Item 1.01 Entry into a Material Definitive Agreement.

On December 28, 2009, HUGHES Telematics, Inc. (the Company) completed a private placement of 2,516,667 shares of its common stock, par value \$0.0001 per share, to a group of institutional accredited investors who are not affiliated with the Company (the Purchasers) at a per share price of \$3.00, pursuant to the terms of a Stock Purchase Agreement, dated December 24, 2009, by and among the Company and each of the Purchasers (the Stock Purchase Agreement). The aggregate purchase price for the common stock sold in the private placement was approximately \$7.6 million, consisting of approximately \$7.4 million in cash and the exchange of 1,662,200 of the Company's publicly-traded warrants which were cancelled following the closing of the private placement. The Company intends to use the net proceeds from the private placement for general corporate purposes.

The sale of the common stock in the private placement was not registered under the Securities Act, and the shares may not be sold in the United States absent registration or an applicable exemption from registration requirements. The shares were offered and sold pursuant to the exemption from registration afforded by Rule 506 under the Securities Act and/or Section 4(2) of the Securities Act.

In connection with the private placement, the Company entered into a registration rights agreement, dated December 24, 2009, (the Registration Rights Agreement) with the Purchasers requiring that, among other things, the Company register the resale of the shares of common stock sold in the private placement. If the Company does not meet certain deadlines with respect to making a registration statement covering such resale effective, then cash penalties of 1% of the purchase price per month for up to twelve months may apply.

Pursuant to an engagement letter executed in March 2009 for consulting and financial advisory services, in connection with the private placement, the Company expects to pay Trivergance, LLC (Trivergance), an affiliate of a member of the Company's board of directors, approximately \$0.1 million of cash and issue Trivergance a warrant to purchase 25,500 shares of common stock at an exercise price of \$0.21 per share.

The foregoing is a summary of the terms of the Stock Purchase Agreement and the Registration Rights Agreement and does not purport to be complete and is qualified in its entirety by reference to the full text of the Stock Purchase Agreement and the Registration Rights Agreement, copies of which are attached hereto as Exhibit 99.1 and 99.2, respectively.

Except as set forth in the SEC Reports and other than the grant of stock options or other equity awards that are not individually or in the aggregate material in amount, none of the officers or directors of the Company and, to the Company's knowledge, none of the employees of the Company, is presently a party to any transaction with the Company or to a presently contemplated transaction (other than for services as employees, officers and directors) that would be required to be disclosed pursuant to Item 404 of Regulation S-K promulgated under the Securities Act.

6.26 Internal Accounting Controls. The Company maintains internal control over financial reporting (as such term is defined in Rule 13a-15(f) under the Exchange Act) designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles and such internal control over financial reporting is effective.

6.27 Sarbanes-Oxley; Disclosure Controls. The Company is in compliance in all material respects with all of the provisions of the Sarbanes-Oxley Act of 2002 which are applicable to it. The Company maintains disclosure controls and procedures (as such term is defined in Rule 13a-15(e) and 15d-15(e) under the Exchange Act), and such disclosure controls and procedures are effective.

6.28 Certain Fees. Except as set forth in Schedule 6.28, no person or entity will have, as a result of the transactions contemplated by this Agreement, any valid right, interest or claim against or upon the Company or a Purchaser for any commission, fee or other compensation pursuant to any agreement, arrangement or understanding entered into by or on behalf of the Company.

6.29 Private Placement. Assuming the accuracy of the Purchasers' representations and warranties set forth in Section 5 of this Agreement, no registration under the Securities Act is required for the offer and sale of the Common Shares by the Company to the Purchasers hereunder.

6.30 No Integrated Offering. Assuming the accuracy of the Purchasers' representations and warranties set forth in Section 5, none of the Company, its Subsidiaries nor, to the Company's knowledge, any of its Affiliates or any Person acting on its behalf has, directly or indirectly, at any time within the past six months, made any offers or sales of any Company security or solicited any offers to buy any security under circumstances that would eliminate the availability of the exemption from registration under Regulation D under the Securities Act in connection with the offer and sale by the Company of the Common Shares as contemplated hereby.

6.31 No General Solicitation or General Advertising. Neither the Company nor any person acting on its behalf has engaged or will engage in any form of general solicitation or general advertising (within the meaning of Regulation D under the Securities Act) in connection with any offer or sale of the Shares.

6.32 Non-Public Information and Disclosure. The Company confirms that neither it nor any of its officers or directors nor any other Person acting on its or their behalf has provided any Non-Confidentiality Purchaser or its respective agents or counsel with any information that it believes constitutes or could reasonably be expected to constitute material, non-public information except insofar as the existence, provisions and terms of the Transaction Documents and the proposed transactions hereunder may constitute such information, all of which will be disclosed by the Company in the Press Release as contemplated by Section 8.2 hereof. The Company understands and confirms that each of the Non-Confidentiality Purchasers will rely on the foregoing representations in effecting transactions in securities of the Company. No event or circumstance has occurred or information exists with respect to the Company or any of its Subsidiaries or its or their business, properties, operations or financial conditions, which, under applicable law, rule or regulation, requires public disclosure or announcement by the Company but which has not been so publicly announced or disclosed, except for the announcement of this Agreement and related transactions and as may be disclosed on the Form 8-K filed pursuant to Section 8.2.

7. Deliveries; Closing Conditions; Deliverables.

(a) Each of the representations and warranties set forth in Section 6 hereof that is qualified by materiality, Material Adverse Effect or a similar qualifier shall be true and correct in all respects, and each of such representations and warranties that is not so qualified shall be true and correct in all material respects, in each case both as of the date hereof and as of the Closing Date as if made on the Closing Date (except to the extent expressly made solely as of the date hereof, in which case as of such date).

(b) The Company shall have complied in all material respects with all agreements, obligations and conditions contained herein required to be complied with by the Company prior to or at such Closing.

The terms, provisions and conditions of all such Approvals shall be reasonably satisfactory to such Purchaser. Certified copies or other appropriate evidence of all such Approvals, in form, scope and substance satisfactory to such Purchaser shall have been delivered to such Purchaser.

(f) No provision of any applicable Law shall prohibit the acquisition or issuance of the Common Shares. Without limiting the generality of the foregoing, the sale and issuance of the Common Shares shall not be required to be registered under the Securities Act or under any applicable State securities law. Further, no Action shall be threatened or shall be pending in which it is sought to restrain or prohibit or to obtain damages or other relief in connection with the transactions contemplated by this Agreement or any Transaction Document and no Order with respect thereto shall be in effect.

(g) There shall have been no Material Adverse Effect from and after the date hereof.

7.3 Conduct Pending Closing.

During the period from the date of this Agreement and continuing until the earlier of the termination of this Agreement pursuant to its terms and the Closing, the Company shall, and shall cause each of its Subsidiaries to (i) conduct its business in the ordinary course of business, (ii) maintain its corporate existence, preserve intact its business organization and, except in the ordinary course of business, its assets, (iii) keep available the services of its present executive officers, (iv) maintain in effect the Material Contracts (subject to the expiration of any such Contract pursuant to its terms), and (v) preserve present material business relationships with suppliers, customers, licensees and other Persons.

7.4 Notice of Certain Events. The Company shall promptly notify the Purchasers of any event, condition, fact, circumstance, occurrence, transaction or other item of which the Company becomes aware after the date hereof and prior to the Closing that would constitute a material violation or breach of this Agreement (or a material breach of any representation or warranty contained herein) or, if the same were to continue to exist as of the Closing Date, would result in any of the conditions set forth in Section 7 hereof not to be satisfied.

8. Post-Closing Covenants of the Company. The Company agrees that, following the Closing, it will do the following:

8.1 Use of Proceeds. The Company shall use the proceeds of this offering for general corporate purposes.

8.2 Securities Laws Disclosure: Publicity. By 9:00 a.m., New York City time, on the business day immediately following the execution of this Agreement, the Company shall issue one or more press releases (collectively, the "Press Release") reasonably acceptable to the Purchasers disclosing all material terms of the transactions contemplated hereby and any other material, nonpublic information that the Company may have provided any Non-Confidentiality Purchaser at any time prior to the filing of the Press Release. On or before 9:00 a.m., New York City time, on the second business day immediately following the execution of this Agreement, the Company will file a Current Report on Form 8-K with the SEC describing the terms of the Transaction Documents (and including as exhibits to such Current Report on Form 8-K this Agreement and the Registration Rights Agreement). Notwithstanding the foregoing, the Company shall not publicly disclose the name of any Purchaser or any Affiliate or investment adviser of any Purchaser, or include the name of any Purchaser or any Affiliate or investment adviser of any Purchaser in any press release or filing with the SEC or any regulatory agency or trading market, without the prior written consent of such Purchaser, except (i) as required by federal securities law in connection with (A) any registration statement contemplated by the Registration Rights Agreement and (B) the filing of final Transaction Documents with the SEC

and (ii) to the extent such disclosure is required by law, at the request of the staff of the SEC, in which case the Company shall provide the Purchasers with prior written notice of such disclosure permitted under this subclause (ii). From and after the issuance of the Press Release, no Non-Confidentiality Purchaser shall be in possession of any material, non public information received from the Company, any Subsidiary or any of their respective officers, directors or employees, that is not disclosed in the Press Release.

8.3 Non-Public Information. Except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents, and except with the express written consent of such Purchaser and unless prior thereto such Purchaser shall have executed a written agreement regarding the confidentiality and use of such information, the Company shall not, and shall cause each Subsidiary and each of their respective officers, directors, employees and agents, not to, and each Purchaser shall not directly solicit the Company, any of its Subsidiaries or any of their respective officers, directors, employees or agents to provide any Purchaser with any material, non-public information regarding the Company or any of its Subsidiaries from and after the filing of the Press Release.

8.4 Form D and Blue Sky. The Company agrees to timely file a Form D with respect to the Common Shares as required under Regulation D. The Company, on or before the Closing Date, shall take such action as the Company shall reasonably determine is necessary in order to obtain an exemption for or to qualify the Common Shares for sale to the Purchasers at the Closing pursuant to this Agreement under applicable securities or Blue Sky laws of the states of the United States (or to obtain an exemption from such qualification). The Company shall make all filings and reports relating to the offer and sale of the Shares required under applicable securities or Blue Sky laws of the states of the United States following the Closing Date.

8.5 No Integration. The Company shall not, and shall use its commercially reasonable efforts to ensure that no Affiliate of the Company shall, sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that will be integrated with the offer or sale of the Common Shares in a manner that would require the registration under the Securities Act of the sale of the Common Shares to the Purchasers.

8.6 Cancellation of Purchase Consideration Warrants. The Purchase Consideration Warrants shall be cancelled.

9. Restrictive Legends. In the event the Common Shares are issued in certificated form, the certificates evidencing such shares shall be stamped or otherwise imprinted with a legend in substantially the following forms and the Common Shares shall not be sold or otherwise transferred except in accordance therewith. The Common Shares will bear the following legend:

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE ACT), OR APPLICABLE STATE SECURITIES LAWS AND MAY NOT BE SOLD OR TRANSFERRED UNLESS (I) A

REGISTRATION STATEMENT COVERING SUCH SALE OR TRANSFER IS EFFECTIVE UNDER THE ACT, OR (II) THE TRANSACTION IS EXEMPT FROM REGISTRATION UNDER THE ACT AND, IF THE CORPORATION REQUESTS, AN OPINION SATISFACTORY TO THE CORPORATION TO SUCH EFFECT HAS BEEN RENDERED BY COUNSEL.

The restrictive legend set forth above shall be removed and the Company shall issue a certificate without such restrictive legend or any other restrictive legend to the holder of the applicable Common Shares upon which it is stamped or issue to such holder by electronic delivery at the applicable balance account at the Depository Trust Company (DTC), if (i) such Common Shares are registered for resale under the Securities Act, (ii) such Common Shares are sold or transferred pursuant to Rule 144, or (iii) such Common Shares are eligible for sale under Rule 144, without the requirement for the Company to be in compliance with the current public information required under Rule 144 as to such securities and without volume or manner-of-sale restrictions. Following the earlier of (i) the effective date of a registration statement covering the resale of Common Shares or (ii) Rule 144 becoming available for the resale of Common Shares, without the requirement for the Company to be in compliance with the current public information required under Rule 144 as to the Common Shares and without volume or manner-of-sale restrictions, the Company shall instruct its transfer agent to remove the legend from the Common Shares and shall cause its counsel to issue any legend removal opinion required by the transfer agent. Any fees (with respect to the transfer agent or Company counsel) associated with the issuance of such opinion or the removal of such legend shall be borne by the Company. If a legend is no longer required pursuant to the foregoing, the Company will no later than three (3) business days following the delivery by a Purchaser to the Company or the transfer agent (with notice to the Company) of a legended certificate or instrument representing such Common Shares (endorsed or with stock powers attached, signatures guaranteed, and otherwise in form necessary to affect the reissuance and/or transfer) and any required Rule 144 representation letter, deliver or cause to be delivered to such Purchaser a certificate or instrument (as the case may be) representing such Common Shares that is free from all restrictive legends. The Company may not make any notation on its records or give instructions to the transfer agent that enlarge the restrictions on transfer set forth in this Section 9. Certificates for Common Shares free from all restrictive legends may be transmitted by the transfer agent to the Purchasers by crediting the account of the Purchaser's prime broker with DTC as directed by such Purchaser.

10. Indemnification.

10.1 Indemnification by the Company. In addition to the indemnity provided in the Registration Rights Agreement, the Company shall indemnify, defend and hold harmless each of the Purchasers, their respective Affiliates, the respective Representatives of the Purchasers and their Affiliates and the successors and assigns of each of the foregoing (collectively, the Purchaser Group) from and against all demands, claims, actions or causes of action, assessments, losses, damages, liabilities, costs and expenses, including, but not limited to, interest, penalties and reasonable attorneys' fees and expenses (collectively, Actual Damages), asserted against, imposed upon or incurred by the Purchaser Group or any member thereof, directly or indirectly, by reason of or resulting from the breach of any representation, warranty, covenant or agreement of the Company contained in any Transaction Document, any schedule thereto or in any other agreement or certificate delivered by or on behalf of the Company

pursuant to any Transaction Document or in connection with the transactions contemplated thereby, regardless of whether such Actual Damages arise as a result of the negligence, strict liability or any other liability imposed under any theory of law or equity, or violation of any law by, the Company or any of its Affiliates, or their respective officers, employees, agents or consultants. If and to the extent that such indemnification is unenforceable for any reason, the Company shall make the maximum contribution to the payment and satisfaction of such Actual Damages which shall be permissible under applicable Law. Such contribution shall be determined upon taking into account the relative benefits and relative fault of the parties hereto.

10.2 Notice and Defense of Claims. The parties' obligations and liabilities hereunder with respect to claims resulting from the assertion of liability by the Purchaser Group (or any member thereof) or third parties shall be subject to the following terms and conditions:

(a) Notice. The party seeking indemnification hereunder (each, an Indemnified Party) shall give prompt written notice to the Company of any claim or event known to it which does or may give rise to a claim by the Indemnified Party against the Company for which the Indemnified Party believes it is entitled to indemnification pursuant to this Section 10, stating the nature and basis of said claims or events and the amounts thereof, to the extent known, and in the case of any Action brought by any third party, a copy of any claim, process or legal pleadings with respect thereto promptly after any such documents are received by the Indemnified Party; provided, that the failure to provide timely notice shall not affect the Company's indemnification obligations hereunder except to the extent the Company shall have been materially prejudiced thereby. Such notice shall be given in accordance with Section 11.2 hereof.

(b) Third Party Claims or Actions.

(i) In the event any Action is made or brought by any third party against an Indemnified Party, with respect to which the Company may have liability for Actual Damages under this Section 10, the Company shall, at its own expense, be entitled to participate in and, to the extent that it shall wish, to assume the defense, with independent counsel reasonably satisfactory to the Indemnified Party.

(ii) If the Company elects to assume control of such defense or settlement, it shall conduct such defense or settlement in a manner reasonably satisfactory to and effective to protect, the Indemnified Party; and such party and its counsel will keep the Indemnified Party reasonably advised as to its conduct of such defense or settlement, and no compromise or settlement shall be agreed or made without the written consent of the Indemnified Party, which consent shall not be reasonably withheld. In any case, the Indemnified Party shall have the right to employ its own counsel and such counsel may participate in such Action, but the fees and expenses of such counsel shall be at the expense of the Indemnified Party, when and as incurred, unless (A) the employment of counsel by the Indemnified Party has been authorized in writing by the Company, (B) the Company shall not in fact have employed counsel reasonably satisfactory to the Indemnified Party to assume the defense of such Action within five days after the Company has notice thereof, (C) the Company fails to conduct such defense or settlement in a reasonable manner, (D) the defense of the Indemnified Party by the Company would

be inappropriate due to actual or potential conflicts of interest between such Indemnified Party and any other party represented by such counsel in such Action, or (E) the actual or potential defendants in, or targets of, any such Action include both the Indemnified Party and the Company, and the Indemnified Party reasonably determines that there may be legal defenses available to such Indemnified Party which are different from or in addition to those available to the Company. If any clause (A) through (E) of the preceding sentence shall be applicable, then the Indemnified Party shall have the right to employ one separate counsel (and any required local counsel) to direct or participate in the defense of such Action on behalf of the Indemnified Party and may contest, pay, settle or compromise any such claim on such terms and conditions as the Indemnified Party may determine (subject to the consent of the Company which shall not be unreasonably withheld), and the reasonable fees and disbursements of such one counsel (and local counsel) shall constitute Actual Damages hereunder.

(iii) Each party shall keep each of the other parties hereto reasonably informed of such Action at all stages thereof whether or not such party is represented by its own counsel.

10.3 Payments. The indemnification required by this Section 10 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or Actual Damages are incurred.

10.4 No Exclusive Remedy. For the avoidance of doubt, the provisions of this Section 10 shall not be any Purchaser's exclusive remedy against the Company for any demand, claim, action or cause of action, assessment, loss, damage, liability, cost or expense.

11. Miscellaneous.

11.1 Miscellaneous; Waivers and Amendments. Upon the approval of each Purchaser, the Company may amend or modify in any manner any term or provision of this Agreement or the rights and obligations hereunder of the Purchasers and the Company; provided that upon the approval of each Purchaser, as to such Purchaser, the obligations of the Company and the rights of such Purchaser under this Agreement may be waived (either generally or in a particular instance, either retroactively or prospectively and either for a specified period of time or indefinitely). No consideration shall be offered or paid to any Purchaser to amend or consent to a waiver or modification of any provision of any Transaction Document unless the same consideration is also offered to all Purchasers who then hold Common Shares (or are then entitled to purchase Common Shares under this Agreement).

11.2 Notices. All notices, requests, consents and other communications required or permitted hereunder shall be in writing and shall be (i) hand delivered, (ii) mailed postage prepaid by registered or certified mail, (iii) sent by nationally recognized courier service, or (iv) transmitted by confirmed facsimile or other electronic transmission; provided that such facsimile or other electronic transmission be followed by notice via another method permitted hereby.

(a) If to a Purchaser, to the address set forth under such Purchaser's name on Schedule 1 hereto, with a copy to (which shall not constitute notice):

or

(b) If to the Company, addressed to the attention of its Chief Financial Officer at the most recent address listed on the cover page of its most recent filing with the Securities and Exchange Commission, with a copy to (which shall not constitute notice):

Attention: Gregory A. Fernicola, Esq.

Facsimile No.: (212) 735-2000

or at such other address as the Company or any Purchaser may specify by written notice to each other, and each such notice, request, consent and other communication shall for all purposes of the Agreement be treated as being effective or having been given when delivered if delivered personally, if sent by mail, at the earlier of its receipt or seventy-two (72) hours after the same has been deposited in a regularly maintained receptacle for the deposit of United States mail, addressed and postage prepaid as aforesaid, on the next business day if sent by overnight courier service or upon receipt of facsimile or other electronic confirmation if transmitted during regular business hours of the recipient and, if not, on the next business day.

11.3 No Implied Waivers. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by Law.

11.4 Successors and Assigns. All the terms and provisions of this Agreement shall be binding upon and inure to the benefit of, and be enforceable by, the respective parties hereto, the successors and assigns of each Purchaser and the successors of the Company, whether so expressed or not. The Company may not assign any of its rights or obligations hereunder without the prior written consent of the Purchasers. Except as expressly set forth herein, this Agreement shall not inure to the benefit of, or be enforceable by, any other Person.

11.5 Headings. The headings and other captions in this Agreement are for convenience and reference only and shall not be used in interpreting, construing or enforcing any provision of this Agreement.

11.6 Governing Law. The internal Laws, and not the Laws of conflicts (other than Section 5-1401 of the General Obligations Law of the State of New York), of New York shall govern the enforceability and validity of this Agreement, the construction of its terms and the interpretation of the rights and duties of the parties.

11.7 Fees and Expenses. The Company shall pay the reasonable legal fees and expenses of Greenberg Traurig, LLP, counsel to certain Purchasers, incurred by such Purchasers in connection with the transactions contemplated by the Transaction Documents which shall not exceed \$25,000, which amount shall be paid directly by the Company at the Closing or paid by the Company upon termination of this Agreement so long as such termination did not occur as a result of a material breach by such Purchasers of any of their obligations hereunder (as the case may be). Except as set forth above or elsewhere in the Transaction Documents, the Parties hereto shall be responsible for the payment of all expenses incurred by them in connection with the preparation and negotiation of the Transaction Documents and the consummation of the Transactions.

11.8 Specific Performance. The parties hereto agree that if any of the provisions of this Agreement are not performed in accordance with their specific terms or otherwise breached, irreparable damage would occur, no adequate remedy at law would exist and damages would be difficult to determine, and that the parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy at law or equity.

11.9 Exclusive Jurisdiction. Any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the Transaction may be brought in any federal or state court located in the County and State of New York, and each of the parties hereby consents to the exclusive jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by Law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 11.2 shall be deemed effective service of process on such party.

11.10 Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

11.11 Counterparts; Effectiveness. This Agreement may be executed in any number of counterparts (including by facsimile or portable document format) and by different parties hereto in separate counterparts, with the same effect as if all parties had signed the same document. All such counterparts shall be deemed an original, shall be construed together and shall constitute one and the same instrument. This Agreement shall become effective when each party hereto shall have received counterparts hereof signed by all of the other parties hereto.

11.12 Entire Agreement. This Agreement and the other Transaction Documents contain the entire agreement among the parties hereto with respect to the subject matter hereof and supersede and replace all other prior agreements, written or oral, among the parties hereto with respect to the subject matter hereof.

11.13 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the Transaction is not affected in any manner materially adverse to any party. Upon such a determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the Transaction be consummated as originally contemplated to the fullest extent possible.

11.14 Independent Nature of Purchasers. The obligations of each Purchaser under the Transaction Documents are several and not joint with the obligations of any other Purchaser, and no Purchaser shall be responsible in any way for the performance of the obligations of any other Purchaser under any Transaction Document. The decision of each Purchaser to purchase Common Shares pursuant to the Transaction Documents has been made by such Purchaser independently of any other Purchaser and independently of any information, materials, statements or opinions as to the business, affairs, operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company or any Subsidiary which may have been made or given by any other Purchaser or by any agent or employee of any other Purchaser, and no Purchaser and any of its agents or employees shall have any liability to any other Purchaser (or any other Person) relating to or arising from any such information, materials, statement or opinions. Nothing contained herein or in any Transaction Document, and no action taken by any Purchaser pursuant thereto, shall be deemed to constitute the Purchasers as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Purchasers are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. Each Purchaser acknowledges that no other Purchaser has acted as agent for such Purchaser in connection with making its investment hereunder and that no Purchaser will be acting as agent of such Purchaser in connection with monitoring its investment in the Common Shares or enforcing its rights under the Transaction Documents. Each Purchaser shall be responsible only for its own representations, warranties, agreements and covenants hereunder. Except as otherwise provided in the Transaction Documents, each Purchaser shall be entitled to independently protect and enforce its rights arising out of the Transaction Documents, and it shall not be necessary for any other Purchaser to be joined as an additional party in any proceeding for such purpose.

11.15 Taxes and Filings. The Company shall pay all original issuance, transfer, stamp and other similar taxes payable in respect of the issuance of the Common Shares; provided that the Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the issue and delivery of any Common Shares in a name other than that of a Purchaser, and the Company shall have no obligation to make any such issuance or delivery unless and until the Person requesting such issue has paid to the Company the amount of any such tax, or has established to the reasonable satisfaction of the Company that such tax has been

or will be paid. The Company shall make all appropriate filings required to be made under the laws of Delaware and any other jurisdiction with respect to the transactions contemplated by this Agreement.

11.16 Survival. Except as otherwise set forth herein, all agreements, covenants, representations and warranties of the Company herein or of (or on behalf of) the Company in any certificates or other instruments delivered pursuant to this Agreement shall: (i) be deemed to be material and to have been relied upon by the Purchasers, notwithstanding any investigation heretofore or hereafter made by the Purchasers or on behalf of any one or more Purchasers, and (ii) not be limited or otherwise affected by any disposition of any Common Shares and survive the Closing; provided, however, that the representations and warranties of the Company shall expire 12 months following the Closing Date after which date, none of such representations and warranties shall survive.

11.17 Remedies Cumulative, etc. No remedy herein conferred upon the Purchasers is intended to be exclusive of any other remedy and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. No course of dealing between the Company and the Purchasers or any subsequent holder of Common Shares and no delay or failure in exercising any rights hereunder in respect thereof shall operate as a waiver of or otherwise prejudice any of the rights or the rights of the Purchasers or holders of Common Shares. In addition to any and all other remedies that may be available at law in the event of any breach of this Agreement, each Purchaser and each subsequent holder of Common Shares shall be entitled to specific performance of the agreements and obligations of the Company hereunder and to such other injunctive or other equitable relief as may be granted by a court of competent jurisdiction.

11.18 No Third Party Beneficiaries. This Agreement shall not confer any rights or remedies upon any person other than the parties hereto, their permitted successors and assigns, except as expressly provided this Agreement.

11.19 Confidentiality. Each Purchaser, severally and not jointly with the other Purchasers, covenants that until such time as the transactions contemplated by this Agreement are publicly disclosed by the Company as described in Section 8.2, such Purchaser will maintain the confidentiality of all disclosures made to it in connection with this transaction (including the existence and terms of this transaction). Nothing in this Agreement shall effect any existing confidentiality agreement.

11.20 Termination. This Agreement may be terminated and the sale and purchase of the Common Shares abandoned at any time prior to the Closing by either the Company or any Purchaser (with respect to itself only) upon written notice to the other, if the Closing has not been consummated on or prior to 5:00 p.m., New York City time, on the thirtieth day following the date of this Agreement; provided, however, that the right to terminate this Agreement under this Section 11.20 shall not be available to any Person whose failure to comply with its obligations under this Agreement has been the cause of or resulted in the failure of the Closing to occur on or before such time. Nothing in this Section 11.20 shall be deemed to release any party from any liability for any breach by such party of the terms and provisions of

this Agreement or the other Transaction Documents or to impair the right of any party to compel specific performance by any other party of its obligations under this Agreement or the other Transaction Documents. In the event of a termination pursuant to this Section, the Company shall promptly notify all non-terminating Purchasers. Upon a termination in accordance with this Section, the Company and the terminating Purchaser(s) shall not have any further obligation or liability (including arising from such termination) to the other, and no Purchaser will have any liability to any other Purchaser under the Transaction Documents as a result thereof.

ARTICLE II

SHELF REGISTRATION RIGHTS

Section 2.1 Shelf Registration. Company will, subject to Sections 3.1 and 3.13 hereof, cause a registration statement on Form S-1 or Form S-3 relating to the resale of the Registrable Securities by the Registrable Securityholders on a continuous basis pursuant to Rule 415 under the Securities Act (the Registration Statement), to be filed with the Securities and Exchange Commission as promptly as possible following the date hereof and in any event no later than February 12, 2010 (the Filing Deadline). Notwithstanding the registration obligations set forth in this Agreement, in the event the Commission informs the Company that all of the Registrable Securities cannot, as a result of the application of Rule 415, be registered for resale as a secondary offering on a single registration statement, the Company agrees to promptly (i) inform each of the Registrable Securityholders thereof and use its commercially reasonable efforts to file amendments to the initial Registration Statement as required by the Commission and/or (ii) withdraw the initial Registration Statement and file a new Registration Statement, in either case covering the maximum number of Registrable Securities permitted to be registered by the Commission, on such form available to the Company to register for resale the Registrable Securities as a secondary offering; provided, however, that prior to filing such amendment or new Registration Statement, the Company shall be obligated to use its commercially reasonable efforts to advocate with the Commission for the registration of all of the Registrable Securities in accordance with the SEC Guidance, including without limitation, Compliance and Disclosure Interpretation 612.09. In the event the Company amends the initial Registration Statement or files a new Registration Statement, as the case may be, under clauses (i) or (ii) above, the Company will use its commercially reasonable efforts to file with the Commission, as promptly as allowed by Commission or SEC Guidance provided to the Company or to registrants of securities in general, one or more registration statements on such form available to the Company to register for resale those Registrable Securities that were not registered for resale on the initial Registration Statement, as amended, or the new Registration Statement. No Registrable Securityholder shall be named as an underwriter in any Registration Statement without such Registrable Securityholder's prior written consent.

Section 2.2 Company will use its commercially reasonable best efforts to cause each Registration Statement to become effective as soon as practicable after the date of such filing and in any event no later than the Effectiveness Deadline. The Company shall, by 9:30 a.m. New York City time on the first Business Day after the effective date of such Registration Statement, file a final prospectus with the Commission, as required by Rule 424(b) under the Securities Act.

Section 2.3 If: (i) a Registration Statement covering all of the Registrable Securities is not declared effective by the Commission (or otherwise does not become effective) for any reason on or prior to the Effectiveness Deadline or (ii) after its effective date, (A) such Registration Statement ceases for any reason (including without limitation by reason of a stop order, or the Company's failure to update the Registration Statement), to remain continuously effective as to all Registrable Securities for which it is required to be effective or (B) the Holders are not permitted to utilize the Prospectus therein to resell such Registrable Securities, in the case of (A) and (B) (other than during an Allowable Blackout Period (as defined in Section 3.5 of this Agreement)), (iii) a Blackout Period (as defined in Section 3.5 of this Agreement) exceeds the length or number, in each case individually or in the aggregate, of an Allowable Blackout Period, or (iv) after the date six months following the Closing Date, and only in the event a Registration Statement is not available to sell all Registrable Securities, the Company fails to file with the Commission any required reports under Section 13 or 15(d) of the Exchange Act such that it is not in compliance with Rule 144(c)(1) or Rule 144(i)(2) as a result of which the Registrable Securityholders who are not affiliates are unable to sell Registrable Securities without restriction under Rule 144 (or any successor thereto) (any such failure or breach in clauses (i) through (iv) above being referred to as an Event, and, for purposes of clauses (ii) or (iv), the date on which such Event occurs, for purposes of clause (i), the 30th calendar day after such Event, and for purposes of clause (iii) the date on which such Allowable Blackout Period is exceeded, being referred to as an Event Date), then in addition to any other rights the Registrable Securityholders may have hereunder or under applicable law, on each such Event Date and on each monthly anniversary of each such Event Date (if the applicable Event shall not have been cured by such date) until the applicable Event is cured, the Company shall pay to each Holder an amount in cash, as liquidated damages and not as a penalty, equal to 1.0% of the aggregate purchase price paid by such Registrable Securityholder pursuant to the Purchase Agreement for any Registrable Securities held by such Registrable Securityholder on the Event Date. The parties agree that notwithstanding anything to the contrary herein, no liquidated damages shall be payable (i) if as of the relevant Event Date, the Registrable Securities may be sold by non-affiliates without volume or manner of sale restrictions under Rule 144 and the Company was in compliance with the current public information requirements under Rule 144 (including under Rule 144(c)(1) and Rule 144(i)(2)), as determined by counsel to the Company (which may be in-house counsel) pursuant to a written opinion letter to such effect, addressed and reasonably acceptable to the Company's transfer agent and (ii) with respect to any period after the expiration of the Effectiveness Period (it being understood that this sentence shall not relieve the Company of any liquidated damages accruing prior to the Effectiveness Period), and in no event shall, the aggregate amount of liquidated damages payable to a Registrable Securityholder exceed, in the aggregate, twelve percent (12%) of the aggregate purchase price paid by such Registrable Securityholder pursuant to the Purchase Agreement. If the Company fails to pay any liquidated damages pursuant to this Section 2.3 in full within five (5) Business Days after the date payable, the Company will pay interest thereon at a rate of 1.0% per month (or such lesser maximum amount that is permitted to be paid by applicable law) to the Registrable Securityholder, accruing daily from the date such liquidated damages are due until such amounts, plus all such interest thereon, are paid in full. The liquidated damages pursuant to the terms hereof shall apply on a daily pro-rata basis for any portion of a month prior to the cure of an Event, except in the case of the first Event Date. The Effectiveness Deadline for a Registration Statement shall be extended

without default or liquidated damages hereunder in the event that the Company's failure to obtain the effectiveness of the Registration Statement on a timely basis results from the failure of a Registrable Securityholder to timely provide the Company with information requested by the Company and necessary to complete the Registration Statement in accordance with the requirements of the Securities Act (in which case the Effectiveness Deadline would be extended with respect to Registrable Securities held by such Registrable Securityholder).

ARTICLE III

REGISTRATION PROCEDURES

Section 3.1 Filings; Information. Company may postpone the filing of the Registration Statement if, based on the good faith judgment of the Board, such postponement is necessary in order to avoid premature disclosure of a matter the Board has determined would not be in the best interest of Company to be disclosed at such time. The Company shall provide written notice to the Registrable Securityholders of any postponement of the filing of the Registration Statement pursuant to this Section 3.1. Company may defer the filing of the Registration Statement pursuant to this Section 3.1 only once and for not more than 30 consecutive days. The period during which filing is so postponed hereunder is referred to as a Delay Period.

Section 3.2 Copies. Company shall, at least three (3) Business Days prior to filing the Registration Statement or prospectus, or any amendment or supplement thereto, furnish without charge to such Registrable Securityholder, and, if requested in writing by any Registrable Securityholder, such holders' legal counsel, copies of the Registration Statement as proposed to be filed, each amendment and supplement to the Registration Statement (in each case including all exhibits thereto and documents incorporated by reference therein), the prospectus included in the Registration Statement (including each preliminary prospectus) and, subject to prior receipt by Company from a Registrable Securityholder of any confidentiality agreement as Company may reasonably request, such other documents as any Registrable Securityholder or legal counsel for any Registrable Securityholder may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such Registrable Securityholder. Each Registrable Securityholder shall have the opportunity to review and comment on the Registration Statement or prospectus, or any amendment or supplement thereto. Company shall make available to the Registrable Securityholders each letter written by or on behalf of Company to the Commission or the staff of the Commission (or other governmental agency or self-regulatory body or other body having jurisdiction, including any domestic or foreign securities exchange), and each item of correspondence from the Commission or the staff of the Commission (or other governmental agency or self-regulatory body or other body having jurisdiction, including any domestic or foreign securities exchange), in each case relating to the Registration Statement.

Section 3.3 Effectiveness Period. After the Registration Statement has become effective, and subject to any Blackout Periods, Company shall use its reasonable best efforts to keep such Registration Statement effective until the earlier of (i) the date that all Registrable Securities covered by such Registration Statement may be sold by non-affiliates without volume

or manner of sale restrictions under Rule 144, without the requirement for the Company to be in compliance with the current public information requirements under Rule 144 (including under Rule 144(c)(1) and Rule 144(i)(2)), as determined by counsel to the Company (which may be in-house counsel) pursuant to a written opinion letter to such effect, addressed and reasonably acceptable to the Company's transfer agent, or (ii) such time as all Registrable Securities covered by the Registration Statement have been publicly sold either pursuant to the Registration Statement in accordance with the plan of distribution set forth therein or pursuant to Rule 144 (the Effectiveness Period). Company shall prepare and file with the Commission such amendments, including post-effective amendments, and supplements to the Registration Statement and the prospectus used in connection therewith as may be necessary to keep the Registration Statement effective and in compliance with the provisions of the Securities Act for the Effectiveness Period.

Section 3.4 Notification. After the filing of the Registration Statement and any amendment or supplement thereto, Company shall promptly, and in no event more than two (2) Business Days after such filing, notify the Registrable Securityholders of such filing, and shall further notify such holders promptly and confirm such advice in writing in all events within one (1) Business Day of the occurrence of any of the following: (i) when the Registration Statement becomes effective; (ii) when any post-effective amendment to the Registration Statement becomes effective; (iii) the issuance or threatened issuance by the Commission of any stop order (and Company shall take all actions required to prevent the entry of such stop order or to remove it if entered); and (iv) any request by the Commission for (x) any amendment or supplement to the Registration Statement or any prospectus relating thereto or (y) a Suspension Notice.

