We also will post this Proxy Statement, the proxy card and our 2013 Annual Report on the Internet at [HTTP://WWW.ASTPROXYPORTAL.COM/AST/18123/](http://www.astproxyportal.com/ast/18123/) on or about March 31, 2014.

**Who can vote at the Annual Meeting and When is the Record Date?**

Only stockholders of record at the close of business on March 7, 2014 are entitled to vote at the Annual Meeting. On the record date, there were 14,415,108 shares of ExOne common stock ( Common Stock ) outstanding. ## **Table of Contents**

### **What proposals are being considered?**

There are two matters scheduled for a vote at the Annual Meeting:

*Proposal No. 1:* Election of the nominated slate of seven (7) members of the Board of Directors identified in Proposal No. 1 for terms that expire in 2015.

*Proposal No. 2:* Ratification of the appointment of ParenteBeard LLC as ExOne's independent registered public accounting firm for the year ending December 31, 2014.

### **How do I vote?**

For Proposal No. 1, you may either vote **For** all the nominees to the Board of Directors, you may **Withhold** your vote from all nominees, or you may **Withhold** your vote from any nominee whom you specify. For Proposal No. 2, you may vote **For** or **Against** the proposal or **Abstain** from voting.

**Stockholder of Record (Shares Registered in Your Name)** If on March 7, 2014, your shares were registered directly in your name with ExOne's transfer agent, American Stock Transfer & Trust, LLC, then you are a stockholder of record with respect to those shares. As a stockholder of record, you may vote by proxy using a proxy card, vote by proxy on the Internet or by telephone as set forth in the proxy card instructions, or vote in person at the Annual Meeting. Regardless of whether you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

To vote using the proxy card, please complete, sign and date the enclosed proxy card and return it promptly to us. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

To vote on the Internet or by telephone, please follow the instructions provided on your proxy card.

To vote in person, please come to the Annual Meeting and we will give you a ballot when you arrive.

We provide Internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and accuracy of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers.

**Beneficial Owner (Shares Registered in the Name of a Broker or Bank)** If on March 7, 2014, your shares were held in an account at a broker, bank, or other similar organization as your nominee, then you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct that organization on how to vote the shares in your account. Please refer to the voting instructions provided by your bank or broker. Many organizations allow beneficial owners to give voting instructions via telephone or the Internet, as well as in writing. You also are invited to attend the Annual Meeting, but you will need to bring a copy of a brokerage statement reflecting stock ownership as of March 7, 2014. Because you are not the stockholder of record, you may not vote your shares in person at the meeting, unless you provide a valid proxy (sometimes referred to as a "legal proxy") from your broker, bank, or other similar organization.

### **How many votes do I have?**

You have one vote for each share of Common Stock you own as of the close of business on March 7, 2014. You may vote on each proposal presented for consideration at the 2014 Annual Meeting. There are no cumulative voting rights with respect to our Common Stock.

## **Table of Contents**

### **What if I return a proxy card but do not make specific choices?**

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted **For** the election of each of the seven (7) nominees for director, and **For** ratification of ParenteBeard LLC as our independent registered public accounting firm for the year ending December 31, 2014. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

### **What do I need to do to attend the Annual Meeting in person?**

Space for the Annual Meeting is limited. Therefore, admission will be on a first-come, first-served basis. Registration will open at 9:00 a.m. Eastern Daylight Time, and the Annual Meeting will begin at 10:00 a.m. Each stockholder should be prepared to present:

1. Valid government issued photo identification, such as a driver's license or passport; and
2. Beneficial stockholders holding their shares through a broker, bank, trustee, or other nominee will need to bring proof of beneficial ownership as of March 7, 2014, the record date, such as their most recent account statement reflecting their stock ownership prior to March 7, 2014, a copy of the voting instruction card provided by their broker, bank, trustee or other nominee, or similar evidence of ownership.

Use of cameras, recording devices, computers and other electronic devices, such as smart phones and tablets, are not permitted at the Annual Meeting. Photography and video are prohibited at the Annual Meeting.

Please allow ample time for check-in. Please note that large bags and packages are not allowed at the Annual Meeting. Persons may be subject to search.

### **Who is paying for this proxy solicitation?**

ExOne will pay for the entire cost of soliciting proxies. In addition to ExOne mailing these proxy materials, ExOne's directors and employees also may solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. ExOne may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

### **What does it mean if I receive more than one set of proxy materials?**

If you receive more than one set of proxy materials (including multiple copies of this Proxy Statement and multiple proxy cards), your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

### **Can I change my vote after submitting my proxy?**

Yes. You can revoke your proxy at any time before the final vote at the meeting.

If you are a stockholder of record, you may revoke your proxy in any one of the following ways:

You may submit another properly completed proxy card with a later date.

You may vote again on a later date by telephone or the Internet.

## Edgar Filing: ExOne Co - Form DEF 14A

You may send a written notice that you are revoking your proxy to our Corporate Secretary at The ExOne Company, 127 Industry Boulevard, North Huntingdon, Pennsylvania 15642.

You may attend the Annual Meeting and vote in person by ballot. Simply attending the meeting will not, by itself, revoke your proxy.

---

## **Table of Contents**

If you are a beneficial owner of shares held in street name, you may change your vote in any one of the following ways:

You may submit new voting instructions to your broker, trustee or nominee.

If you have obtained a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares, by attending the Annual Meeting and voting in person.

### **How are votes counted?**

We have designated American Stock Transfer & Trust Company, LLC as the inspector of elections who will validate the votes.

With respect to Proposal No. 1, the inspector of elections will count **For** votes and **Withhold** votes. Abstentions and broker non-votes will not be counted as having been voted on the proposal, nor will they affect the outcome of Proposal No. 1.

With respect to Proposal No. 2, the inspector of elections will count separately **For**, **Against** and **Abstain** votes and broker non-votes. **Abstain** votes will be counted towards the vote total for the proposal, and will have the same effect as **Against** votes. Because broker non-votes are not deemed to be votes entitled to be cast, they will not affect the outcome of Proposal No. 2.

See *How many votes are needed to approve each proposal?* for further details regarding the votes needed to approve each proposal.

### **What is a broker non-vote ?**

If your shares are held by your broker, bank or other similar organization as your nominee (that is, in street name ), you will need to follow the voting instructions provided by that organization on how to vote your shares. If you do not provide voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker, bank, or other organization is not permitted to vote on that matter, including the election of directors, without instructions from the beneficial owner and instructions are not given.

In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, while broker non-votes will be counted as present for the purpose of determining the presence of a quorum at the meeting, broker non-votes will **not** affect the outcome of any matter being voted on at the meeting.

### **How many votes are needed to approve each proposal?**

*Proposal No. 1.* Directors will be elected by the vote of the majority of the shares cast with respect to the director at the Annual Meeting. This means that the number of votes cast **For** a director's election must exceed 50% of the total number of votes cast with respect to that director's election. Votes cast include **For** votes and **Withhold** votes. Stockholders may not cumulate votes in the election of directors. Abstentions and broker non-votes will not be counted as having been voted on the proposal, nor will they affect the outcome of this proposal.

*Proposal No. 2.* Ratification of the appointment of ParenteBeard LLC as ExOne's independent registered public accounting firm for the year ending December 31, 2014 requires the affirmative vote of a majority of the shares represented at the Annual Meeting and entitled to vote on this matter. Abstentions will have the same effect as an **Against** vote. Broker non-votes will not be counted as having been voted on the proposal.

### **What are the Board's voting recommendations?**

*Proposal No. 1:* **For** election of the nominees to the Board of Directors.

*Proposal No. 2:* **For** ratification of the appointment of ParenteBeard LLC as ExOne's independent registered public accounting firm for the year ending December 31, 2014.

## **Table of Contents**

### **What is the quorum requirement?**

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if a majority of all outstanding shares entitled to vote is represented by stockholders present at the meeting or by proxy. On the record date, there were 14,415,108 shares of Common Stock outstanding and entitled to vote. This means that 7,207,555 shares must be represented by stockholders present at the meeting or by proxy to have a quorum. Your shares will be counted towards the quorum if you submit a valid proxy or vote at the meeting.

### **How can I find out the results of the voting at the Annual Meeting?**

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K within four business days following the Annual Meeting. In the event we are unable to obtain the final voting results within four business days, we will file the preliminary voting results in a Current Report on Form 8-K within four business days following the Annual Meeting, and will file an amended Form 8-K with the final voting results within four business days after the final voting results are known.

### **How can stockholders submit a proposal under Rule 14a-8 for inclusion in our Proxy Statement for the 2015 Annual Meeting of Stockholders?**

Our 2015 Annual Meeting of Stockholders will be held on May 4, 2015 at 10:00 a.m. To be included in our Proxy Statement for the 2015 Annual Meeting of Stockholders, stockholder proposals must comply with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the Exchange Act). To be eligible for inclusion, such proposals must be received by ExOne by December 1, 2014, which is at least 120 calendar days before the anniversary date of ExOne's Proxy Statement to stockholders based on the previous year's annual meeting.

### **How can stockholders submit nominations of persons for election to the Board of Directors or proposals of business to be transacted by the stockholders for the 2015 Annual Meeting of Stockholders?**

A stockholder of record may submit nominations of persons for election to the Board of Directors or proposals of business to be transacted by the stockholders only if he or she complies with Article III, Section 13 of our Amended and Restated Bylaws (the Bylaws).

Under our Bylaws, a stockholder must give advance notice to our Corporate Secretary of any business, including nominations of directors for our Board, that the stockholder wishes to raise at the 2015 Annual Meeting of Stockholders at our principal executive offices (i) not earlier than 120 days prior to such meeting and (ii) at least 45 days prior to the anniversary date of ExOne's proxy statement to stockholders in connection with the previous year's annual meeting. Therefore, for the 2015 annual meeting, such notice must be received by ExOne no sooner than January 4, 2015 and no later than February 14, 2015.

With respect to a stockholder's nomination of a candidate for our Board, the stockholder notice to our Corporate Secretary must contain certain information as set forth in our Bylaws about both the nominee and the stockholder making the nomination. With respect to any other business that the stockholder proposes, the stockholder notice must contain a brief description of such business, the reasons for conducting such business at the meeting, any personal or other direct or indirect material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made, and certain other information specified in our Bylaws.

If you wish to bring a stockholder proposal or nominate a candidate for director, you are advised to review our Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

If a stockholder wishes only to recommend a candidate for consideration by the Nominating and Governance Committee as a potential nominee for director, see the procedures discussed in *Corporate Governance - Nominating and Governance Committee*.

**What are the implications of being an emerging growth company ?**

We are an emerging growth company, as that term is used in the Jumpstart Our Business Startups Act of 2012 (the JOBS Act ) and, as such, have elected to comply with certain reduced public company reporting requirements. We are permitted to provide less extensive disclosure about our executive compensation arrangements and are not required to give our stockholders non-binding advisory votes on executive compensation or golden parachute arrangements. We will remain an emerging growth company until the earlier of (1) the last day of the fiscal year (a) following the fifth anniversary of the completion of our initial public offering, (b) in which we have total annual gross revenue of at least \$1.0 billion, or (c) in which we are deemed to be a large accelerated filer, which means the market value of our common stock that is held by non-affiliates exceeds \$700 million as of the prior June 30th, and (2) the date on which we have issued more than \$1.0 billion in non-convertible debt during the prior three-year period.

## **CORPORATE GOVERNANCE**

### **Structure of the Board of Directors**

Our Board of Directors may establish the authorized number of directors from time to time by resolution, as permitted under our Amended and Restated Bylaws. Currently, the Board of Directors has established that the Board will have seven members. Our current directors, if re-elected at the Annual Meeting, will continue to serve until the 2015 Annual Meeting of Stockholders, until his or her successor has been elected or qualified, or until his or her earlier death, resignation or removal.

### **Independence of the Board of Directors**

A majority of our Board of Directors are independent under the applicable rules of the NASDAQ Stock Market ( NASDAQ ). If re-elected, Messrs. Kilmer, Sellier and Semple and Ms. Wachtel each would continue to qualify as independent directors in accordance with the published listing requirements of NASDAQ. In addition, as further required by the NASDAQ rules, the Board of Directors has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the directors reviewed and discussed information provided by the directors and ExOne with regard to each director's business and personal activities as they may relate to us and our management.

### **Board Leadership Structure**

Our Bylaws give the Board the flexibility to determine whether the roles of Chief Executive Officer and Board Chairman should be held by the same person or by two separate individuals. Our Company recently became a publicly traded company after completing our initial public offering in February 2013. Mr. Rockwell has been managing ExOne (or its predecessors) since 2008. At this time, the Board has determined that having Mr. Rockwell serve as both the Chief Executive Officer and the Chairman is in the best interest of our stockholders. We believe this structure makes the best use of Mr. Rockwell's extensive knowledge of ExOne, our strategic initiatives and our industry and also fosters real-time communication between management and the Board. The Board also has elected Mr. Semple to serve as the Lead Director of our independent directors. As the lead director, Mr. Semple assists the Chief Executive Officer in preparing for meetings of the Board of Directors, presides at executive sessions of the independent directors, serves as a liaison between the other independent directors and Mr. Rockwell and may call meetings of the independent directors in his discretion. Generally, each meeting of the Board of Directors includes a meeting of the independent directors.

### **Risk Oversight Management**

Our management is responsible for the day-to-day management of the risks that we face including, without limitation, strategic, financial, operational, legal/compliance and reputational risks.

Our Board of Directors as a whole has responsibility for the oversight of enterprise risk management, and our Audit Committee is responsible for overseeing the process by which management assesses and manages our exposure to risk, as well as our major financial risk exposures and the steps management takes to monitor and

control such exposures, based on consultation with our management and independent auditors. The Board's and Audit Committee's oversight roles are supported by management reporting processes that are designed to provide the Board and the Audit Committee insight into the identification, assessment and management of critical risks.

### **Information Regarding the Board of Directors and its Committees**

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Governance Committee.

The following table provides membership information for each of the Board committees as of March 7, 2014:

### **Audit Committee**

The Audit Committee of our Board of Directors assists the Board of Directors in overseeing:

the integrity of our financial statements;

the effectiveness of our internal control over financial reporting;

the independence, qualifications and performance of our independent registered public accounting firm;

related party transactions.

The current members of the Audit Committee are Messrs. Sellier and Kilmer and Ms. Wachtel, each of whom is independent for Audit Committee purposes under the rules and regulations of the SEC and the listing standards of NASDAQ. Mr. Sellier currently chairs the Audit Committee.

The Board of Directors has determined that Mr. Sellier is an audit committee financial expert as defined in Item 407(d)(5)(ii) of Regulation S-K and that he, therefore, also satisfies the financial sophistication requirement of the NASDAQ rules. The designation does not impose on Mr. Sellier any duties, obligations or liabilities that are greater than are generally imposed on him as a member of the Audit Committee and the Board of Directors.

### **Compensation Committee**

The Compensation Committee is charged with the following responsibilities, among others:

reviewing and approving annually the corporate goals and objectives applicable to the compensation of the Chief Executive Officer, evaluating at least annually the Chief Executive Officer's performance in light of those goals and objectives, and determining and approving the Chief Executive Officer's compensation level based on this evaluation;

reviewing and making recommendations regarding the compensation of all other executive officers;

administering and making recommendations to the Board of Directors with respect to our 2013 Equity Incentive Plan and any other compensation plans;

reviewing and approving the executive compensation information included in ExOne's Annual Report on Form 10-K and proxy statement;

reviewing and approving or providing recommendations with respect to any employment agreements or severance arrangements or plans;

reviewing and approving or providing recommendations with respect to all employee benefit plans; and

developing and recommending to the Board for approval officer succession plans and monitoring and updating such plans as needed. The current members of our Compensation Committee are Messrs. Kilmer and Semple and Ms. Wachtel, each of whom is independent for Compensation Committee purposes under the rules and regulations of the SEC and the listing standards of NASDAQ (including those that became effective in 2014). Ms. Wachtel currently chairs the Compensation Committee. Each of the members also is a non-employee director within the meaning of Rule 16b-3 of the Exchange Act and an outside director, as that term is defined under Section 162(m) of the Internal Revenue Code of 1986.

Our Chief Executive Officer will not participate in the determination of his own compensation or the compensation of directors. However, he will make recommendations to the Compensation Committee regarding the amount and form of the compensation of the other executive officers and key employees, and he will participate in the Compensation Committee's deliberations about the compensation of the other executive officers and key employees. No other executive officers will participate in the determination of the amount or form of the compensation of executive officers or directors.

Neither ExOne nor the Compensation Committee has retained any compensation consultants.

The Compensation Committee shall have the authority to delegate any of its responsibilities, along with the authority to take action in relation to such responsibilities, to one or more subcommittees as the Compensation Committee may deem appropriate in its sole discretion. The Compensation Committee reviews its charter annually to ensure that it complies with NASDAQ listing requirements.

### **Compensation Committee Interlocks and Insider Participation**

None of our executive officers have served as a member of a compensation committee (or if no committee performs that function, the Board of Directors) of any other entity that has an executive officer serving as a member of our Board of Directors.

### **Nominating and Governance Committee**

## Edgar Filing: ExOne Co - Form DEF 14A

The Nominating and Governance Committee of our Board of Directors is charged with the following responsibilities, among others:

identifying and recommending candidates to fill vacancies on the Board of Directors and for election by the stockholders;

---

## **Table of Contents**

recommending committee assignments for directors to the Board of Directors;

monitoring and assessing the performance of the Board of Directors and individual non-employee directors;

reviewing compensation received by directors for service on the Board of Directors and its committees; and

developing and recommending to the Board of Directors appropriate corporate governance policies, practices and procedures for our Company.

The current members of our Nominating and Governance Committee are Messrs. Semple, Kilmer and Sellier, each of whom is independent under the listing standards of NASDAQ. Mr. Semple currently chairs the Nominating and Governance Committee.

### **Director Nomination Process**

The Nominating and Governance Committee believes that members of the Board of Directors should have certain minimum qualifications, including having the highest professional and personal ethics and values, broad experience at the policy-making level in business, government, education, technology or public interest, a commitment to enhancing stockholder value, and sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. The Nominating and Governance Committee also considers such other guidelines and various relevant career experience, relevant skills, such as an understanding of the telecommunications and high-speed Internet provider industries, financial expertise, diversity and local and community ties. While we do not maintain a formal policy requiring the consideration of diversity in identifying nominees for director, diversity is, as noted above, one of the factors our Nominating and Governance Committee considers in conducting its assessment of director nominees. We view diversity expansively to include those attributes that we believe will contribute to a Board of Directors that, through a variety of backgrounds, viewpoints, professional experiences, skills, educational experiences and other such attributes, is best able to guide ExOne and its strategic direction. Candidates for director nominees are reviewed in the context of the current make-up of the Board of Directors. The Nominating and Governance Committee will conduct any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board of Directors. The Nominating and Governance Committee meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to the Board of Directors.

The Nominating and Governance Committee will consider director candidates recommended by stockholders and evaluate them using the same criteria as candidates identified by the Board of Directors or the Nominating and Governance Committee for consideration. If a stockholder of ExOne wishes to recommend a director candidate for consideration by the Nominating and Governance Committee, the stockholder should refer to page 5 of this Proxy Statement for information regarding advance notice. The stockholder recommendation should be delivered to the Corporate Secretary of ExOne at our principal executive offices and should include:

to the extent reasonably available, information relating to such director candidate that would be required to be disclosed in a proxy statement pursuant to Regulation 14A under the Exchange Act, in which such individual is a nominee for election to the Board of Directors;

the director candidate's written consent to (i) if selected, be named in ExOne's proxy statement and proxy; and (ii) if elected, serve on the Board of Directors; and

any other information that such stockholder believes is relevant in considering the director candidate.

Our Board of Directors has adopted a code of ethics and business conduct. The code of ethics and business conduct applies to all of our employees, officers and directors. The full text of our code of ethics and business

The person receiving such stockholder communication shall, in consultation with appropriate members of the Board of Directors as necessary, generally screen out communications from stockholders to identify communications that are (i) solicitations for products and services, (ii) matters of a personal nature not relevant for stockholders, or (iii) matters that are of a type that render them improper or irrelevant to the functioning of the Board of Directors and ExOne.

### **Attendance at Annual Meeting of Stockholders by the Board of Directors**

We do not have a formal policy regarding attendance by members of the Board of Directors at our annual meeting of stockholders. All of the directors attended the 2013 Annual Meeting of Stockholders. Directors are encouraged, but not required, to attend the 2014 Annual Meeting of Stockholders.

**TRANSACTIONS WITH RELATED PERSONS**

**Approval of Related Party Transactions**

On March 26, 2013, the Board of Directors of ExOne adopted our Policy and Procedures with Respect to Related Person Transactions. Under the policy, ExOne will enter into or ratify related person transactions only when the Board of Directors, acting through the Audit Committee, has determined that the transaction in question is in, or is not inconsistent with, the best interests of ExOne. Prior to entering into a related person transaction, the related person shall provide notice to the Chief Legal Officer of the facts and circumstances of the transaction. Upon determining that the proposed transaction involves an amount greater than \$50,000 and is a related person transaction, the proposed transaction shall be submitted to the Audit Committee for consideration. The Audit Committee shall consider all relevant facts and circumstances and approve only those related person transactions that are in the best interests of ExOne and its stockholders.

**Related Party Transactions with S. Kent Rockwell Related Entities**

Our business began as the advanced manufacturing business of Extrude Hone Corp., which manufactured its first 3D printing machine in 2003 using licensed technology developed by researchers at the Massachusetts Institute of Technology. In 2005, our business assets were transferred to The Ex One Company, LLC, a Delaware limited liability company, when Extrude Hone Corp. was purchased by another company.

In 2007, we were acquired by S. Kent Rockwell, our Chairman and Chief Executive Officer, through his wholly-owned company Rockwell Forest Products, Inc. ( RFP ). On January 1, 2013, The Ex One Company, LLC was merged with and into a newly created Delaware corporation, which changed its name to The ExOne Company (the Reorganization ). On February 12, 2013, we completed our initial public offering of our common stock, raising approximately \$90.4 million in net proceeds after expenses to us.

Prior to our initial public offering in February 2013, we were a privately held company with a very small number of equity holders, which had been primarily funded by companies affiliated with S. Kent Rockwell, our Chairman and Chief Executive Officer. Mr. Rockwell is the trustee and beneficiary of the S. Kent Rockwell Revocable Trust, which is the 100% owner of Rockwell Venture Capital, Inc., which is the 100% owner of each of Rockwell Holdings, Inc. ( RHI ) and RFP. As a result, Mr. Rockwell is deemed to have beneficial ownership of any shares of ExOne Common Stock owned by RHI and RFP.

***Share Ownership and Transactions During 2013***

As of January 1, 2013, following the Reorganization, we had 5,800,000 shares of common stock outstanding, 72% of which were owned by RFP and 10% of which were owned by the S. Kent Rockwell 1997 Irrevocable Trust, and 18,983,602 shares of Class A preferred stock outstanding, 12,983,602 shares of which (or 68%), were owned by RHI.

Immediately prior to completion of our initial public offering, our Class A preferred stock converted by its own terms into common stock on a 9.5 to 1 basis, resulting in 1,998,275 shares of additional outstanding common stock. Giving effect to the conversion of the Class A preferred stock into shares of common stock, of which 1,366,695 shares were owned by RHI, and the sale of 6,095,000 shares of common stock in the initial public offering, RHI held 5.7% of our outstanding common stock and RFP held 31.4% of our outstanding common stock.

In September 2013, RHI and RFP were selling stockholders in a registration statement filed by us. On September 9, 2013, RHI and RFP sold 305,028 and 1,013,372 shares of our common stock, respectively, at approximately \$62 per share. Following the September 2013 offering, RHI no longer holds any of our outstanding common stock. As of March 7, 2014, RFP held 3,162,628 shares, or 21.9%, of our common stock.

---

## **Table of Contents**

In addition, a portion of total costs incurred in connection with the completion of the September 2013 secondary offering were reimbursable to the Company by RHI and RFP. The amount of such costs reimbursable by RHI and RFP totaled approximately \$0.4 million and were settled with the Company.

### ***Borrowings From Rockwell Related Entities and Repayment Following Our Initial Public Offering***

As of December 30, 2011, we had borrowed approximately \$19.0 million from RHI for working capital. In order to satisfy this debt, we issued 18,983,602 preferred units to RHI on December 30, 2011. In May 2012, RHI sold 6,000,000 preferred units to third parties. As part of our Reorganization on January 1, 2013, RHI converted its remaining 12,983,602 preferred units to 12,983,602 shares of our Class A preferred stock and the other holders of preferred units converted 6,000,000 preferred units to 6,000,000 shares of our Class A preferred stock. Immediately prior to completion of our initial public offering, these shares converted into 1,366,695 shares of our common stock.

Also during 2012, we entered into a revolving line of credit with RFP (the Rockwell Line of Credit), which was unlimited in amount. The Rockwell Line of Credit provided for borrowing, repayment and reborrowing from time to time. While no limit was specified, borrowings were subject to RFP's approval. Borrowings under the Rockwell Line of Credit bore interest at the rate of 8.0% per annum and were repayable, in whole or part, upon demand of RFP. On February 14, 2013, we paid approximately \$9.9 million of the net proceeds from our initial public offering to repay in full the Rockwell Line of Credit. We no longer maintain the Rockwell Line of Credit.

### ***Property Leased from Rockwell Related Entities Prior to Initial Public Offering***

Until March 27, 2013, we leased property and equipment used by our Houston, Texas and Troy, Michigan operations from our two variable interest entities, Troy Metal Fabricating, LLC (TMF) and Lone Star Metal Fabrication, LLC (Lone Star), and we guaranteed certain debt of both of them. Lone Star is owned by RFP and TMF is owned by the S. Kent Rockwell Revocable Trust.

During 2013, we paid Lone Star and TMF approximately \$0.1 million under these leases. On March 27, 2013, our wholly-owned subsidiary, ExOne Americas LLC, acquired certain assets, including property and equipment (principally land, buildings and machinery and equipment) held by TMF and Lone Star. Payment of approximately \$1.9 million was made to TMF and approximately \$0.2 million was made to Lone Star, including a return of capital to these entities of approximately \$1.4 million. Simultaneous with the completion of this transaction, we also repaid all of the outstanding debt assumed from the variable interest entities, resulting in a payment of approximately \$4.7 million.

### ***Transactions Between ExOne and Entities Controlled by Mr. Rockwell***

We have provided various services to several related entities under common control by Mr. Rockwell, primarily in the form of accounting, finance, information technology and human resource outsourcing, which are reimbursed by the related entities. The cost of these services was approximately \$0.1 million in 2013.

In addition, we purchased certain items on behalf of related parties under common control by Mr. Rockwell during 2013. We discontinued this practice in early 2013. Amounts due from these related entities at December 31, 2013 were not significant.

Finally, we also receive design services and the corporate use of an airplane from related entities under common control by Mr. Rockwell. The cost of these services received was approximately \$0.2 million for the year ended December 31, 2013.

### ***2013 Equity Incentive Plan***

On January 24, 2013, our Board of Directors adopted our 2013 Equity Incentive Plan (the Plan). The Plan was approved by Stockholders on August 19, 2013. The following description is a summary of the Plan.

**Purpose.** The purpose of the Plan is to provide incentives to attract, retain and motivate eligible persons whose present and potential contributions are important to the success of ExOne and its subsidiaries (including those that exist now and in the future), by offering them an opportunity to participate in ExOne's future performance through the grant of Awards.

**Types of Awards.** The Plan consists of the following components:

**Stock Options.** The Plan provides for the granting of options, both incentive stock options and non-qualified stock options, to purchase shares of Company common stock (provided that incentive stock options that qualify under Section 422 of the Code may only be granted to employees of ExOne or a parent or subsidiary of ExOne). An option award may be, but need not be, made subject to the satisfaction of performance factors during any performance period, as determined by the Compensation Committee and set forth in the award agreement evidencing such option award. Options may be vested and exercisable within the time period or upon the satisfaction of the conditions set forth in the award agreement evidencing such option; provided, however, that no option may be exercisable after the expiration of ten (10) years from the date the option is granted; and provided further, that no incentive stock option granted to a person who, at the time the incentive stock option is granted, directly or by attribution owns more than ten percent (10%) of the total combined voting power of all classes of stock of ExOne or of any subsidiary of ExOne will be exercisable after the expiration of five (5) years from the date the incentive stock option is granted. The Compensation Committee also may provide for options to become exercisable all at one time or from time to time, periodically or otherwise, in such number of shares or percentage of shares as the committee determines. The exercise price of each stock option will be determined by the Compensation Committee, but must be at least equal to the fair market value of our common stock on the date of grant. The exercise price of any incentive stock option granted to a 10% stockholder must be at least equal to 110% of that value.

**Restricted Stock.** A restricted stock award is an offer by us to sell shares of our common stock to an eligible person subject to certain restrictions, as determined by the Compensation Committee and set forth in the award agreement evidencing such award. These restrictions may be based on completion of a specified number of years of service with ExOne or upon satisfaction of performance factors during any performance period, as determined by the Compensation Committee. The price (if any) of a restricted stock award will be determined by the Compensation Committee. Unless otherwise determined by the Compensation Committee at the time of award, the vesting of any restricted stock award will cease on the date the participant no longer provides services to ExOne and unvested shares will be forfeited to or repurchased by ExOne at such time.

**Stock Bonus Awards.** Awards of shares of our common stock may be granted to eligible persons for services to be rendered or for past services already rendered to ExOne or any subsidiary of ExOne. No

payment from the recipient will be required for shares awarded pursuant to a stock bonus award. Stock bonus awards may be made subject to restrictions determined by the Compensation Committee, which may be based upon completion of a specified number of years of service with ExOne or upon satisfaction of performance factors during any performance period, as determined by the Compensation Committee and set forth in the award agreement evidencing such award. Stock bonus awards may be settled in cash, whole shares, or a combination thereof, based on the fair market value of the shares earned under a stock bonus award on the date of payment, as determined by the Compensation Committee. Unless otherwise determined by the Compensation Committee at the time of award, the vesting of any stock bonus award will cease on the date the participant no longer provides services to ExOne and unvested shares will be forfeited to or repurchased by ExOne at such time.

***Stock Appreciation Rights.*** A stock appreciation right award is an award that may be settled in cash or shares (which may consist of restricted stock), having a value equal to (i) the difference between the fair market value on the date of exercise over the exercise price multiplied by (ii) the number of shares with respect to which the stock appreciation right award is being settled (subject to any maximum number of shares that may be issuable as specified in the award agreement evidencing such award). A stock appreciation right award may be, but need not be, made subject to the satisfaction of performance factors during any performance period, as determined by the Compensation Committee and set forth in the award agreement evidencing such award. Stock appreciation rights may be exercisable within the time period or upon the satisfaction of the conditions set forth in the award agreement evidencing such award; provided, however, that no stock appreciation right may be exercisable after the expiration of ten (10) years from the date the award is granted. The Compensation Committee also may provide for stock appreciation rights to become exercisable all at one time or from time to time, periodically or otherwise, in such number of shares or percentage of shares as the committee determines. Unless otherwise determined by the Compensation Committee at the time of award, the vesting of any stock appreciation right award will cease on the date the participant no longer provides services to ExOne and unvested shares will be forfeited to or repurchased by ExOne at such time.

***Restricted Stock Units.*** A restricted stock unit is an award that covers a number of shares of our common stock that may be settled upon vesting in cash or by the issuance of the underlying shares (which may consist of restricted shares). A restricted stock unit award may be, but need not be, made subject to the satisfaction of performance factors during any performance period, as determined by the Compensation Committee and set forth in the award agreement evidencing such award. Unless otherwise determined by the Compensation Committee at the time of award, the vesting of any restricted stock unit award will cease on the date the participant no longer provides services to ExOne and unvested shares will be forfeited to or repurchased by ExOne at such time.

***Performance Awards.*** A performance award is an award of a cash bonus or a performance share bonus. The payout of performance awards are subject to the satisfaction of performance factors during a performance period, as determined by the Compensation Committee and set forth in the award agreement evidencing such award. Any performance share award will have an initial value equal to the fair market value of a share of our common stock on the date of grant. After the applicable performance period has ended, the holder of a performance share award will be entitled to receive a payout of the number of performance shares earned by the participant over the performance period, to be determined as a function of the extent to which the corresponding performance factors or other vesting provisions have been achieved. The Compensation Committee, in its sole discretion, may settle the earned performance shares in the form of cash, in shares of our common stock (which have an aggregate fair market value equal to the value of the earned performance shares at the close of the applicable performance period) or in a combination thereof. Earned performance shares may also be settled in restricted stock. Unless otherwise determined by the Compensation Committee at the time of award, the vesting of any performance award will cease on the date the participant no longer provides services to ExOne and unvested shares will be forfeited to or repurchased by ExOne at such time.

**Term.** The Plan will terminate January 24, 2023, unless it is terminated earlier by our Board.

## **Table of Contents**

**Eligibility.** Incentive stock options may be granted only to employees of ExOne. All other awards may be granted to employees, consultants, directors and non-employee directors of ExOne or any subsidiary of ExOne; provided such consultants, directors and non-employee directors render bona fide services that are not in connection with the offer and sale of securities in a capital-raising transaction. No person will be eligible to receive more than 100,000 shares in any calendar year under the Plan, except that we may choose to issue a new employee up to 500,000 shares under the Plan in the calendar year in which the employee commences employment.

**Administration.** The Plan is administered by our Compensation Committee, all of the members of which are independent directors under applicable federal securities laws and outside directors as defined under applicable federal tax laws. The Compensation Committee has the authority to construe and interpret the Plan, grant awards and make all other determinations necessary or advisable for the administration of the Plan including, without limitation, the participants to whom such awards will be made, the numbers of shares subject to each such award, the exercise price or purchase price, if any, and the other terms and conditions of such awards. The Compensation Committee may, to the extent permitted by applicable law, delegate to one or more executive officers the authority to grant awards under the Plan, subject to the terms of the Plan and such delegation.

**Additional Provisions.** Awards granted under our Plan may not be transferred in any manner other than by will or by the laws of descent and distribution, or as determined by our Compensation Committee. Unless otherwise restricted by our Compensation Committee, awards that are nonstatutory stock options may be exercised during the lifetime of the optionee only by the optionee, the optionee's guardian or legal representative, or a family member of the optionee who has acquired the option by a permitted transfer. Awards that are incentive stock options may be exercised during the lifetime of the optionee only by the optionee or the optionee's guardian or legal representative. Options granted under our Plan generally may be exercised for a period of three months after the termination of the optionee's service to us, except in the case of death or permanent disability, in which case the options may be exercised for up to 12 months or six months, respectively, following termination of the optionee's service to us. If the optionee's service to us is terminated for cause, then such optionee's options will generally expire on the date of termination.

**Adjustments.** If the number of outstanding shares of ExOne is changed by a stock dividend, recapitalization, stock split, reverse split, subdivision, combination, reclassification or similar change in the capital structure of ExOne, without consideration, then the Compensation Committee will proportionately adjust (i) the number of shares reserved for issuance and future grant under the Plan, (ii) the exercise price of an number of shares subject to outstanding options and stock appreciation rights, (iii) the number of shares subject to other outstanding awards, (iv) the maximum number of shares that may be issued to an individual or to a new employee in any one calendar year and (v) the number of shares that are granted as awards to non-employee directors, subject to any required action by the Board or the stockholders of ExOne and in compliance with applicable securities laws; provided, that fractions of a share will not be issued.

**Change in Control.** If we experience a change in control transaction, outstanding awards, including any vesting provisions, may be subject to the terms of the merger or similar agreement, and may be assumed or substituted by the successor company. Outstanding awards that are not assumed or substituted in such a transaction may be exercisable for a period of time and will expire upon the closing of such merger or consolidation. In the discretion of our compensation committee, the vesting of these awards may be accelerated upon the occurrence of these types of merger or consolidation transactions. Vesting of awards is accelerated in change of control transactions other than mergers or consolidations.

**Amendment and Termination.** The Board may at any time terminate or amend the Plan in any respect or any award agreement issued in connection with the Plan; provided, however, that the Board may not, without the approval of the stockholders of ExOne, amend the Plan in any manner that requires stockholder approval; and provided further, that a participant's award will be governed by the version of the Plan then in effect at the time such award was granted.

**Table of Contents****Indemnification Agreements with Executive Officers and Directors**

On March 26, 2013, the Board of Directors of ExOne approved a form of indemnification agreement ( Indemnification Agreement ) to be entered into between ExOne and each of its directors and executive officers (the Indemnitees ). Pursuant to this authorization, ExOne entered into an Indemnification Agreement with each of its current directors and executive officers.

Pursuant to the Indemnification Agreement, ExOne will indemnify the directors and the executive officers to the fullest extent permitted under Delaware law against all expenses and, in the case of proceedings other than those brought by or in the right of ExOne, judgments, fines, penalties and amounts actually and reasonably paid in settlement by the Indemnitee or on the Indemnitee s behalf in connection with proceedings in which the Indemnitee is involved. ExOne will also indemnify the Indemnitee to the fullest extent permitted by law against all expenses actually and reasonably incurred by or on the Indemnitee s behalf in connection with any such proceeding or defense, in whole or in part, to which the Indemnitee is a party or participant and in which the Indemnitee is successful. In addition, and subject to certain limitations, each Indemnification Agreement provides for the advancement of expenses incurred by or on behalf of the Indemnitee in connection with any proceeding not initiated by the Indemnitee, and the reimbursement to ExOne of the amounts advanced to the extent that it is ultimately determined that the Indemnitee is not entitled to be indemnified by ExOne. Additionally, the Indemnification Agreements provide for the provision of directors and officers liability insurance policies. The provisions of the Indemnification Agreement applies with respect to all periods of such Indemnitee s service and shall continue so long as such Indemnitee shall be subject to a possible claim, even though the directors or executive officers may have ceased to be directors or executive officers of ExOne.

**Table of Contents****PROPOSAL 1 ELECTION OF DIRECTORS****General**

The nominees for election to the Board of Directors have been nominated by our Nominating and Governance Committee for election to the Board of Directors, and our Board has approved the nominees.

Each nominee who is elected will serve until the 2015 Annual Meeting of Stockholders, or until the director's successor shall be elected and shall qualify or until the director's earlier death or resignation.

**Nominees**

The directors being nominated for election to the Board of Directors (each, a Nominee) are set forth below.

<b>Name</b>	<b>Age</b>	<b>Positions and Offices Held with ExOne</b>
S. Kent Rockwell	69	Chairman of the Board and Chief Executive Officer
David Burns	59	President, Chief Operating Officer and Director
John Irvin	59	Special Advisor to the Chairman and Director
Raymond J. Kilmer	48	Director
Victor Sellier	64	Director and Chair of the Audit Committee
Lloyd A. Semple	74	Lead Director and Chair of the Nominating and Governance Committee.
Bonnie K. Wachtel	58	Director and Chair of the Compensation Committee

Our Nominating and Governance Committee believes each member of our Board of Directors possesses the individual qualities necessary to serve on ExOne's Board of Directors, including high personal and professional ethical standards and integrity, honesty and good values. Our directors are highly educated and have diverse backgrounds and extensive track records of success in what we believe are highly relevant positions with large international companies, firms and major private and public institutions. They have each demonstrated an ability to exercise sound judgment and have exhibited a commitment of service to ExOne and to the Board, and each of our directors possesses strong communication skills. In addition, we believe that each director brings the skills, experience and perspective that, when taken as a whole, creates a board that possesses the requirements necessary to oversee ExOne's business. Each nominee's particular experience, qualifications, attributes and skills that led the Board to conclude that such nominee should serve as a director for ExOne are set forth in *Executive Officers and Directors of ExOne* above.

**Vote Required**

Directors will be elected by the vote of the majority of the shares cast with respect to the director at the Annual Meeting. This means that the number of votes cast **For** a director's election must exceed the total number of votes cast with respect to that director's election. The inspector of elections will count **For** votes and **Withhold** votes. Abstentions and broker non-votes will not be counted as having been voted on the proposal, nor will they affect the outcome of Proposal No. 1.

If a nominee is not elected, the director shall offer to tender his or her resignation to the Board of Directors. The Nominating and Governance Committee of the Board of Directors will make a recommendation to the Board of Directors as to whether to accept or reject the resignation, or whether other action should be taken. The Board of Directors will act on the committee's recommendation and publicly disclose its decision and rationale within 90 days following the date of the certification of the election results. The director who tenders his or her resignation will not participate in the Board's decision with respect to that resignation.

The proxy holders intend to vote all proxies received by them in the accompanying form **For** the Nominees listed below unless otherwise instructed. In the event that any Nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who may be designated by the current Board of Directors to fill the vacancy. As of the date of this Proxy Statement, the Board of Directors is not aware that any Nominee is unable or will decline to serve as a director.

**PROPOSAL 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board of Directors has selected ParenteBeard LLC as our independent registered public accounting firm for the year ending December 31, 2014, and has further directed that management submit the appointment of the independent registered public accounting firm for ratification by the stockholders at the Annual Meeting.

Representatives of ParenteBeard LLC are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our Bylaws nor other governing documents or law require stockholder ratification of the appointment of ParenteBeard LLC as our independent registered public accounting firm. However, the Board of Directors is submitting the appointment of ParenteBeard LLC to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain that firm. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of ExOne and our stockholders.

Ratification of the appointment of ParenteBeard LLC as ExOne's independent registered public accounting firm for the year ending December 31, 2014 requires the affirmative vote of a majority of the shares represented at the Annual Meeting and entitled to vote on this matter. Abstentions will have the same effect as an **Against** vote. Broker non-votes will not be counted as having been voted on the proposal.

**AUDIT COMMITTEE REPORT**

The Audit Committee has reviewed and discussed with our management the audited financial statements of ExOne included in our Annual Report on Form 10-K for the year ended December 31, 2013 ( "10-K" ). The Audit Committee has also reviewed and discussed with ParenteBeard LLC, the audited financial statements and the audit results. In addition, the Audit Committee discussed with ParenteBeard LLC the matters required to be discussed by AS 16, *Communications with Audit Committees*, Rule 2-07, *Communication with Audit Committees*, of Regulation S-X, and other PCAOB Rules and Standards.

In addition, we received from and discussed with ParenteBeard LLC the written disclosures and the letter required by PCAOB Rule 3526, *Communication With Audit Committees Concerning Independence*, and discussed ParenteBeard LLC 's independence with them. Upon completing these activities, the Audit Committee concluded that ParenteBeard LLC is independent from ExOne and its management.

ExOne 's management is responsible for preparing our financial statements and ensuring they are complete and accurate and prepared in accordance with generally accepted accounting principles. ParenteBeard LLC, our independent registered public accounting firm, is responsible for performing an independent audit of our financial statements and expressing an opinion on the conformity of those financial statements with generally accepted accounting principles.

Based upon the review and discussions described above, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements be included in ExOne 's Annual Report on Form 10-K for the year ended December 31, 2013 and filed with the Securities and Exchange Commission.
