The accompanying proxy card is solicited by mail by and on behalf of the Company's Board, and the cost of soliciting proxies will be borne by the Company. In addition to use of the mails, proxies may be solicited in person, by telephone, or via the Internet by the Company's directors and officers who will not receive additional compensation for such services. The Company will request banks, brokerage houses, and other institutions, nominees, and fiduciaries to forward the soliciting material to beneficial owners and to obtain authorization for the execution of proxies. ### **Voting Rights and Procedures**

Only stockholders of record at the close of business on March 8, 2013 (the Record Date ), will be entitled to receive notice of and to vote at the Annual Meeting. As of the Record Date, 12,486,727 shares of common stock, \$.10 par value per share, of the Company were issued and outstanding. The holders of common stock are entitled to one vote per share on any proposal presented at the Annual Meeting.

Stockholders may vote in person or by proxy. If you attend the Annual Meeting, you may vote in person even if you have previously returned your proxy card. Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. Proxies may be revoked by (i) filing with the Secretary of the Company, before the taking of the vote at the Annual Meeting, a written notice of revocation bearing a later date than the proxy, (ii) duly completing a later-dated proxy card relating to the same shares and delivering it to the Secretary of the Company before the taking of the vote at the Annual Meeting, or (iii) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy). Any written notice of revocation or subsequent proxy should be sent so as to be delivered to Regional Management Corp., 509 West Butler Road, Greenville, SC 29607, Attention: Secretary, before the taking of the vote at the Annual Meeting.

### **Withheld Votes, Broker Non-Votes, Abstentions, and Quorum**

Brokers that are members of certain securities exchanges and that hold shares of the Company's common stock in street name on behalf of beneficial owners have authority to vote on certain items when they have not received instructions from beneficial owners. Under the New York Stock Exchange rules and regulations governing such brokers, the proposal to ratify the appointment of McGladrey LLP as the Company's independent registered public accounting firm is considered a discretionary item. This means that brokers may vote in their discretion on this proposal on behalf of beneficial owners who have not furnished voting instructions. In contrast, certain items are considered non-discretionary, and a broker non-vote occurs when a broker or other nominee holding shares for a beneficial owner votes on one proposal but does not vote on another proposal because, with respect to such other proposal, the nominee does not have discretionary voting power and has not received instructions from the beneficial owner. Proposal One, regarding the election of directors, is considered non-discretionary and, therefore, for this proposal brokers cannot vote your uninstructed shares when they do not receive voting instructions from you.

The representation in person or by proxy of at least a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting is necessary to constitute a quorum for the transaction of business. Votes withheld from any nominee, abstentions, and broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum for the Annual Meeting.

### **Votes Required to Approve Each Proposal**

For Proposal One, the election of the nine nominees named in the Proxy Statement to serve as members of the Board until the next annual meeting of stockholders or until their successors are elected and qualified, the nine nominees receiving the highest number of affirmative votes of the shares present or represented and entitled to vote at the Annual Meeting shall be elected as directors. For Proposal Two, the ratification of the appointment of McGladrey LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013, an affirmative vote of a majority of the shares present, in person or represented by proxy, and voting on such matter is required for approval. Abstentions are included in the number of shares present or represented and voting on each matter. Broker non-votes are not considered voted for the particular matter and have the effect of reducing the number of affirmative votes required to achieve a majority for such matter by reducing the total number of shares from which the majority is calculated.

The persons named as proxy holders and attorneys-in-fact in the proxy card, Thomas F. Fortin and Brian J. Fisher, were selected by the Board and are officers of the Company. All properly executed proxies returned in time to be

counted at the Annual Meeting will be voted by such persons at the Annual Meeting. Where a choice has been specified on the proxy with respect to the foregoing matters, the shares represented by the proxy will be voted in accordance with the specifications. If no such specifications are indicated, such proxies will be voted FOR election of the director nominees and FOR ratification of the appointment of our independent registered public accounting firm.

Aside from the election of directors and the ratification of the appointment of the independent registered public accounting firm, the Board knows of no other matters to be presented at the Annual Meeting. If any other matter should be presented at the Annual Meeting upon which a vote properly may be taken, shares represented by all proxies received by the Board will be voted with respect thereto in accordance with the judgment of the persons named as proxy holders and attorneys-in-fact in the proxies.

The address of our principal executive office is 509 West Butler Road, Greenville, South Carolina 29607, and our telephone number is (864) 422-8011.

## **PROPOSAL ONE**

### **ELECTION OF DIRECTORS**

Our Amended and Restated Bylaws (the Bylaws ) currently provide that the number of directors of the Company shall be fixed from time to time by resolution adopted by the Board. There are presently nine directors.

The Corporate Governance and Nominating Committee (the Nominating Committee ) of our Board evaluates the size and composition of the Board on at least an annual basis. In connection therewith, the Nominating Committee has nominated and recommends for election as directors the nine nominees set forth below. Each nominee presently serves as a director. Directors shall be elected to serve until the next annual meeting of stockholders or until their successors are elected and qualified or until their earlier resignation, removal, or death.

A candidate for election as a director is nominated to stand for election based on his or her professional experience, recognized achievements in his or her respective fields, an ability to contribute to some aspect of our business, and the willingness to make the commitment of time and effort required of a director. Each of the below-listed nominees has been identified as possessing an appropriate diversity of background and experience, good judgment, deep knowledge of our industry, strength of character, and an independent mind, as well as a reputation for integrity and high personal and professional ethics. Each nominee also brings a strong and unique background and set of skills to the Board, giving the Board, as a whole, competence and experience in a wide variety of areas.

In selecting this slate of nominees for 2013, the Nominating Committee specifically considered the background, business experience, and certain other information with respect to each of the nominees as set forth below, along with the familiarity of the nominees with our business and prospects, which has been developed as a result of their service on our Board. The Nominating Committee believes that such familiarity will be helpful in addressing the opportunities and challenges that we face in the current business environment.

Each of the nine nominees has consented to being named in this Proxy Statement and to serve as a director, if elected. In the event that any nominee withdraws, or for any reason is unable to serve as a director, the proxies will be voted for such other person as may be designated by the Nominating Committee as a substitute nominee, but in no event will proxies be voted for more than nine nominees. The Nominating Committee has no reason to believe that any nominee will not continue to be a candidate or will not serve if elected.

The process for such pre-approval is typically as follows: Audit Committee pre-approval is sought at one of the Audit Committee's regularly scheduled meetings following the presentation of information at such meeting detailing the particular services proposed to be performed. The authority to pre-approve non-audit services may be delegated by the Audit Committee to the Chairman of the Audit Committee, who shall present any decision to pre-approve an activity to the full Audit Committee at the first meeting following such decision. None of the services described above were approved by the Audit Committee pursuant to the exception provided by Rule 2-01(c)(7)(i)(C) under Regulation S-X.

The Audit Committee has reviewed the non-audit services provided by McGladrey LLP and has determined that the provision of such services is compatible with maintaining McGladrey LLP's independence.

### **OTHER BUSINESS**

The Board knows of no other matter to come before the Annual Meeting. However, if any matter requiring a vote of the stockholders should be duly presented for a vote, then the persons named in the form of proxy intend to vote such proxy in accordance with their best judgment.

### **CORPORATE GOVERNANCE MATTERS**

The Company's Board is responsible for directing and overseeing the management of the business and affairs of the Company in a manner consistent with the best interests of the Company and its stockholders. The Board has implemented written Corporate Governance Guidelines designed to assist the Board in fulfilling its duties and responsibilities. The Corporate Governance Guidelines address a number of matters applicable to directors, including Board composition, structure, and policies; director qualification standards; Board meetings; committees of the Board; roles and expectations of the Board and its directors; director compensation; management succession planning; and other matters. These Corporate Governance Guidelines are available on the Company's Investor Relations website under the Corporate Governance tab at [www.regionalmanagement.com](http://www.regionalmanagement.com). A stockholder may request a copy of the Corporate Governance Guidelines by contacting our Investor Relations Department at 509 West Butler Road, Greenville, South Carolina 29607.

#### **Composition of the Board; Board Independence**

The Company's Board has the discretion to determine the size of the Board, the members of which are elected at each year's annual meeting of stockholders. Our Board currently consists of nine directors: Messrs. Campos, Dell Aquila, Fortin, Godley, Johnson, de Molina, Palomares, Perez, and Scott, with Mr. Perez serving as Chairman of the Board.

Messrs. Campos, de Molina, and Palomares are each independent in accordance with the criteria established by the New York Stock Exchange (the NYSE) for independent board members. The Board performed a review to determine the independence of its members and made a subjective determination as to each of these independent directors that no transactions, relationships, or arrangements exist that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director of the Company. In making these determinations, the Board reviewed the information provided by the directors and the Company with regard to each director's business and personal activities as they may relate to the Company and its management.

Following the closing of the Company's initial public offering in April 2012, the Company was, and continues to be, a controlled company under the rules of the NYSE because the stockholders party to the Shareholders Agreement (described below) hold more than 50% of the voting power for the election of directors. Accordingly, the Company is entitled to rely upon exemptions available to a controlled company under the NYSE corporate governance standards. These exemptions exempt the Company from the obligation to comply with certain NYSE corporate governance requirements, including the requirements that:

within one year of the date of the listing of the Company's common stock on the NYSE, a majority of the Company's Board consists of independent directors, as defined under the rules of the NYSE;

the Company have a compensation committee that is, within one year of the date of the listing of the Company's common stock on the NYSE, composed entirely of independent directors; and

the Company have a corporate governance and nominating committee that is, within one year of the date of the listing of the Company's common stock on the NYSE, composed entirely of independent directors.

## **Table of Contents**

In the event that the Company ceases to be a controlled company, the Company will be required to comply with these provisions within the transition periods specified in the rules of the NYSE. These exemptions do not modify the independence requirements for the Company's Audit Committee. The Company is in compliance with the applicable requirements of the SEC and NYSE rules with respect to the composition of the Company's Audit Committee, which effective February 20, 2013, is composed entirely of independent directors.

## **Leadership Structure**

As described in the Corporate Governance Guidelines, the Board may select its Chairman and the Company's Chief Executive Officer in any way that it considers to be in the best interests of the Company. Therefore, the Board does not have a policy on whether the role of Chairman and Chief Executive Officer should be separate or combined and, if it is to be separate, whether the Chairman should be selected from the independent directors or should be an employee of the Company.

Mr. Perez currently serves as Chairman of our Board. At this time, the Board believes the separation of the roles of Chairman and Chief Executive Officer promotes communication between the Board, the Chief Executive Officer, and other senior management, and enhances the Board's oversight of management. We believe our leadership structure provides increased accountability of our Chief Executive Officer to the Board and encourages balanced decision-making. We also separate the roles in recognition of the differences in the roles. While the Chief Executive Officer is responsible for day-to-day leadership of the Company and the setting of strategic direction, the Chairman of the Board provides guidance to the Chief Executive Officer and coordinates and manages the operation of the Board and its committees.

At this time, the Board believes our current leadership structure, with a non-employee Chairman of the Board, is appropriate for the Company and provides many advantages to the effective operation of the Board. The Board will periodically evaluate and reassess the effectiveness of this leadership structure.

## **Director Qualifications**

The Company's Nominating Committee is responsible for reviewing the qualifications of potential director candidates and recommending to the Board those candidates to be nominated for election to the Board. The Nominating Committee considers (a) minimum individual qualifications, including relevant career experience, strength of character, mature judgment, familiarity with the Company's business and industry, independence of thought, and an ability to work collegially with the other members of the Board, and (b) all other factors it considers appropriate, which may include age, diversity of background, existing commitments to other businesses, potential conflicts of interest with other pursuits, legal considerations such as antitrust issues, corporate governance background, financial and accounting background, executive compensation background, and the size, composition, and combined expertise of the existing Board. The Board and the Nominating Committee monitors the mix of specific experience, qualifications, and skills of its directors in order to assure that the Board, as a whole, has the necessary tools to perform its oversight function effectively in light of the Company's business and structure. Stockholders may also nominate directors for election at the Company's annual stockholders meeting by following the provisions set forth in the Company's Bylaws, and in such a case, the Nominating Committee will consider the qualifications of directors proposed by stockholders.

Certain members of the Board are designated by certain of our stockholders in accordance with the Amended and Restated Shareholders Agreement, dated March 27, 2012, by and among the Company, Parallel, Palladium, and certain other stockholders party thereto (the Shareholders Agreement). Such stockholders with director designation rights have sought to ensure that the Board is composed of members whose particular experience, qualifications, attributes, and professional and functional skills, when taken together, will allow the Board to effectively satisfy its oversight responsibilities, and in identifying individuals for designation to the Board, have considered those factors described in the foregoing paragraph.

## **Table of Contents**

When determining whether the Company's director nominees have the experience, qualifications, attributes, and professional and functional skills, taken as a whole, to enable our Board to satisfy its oversight responsibilities effectively in light of our business and structure, the Company's Nominating Committee focused primarily on their valuable contributions to our success in recent years and on the information discussed in the biographical descriptions set forth above.

### **Meetings**

The Board held two meetings during the fiscal year ended December 31, 2012. During fiscal 2012, each director attended more than 75% of the total number of meetings of the Board and committees on which he served. In addition to formal Board meetings, our Board communicates regularly via telephone, electronic mail, and informal meetings, and our Board and its committees often act by written consent in lieu of a formal meeting. The independent members of the Board met in executive session at each of the meetings of the Board held during fiscal 2012. Other than an expectation set forth in our Corporate Governance Guidelines that each director will make every effort to attend the annual meeting of stockholders, we do not have a formal policy regarding the directors' attendance at annual meetings. In 2012, prior to the closing of our initial public offering, our stockholders acted to elect directors by written consent in lieu of an annual meeting of stockholders. All of our then-current directors attended our last annual meeting of stockholders.

### **Committees of the Board**

Our Board has three standing committees: the Corporate Governance and Nominating Committee, the Audit Committee, and the Compensation Committee. The composition and responsibilities of each committee are described below. Members serve on these committees until their resignation or until otherwise determined by our Board.

#### ***Audit Committee***

The Audit Committee is a separately-designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act). ## **Table of Contents**

In addition, the Board has examined the SEC's definition of audit committee financial expert and has determined that Mr. de Molina satisfies this definition.

The Audit Committee Charter, which contains a more complete explanation of the roles and responsibilities of the Audit Committee, is posted on the Company's Investor Relations website under the Corporate Governance tab at [www.regionalmanagement.com](http://www.regionalmanagement.com). ### ***Compensation Committee***

Our Compensation Committee consists of Messrs. Godley, Johnson, de Molina, and Perez, with Mr. Johnson serving as Chairman. Pursuant to the Compensation Committee's written charter, our Compensation Committee is responsible for, among other things:

Mr. de Molina is an independent director in accordance with the criteria established by the NYSE for the purpose of Compensation Committee membership. As described in greater detail above, the Company is a controlled company under the rules of the NYSE. Accordingly, the Company is entitled to rely upon exemptions available to a controlled company under the NYSE corporate governance standards, including an exemption from the requirement that the Company have a compensation committee that is, within one year of the date of the listing of the Company's common stock on the NYSE, composed entirely of independent directors.

### ***Corporate Governance and Nominating Committee***

Our Nominating Committee consists of Messrs. Campos, Johnson, and Scott, with Mr. Campos serving as Chairman. Pursuant to the Nominating Committee's written charter, the Nominating Committee is responsible for, among other things:

assisting our Board in identifying prospective director nominees and recommending nominees to the Board;

overseeing the evaluation of the Board and management;

reviewing developments in corporate governance practices and developing, recommending, and maintaining a set of corporate governance guidelines; and

recommending members for each committee of our Board.

Mr. Campos is an independent director in accordance with the criteria established by the NYSE for the purpose of Nominating Committee membership. As described in greater detail above, the Company is a controlled company under the rules of the NYSE. Accordingly, the Company is entitled to rely upon exemptions available to a controlled company under the NYSE corporate governance standards, including an exemption from the requirement that the Company have a corporate governance and nominating committee that is, within one year of the date of the listing of the Company's common stock on the NYSE, composed entirely of independent directors.

The Corporate Governance and Nominating Committee will consider a candidate for director proposed by a stockholder. A candidate must be highly qualified and be both willing to serve and expressly interested in serving on the Board. A stockholder wishing to propose a candidate for the Nominating Committee's consideration should forward the candidate's name and information about the candidate's qualifications to Regional Management Corp., 509 West Butler Road, Greenville, South Carolina 29607, Attn: Corporate Secretary, no later than November 21, 2013 if the stockholder chooses to use the process described in Rule 14a-8 of the Exchange Act, and if the stockholder submits such nomination outside the process described in Rule 14a-8 of the Exchange Act, not earlier than December 25, 2013 nor later than January 24, 2014. The Nominating Committee shall select individuals, including candidates proposed by stockholders, as director nominees who shall have the highest personal and professional integrity, who shall have demonstrated exceptional ability and judgment, and who shall be most effective, in conjunction with the other nominees to the Board, in collectively serving the long-term interests of the stockholders. In evaluating nominees, the Nominating Committee will consider the director qualifications described above. We do not have a formal policy with regard to the consideration of diversity in identifying director nominees, but the Nominating Committee strives to nominate directors with a variety of complementary skills so that the Board, as a whole, will possess the appropriate talent, skills, and expertise to oversee our business.

The Nominating Committee Charter, which contains a more complete explanation of the roles and responsibilities of the Nominating Committee, is posted on the Company's Investor Relations website under the Corporate Governance tab at [www.regionalmanagement.com](http://www.regionalmanagement.com). ### **Role in Risk Oversight**

The Board receives an annual, in depth review of risks that may potentially affect us, as identified and presented by management, including all such risks reflected in our periodic filings. Additionally, the Board receives regular, quarterly updates on all such elements of risk. The Board may request supplemental information and disclosure about any other specific area of interest and concern relevant to risks it believes are faced by us and our business. The Board believes our current leadership structure enhances its oversight of risk management because our Chief Executive Officer, who is ultimately responsible for our risk management process, is in the best position to discuss with the Board these key risks and management's response to them by also serving as a director of the Company.

### **Code of Business Conduct and Ethics**

Our Board has adopted a Code of Business Conduct and Ethics (the Code of Ethics) and reviews it at least annually. The Code of Ethics applies to all of our directors, officers, and employees and must be acknowledged in writing by our Chief Executive Officer and Chief Financial Officer. The Code of Ethics is posted on the Company's Investor Relations website under the Corporate Governance tab at [www.regionalmanagement.com](http://www.regionalmanagement.com). A stockholder may request a copy of the Code of Ethics by contacting our Investor Relations Department at 509 West Butler Road, Greenville, South Carolina 29607. To the extent permissible under applicable law, the rules of the SEC, and NYSE listing standards, we intend to disclose on our website any amendment to our Code of Ethics, or any grant of a waiver from a provision of our Code of Ethics, that requires disclosure under applicable laws, the rules of the SEC, or NYSE listing standards.

### **Compensation Committee Interlocks and Insider Participation**

During the fiscal year ended December 31, 2012, Messrs. de Molina, Godley, Johnson, and Perez served on the Compensation Committee. No member of the Compensation Committee was an officer or employee of the Company or any of its subsidiaries during the fiscal year ended December 31, 2012. During the fiscal year ended December 31, 2012, no executive officers of the Company served on the compensation committee (or equivalent) or the board of directors, of another entity whose executive officer(s) served on our Board or Compensation Committee.

Mr. Godley, a member of our Compensation Committee, is a founder of Regional, a significant stockholder, and a party to our Shareholders Agreement. Prior to March 2007, Mr. Godley served as our President and Chief Executive Officer. Since March 2007, Mr. Godley served as a consultant to Regional pursuant to a consulting agreement, which was terminated in March 2012 pursuant to its terms upon the consummation of our initial public offering and the payment by us of a \$150,000 one-time termination fee to Mr. Godley. ## **AUDIT COMMITTEE REPORT**

The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. The Audit Committee operates under a written charter, a copy of which is available on our website, [www.regionalmanagement.com](http://www.regionalmanagement.com), under the Corporate Governance tab. This report reviews the actions taken by the Audit Committee with regard to our financial reporting process during the fiscal year ended December 31, 2012, and particularly with regard to the audited consolidated financial statements as of December 31, 2012 and December 31, 2011 and for the three years ended December 31, 2012.

The Audit Committee is composed solely of independent directors under existing New York Stock Exchange listing standards and Securities and Exchange Commission requirements. None of the committee members is or has been an officer or employee of the Company or any of our subsidiaries or has engaged in any

business transaction or has any business or family relationship with the Company or any of our subsidiaries or affiliates. In addition, the Board of Directors has determined that Mr. Alvaro G. de Molina is an audit committee financial expert, as defined by Securities and Exchange Commission rules.

Our management has the primary responsibility for our financial statements and reporting process, including the systems of internal controls. The independent auditors are responsible for performing an independent audit of our consolidated financial statements in accordance with auditing standards generally accepted in the United States and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and to select annually the accountants to serve as our independent auditors for the coming year.

The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to fulfill its oversight responsibilities under the Audit Committee's charter. To carry out its responsibilities, the Audit Committee met two times during the fiscal year ended December 31, 2012, communicated regularly via telephone, electronic mail, and informal meetings, and often acted by written consent.

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited consolidated financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2012, including a discussion of the quality, rather than just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee also discussed our audited consolidated financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2012, with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited consolidated financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, rather than just the acceptability, of our accounting principles, and such other matters as are required to be discussed with the Audit Committee by the statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU Section 380), as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T. In addition, the Audit Committee discussed with the auditors their independence from management and the Company, including the matters in the written disclosures and the letter required by the PCAOB regarding the independent auditors' communications with the Audit Committee regarding independence. The Audit Committee also considered whether the provision of services during the fiscal year ended December 31, 2012, by the auditors that were unrelated to their audit of the consolidated financial statements referred to above and to their reviews of our interim consolidated financial statements during the fiscal year is compatible with maintaining their independence.

Additionally, the Audit Committee discussed with the independent auditors the overall scope and plan for their audit. The Audit Committee met with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of our internal controls, and the overall quality of our financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2012, for filing with the SEC. This report has been prepared by members of the Audit Committee. Current members of the Audit Committee are:

**PROPOSALS BY STOCKHOLDERS**

Under certain conditions, stockholders may request that we include a proposal at a forthcoming meeting of the stockholders of the Company in the proxy materials of the Company for such meeting. Under SEC Rule 14a-8, any stockholders desiring to present such a proposal to be acted upon at the 2014 annual meeting of stockholders and included in the proxy materials must ensure that we receive the proposal at our principal executive office in Greenville, South Carolina by November 21, 2013 in order for the proposal to be eligible for inclusion in our proxy statement and proxy card relating to such meeting.

If a stockholder desires to propose any business at an annual meeting of stockholders, even if the proposal or proposed director candidate is not to be included in our proxy statement, our Bylaws provide that the stockholder must deliver or mail timely advance written notice of such business to our principal executive office. Under our Bylaws, to be timely, a stockholder's notice generally must be delivered to our Secretary at the principal executive offices of the Company not later than the 90th day before the first anniversary of the date of the preceding year's annual meeting and no earlier than the 120th day prior to such date. However, in the event that the date of the annual meeting is advanced by more than twenty (20) days, or delayed by more than seventy (70) days, from such anniversary date, notice by the stockholder to be timely must be delivered not earlier than the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made. Each item of business must be made in accordance with, and must include the information required by, our Bylaws, our Corporate Governance Guidelines, and any other applicable law, rule, or regulation. Assuming that the date of the 2014 annual meeting of stockholders is not advanced or delayed in the manner described above, the required notice for the 2014 annual meeting of stockholders would need to be provided to us not earlier than December 25, 2013 and not later than January 24, 2014.

If, following the filing and delivery of these proxy materials, the date of the 2014 annual meeting of stockholders is advanced or delayed by more than 30 calendar days from the date of the 2013 annual meeting of stockholders, the Company will, in a timely manner, provide notice to the Company's stockholders of the new date of the 2014 annual meeting of stockholders and the new dates by which stockholder proposals submitted both pursuant to and outside of SEC Rule 14a-8 must be received by the Company. Such notice will be included in the earliest possible Quarterly Report on Form 10-Q under Part II, Item 5.

As previously reported, Mr. Barry retired as Executive Vice President and Chief Financial Officer, effective January 2, 2013. At the effective time of Mr. Barry's retirement, Donald E. Thomas was appointed as the Company's Executive Vice President and Chief Financial Officer. In addition, effective January 14, 2013, Brian J. Fisher was appointed as the Company's Vice President, General Counsel, and Secretary.

**Compensation Determination Process.** Our current compensation program for our named executive officers has been designed based on our view that each component of executive compensation should be set at levels that are necessary, within reasonable parameters, to successfully attract and retain skilled executives and that are fair and equitable in light of market practices. The Compensation Committee reviews and approves the compensation determinations for all of our executive officers. We did not use a compensation consultant in fiscal 2012. In setting an individual named executive officer's initial compensation package and the relative allocation among different types of compensation, we consider the nature of the position being filled, the scope of associated responsibilities, the individual's prior experience and skills, and the individual's compensation expectations, as well as the compensation of existing executive officers at the Company and our general impressions of prevailing conditions in the market for executive talent.

We generally monitor compensation practices in the market where we compete for executive talent to obtain an overview of market practices and to ensure that we make informed decisions on executive pay packages. Consistent with our compensation objectives of attracting and retaining top executive talent, we believe that the base salaries and performance-based annual cash award targets of our named executive officers should be set at levels which are competitive with our peer group companies of comparable size, although we do not target any specific pay percentile for our named executive officers. To obtain a sense of the market, we review the compensation awarded by the following publicly-traded companies: Aaron's, Inc., America's Car-Mart, Inc., Credit Acceptance Corp., Dollar Financial Corp., EZCORP, Inc., First Cash Financial Services, Inc., Nicholas Financial, Inc., Rent-A-Center, Inc., and World Acceptance Corp., as well as select private companies for which we have access to compensation information. In conducting this review, we place particular emphasis on the relative size of such companies in relation to our size and also consider the overall salary levels for each position held, individual bonus targets, incentive compensation paid, and equity ownership levels. We believe that appropriate base salaries for our named executive officers should generally be in line with those paid by peer group companies of comparable size, that performance-based annual cash awards should reward exceptional performance, resulting in overall compensation which can exceed those of peer group companies of comparable size, and that total compensation for named executive officers may approach the higher end of such peer group companies of comparable size if bonus targets are reached.

**Table of Contents*****Elements of Compensation***

**Base Salaries.** Base salaries are intended to provide a minimum, fixed level of cash compensation sufficient to attract and retain an effective management team when considered in combination with other components of our executive compensation program. We believe that the base salary element is required to provide our named executive officers with a stable income stream that is commensurate with their responsibilities and to compensate them for services rendered during the fiscal year. Annual base salaries are established on the basis of market conditions at the time we hire an executive, as well as by taking into account the particular executive's level of qualifications and experience. The Compensation Committee reviews the base salaries of our executive officers annually, and any subsequent modifications to annual base salaries are made in consideration of the appropriateness of each executive officer's compensation, both individually and relative to the other executive officers, the individual performance of each executive officer, and any significant changes in market conditions. We do not apply specific formulas to determine increases.