Section 3.5 Blackout Periods. Upon the happening of any event as a result of which (i) the prospectus included in the Registration Statement contains an untrue statement of a material fact or omits any material fact necessary to make the statements therein not misleading or (ii) the Company files a post-effective amendment to the Registration Statement, the Company shall promptly notify each Registrable Securityholder included in the Registration Statement (a Suspension Notice) and each Registrable Securityholder will forthwith discontinue disposition of Registrable Securities pursuant to the Registration Statement for a reasonable length of time not to exceed 15 days (or not more than 60 days in the case of (ii) if the Commission has informed the Company that it intends to review the post-effective amendment) until such Registrable Securityholder is advised in writing by Company that the use of the prospectus may be resumed (or the post-effective amendment has been declared effective, as applicable) and is furnished with a supplemented or amended prospectus (a Blackout Period); provided, however, that such postponement of sales of Registrable Securities by such Registrable Securityholder shall not exceed forty-five (45) days (or 60 days in the case of an event referenced in (ii) if the Commission has informed the Company that it intends to review the post-effective amendment) in the aggregate in any 12-month period. In any event, Company shall not be entitled to deliver more than a total of three (3) Suspension Notices in any 12-month period. A Blackout Period that does not violate any of the restrictions on Blackout Periods set forth herein is referred to in this Agreement as an Allowable Blackout Period. In no event shall any such notice under this Section 3.5 contain any information which would constitute material, non-public information regarding the Company or any of its subsidiaries.

Section 3.6 Securities Laws Compliance. Company shall use its best efforts to (i) register or qualify the Registrable Securities covered by the Registration Statement under such securities or blue sky laws of such jurisdictions (domestic or foreign) as the Registrable Securityholders included in the Registration Statement may request and (ii) take such action necessary to cause such Registrable Securities covered by the Registration Statement to be registered with or approved by such other Governmental Authorities as may be necessary by virtue of the business and operations of Company and do any and all other acts and things that may be necessary or advisable to enable the Registrable Securityholders to consummate the disposition of the Registrable Securities in such jurisdictions; *provided, however*, that Company shall not be required to qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this paragraph or subject itself to taxation in any such jurisdiction. Company represents and warrants that no Registration Statement (including any amendments or supplements thereto and Prospectuses contained therein) shall contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements therein not misleading (except that Company makes no representation or warranty with respect to information furnished to Company by or on behalf of a Registrable Securityholder, any other security holder or any underwriters specifically for use therein).

Section 3.7 Records. Company shall make available for inspection by the Registrable Securityholders and any attorney, accountant or other professional retained by any Registrable Securityholder, all financial and other records, pertinent corporate documents and properties of Company, as shall be reasonably necessary to enable them to exercise their due diligence responsibility, and cause Company's officers, directors and employees to supply all information reasonably requested by any of them in connection with the Registration Statement, subject to prior receipt by Company of any confidentiality agreements as Company may reasonably request from the Registrable Securityholders, any attorney, accountant or other professional retained by any of the Registrable Securityholders.

Section 3.8 Earnings Statement. Company shall comply with all applicable rules and regulations of the Commission and the Securities Act, and make available to its stockholders, not later than March 31 of the calendar year following the effectiveness of the Registration Statement (provided that if the Registration Statement is declared effective prior to March 31, 2010, such obligation shall relate to March 31, 2010) an earnings statement covering a period of twelve (12) months, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder.

Section 3.9 Confidentiality. Company will hold in confidence and will not make any disclosure of non-public information concerning any Registrable Securityholder unless (i) disclosure of such information is reasonably necessary to comply with federal or state securities laws, rules, statutes or regulations, (ii) the disclosure of such information is necessary to avoid or correct a misstatement or omission in the Registration Statement or other public filing by Company, (iii) the release of such information is ordered pursuant to a subpoena or other order from a court or Governmental Authority of competent jurisdiction or is otherwise required by applicable law or legal process, or (iv) such Registrable Securityholder consents to the form and content of any such disclosure.

Section 3.10 Free Writing Prospectuses. The Registrable Securityholders shall not, and shall not permit any officer, manager, broker or any other person acting on behalf of the Registrable Securityholders to use any free writing prospectus (as defined in Rule 405 under the Securities Act) in connection with the Registration Statement, without the prior written consent of Company.

Section 3.11 Obligation to Suspend Distribution. Upon receipt of any Suspension Notice from Company, each Registrable Securityholder shall immediately discontinue disposition of such Registrable Securities pursuant to the Registration Statement for a reasonable period of time as set forth in Section 3.5 until such holder receives notice that the supplemented or amended prospectus has been filed and, if so directed by Company, each such holder will deliver to Company all copies, other than permanent file copies then in such holder's possession, of the most recent prospectus covering such Registrable Securities at the time of receipt of such notice.

Section 3.12 Registration Expenses. Company shall bear all costs and expenses incurred in connection with the Registration Statement, and all expenses incurred in performing or complying with its other obligations under this Agreement, including, without limitation: (i) all registration, qualification and filing fees; (ii) fees and expenses of compliance with securities or blue sky laws (including fees and disbursements of counsel in connection with blue sky qualifications of the Registrable Securities); (iii) printing expenses (including expenses of printing stock certificates and prospectuses); (iv) Company's internal expenses (including, without limitation, all salaries and expenses of its officers and employees); (v) the fees and expenses incurred in connection with the listing of the Registrable Securities, if any; (vi) Financial Industry Regulatory Authority fees; (vii) the fees and expenses of any special experts retained by Company in connection with such Registration; (viii) transfer agent's and registrar's fees, (ix) cost of distributing Prospectuses in preliminary and final form as well as any supplements, thereto, (x) messenger, word processing, duplicating, telephone and delivery expenses incurred by Company, and (xi) Securities Act liability insurance, if Company purchases such insurance. Company shall have no obligation to pay any selling commissions attributable to the Registrable Securities being sold by the holders thereof, which selling commissions shall be borne by such holders.

Section 3.13 Information. Each of the Registrable Securityholders shall provide such information as may reasonably be requested (based on the advice of counsel) by Company, in connection with the preparation of the Registration Statement, including amendments and supplements thereto. At least five (5) Business Days prior to the first anticipated filing date of the Registration Statement, Company shall notify each Registrable Securityholder of the information Company requires from such holder if such holder elects to have any of its Registrable Securities included in the Registration Statement. The Company's obligations under Article II hereof to file the Registration Statement and use its commercially reasonable best efforts to have the Registration Statement declared effective and to maintain the effectiveness of the Registration Statement for the Effectiveness Period, with respect to each Registrable Securityholder, are conditioned on the receipt of such information and to the extent any Registrable Securityholder has failed to provide the Company with such information, the Company's obligations with respect to such Registrable Securityholder (but not with respect to

any other Registrable Securityholder) will be suspended (but not otherwise diminished) until such requested information has been provided to the Company.

Section 3.14 Form S-3. Once the Company becomes eligible to use Form S-3 for the registration of the resale of Registrable Securities, the Company shall use commercially reasonable efforts to register the Registrable Securities on Form S-3 promptly after such form is available, provided that the Company shall maintain the effectiveness of the Registration Statement then in effect until such time as a Registration Statement on Form S-3 covering the Registrable Securities has been declared effective by the Commission.

ARTICLE IV

INDEMNIFICATION AND CONTRIBUTION

Section 4.1 Indemnification by Company. Company agrees to indemnify and hold harmless to the fullest extent permitted by law each Registrable Securityholder, each of such Registrable Securityholder's respective officers, employees, affiliates, directors, partners, members, attorneys and agents, and each person, if any, who controls a Registrable Securityholder (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) (each, a Registrable Securityholder Indemnified Party), from and against any expenses, losses, judgments, claims, damages, liabilities or actions, whether joint or several, arising out of or based upon any untrue statement or allegedly untrue statement of a material fact contained in the Registration Statement, any preliminary prospectus, final prospectus or summary prospectus contained in the Registration Statement, or any amendment or supplement to the Registration Statement, or arising out of or based upon any omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or any violation or alleged violation by Company of the Securities Act, the Exchange Act or other applicable federal, state, blue sky or common law or any rule or regulation promulgated thereunder applicable to Company and relating to action or inaction required of Company in connection with the Registration Statement. Company shall promptly reimburse the Registrable Securityholder Indemnified Party for any legal and any other expenses reasonably incurred by such Registrable Securityholder Indemnified Party in connection with investigating and defending any such expense, loss, judgment, claim, damage, liability or action; *provided, however*, that Company will not be liable to any Registrable Securityholder Indemnified Party in any such case to the extent that any such expense, loss, judgment, claim, damage, liability or action arises out of or is based upon any untrue statement or allegedly untrue statement or omission or alleged omission made in the Registration Statement, any preliminary prospectus, final prospectus, or summary prospectus, or any such amendment or supplement, in reliance upon and in conformity with information furnished to Company, in writing, by such Registrable Securityholder Indemnified Party expressly for use therein.

Section 4.2 Indemnification by the Registrable Securityholders. Each selling Registrable Securityholder hereby agrees to indemnify and hold harmless Company, each of its directors and officers, and each other selling holder and each other person, if any, who controls another selling holder within the meaning of the Securities Act, against any losses, judgments, claims, damages, liabilities or actions, whether joint or several, insofar as such losses, judgments,

claims, damages, liabilities or actions arise out of or are based upon any untrue statement or allegedly untrue statement of a material fact contained in the Registration Statement, any preliminary prospectus, final prospectus or summary prospectus contained in the Registration Statement, or any amendment or supplement to the Registration Statement, or arise out of or are based upon any omission or the alleged omission to state a material fact required to be stated therein or necessary to make the statement therein not misleading, if the statement or omission was made in reliance upon and in conformity with information furnished in writing to Company by such selling holder expressly for use therein, and shall reimburse Company, its directors and officers, and each other selling holder or controlling person for any legal or other expenses reasonably incurred by any of them in connection with investigation or defending any such loss, judgment, claim, damage, liability or action. Each selling holder's indemnification obligations hereunder shall be several and not joint and shall be limited to the amount of any net proceeds actually received by such selling holder upon the sale of the Registrable Securities giving rise to such indemnification obligation.

Section 4.3 Conduct of Indemnification Proceedings. Promptly after receipt by any Person of any notice of any loss, judgment, claim, damage, liability or action in respect of which indemnity may be sought pursuant to Section 4.1 or 4.2, such Person (the Indemnified Party) shall, if a claim in respect thereof is to be made against any other Person for indemnification hereunder, notify such other Person (the Indemnifying Party) in writing of the loss, judgment, claim, damage, liability or action; *provided, however*, that the failure by the Indemnified Party to notify the Indemnifying Party shall not relieve the Indemnifying Party from any liability which the Indemnifying Party may have to such Indemnified Party hereunder, except and solely to the extent the Indemnifying Party is actually prejudiced by such failure. If the Indemnified Party is seeking indemnification with respect to any claim or action brought against the Indemnified Party, then the Indemnifying Party shall be entitled to participate in such claim or action, and, to the extent that it wishes, jointly with all other Indemnifying Parties, to assume control of the defense thereof with counsel satisfactory to the Indemnified Party. After notice from the Indemnifying Party to the Indemnified Party of its election to assume control of the defense of such claim or action, the Indemnifying Party shall not be liable to the Indemnified Party for any legal or other expenses subsequently incurred by the Indemnified Party in connection with the defense thereof other than reasonable costs of investigation; *provided, however*, that in any action in which both the Indemnified Party and the Indemnifying Party are named as defendants, the Indemnified Party shall have the right to employ separate counsel (but no more than one such separate counsel) to represent the Indemnified Party and its controlling Persons who may be subject to liability arising out of any claim in respect of which indemnity may be sought by the Indemnified Party against the Indemnifying Party, with the fees and expenses of such counsel to be paid by such Indemnifying Party if, based upon the written opinion of counsel of such Indemnified Party, representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, consent to entry of judgment or effect any settlement of any claim or pending or threatened proceeding in respect of which the Indemnified Party is or could have been a party and indemnity could have been sought hereunder by such Indemnified Party, unless such judgment or settlement includes an unconditional release of such Indemnified Party from all liability arising out of such claim or proceeding.

Section 4.4 Contribution.
