**Item 2.02. Results of Operations and Financial Condition**

On February 6, 2014, Diamond Offshore Drilling, Inc. (the Company ) issued a press release announcing its financial results for the fiscal quarter and year ended December 31, 2013. A copy of such press release is furnished herewith as Exhibit 99.1.

The information furnished in this Current Report on Form 8-K, including Exhibit 99.1, is being furnished pursuant to Item 2.02 of Form 8-K and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and will not be incorporated by reference into any registration statement filed under the Securities Act of 1933, as amended, unless specifically identified therein as being incorporated by reference.

Statements in the press release furnished as Exhibit 99.1 to this report that are not historical facts contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, including, but not limited to, statements concerning future revenues and backlog, future performance under contract awards and extensions, future operating costs and expenses, future operations and dayrates, future financial condition, market outlook and future market conditions, future rig construction and upgrades and expected expenditures therefor, and future contracting opportunities. Forward-looking statements are inherently uncertain and subject to a variety of assumptions, risks and uncertainties that could cause actual results to differ materially from those anticipated or expected by management of the Company. A discussion of the important risk factors and other considerations that could materially impact these matters as well as the Company's overall business and financial performance can be found in the Company's reports filed with the Securities and Exchange Commission and readers of this report are urged to review those reports carefully when considering these forward-looking statements. These factors include, among others, general economic and business conditions, contract cancellations, customer bankruptcy, operating risks, casualty losses, the risk that a letter of intent may not result in a binding contract, industry fleet capacity, changes in foreign and domestic oil and gas exploration and production activity, competition, changes in foreign, political, social and economic conditions, regulatory initiatives and compliance with governmental regulations, customer preferences and various other matters, many of which are beyond the Company's control. Given these risk factors, investors and analysts should not place undue reliance on forward-looking statements. Each forward-looking statement speaks only as of the date of such press release. The Company expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statement to reflect any change in the Company's expectations with regard thereto or any change in events, conditions or circumstances on which any forward-looking statement is based.