The annual base salaries for our named executive officers for fiscal 2012 were as follows: \$350,000 for Mr. Fortin; \$225,000 for Mr. Barry; \$435,750 for Mr. Quattlebaum; and \$112,300 for Ms. Masters. Based upon their individual performance, their compensation relative to other executive officers of the Company, and market conditions, the Compensation Committee, effective February 20, 2013, approved an increase in Mr. Quattlebaum's annual base salary from \$435,750 to \$465,750, and approved an increase in Ms. Masters' annual base from \$112,300 to \$130,000 and an increase in Ms. Masters' target annual incentive bonus from 25% of her annual base salary to 30% of her annual base salary. In addition, following the expiration of Mr. Fortin's employment agreement on February 28, 2013, the Company entered into a new employment agreement with Mr. Fortin, effective March 1, 2013. Under Mr. Fortin's new employment agreement, Mr. Fortin's annual base salary increased from \$350,000 to \$420,000.

The annual base salaries for our executive officers for fiscal 2013 are as follows: \$350,000 for Mr. Fortin through February 28, 2013, and \$420,000 thereafter; \$300,000 for Mr. Thomas; \$435,750 for Mr. Quattlebaum through February 19, 2013, and \$465,750 thereafter; \$112,300 for Ms. Masters through February 19, 2013, and \$130,000 thereafter; and \$140,000 for Mr. Fisher.

**Performance-Based Annual Cash Awards.** Our annual incentive program is designed to drive achievement of annual corporate goals, including key financial and operating results and strategic goals that create value for stockholders. Our named executive officers are eligible for performance-based annual cash awards linked to our performance in relation to performance targets set by the Board. Target annual incentive levels for each of our named executive officers for fiscal 2012 were as follows:

Name	Annual Base Salary	Percentage of Base Salary Used to Determine Award Eligibility	Target Award	Actual Award
Thomas F. Fortin	\$ 350,000	64.9%	\$ 227,150	\$ 122,207
Robert D. Barry	\$ 225,000	82.0%	\$ 184,500	\$ 99,261
C. Glynn Quattlebaum	\$ 435,750	46.6%	\$ 203,060	\$ 109,246
A. Michelle Masters	\$ 112,300	25.0%	\$ 28,075	\$ 15,104

**Table of Contents**

Target fiscal 2013 incentive levels for each of our executive officers, as established by our Compensation Committee, are described in the table below. The Compensation Committee determined that the target fiscal 2013 incentive levels for Messrs. Fortin and Quattlebaum and Ms. Masters will take into account the mid-year increases in annual base salary described above, as reflected in the table below.

<b>Name</b>	<b>Annual Base Salary</b>	<b>Percentage of Base Salary Used to Determine Award Eligibility</b>	<b>Target Award</b>
Thomas F. Fortin	\$ 408,333	64.9%	\$ 265,008
Donald E. Thomas	\$ 300,000	50.0%	\$ 150,000
C. Glynn Quattlebaum	\$ 461,554	46.6%	\$ 215,084
A. Michelle Masters	\$ 127,524	30.0%	\$ 38,257
Brian J. Fisher	\$ 140,000	25.0%	\$ 35,000

The awards for fiscal 2012 were based on our performance with respect to the following metrics. These metrics will also be used to determine the performance-based annual cash awards for our executive officers for fiscal 2013:

net income from operations, which measures profitability;

total debt / adjusted EBITDA (earnings before interest, taxes, depreciation and amortization), which is our leverage ratio;

average monthly net finance receivables, which measures our loan growth;

net loans charged off as a percentage of average monthly net finance receivables, which measures our charge-off control; and

total general and administrative expense percentage, which measures our expense control.

These metrics drive the overall performance of our business from year to year and are elements of our historical financial success. Net income from operations measures the effectiveness of our management team's execution of our strategic and operational plans. We believe that this measure accurately reflects business variables and factors that are directly within management's control or, if not directly within management's control, are directly influenced by decisions made by our executives. Total debt / adjusted EBITDA measures our reliance on our credit facilities to produce cash flow. We believe that we should, over time, reduce our reliance upon borrowings and should fund proportionately more of our loan originations from operating cash flow as we grow. This measure holds management accountable for de-leveraging our balance sheet over time. Average monthly net finance receivables measures the growth of our loan portfolio. We seek to continually grow our business on a consistent and sound basis. We establish annual growth objectives for our management team for loans that we originate and service. Net loans charged off as a percentage of average monthly net finance receivables measures the control our management team exerts on loans and is ultimately a measure of the quality of underwriting policies and decisions. We guide our management team to specific aggregate net charge-off goals each year that, combined with our average finance receivables measure, balance attractive growth with effective portfolio control. Total general and administrative expense percentage measures the effectiveness with which our management team utilizes our corporate resources.

The percentages described in the tables above are set forth in the employment agreements of Messrs. Fortin and Quattlebaum and the letter agreements of Messrs. Barry, Thomas, and Fisher and determined with respect to Ms. Masters by the Compensation Committee. They are calibrated so that the total compensation opportunity for each named executive officer is commensurate with that executive's role and responsibilities with us. An executive must be employed by us on the last day of the performance year in order to be eligible to receive payment in respect of a performance-based annual cash award.

## **Table of Contents**

**Discretionary Cash Bonuses.** Our Board has the discretion to make periodic cash payments to executive officers in recognition of various specific projects and exceptional achievements. There is no formula or schedule for such discretionary payments. No discretionary payments were made to our named executive officers in fiscal 2012.

**Equity Awards.** In 2007 and 2008, our Board granted options to Messrs. Fortin, Barry, and Quattlebaum pursuant to our 2007 Stock Plan. Our Board did not grant any equity awards during 2009, 2010, or 2011. On March 27, 2012, pursuant to our 2011 Stock Plan and in connection with our initial public offering, the Compensation Committee granted to Mr. Fortin a nonqualified stock option for 125,000 shares and granted to Messrs. Barry and Quattlebaum and to Ms. Masters nonqualified stock options for 25,000 shares each. On January 2, 2013, pursuant to our 2011 Stock Plan, the Compensation Committee granted to Mr. Thomas a nonqualified stock option for 100,000 shares. These grants are intended to directly align the interests of such named executive officers with those of our stockholders, to give such named executive officers a strong incentive to maximize stockholder returns on a long-term basis, and to aid in our recruitment and retention of key executive talent necessary to ensure our continued success. Having closed our initial public offering in 2012, our Compensation Committee may determine to change some of our executive compensation programs in light of the availability of publicly-traded equity as a compensation tool, but we have not yet formulated any plans to make such changes.

**Other Compensation.** We also provide various other limited perquisites and other personal benefits to our named executive officers that are intended to be part of a competitive compensation program. These benefits include 401(k) plan matching contributions for each of our named executive officers and monthly automobile allowances of \$1,150 for Messrs. Fortin, Barry, and Thomas and \$1,650 for Mr. Quattlebaum. Mr. Quattlebaum receives a higher allowance to reflect additional driving that he does for us in his capacity as President and Chief Operating Officer. The Board believes that these benefits are comparable to those offered by other companies that compete with us for executive talent and are consistent with our overall compensation program. Perquisites are not a material part of our compensation program. We also provide our named executive officers with benefits that are generally available to all of our employees, including health insurance, disability insurance, dental insurance, vision insurance, life insurance, and vacation time.

**Payments Upon Termination and Change in Control.** Pursuant to the terms of his employment agreement, each of Messrs. Fortin and Quattlebaum is entitled to certain benefits upon the termination of his employment with us, the terms of which are described below under Potential Payments Upon Termination or Change in Control. These benefits are intended to alleviate concerns that may arise in the event of an executive's separation from service with us and enable executives to fully focus on their duties to us while employed by us.

**Deductibility of Executive Compensation.** Section 162(m) of the Internal Revenue Code (the Code), limits the ability of the Company to deduct for tax purposes compensation over \$1,000,000 to our principal executive officer or any one of our three highest paid executive officers, other than our principal executive officer or principal financial officer, who are employed by us on the last day of our taxable year, unless, in general, the compensation is paid pursuant to a plan that is performance related, non-discretionary, and has been approved by our stockholders. The Compensation Committee will review and consider the deductibility of executive compensation under Section 162(m) and may authorize certain payments that will be in excess of the \$1,000,000 limitation. The Compensation Committee believes that it needs to balance the benefits of designing awards that are tax-deductible with the need to design awards that attract, retain, and reward executives responsible for the success of the Company.

### **Employment Agreements**

#### ***Employment Agreements with Mr. Fortin***

We entered into an employment agreement with Mr. Fortin dated February 29, 2008 (as amended, the 2008 Fortin Agreement ), pursuant to which Mr. Fortin has served as our Chief Executive Officer. The employment term under the 2008 Fortin Agreement was a five-year term that began on February 29, 2008, and ended on February 28, 2013. On March 18, 2013, we entered into a new employment agreement with Mr. Fortin (the 2013 Fortin Agreement ), pursuant to which Mr. Fortin will continue to serve as our Chief Executive Officer. The 2013 Fortin Agreement provides for a three-year term that began on March 1, 2013, and will end on March 18, 2016.

