**Item 1.01 Entry into a Material Definitive Agreement.**  
***Agreement and Plan of Merger***

On November 5, 2013, Mindspeed Technologies, Inc., a Delaware corporation (the *Company*), M/A-COM Technology Solutions Holdings, Inc., a Delaware corporation (*Parent*), and Micro Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of Parent (*Acquisition Sub*), entered into an Agreement and Plan of Merger (the *Merger Agreement*). Pursuant to the Merger Agreement, and upon the terms and subject to the conditions thereof, Acquisition Sub has agreed to commence a cash tender offer to acquire all of the shares of the Company's common stock (the *Shares*) for a purchase price of \$5.05 per Share, net to the holder thereof in cash (the *Offer Price*), without interest (the *Offer*).

The consummation of the Offer will be conditioned on (i) at least a majority of all outstanding Shares (assuming conversion or exercise of all derivative securities convertible or exercisable immediately prior to the expiration date of the Offer, including all convertible senior notes and all vested Company stock options, regardless of the conversion or exercise price) having been validly tendered into (and not withdrawn from) the Offer prior to the expiration date of the Offer, (ii) expiration of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 in the United States and (iii) other customary conditions. The Offer is not subject to a financing condition.

Following the consummation of the Offer, subject to customary conditions, Acquisition Sub will be merged with and into the Company (the *Merger*) and the Company will become a wholly owned subsidiary of Parent, pursuant to the procedure provided for under Section 251(h) of the Delaware General Corporation Law without any additional stockholder approvals. In the Merger, each outstanding Share (other than Shares owned by Parent, Acquisition Sub or the Company, or any of their respective wholly owned subsidiaries, or Shares with respect to which appraisal rights are properly exercised under Delaware law) will be converted into the right to receive an amount in cash equal to the Offer Price, without interest.

At the Effective Time (as defined in the Merger Agreement), each Company option to purchase Shares that is outstanding immediately prior to the Effective Time (whether vested or unvested), will be assumed by Parent. Each Company option so assumed will continue to have the same terms and conditions under which it was granted, except that each such assumed option will be exercisable for an adjusted number of shares of the Parent's common stock (*Parent Shares*) at an adjusted exercise price. Additionally, at the Effective Time, each Company Stock-Based Award (as defined in the Merger Agreement) that is outstanding immediately prior to the Effective Time will be assumed by Parent. Each Company Stock-Based Award so assumed will continue to have the same terms and conditions under which it was granted, except that each such assumed award will be converted into the right to acquire or receive an adjusted number of Parent Shares. Finally, at the Effective Time, the Company Equity Plans (as defined in the Merger Agreement) other than the Company's Employee Stock Purchase Plan will be assumed by Parent, with the result that all obligations of the Company under such Company Equity Plans, including with respect to awards outstanding at the Effective Time thereunder, will be obligations of Parent following the Effective Time.

The Merger Agreement contains customary representations, warranties and covenants of the parties. In addition, under the terms of the Merger Agreement, the Company has agreed not to solicit or otherwise facilitate any alternative Acquisition Proposals (as defined in the Merger Agreement), subject to customary exceptions that permit the Company to respond to any unsolicited Acquisition Proposal, provided that the Company's board of directors has determined in good faith that the failure to do so would reasonably be expected to result in a breach of its fiduciary duties, and the Company has complied with certain notice requirements. The Company is also permitted to change its recommendation in favor of the Offer or to terminate the Merger Agreement in order to accept an unsolicited Superior Offer (subject to giving Parent four business days' notice of its intention to do so and, among other things, making available the Company's representatives to discuss and negotiate with Parent in good faith any amendments Parent desires to make to its proposal), provided that the Company's board of directors has determined in good faith that the failure to do so would reasonably be expected to result in a breach of its fiduciary duties. If the Company does

terminate the Merger Agreement under such circumstances, the Company must pay Parent, concurrently with such termination, a termination fee of \$9,500,000. In addition, this termination fee is payable by the Company to Parent under other specified circumstances.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is attached as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference. The Merger Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about the Company, Parent or Acquisition Sub. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in confidential disclosure schedules provided by the Company in connection with the signing of the Merger Agreement. These disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purpose of allocating risk between the Company, Parent and Acquisition Sub, rather than establishing matters of fact. Accordingly, the representations and warranties in the Merger Agreement may not constitute the actual state of facts about the Company, Parent or Acquisition Sub.

**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

(e) On November 5, 2013, the Compensation and Management Development Committee of the Company's board of directors (the *Committee*) approved entering into a Non-Competition and Non-Solicitation Agreement between the Company, Parent and Mr. Najabat Hasnain Bajwa (the *Agreement*). The Agreement is contingent upon the completion of the transactions contemplated in the Merger Agreement and will be null and void in the event such transactions fail to close. The Agreement requires that Mr. Bajwa not compete with the Company, Parent or any of their affiliates in a defined business area for a period of two (2) years following the closing of the Merger (the *Restricted Period*) with respect to the business or be employed or connected with any competitor. Additionally, during the Restricted Period, Mr. Bajwa may not solicit customers or former customers or employees or contractors of the Company, Parent or any of their affiliates. For purposes of the Agreement, the business of the Company, Parent and their affiliates includes designing, developing, manufacturing, testing, marketing, licensing and/or selling integrated circuits, related software and technology, and other semiconductor solutions for communications applications in wireline and wireless network infrastructure equipment, including fixed and mobile broadband access networks, fixed and mobile enterprise networks and fixed and mobile metropolitan and wide area networks. In addition to the consideration Mr. Bajwa will receive in exchange for the sale of his Company Shares in the Merger, as additional consideration for entering into the Agreement, Parent will pay Mr. Bajwa \$985,000. By executing the Agreement, all other agreements by and between Mr. Bajwa and Mindspeed (excluding the indemnification agreement between the parties effective as of May 24, 2011) are terminated, including, but not limited to, the Employment Agreement between the Company and Mr. Bajwa dated December 15, 2008.

On November 5, 2013, the Committee approved the vesting acceleration of certain of Mr. Bajwa's outstanding stock options and restricted stock awards, with such acceleration effective as of immediately prior to, and contingent upon, the closing of the Merger (the *Closing*). Contingent upon the Closing, the following equity awards held by Mr. Bajwa will become fully vested effective as of immediately prior to the Closing:
