Item 8.01. Other Events.

On March 4, 2014, Inovio Pharmaceuticals, Inc. (the Company) announced that it closed its underwritten public offering with respect to 21,810,900 shares of the Company's common stock, par value \$0.001 per share (the Common Stock), including 2,844,900 shares of common stock issued pursuant to the underwriter's exercise of its overallotment option, at the public offering price of \$2.90 per share.

The gross proceeds of the offering were approximately \$63.3 million. Net proceeds to the Company, after deducting the underwriter's discounts and commission and other estimated offering expenses payable by the company, were approximately \$59.2 million.

Piper Jaffray & Co. and Stifel, Nicolaus & Company, Incorporated acted as joint bookrunning managers for the offering. Brean Capital and Maxim Group LLC acted as co-managers of the offering.

The Company intends to use the net proceeds received from the sale of the common stock for general corporate purposes, including clinical trial expenses, research and development expenses, general and administrative expenses, manufacturing expenses and potential acquisitions of companies and technologies that complement its business.

The Securities were issued pursuant to a registration statement on Form S-3 that the Company filed with the Securities and Exchange Commission, which became effective on February 13, 2014 (File No. 333-193698).

On March 4, 2014, the Company issued a press release with respect to the closing of the offering described above. A copy of the press release is attached as Exhibit 99.1 to this report and is incorporated by reference herein.
