This Amendment No. 3 (this Amendment) is being filed by Frank Stronach (Mr. Stronach), the Stronach Trust, 445327 Ontario Limited (445), 446 Holdings Inc. (446), and 447 Holdings Inc. (447 ; 447, together with Mr. Stronach, the Stronach Trust, 445 and 446, the Reporting Persons) and amends the Statement on Schedule 13D filed on October 1, 2007, as previously amended, by the Reporting Persons (the Statement).

This Amendment is being filed to report the closing of the transactions contemplated by the Transaction Agreement dated May 6, 2010 (the Transaction Agreement) among the Stronach Trust, 446 and the Company providing for, among other things, the proposed elimination of the dual class share capital structure of the Company.

Item 2. Identity and Background

This Statement is being filed by the Reporting Persons.

Item 3. Source and Amount of Funds or Other Consideration

The Company acquired from the Reporting Persons all 726,829 Class B Shares of the Company in exchange for US\$300 million in cash and 9 million newly issued Class A Subordinate Voting Shares (which have been renamed Common Shares). See Item 6 for details.

Item 4. Purpose of the Transactions.

The purpose of the arrangements described in Item 6 below is to eliminate the dual class share capital structure of the Company. Prior to the closing of the transactions contemplated by the Transaction Agreement, the Stronach Trust beneficially owned all of the outstanding Class B Shares of the Company, which, in combination with other holdings of the Stronach Trust and its affiliates, represented approximately 66.1% of the total voting power of the Company's outstanding capital stock. As a result of closing of the transactions contemplated by the Transaction Agreement, the Common Shares held by the Stronach Trust and its affiliates represent approximately 7.43% of the total voting power of the Company's outstanding capital stock.

Other than as described elsewhere in this Statement, none of the Reporting Persons currently has plans or proposals that relate to or would result in any of the consequences listed in paragraphs (a) through (j) of Item 4 of the Special Instructions for Complying with Schedule 13D.

Item 5. Interest in Securities of the Issuer.

(a) The aggregate number of Common Shares outstanding as of August 31, 2010 was 121,110,487 based upon the information provided by Computershare Trust Company of Canada, the Company's transfer agent. As of the date hereof, 446 holds 9,000,000 Common Shares of the Company, which shares may also be deemed to be beneficially owned by Mr. Stronach, the Stronach Trust and 445.

(b) The information contained in the cover pages is incorporated herein by reference.

(c) Other than as described in this Amendment, there have been no transactions in the Company's shares by the Reporting Persons, or, to the knowledge of the Reporting Persons, by the persons listed in Schedule A to the Statement, in the period beginning sixty days prior to the date hereof.

(d) No person other than the Reporting Persons is known to have the right to receive, or the power to direct the receipt of dividends from, or proceeds from the sale of, the common shares of the Company reflected on the cover pages to this Amendment.

(e) On August 30, 2010, 447 transferred its Class B Shares of the Company to 446 in the course of the winding-up of 447 and 447 then ceased to be the beneficial owner of five percent of any shares of the Company.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

General

The transactions contemplated by the Transaction Agreement have been effected by way of a court approved plan of arrangement (the Plan of Arrangement) under the laws of Ontario, Canada. In addition to court approval, the transactions satisfied the following shareholder approval requirements:

at least two-thirds of the votes cast by the holders of Class A Subordinate Voting Shares and Class B shares, voting together as a single class;

at least a simple majority of the votes cast by minority holders of Class A Subordinate Voting Shares (such minority holders being the holders of Class A Subordinate Voting Shares, excluding the Reporting Persons or their affiliates but including participants in the Company's deferred profit sharing plans whose shares will be voted in accordance with their instructions); and

at least two-thirds of the votes cast by the holders of Class B Shares, voting separately as a single class
in each case, based on the votes cast by shareholders present in person or represented by proxy at the special meeting of shareholders to be held to consider the resolution approving the transaction.

Class B Share Cancellation

The Company has directly and indirectly acquired for cancellation all 726,829 Class B Shares and the Stronach Trust has indirectly received 9 million newly issued Class A Subordinate Voting Shares (which have been renamed Common Shares) and US\$300 million in cash.

After the completion of the transaction, the Company had 121,110,487 Common Shares outstanding, each of which carries one vote per share. The shares held indirectly by the Stronach Trust represent an equal equity ownership and voting interest of 7.43%.

Coincident with the completion of the transactions contemplated by the Transaction Agreement, the Company's Amended and Restated Articles of Incorporation have been amended to remove the Class B Shares from the authorized capital and to make non-substantive consequential changes to its Articles, including renaming the Class A Subordinate Voting Shares as Common Shares and eliminating provisions which no longer apply due to the elimination of the Class B Shares.

Vehicle Electrification Partnership

In connection with the Plan of Arrangement, a subsidiary of the Company and a subsidiary of the Stronach Trust have entered into a limited partnership (the Partnership) to carry on an electric and hybrid-electric vehicle business.

The business of the Partnership involves the design, engineering, development and integration of electric and hybrid-electric vehicles of any type, the development, testing and manufacturing of batteries and battery packs for electric and hybrid-electric vehicles and all ancillary activities in connection with electric vehicle technologies. The Company has invested \$220 million in the Partnership in assets and cash for a 73.33% interest. The Stronach Trust has contributed \$80 million in cash in the partnership for a 26.67% interest in the Partnership. The Stronach Trust has effective control of the Partnership through the right to appoint three of five members of the Partnership's management committee, with the Company having the right to appoint the remaining two members.

Although the Partnership is free to pursue any type of business activity connected with electric and hybrid-electric vehicles, the Company has an unrestricted right to engage in competitive activities outside of the Partnership, and neither party is obligated to contribute any further funding or financial assistance beyond its initial contribution.

Amended Consulting Agreements

The consulting, business development and business services agreements (the Amended Agreements) between the Company and certain of its subsidiaries and Frank Stronach and certain of his affiliated entities have been amended to extend the expiry date to December 31, 2014, after which time each agreement terminates. The fees payable under the Amended Agreements continue to be determined with reference to a percentage of the Company's pre-tax profits before profit sharing, however, the aggregate percentage will be reduced by 0.25% each year from 3% for 2010 to 2% for 2014. The methodology by which these fees are calculated is similar to the methodology used to determine bonuses paid to certain members of senior management of the Company, and the Amended Consulting Agreements reflect a phasing out of the payment of such fees over the term of the Amended Agreements. The services provided under the Amended Agreements will be the same or substantially similar to the services provided under these agreements in the past and such other services as the parties may agree. Subject to their terms and conditions, the Amended Agreements will automatically terminate if Frank Stronach dies or becomes permanently disabled before December 31, 2014. The Company or the subsidiary of the Company that is the party to each agreement may terminate the relevant Amended Agreement in the event of a change of control of the Company upon payment of a lump sum calculated by reference to an estimate of the Company's pre-tax profits before profit sharing for the remaining term of the agreements in accordance with the terms and conditions of the Amended Agreements.

Tax Indemnification

In connection with the Plan of Arrangement, the Stronach Trust and certain of its subsidiaries have agreed to indemnify the Company and certain of its subsidiaries in respect of (i) liabilities incurred before the effective time of the Plan of Arrangement of one of the corporations involved in the Plan of Arrangement and (ii) certain liabilities for taxes if incurred by the Company and certain of its subsidiaries as a result of the completion of the Plan of Arrangement.

The foregoing is a summary of various transactions completed pursuant to the Transaction Agreement. Such summary is qualified in its entirety by reference to the Transaction Agreement, the Plan of Arrangement and the Partnership agreement which are attached as exhibits to this Amendment.

1.8 Successors and Assigns.

This Agreement shall enure to the benefit of and shall be binding on, and enforceable by, the Parties and, where the context so permits, their respective successors and permitted assigns. No Party may assign any of its rights or obligations hereunder without the prior written consent of the other Parties.

1.9 Amendment and Waivers.

No amendment or waiver of any provision of this Agreement shall be binding on any Party unless consented to in writing by that Party. No waiver of any provision of this Agreement shall constitute a waiver of any other provision, nor shall any waiver constitute a continuing waiver unless otherwise expressly provided.

1.10 No Strict Construction.

The language used in this Agreement is the language chosen by the Parties to express their mutual intent, and no rule of strict construction shall be applied against any Party.

ARTICLE 2

THE TRANSACTIONS

2.1 The Arrangement.

Subject to the provisions of this Agreement, including satisfaction or waiver of the conditions set out in Article 5, Magna, Holdco and the Trust agree to proceed with the proposed arrangement (the **Arrangement**) under the provisions of Section 182 of the OBCA on the terms and subject to the conditions to be set out in the Plan of Arrangement.

2.2 Implementation Steps.

- (a) As soon as reasonably practicable, and in any event within 30 days following the date of execution of this Agreement, the Parties agree to finalize the terms of:
 - (i) the Plan of Arrangement, it being understood that the Plan of Arrangement shall include the terms set out in Schedule A , except that Magna agrees to include such other terms in the Plan of Arrangement as Holdco may reasonably request provided that such other terms shall not reasonably be expected to adversely affect any member of the Magna Group; and
 - (ii) such indemnity obligation as the Magna may reasonably request from Holdco and the Trust for breach of the representations and warranties contained in Section 3.2(g) and liability for Taxes arising from any steps requested by Holdco to be included in the Plan of Arrangement (with regard to the final terms of the Plan of Arrangement), on terms to be mutually satisfactory to the Parties, acting reasonably.

- (b) As soon as reasonably practicable, and in any event within 30 days following the date of execution of this Agreement, Magna and Holdco shall prepare, settle and finalize the form of each of the E-Car Limited Partnership Agreement and E-Car Purchase Agreement, it being understood that, without the unanimous consent of the Parties:
 - (i) the E-Car Limited Partnership Agreement shall not include any material terms other than those terms set out in Schedule C and terms reasonably ancillary thereto as required to give full effect to the provisions, purpose and intent of the terms set out in such Schedule;
 - (ii) the E-Car Purchase Agreement shall reflect the terms set out in Schedule C and terms reasonably ancillary thereto as required to give full effect to the provisions, purpose and intent of the terms set out in such Schedule; and
 - (iii) in preparing, settling and finalizing the E-Car Limited Partnership Agreement and E-Car Purchase Agreement, neither Magna nor Holdco shall seek to introduce any terms that are inconsistent with the terms set out in Schedule C or that, in the case of the E-Car Limited Partnership Agreement, would create any significant rights or impose any significant obligations not contemplated by such Schedule.

- (c) As soon as reasonably practicable following the completion of the matters referred to in Section 2.2(a) and Section 2.2(b) and the finalization of the forms of the Amended Consulting Agreements by the applicable Stronach Parties and Magna, and subject to the terms and conditions of this Agreement, Magna shall take the following actions:
 - (i) apply for the Interim Order in accordance with Section 2.4;

- (ii) convene and hold the Magna Meeting for the purpose of considering and, if deemed advisable, approving the Arrangement Resolution;
- (iii) use commercially reasonable efforts to solicit proxies in respect of the Arrangement Resolution;
- (iv) subject to obtaining the approvals required by the Interim Order, use commercially reasonable efforts to pursue the application to the Court for the Final Order; and
- (v) subject to obtaining the Final Order and the satisfaction or waiver of the other conditions herein contained, on the date contemplated in Section 2.7, send to the Director the Articles of Arrangement for endorsement thereon of the Certificate of Arrangement and such other documents as may be required to give effect to the Arrangement.

2.3 Magna Circular and Meeting.

- (a) Magna shall prepare the Magna Circular and shall permit Holdco and its counsel to review and comment on the Magna Circular, all documents sent with the Magna Circular, all documents filed with the Court in connection with the transactions contemplated by this Agreement and any amendments thereto, recognizing that whether or not such comments are ultimately included will be determined by the Magna Board, acting reasonably. As soon as reasonably practicable and after obtaining the Interim Order, Magna shall cause the Magna Circular and other documentation required in connection with the Magna Meeting to be sent to the Magna Shareholders and to be filed with applicable Governmental Entities, as required by the Interim Order and Applicable Laws.
- (b) Magna shall ensure that the Magna Circular and such other documents and filings comply in all material respects with the requirements of the OBCA and Applicable Laws. For greater certainty, it is acknowledged and agreed that the Magna Circular need not include any recommendation of the Magna Board or any committee thereof in favour of the Arrangement Resolution.
- (c) Holdco and the Trust shall (to the extent within their power) provide Magna with all information concerning the Stronach Parties that Magna reasonably requests for inclusion in the Magna Circular or otherwise required by the OBCA and Applicable Laws, and Holdco and the Trust shall ensure that any such information does not, as of the date of the Magna Circular, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements contained therein not misleading in light of the circumstances in which they are made.

2.4 Interim Order.

The application referred to in Section 2.2(c)(i) shall request that the Interim Order provide:

- (a) for the class of persons to whom notice is to be provided in respect of the Arrangement Resolution and the Magna Meeting and the manner in which such notice is to be provided;
- (b) that the requisite approval for the Arrangement Resolution shall be: (i) 66²/3% of the votes cast by the holders of Class A Shares and Class B Shares, voting together as a single class, present in person or represented by proxy at the Magna Meeting; (ii) 66²/3% of the votes cast by the holders of Class B Shares, voting separately as a class, present in person or represented by proxy at the Magna Meeting; and (iii) a simple majority of the votes cast by holders of Class A Shares, voting separately as a class, present in person or represented by proxy at the Magna Meeting, excluding the votes attached to Class A Shares held by Interested Class A Shareholders; and
- (c) that, in all other respects, the provisions of the by-laws and articles of Magna, including quorum requirements and all other applicable matters, shall apply in respect of the Magna Meeting.

2.5 Preparation of Filings.

- (a) The Parties shall cooperate in:
 - (i) the preparation of any application for the Court Orders and the preparation of any other documents reasonably considered by the Parties to be necessary to discharge their respective obligations under Applicable Laws in connection with the transactions contemplated by this Agreement; and
 - (ii) the taking of all such actions as may be required under Applicable Laws in connection with the transactions contemplated by this Agreement.
- (b) Each Party shall promptly notify the other Party if at any time before the Effective Time it becomes aware that the Magna Circular contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements contained therein not misleading in light of the circumstances in which they are made, or that otherwise requires an amendment or supplement to the Magna Circular. In any such event, the Parties shall cooperate in the preparation of a supplement or amendment to the Magna Circular, as required and as the case may be, and, if required, shall cause the same to be distributed to the Magna Shareholders and/or filed with applicable Governmental Entities.

2.6 Fiduciary Duties.

Nothing contained herein shall be construed to require the Company Board to take or refrain from taking any action that would be inconsistent with its obligation to properly discharge its fiduciary duties under Applicable Laws after having been advised by its counsel, including, without limiting the generality of the foregoing and notwithstanding any other provision of this Agreement, changing the recommendation, if any, made by the Company Board in respect of the Arrangement Resolution. Further, and without limiting the foregoing, the Company Board may delay the holding of or adjourn the Company Meeting in order to communicate to Company Shareholders any decision to change the recommendation, if any, or to seek an amendment to the terms of this Agreement and/or any of the forms of agreement contemplated hereby provided that Company shall have notified Holdco regarding its intention to do so prior to announcing any delay or adjournment of the Company Meeting.

2.7 Closing.

The Parties shall cause the Effective Date to be the Business Day following the date on which all of the conditions set forth in Article 5 have been satisfied or waived (excluding conditions that, by their terms, cannot be satisfied until the Effective Date, but subject to the satisfaction or, where permitted, waiver of those conditions as of the Effective Date), unless another time or date is agreed to in writing by the Parties. The closing of the transactions contemplated by this Agreement will take place at the offices of Osler, Hoskin & Harcourt LLP or at such other location as may be agreed upon by the Parties.

ARTICLE 3

REPRESENTATIONS AND WARRANTIES

3.1 Representations and Warranties of Magna.

Magna represents and warrants to and in favour of each of Holdco and the Trust as follows and acknowledges that each of Holdco and the Trust is relying on such representations and warranties in entering into this Agreement:

- (a) **Existence.** Magna is a corporation validly existing under the laws of the Province of Ontario and has all necessary corporate power to execute, deliver and perform its obligations under this Agreement.
- (b) **Corporate Authority and Enforceability.** Subject to the approval of the Arrangement Resolution by the Magna Shareholders as required by the Interim Order, Magna has taken all necessary corporate action to authorize the execution, delivery and performance of this Agreement. This Agreement has been duly executed and delivered by Magna and is a legal, valid and binding obligation of Magna, enforceable against Magna by Holdco in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency and other laws affecting the rights of creditors generally and except that equitable remedies may be granted only in the discretion of a court of competent jurisdiction.
- (c) **No Violation.** The execution, delivery and performance of this Agreement does not, and will not, result in a breach or violation of any of the provisions of or constitute a default under, or conflict with or cause the acceleration of any obligation of any member of the Magna Group under (i) any material contract of the Magna Group, (ii) any provision of the articles, by-laws or resolutions of the board of directors (or any committee thereof) or shareholders or similar organizational document of any member of the Magna Group, (iii) any judgment, decree, order or award of any Governmental Entity having jurisdiction over any member of the Magna Group or (iv) any Applicable Law, except with respect to clauses (i), (iii) and (iv) above, for any such breaches, violations, defaults, conflicts or other occurrences that do not constitute a Material Adverse Change.

- (d) **No Consents.** No consent, approval, order or authorization of, or declaration or filing with, any Governmental Entity or other person is required to be obtained or made, as the case may be, by any member of the Magna Group in connection with the execution and delivery of this Agreement or the consummation by Magna of the transactions contemplated by this Agreement, other than (i) filing the Articles of Arrangement with the Director, (ii) as may be required to comply with the applicable rules and regulations of the TSX and NYSE and any applicable requirements of Canadian and U.S. securities laws, and (iii) obtaining the Court Orders.

- (e) **Class A Shares.** The Class A Shares to be issued to Holdco pursuant to the Arrangement will be duly authorized and validly issued by Magna as fully paid and non-assessable shares of Magna and, subject to customary terms and conditions, at the Effective Time, such Class A Shares will be approved for listing and posting for trading on the TSX and the NYSE. No order, ruling or determination having the effect of precluding the issuance or delivery of such shares or ceasing, suspending or restricting the trading of such shares or any other securities of Magna in any jurisdiction, has been issued or made by any stock exchange, securities commission or regulatory authority and is continuing in effect and no proceedings, investigations or enquiries for that purpose have been instituted or are pending or, to the knowledge of Magna, are contemplated or threatened.

- (f) **Share Capital.** The authorized share capital of Magna consists of an unlimited number of Class A Shares, 776,961 Class B Shares and 99,760,000 preferred shares, issuable in series, of which 112,037,893 Class A shares, 726,829 Class B Shares and no preferred shares are issued and outstanding as of May 5, 2010. In addition, as of May 5, 2010, 11,344,910 Class A Shares have been reserved for issuance upon the exercise of outstanding options or pursuant to future option grants. Except as publicly disclosed, there are no options, warrants, conversion privileges or other rights, agreements, arrangements or commitments (pre-emptive, contractual or otherwise) obligating Magna to issue or sell any shares of Magna or securities or obligations of any kind convertible into or exchangeable for any shares or other securities of Magna. There are no bonds, debentures or other evidences of indebtedness of Magna outstanding having the right to vote (or that are convertible for or exercisable into securities having the right to vote) with shareholders of Magna on any matter.

3.2 Representations and Warranties of Holdco and the Trust.

Holdco and the Trust jointly and severally represent and warrant to and in favour of Magna as follows and acknowledge that Magna is relying on such representations and warranties in entering into this Agreement:

- (a) **Existence.** Holdco is a corporation validly existing under the laws of the Province of Ontario and the Trust is a trust validly existing under the laws of the Province of Ontario. Each of Holdco and the Trust has all necessary power and authority to execute, deliver and perform its obligations under this Agreement.

