Item 1.01. Entry into a Material Definitive Agreement
Agreement and Plan of Merger

On February 2, 2010, Silicon Storage Technology, Inc., a California corporation, or SST, entered into an Agreement and Plan of Merger, or the Merger Agreement, with Microchip Technology Incorporated, a Delaware corporation, or Parent, and Sun Acquisition Corporation, a California corporation and a wholly owned subsidiary of Parent, or Merger Sub. Pursuant to the Merger Agreement, and upon the terms and subject to the conditions thereof, Merger Sub will be merged with and into SST, the Merger, and each outstanding share of our common stock (other than shares as to which dissenters' rights have been properly exercised) will be converted into the right to receive \$2.85, without interest.

The Strategic Committee of our Board of Directors, or the Strategic Committee, consisting of all three of the independent members of the Board of Directors, approved the Merger Agreement and determined that the Merger Agreement and the Merger are advisable and both fair to and in the best interest of our shareholders.

The Merger Agreement contains representations, warranties and covenants of SST, Parent and Merger Sub, including among others, covenants by SST concerning the conduct of our business in the ordinary course during the interim period between the execution of the Merger Agreement and the consummation of the Merger. The closing of the Merger is subject to closing conditions, including approval of the Merger by the holders of a majority of our outstanding common stock represented and voting at a special meeting to be held to approve the principal terms of the Merger and adoption of the Merger Agreement.

The Merger Agreement contains certain termination rights for SST and further provides that upon termination of the Merger Agreement under specified circumstances SST may be required to pay Parent a termination fee. Under specified circumstances, we may also be required to reimburse certain of Parent's expenses incurred in connection with the Merger.

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, a copy of which is filed as Exhibit 2.1 hereto and is incorporated herein by reference. The Merger Agreement, which has been included to provide investors with information regarding its terms and is not intended to provide any other factual information about SST and contains representations and warranties of each of SST, Parent and Merger Sub. The assertions embodied in those representations and warranties were made for purposes of the Merger Agreement and are subject to qualifications and limitations agreed to by the respective parties in connection with negotiating the terms of the Merger Agreement, including information contained in confidential disclosure schedules that the parties exchanged in connection with signing the Merger Agreement. Accordingly, investors should not rely on such representations and warranties as characterizations of the actual state of facts or circumstances, since they were only made as of a specific date and are modified in important part by the underlying disclosure schedules. In addition, certain representations and warranties may be subject to a contractual standard of materiality different from what might be viewed as material to investors, or may have been used for purposes of allocating risk between the respective parties rather than establishing matters of fact. Moreover, information concerning the subject matter of such representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in our public disclosures.