#### **2008 Fortin Agreement**

Under the 2008 Fortin Agreement, Mr. Fortin was entitled to receive an annual base salary of \$350,000, which was subject to increases as determined by our Board or Compensation Committee from time to time. With respect to each calendar year during the employment term, Mr. Fortin was also eligible to earn an annual bonus award under the applicable bonus plan based upon the achievement of performance targets established by our Board or Compensation Committee. Pursuant to the 2008 Fortin Agreement, Mr. Fortin also received a grant of 196,563 time-vesting stock options, subject to the terms of our 2007 Stock Plan.

If Mr. Fortin's employment was terminated under the 2008 Fortin Agreement by us without cause or by Mr. Fortin as a result of involuntary termination, Mr. Fortin was entitled to receive (1) accrued but unpaid salary, bonus, and expense reimbursements through his termination date; (2) continued payment of his annual base salary until six months after his termination date, reduced by the amount of income received by Mr. Fortin from other employment during that period; (3) payment of the COBRA premium applicable to Mr. Fortin for comparable coverage under our group medical plan for so long as he is entitled to continued payment of his base salary and is not entitled to obtain insurance from a subsequent employer; and (4) an amount equal to the annual cash bonus award, if any, that Mr. Fortin would have been entitled to receive pursuant to the terms of the 2008 Fortin Agreement in respect of such year had his employment not terminated, prorated for the portion of such year Mr. Fortin was employed during such year.

If Mr. Fortin's employment terminated due to his death or disability (as defined in the 2008 Fortin Agreement), Mr. Fortin would have been entitled to receive accrued but unpaid salary, bonus, and expense reimbursement prior to his death or disability, and an amount equal to the annual cash bonus award, if any, that Mr. Fortin would have been entitled to receive pursuant to the terms of the 2008 Fortin Agreement in respect of such year had his employment not terminated, prorated for the portion of such year Mr. Fortin was employed during such year. In addition, in the event Mr. Fortin's employment was terminated due to disability, he would have been entitled to continued payment of his annual base salary until six months after his termination date, reduced by the amounts payable under any disability insurance, plan, or policy maintained by us and by the amount of any salary, wages, or other income paid to or for the benefit of Mr. Fortin from any other employment, and payment of the COBRA premiums, when due, for Mr. Fortin to obtain continuation medical insurance for such period or until he obtains health insurance from a subsequent employer. Such salary would have been paid as and at such times as Mr. Fortin would have received his salary had he remained our employee.

If we terminated Mr. Fortin's agreement with cause, or if Mr. Fortin voluntarily terminated his employment not due to involuntary termination, he would have been entitled only to accrued but unpaid salary and expense reimbursements through his termination date.

For the purpose of the 2008 Fortin Agreement, cause includes (1) the willful or grossly negligent material failure by Mr. Fortin to perform his duties thereunder; (2) Mr. Fortin's conviction of any felony or certain other crimes; (3) certain acts of fraud, embezzlement or misappropriation; (4) certain failures to comply with any written policy of ours that materially interferes with his ability to discharge his duties, responsibilities,

or obligations under his employment agreement; (5) the knowing misstatement of our financial records; (6) the material breach by Mr. Fortin of any of the terms of his employment agreement; or (7) the failure to disclose material financial or other information to our Board.

For the purpose of the 2008 Fortin Agreement, involuntary termination means Mr. Fortin's termination of his employment which, in his good faith judgment, is due to a material change of Mr. Fortin's responsibilities, position, authority, duties, or in the terms or status of his employment agreement or a reduction in his base salary.

Mr. Fortin is also subject to a covenant not to disclose our confidential information during his employment term and at all times thereafter and covenants not to compete with us and not to solicit our employees or customers during his employment term and for three years following termination of his employment for any reason.

### **2013 Fortin Agreement**

Pursuant to the 2013 Fortin Agreement, Mr. Fortin will receive an annual base salary of \$420,000, which is subject to increases as may be determined by the Board or Compensation Committee from time to time. In addition, in the event Mr. Fortin's employment is terminated due to disability, he is entitled to continued payment of his annual base salary until 12 months after his termination date, reduced by the amounts payable under any disability insurance, plan, or policy maintained by the Company.

If the Company terminates Mr. Fortin's agreement with cause or if Mr. Fortin voluntarily terminates his employment, he is entitled only to accrued but unpaid salary and expense reimbursements through his termination date. In the case of voluntarily termination of employment, if termination occurs after year end but before the bonus for the preceding year is paid, Mr. Fortin is also entitled to payment of the bonus for the preceding year.

any of the terms of the 2013 Fortin Agreement; (7) habitual drunkenness or substance abuse; (8) the failure to disclose material financial or other information to the Company's Board; or (9) engagement in conduct that results in Mr. Fortin's obligation to reimburse the Company for certain amount of bonus or other compensation under the Sarbanes-Oxley Act of 2002 or the Dodd-Frank Wall Street Reform and Consumer Protection Act.

For purposes of the 2013 Fortin Agreement, involuntary termination means termination of Mr. Fortin's employment which, in Mr. Fortin's good faith judgment, is due to a material change of his responsibilities, position, authority, duties, or in the terms or status of the 2013 Fortin Agreement or a reduction in Mr. Fortin's compensation package, in each case without Mr. Fortin's written consent.

Mr. Fortin is also subject to a covenant not to disclose the Company's confidential information during his employment term and at all times thereafter, a covenant not to compete during his employment and for a period of two years following his termination of employment, a covenant not to solicit competitive consumer finance loans through loan sources (as defined in the 2013 Fortin Agreement) during his employment and for a period of two years following his termination of employment, a covenant not to solicit Company employees during his employment and for a period of two years following his termination of employment, and a non-disparagement covenant effective during the employment term and at all times thereafter. ### ***Employment Agreement with Mr. Quattlebaum***

We have entered into an employment agreement with Mr. Quattlebaum dated March 21, 2007, as amended, pursuant to which Mr. Quattlebaum serves as our President and Chief Operating Officer. Such salary and bonus would be paid as and at such times as Mr. Quattlebaum would have received his salary and bonus had he remained our employee.

If we terminate Mr. Quattlebaum's agreement with cause, or if Mr. Quattlebaum voluntarily terminates his employment for a reason other than due to involuntary termination, he is entitled only to accrued but unpaid salary and expense reimbursements through his termination date.

Such salary would be paid as and at such times as Mr. Quattlebaum would have received his salary had he remained our employee.

For the purpose of the employment agreement with Mr. Quattlebaum, "cause" includes (1) the willful or grossly negligent material failure by Mr. Quattlebaum to perform his duties thereunder; (2) Mr. Quattlebaum's conviction of any felony or certain other crimes; (3) certain acts of fraud, embezzlement or misappropriation; (4) certain failures to comply with any written policy of ours that materially interferes with his ability to discharge his duties, responsibilities, or obligations under his employment agreement; (5) the knowing misstatement of our financial records; (6) the material breach by Mr. Quattlebaum of any of the terms of his employment agreement; or (7) the failure to disclose material financial or other information to our Board.

For the purpose of the employment agreement with Mr. Quattlebaum, "involuntary termination" means Mr. Quattlebaum's termination of his employment which, in his good faith judgment, is due to a material change of Mr. Quattlebaum's responsibilities, position, authority, duties, or in the terms or status of his employment agreement, a reduction in his base salary, or a forced relocation outside the Greenville, SC metropolitan area.

Mr. Quattlebaum is also subject to a covenant not to disclose our confidential information during his employment term and at all times thereafter and covenants not to solicit our employees or customers during his employment term and for three years following termination of his employment for any reason.

In addition, in each year of his employment we will grant Mr. Thomas a stock option award (each, an Annual Equity Grant) for the purchase of 26,500 shares of our common stock. The Initial Equity Grant is, and each Annual Equity Grant will be, subject to the terms and conditions described in a Nonqualified Stock Option Agreement and will vest in five tranches, one-fifth on each of the anniversaries of the grant dates, as long as Mr. Thomas has been continuously employed by us through the dates of vesting.

**General.** We adopted our 2007 Management Incentive Plan (the 2007 Stock Plan) effective as of March 21, 2007. The 2007 Stock Plan permits the grant of non-qualified stock options and incentive stock options to our and our subsidiaries' key employees, executive officers, non-employee directors, consultants, or other independent advisors. We will not grant any further awards under the 2007 Stock Plan.

## **Table of Contents**

**Administration.** The 2007 Stock Plan is administered by the Board and the Compensation Committee. The Compensation Committee has the full authority and discretion to administer the 2007 Stock Plan and to take any action that is necessary or advisable in connection with the administration of the 2007 Stock Plan, including, without limitation, the authority and discretion to interpret and construe any provision of the 2007 Stock Plan, or any agreement, notification, or document entered into or delivered pursuant to the 2007 Stock Plan, and to determine whether a participant's termination of employment resulted from voluntary resignation for good reason, discharge for cause, or any other reason. The interpretation and construction by the Compensation Committee of any such provision and any determination by the Compensation Committee pursuant to any provision of the 2007 Stock Plan, or any agreement, notification, or document entered into or delivered pursuant to the 2007 Stock Plan, will be final and conclusive.

**Terms of Stock Options.** Options granted under the 2007 Stock Plan are vested and exercisable at such times and upon such terms and conditions as may be determined by the Compensation Committee, but in no event will an option be exercisable more than ten years after it is granted. Under the 2007 Stock Plan, the exercise price per share for any option awarded is determined by the Compensation Committee, but may not be less than 100% of the fair market value of a share on the day the option is granted.

All stock options granted by our Board under the 2007 Stock Plan have been granted at or above the fair market value of our common stock at the grant date based upon the most recent valuation of our common stock. We have no program, plan, or practice pertaining to the timing of stock option grants to executive officers, coinciding with the release of material non-public information.

An option may be exercised by paying the exercise price in cash or its equivalent, shares, to the extent authorized by the Compensation Committee, by permitting us to withhold a number of shares otherwise issuable having an aggregate value equal to the aggregate exercise price in respect of the option, or any combination of the foregoing.

As of December 31, 2012, options to purchase 589,622 shares of our common stock were outstanding under the 2007 Stock Plan. Each of Messrs. Fortin, Barry, and Quattlebaum currently holds options which have a strike price of \$5.4623 per share and are fully vested. Our Board has not granted any equity awards under the 2007 Stock Plan since 2008.

**Adjustments Upon Certain Events.** The Compensation Committee will make or provide for adjustment in the number of shares subject to the 2007 Stock Plan, the number of shares subject to an option granted under the 2007 Stock Plan, the option price applicable to any such options, in each case as the Compensation Committee in its sole discretion may determine is equitably required to maintain the intent of the 2007 Stock Plan or to prevent dilution or enlargement of the rights of participants that would otherwise result from (1) any stock dividend, stock split, combination of shares, recapitalization, or other change in the capital structure of the Company; (2) any merger, consolidation, spin-off, split-off, spin-out, split-up, reorganization, partial or complete liquidation or other distribution of assets, or issuance of rights or warrants to purchase securities; or (3) any other corporate transaction or event having an effect similar to any of the foregoing. In addition, in the event of any such transaction or event, the Compensation Committee, in its sole discretion, may provide in substitution for any or all outstanding options under the 2007 Stock Plan, such alternative consideration as it, in good faith, may determine to be equitable in the circumstances and may require in connection with such substitution the surrender of all stock options so replaced.

**Amendment and Termination.** The Compensation Committee may amend or terminate the 2007 Stock Plan at any time, provided that the 2007 Stock Plan may not be amended without further approval of our stockholders if such amendment would result in the plan no longer satisfying any applicable listing requirements. In addition, neither the Compensation Committee nor the Board may reduce the exercise price of an option, or replace an underwater option with a new option having a lower exercise price, without approval of each class of stockholders of the Company, in each case other than amendments made pursuant to the Compensation Committee's authority to adjust awards upon certain events (described under "Adjustments Upon Certain Events" above).

### **2011 Stock Incentive Plan**

**Purpose.** Our Board has adopted, and our stockholders have approved, the 2011 Stock Incentive Plan (the 2011 Stock Plan ). The purpose of the 2011 Stock Plan is to aid us and our affiliates in recruiting and retaining key employees, directors, and other service providers of outstanding ability and to motivate those employees, directors, consultants, and other service providers to exert their best efforts on our behalf and on behalf of our affiliates by providing incentives through the granting of stock options, stock appreciation rights ( SARs ), other stock-based awards, and other performance-based awards.

**Shares Subject to the 2011 Stock Plan.** The 2011 Stock Plan provides that the total number of shares of common stock that may be issued under the 2011 Stock Plan is 950,000, and the maximum number of shares for which incentive stock options may be granted to any participant in one fiscal year is 475,000. Shares of our common stock covered by awards that terminate or lapse without the payment of consideration may be granted again under the 2011 Stock Plan. Awards may be made under the 2011 Stock Plan in substitution for outstanding awards previously granted by a company that is acquired by us, but the shares subject to such substituted awards will not be counted against the aggregate number of shares otherwise available for awards under the 2011 Stock Plan.

**Administration.** The 2011 Stock Plan is administered by the Compensation Committee. The Compensation Committee is authorized to interpret the 2011 Stock Plan; to establish, amend, and rescind any rules and regulations relating to the 2011 Stock Plan; and to make any other determinations that it deems necessary or desirable for the administration of the 2011 Stock Plan, and the Compensation Committee may further delegate such authority. The Compensation Committee may correct any defect or supply any omission or reconcile any inconsistency in the 2011 Stock Plan in the manner and to the extent the Compensation Committee deems necessary or desirable. The Compensation Committee will have the full power and authority to establish the terms and conditions of any award consistent with the provisions of the 2011 Stock Plan and to waive any such terms and conditions at any time (including, without limitation, accelerating or waiving any vesting conditions). Determinations made by the Compensation Committee need not be uniform and may be made selectively among participants in the 2011 Stock Plan.

**Limitations.** No award may be granted under the 2011 Stock Plan after the tenth anniversary of the effective date (as defined therein), but awards theretofore granted may extend beyond that date.

**Options.** The Compensation Committee may grant non-qualified stock options and incentive stock options, which are subject to the terms and conditions as set forth in the 2011 Stock Plan, the related award agreement, and any other terms, not inconsistent therewith, as determined by the Compensation Committee; provided that all stock options granted under the 2011 Stock Plan are required to have a per share exercise price that is not less than 100% of the fair market value of our common stock underlying such stock options on the date an option is granted (other than in the case of options granted in substitution of previously granted awards), and all stock options that are intended to qualify as incentive stock options will be subject to the terms and conditions that comply with the rules as may be prescribed by Section 422 of the Code. The maximum term for stock options granted under the 2011 Stock Plan will be 10 years from the initial date of grant. The purchase price for the shares as to which a stock option is exercised will be paid to us, to the extent permitted by law (1) in cash or its equivalent at the time the stock option is exercised; (2) in shares having a fair market value equal to the aggregate exercise price for the shares being purchased and satisfying any requirements that may be imposed by the Compensation Committee, so long as the shares will have been held for such period established by the Compensation Committee in order to avoid adverse accounting treatment; (3) partly in cash and partly in shares; (4) if there is a public market for the shares at such time, through the delivery of irrevocable instructions to a broker to sell the shares being obtained upon the exercise of the stock option and to deliver to us an amount out of the proceeds of such sale equal to the aggregate exercise price for the shares being purchased; or (5) allow for payment through a net settlement feature. The repricing of stock options is prohibited without prior approval of our stockholders.

## **Table of Contents**

**Stock Appreciation Rights.** The Compensation Committee may grant stock appreciation rights, or SARs, independent of or in connection with a stock option. The exercise price per share of a SAR will be an amount determined by the Compensation Committee but in no event will such amount be less than 100% of the fair market value of a share on the date the SAR is granted (other than in the case of SARs granted in substitution of previously granted awards). Generally, each SAR will entitle the participant upon exercise to an amount equal to the product of (1) the excess of (A) the fair market value on the exercise date of one share of common stock, over (B) the exercise price per share, times (2) the numbers of shares of common stock covered by the SAR. As discussed above with respect to options, the repricing of SARs is prohibited under the 2011 Stock Plan without prior approval of our stockholders.

**Other Stock-Based Awards (Including Performance-Based Awards).** In addition to stock options and SARs, the Compensation Committee may grant or sell awards of shares, restricted shares, restricted stock units, and awards that are valued in whole or in part by reference to, or otherwise based on, the fair market value of shares, including performance-based awards. The Compensation Committee, in its sole discretion, may grant awards which are denominated in shares or cash (such awards, Performance-Based Awards), which awards may, but are not required to, be granted in a manner which is intended to be deductible by us under Section 162(m) of the Code. Such Performance-Based Awards will be in such form, and dependent on such conditions, as the Compensation Committee will determine, including, without limitation, the right to receive, or vest with respect to, one or more shares or the cash value of the award upon the completion of a specified period of service, the occurrence of an event, and/or the attainment of performance objectives. The maximum amount of a Performance-Based Award that may be earned during each fiscal year during a performance period by any participant will be: (1) with respect to Performance-Based Awards that are denominated in shares, 475,000 shares, and (2) with respect to Performance-Based Awards that are denominated in cash, \$2,500,000. The amount of the Performance-Based Award actually paid to a participant may be less than the amount determined by the applicable performance goal formula, at the discretion of the Compensation Committee.

**Effect of Certain Events on 2011 Stock Plan and Awards.** In the event of any stock dividend or split, reorganization, recapitalization, merger, consolidation, spin-off, combination or exchange of shares or other corporate exchange, any equity restructuring (as defined under FASB Accounting Standard Codification 718), or any distribution to stockholders of common stock other than regular cash dividends or any similar event, the Compensation Committee in its sole discretion and without liability to any person will make such substitution or adjustment, if any, as it deems to be reasonably necessary to address, on an equitable basis, the effect of such event, as to (1) the number or kind of common stock or other securities that may be issued as set forth in the 2011 Stock Plan or pursuant to outstanding awards; (2) the maximum number of shares for which options or SARs may be granted during a fiscal year to any participant; (3) the maximum amount of a Performance-Based Award that may be granted during a fiscal year to any participant; (4) the exercise price of any award; and/or (5) any other affected terms of such awards.

Except as otherwise provided in an award agreement or otherwise determined by the Compensation Committee, in the event of a Change in Control (as defined in the 2011 Stock Plan), with respect to any outstanding awards then held by participants which are unexercisable or otherwise unvested or subject to lapse restrictions, the Compensation Committee may, but will not be obligated to, in a manner intended to comply with the requirements of Section 409A of the Code, (1) accelerate, vest, or cause the restrictions to lapse with all or any portion of an award; (2) cancel awards for fair value (as determined in the sole discretion of the Compensation Committee), which, in the case of stock options and SARs, may equal the excess, if any, of the value of the consideration to be paid in the Change in Control transaction to holders of the same number of shares subject to such stock options or SARs over the aggregate exercise price of such stock options or SARs; (3) provide for the issuance of substitute awards; or (4) provide that the stock options will be exercisable for all shares subject thereto for a period of at least 30 days prior to the Change in Control and that upon the occurrence of the Change in Control, the stock options will terminate and be of no further force or effect. The Compensation Committee may cancel stock options and SARs for no consideration if the fair market value of the shares subject to such options or SARs is less than or equal to the aggregate exercise price of such stock options or SARs.

## **Table of Contents**

***Forfeiture and Clawback.*** The Compensation Committee may in its sole discretion specify in an award or a policy that is incorporated into an award by reference that the participant's rights, payments, and benefits with respect to such award will be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions contained in such award. Such events may include, but are not limited to, termination of employment for cause, termination of the participant's provision of services to us, breach of noncompetition, confidentiality, or other restrictive covenants that may apply to the participant, or adverse restatement of our previously released financial statements as a consequence of errors, omissions, fraud, or misconduct.

***Nontransferability of Awards.*** Unless otherwise determined by the Compensation Committee, an award will not be transferable or assignable by a participant otherwise than by will or by the laws of descent and distribution.

***Amendment and Termination.*** The Compensation Committee may generally amend, alter, or discontinue the 2011 Stock Plan, but no amendment, alteration, or discontinuation will be made (1) without the approval of our stockholders to the extent such approval is (a) required by or (b) desirable to satisfy the requirements of any applicable law, including the listing standards of the securities exchange, which is, at the applicable time, the principal market for the shares of our common stock, or (2) without the consent of a participant, would materially adversely impair any of the rights or obligations under any award theretofore granted to the participant under the 2011 Stock Plan; provided, however, that the Compensation Committee may amend the 2011 Stock Plan in such manner as it deems necessary to permit the granting of awards meeting the requirements of the Code or other applicable laws, including, without limitation, to avoid adverse tax consequences or accounting consequences to us or any participant.

***Section 409A of the Code.*** The 2011 Stock Plan and awards issued thereunder will be interpreted in accordance with Section 409A of the Code and Department of Treasury regulations, and no award will be granted, deferred, accelerated, paid out, or modified under the 2011 Stock Plan in a manner that would result in the imposition of an additional tax under Code Section 409A upon a participant.

***Section 162(m) of the Code.*** In general, Section 162(m) of the Code denies a publicly held corporation a deduction for United States federal income tax purposes for compensation in excess of \$1 million per year per person to its principal executive officer and the three other officers (other than the principal executive officer and principal financial officer) whose compensation is disclosed in its prospectus or proxy statement as a result of their total compensation, subject to certain exceptions. The 2011 Stock Plan is intended to satisfy an exception with respect to grants of options to covered employees. In addition, the 2011 Stock Plan is designed to permit certain awards of restricted stock, restricted stock units, cash bonus awards, and other awards to be awarded as performance compensation awards intended to qualify under the performance-based compensation exception to Section 162(m) of the Code. Finally, under a special Section 162(m) exception, any compensation paid pursuant to a compensation plan in existence before the effective date of our initial public offering will not be subject to the \$1,000,000 limitation until the earliest of: (1) the expiration of the compensation plan; (2) a material modification of the compensation plan (as determined under Section 162(m)); (3) the issuance of all the employer stock and other compensation allocated under the compensation plan; or (4) the first meeting of stockholders at which directors are elected after the close of the third calendar year following 2012, the year in which our initial public offering occurred.

## **Annual Incentive Plan**

***Purpose.*** Our Board has adopted, and our stockholders have approved, the Regional Management Corp. Annual Incentive Plan (the Annual Incentive Plan). The Annual Incentive Plan is a bonus plan designed to attract, retain, motivate, and reward participants by providing them with the opportunity to earn competitive compensation directly linked to our performance.

## **Table of Contents**

**Administration.** The Annual Incentive Plan is administered by the Compensation Committee.

**Eligibility; Awards.** Awards may be granted to our officers and key employees in the sole discretion of the Compensation Committee. The Annual Incentive Plan provides for the payment of incentive bonuses in the form of cash or, at the sole discretion of the Compensation Committee, in awards under the 2011 Stock Plan. For performance-based bonuses intended to comply with the performance-based compensation exemption under Section 162(m) of the Code, by no later than the end of the first quarter of a given performance period (or such other date as may be required or permitted by Section 162(m) of the Code to the extent applicable to us and the Annual Incentive Plan), the Compensation Committee will establish such target incentive bonuses for each individual participant in the Annual Incentive Plan. However, the Compensation Committee may in its sole discretion grant such bonuses, if any, to such participants as the Compensation Committee may choose, in respect of any given performance period, that is not intended to comply with the performance-based exemption under Section 162(m) of the Code. No participant may receive a bonus under the Annual Incentive Plan, with respect of any fiscal year, in excess of \$2,500,000.

**Performance Goals.** The Compensation Committee will establish the performance periods over which performance objectives will be measured. A performance period may be for a fiscal year or a shorter period, as determined by the Compensation Committee. No later than the last day of the first quarter of a given performance period begins (or such other date as may be required or permitted by Section 162(m) of the Code to the extent applicable to us and the Annual Incentive Plan), the Compensation Committee will establish (1) the performance objective or objectives that must be satisfied for a participant to receive a bonus for such performance period, and (2) the target incentive bonus for each participant. Performance objective(s) will be based upon one or more of the following criteria, as determined by the Compensation Committee: (i) consolidated income before or after taxes (including income before interest, taxes, depreciation, and amortization); (ii) EBITDA; (iii) adjusted EBITDA, (iv) operating income; (v) net income; (vi) adjusted cash net income; (vii) adjusted cash net income per share; (viii) net income per share; (ix) book value per share; (x) return on members' or stockholders' equity; (xi) expense management (including, without limitation, total general and administrative expense percentages); (xii) return on investment; (xiii) improvements in capital structure; (xiv) profitability of an identifiable business unit or product; (xv) maintenance or improvement of profit margins; (xvi) stock price; (xvii) market share; (xviii) revenue or sales (including, without limitation, net loans charged off and average finance receivables); (xix) costs (including, without limitation, total general and administrative expense percentages); (xx) cash flow; (xxi) working capital; (xxii) multiple of invested capital; (xxiii) total debt (including, without limitation, total debt as a multiple of EBITDA); and (xxiv) total return. The foregoing criteria may relate to us, one or more of our subsidiaries, or one or more of our divisions or units, or any combination of the foregoing, and may be applied on an absolute basis and/or be relative to one or more peer group companies or indices, or any combination thereof, all as the Compensation Committee will determine. The performance measures and objectives established by the Compensation Committee may be different for different fiscal years and different objectives may be applicable to different officers and key employees.

As soon as practicable after the applicable performance period ends, the Compensation Committee will (A) determine (i) whether and to what extent any of the performance objective(s) established for such performance period have been satisfied and certify to such determination, and (ii) for each participant employed as of the date on which bonuses under the Annual Incentive Plan are payable, unless otherwise determined by the Compensation Committee (to the extent permitted under Section 162(m) of the Code, to the extent applicable to us and the Annual Incentive Plan), the actual bonus to which such participant will be entitled, taking into consideration the extent to which the performance objective(s) have been met and such other factors as the Compensation Committee may deem appropriate and (B) cause such bonus to be paid to such participant. The Compensation Committee has absolute discretion to reduce or eliminate the amount otherwise payable to any participant under the Annual Incentive Plan and to establish rules or procedures that have the effect of limiting the amount payable to each participant to an amount that is less than the maximum amount otherwise authorized as that participant's target incentive bonus.

## **Table of Contents**

To the extent permitted under Section 162(m) of the Code, to the extent applicable to us and the Annual Incentive Plan, unless otherwise determined by the Compensation Committee, if a participant is hired or rehired by us after the beginning of a performance period (or such corresponding period if the performance period is not a fiscal year) for which a bonus is payable, such participant may, if determined by the Compensation Committee, receive an annual bonus equal to the bonus otherwise payable to such participant based upon our actual performance for the applicable performance period or, if determined by the Compensation Committee, based upon achieving targeted performance objectives pro-rated for the days of employment during such period or such other amount as the Compensation Committee may deem appropriate.

***Forfeiture and Clawback.*** The Compensation Committee may in its sole discretion specify in an award or a policy that is incorporated into an award by reference that the participant's rights, payments, and benefits with respect to such award will be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions contained in such award. Such events may include, but are not limited to, termination of employment for cause, termination of the participant's provision of services to us, breach of noncompetition, confidentiality, or other restrictive covenants that may apply to the participant, or restatement of our financial statements to reflect adverse results from those previously released financial statements as a consequence of errors, omissions, fraud, or misconduct.

***Change in Control.*** If there is a Change in Control (as defined in the 2011 Stock Plan, as described above), the Compensation Committee, as constituted immediately prior to the change in control, will determine in its sole discretion whether and to what extent the performance criteria have been met or will be deemed to have been met for the year in which the change in control occurs and for any completed performance period for which a determination under the Annual Incentive Plan has not been made.

***Termination of Employment.*** If a participant dies or becomes disabled prior to date on which bonuses under the Annual Incentive Plan for the applicable performance period are payable, the participant may receive an annual bonus equal to the bonus otherwise payable to the participant based on actual company performance for the applicable performance period or, if determined by the Compensation Committee, based upon achieving targeted performance objectives, pro-rated for the days of employment during the performance period. Unless otherwise determined by the Compensation Committee, if a participant's employment terminates for any other reason, such participant will not receive a bonus.

***Payment of Awards.*** Payment of any bonus amount is made to participants as soon as is practicable after the Compensation Committee certifies that one or more of the applicable performance objectives has been attained or after the Compensation Committee determines the amount of such bonus. All payments thus made will be in accordance with or exempt from the requirements of Section 409A of the Code.

***Amendment and Termination of Plan.*** Our Board or the Compensation Committee may at any time amend, suspend, discontinue, or terminate the Annual Incentive Plan, subject to stockholder approval if such approval is necessary to continue to qualify the amounts payable under the Annual Incentive Plan under Section 162(m) of the Code if such amounts are intended to be so qualified; provided, that no such amendment, suspension, discontinuance or termination will adversely affect the rights of any participant in respect of any fiscal year that has already begun. Unless earlier terminated, the Annual Incentive Plan will expire on the day immediately prior to our first stockholder meeting at which directors are to be elected that occurs after the close of the third calendar year following 2012, the calendar year in which our initial public offering occurred.

### **CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS**

#### **Shareholders Agreement**

In March 2007, we entered into a shareholders agreement, which was amended and restated on March 27, 2012, by that certain Amended and Restated Shareholders Agreement (the Shareholders Agreement), by and among the Company, Parallel, Palladium, and certain other stockholders party thereto (such stockholders referred to in this Certain Relationships and Related Person Transactions section as the individual owners). Each of Parallel and Palladium are related persons due to their greater than five percent equity ownership in the Company and the other stockholders party to the Shareholders Agreement are related persons due to their participation in the Shareholders Agreement, which qualifies them as a group under Section 13(d) of the Exchange Act. The Shareholders Agreement includes the following voting agreement:

if the parties to the Shareholders Agreement hold more than 50% of our outstanding stock entitled to vote for the election of directors, then such parties will collectively have the right to designate the smallest whole number of directors that constitutes a majority of the Board;

if the parties to the Shareholders Agreement hold 50% or less, but more than 25%, of our outstanding stock entitled to vote for the election of directors, then such parties will collectively have the right to designate the number of directors that is one fewer than the smallest whole number of directors that constitutes a majority of the Board; and

if the parties to the Shareholders Agreement hold 25% or less of our outstanding stock entitled to vote for the election of directors, such parties will have no right to designate directors except that each of (1) Palladium, (2) Parallel, and (3) a representative of the individual owners party to the Shareholders Agreement will have the right to designate one director if such stockholder or group of stockholders holds at least 5% of the outstanding stock entitled to vote for the election of directors.

The director designation rights described in the first and second bullets above are allocated among the parties to the Shareholders Agreement as follows:

for so long as the individual owners under the Shareholders Agreement in the aggregate continue to hold at least 5% of the outstanding stock entitled to vote for the election of directors, one director will be designated by a representative of the individual owners; and

all of the remaining directors to be designated by the parties to the Shareholders Agreement will be divided between Parallel and Palladium in the ratio that most nearly matches the ratio of their ownership of shares of common stock of Regional; provided that, unless and until the ratio of the number shares of common stock held by Parallel to the number of shares of common stock held by Palladium is less than such ratio immediately following our initial public offering, the number of directors to be designated by Parallel will not be fewer than one fewer than the number of directors to be designated by Palladium.

The Shareholders Agreement also provides Parallel and Palladium with demand registration rights and provides incidental registration rights to the individual owners party to the Shareholders Agreement. The Shareholders Agreement further provides that, in certain circumstances, parties to the Shareholders Agreement that have designated a director who is then serving on our Board may not make a significant investment in one of our competitors unless such party has first presented the investment opportunity to us.

The Shareholders Agreement is filed as an exhibit to our Annual Report on Form 10-K, and the foregoing description is qualified by reference thereto.

#### **Mezzanine Debt**

At the beginning of fiscal 2012, we had \$25.8 million aggregate principal amount of our mezzanine debt outstanding, of which \$20.8 million was held by Palladium, \$2.0 million was held by Richard A. Godley (a director and an individual owner under the Shareholders Agreement), \$2.0 million was held by Jerry L. Shirley

## **Table of Contents**

(an individual owner under the Shareholders Agreement), and \$1.0 million was held by Brenda F. Kinlaw (an individual owner under the Shareholders Agreement). These amounts were the largest aggregate and individual principal amounts of our mezzanine debt outstanding at any one time in fiscal 2012. We amended the agreement governing the mezzanine debt on January 18, 2012, to extend the maturity. The mezzanine debt accrued interest at a rate of 15.25% per annum and was secured by a junior lien on certain of our assets, including the equity interests of substantially all of our subsidiaries and substantially all of our finance receivables. We used the proceeds of our initial public offering to repay the mezzanine debt in full, and as of December 31, 2012, no amount of mezzanine debt was outstanding. During 2012, Palladium, Mr. Godley, Mr. Shirley, and Ms. Kinlaw each received cash payments of interest totaling \$819,972, \$105,056, \$105,056, and \$52,528, respectively. The agreement governing our mezzanine debt is filed as an exhibit to our Annual Report on Form 10-K, and the foregoing description is qualified by reference thereto.

### **Advisory and Consulting Fees**

We previously entered into an advisory agreement with each of Parallel and Palladium, pursuant to which they agreed to provide us with certain advisory and consulting services. In consideration for such services, we agreed to pay each of Parallel and Palladium an annual fee equal to \$337,500 and pay or reimburse each of them for all reasonable out-of-pocket expenses directly related to the services rendered by each of them, not to exceed \$50,000 in any year unless approved by our Board. This advisory agreement was terminated pursuant to its terms effective upon the closing of our initial public offering in April 2012 and upon the payment to each of Parallel and Palladium, in fiscal 2012, of a one-time termination fee of \$337,500.

In March 2007, we entered into a consulting agreement with each of Mr. Godley, Ms. Kinlaw, and Mr. Shirley, each an individual owner. In addition, Mr. Godley is a director on our Board. Pursuant to these agreements, each of them agreed to provide us with certain consulting services. In consideration for such services, we agreed to pay each of them a monthly fee equal to \$12,500, as well as pay or reimburse each of them for all reasonable out-of-pocket expenses directly related to the performance of his or her duties and responsibilities to us under the agreements. Under these consulting agreements, we also provided each of these individual owners with health insurance through March 2009. Each of these consulting agreements was terminated pursuant to their terms upon the closing of our initial public offering in April 2012 and upon the payment to each consultant of a one-time termination fee of \$150,000.

In addition, we agreed to pay the commercially reasonable legal fees incurred by the individuals owning our common stock prior to our initial public offering in connection with the consummation of our initial public offering. Such fees totaled \$38,081 in fiscal 2012.

### **Relationship Between Thomas F. Fortin and F. Barron Fletcher, III**

Thomas F. Fortin, our chief executive officer and a director, is the brother-in-law of F. Barron Fletcher, III, the managing member of Parallel.

### **Statement of Policy Regarding Transactions with Related Persons**

Our Board has adopted a written statement of policy regarding transactions with related persons, which we refer to as our related person policy. Our related person policy requires that a related person (as defined as in paragraph (a) of Item 404 of Regulation S-K) must promptly disclose to our general counsel, or other person designated by our Board, any related person transaction (defined as any transaction that is anticipated and would be reportable by us under Item 404(a) of Regulation S-K in which we were or are to be a participant and the amount involved exceeds \$120,000 and in which any related person had or will have a direct or indirect material interest) and all material facts with respect thereto. The general counsel, or such other person, will then promptly communicate that information to our Board. No related person transaction will be executed without the approval or ratification of our Board or a committee of the Board. It is our policy that directors interested in a related person transaction will recuse themselves from any vote of a related person transaction in which they have an interest. Our policy does not specify the standards to be applied by directors in determining whether or

## **Table of Contents**

not to approve or ratify a related person transaction, and we accordingly anticipate that these determinations will be made in accordance with principles of Delaware law generally applicable to directors of a Delaware corporation.

### **Indemnification of Directors and Officers**

Our Bylaws provide that we will indemnify our directors and officers to the fullest extent permitted by the Delaware General Corporation Law, which we refer to as the DGCL. In addition, our Amended and Restated Certificate of Incorporation provides that our directors will not be liable for monetary damages for breach of fiduciary duty to the fullest extent permitted by the DGCL. There is no pending litigation or proceeding naming any of our directors or officers to which indemnification is being sought, and we are not aware of any pending or threatened litigation that may result in claims for indemnification by any director or officer.

### **SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Exchange Act requires our directors and executive officers and persons who own more than ten percent of our common stock to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and our other equity securities. Our directors, executive officers, and greater than ten percent stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 31, 2012, all Section 16(a) filing requirements applicable to directors, executive officers, and greater than ten percent beneficial owners were complied with by such persons.
