VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Board of Directors has fixed the close of business on March 4, 2010, as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting. The Board believes that it should be free to make a choice from time to time in any manner that is in the best interests of the Company and its shareholders. On March 1, 2010, the Board appointed Steven M. Berry as President and Chief Executive Officer. Prior to this appointment, Mr. Klingle held both positions. Director Independence

Avalon Holdings Corporation is a controlled company because over 50% of the voting power of the Company is held by Mr. Klingle. As such, the Company does not require the majority of its directors to be independent. MEETINGS AND COMMITTEES OF THE BOARD

The Board of Directors has established four standing committees to assist in the discharge of its responsibilities. These are the Executive, Audit, Option Plan and Compensation Committees. The Board as a whole nominates directors for election. During 2009, the Board of Directors had five meetings.

Each incumbent Director acted pursuant to all written consents without formal meeting and attended at least 75% of the total number of meetings of the Board of Directors and the committees of the Board on which the respective Directors served during 2009.

The Executive Committee, subject to the restrictions of the Ohio General Corporation Law, may exercise the authority of the Board of Directors in the management of the business and affairs of the Company during intervals between meetings of the Board. During 2009, the Executive Committee held no meetings. The Executive Committee consists of three members, as follows: Messrs. Klingle (Chairman), Gramley and Bozanich.

The Audit Committee is responsible for recommending the firm of independent accountants to be engaged to audit the Company's financial statements, reviewing the scope and results of the audit with the independent accountants, reviewing with management and the independent accountants the Company's interim and year-end operating results, considering the adequacy of the internal accounting controls and procedures of the Company and reviewing the non-audit services to be performed by the independent accountants. During 2009, the Audit Committee held four meetings. The Audit Committee consists of three members, as follows: Messrs. Gramley (Chairman), Bozanich and Gordon. The Board of Directors has determined that each member of the Audit Committee is independent as defined by the Securities and Exchange Commission and NYSE Amex. The Board of Directors has identified Mr. Gramley as the Audit Committee financial expert. The Company has adopted a formal written Audit Committee Charter. The Audit Committee reviews and reassesses the adequacy of the formal written charter on an annual basis.

The Compensation Committee is responsible for reviewing and establishing the compensation arrangements for employees of the Company, including the salaries and bonuses of top management. During 2009, the Compensation Committee held one meeting. The Compensation Committee consists of three members, as follows: Messrs. Coxson (Chairman), Klingle and Gordon. Avalon Holdings Corporation is a controlled company because over 50% of the voting power of the Company is held by Mr. Klingle. As such, the members of the Company's Compensation Committee are not all independent.

The Option Plan Committee determines grants of options to purchase shares under the Company's 2009 Long-Term Incentive Plan (the "Plan") based on recommendations made by the Company's Compensation Committee. During 2009, the Option Plan Committee held no meetings. The Option Plan Committee consists of three members, as follows: Messrs. Gordon (Chairman), Gramley and Bozanich.

DIRECTOR NOMINATING PROCESS

Avalon Holdings Corporation is a controlled company because over 50% of the voting power of the Company is held by Mr. Klingle. As such, the Company does not have a Nominating Committee. Because Mr. Klingle holds a majority of the voting power, nominations for Directors are generally based on his recommendations. In general, the Company's Board will nominate existing Directors for re-election unless the Board has a concern about the Director's ability to perform his or her duties. In the event of a vacancy on the Board, potential candidates are evaluated based upon their experience, skills, integrity and background concerning the types of businesses in which the Company operates and how the nominee would complement the existing Board's skills and experience.

The Board of Directors has no formal procedures to be followed in submitting recommendations of candidates for Director. However, nominations for Director may be made by our shareholders, provided such nominations comply with certain timing and information requirements set forth in our bylaws. Nominations should be made via written request to the attention of the Company's Secretary, One American Way, Warren, Ohio 44484.

AUDIT COMMITTEE REPORT

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. In fulfilling its responsibilities, the Audit Committee has reviewed and discussed the audited financial statements contained in the 2009 Annual Report on SEC Form 10-K with the Company's management and independent auditors. Management is responsible for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principals generally accepted in the United States of America.

The Audit Committee discussed with the Company's independent auditors, Grant Thornton LLP, the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. In addition, the Audit Committee has discussed with Grant Thornton LLP, their independence from the Company and its management, including the matters in the written disclosures required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board approved) that the audited financial statements be included in the Company's Annual Report on SEC Form 10-K for the year ended December 31, 2009, for filing with the Securities and Exchange Commission.

Executive Compensation

Avalon is a controlled company as defined by the NYSE Amex company guide because over 50% of the voting power is held by Mr. Klingle. During 2009, Mr. Klingle was the Chairman of the Board, Chief Executive Officer and a member of the Compensation Committee. As such, the members of the Company's Compensation Committee are not all independent. Although the Company's executive compensation program is established by the Compensation Committee, the Compensation Committee and the Board of Directors, as a whole, discuss the reasonableness of the amounts of compensation received by the Chief Executive Officer and the other executive officers.

The Company maintains a cash compensation program which is designed to motivate, retain and attract management and is comprised of base salary and bonuses. The purpose of the base salary is to create a secure base of cash compensation for executives that is competitive with the market. Executive salaries do not follow a preset schedule or formula. Since 2001, the base salaries of the Chief Executive Officer, the Chief Administrative Officer and the Chief Executive Officer of American Waste Management Services, Inc. (AWMS), a wholly owned subsidiary of the Company, have not changed. For the most part, increases in compensation of the Chief Executive Officer and other executive officers are dependent upon discretionary bonuses approved by the Board of Directors, with the exception of Mr. Kenneth McMahon, Chief Executive Officer of AWMS. In order to provide an incentive for Mr. McMahon to grow and increase the profitability of AWMS, Mr. McMahon receives, as a bonus, ten percent of the income before taxes of AWMS.

The Compensation Committee discusses and reviews base salaries and discretionary bonuses for all of the executive officers, including Mr. Klingle, the Chief Executive Officer, based upon an evaluation of each individual's performance, any change in responsibilities and their potential to contribute to the success of the Company. No specific weights have been assigned to those factors. With regard to individual performance of executive officers, other than the Chief Executive Officer, the Compensation Committee relies to a large extent on the Chief Executive Officer's evaluation of each individual executive officer's performance.

On October 6, 2009, at a Special meeting of Shareholders, the shareholders approved the 2009 Long-term Incentive Plan which provides for the granting of stock options which are intended to be non-qualified stock options for federal income tax purposes, except for those options designated as incentive stock options which qualify under Section 422 of the Internal Revenue Code. Based upon recommendations from Mr. Klingle or the Compensation Committee, the Option Plan Committee or the Board of Directors may grant stock options to executive officers and non-employee directors. The stock options granted are discretionary and are not based on specific performance goals. As of December 31, 2009, no options were granted under the 2009 Long-term Incentive Plan.

In August 2009, the Board of Directors eliminated the discretionary contribution to the Company's 401(k) Profit sharing Plan for 2008 and 2009.

Section 162(m) of the Internal Revenue Code addresses the nondeductibility for federal income tax purposes of certain compensation in excess of \$1 million paid to an employee during the taxable year. As it is highly unlikely that any executive officer or other employee of the Company will be awarded compensation in excess of \$1 million in the foreseeable future, the Compensation Committee has not established a policy with respect to the nondeductibility of such employee compensation.

The Compensation Committee believes that the Chief Executive Officer, as well as, the other executive officers of the Company, are dedicated to achieving significant improvements in the Company's long-term financial performance and that the compensation policies, plans and programs implemented by the Company contribute to achieving those results.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

The following information sets forth the compensation of the Company's Principal Executive Officer and the Company's three most highly compensated executive officers, other than the Chief Executive Officer, who were serving as executive officers as of December 31, 2009; in each case for services rendered in all capacities to the Company and/or its subsidiaries during the fiscal year ended December 31, 2009.
