Incorporated and Barclays Capital Inc., as representatives of the underwriters, in connection with the registered offering of an aggregate of 6,750,000 shares of the Company's Class A common stock (the *Shares*), sold by the Company, at a public offering price of \$17.00 per share (the *Stock Offering*). Pursuant to the terms of the Underwriting Agreement, the Underwriters were given an option to purchase an additional 1,012,500 Shares at the same public offering price, to cover over-allotments. A copy of the Underwriting Agreement is attached as Exhibit 1.1 hereto, the terms of which are incorporated herein by reference. **Indenture.** On November 9, 2010, Spansion LLC ( *Spansion LLC* ), a wholly owned subsidiary of the Company, issued \$200,000,000 aggregate principal amount of 7.875% Senior Notes due 2017 (the *Notes*) in a private placement under Rule 144A and Regulation S promulgated under the Securities Act of 1933, as amended. The terms and conditions of the Notes and related matters are set forth in the Indenture, dated as of November 9, 2010, by and between Spansion LLC, as issuer, the Company and Spansion Technology LLC, as guarantors, and Wells Fargo Bank, National Association, as trustee (the *Indenture*). Pursuant to the Registration Rights Agreement, the Company will file an exchange offer registration statement with the Securities and Exchange Commission (the *SEC*) with respect to an offer to exchange the Notes for notes ( *Exchange Notes* ) having identical terms in all material respects to the Notes and which will evidence the same continuing indebtedness of the Company (except that the Exchange Notes will not contain terms with respect to transfer restrictions or interest rate increases as described below). The Company will use its commercially reasonable efforts to cause the exchange offer registration statement to be declared effective by the SEC under the Securities Act and to consummate the exchange offer by no later than August 5, 2011. In certain circumstances, the Company may also be obligated to file a shelf registration statement in lieu of or in addition to the exchange offer registration statement. If the Company does not meet the above deadline (a *Registration Default*) then, subject to certain exceptions, the interest rate borne by the Notes will be increased by 0.25% per annum for the first 90 day period and thereafter by 0.50% per annum. unsecured basis. Interest is payable on May 15 and November 15 of each year beginning May 15, 2011 until and including the maturity date of November 15, 2017.

The Indenture contains certain covenants that will limit, among other things, the ability of Spansion LLC and its restricted subsidiaries to:
