result in dilution to the Company's stockholders.

For example, based upon 72,467,167 shares of Common Stock outstanding as of April 13, 2009, if the share price of the Common Stock declined to \$1.92 per share, and the Company issued 50,000,000 shares of Common Stock at a price of \$0.50 per share, the exercise price of the Lion Warrant and the number of shares of Common Stock for which the Lion Warrant is exercisable would be adjusted to \$1.40 and 22,921,049, respectively. The percentage dilution to stockholders other than Lion that would result from exercise of the Lion Warrant in this example would be approximately 15.8%.

Vote Required

A majority of votes cast at the Annual Meeting is required to approve the Adjustments and corresponding issuance of the shares of Common Stock upon exercise of the Lion Warrant at a price less than the Floor Price if the anti-dilution provisions of the Lion Warrant so require. **Unless instructed to the contrary in the proxy, the shares represented by the proxies will be voted FOR this Proposal 3.**

Dov Charney, the beneficial owner of approximately 52.6% of the outstanding shares of Common Stock and voting power of the Company as of April 13, 2009, has informed the Company that he intends to vote in favor of

this Proposal 3, and his vote is sufficient to approve this Proposal 3 without further affirmative votes from the other stockholders. For more information on shares owned by Mr. Charney and other directors and executive officers of the Company, see Beneficial Ownership of Shares herein.

Any broker non-votes or abstentions with respect to this Proposal 3 will not count as votes cast and therefore will be disregarded for purposes of determining the outcome of the vote on this Proposal 3.

The Board of Directors unanimously recommends a vote FOR this Proposal 3.

PROPOSAL 4: APPROVAL OF THE AMERICAN APPAREL, INC.

INCENTIVE COMPENSATION PLAN

On April 13, 2009, the Board of Directors approved the American Apparel, Inc. Incentive Compensation Plan (the Incentive Plan), under which certain cash awards are intended to qualify as performance-based compensation under Section 162(m) (Section 162(m)) of the Internal Revenue Code of 1986, as amended, subject to stockholder approval.

Section 162(m) disallows deductions for publicly-held corporations with respect to compensation in excess of \$1 million paid to the Chief Executive Officer and the Company s three most highly compensated other executive officers other than the Chief Financial Officer. However, compensation payable solely on account of attainment of one or more performance goals is not subject to the deduction limitation if: (i) the performance goals are objective, pre-established and determined by a compensation committee comprised solely of two or more outside directors; (ii) the material terms of the performance goals under which the compensation is to be paid are disclosed to the stockholders and approved by a majority vote; and (iii) the compensation committee certifies that the performance goals and other material terms were in fact satisfied before the compensation is paid. Each of (i), (ii) and (iii) are included in the description of the Incentive Plan below.

The Board of Directors believes that adoption of the Incentive Plan is in the best interests of the Company, its stockholders, and its employees and is necessary to meet the Company s objectives of attracting, motivating and retaining qualified employees and of tying a portion of compensation to Company performance. The stockholders are being asked to approve the Incentive Plan so that certain awards granted under the plan may qualify as performance-based compensation under Section 162(m).

Summary of the Material Terms of the Incentive Plan

The following is a brief description of the material features of the Incentive Plan. It does not purport to be complete and is qualified in its entirety by the full text of the Incentive Plan, which is attached hereto as Appendix A.

Administration

The Incentive Plan will be administered by the Compensation Committee, which consists, unless otherwise determined by the Board of Directors, of not fewer than two members who are outside directors within the meaning of Section 162(m). Except with respect to awards to certain executives that are intended to satisfy the requirements of Section 162(m), or as otherwise required for compliance with other applicable law, the Compensation Committee may delegate any or all of its authority under the Incentive Plan to any employee, including but not limited to, the Chief Executive Officer.

The Compensation Committee has the authority, in its sole discretion, subject to and not inconsistent with the express provisions of the Incentive Plan, to administer the Incentive Plan and to exercise all the powers and authorities either specifically granted under the Incentive Plan or necessary or advisable in the administration of the Incentive Plan, including, without limitation, the authority to grant awards; to determine the persons to whom and the time or times at which awards will be granted; to determine the terms, conditions, restrictions and performance criteria, including applicable performance goals and the performance period, relating to any award; to determine whether, to what extent, and under what circumstances an award may be settled, cancelled, forfeited, or surrendered; to construe and interpret the Incentive Plan and any award; to prescribe, amend and rescind rules and regulations relating to the Incentive Plan; and to make all other determinations deemed necessary or advisable for the administration of the Incentive Plan.

Eligibility

The Compensation Committee with respect to the executive officers of the Company, or an employee designated by the Compensation Committee solely with respect to non-executive officer employees of the Company, will designate the employees of the Company, if any, who will be eligible for awards under the Incentive Plan.

Performance Periods

The length of any performance period or periods will be determined by the Compensation Committee in its sole discretion.

Performance Goals

The payment of awards under the Incentive Plan may be based upon the attainment of (or a specified increase or decrease in) one or more of the following performance goals as determined by the Compensation Committee and applied to a participant under the Incentive Plan and/or a business unit, product line or subsidiary of the Company or its affiliates: earnings (including, without limitation, gross margin, earnings before taxes (EBT), earnings before interest and taxes (EBIT), earnings before interest, taxes, depreciation and amortization (EBITDA), net earnings, earnings per share, net sales or return on sales, total stockholder return, net revenue per employee, revenue growth, net income (before or after taxes), operating income, return on operating revenue, operating profit, return on capital, return on equity, return on assets or net assets, return on investment, cash flow, working capital, number of stores, comparable-store sales growth, earnings growth, gross revenue or revenue by pre-defined business segment, stock price (absolute or peer-group comparative), and ratio of operating expenses to operating revenues, market share, overhead or other expense reduction, growth in stockholder value relative to various indices, including, without limitation, the S&P 500 Index or the Russell 2000 Index, implementation of Company policy, development of long-term business goals or strategic plans for the Company, cost targets, customer satisfaction or employee satisfaction goals, goals relating to merger synergies, management of employment practices and employee benefits, or supervision of litigation and information technology, and goals relating to acquisitions or divestitures, affiliates or joint ventures or the exercise of specific areas of management responsibility; provided, however, that with respect to any awards intended to qualify as performance-based compensation for purposes of Section 162(m), the performance goals applicable to such awards must be objective and objectively determinable within the meaning of Section 162(m) and will be designed to satisfy all other applicable requirements of Section 162(m).

Each of the foregoing performance goals will be determined in accordance with generally accepted accounting principles, as applicable; provided that the Compensation Committee will have the authority to make equitable adjustments to the performance goals in recognition of unusual or non-recurring events affecting the Company, in response to changes in applicable laws or regulations, or to account for items of gain, loss or expense determined to be extraordinary or unusual in nature or infrequent in occurrence or related to the disposal of a segment of a business or related to a change in accounting principles, except to the extent that doing so would cause an award intended to be exempt from Section 162(m) to fail to be exempt. Payments of awards will be made, in the case of employees covered under Section 162(m), solely on account of the attainment of such performance goals established in writing by the Compensation Committee to the extent the awards are intended to satisfy the requirements of Section 162(m). The Compensation Committee will determine the applicable performance goals within 90 days of the beginning of the performance period (or if sooner, no later than after 25% of the period of service to which the award relates has elapsed).

Discretionary Awards

Notwithstanding anything to the contrary herein, but subject to the \$4,000,000 maximum award limit described below, an award granted under this Incentive Plan, as determined by the Committee in its sole discretion, will not be required to be subject to the achievement of any performance goal or any other requirement otherwise applicable to awards under this plan.

Committee Certification of Performance Goal Attainment and Payment of Awards

Following the completion of each performance period, the Compensation Committee with respect to the executive officers of the Company, or an employee designated by the Compensation Committee solely with respect to non-executive officer employees of the Company, will certify in writing whether the applicable performance goals have been achieved in the applicable performance period. With respect to awards that are intended to satisfy Section 162(m), the Compensation Committee will have the right to reduce or eliminate (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Compensation Committee may deem relevant to the assessment of performance for the applicable performance period.

Unless otherwise determined by the Compensation Committee, an award will be paid in cash within 60 days after the end of the applicable performance period, but in no event later than two and a half months following the end of the year in which the awards are no longer subject to a substantial risk of forfeiture. Except as determined by the Compensation Committee, an award will be paid only if the participant is employed by American Apparel at the conclusion of the performance period in respect of which it is paid. In no event will payment in respect of awards granted for any performance period of one year or less in length be made to a participant in an amount that exceeds \$4,000,000, and for awards for any other performance period, the maximum amount of the payment to a participant may not exceed \$4,000,000 multiplied by a fraction, the numerator of which is the number of months in the performance period and the denominator of which is twelve.

Termination of Employment

Except as otherwise determined by the Compensation Committee, if a participant's employment terminates prior to the end of a performance period for any reason, no award will be payable to the participant with respect to that performance period.

Change In Control

The Compensation Committee may determine, on a case by case basis, the treatment of an award upon the occurrence of a change in control of the Company or in the event of certain terminations of employment following a change in control.

Amendment and Termination

The Incentive Plan will remain in effect until terminated by the Board of Directors. On December 21, 2005, Endeavor consummated its initial public offering, and on December 18, 2006 entered into an Agreement and Plan of Reorganization, amended as of November 7, 2007 (as amended, the Acquisition Agreement), with American Apparel, Inc., a California corporation (Old American Apparel), and its affiliated companies. Endeavor consummated the acquisition of Old American Apparel and its affiliated companies on December 12, 2007 (the Acquisition) and changed its name to American Apparel, Inc. Pursuant to the Acquisition, Old American Apparel merged with and into AAI Acquisition LLC, a California limited liability company and a wholly owned subsidiary of Endeavor. Director Independence

The Board is currently composed of nine directors, seven of whom qualify as independent directors as defined under the applicable listing standards of the NYSE Amex (each an Independent Director). None of the Class B Nominees qualifies as an Independent Director and, as a result, following the election of the Class B Nominees, the Board will be composed of nine directors, five of whom will qualify as Independent Directors.

In establishing independence, the Board affirmatively determines that each director or nominee does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In addition, the Board has determined as provided in the NYSE Amex rules that the following categories of persons would not be considered independent: (1) a director who is, or during the past three years was, employed by the Company, other than prior employment as an interim executive officer (provided the interim employment did not last longer than one year); (2) a director who accepted or has an immediate family member who accepted any compensation from the company in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence (unless such compensation falls under exceptions provided for under the NYSE Amex rules); (3) a director who is an immediate family member of an individual who is, or at any time during the past three years was, employed by the company as an executive officer; (4) a director who is an executive officer, partner or a controlling shareholder, or has an immediate family member who is an executive officer, partner or a controlling shareholder, of an organization to which the Company made, or from which the Company received, payments (other than those arising solely from investments in the Company s securities or payments under non-discretionary charitable contribution matching programs) which, in any of the past three fiscal years, exceeds or exceeded the greater of \$200,000, or 5% of the other organization s consolidated gross revenues; (5) a director who is, or has an immediate family member who is, employed as an executive officer of another entity where at any time during the most recent three fiscal years any of the Company s executive officers serve on the compensation committee of such other entity; and (6) a director who is, or has an immediate family member who is, a current partner of the Company s outside auditor, or was a partner or employee of the Company s outside auditor who worked on the Company s audit at any time during any of the past three years.

Applying these standards, the Board determined that the following directors qualify as Independent Directors: Messrs. Klein, Greene, Mayer, Miller, Samson, Singer and Thornton. Each of the members of each of the committees of the Board is an Independent Director, and, in the case of members of the Audit Committee (Messrs. Klein, Samson and Thornton, with Mr. Klein as Chairman), each also meets the additional criteria for independence of audit committee members set forth in Rule 10A-3 under the Exchange. For additional information regarding the Audit Committee, see Board Structure and Committee Composition Audit Committee below.

Following the election of the Class B Nominees, the following directors qualify as Independent Directors: Messrs. Greene, Mayer, Miller, Samson and Thornton.

Board Structure and Committee Composition

The Board of Directors presently has the following three committees: (1) an Audit Committee, (2) a Compensation Committee, and (3) a Nominating and Corporate Governance Committee. Committee membership during the last fiscal year and the functions of each of the committees are described below. Each of the committees operates under a written charter adopted by the Board. All of the Committee charters are available on the Company's website at investors.americanapparel.net.

The Board of Directors held 12 meetings during fiscal year 2008. The Audit Committee met 35 times, the Compensation Committee met 11 times, and the Nominating and Corporate Governance Committee met three times during fiscal year 2008. Each director attended, in person or telephonically, at least 75% in the aggregate of (i) the total number of meetings of the Board of Directors held during 2008 and (ii) the total number of meetings held by all committees of the Board of Directors on which he served during 2008. In addition, eight of our directors attended our 2008 Annual Meeting of Stockholders. American Apparel expects its directors to attend annual meetings of stockholders and all Board meetings and respective committee meetings and to spend the time needed and to meet as frequently as necessary to properly discharge their responsibilities.

The Audit Committee's purpose is to provide assistance to the Board in fulfilling its legal and fiduciary obligations with respect to matters involving accounting, auditing, financial reporting, internal control and legal compliance functions of the Company. The Committee oversees the audit efforts of the Company's independent

accountants and internal auditors and, in that regard, takes such actions as it may deem necessary to satisfy itself that the Company's auditors are independent of management. It is the objective of the Audit Committee to maintain free and open means of communications among the Board, the independent accountants, the internal auditors and the financial and senior management of the Company.

Among other things, the Audit Committee prepares the Audit Committee report for inclusion in the annual proxy statement; annually reviews the Audit Committee Charter and the Audit Committee's performance; appoints, evaluates and determines the compensation of our independent auditors; reviews and approves the scope of the annual audit, the audit fees and the financial statements; reviews our disclosure controls and procedures, internal controls, information security policies, internal audit function, and corporate policies with respect to financial information and earnings guidance; oversees investigations into complaints concerning financial matters; and reviews other risks that may have a significant impact on the Company's financial statements. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding from the Company for, outside legal, accounting and other advisors as the Audit Committee deems necessary to carry out its duties.

The Audit Committee is a separately-designated standing committee, established in accordance with section 3(a)(58)(A) of the Exchange Act (15 U.S.C. 78(c)(58)(A)). The Audit Committee at all times is required to be composed exclusively of independent directors who are financially literate as defined under NYSE Amex listing standards. NYSE Amex listing standards define financially literate as being able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement. The Audit Committee is currently composed of three financially literate Independent Directors: Messrs. Klein, Samson and Thornton. In addition, Mr. Samson qualifies to serve as the financial expert according to the requirements of SEC Regulation S-K Items 407(d)(5)(ii) and 407(d)(5)(iii).

The Compensation Committee reviews and approves the general compensation policies of the Company, oversees the administration of all of the Company's compensation and benefit plans, reviews and approves compensation of the executive officers of the Company, prepares the Compensation Committee Report to be filed with the SEC and recommends compensation policies to the Board. Nominating and Corporate Governance Committee

The current members of the Nominating and Corporate Governance Committee are Messrs. Greene, Miller and Singer. The Board has determined that each member of this committee is an Independent Director, with Mr. Singer as Chairman. Mr. Singer is not standing for reelection at the Annual Meeting. Following the Annual Meeting, the Board of Directors, with recommendations from the Nominating and Corporate Governance

Committee, will determine the composition of the Nominating and Corporate Governance Committee for the following year.

The Nominating and Corporate Governance Committee assists the Board in identifying and recommending individuals qualified to serve as directors. Subject to Lion's right to designate up to two persons to the Board of Directors pursuant to the Investment Agreement and the agreement of Lion to vote for Mr. Charney, and the agreement of Mr. Charney to vote for the Lion designees, pursuant to the Investment Voting Agreement, consistent with criteria approved by the Board (as described below under "Consideration of Director Nominees"), the Nominating and Corporate Governance Committee will select, or recommend that the Board select, the director nominees required for each subsequent annual meeting of stockholders. The Nominating and Corporate Governance Committee will consider persons identified by its members, management, stockholders and others as nominees.

The guidelines for selecting nominees, which are specified in the Nominating and Corporate Governance Committee's current charter, generally provide that persons to be nominated should be evaluated with respect to their experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Committee considers appropriate in the context of the needs of the Board. Additionally, the guidelines provide that the Committee should consider whether candidates are independent pursuant to NYSE Amex requirements; accomplished in their fields and maintain a reputation, both personal and professional, consistent with the image and reputation of the Company; able to read and understand financial statements; knowledgeable as to the Company and issues affecting it; committed to enhancing stockholder value; able to understand fully the legal responsibilities of a director and the governance processes of a public company; able to develop a good working relationship with other Board members and senior management and able to suggest business opportunities to the Company. The Nominating and Corporate Governance Committee will evaluate each individual in the context of the Board as a whole, with the objective of recommending a group of persons that reflects the appropriate balance of knowledge, experience, skills, expertise and diversity and includes at least the minimum number of independent directors required by the NYSE Amex. The Committee will not distinguish among nominees recommended by stockholders and nominees recommended by other persons.

In addition to the responsibilities described above, the Nominating and Corporate Governance Committee currently develops and recommends to the Board a set of corporate governance principles for the Company; oversees the evaluation of the Company's management and the Board; and makes recommendations to the Board regarding the size and composition of committees of the Board, including identifying individuals qualified to serve as members of a committee. A copy of the current Nominating and Corporate Governance Committee Charter is available on the Company's website at investors.americanapparel.net. For more information, see "Consideration of Director Nominees" below.

The Nominating and Corporate Governance Committee will evaluate a prospective nominee recommended by any stockholder in the same manner and against the same criteria as any other prospective nominee identified by the Nominating and Corporate Governance Committee from any other source.

In evaluating recommendations from stockholders, the Nominating and Corporate Governance Committee will seek to achieve a balance of knowledge, experience and capability on the Board and to address the membership criteria set forth under "Director Qualifications" below.

Stockholder Nominations of Directors. A stockholder that instead desires to nominate a person directly for election to the Board at an annual meeting must comply with the advance notice procedures of the Bylaws and attend the annual meeting to make the necessary motion. Nominations of persons for election to the Board at a meeting of stockholders may be made at such meeting by any stockholder of the Company entitled to vote for the election of directors at the meeting who complies with the notice procedures set forth in the Bylaws and described below.

Such nominations by any stockholder must be made pursuant to timely notice in writing to the Secretary of the Company. To be timely, a stockholder's notice must be delivered to or mailed and received at the principal executive offices of the Company not less than 60 days nor more than 90 days prior to the meeting, however, in the event that less than 70 days notice or prior public disclosure of the date of the meeting is given or made to stockholders, notice by the stockholder, to be timely, must be received no later than the close of business on the tenth day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made, whichever first occurs.

Such stockholder's notice to the Secretary must set forth:

as to each person whom the stockholder proposes to nominate for election or reelection as a director, (a) the name, age, business address and residence address of the person, (b) the principal occupation or employment of the person, (c) the class and number of shares of capital stock of the Company which are beneficially owned by the person, and (d) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of directors pursuant to the rules and regulations of the SEC under Section 14 of the Exchange Act; and

as to the stockholder giving the notice (a) the name and record address of the stockholder and (b) the class and number of shares of capital stock of the Company which are beneficially owned by the stockholder.

The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as a director of the Company. No person nominated by a stockholder will be eligible for election as a director of the Company unless nominated in accordance with the procedures set forth above. The officer of the Company presiding at an annual meeting shall, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with the foregoing procedure, and if he or she should so determine, he or she shall so declare to the meeting and the defective nomination shall be disregarded.

Director Qualifications

The Nominating and Corporate Governance Committee has the responsibility to review the background and qualifications of individuals being considered as director candidates, including developing criteria and qualifications for membership on the Board. Among the qualifications considered in the selection of candidates, the Committee shall consider each candidate's experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Committee considers appropriate in the context of the needs of the Board.

Additionally, the Committee considers whether the candidate is:

independent pursuant to NYSE Amex requirements;

accomplished in his or her field and maintained a reputation, both personal and professional, consistent with the image and reputation of the Company;

able to read and understand financial statements (the Committee will also determine if a candidate qualifies as an audit committee financial expert, as defined by the SEC);

knowledgeable as to the Company and issues affecting the Company;

committed to enhancing stockholder value;

able to understand fully the legal responsibilities of a director and the governance processes of a public company;

able to develop a good working relationship with other Board members and senior management; and

able to suggest business opportunities to the Company.

Identifying and Evaluating Nominees for Directors

The Nominating and Corporate Governance Committee annually reviews the composition of the Board and reviews the suitability for continued service as a director of each Board member when his or her term expires and when he or she has a change in status, including but not limited to an employment change, and to recommend

whether or not the director should be re-nominated. The Nominating and Corporate Governance Committee also recommends to the Board the nominees for election as directors by the stockholders or appointment by the Board, as the case may be, pursuant to the Bylaws of the Company, which recommendations will be consistent with the criteria for selecting directors established by the Board or the Nominating and Corporate Governance Committee, as the case may be.

Executive Sessions

Executive sessions of non-management directors are expected to be held on a regular basis. Any non-management director can request that an additional executive session be scheduled.

Indemnification of Directors

The General Corporation Law of the State of Delaware provides that a company may indemnify its directors and officers as to certain liabilities. The Company's Amended and Restated Certificate of Incorporation and Bylaws provide for the indemnification of its directors and officers to the fullest extent permitted by law, and the Company has entered into separate indemnification agreements with certain directors and officers to effectuate these provisions and has purchased directors' and officers' liability insurance. The effect of such provisions is to indemnify, to the fullest extent permitted by law, the directors and officers of the Company against all costs, expenses and liabilities incurred by them in connection with any action, suit or proceeding in which they are involved by reason of their affiliation with the Company.

The Company has entered into separate indemnification agreements with its directors and certain of its officers. The indemnification agreements provide for the indemnification of and the advancing of expenses to such directors and officers to the fullest extent (whether partial or complete) permitted by law and as set forth in the indemnification agreement, and, to the extent insurance is maintained, for the continued coverage of such directors and officers under the Company's directors' and officers' liability insurance policies. The Company currently maintains directors' and officers' liability insurance.

**PROCESSES AND PROCEDURES FOR DETERMINATION OF
EXECUTIVE AND DIRECTOR COMPENSATION**

The Compensation Committee of the Board of Directors is responsible for overseeing the compensation and employee benefit plans and practices of the Company. The Compensation Committee reviews and approves, either as a committee or together with the other independent directors, the general compensation policies of the Company, oversees the administration of all of the Company's compensation and benefit plans and reviews and approves, either as a committee or together with the other independent directors, compensation of the executive officers of the Company. The Compensation Committee Charter requires that the Compensation Committee consist of no fewer than two Board members who qualify as non-employee directors within the meaning of Rule 16b-3 under the Exchange and outside directors within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended. At all times since its formation following the Acquisition, the Compensation Committee has consisted of at least three Board members, each of whom the Board has affirmatively determined satisfied these independence requirements.

The Compensation Committee Charter sets forth the purpose of and other matters pertaining to the Compensation Committee. The form of the current Compensation Committee Charter is available on the Company's website at *investors.americanapparel.net*.

Pursuant to its Charter, the Compensation Committee's responsibilities include the following:

review and approve, either as a committee or together with the other independent directors, the corporate goals and objectives relevant to the compensation of the Chief Executive Officer and other officers of the Company;

evaluate, either as a committee or together with the other independent directors, the Chief Executive Officer's performance in light of such goals and objectives;

set, either as a committee or together with the other independent directors, officers' compensation levels, including base salary, annual incentive opportunities, long-term incentive opportunities and benefits;

review and approve, either as a committee or together with the other independent directors, any employment contracts or related agreements, such as severance or termination arrangements, to be made with any executive officer of the Company;

review and recommend to the Board appropriate director compensation programs and, either as a committee or together with the other independent directors, review and approve perquisites or other personal benefits to directors and recommend any changes to the Board;

review its own performance and assess the adequacy of its Charter;

review and approve the goals and objectives of and the plans underlying the Company's general compensation and other employee benefit programs, including incentive-compensation and equity-based programs;

retain and terminate any compensation consultant used to assist in the evaluation of officer compensation, including to approve the consultant's fees and other retention terms; and

produce a report of the Compensation Committee to be included in the Company's annual proxy statement.

Edgar Filing: AMERICAN APPAREL, INC - Form PRER14A

Our Chief Executive Officer and Chairman of the Board recommends to the Compensation Committee salary, annual bonus, equity-based awards and long-term compensation levels for other executives, including the other Named Officers (as defined under Compensation Discussion and Analysis below). Our other executives, including the other Named Officers, do not currently have any role in determining or recommending the form or amount of compensation paid to our Named Officers and our other executives. While the Compensation

Committee reviews and makes recommendations regarding compensation paid to the non-employee directors, the compensation for these directors is determined by the Board.

Equity awards to all officers subject to Section 16 of the Exchange Act are made by the Compensation Committee. As indicated above, pursuant to its charter, the Compensation Committee is authorized to retain and terminate any compensation consultant engaged to assist in the evaluation of the compensation of our officers (including all of the Named Officers).

In March 2008, the Compensation Committee retained the firm of Pearl Meyer & Partners, LLC (PM&P) as its compensation consultant to assist in the development and evaluation of compensation policies, practices and awards. Specifically, PM&P was engaged to conduct a competitive review of executive compensation and severance policies, and to assist in developing an annual incentive plan and a long-term equity incentive program to reward and retain key executives and managers.

PM&P was engaged by and reports directly to the Compensation Committee. While conducting assignments, PM&P interacts with our management when appropriate to gather perspectives and relevant company and compensation data. In addition, PM&P may seek feedback from the Compensation Committee Chairman, other members of the Committee or Board, or the Chief Executive Officer and Chairman of the Board regarding its work prior to presenting study results or recommendations to the Committee.

PM&P has attended or participated in certain Compensation Committee meetings and provided third-party data, advice and expertise on proposed executive compensation levels, programs and plan designs. The Committee may also ask PM&P to review and provide advice related to proposals prepared by management, including evaluating the consistency of such proposals with the Committee's compensation philosophy and in comparison to programs at other companies.

COMPENSATION OF DIRECTORS

Compensation for non-employee directors will consist of annual stock grants and Board and Committee meeting fees, as described below. Employees who are also directors will receive no additional compensation for their Board service.

DIRECTOR COMPENSATION FISCAL 2008

During 2008, the sole cash compensation to our non-employee directors consisted of a total of \$228,000 in Board and Committee meeting fees paid to Messrs. Greene, Klein, Mayer, Miller, Samson, Singer and Thornton for their participation in Board meetings held during 2008.

Pursuant to the 2007 Performance Equity Plan approved by stockholders in conjunction with the Acquisition, our non-employee directors each received a stock grant (of fully vested shares) as described below for their Board service during 2007 and 2008, and automatically will receive a stock grant for each year of service thereafter, such grant to be made on December 12 of such year of service, equal to that number of shares of our Common Stock having an aggregate market value of \$75,000 at the time of grant.

The initial stock grant was approved by the Board of Directors on February 6, 2008, subject to the filing and effectiveness of a registration statement on Form S-8, which was filed on April 17, 2008. Pursuant to the Board authorization for the initial stock grant, however, the number of shares awarded to each non-employee director was to be determined using the highest closing price per share of Common Stock as of December 12, 2007, February 6, 2008 or April 17, 2008. Consequently, the Company issued to each non-employee director 4,808 shares of Common Stock, based upon the December 12, 2007 closing price per share of \$15.60, in connection with their Board service during 2007.

On January 12, 2009, the Company issued the second annual grant to each non-employee director of 35,211 shares of common stock, based upon the closing price per share of \$2.13, in connection with their Board service during 2008.

The table below summarizes the compensation provided by the Company to non-employee directors for the fiscal year ended December 31, 2008:

Name	Fees Earned or Paid in		Option Awards (\$)	Non-Equity Incentive Plan Compensation (\$)	Change in Pension Value and Nonqualified Delivered Compensation Earnings (\$)	All Other Compensation (\$)	Total (\$)

Assumptions used in the calculation of these amount are further described in Note 15 to the Company's audited consolidated financial statements for the fiscal year ended December 31, 2008, included in the Annual Report. The aggregate grant date fair value for the stock award is \$432,000, computed in accordance with FAS 123R.
- (2) Relates to reimbursements for out-of-pocket travel expenses for attending Board and Committee meetings.

Annual Stock Awards and Meeting Fees

The following table sets forth the schedule of annual stock grants and meeting fees for non-employee directors in effect during 2008:

Type of Fee	Dollar Amount

COMPENSATION DISCUSSION AND ANALYSIS

This section contains a discussion of the material elements of compensation awarded to, earned by or paid to the principal executive officer and principal financial officer of the Company and our three other most highly compensated individuals who were serving as executive officers as of December 31, 2008.

During 2008, Dov Charney served as the Company's Chairman of the Board, President and Chief Executive Officer. Three individuals served as our Chief Financial Officer and Treasurer during 2008: Ken Cieply from January 1, 2008 to May 21, 2008, William Gochnauer from May 22, 2008 to December 28, 2008 (serving as Interim Chief Financial Officer for such period) and Adrian Kowalewski, who previously had been serving as the Company's Director of Corporate Finance, from December 29, 2008 to December 31, 2008. Our two other most highly compensated individuals were Joycel Crucillo and Martin Bailey. These individuals are referred to as the "Named Officers" herein.

The Company's current executive compensation programs are determined and approved by the Compensation Committee of the Board. None of the Named Officers are members of the Compensation Committee. Our Chief Executive Officer and Chairman of the Board recommends to the Compensation Committee salary, cash incentive awards, equity-based awards and long-term compensation levels for executives, including the other Named Officers. Our other executives, including the other Named Officers, do not currently have any role in determining or recommending the form or amount of compensation paid to our Named Officers and our other executives.

Executive Compensation Program Objectives and Overview

It is the Company's intent that its executive compensation programs achieve three fundamental objectives: (1) attract, motivate and retain qualified executives; (2) hold executives accountable for performance; and (3) align executives' interests with the interests of our stockholders. In structuring the Company's executive compensation programs, we intend to be guided by the following basic philosophies:

Competition. The Company should provide competitive compensation opportunities so that it can attract, motivate and retain qualified executives.

Pay for Performance. A substantial portion of compensation should be tied to Company (and/or particular department or segment) and individual performance.

Alignment with Stockholder Interests. A substantial portion of compensation should be contingent on the Company's performance. As an executive officer's level of responsibility increases, a greater portion of the officer's total compensation should be dependent on the Company's performance.

As described in more detail below, the material elements of our executive compensation program will include some or a mix of the following, at the discretion of the Compensation Committee: a base salary, an annual cash incentive bonus opportunity, and a performance equity plan component. We believe that these elements of our executive compensation program will help us to achieve one or more of our compensation objectives. The executive compensation program is intended to attract, motivate and retain qualified executives. The base salary is the element of our current executive compensation program where the value of the benefit in any given year is generally not variable. We anticipate that any bonus awarded in any given year will depend on the performance of the individual and the performance of the Company. We believe that in order to attract, motivate and retain top-caliber executives, we need to provide executives with predictable benefit amounts that reward the executive's continued service. The base salaries are paid out on a short-term or current basis. Any bonuses would generally be paid out on a short-term basis, such as at year end or upon completion of significant projects. Performance equity awards would generally be made on a longer-term basis. We believe that a mix of longer-term and short-term elements will allow us to achieve our dual goals of attracting and retaining executives (with the longer-term benefits geared toward retention and the short-term awards focused on recruitment).

Our cash incentive bonus opportunity would be primarily intended to hold executives accountable for performance, although we also believe it would align our executives' interests with those of our stockholders and help us attract, motivate and retain executives. Our performance equity incentives would also be primarily intended to align our executives' interests with those of our stockholders, although we believe they would help hold executives accountable for performance and help us motivate and retain executives.

These compensation elements are intended to create a total compensation package for each executive that we believe will achieve our compensation objectives and provide competitive compensation opportunities.

The Company has employment agreements with Dov Charney, Chairman of the Board, Chief Executive Officer and President, Glenn A. Weinman, Senior Vice President, General Counsel and Secretary, and Joyce Crucillo, Chief Litigation Counsel. For a more complete description of current employment agreements with Mr. Charney, Mr. Weinman and Ms. Crucillo, see Description of Employment Agreements below.

Current Executive Compensation Program Elements

Base Salaries

The Compensation Committee reviews and approves base salaries for executives, including Named Officers, annually and in connection with promotions or other changes in responsibilities. The Compensation Committee generally reviews the base salaries for each executive in the first quarter of each year to set salaries, and intends to consider market data, individual compensation history, pay in relation to other executives at the Company, tax deductibility, individual job performance and future potential, as well as evaluations and recommendations by senior management in determining base salary. The weight given to each of these factors may differ from individual to individual, as the Compensation Committee deems appropriate.

Annual Bonus Awards

As discussed under Description of Employment Agreements below, Mr. Charney's employment agreement provides for the payment of a target bonus of 150% of his annual base salary subject to certain terms and conditions. On April 13, 2009, the Compensation Committee discussed whether to award Mr. Charney a bonus for his service for the year ended December 31, 2008, under the terms of his agreement and, if so, at what level. During this discussion, the Compensation Committee analyzed a number of factors including metrics such as the Company's 2008 net sales (Net Sales), earnings before interest, taxes, depreciation and amortization (EBITDA) and earnings per share (EPS), and whether performance on these metrics was within the targeted range communicated to shareholders. To assist the Compensation Committee in its discussion regarding

Mr. Charney's bonus, the Compensation Committee consulted with PM&P, which advised the Compensation Committee that an approach of using financial indicators such as EPS, EBITDA and Net Sales is consistent with the competitive practices of the Company's peer group. The Compensation Committee agreed that in evaluating Mr. Charney's performance and bonus for 2008, this broader approach of using financial indicators provides a more consistent and complete view of his and the Company's performance and achievements.

Accordingly, in evaluating Mr. Charney's performance for 2008, the Compensation Committee focused on the Company's significant increase in net sales for 2008 (an increase of 40.8% over 2007), the achievement of the Company's targeted EBITDA and EPS for 2008, and Mr. Charney's contribution to the Company in obtaining such results. The Compensation Committee also reviewed peer group financial analysis provided by PM&P, which indicated that the Company ranked third highest (out of 20 peer companies) in terms of Net Sales growth over a one- and three-year period, second highest (out of 18 companies) in terms of Operating Income growth over a three-year period, and first (out of 17 companies) in Net Income growth over the same three-year period. The Compensation Committee also considered that the foregoing described results occurred in spite of a recessionary retail environment. Additionally, the Compensation Committee further noted that the Company opened 78 new stores in 2008. In addition, based on information provided by PM&P, the Compensation Committee noted that the Company's comparable-store sales increased 22% for 2008, substantially above the average for companies in the specialty apparel retail segment.

PM&P further advised the Compensation Committee that Mr. Charney's target bonus for 2008 is at the 63rd percentile of the Company's peer group, and his resulting total cash compensation (annual base salary and bonus) is at the 68th percentile of the Company's peer group. In addition, PM&P advised that the impact of Mr. Charney's target bonus on the Company's EPS would be approximately \$0.02 per share. Accordingly, based on the considerations discussed above and Mr. Charney's integral contribution to the Company in obtaining such financial achievements in 2008, the Compensation Committee determined that it would be appropriate to award Mr. Charney a bonus of \$1,125,000, which is equal to the targeted level of 150% of his 2008 annual base salary, for his service for the year ended December 31, 2008.

Prior to the date that the Compensation Committee approved such bonus, Mr. Charney advised the Compensation Committee that, in light of the Company's stock price performance in 2008, he would prefer that the Compensation Committee reduce his proposed 2008 bonus to \$250,000 for his service for the year ended December 31, 2008.

Other than the bonus payment that will be paid to Mr. Charney as described above and bonus payments that were paid to Ms. Crucillo pursuant to her employment agreement, as discussed below in Description of Employment Agreements, there were no annual or other bonuses awarded to Named Officers for the year ended December 31, 2008.

On April 13, 2009, subject to stockholder approval of the Incentive Plan, as discussed in Proposal 4 above, the Board of Directors approved the Incentive Plan, under which certain cash awards are intended to qualify as performance-based compensation under Section 162(m). The Board of Directors believes that adoption of the Incentive Plan will provide the Compensation Committee with the tools necessary to meet the Company's objectives of attracting, motivating and retaining qualified employees and of tying a portion of compensation to Company performance. Accordingly, subject to stockholder approval of the Incentive Plan, as discussed in Proposal 4 above, going forward, a portion of compensation for executive officers may be based on the financial performance of the Company, as determined at the discretion of the Compensation Committee.

Long-Term Equity Incentive Awards

The Compensation Committee has the authority to grant stock options, restricted stock and other awards under the Company's 2007 Performance Equity Plan to executives.

The Compensation Committee believes that the executives' long-term compensation should be directly linked to the value provided to our stockholders. Consequently, the Compensation Committee is considering the establishment of a performance-based program whereby executives' long-term compensation may be awarded in the form of stock options and/or restricted stock, at the discretion of the Compensation Committee. The number of shares of the Company's Common Stock subject to each award will be intended to create a meaningful opportunity for stock ownership in light of the executive's current position with the Company, the size of comparable awards to comparable executives at our peer group companies, the individual's personal performance, the individual's service with the Company (including years of service to the Company's predecessor, Old American Apparel) and such other factors determined to be relevant by the Compensation Committee.

Severance and Other Benefits Upon Termination of Employment

In order to support our compensation objective of attracting, retaining and motivating qualified executives, we believe that, in certain cases, we may decide to provide executives with severance protections upon certain types of termination. These severance protections would be negotiated on an individual by individual basis. American Apparel has not entered into any change in control agreements or other severance arrangements with any of its executive officers other than with Dov Charney, Glenn Weinman and Joyce Crucillo. For a more complete description of current employment agreements with Mr. Charney, Mr. Weinman and Ms. Crucillo, see Description of Employment Agreements below.

Option Grant Practices and Policies

It is intended to be the practice of the Compensation Committee to grant stock options under the 2007 Performance Equity Plan with an exercise price equal to or greater than the closing price of the Company's Common Stock on the date of grant.

Section 162(m) Policy

Section 162(m) of the Internal Revenue Code disallows a tax deduction to publicly-held companies for compensation paid to certain executive officers, to the extent that compensation exceeds \$1 million per officer in any year. The limitation applies only to compensation which is not considered to be performance-based. The Compensation Committee intends to consider the anticipated tax treatment to the Company and our executive officers when reviewing executive compensation and our compensation programs.

While the tax impact of any compensation arrangement is one factor to be considered, such impact is evaluated in light of the Compensation Committee's overall compensation philosophy. The Compensation Committee will consider ways to maximize the deductibility of executive compensation, while retaining the discretion it deems necessary to compensate officers in a manner commensurate with performance and the competitive environment for executive talent. From time to time, the Compensation Committee may award compensation to our executive officers which is not fully deductible, if it determines that such award is consistent with its philosophy and is in our and our stockholders' best interests.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee has certain duties and powers as described in its Charter. The Compensation Committee is currently composed of the five non-employee directors named at the end of this Proxy Statement, each of whom is independent as defined by NYSE Amex listing standards.

The Compensation Committee of the Company has reviewed and discussed with management the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K of the Exchange and, based on such review and discussions, the Compensation Committee has recommended to our Board of Directors that the Compensation Discussion and Analysis section be included in this Proxy Statement for the 2009 Annual Meeting, as filed with the SEC.

By the Compensation Committee,

Keith Miller, Chairman
Robert Greene
Allan Mayer
Mortimer Singer
Mark A. Thornton

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2008, Robert Greene, Allan Mayer, Keith Miller, Mortimer Singer and Mark A. Thornton served as members of the Compensation Committee. During 2008, no current member of the Compensation Committee was an officer or employee of the Company, formerly an officer of the Company or had any relationships requiring disclosure by the Company under the SEC's rules requiring disclosure of certain relationships and related-party transactions. None of the Company's executive officers served as a director or a member of a compensation committee (or other committee serving an equivalent function) of any other entity whose executive officers served as a director or member of the Company's Compensation Committee during the year ended December 31, 2008.

The following are descriptions of potential payments upon termination or change of control with respect to the employment agreements with Dov Charney and Joyce Crucillo, our only Named Officers with employment agreements, and Glenn A. Weinman.

Dov Charney, Chairman of the Board, Chief Executive Officer, and President

Mr. Charney's employment agreement provides that in the event that his employment is terminated (i) by the Company without cause or (ii) by Mr. Charney for good reason, Mr. Charney will be entitled to the following: (1) a pro rata portion of his annual and long term performance bonuses for the year in which he is terminated as if 100% of the performance targets were met, (2) a payment equal to the greater of (x) annual base salary for the remainder of his employment contract or (y) two times the sum of his annual base salary and maximum annual performance bonus, (3) immediate vesting of all equity awards granted to him by the Company and (4) all lock-up restrictions on all of Mr. Charney's stock in the Company will immediately lapse.

In the event of a change in control, if any payments or benefits due to Mr. Charney in connection with the change in control, including payments as a result of termination of his employment, will be subject to excise taxes as defined in his employment agreement, Mr. Charney will be entitled to a tax gross-up for all effects of the excise taxes. If a change in control had occurred as of December 31, 2008, and Mr. Charney had received the termination lump sum payments described above, he would have been entitled to a tax gross-up payment of \$1.9 million.

Upon termination of Mr. Charney's employment by the Company with cause or due to Mr. Charney's permanent incapacity or death, the Company will pay Mr. Charney any unreimbursed expenses then owed by the Company to Dov Charney and all accrued but unpaid wages. Mr. Charney will not be entitled to any other consideration or compensation. As of December 31, 2008, Mr. Charney's accrued wages amounted to \$20,548.

Had Mr. Charney separated from the Company as of December 31, 2008, as a result of termination without cause or for good reason, he would have been entitled to a payment amounting to \$3.4 million (of which \$1.9 million is attributable to bonuses and \$1.5 million is attributable to salary), in addition to the \$20,548 of accrued wages noted above.

Glenn A. Weinman, Senior Vice President, General Counsel and Secretary

Mr. Weinman's employment agreement provides that if Mr. Weinman is terminated without cause or if he resigns for good reason, the Company will pay Mr. Weinman the following: (a) his base salary accrued through the date of such resignation or termination and continuing for a period of one year after the date of such resignation or termination (the Continuation Period); (b) any bonus earned but not yet paid in respect of any calendar year preceding the year in which such termination or resignation occurs; (c) a bonus for the calendar year in which such termination or resignation occurs equal to his target annual performance bonus, if any, for such year and each subsequent calendar year included in whole or in part within the Continuation Period (prorated in the case of any partial calendar year based on the number of days included in such Continuation Period); and (d) any unreimbursed expenses and all stock and stock option grants awarded to Mr. Weinman by the Company also will become vested and exercisable. In addition, in such case, Mr. Weinman will be entitled to receive, until the earlier of the last day of the Continuation Period and the date Mr. Weinman is entitled to comparable benefits by a subsequent employer, continued participation in the Company's medical, dental and insurance plans and arrangements.

If Mr. Weinman's employment terminates by reason of his death or disability, or if he is terminated for cause or if he resigns without good reason, the Company will pay him (a) his base salary accrued through the date of such resignation or termination; (b) any bonus earned but not yet paid in respect of any calendar year preceding the year in which such termination of employment occurs; (c) only in the case of a termination because of his death or disability, a prorated amount of his target annual performance bonus for the calendar year in which such termination of employment occurs; and (d) any unreimbursed expenses. If Mr. Weinman's employment terminates by reason of his death, in lieu of the payment schedule described above, his beneficiary or estate may elect to receive a single lump sum payment equal to the present value of all such payments.

Joyce Crucillo, Chief Litigation Counsel

Ms. Crucillo's employment agreement provides that, effective February 17, 2009, if Ms. Crucillo is laid off, terminated (irrespective of whether such termination is with or without cause) or otherwise dismissed by the Company, then the Company will pay to her, as a severance payment, six months of her then current total annual compensation, which includes her annual base salary and annual guaranteed bonuses (regardless of whether any portion thereof has accrued or vested), plus continued health insurance benefits identical to what she was receiving at the time of separation for a period of six months after she leaves the Company.

A stockholder must have continuously held at least \$2,000 in market value, or 1%, of the Company's outstanding Common Stock for at least one year by the date of submission of the proposal, and the stockholder must continue to own such stock through the date of the meeting.

In addition, for a stockholder proposal that is not intended to be included in the Company's proxy statement for the 2010 Annual Meeting of Stockholders under the Exchange Act, written notice of the proposal, which notice must include the information required by the Company's bylaws (the Bylaws), must be received by the Company's Secretary not earlier than the close of business on the 90th day prior to the 2010 Annual Meeting of Stockholders and not later than the close of business on the 60th day prior to the 2010 Annual Meeting of Stockholders. If less than 70 days notice or prior public disclosure of the date of next year's annual meeting is

given or made to stockholders, then notice of a stockholder proposal that is not intended to be included in the Company's proxy statement under Rule 14a-8 under the Exchange Act must be received no later than the close of business on the tenth day following the date on which notice of the date of such annual meeting is mailed to the stockholders or the date on which public disclosure of the date of such annual meeting is made, whichever is first. Furthermore, receipt by the Company of any such proposal from a qualified stockholder in a timely manner will not guarantee its inclusion in the proxy materials or its presentation at the 2010 Annual Meeting of Stockholders, because there are other relevant requirements in the SEC's proxy rules.

For proposals that are timely filed, the Company retains discretion to vote proxies it receives provided that (1) the Company includes in its proxy statement advice on the nature of the proposal and how it intends to exercise its voting discretion and (2) the proponent does not issue a proxy statement.

BY ORDER OF THE BOARD OF DIRECTORS,

Dov Charney

Chairman of the Board

AMERICAN APPAREL, INC.

INCENTIVE COMPENSATION PLAN

Section 1. Purpose of this Plan.

The purpose of this American Apparel, Inc. Incentive Compensation Plan (this Plan) is to attract, motivate and retain qualified employees and to tie a substantial portion of employees' compensation to the performance of American Apparel, Inc. (the Company) by providing certain of its executives and other employees with cash incentive compensation awards (each, an Award).

Section 2. Administration of this Plan.

This Plan shall be administered by the Compensation Committee of the Board of Directors of the Company (the Board), or such other committee of the Board that shall succeed to the functions and responsibilities of such committee in relation to this Plan (the Committee). All members of the Committee shall qualify as outside directors (as the term is defined in Section 162(m) (Section 162(m)) of the Internal Revenue Code of 1986, as amended (the Code)).

The Committee shall have the authority in its sole discretion, subject to and not inconsistent with the express provisions of this Plan, to administer this Plan and to exercise all the powers and authorities either specifically granted to it under this Plan or necessary or advisable in the administration of this Plan, including, without limitation, the authority to grant Awards; to determine the persons to whom and the time or times at which Awards shall be granted; to determine the length of the Performance Period (as defined below) designated for each Award; to determine the terms, conditions, restrictions and performance criteria, including the Performance Goals (as defined below), relating to any Award; to determine whether, to what extent, and under what circumstances an Award may be settled, cancelled, forfeited, or surrendered; subject to Sections 4 and 5, below, to make adjustments to the Performance Goals in recognition of unusual or non-recurring events affecting any Company or the financial statements of any Company, in response to changes in applicable laws, regulations, or accounting principles or as otherwise provided in this Plan; to construe and interpret this Plan and any Award; to prescribe, amend and rescind rules and regulations relating to this Plan; to determine the terms and provisions of Awards; and to make all other determinations deemed necessary or advisable for the administration of this Plan.

Except (i) with respect to the executive officers of the Company or (ii) as required to comply with Section 162(m), or other applicable law (and only if such laws apply), or any listing requirement of the NYSE Amex, New York Stock Exchange, the NASDAQ Global Market System or any other exchange on which the Company's securities may be listed, the Committee may delegate all or any part of its authority, duties or responsibilities under this Plan to such other appropriate officer of the Company, or in the case of ministerial duties, to any employee or committee comprised of employees of the Company.

Section 3. Eligibility.

Awards may be granted to officers and other employees of the Company (the Participants) designated by and in the sole discretion of the Committee with respect to the executive officers of the Company, and designated by and in the sole discretion of the Chief Executive Officer of the Company or other executive officer designated by the Committee with respect to the other Participants. Unless otherwise determined by the Committee or its designee, as applicable, in its/his sole discretion, a Participant, who commences participation in this Plan following the commencement of a Performance Period, may participate with respect to all outstanding Performance Periods; provided that the Awards payable with respect to each such Performance Period shall be prorated based on the number of days elapsed in such Performance Period.

Section 4. Terms of Awards.

Awards granted pursuant to this Plan, including the terms and conditions thereof, shall be communicated to Participants from time to time.

(a) *General.* Not later than 90 days after the commencement of each Performance Period, but in no case after 25% of the Performance Period has elapsed (such period, the Designation Period), the Committee shall specify in writing, by resolution of the Committee or other appropriate action with respect to Participants who are executive officers of the Company, and its designee shall specify in writing for each non-executive officer Participant, as applicable, in each case with respect to a Performance Period, the Performance Goals applicable to each Award. Performance Goals may include a threshold level of performance below which no payment shall be made, levels of performance at which specified percentages of the Award shall be paid and a maximum level of performance above which no additional payment shall be made; provided that the Committee shall have the authority to make appropriate adjustments in the achievement of Performance Goals under an Award to reflect the impact of extraordinary items not reflected in such goals, as described in Section 5, below. Unless otherwise provided by the Committee (or its designee) in connection with specified terminations of employment, payment in respect of Awards shall be made only if and to the extent the Performance Goals applicable to such Performance Period are attained.

(b) *Special Provisions Regarding Maximum Payout of Awards.* Notwithstanding anything to the contrary contained herein, in no event shall payment in respect of Awards granted for any Performance Period of one year or less in length be made to a Participant in an amount that exceeds \$4,000,000, and for any Performance Period in excess of one year, \$4,000,000, multiplied by a fraction, the numerator of which is the number of months in the Performance Period and the denominator of which is twelve.

(c) *Discretionary Awards.* Notwithstanding anything to the contrary herein, but subject to Section 4(b) above, an Award granted under this Plan, as determined by the Committee in its sole discretion, will not be required to be subject to the achievement of any Performance Goal or any other requirement otherwise applicable to Awards under this Plan.

Section 5. Performance Goals.

Performance Goals shall mean the criteria and objectives, determined by the Committee (or its designee, as applicable), that must be met during the applicable Performance Period as a condition of the Participant's receipt of payment with respect to an Award. Performance Goals may include any or all (or a specified increase in any or all) of the following: earnings (including, without limitation, gross margin, earnings before taxes (EBT), earnings before interest and taxes (EBIT), earnings before interest, taxes, depreciation and amortization (EBITDA), net earnings, earnings per share, net sales or return on sales, total shareholder return, net revenue per employee, revenue growth, net income (before or after taxes), operating income, return on operating revenue, operating profit, return on capital, return on equity, return on assets or net assets, return on investment, cash flow, working capital, number of stores, comparable-store sales growth, earnings growth, gross revenue or revenue by pre-defined business segment, stock price (absolute or peer-group comparative), ratio of operating expenses to operating revenues, market share, overhead or other expense reduction, growth in stockholder value relative to various indices, including, without limitation, the S&P 500 Index or the Russell 2000 Index, implementation of Company policy, development of long-term business goals or strategic plans for the Company, cost targets, customer satisfaction or employee satisfaction goals, goals relating to merger synergies, management of employment practices and employee benefits, or supervision of litigation and information technology, and goals relating to acquisitions or divestitures, affiliates or joint ventures or the exercise of specific areas of management responsibility.⁶

Such Performance Goals may relate to the performance of a Company, a business unit, product line, or any combination thereof. Performance Goals may also include such objective or subjective personal Performance Goals

as the Committee may, from time to time, establish; provided, however, that with respect to any Awards intended to qualify as performance-based compensation for purposes of Section 162(m), the Performance Goals applicable to such Awards shall be objective and objectively determinable within the meaning of Section 162(m) and shall be designed to satisfy all other applicable requirements of Section 162(m). The Committee (or its designee, as applicable) shall have the sole discretion to determine whether, or to what extent, Performance Goals are achieved. Each of the Performance Goals will be determined in accordance with generally accepted accounting principles, as applicable; provided that the Committee will have the authority to make equitable adjustments to the Performance Goals in recognition of unusual or non-recurring events affecting the Company, in response to changes in applicable laws or regulations, to account for items of gain, loss or expense determined to be extraordinary or unusual in nature or infrequent in occurrence or related to the disposal of a segment of a business or related to a change in accounting principles, or to take into account other extraordinary items and events, except to the extent that doing so would cause an Award intended to be exempt from Section 162(m) to fail to be exempt.

Section 6. Performance Period.

The term Performance Period means a period established by the Committee during which performance will be measured for purposes of determining the extent to which one or more Participants will receive Awards under this Plan.

Section 7. Committee Certification of Performance Goal Attainment.

Following the completion of each Performance Period, the Committee with respect to the executive officers of the Company, or the Committee's designee solely with respect to non-executive officer employees of the Company, as applicable, will certify in writing whether the applicable Performance Goals have been achieved in the applicable Performance Period. With respect to Awards that are intended to satisfy Section 162(m), the Committee will have the right to reduce or eliminate (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant to the assessment of performance for the applicable Performance Period.

Section 8. Payment of Awards.

Unless otherwise determined by the Committee, an Award will be paid in cash within 60 days after the end of the applicable Performance Period, but in no event later than two and a half months following the end of the year in which the Awards are no longer subject to a substantial risk of forfeiture. Except as otherwise determined by the Committee pursuant to Section 9, below, an Award will be paid only if the Participant is employed by the Company at the conclusion of the Performance Period in respect of which it is paid.

Section 9. Separation from the Company and Its Subsidiaries; Change in Control.

- (a) Except as otherwise determined by the Committee, if a Participant's employment with the Company and its subsidiaries terminates prior to the end of a Performance Period for any reason, no Award will be payable to the Participant with respect to any Performance Period in effect at the time the termination occurs.
- (b) The Committee may determine, on a case by case basis, the treatment of an Award upon the occurrence of a change in control of the Company (as may be defined from time to time by the Committee) or in the event of certain terminations of employment following a change in control.
- (c) Any Participant may designate in writing the beneficiary of the unpaid amount of an Award in case of death and if no designation has been made, or if any such designation shall become ineffective, any such unpaid amount will be paid to the Participant's estate. Such designation shall be effective upon receipt thereof by the Company. Any such designation may be revoked in writing by a Participant at any time without the consent of any such beneficiary.

Section 10. Amendments.

The Committee may amend this Plan at any time, provided that such changes may be made consistent with the provisions of Section 162(m) without adversely affecting the ability of the Company to deduct the compensation that may be paid pursuant to this Plan for federal income tax purposes. The Committee may also amend this Plan as it deems necessary or appropriate to comply with any applicable provisions of the Code or regulations or other applicable guidance thereunder (the Regulations), including, without limitation, Section 409A of the Code. If the Code or the Regulations would require stockholder approval of such amendment in order for payments under this Plan to be deductible, then no such amendment shall be effective without such approval.

Section 11. Termination.

The Board may terminate this Plan at any time. No termination of this Plan shall adversely affect the right of any person to receive any Award for a Performance Period or Periods for which such person had been designated under Section 3 of this Plan. This Plan shall remain in effect until terminated by the Board.

Section 12. Miscellaneous.

(a) Nothing contained in this Plan shall be construed as giving any employee of the Company the right to participate in this Plan or to continued employment or any interest in any asset of the Company or any of its subsidiaries, nor to prevent the Company or any of its subsidiaries or affiliates from taking any action that it deems to be appropriate or in its best interests, whether or not such action would have an adverse effect on this Plan or the amounts payable hereunder.

(b) To the extent a Participant is entitled to a cash bonus award (including a long-term bonus award) under the terms of an employment or other agreement or arrangement between the Participant and the Company (or any affiliate thereof), Awards granted to such Participant under this Plan are intended to satisfy the obligations of the Company (or, to the extent applicable, the Company's affiliate) under such agreement or arrangement and are not intended to establish an additional right to such compensation.

(c) This Plan shall be unfunded and the Company shall not be required to establish any segregation of assets to assure payment of any Awards made hereunder.

(d) A Participant may not sell, transfer or assign any right or interest in this Plan except as provided in Section 8(c) hereof and any attempted sale, transfer or assignment shall be null and void.

(e) This Plan shall be governed by and construed in accordance with the laws of the State of California and the applicable provisions of the Code and Regulations.

Section 13. Withholding Taxes.

The Company shall have the right to withhold from any payment otherwise due by reason of any Award to a Participant the amount of any taxes or other applicable legal withholdings that the Company may be required to withhold.

Section 14. Effective Date.

This Plan shall be effective as of April 13, 2009 (the Effective Date), subject to stockholder approval at the 2009 Annual Meeting of Stockholders and, if so approved, shall remain in effect until terminated in accordance with Section 11 hereof.