- (b) **Authority and Enforceability.** Each of Holdco and the Trust has taken all necessary action to authorize the execution, delivery and performance of this Agreement. This Agreement has been duly executed and delivered by Holdco and the Trust and is a legal, valid and binding obligation of each of them, enforceable against them by Magna in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency and other laws affecting the rights of creditors generally and except that equitable remedies may be granted only in the discretion of a court of competent jurisdiction.
- (c) **No Violation.** The execution, delivery and performance of this Agreement does not, and will not, result in a breach or violation of any of the provisions of or constitute a default under, or conflict with or cause the acceleration of any obligation of Holdco or the Trust under (i) any material contract to which Holdco or the Trust is a party, (ii) any provision of Holdco's or the Trust's organizational documents, (iii) any judgment, decree, order or award of any Governmental Entity having jurisdiction over Holdco or the Trust or (iv) any Applicable Law.
- (d) **No Consents.** No consent, approval, order or authorization of, or declaration or filing with, any Governmental Entity or other person is required to be obtained or made, as the case may be, by Holdco or the Trust in connection with the execution and delivery of this Agreement or the consummation by Holdco and the Trust of the transactions contemplated by this Agreement, other than as may be required to comply with any applicable requirements of Canadian and U.S. securities laws.
- (e) **Title to Purchased Shares.** At the date of this Agreement: (i) 447 is the sole registered and beneficial holder of the Purchased Shares, with good title thereto, free and clear of all Encumbrances; and (ii) Holdco is the sole registered and beneficial holder of all the outstanding securities of 447. Immediately prior to the Effective Time, Holdco will be the sole registered and beneficial holder of the Purchased Shares, with good title thereto, free and clear of all Encumbrances. The Purchased Shares are not subject to any voting trust, shareholders agreement or voting agreement. Holdco is a Subsidiary of the Trust.
- (f) **No Other Agreements to Purchase.** No person other than Magna and Holdco has any written or oral agreement or option or any right or privilege capable of becoming an agreement or option for the purchase or acquisition of any of the Purchased Shares from 447, Holdco, the Trust or any of their Affiliates.
- (g) **Assets and Property of Subco.** At the Effective Time and except as contemplated under the Plan of Arrangement, Subco shall have no assets and no liabilities of any nature or kind whatsoever. The completion of the transactions referred to in paragraphs 1 to 6 of Schedule A as they are finally determined and set out in the Plan of Arrangement will not give rise to any liability of Subco for Taxes.

3.3 Survival of Representations and Warranties.

All representations and warranties contained in this Agreement shall survive the execution and delivery of this Agreement and shall terminate on the earlier of the termination of this Agreement in accordance with the provisions hereof and the Effective Time, with the exception of the representations and warranties contained in Section 3.2(e), which shall survive for the applicable limitation period, and in Section 3.2(g), which shall survive until the date that is 60 days after the expiration of the period during which an assessment or reassessment for Taxes may be issued in respect of Subco.

ARTICLE 4

COVENANTS

4.1 Covenants of Magna.

- (a) Magna shall use commercially reasonable efforts to cause the Class A Shares issuable pursuant to the Arrangement to be listed on the TSX and the NYSE at the Effective Time, subject only to satisfaction of customary listing conditions on the TSX and the NYSE, respectively.
- (b) Magna shall not do or permit to be done and shall refrain from doing any action that, if effected before the date of this Agreement, would constitute a breach of any representation and warranty or a material breach of any covenant or other provision of this Agreement.

4.2 Covenants of Holdco and the Trust.

- (a) Holdco agrees to cause the Purchased Shares to be voted at the Magna Meeting in favour of the Arrangement Resolution.

4.3 Implementation.

- (a) Prior to the Effective Date, Holdco shall amalgamate with 447 under the OBCA such that the Purchased Shares shall be owned by the corporation resulting from the amalgamation (**Amalco**). The name of Amalco shall be the same as the name of Holdco. Amalco shall continue to be referred to as Holdco for purposes of this Agreement.
- (b) Each Party shall use its commercially reasonable efforts to satisfy the conditions contained in Article 5 and shall take such commercially reasonable measures as are lawful and within its power or control to consummate the transactions contemplated by this Agreement in accordance with the terms of this Agreement.

- (c) No public release or announcement concerning the transactions contemplated by this Agreement shall be issued by any Party without the prior consent of the other Parties (which consent shall not be unreasonably delayed or withheld), except as such release or announcement may be required by Applicable Laws, in which case the Party required to make the release or announcement shall allow the other Parties reasonable time to comment on such release or announcement in advance of such issuance.

TERMINATION

6.1 Termination.

This Agreement may be terminated at any time prior to the Effective Time, notwithstanding any requisite approval and authorization of this Agreement by the Magna Shareholders:

- (a) by the mutual agreement of Magna and Holdco, whether before or after the Magna Meeting (and, for greater certainty, without further action on the part of the Magna Shareholders if terminated after the Magna Meeting);
- (b) by Magna or Holdco if the Effective Time has not occurred on or prior to the Outside Date, provided that the right to terminate this Agreement pursuant to this Section 6.1(b) shall not be available to a Party whose failure to fulfill any of its obligations under this Agreement has been the cause of, or resulted in, the failure of the Effective Time to occur on or before such date (and in the case of Holdco, the right to terminate this Agreement pursuant to this Section 6.1(b) shall not be available if the Trust's failure to fulfill any of its obligations under this Agreement has been the cause of, or resulted in, the failure of the Effective Time to occur on or before such date);
- (c) by Magna or Holdco if any Governmental Entity shall have enacted, issued, promulgated, enforced or entered any law which is then in effect and has the effect of making the execution, delivery or performance of this Agreement illegal or otherwise preventing or prohibiting the consummation of the transactions contemplated by this Agreement;
- (d) by Magna or Holdco if a Material Adverse Change shall have occurred since the date of this Agreement;
- (e) by Magna or Holdco if there shall have occurred any change, effect, event, development or state of facts that prevents or would reasonably be expected to prevent or delay beyond the Outside Date the completion of the Arrangement, provided that the right to terminate this Agreement pursuant to this Section 6.1(e) shall not be available to a Party that is then in breach of this Agreement (and in the case of Holdco, the right to terminate this Agreement pursuant to this Section 6.1(e) shall not be available if the Trust is then in breach of this Agreement);

- (h) by Magna if there has been a breach of or failure to perform any representation, warranty, covenant or agreement on the part of Holdco or the Trust set forth in this Agreement, which breach or failure to perform would cause the conditions set forth in Section 5.2(a) or 5.2(b) not to be satisfied; or

- (i) by Holdco if there has been a breach of or failure to perform any representation, warranty, covenant or agreement on the part of Magna set forth in this Agreement, which breach or failure to perform would cause the conditions set forth in Section 5.3(a) or 5.3(b) not to be satisfied.

6.2 Remedies.

In the event of the termination of this Agreement as provided in Section 6.1, this Agreement shall forthwith become void and have no further effect, and there shall be no liability or further obligation hereunder on the part of any Party, except that the provisions of this Section 6.2 and Section 6.3 shall remain in full force and effect and shall survive any such termination.

SCHEDULE A

PLAN OF ARRANGEMENT TERMS

Plan of Arrangement Steps

1. Holdco transfers a portion of the Purchased Shares to one or more corporations owned directly or indirectly by Holdco and/or Magna (collectively referred to as **Subco**) in exchange for 3,000,000 common shares of Subco. The number of Purchased Shares transferred to Subco in this Step is that proportion of the Purchased Shares that (i) \$300,000,000 is of (ii) the aggregate of \$300,000,000 and the value of 9,000,000 Class A Shares based on the closing price of the Class A Shares on the TSX on the last trading day before the Effective Date, converted into U.S. dollars based on the Bank of Canada's noon buying rate on the Effective Date. The amount added to the stated capital account of Subco's common shares with respect to the issue of 3,000,000 common shares to Subco is the Canadian dollar equivalent of \$300,000,000, converted into Canadian dollars based on the Bank of Canada's noon buying rate on the Effective Date.
2. Magna subscribes for (i) 3,000,000 Class A Preferred Shares of Subco for \$300,000,000 and (ii) possibly one common share of Subco for C\$100.
3. Subco purchases for cancellation from Holdco all of its common shares of Subco for an aggregate price of \$300,000,000. Alternatively, all but one common share of Subco held by Holdco may be purchased for cancellation and Magna may acquire the remaining share.
4. Upon cancellation, the Purchased Shares purchased from Holdco are not restored to the authorized capital of Magna. The amount added to the stated capital account of Magna's Class A Shares on the issue of 9,000,000 Class A Shares to Holdco is an amount equal to the paid-up capital (for the purposes of the ITA) of the Purchased Shares purchased for cancellation from Holdco.
5. Subco is wound up into Magna and the Purchased Shares held by Subco are cancelled and not restored to the authorized capital of Magna.
6. Concurrently with the last wind-up described in Step 5, the Restated Articles of Incorporation of Magna dated August 28, 2008 are amended to delete the Class B Shares from the authorized capital of Magna and to effect non-substantive consequential changes, including renaming the Class A Shares as Common Shares and removing the provision granting the holders of Class A Shares the right to elect two directors in certain circumstances (in recognition that the holders of Class A Shares will thereafter have the right to elect all the directors of Magna).

SCHEDULE C

E-CAR LIMITED PARTNERSHIP AGREEMENT TERMS

- Parties:** Stronach GP, Magna GP and Magna LP
- Business:** The E-Car Partnership may pursue or invest in any type of e-vehicles (including cars, vans, trucks, golf carts, bicycles) or e-vehicle business and will be organized like an original equipment manufacturer (**OEM**), with an operational focus on research and development, engineering, assembly, marketing and after-market.
- Legal Form:** The E-Car Partnership will be an Ontario limited partnership. As referred to below, the E-Car Partnership may be transformed into a corporate entity in the discretion of the E-Car Partnership Board, whether in connection with an initial public offering (**IPO**) or other appropriate circumstances.
- Name:** Magna E-Car Systems LP, or such other name as the E-Car Partnership Board may determine.
- Initial Capital** Stronach GP will invest \$80,000,000 in cash to acquire 80,000 general partnership units (**GP Units**); and
- Contributions:** Magna GP and Magna LP will invest \$220,000,000 in total to acquire GP Units and limited partnership units (**LP Units**) for \$1,000 per unit, with Magna having the right to determine the allocation as between GP Units and LP Units. The \$220,000,000 will be effectively satisfied in part by the transfer of the Purchased Assets (as defined below) to the E-Car Partnership, with the balance to be satisfied in cash.
- Distributions and Allocations** The GP Units and LP Units will participate equally per unit in respect of the allocation of profits or losses of the E-Car Partnership and any distributions of distributable cash.
- E-Car Purchase Agreement** The E-Car Partnership will purchase all the assets of Magna's E-Car Group from Magna and certain related assets of the Magna Group as mutually agreed by the parties to the E-Car Purchase Agreement (collectively, the **Purchased Assets**), including the following:
- supply agreements of Magna's E-Car Group with OEM customers (including Ford Motor Magna, Daimler AG and Volvo Powertrain);
 - agreements with Kokam Co. regarding technology licensing and services;
 - Kokam lithium-ion battery plant production equipment;
 - battery and materials test lab equipment of Magna's E-Car Group;
 - industrial building located at 4121 N. Atlantic Boulevard, Auburn Hills, Michigan;

applications for US, Canadian and Ontario government loans and grants in respect of hybrid or electric vehicle initiatives of Magna's E-Car Group;

tooling, equipment and other fixed assets owned by Magna E-Car Group used in vehicle production programs; and

patents, know-how, trade secrets and other intellectual property rights (collectively, IP Rights) owned by Magna's E-Car Group and IP Rights of Magna's Electronics Group in respect of applications designed primarily for hybrid and electric vehicles; and

all customer purchase order and supply agreements awarded or reasonably anticipated to be awarded to Magna's E-Car or Electronics Groups that relate to products used primarily in hybrid or electric vehicles (collectively, Group OEM Contracts).

The E-Car Purchase Agreement will provide that, with respect to Group OEM Contracts, (i) the applicable members of the Magna Group will continue to carry out all obligations under the Group OEM Contracts as a subcontractor and enjoy the full economic benefits of such contracts, and (ii) the E-Car Partnership will be the Tier 1 face to the customer and will be responsible for program management of such contracts with the same general rights and obligations as the applicable OEM customer.

The E-Car Purchase Agreement will also provide for a non-exclusive and royalty-free license in favour of the E-Car Partnership to use all retained IP Rights of the Magna Group as at the Effective Time to the extent required for carrying on the business of the E-Car Partnership.

The purchase price for the Purchased Assets will be equal to the fair value of the net assets that comprise the Purchased Assets, to be determined by mutual agreement prior to execution of the E-Car Limited Partnership Agreement with reference to the valuation work of the independent financial advisor retained by the Special Committee for this purpose. Any guarantee previously given by Magna in respect of the purchased operations will be assumed by the E-Car Partnership (or, if required, by the partners severally in proportion to their invested capital).

The E-Car Purchase Agreement will reflect the above terms as well as customary representations and warranties as to capacity and title to the Purchased Assets, and terms reasonably ancillary thereto.

Future Funding: No partner will be obligated to provide any future funding or financial assistance, including, without limitation, any guarantee, beyond its initial capital contribution as set out above. Each of the partners will have a pre-emptive right to maintain its proportionate ownership interest in the case of any future equity issue.

The amount and terms of any debt financing will be in the discretion of the E-Car Partnership Board.

Governance: The E-Car Partnership will be managed by a committee (the **E-Car Partnership Board**) consisting of three representatives of Stronach GP (including the Chairman) and two representatives of Magna GP. The E-Car Partnership Board will have full responsibility for managing the business and affairs of the E-Car Partnership; provided that any of the following matters will require approval by a majority that includes at least one representative of Magna GP:

a transaction that involves Stronach GP or a related party of Stronach GP;

an investment or other expansion into any business unrelated to the E-Car Partnership's business as set out above under Business ;

the appointment of auditors other than Magna's auditors;

a sale, lease or exchange of all or substantially all the assets of the E-Car Partnership, unless Magna GP is first given an opportunity to acquire the assets on terms no less favourable than proposed by the buyer and Magna GP fails to make a matching offer in respect of such an acquisition within 30 days of being notified of the opportunity;

the liquidation or dissolution of the E-Car Partnership;

the creation of a new class of partnership units that has priority over the LP Units as to the return of contributions or as to the allocation of profits or losses of the E-Car Partnership and any distributions of distributable cash; or

any amendments to the foregoing rights of Magna GP.

Magna Preferred Supplier Arrangement: Given the E-Car Partnership's focus on OEM-related activities, Magna's auto parts business will have a preferred opportunity to supply products to the E-Car Partnership on competitive terms, consistent with other OEM arrangements of this nature.

- Transfers:** Each partner may sell its interest subject to a *pro rata* right of first refusal in favour of the other partners (which shall also apply to indirect transfers of GP Units or LP Units, as applicable).
- If a partner proposes to sell and the other partners do not exercise their right of first refusal, the other partners will have a *pro rata* tag-along right to sell at the same price per unit (whether GP Unit or LP Unit).
- Each partner may transfer its interest to an Affiliate for tax or estate-planning purposes, provided the transferee remains an affiliate and agrees to be bound by the E-Car Limited Partnership Agreement and provided such transfer would not cause the E-Car Partnership to cease to be a Canadian partnership for purposes of the ITA. The right of first refusal and tag-along right described above will not apply in these circumstances.
- Conversion from Partnership to Corporation:** If the E-Car Partnership Board so determines (whether in connection with a decision to go public or otherwise), the E-Car Partnership will be reorganized into a corporation that will have a share capital structure similar to the Intier Spenco structure (e.g. Corporate Constitution; dual-class share structure; coat-tail in favour of subordinate voting shareholders). The GP Units held by Stronach GP will be exchanged for 100% of the multiple voting shares, and the GP Units held by Magna GP and all LP Units will be exchanged (based on the same exchange ratio) into subordinate voting shares. The governance and transfer arrangements referred to above will no longer apply following the completion of an IPO.
- Magna Support Services:** The E-Car Partnership will operate generally in accordance with Magna's operating principles and systems, including financial controls and reporting. For so long as the E-Car Partnership requests that Magna provides support services to the E-Car Partnership, Magna shall provide such services in a manner consistent with how other business units within the Magna Group are supported, and the E-Car Partnership will be charged a reasonable cost allocation for all such support services provided by Magna; provided that the E-Car Partnership will not pay any affiliation or management fee to Magna.
- Management Incentive:** The E-Car Partnership Board will have the discretion to provide long-term incentives to senior management (excluding Stronach, any member of his family or any beneficiary of the Trust) in the form of an option or earn-in arrangement to acquire real or phantom LP Units, provided that the potential dilution does not exceed 10% of the E-Car Partnership's total capitalization. The pre-emptive rights described above under Future Funding will not apply to any such long-term management incentives.
- Competitive Activities:** Neither party will be restricted from engaging in activities that may compete with the E-Car Partnership, including in the case of those e-vehicle components that now and in the future may be manufactured by any operating groups within the Magna Group. The E-Car Partnership will not enter into any commitment that binds or purports to bind either partner or any of its affiliates in respect of activities outside the E-Car Partnership.

Transitional Arrangements: The Parties will immediately work together to determine, consistent with the terms and principles set out above, (i) how employees and engineering resources that service Magna's E-Car Group and other Magna Group hybrid and electric vehicle initiatives will be allocated between the E-Car Partnership and the Magna Group, (ii) the coordination and project management of future OEM programs that involve the E-Car Partnership and members of the Magna Group, and (iii) other relevant transitional arrangements relating to the establishment of the E-Car Partnership as an autonomous business unit.

The initial Auditor will be Ernst & Young LLP.

ARTICLE 3

BUSINESS OF THE PARTNERSHIP

3.1 Business of the Partnership

- (a) The Partnership will acquire, directly or indirectly, the operations of Magna's E-Car Systems operating group (**E-Car Systems**) and certain related assets held by Magna Electronics and MagnaSteyr and use those operations and assets, together with the European operations and assets already owned, as a platform to develop and grow a successful electric and hybrid-electric vehicle business.
- (b) Following the execution of this Agreement by Magna GP and Magna LP, Magna and certain of its Subsidiaries will sell or contribute, directly or indirectly, to the Partnership (or to one or more of the Partnership's wholly-owned Subsidiaries) the assets used exclusively by E-Car Systems and certain assets owned by Magna Electronics and MagnaSteyr, or the shares of the companies which hold those assets, which assets (together with the operations and assets already owned, directly or indirectly, by the Partnership) are valued at \$75 million (as of March 31, 2010). This amount is subject to adjustment to reflect the value of additional E-Car Systems assets which were acquired by Magna and certain of its Subsidiaries between March 31, 2010 and the Effective Date and which assets will also be sold or contributed, directly or indirectly, to the Partnership (or to one or more of the Partnership's wholly-owned Subsidiaries). A description of the assets to be transferred appears in Schedule A.
- (c) The principal business carried on by the Partnership, either directly or indirectly through one or more Subsidiaries, will be the design and engineering and the development and integration of electric and hybrid-electric vehicles of any type (including cars, vans, trucks, golf carts and bicycles), the development, testing and manufacture of batteries and battery packs for electric and hybrid-electric vehicles, or the investment in entities carrying on any portion of such business, all with a view to making a profit therefrom (collectively, the **Partnership Business**).

- (d) The Partnership may carry on activities which are reasonably ancillary to the Partnership Business in connection with electric vehicle technologies, including the design, manufacture and sale of systems, components and modules (including range-extendors) for electric and hybrid-electric vehicles, and exercise all powers incidental thereto or in furtherance thereof (such activities referred to collectively as the **Ancillary Activities**).

3.2 Filing of Certificates

- (a) In any circumstance as may from time to time be required to preserve the nature of the Partnership as a limited partnership under the laws of the Province of Ontario or to permit the Partnership to carry on the Partnership Business and Ancillary Activities in any jurisdiction, the General Partners shall cause to be executed and filed such certificates, instruments, declarations and documents as may be so required.
- (b) Each Partner shall execute and deliver as promptly as possible any documents that may be necessary or desirable to accomplish the purposes of this Agreement or to comply with the Act.
- (c) The General Partners shall take all necessary actions on the basis of information available to them in order to maintain the status of the Partnership as a limited partnership and to comply with the Act.

3.3 Operating Systems, Support Services and Cooperation Agreement

- (a) The Partnership will operate generally in accordance with the operating systems and the principles, policies and procedures which are applicable to Magna operating divisions from time to time, including those relating to financial controls and reporting.
- (b) For so long as the Management Committee requests, provided the Cooperation Agreement has not been terminated in accordance with its terms, Magna will provide the Partnership and its Subsidiaries with the support services which Magna provides to other Magna groups or divisions. The provision of such support services and payment therefor will be effected pursuant to the terms and conditions of a cooperation agreement between the Partnership and Magna, on behalf of themselves and their Subsidiaries (the **Cooperation Agreement**), which agreement will be entered into as of the Effective Date. In the event of any conflict between the provisions of the Cooperation Agreement and subsections 3.3(b) and (c) of this Agreement, the Cooperation Agreement shall have paramountcy.
- (c) The Partnership will not be obliged to pay any affiliation or management fees to Magna.

3.4 Title to Assets

Unless otherwise agreed by the General Partners, title to any real property or other assets in which the Partnership has an interest shall be held, at the discretion of the Management Committee, either by one of its Subsidiaries, or jointly in the names of the General Partners on behalf of the Partnership.

3.5 Partnership Property

All of the properties, real or personal, tangible or intangible, used in carrying on the Partnership Business and Ancillary Activities shall be assets of the Partnership. For greater certainty, notwithstanding Section 3.4, the General Partners will not receive or hold any of the assets of the Partnership on their own account but shall receive and hold assets of the Partnership jointly on behalf of the Partnership.

3.6 Restriction on Related Party Transactions

Except as permitted by Section 7.6 or 7.9 or contemplated by the Cooperation Agreement, the Partnership will not engage in any transaction with, or that involves, directly or indirectly, any of the General Partners or any Related Party to a General Partner. Magna and its Subsidiaries shall have a preferred opportunity to supply products and services to the Partnership on competitive terms, pursuant to the terms and conditions of the Cooperation Agreement.

3.7 Competing Interests

- (a) Each of Stronach GP and Magna GP, despite their status as General Partners, shall be entitled to carry on, engage in and participate in, whether financially or otherwise, and whether directly or indirectly through any of their Affiliates, any business of the same nature as, or otherwise competing with that of, the Partnership including the design, engineering, manufacture, assembly or sale of any electric vehicle or hybrid-electric vehicle components that may be manufactured by Magna or any of its Affiliates or operating groups now or in the future, and shall not be liable to account to any Partner or the Partnership therefor. All Partners are deemed to consent to all such activities by Stronach GP, Magna GP and their Affiliates; provided, that, in engaging in such activity, Stronach GP, Magna GP and their Affiliates do not use, directly or indirectly, any property or resources of the Partnership other than as permitted pursuant to the licensing provisions and other terms of the Cooperation Agreement.

- (b) The General Partners will not, and will cause their appointees on the Management Committee not to, permit or enable the Partnership to enter into any commitment, agreement, arrangement or understanding that binds or purports to bind any Affiliate of a Partner (other than the Partnership and its Subsidiaries) to a non-competition covenant.

3.8 Investment Restrictions

In accordance with the Constitution of the Partnership, the Partnership will not make any investments (whether by debt, equity, guarantee or otherwise) unrelated to the Partnership

Business and the Ancillary Activities if the aggregate of all such investments would exceed 20% of the total Partners' equity, as set forth in the consolidated balance sheet of the Partnership at the end of the fiscal quarter of the Partnership immediately preceding the date of investment. For greater certainty, this provision does not apply to restrict the Partnership from investing cash of the Partnership which is not immediately required to fund the operations of the Partnership in financial investments which are suitable for a short term investment horizon.

3.9 Powers

The Partnership and the General Partners, subject to Article 7, shall have the power and authority to do and to perform any and all things necessary for, incidental to or connected with carrying on the Partnership Business, including the Ancillary Activities.

3.10 Business Plan

For the purpose of allowing representatives of Stronach GP and Magna GP to properly consider the proposed business plan and budget for the Partnership, at least sixty (60) days prior to the beginning of each Fiscal Year, the Management Committee shall hold a meeting to enable the Members, and other representatives of Stronach GP and Magna GP who may be invited to participate, to consult with each other before the proposed business plan and budget are formally submitted to the Management Committee for approval.

4.5 Representations and Warranties of Limited Partners

Each Limited Partner represents, warrants and declares to the General Partners and to each other that it is a person resident in Canada for the purposes of the Income Tax Act, or if the Partner is a partnership, it represents, warrants and declares that it is a Canadian partnership as defined in section 102 of the Income Tax Act.

The date of contribution of such portion of the Initial Capital is referred to as the Adjustment Date.

5.2 Additional Funding of the Partnership

- (a) No Partner shall be obliged to make any capital contribution, or provide any further funding or financial assistance including the provision of any guarantee, to the Partnership, beyond its respective contribution of the Initial Capital. The Management Committee shall determine the amount of and terms upon which the Partnership may incur any debt financing, from time to time, provided that, no Partner shall be obliged to provide any guarantees or other financial assurances to secure, or otherwise in connection with, any such debt financing or any funding obtained from a governmental authority.
- (b) Other than in regard to the issuance or exercise of any incentive options referred to in subsection 7.3(g), if the Management Committee determines that it is in the best interests of the Partners to raise additional capital of the Partnership, the Management Committee shall give a written notice to the Partners (a **Notice of Pre-emptive Right**) specifying the aggregate amount determined by the Management Committee to be required as additional contributions (the **Additional Capital**), the pro rata share of the Additional Capital being requested from each Partner and the subscription amount per unit (which will be the same amount for General Partnership Units as for Limited Partnership Units).

- (c) Each Partner will have a pre-emptive right, exercisable by giving written notice to the Management Committee within thirty (30) days of receipt of a Notice of Pre-emptive Right, to maintain its proportionate ownership interest in the Partnership, with the General Partners having the right to subscribe for General Partnership Units and the Limited Partners having the right to subscribe for Limited Partnership Units.
- (d) If each Partner confirms in writing to the Management Committee that it will subscribe for its pro rata share of the Additional Capital, then the General Partners shall subscribe for additional General Partnership Units and the Limited Partners shall subscribe for additional Limited Partnership Units, at the same price per unit, such that the respective proportionate interests of the Partners in the Partnership are maintained.
- (e) If any Partner determines not to exercise its pre-emptive right, the other Partners may, at their option, subscribe for all or part of the Additional Capital not taken up by the other Partners during the thirty (30) day period following the expiry of the period in subsection 5.2(c) above; provided that, the General Partners shall receive only General Partnership Units and the Limited Partners shall receive only Limited Partnership Units.
- (f) If all or any part of the Additional Capital is not taken up by the Partners, the Management Committee may admit other Persons as Limited Partners, as contemplated by the other provisions of this Agreement, and accept subscriptions for Limited Partnership Units from such Persons, in order to raise the balance of the Additional Capital not taken up by the existing Partners during the one hundred and twenty (120) day period following the expiry of the period in subsection 5(e) above.

5.3 Partnership Interest

- (a) The interest of a Partner in each item of income, gain, loss, deduction and credit of the Partnership (**Partnership Interest**) shall, subject to Article 6, be in the same proportion as the number of Units held by that Partner is to the aggregate number of Units held by the Partners from time to time.

Such capital account shall be credited with (i) the amount of capital contributed from time to time by that Partner (and where such contribution to capital is made by way of a transfer of property, the amount of such capital shall be equal to the value as agreed upon by the Partners as at the time of the contribution of such property to capital) and (ii) the amount of any income allocated to that Partner by the Partnership, and shall be reduced by (iii) the amount of any distribution to or withdrawal of capital by that Partner and (iv) the amount of any loss allocated to that Partner by the Partnership.
- (b) No Partner shall be entitled to withdraw any part of its contributed capital except upon (i) the dissolution of the Partnership or (ii) the liquidation of the assets of the Partnership, and such withdrawal shall be in the form of cash unless the Management Committee decides to distribute such capital in the form of property, in which case the value of such property shall be as determined by the Auditor as at the date of such distribution.
- (c) No Partner shall be entitled to receive any distribution except as permitted by the Act, other applicable laws and this Agreement.

The Partners shall not be entitled to be paid any interest on the amount of their capital accounts.

- (a) Upon any issuance of General Partnership Units or Limited Partnership Units pursuant to the provisions of this Agreement, the Management Committee will cause such issuance to be recorded in the securities register of the Partnership maintained pursuant to subsection 7.5(b)(iv) and will deliver to the Partner a General Partnership Unit Certificate or Limited Partnership Unit Certificate, as applicable, specifying the number of General Partnership Units or Limited Partnership Units represented thereby.
- (b) Every Unit Certificate must be signed by at least one member of the Management Committee appointed by the Managing Partner, so long as it is a General Partner, and at least one member of the Management Committee appointed by Magna GP, as long as it is a General Partner.
- (c) If a Unit Certificate is defaced, lost, destroyed or wrongfully taken, the Partner in whose name such Unit Certificate was issued shall be entitled to have a

replacement Unit Certificate issued in substitution therefor, provided that, the Partner requesting such replacement Unit Certificate must (i) provide to the Management Committee an agreement, in form satisfactory to the Management Committee, indemnifying and holding harmless the Partnership from any costs, damages, liabilities or expenses suffered or incurred as a result of or arising out of issuing such new Unit Certificate, and (ii) satisfy any other reasonable requirements imposed by the Management Committee.

5.8 Securities Transfer Act

Each Partnership Interest, each Unit and each Unit Certificate shall be a security for purposes of the *Securities Transfer Act, 2006* (Ontario) and for purposes of any other similar legislation in any other relevant jurisdiction.

ARTICLE 6

PROFITS, LOSSES AND DISTRIBUTIONS

6.1 Determination of Profits and Losses

Profits and losses of the Partnership for any Fiscal Year will be determined in accordance with GAAP. The Management Committee shall have the right, in computing the income or loss of the Partnership for income tax purposes, to adopt different treatment of particular items and to make and revoke such elections on behalf of the Partnership, as the Management Committee may deem to be in the best interests of the Partners not inconsistent with this Agreement.

6.2 Allocation of Profits and Losses

Unless the Partners otherwise agree in writing, the aggregate profits or losses of the Partnership for a Fiscal Year shall be allocated at the end of each Fiscal Year to the General Partners and Limited Partners as of the last day of the Fiscal Year in question, in accordance with the distribution formula for Distributable Cash set out in Section 6.3.

6.3 Distributions of Available Cash to Partners

The Management Committee shall determine on an annual basis, but in no event later than March 31 of each year, the amount of cash on hand of the Partnership that is derived from any source and that is determined by the General Partners not to be required for use in connection with the Partnership Business or Ancillary Activities (**Distributable Cash**). The Distributable Cash shall be distributed to the Partners forthwith after such determinations as follows:

- (i) to each General Partner an amount equal to that proportion of the Distributable Cash which is equal to the number of its General Partnership Units divided by the total number of all Units outstanding as of the date of determination; and
- (ii) to each Limited Partner an amount equal to that proportion of the Distributable Cash which is equal to the number of its Limited Partnership Units divided by the total number of all Units outstanding as of the date of determination.

The Partnership will comply with the distribution policy set out in the Constitution of the Partnership.

6.4 Tax Returns

Each Partner shall prepare and file such documents as may be required to be prepared and filed under the Income Tax Act or any other applicable tax legislation and shall include in its computation of income the income or loss of the Partnership for tax purposes as may be determined and allocated to it pursuant to this Article 6. The Management Committee and the General Partners will cause the Partnership to provide reasonable assistance to each Limited Partner (including making any applicable filings) to obtain any available tax refunds, credits, exemptions from withholding and benefits of any applicable tax treaties or similar relief with respect to any taxes imposed as a result of the Partnership's activities or investments. The Limited Partner requesting the assistance will promptly reimburse the Partnership for any out-of-pocket costs incurred by the Partnership in providing such assistance.

6.5 Allocation of Tax Credits

Subject to the provisions of the Income Tax Act, tax credits and other allocations that may be made for tax purposes other than by way of a distribution or appropriation of assets of the Partnership will be allocated as at the end of the relevant Fiscal Year to the Partners as of the last day of the Fiscal Year in question, in the proportions in which profits or losses for that Fiscal Year were allocated to the Partners pursuant to Section 6.2. Notwithstanding the above, additional allocations of investment tax credits (as defined in the Income Tax Act) may be allocated to those Partners which are not specified members (as defined in subsection 248(1) of the Income Tax Act) in accordance with subsection 127(8.3) of the Income Tax Act and in proportion to the number of Units held by such Partners.

6.6 Review by Auditor

The Management Committee will, at the request of any Limited Partner, at the Partnership's expense, instruct the Auditor to review any allocation or distribution, and the decision of the Auditor will be final and binding.

7.5 Meetings of the Management Committee

- (a) The Chairman or any other Member may call a meeting of the Management Committee on ten (10) days notice, or such shorter notice as may be agreed upon by the Members, which notice will set out the agenda topics for the meeting. The quorum for all meetings of the Management Committee shall be three (3) Members (or their delegates, provided that written notice of the appointment of such delegates has been provided in accordance with subsection 7.1(d)), including at least two (2) Members appointed by the Managing Partner and one (1) Member appointed by Magna GP. If a quorum is not present at a Management Committee meeting, the meeting shall be reconvened on at least five (5) Business Days notice, unless the Members unanimously agree to a shorter notice period. At the reconvened meeting, a quorum shall exist as long as any three (3) Members (or their delegates, subject to the requirement to give notice of the appointment of such delegates in accordance with subsection 7.1(d)) are present; provided, however, that in all cases a majority of Members present (excluding any who have agreed to participate solely as observers) shall be appointees of the Managing Partner.
- (b) The Management Committee shall prepare and maintain (or cause to be prepared and maintained), at the Partnership's registered office or at such other place in Ontario designated by the Management Committee,
 - (i) this Agreement, and any amendments hereto;
 - (ii) minutes of meetings and resolutions of the Management Committee and any subcommittee thereof;
 - (iii) a register of Members (and any delegates that may be appointed in accordance with subsection 7.1(d)) in which are set out the names and

residence addresses, while Members (or delegates), including the street and number, if any, of all Persons who are or have been Members (or delegates) with the several dates on which each became or ceased to be a Member (or delegate);

- (iv) a securities register which records the securities issued by the Partnership in registered form and the date and particulars of each issuance, distribution, transfer, redemption or cancellation;
- (v) copies of any material agreements related to the Partnership; and
- (vi) any other records or documents that the Partnership is required to prepare or maintain in accordance with the Act.

7.6 Management Committee Resolutions

All matters duly presented to a meeting of the Management Committee for decision shall be decided by a simple majority vote of the Members present (with the Chairman to have a casting vote in the event of an equality of votes); provided, that, any of the following matters will require approval by a majority of Members that includes at least one Member appointed by Magna GP:

- (a) a transaction with, or that involves, directly or indirectly, the Managing Partner or any Person who is a Related Party to the Managing Partner;
- (b) any amendment to, or waiver of, the Constitution of the Partnership;
- (c) the appointment of an Auditor which is not an internationally recognized accounting firm;
- (d) the sale, lease or exchange of all or substantially all the assets of the Partnership, unless Magna GP has been given a Notice of Asset Sale in accordance with the provisions of Section 8.8 and Magna GP confirms that it does not wish to accept the offer contained therein, or fails to accept such offer within thirty (30) days of its receipt;
- (e) the liquidation, dissolution or termination of the Partnership;
- (f) for greater certainty, the creation of a new class of partnership units that has priority over the Limited Partnership Units with respect to the return of capital contributions, the allocation of profits and losses, or any distributions of cash or other property of the Partnership; and
- (g) for greater certainty, any amendments to the rights of Magna GP pursuant to this Section 7.6.

7.7 Limitations on Authority of the Limited Partners

Without derogating from the limitations contained in Section 4.3, any Limited Partner may from time to time:

- (a) examine into the state and progress of the business of the Partnership and advise as to its management;

(b) act as a contractor for or an agent or employee of the Partnership or of any General Partner; or

(c) act as a surety for the Partnership.

Each Limited Partner shall comply with the provisions of the Act in force or in effect from time to time and shall not take any action which will jeopardize or eliminate the status of the Partnership as a limited partnership.

7.8 Exercise of Powers by Members

Each Member and his delegate(s), if any, shall, in exercising his powers, act honestly and in good faith with a view to the best interests of the Limited Partners and the Partnership and shall exercise the care, diligence and skill that a reasonably prudent Person would exercise in similar circumstances. Each of Stronach GP and Magna GP will cause its appointees who serve as Members, and their delegates, to vote on Management Committee resolutions, and to otherwise act, in full compliance with the provisions of this Agreement.

7.9 Services

The duties of the General Partners in their capacity as general partners of the Partnership shall be carried out by the Management Committee, by officers or employees of the General Partners or by independent contractors retained by the Management Committee or General Partners for such purposes. Notwithstanding the provisions of Sections 3.6 and 7.6 which restrict the Partnership from engaging in transactions with or involving certain Persons, the Management Committee may cause the Partnership to employ or retain any Person (including any General Partner) to provide services to the Partnership in connection with the Partnership Business or the Ancillary Activities.

7.10 Delegation

The Management Committee may cause the Partnership to retain any Person to provide services to the Partnership or to carry out any of the duties of the Management Committee or the General Partners and may delegate to such Person any power and authority of the Management Committee or the General Partners hereunder, including the powers and authority set out in Section 7.3, but no such retainer or delegation shall relieve the Management Committee or the General Partners of any of their obligations hereunder.

7.11 Transactions with Affiliates

Subject to Sections 3.6 and 7.6, the validity of any transaction, agreement or payment involving the Partnership and one or more Partners, or any Affiliate of a Partner, shall not be invalidated or otherwise affected by reason of the relationship between the Partner and the Partnership or the Partner or Partnership and such Affiliate, or by reason of the approval of the said transaction, agreement or payment by the directors of a General Partner, all or some of whom may be officers, directors or shareholders of or otherwise interested in or related to such Affiliate.

7.12 Indemnity

The Partnership shall indemnify a Member (or delegate thereof), former Member (or delegate thereof) or a Person who acts or acted at the Partnership's request as a director or officer or other similar executive for another body corporate or other organization of which the Partnership is or was a shareholder (or other type of equity-holder) or creditor, and such Person's heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by it or him in respect to any civil, criminal or administrative action or proceeding to which it or he is made a party by reason of being or having been a Member, director, officer or other similar executive of such body corporate or other organization, to the full extent permitted by law, provided that such individual (i) has not breached this Agreement or applicable law, and (ii) has acted honestly and in good faith with a view to the best interests of the Partnership or, as the case may be, to the best interests of the other entity for which the individual acted as a director or officer or other similar executive at the Partnership's request. The Partnership is authorized to enter into agreements evidencing its indemnity in favour of the foregoing Persons to the full extent permitted by law and may purchase and maintain insurance against the risk of its liability to indemnify pursuant to this provision.

7.13 Constitution

Commencing on the Effective Date, the Partnership will adopt a constitution (the **Constitution of the Partnership**), in substantially the form attached as Schedule B. The Constitution of the Partnership will be deemed, from and after the Effective Date, to form an integral part of this Agreement and will not be amended or waived except in accordance with subsection 7.6(b).

ARTICLE 8

TRANSFER OF INTERESTS OR SALE OF ASSETS

8.1 Transfer of Partnership Interests

- (a) No Partner shall transfer, directly or indirectly, including by way of sale, assignment, amalgamation or other disposition transaction, its Units or Partnership Interest, in whole or in part, to any Person (such an act being referred to in this Article 8 as a **transfer of a Partnership Interest**) unless (i) such transfer is expressly permitted by this Article 8; and (ii) the requirements of the Act have been complied with. Any other purported transfer of a Partnership Interest shall be null and void and the General Partners shall refuse to register any such transfer in the books and records of the Partnership.

- (b) Subject to Section 8.2, any Partner may transfer all or any part of its Partnership Interest to an Affiliate of such Partner, without the prior written consent of any other Partner, for tax, estate-planning or corporate organization purposes, provided that the transferee agrees in writing, in a form satisfactory to the other Partners, to be bound by this Agreement and to re-transfer such Partnership Interest to an Affiliate of the Person who controlled the transferring Partner as of the date of the original transfer in the event that the transferee subsequently ceases to be an Affiliate of such Person.

- (c) A transfer of a Partnership Interest in whole or in part shall not cause a dissolution of the Partnership.
- (d) If the Units held by a Partner represent all or substantially all of the assets of such Partner, a proposed sale, assignment or other disposition of the equity interests in the Partner which would result in an indirect transfer of a Partnership Interest shall be treated as a proposed transfer of the Partnership Interest held by such Partner and the provisions of this Article 8 shall apply, mutatis mutandis, to such transaction.
- (e) Any transfer including by way of sale, assignment, mortgage, charge, amalgamation or other disposition transaction, directly or indirectly, of the equity interests in Stronach GP to a Person who is not an Affiliate of Stronach GP immediately prior to such transfer shall be prohibited, unless the General Partnership Units held by Stronach GP are first transferred to a corporation that will continue to be an Affiliate of the Stronach Trust pursuant to subsection 8.1(b) and Section 8.2. In the event that such a prohibited transfer of equity interests occurs, Stronach GP will be deemed to have given a Notice of Unit Sale to Magna GP immediately prior to such transfer specifying a price per Unit which is equal to the net book value per Unit of the Partnership and Magna GP shall have the right, in its discretion, to purchase such General Partnership Units at such price.
- (f) For greater certainty, if Stronach GP transfers all of its General Partnership Units to an Affiliate of Stronach GP pursuant to subsection 8.1(b), the Affiliate transferee shall be entitled to all the rights and benefits held by Stronach GP under this Agreement immediately prior to such transfer including, if applicable, the right to act as, and to exercise all the power and authority of, the Managing Partner.

8.2 Transfer Requirements

Any transfer of a Partnership Interest shall not be effective unless the transferee has delivered to the Management Committee:

- (a) a form of transfer, in the form attached as Schedule C, executed by the transferor and the transferee;
- (b) a counterpart of this Agreement signed by the transferee, or a document signed by the transferee pursuant to which the transferee agrees to be bound by the terms of this Agreement (including giving the representations and warranties set out in Section 4.4 or 4.5, as applicable);
- (c) evidence or assurances, satisfactory to the Management Committee acting reasonably, that the transferee is a person resident in Canada for purposes of the Income Tax Act, or if the transferee is a partnership, that it is a Canadian partnership as defined in section 102 of the Income Tax Act; and

- (d) such other documents or instruments that any General Partner may consider necessary or advisable to effect the transfer including evidence that the proposed transfer is not prohibited by this Agreement.

The transferring Partner shall reimburse the Partnership for all reasonable expenses (including legal fees) relating to the transfer of its Partnership Interest.

8.3 Deemed Consent

Where a transferee is otherwise entitled to be admitted to the Partnership as a Partner under this Agreement, all Partners shall be deemed to consent to the transferee being admitted to the Partnership and authorize the transferring Partner to constitute the transferee a substituted Partner without the need of any further act of the Partners. The declaration of partnership of the Partnership and the other records of the Partnership shall be amended, if necessary, in accordance with the provisions of the Act, and all other steps shall be taken which, in the opinion of the Management Committee, are reasonably necessary to admit such Person as a substituted Partner, and such Person shall thereupon become a substituted Partner.

8.4 Pledges

No Partner shall pledge, charge, grant a security interest in, mortgage, hypothecate or otherwise encumber its Units, Partnership Interest or Unit Certificates, or any rights or benefits in respect thereof (or allow any such encumbrance to exist), without the prior written consent of each General Partner.

8.5 Right of First Offer; Right of First Refusal and Tag-along Right

- (a) If any Partner desires to sell or otherwise transfer some or all of the Units or Partnership Interests held by such Partner (the **Sale Units**) to a person other than a sale or transfer to an Affiliate in accordance with subsection 8.1(b), then such Partner (the **Selling Partner**) shall first give a notice in writing (a **Notice of Unit Sale**) to the other Partners (the **Offeree Partners**) indicating that the Selling Partner is willing to sell the Sale Units. The Notice of Unit Sale shall set out the price at which, and the other terms upon which, the Sale Units are offered for sale. If the Sale Units are General Partnership Units, the Notice of Unit Sale shall also indicate to what extent, if any, the rights of the General Partner to appoint Members pursuant to this Agreement will be conveyed to the purchaser of the Sale Units, rather than being retained by the Selling Partner, in accordance with the provisions of Section 8.7. Each Offeree Partner shall, within ten (10) Business Days of receipt of the Notice of Unit Sale, inform the Selling Partner in writing whether:
 - (i) such Offeree Partner wishes to purchase its pro rata share of the Sale Units, in which case there shall be deemed to be a binding agreement of purchase and sale between the Selling Partner as vendor and such Offeree Partner as purchaser at the sale price provided for in the Notice of Unit Sale and with the closing arrangements and other terms provided in Section 8.6; or

- (ii) such Offeree Partner rejects the offer contained in the Notice of Unit Sale.

- (b) If an Offeree Partner rejects such offer or fails to give notice of its intentions within ten (10) Business Days of receipt of the Notice of Unit Sale to the Selling Partner, the Selling Partner shall be at liberty to seek a bona fide arm's length purchaser for such Offeree Partner's pro rata share of the Sale Units.

- (c) Upon finding a bona fide arm's length purchaser (the **Proposed Purchaser**) for any Sale Units not purchased in accordance with subsection 8.5(a) (the **Remaining Sale Units**), the Selling Partner shall give a notice in writing (the **Second Notice of Unit Sale**) to each Offeree Partner specifying:
 - (i) the name of the Proposed Purchaser;

 - (ii) the price on a per Unit basis (without regard to whether the Units being sold are General Partnership Units or Limited Partnership Units) which the Proposed Purchaser has agreed to pay, and the cash equivalent of such price, if not payable fully in cash, for the Remaining Sale Units (the **Proposed Purchaser's Price**);

 - (iii) the closing date, which shall not be less than 30 days after the expiration of the last of the applicable time periods in this Section 8.5;

 - (iv) all other terms and conditions relating to the proposed sale to the Proposed Purchaser, including the terms of payment and the time of completion; and

 - (v) attaching a copy of any agreement or other offer between the Selling Partner and the Proposed Purchaser, which agreement or offer shall include the agreement of the Proposed Purchaser to honour any exercise of the Tag-Along Right (as defined below),(the provisions of subsections 8.5(c)(iii) and (iv) are referred to, collectively, as the **Sale Terms**).

- (d) Upon receipt of a Second Notice of Unit Sale, each Offeree Partner shall have the right to:
 - (i) purchase its pro rata share of the Remaining Sale Units at the Proposed Purchaser's Price (without regard to whether the Units being sold are General Partnership Units or Limited Partnership Units), or the cash equivalent of such price, if not payable fully in cash, and upon the Sale Terms (provided, however, that the Sale Terms shall be deemed to include the provisions of Section 8.6, which in the event of conflict or inconsistency, shall govern); or

 - (ii) sell its pro rata share of the Offeree Partner's Units to the Proposed Purchaser on the Sale Terms and at the same price on a per Unit basis (the **Tag-Along Right**),

by giving written notice of its intentions within ten (10) Business Days of receipt of the Second Notice of Unit Sale to the Selling Partner of such Offeree Partner's intention either to purchase its pro rata share of such Remaining Sale Units on the Sale Terms or to sell its pro rata share of the Offeree Partner's Units to the Proposed Purchaser on the Sale Terms.

- (e) If an Offeree Partner fails to give notice of its intentions within ten (10) Business Days of receipt of the Second Notice of Unit Sale or elects not to exercise its rights to purchase or sell Units pursuant to subsection 8.5(d), the Selling Partner shall be free to sell such Remaining Sale Units to the Proposed Purchaser, for a price not less than the Proposed Purchaser's Price and on terms substantially the same as, and in any event no more favourable to such third party purchaser than, those set out in the Sale Terms, without further notice to the Offeree Partner, at any time within one hundred and twenty (120) days of the Offeree Partner's receipt of the Second Notice of Unit Sale, subject to the provisions of Section 8.2.
- (f) If the Offeree Partner exercises its Tag-Along Right, the Selling Partner shall not be permitted to sell any of the Remaining Sale Units to the Proposed Purchaser unless the Proposed Purchaser purchases both Remaining Sale Units and Offeree Partner's Units, on a pro rata basis, on the Sale Terms and at the same price as the Proposed Purchaser's Price on a per Unit basis.

8.6 Closing Arrangements for Notice of Unit Sale or Second Notice of Unit Sale

- (a) The closing of the purchase by an Offeree Partner of Sale Units or Remaining Sale Units from a Selling Partner (the **Closing**) shall take place not later than the twentieth (20th) Business Day after the Offeree Partner informs the Selling Partner in writing that it wishes to accept an offer contained in either a Notice of Unit Sale or a Second Notice of Unit Sale to purchase such Units, at the principal place of business of the Partnership specified in Section 2.3.
- (b) At the Closing:
 - (i) the Offeree Partner shall pay the purchase price for the Sale Units or Remaining Sale Units as determined in accordance with Section 8.5 by wire transfer of immediately available funds to an account designated by the Selling Partner; and
 - (ii) the Selling Partner shall execute all such instruments of transfer and ancillary documents as may be reasonably requested by the Offeree Partner or otherwise required to effect the transfer pursuant to this Agreement.

8.7 General Partner Appointment Rights

If a General Partner desires to sell or otherwise transfer less than all of the General Partnership Units held by such General Partner in circumstances where such General Partner is obliged to give a Notice of Unit Sale, the Selling Partner shall have the discretion to determine to what extent, if any, the rights of the Selling Partner to appoint Members pursuant to this Agreement

will be conveyed to the purchaser of the Sale Units, with the remainder of the appointment rights of such General Partner pursuant to this Agreement to be retained by the Selling Partner. The Selling Partner shall confirm how such appointment rights will be allocated in any Notice of Unit Sale or Second Notice of Unit Sale given by it pursuant to this Agreement.

8.8 Sale of Assets

- (a) If the Partnership receives an unsolicited bona fide offer to purchase or otherwise acquire all or substantially all the assets of the Partnership from a third party which is not a Related Party of Stronach GP or Magna GP (the **Third Party Offer**), the Managing Partner may either:
 - (i) submit the Third Party Offer to the Management Committee for consideration, without first issuing a Notice of Asset Sale, in which event the Third Party Offer will require approval by a majority of Members that includes at least one Member appointed by Magna GP in order for the Partnership to accept it; or
 - (ii) give a notice in writing (the **Notice of Asset Sale**) to Magna GP indicating that Magna GP has the right, which is described more fully in subsection 8.8(c), to acquire such assets.
- (b) The Notice of Asset Sale shall include a copy of the Third Party Offer which sets out the price and other terms of the offer, and shall set out a full description of the assets covered thereby (the **Subject Assets**) if such a description is not included in the Third Party Offer.
- (c) Magna GP shall, within thirty (30) days of receipt of a Notice of Asset Sale, inform the Managing Partner in writing whether:
 - (i) Magna GP wishes, either itself or on behalf of one or more of its Affiliates, to accept the offer to purchase or otherwise acquire the Subject Assets from the Partnership on the terms set out in the Third Party Offer accompanying the Notice of Asset Sale, in which case there shall be deemed to be a binding agreement of purchase and sale between the Partnership or the relevant Subsidiary of the Partnership, as vendor, and Magna GP or such Affiliate(s) of Magna GP as it may specify, as purchaser, at the sale price and on the other terms provided for in the Third Party Offer; or
 - (ii) Magna GP rejects the offer contained in the Notice of Asset Sale.
- (d) If the Third Party Offer included with a Notice of Asset Sale contains any element of non-cash consideration, or any terms which Magna is incapable of performing, Magna shall be entitled to accept such offer pursuant to subsection 8.8(c) by providing cash consideration to the Partnership (or other consideration, if acceptable to the Partnership) with an equivalent fair market value to any non-cash consideration which it does not wish or is unable to provide, and by providing equivalent compensation to the Partnership for any term of the Third Party Offer which it is incapable of performing.

- (e) If Magna GP rejects the offer contained in the Notice of Asset Sale, or fails to accept such offer within thirty (30) days of its receipt, the Management Committee may accept the Third Party Offer on behalf of the Partnership, provided that it closes the asset sale transaction within ninety (90) days of the expiry of such thirty (30) day period and such transaction is approved by a majority of Members (ie, the special approval requirements of Section 7.6 will not apply in these circumstances).

ARTICLE 9

DISSOLUTION OF THE PARTNERSHIP

9.1 Dissolution

Subject to the Act and Section 9.2, the Partnership may be dissolved or terminated only with the unanimous written consent of the General Partners and the Limited Partners. Notwithstanding any rule of law or equity to the contrary, the Partnership shall not be dissolved or terminated except as provided herein. In particular, the Partnership shall continue notwithstanding the dissolution of, death of or Event of Insolvency in respect of any Partner, the admission of a new Partner or the transfer of any Units, unless the Partnership is dissolved or terminated as aforesaid.

9.2 Conversion from Partnership to Corporation

If the Management Committee so determines, whether in connection with a decision to effect an initial public offering of securities (an **IPO**) or otherwise, to reorganize the Partnership into a corporation, such reorganization shall be effected on the following basis:

- (a) the corporation will have a share capital structure which is comprised of two (2) classes of shares which have the same economic rights and entitlements on a per share basis, with one class carrying twenty (20) votes per share (the **Multiple Voting Shares**) and the other class carrying a single vote per share (the **Subordinate Voting Shares**);
- (b) the General Partnership Units held by the Managing Partner will be exchanged for 100% of the Multiple Voting Shares;
- (c) the other General Partnership Units and all the Limited Partnership Units will be exchanged, based on the same exchange ratio, for Subordinate Voting Shares;
- (d) there will be coat-tail protection for the benefit of the holders of Subordinate Voting Shares in the event of a take-over bid;
- (e) any such reorganization shall, to the extent possible, be structured to occur on a tax-deferred basis under the Income Tax Act; and
- (f) the governance arrangements and transfer restrictions contemplated by this Agreement will terminate upon the completion of an IPO, but the corporation

which succeeds the Partnership shall adopt a Corporate Constitution similar to the Corporate Constitution contained in Magna's Restated Articles of Incorporation dated August 28, 2008. Such Corporate Constitution could only be amended or waived by a separate class vote of the holders of the Subordinate Voting Shares.

9.3 Deemed Resignation

- (a) A General Partner shall be deemed to have resigned as General Partner immediately upon the occurrence of any Event of Insolvency in respect of such General Partner and, if there are no other General Partners at the time, as soon as possible, a successor to the resigning General Partner shall be admitted to the Partnership with the consent of the holders of a majority of the Limited Partnership Units.
- (b) On the effective date of the deemed resignation of a General Partner as contemplated by subsection 9.3(a) above, the Partnership shall return to the departing General Partner the amount that it contributed to the capital of the Partnership.
- (c) If a successor General Partner is admitted to the Partnership, the Partnership Interest of the departing General Partner shall be automatically transferred and assigned from the departing General Partner to the successor General Partner in consideration for the successor General Partner assuming the obligations and duties of the departing General Partner under this Agreement, the successor General Partner shall become a party to this Agreement and forthwith assume the obligations and duties of the departing General Partner hereunder and the departing General Partner shall do all things and take all steps necessary or advisable to transfer: (i) title to all the real property and other assets in which the Partnership has an interest, (ii) management of the business of the Partnership and (iii) the books, records and accounts of the Partnership to the successor General Partner and shall execute and deliver all documents and instruments necessary or advisable to effect such transfers.

9.4 Liquidation of Partnership Assets

In the event of the dissolution of the Partnership, the Management Committee (or in the event of an Event of Insolvency in respect of a General Partner, a receiver (the **Receiver**) selected by the other General Partner(s)) shall commence to wind up the affairs of the Partnership and to liquidate its assets diligently and expeditiously. The Partners shall continue to share the profits and losses of the Partnership during the period of liquidation in the same proportion as before the dissolution. The Management Committee (or the Receiver) shall have full right and unlimited discretion to determine the time, manner and terms of any sale or sales of the assets of the Partnership pursuant to such liquidation, having due regard to the activity and condition of the relevant market and general financial economic conditions.

9.5 Distributions of Capital on Liquidation or Dissolution

The proceeds of the liquidation and any other funds of the Partnership shall be applied and distributed in the following order:

- (a) first, to pay and discharge all of the Partnership's debts, obligations and liabilities, including the expenses of its liquidation;

(b) second, to establish any reserves which the Management Committee (or the Receiver) may deem necessary or advisable for any contingent or unforeseen debts, liabilities or obligations of the Partnership; said reserves may be paid over by the Partnership to a bank or trust company acceptable to the Management Committee (or the Receiver) in escrow to be held by it for the purpose of distributing such reserves in payment of any such liabilities or obligations, and at the expiration of such period as the Management Committee (or the Receiver) shall deem advisable, distributing the balance, if any, thereafter remaining, in the manner provided in subsection 9.5(c); and

(c) third, any balance remaining shall be distributed to the Partners in accordance with their respective Partnership Interests. Other than as aforesaid, there shall be no distributions of capital unless unanimously agreed to by the Partners.

9.6 Dissolution

Notwithstanding the above, if the General Partners agree, the dissolution may be undertaken in a manner to comply with the provisions of subsection 85(3), subsection 98(3) or subsection 98(5) of the Income Tax Act.

ARTICLE 10

ACCOUNTING AND REPORTING

10.1 Books of Account

The Management Committee shall ensure that full, complete and accurate books of account and records of the Partnership with respect to the Partnership's business and financial affairs, including financial and accounting records and financial statements prepared in accordance with GAAP and proper records of all transactions pertaining to the Partnership, are maintained at the principal place of business of the Partnership. Such books of account and records shall be prepared and maintained in accordance with all policies and procedures generally applicable to Magna operating divisions from time to time, including all accounting and records retention policies and procedures, and shall be available for review by any Partner on reasonable notice during business hours. Without limiting the generality of the foregoing right of access, each General Partner and its representatives shall be afforded the reasonable opportunity by the Management Committee and the Partnership to perform an internal audit and make a full investigation of all aspects of the financial affairs of the Partnership at any time at the expense of such General Partner. The Management Committee shall instruct the Auditor to answer all reasonable questions from any General Partner relating to the financial affairs of the Partnership.

10.2 Quarterly Reports

Within 25 days of the end of each quarter of each Fiscal Year (other than the fourth quarter), the Management Committee shall send or cause to be sent to each Partner:

- (a) a balance sheet as of the end of such quarter, as well as a statement of income for the Partnership for such quarter (neither of which need be audited, but each of which shall be prepared in accordance with GAAP to the extent applicable to interim statements);
- (b) a statement of each Partner's capital account as well as detailed calculations of any distributions made by the Partnership in such quarter; and
- (c) such other financial information in respect of such period as (i) in the opinion of the Management Committee, is material to the business of the Partnership; or (ii) is requested by any Partner, acting reasonably.

10.3 Annual Reports

In addition to the reports required pursuant to Section 10.2, within 45 days of the end of each Fiscal Year, the Management Committee shall send or cause to be sent to each Partner a report including the information required by subsections 10.2(b) and (c) in respect of the fourth quarter of such Fiscal Year, as well as:

- (a) a balance sheet as of the end of such Fiscal Year and statements of income, Partner's equity and changes in financial position for such Fiscal Year, all of which shall be prepared in accordance with GAAP and accompanied by the report of the Auditor thereon; and
- (b) such other information in respect of the particular period as (i) in the opinion of the Management Committee, is material to the business of the Partnership; or (ii) is requested by any Partner, acting reasonably.

Each Partner will have the right to require the Management Committee to provide to such Partner any additional information in respect of the Partnership's activities, progress and status as such Partner reasonably requests, provided that the Management Committee would not incur any material expense in doing so. The Management Committee shall, as it considers reasonably necessary, provide the Limited Partners with continuous feedback, market information and updates in relation to material events that affect or may affect the Partnership Business as and when they occur. The delivery of any financial statement or other information required by Section 10.2 or 10.3 may be waived by unanimous written consent of all Partners.

10.4 Taxation

The Management Committee shall send or cause to be sent, in a timely manner, to each Person who was a Partner at any time during a Fiscal Year, such information and documents as are necessary for such Person to make appropriate tax filings with respect to that Fiscal Year. The Management Committee shall file or cause to be filed, on behalf of the Partners, annual Partnership information returns and any other information required to be filed under the Income Tax Act and any other applicable tax legislation in respect of Partnership matters.

10.5 Electronic Delivery

Any reports or other information and documentation to be sent to a Partner under this Article may be in electronic form and may be sent by electronic means.

GENERAL

12.1 No Representations

The Partners agree that there are no representations and warranties by any of them with respect to this Agreement except for those representations and warranties which are expressly set out in Sections 4.4 and 4.5.

12.2 Non-Waiver

No consent to or waiver of any breach or default by any Partner in the performance of its obligations hereunder shall be effective unless in writing and signed by the Person to be bound thereby.
