Proposed Resolutions and Related Information:

Item 1: Partial Amendments to the Articles of Incorporation:

It is proposed that a portion of the Articles of Incorporation be revised as per the Proposed Amendments column of the table stated on pages 4 to 5:

1. Reasons for Amendments

In order to extend our business opportunities in the future, we propose to amend Article 2 (Object of the Company) of the current Articles of Incorporation.

The promulgation of The Law for Partial Amendments to the Law Concerning Book-Entry Transfer of Corporate Bonds and Other Securities for the Purpose of Streamlining the Settlement for Trade of Stocks and Other Securities (Law No. 88 of 2004) (the Book-Entry Law) makes it expedient to amend parts of the Articles of Incorporation. The reasons for the amendments are as follows:

- 1) Pursuant to Article 6 of the Book-Entry Law and its supplement, it is deemed that there has been a resolution of the shareholders deleting provision of issuance of share certificates in the articles of incorporation as of the effective date of the Electronic Share Certificate System (January 5, 2009). We therefore propose to delete Article 7 (Issue of Share Certificates) and other references to share certificates.
- 2) Pursuant to Article 2 of the Book-Entry Law and its supplement, The Law Concerning Central Securities Depository and Book-Entry Transfer of Stock Certificates and Other securities (Law No. 30 of 1984) was repealed. We therefore propose to delete the references to beneficial owners of shares and register of beneficial owners of shares.
- 3) Pursuant to Article 221 of the Companies Act (Law No. 86 of 2005), a company is required to prepare a register of lost share certificates for 1 year from the day after the effective date of the Book-Entry Law. We hereby propose to delete the provision related to register of lost share certificates in the Articles of Incorporation, move such provision to the supplement thereto and provide its effective period.
- 4) We also propose to renumber the provisions as necessary.

Notes:

1. Among the above candidates, Mr. Akishige Okada, Ms. Nobuko Matsubara, Mr. Ikujiro Nonaka and Mr. Hiroshi Hirabayashi are candidates for External Directors.

2. Mr. Akishige Okada is proposed for appointment as an External Director in the view that he can make good use in the Company's management of his extensive knowledge and great experience in banking management.
Ms. Nobuko Matsubara is proposed for appointment as an External Director in the view that she can make good use in the Company's management of her knowledge, experience and other skills cultivated tackling labor issues in the Japanese public service.

Mr. Ikujiro Nonaka is proposed for appointment as an External Director in the view that he can make good use in the Company's management of his deep insight into management and supervisory ability, as a specialist in international business strategy.

Mr. Hiroshi Hirabayashi is proposed for appointment as an External Director in the view that he can make good use in the Company's management of his great international experience, knowledge and other skills cultivated as a diplomat.

Ms. Matsubara, Mr. Nonaka and Mr. Hirabayashi have no experience of direct involvement in company management, however we are of the view that they can appropriately perform their duties as External Directors, providing accurate advice on the Company's management from a broad perspective not restricted to the Company's industry.

3. The Company has entered into agreements with Mr. Akishige Okada, Ms. Nobuko Matsubara, Mr. Ikujiro Nonaka and Mr. Hiroshi Hirabayashi pursuant to Article 427(1) of the Companies Act of Japan to limit their liability as External Directors to the extent possible by law, and if their re-appointment is approved, the Company will continue these agreements for the limitation of the liability of these four individuals.

4. During the terms of office of Mr. Akishige Okada, Ms. Nobuko Matsubara, Mr. Ikujiro Nonaka and Mr. Hiroshi Hirabayashi, it was discovered that from September 2000 until February 2008, a business division of Kyushu Branch had been involved in circular transactions that included certain fictitious transactions of certain agriculture-related materials in the local market. In addition, in April 2009 it was discovered that a large part of Indonesia and other South East Asian countries-bound overseas trading transactions from April 2004 to August 2008 conducted by a business division of Performance Chemicals Business Unit was recorded inaccurately as purchase and sales transactions while in fact they had no underlying trade. Each of External Directors routinely proposes various recommendations to strengthen internal control systems and compliance at the Board of Director meetings. Also, since the discovery of these events, each of External Directors has presented their opinion and made proposals for preventative measures and recommendations to further strengthen internal control systems.

5. Mr. Akishige Okada was a director of Sumitomo Mitsui Banking Corporation (SMBC) during the period April 2001 until June 2005. SMBC received and accepted from the Japan Fair Trade Commission in December 2005 the decision that part of its business infringed Article 19 of the Act on Prohibition of Private Monopolization and Maintenance of Fair Trade of Japan and also received an administrative sanction in April 2006 from the Financial Services Agency of Japan.

Mr. Akishige Okada serves as external director of Mitsui Life Insurance Company Limited (Mitsui Life) since June 2008. In accordance with a regulatory order by the Financial Services Agency in February 2007, Mitsui Life investigated its insurance policies under which benefits were paid between its fiscal years of 2001 and 2007. Mitsui Life discovered that additional payments were required, and reported the results of its investigation to the Financial Services Agency. As a result, on July 3, 2008, Mitsui Life received an order of improvement program from such agency pursuant to the Article 132 (1) of the Insurance Business Act. After Mr. Okada began serving as director, he promoted measures to prevent a reoccurrence, further compliance with the laws and regulations and fortify the internal controls through discussions at the meetings of its board of directors.

Mr. Hiroshi Hirabayashi serves as external director of Toshiba Corporation (Toshiba) since June 2007. In April 2009, Toshiba received an order of business suspension by the Ministry of Land, Infrastructure, Transport and Tourism pursuant to the Construction Business Act due to its violation against the anti-monopoly laws in connection with the bids of construction work of specific electronic equipment invited by the City of Sapporo from April 2003 through December 2005. He made contributions to the board of directors to further fortify compliance so as to prevent the reoccurrence.

6. The eldest daughter of Mr. Hiroshi Hirabayashi works as an employee of the Company.

7. The term of office at the closure of the 90th Ordinary General Meeting of Shareholders as External Directors are as follows:
Mr. Akishige Okada: 6 years

Ms. Nobuko Matsubara: 3 years

Mr. Ikujiro Nonaka: 2 years

Edgar Filing: MITSUI & CO LTD - Form 6-K

Item 3: Election of One Corporate Auditor:
