PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (Board) of Universal Insurance Holdings, Inc., a Delaware corporation (Company, we or us), of proxies to be voted at the 2014 Annual Meeting of Shareholders (Annual Meeting), to be held at the Loews Boston Hotel, Taylor Room, 350 Stuart Street, Boston, Massachusetts 02116, on June 5, 2014 at 9:00 a.m., Eastern Daylight Time, and at any and all postponements or adjournments thereof, for the items of business set forth in the accompanying Notice of Annual Meeting.

A copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, including financial statements audited by Plante & Moran, PLLC, is included. This Proxy Statement, Notice of Annual Meeting, accompanying proxy card and Annual Report are first expected to be posted together to <http://www.cstproxy.com/universalinsuranceholdings/2014> on or about April 23, 2014.

QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

1. What is a proxy?

It is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. We have designated Frank C. Wilcox as proxy for the Annual Meeting.

2. What is a proxy statement?

It is a document that Securities and Exchange Commission (SEC) regulations require us to give you when we ask you to sign a proxy card designating Frank C. Wilcox as proxy to vote on your behalf.

3. What is the difference between holding shares as a shareholder and as a beneficial shareholder?

If your shares are registered directly in your name with our registrar and transfer agent, Continental Stock Transfer & Trust Company, you are considered a shareholder of record with respect to those shares.

If your shares are held in a brokerage account or bank, you are considered the beneficial owner of those shares.

4. How do I attend the meeting? What do I need to bring?

You need to bring a photo ID to gain admission.

If you are a beneficial owner, bring your most recent brokerage statement with you to the Annual Meeting. We can use that to verify your ownership of shares and admit you to the Annual Meeting; however, you will not be able to vote your shares at the Annual Meeting without a legal proxy, as described in response to question 5.

Please note that cameras and sound or video recording equipment will not be permitted in the meeting room.

Table of Contents

5. How can I vote at the meeting if I am a beneficial owner?

You will need to ask your broker, bank or other intermediary to furnish you with a legal proxy. You will need to bring the legal proxy with you to the Annual Meeting and hand it in with a signed ballot that will be provided to you at the Annual Meeting. You will not be able to vote your shares at the Annual Meeting without a legal proxy.

Please note that if you request a legal proxy, any previously executed proxy will be revoked and your vote will not be counted unless you appear at the Annual Meeting and vote in person or legally appoint another proxy to vote on your behalf.

If you do not receive the legal proxy in time, you can follow the procedures described in the response to question 4 to gain admission to the Annual Meeting; however, you will not be able to vote your shares at the Annual Meeting.

6. What different methods can I use to vote?

By Written Proxy: All shareholders can vote by written proxy card. If you are a beneficial owner, you will receive a written proxy card or a voting instruction form from your broker, bank or other intermediary.

In Person: All shareholders of record may vote in person at the Annual Meeting. Beneficial owners may vote in person at the Annual Meeting if they have a legal proxy, as described in response to question 5.

7. What is the record date and what does it mean?

The record date for the Annual Meeting is April 17, 2014. The record date is established by the Board as required by the Delaware General Corporation Law and our bylaws. Owners of record at the close of business on the record date are entitled to receive notice of the Annual Meeting and vote at the Annual Meeting and any adjournments of the Annual Meeting.

8. What securities will be voted at the Annual Meeting?

The securities to be voted at the Annual Meeting consist of (i) shares of common stock of the Company, \$0.01 par value per share (Common Stock), with each share entitling its record owner to one (1) vote, (ii) shares of Series M Preferred Stock of the Company, \$0.01 par value per share (Series M Preferred Stock), with each share entitling its record owner to one (1) vote and (iii) shares of Series A Preferred Stock of the Company, \$0.01 par value per share (Series A Preferred Stock), with each share entitling its record owner to one (1) vote. The holders of Series M Preferred Stock, voting separately as a series, are entitled to elect two (2) directors at the Annual Meeting. The holder of all of the outstanding shares of Series M Preferred Stock has advised us that he currently does not intend to exercise his right to elect two (2) directors at the Annual Meeting. While the holder of the Series M Preferred Stock has not submitted any director nominees for inclusion in this Proxy Statement, such holder retains the right to elect two (2) directors at the Annual Meeting. The holders of Common Stock, Series M Preferred Stock and Series A Preferred Stock, voting together as one class, are entitled to elect the remaining directors.

9. What shares are included on the proxy card?

Shareholders of Common Stock, Series A Preferred Stock and Series M Preferred Stock will receive one proxy card for all of the shares of Common Stock, Series A Preferred Stock and Series M Preferred Stock that they hold in certificate form and/or in book-entry form.

Table of Contents

10. What constitutes a quorum at the Annual Meeting?

The presence, in person or by proxy, of at least a majority of the total number of outstanding shares of the Series M Preferred Stock entitled to vote at the Annual Meeting for those matters where a separate vote of the Series M Preferred Stock is required, and of at least a majority of the total number of outstanding shares of the Common Stock, Series M Preferred Stock and Series A Preferred Stock entitled to vote at the Annual Meeting for those matters where the Common Stock, Series M Preferred Stock and Series A Preferred Stock, voting together as a class, is required, is necessary to constitute a quorum at the Annual Meeting. If a quorum is not present at the Annual Meeting, a majority of the shares so represented may vote to adjourn the Annual Meeting from time to time without further notice.

11. What can I do if I change my mind after I vote my shares?

Shareholders can revoke a proxy prior to the completion of voting at the Annual Meeting by:

sending written notice to Stephen J. Donaghy, Secretary, Universal Insurance Holdings, Inc., 1110 West Commercial Boulevard, Fort Lauderdale, Florida 33309;

delivering a later-dated proxy; or

appearing at the Annual Meeting and giving the Secretary notice of your intention to vote in person (unless you are a beneficial owner without a legal proxy, as described in the response to question 5).

12. Are votes confidential? Who counts the votes?

We will continue our practice of holding the votes of all shareholders in confidence from directors, officers and employees except:

as necessary to meet applicable legal requirements and to assert or defend claims for or against the Company;

in the case of a contested proxy solicitation;

if a shareholder makes a written comment on the proxy card or otherwise communicates his or her vote to management; or

to allow the independent inspector of the election to certify the results of the vote.

13. What votes may I cast for the proposals?

With respect to Proposal 1, you may either (i) vote in favor of all nominees; (ii) vote in favor of specific nominees; (iii) withhold your vote with respect to all nominees; or (iv) withhold your vote with respect to specific nominees.

With respect to Proposals 2 and 3, you may vote For or Against, or Abstain from voting.

14. How many votes are needed for each proposal and how are the votes counted?

If a quorum is present at the Annual Meeting, the nine (9) nominees for election as directors who receive the greatest number of affirmative For votes at the meeting will be elected as directors (*Item 1 on the Proxy Card*).

Table of Contents

The favorable vote of a majority of the votes cast on the proposal will be required:

FOR the approval, on an advisory basis, of the Company's executive compensation (*Item 2 on the Proxy Card*); and

FOR the ratification of the appointment of Plante & Moran, PLLC as the independent registered public accounting firm for the fiscal year 2014 (*Item 3 on the Proxy Card*); and

FOR any other proposal that might properly come before the meeting.

15. What if I do not specify a choice for a matter when returning a proxy?

Shareholders should specify their choice for each matter on the enclosed proxy card. If no specific instructions are given, proxies which are signed and returned will be voted:

FOR the election of all director nominees as set forth in this Proxy Statement;

FOR the approval, on an advisory basis, of the Company's executive compensation; and

FOR the ratification of the appointment of Plante & Moran, PLLC as the independent registered public accounting firm for the fiscal year 2014.

16. What are abstentions and broker non-votes and how are they counted?

Abstentions and broker non-votes are included in determining whether a quorum is present. A broker non-vote occurs when a nominee holding shares for a beneficial owner (i.e., a broker) does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular matter and has not received instructions from the beneficial owner.

Abstentions and broker non-votes are not considered votes cast and thus do not have an effect on the outcome of the vote as to any of the items presented in this Proxy Statement. Under the rules of the New York Stock Exchange (NYSE), on which shares of our Common Stock are traded, Item 3 is considered a routine matter on which brokers will be permitted to vote in their discretion even if the beneficial owners do not provide voting instructions. However, Items 1 and 2 are not considered routine matters under NYSE rules, and brokers will not be permitted to vote on Items 1 or 2 if the beneficial owners fail to provide voting instructions.

17. Who pays the cost in connection with the solicitation of proxies?

We will bear the cost of soliciting proxies in the enclosed form. Officers and regular employees of the Company may solicit proxies by a further mailing or personal conversations or via e-mail, telephone or facsimile, provided that they do not receive compensation for doing so. We will, upon request, reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to the beneficial owners of stock.

appropriate person to set agendas for, and lead discussions of, strategic matters affecting our business at this time. Moreover, this structure enables Mr. Downes to act as a bridge between management and the Board, and helps to promote unified leadership and direction.

Independence of Our Directors

SEC and NYSE rules require that at least a majority of our directors be independent of the Company and management. The Board has determined that each of the following current non-management directors is an independent director, as such term is defined by SEC and NYSE rules: Scott P. Callahan, Darryl L. Lewis, Michael A. Pietrangelo, Ozzie A. Schindler, Reed J. Slogoff and Joel M. Wilentz, M.D., and that Richard D. Peterson will be an independent director if he is elected at the Annual Meeting. The Board has determined that Mr. Palmieri will not be an independent director if he is elected at the Annual Meeting by virtue of the fact that his son, Matthew Palmieri, is currently employed as Senior Vice President of Blue Atlantic, an affiliate of the Company.

Our Corporate Governance Guidelines (Governance Guidelines) discussed below provide that our non-management directors meet at least quarterly in executive session. Our non-management directors chose Michael A. Pietrangelo as lead director to preside over executive session meetings. Our independent directors meet at least annually in a separate executive session meeting and met one (1) time in 2013. Interested parties may anonymously communicate any concerns concerning our Company to our non-management directors by calling 877-778-5463, which is the same number that employees may use to anonymously report complaints to the Audit Committee concerning accounting or auditing matters pursuant to our Code of Business Conduct and Ethics (Code of Conduct).

Mr. Palmieri is also entitled to receive an automobile allowance and life insurance benefits pursuant to the Palmieri Employment Agreement. The Palmieri Employment Agreement expires on December 31, 2015. Mr. Palmieri served as an employee of the Company prior to entering into the Palmieri Employment Agreement and in that capacity Mr. Palmieri received \$328,846 in salary and bonus in 2013.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis describes the Company's executive compensation program and reviews actions taken by the Compensation Committee concerning the 2013 compensation of our President and Chief Executive Officer (Chief Executive Officer), Executive Vice President and Chief Operating Officer (Chief Operating Officer), Chief Administrative Officer (Chief Administrative Officer) and Chief Financial Officer and Principal Accounting Officer (Chief Financial Officer) (collectively, the Named Executive Officers). We also discuss the transitions of Sean P. Downes from Chief Operating Officer to Chief Executive Officer of the Company, Jon W. Springer from Executive Vice President of Blue Atlantic to Chief Operating Officer of the Company, Stephen J. Donaghy from Executive Vice President to Chief Administrative Officer of the Company and Frank C. Wilcox from Vice President Finance to Chief Financial Officer and Principal Accounting Officer of the Company, each effective during fiscal year 2013.

The Compensation Committee oversees our compensation program for our Named Executive Officers and the equity compensation program for the Company's employees generally. The Compensation Committee also provides guidance to the Chief Executive Officer regarding his recommendations for the compensation of all other executive officers. In making its decisions, the Compensation Committee takes into account, among other things, the Company's performance, shareholder alignment, individual employee performance and the Company's executive succession and retention needs.

Objectives and Overview

The objectives of our compensation programs are to:

Drive superior performance Encourage our executive officers to achieve sound, profitable growth through prudent but effective execution of the elements of the Company's growth strategy;

Focus on long-term success Provide a significant portion of executive compensation through programs linked to the Company's long-term success as incentives to help maximize shareholder return; and

Attract and retain key executives Retain key existing talent whose continued employment we judge to be crucial to the Company's success and growth and to attract and retain new talent.

The following table outlines the major elements of compensation in fiscal year 2013 for the former Chief Executive Officer, Bradley I. Meier, and the current Chief Executive Officer, Mr. Downes, Chief Operating Officer, Mr. Springer, Chief Administrative Officer, Mr. Donaghy and Chief Financial Officer, Mr. Wilcox:

Original Employment Agreements with the Chief Executive Officer and Chief Operating Officer

The Company entered into employment agreements with Mr. Meier, as Chief Executive Officer, and Mr. Downes, as Chief Operating Officer, several years ago, which agreements have been amended from time to time (Original Employment Agreements). The Original Employment Agreements were effective through

Table of Contents

February 22, 2013. The Original Employment Agreements established the base salary and annual performance incentives applicable to each executive and provided the principal framework for the cash compensation paid to Messrs. Meier and Downes through February 22, 2013. The Original Employment Agreements are more fully described below under Employment Agreements and Potential Payments Upon Termination of Employment or Change in Control.

At the time the Company entered into the Original Employment Agreements with Messrs. Meier and Downes, it was creating and developing internal capabilities for underwriting, claims processing, premium setting, investing and reinsurance placement. The Company has continued to improve and refine those processes and, over the past few years, has expanded the states in which it writes homeowners insurance policies. In addition, as the Company's operations expanded, Messrs. Meier and Downes assumed more diverse functions within the Company. Through February 22, 2013, in our judgment, Mr. Meier and Mr. Downes were the individuals most responsible for continued development and implementation of our business strategy and were the individuals most responsible for our accomplishments.

Our rationale for entering into the Original Employment Agreements with Messrs. Meier and Downes and their continuation through February 22, 2013 included the following:

Recognizing that through February 22, 2013, Messrs. Meier and Downes were our two key employees, responsible for many major business functions, including investment of reserves, regulatory compliance in multiple states, the processes for developing the proprietary models and the methods for underwriting, claims, reinsurance and investment as well as development of the broker network in Florida and other states;

Recognizing the unique and deep institutional knowledge of Messrs. Meier and Downes and their respective contributions in internalizing the Company's operations, including marketing strategies, agent incentive and management, policy development, risk management, claims, reinsurance analysis, rating engine, investment analysis and broker relations which enabled, among other things, the rapid mobilization of marketing programs in newly licensed states;

Rewarding past and continued performance in the establishment and profitable growth of the insurance business by Messrs. Meier and Downes;

Recognizing that, through February 22, 2013, the continued growth of the Company was dependent on the services of Messrs. Meier and Downes in their respective capacities as Chief Executive Officer and Chief Operating Officer; and

Differentiating compensation based on experience, responsibilities and performance levels among our executives.

As noted above, the Original Employment Agreements established the compensation framework for each of Mr. Meier and Mr. Downes through February 22, 2013.

Table of Contents

2013 Compensation Based on the Original Employment Agreements

Base Salary

The Original Employment Agreements with each of Mr. Meier and Mr. Downes contemplated an annual base salary increase of 20% each year. In 2012, Mr. Meier agreed to limit his annual salary increases to 7.25% for 2012, 2013 and 2014, and Mr. Downes agreed to limit his annual salary increases to 7.25% for years after 2012. These provisions in the Original Employment Agreements formed the basis for the salary increases through February 22, 2013 for each of Mr. Meier and Mr. Downes reported in the Summary Compensation Table below.

Incentive Bonus Compensation

Under the Original Employment Agreements, Messrs. Meier and Downes were entitled to receive an annual incentive performance bonus equal to a specified percentage of the Company's pre-tax income. In connection with Mr. Meier's resignation from his position as Chief Executive Officer of the Company, Mr. Meier agreed that he would not receive an annual bonus for 2013. In connection with Mr. Downes' appointment to the position of Chief Executive Officer, the Company entered into a new employment agreement with Mr. Downes also providing for the payment to Mr. Downes of an annual incentive bonus equal to a specified percentage of the Company's pre-tax income. Mr. Downes' annual bonus for 2013 was determined in accordance with his new employment agreement, which is further described below.

Long-Term Equity Incentive Compensation

The Compensation Committee does not use a specific formula to calculate the number of options or restricted shares that it awards to executives nor does it explicitly set future award levels or opportunities on the basis of what our executives earned from prior awards. While the Compensation Committee takes past awards into account, it does not base future awards solely in view of those past awards. In determining the specific amounts to be granted to each executive, the Compensation Committee will consider factors such as the executive's position, his or her contribution to the Company's performance, and the overall package of cash and equity compensation for the executive.

The Compensation Committee did not award any long-term incentive compensation under the Original Employment Agreements in 2013.

Perquisites and Fringe Benefits

In 2013, Messrs. Meier and Downes received health and welfare benefits, such as group medical, group life and long-term disability coverage under the Original Employment Agreements. Under the Original Agreements, Messrs. Meier and Downes were each entitled to an automobile allowance of \$7,500 per annum during 2013. Other than an employer matching contribution to the accounts of certain Named Executive Officers under the Company's 401(k) Plan (as defined herein), which is the same matching contribution rate that the Company provides all eligible full-time employees, the Company did not offer Messrs. Meier and Downes any qualified or nonqualified pension plans, supplemental executive retirement plans, deferred compensation plans or other forms of compensation for retirement under the Original Employment Agreements.

The Compensation Committee set overall compensation for Messrs. Meier and Downes through February 22, 2013 based upon the framework established by each executive's Original Employment Agreement and, therefore, did not utilize comparator groups or bench-marking data in making compensation decisions for these executives. During 2013, the Compensation Committee did not retain the services of a compensation consultant.

Table of Contents***New Employment Agreements with the Chief Executive Officer, Chief Operating Officer, Chief Administrative Officer and Chief Financial Officer***

Effective February 22, 2013, Mr. Meier resigned from his positions as Chairman, President and Chief Executive Officer of the Company to pursue opportunities outside the residential homeowners insurance industry. Also effective February 22, 2013, the Board appointed Mr. Downes as Chief Executive Officer of the Company, Mr. Springer as Chief Operating Officer of the Company and Mr. Donaghy as Chief Administrative Officer of the Company. Mr. Downes has been employed in an executive capacity by the Company or its insurance affiliates since 2003 and had been the Company's Senior Vice President, Chief Operating Officer and a director since 2005. Mr. Springer served as Executive Vice President of Blue Atlantic since 2008 and from 2006 through 2008 was the Executive Vice President of Universal Risk Advisors, Inc., each a wholly-owned subsidiary of the Company. Mr. Donaghy served as Executive Vice President of the Company since October 2006 and since November 2009 served as the Company's Chief Information Officer. Following the voluntary resignation of George R. De Heer, Mr. Wilcox became Chief Financial Officer effective as of October 1, 2013. Mr. Wilcox served as the Company's Vice President - Finance since January 2011.

Effective February 22, 2013, the Company entered into an amended and restated employment agreement with Mr. Downes (Downes New Employment Agreement) which provides for continuity in leadership and leadership transition and forms the framework for his compensation with the Company through 2015. Effective February 22, 2013, the Company entered into a new employment agreement with Mr. Springer (Springer Employment Agreement) which provides the framework for his compensation through the end of 2014. Each of the Downes New Employment Agreement and the Springer Employment Agreement was filed in its entirety with the SEC as an exhibit to the Company's Form 8-K, dated as of February 22, 2013. Effective February 22, 2013, the Company entered into a new employment agreement with Mr. Donaghy (Donaghy Employment Agreement) which provides the framework for his compensation through the end of 2014. The Donaghy Employment Agreement was filed in its entirety with the SEC as an exhibit to the Company's Form 8-K, dated as of March 21, 2013. Effective October 1, 2013, the Company entered into an Employment Agreement with Mr. Wilcox (Wilcox Employment Agreement) which provides a framework for his compensation through October 1, 2015. The Wilcox Employment Agreement was filed in its entirety with the SEC as an exhibit to the Company's Form 8-K, dated as of August 5, 2013. The Downes New Employment Agreement, Springer Employment Agreement and Donaghy Employment Agreement are collectively referred to in this Proxy Statement as the New Employment Agreements.

In negotiating the New Employment Agreements, the Compensation Committee was guided by the following principles and limitations:

Content of Each Executive's Prior Employment Agreements. The principles underlying each executive's prior employment agreement with the Company formed the basis for the New Employment Agreements, as the Compensation Committee was mindful of each executive's critical importance to the ongoing success of our business and the rights and entitlements of each executive under his prior employment agreement.

Limited Term. Given the continuing evolution of our business and the changing roles of Messrs. Downes, Springer and Donaghy in helping the Company to achieve its goals, the Committee wanted to enter into only fixed-term contracts (three (3) years for Mr. Downes; two (2) years for Messrs. Springer and Donaghy) that did not obligate the Company to pay severance in the event of non-renewal of the contract at the expiration of the term.

Table of Contents

Pay for Performance. The New Employment Agreements contemplate that a substantial portion of each executive's compensation is performance based either in the form of annual incentives based on income or after-tax profit or through long-term restricted stock grants whose value to the executive is directly tied to share price. The New Employment Agreements also limit annual salary increases to 7.25%.

Double-Trigger Change in Control Protections. The Compensation Committee required that the New Employment Agreements provide for severance protections in the context of a change in control only if the executive's employment is terminated following the change in control. This is a substantial change from the Original Employment Agreement with Mr. Downes. The New Employment Agreements also continue the Compensation Committee's past practice of not providing tax gross-ups.

2013 Compensation Under the New Employment Agreements and the Wilcox Employment Agreement***Base Salary***

The New Employment Agreements with Messrs. Downes, Springer and Donaghy contemplate an annual base salary increase of 7.25% for each year during the respective terms of the employment agreements. The Wilcox Employment Agreement does not specify such an increase, but allows the Compensation Committee to adjust Mr. Wilcox's base salary during the term based on the recommendation of the Chief Executive Officer. The table below lists the base salaries in effect for 2013 under each of the New Employment Agreements and the Wilcox Employment Agreement:

2013 Base Salary Under New Employment Agreements

Sean P. Downes	\$ 2,000,000
Jon W. Springer	\$ 1,250,000
Stephen J. Donaghy	\$ 750,000
Frank C. Wilcox	\$ 350,000

Annual Incentive Compensation

Under the New Employment Agreements, Messrs. Downes and Springer are each entitled to receive an annual incentive performance bonus equal to a specified percentage of the Company's pre-tax income, and Mr. Donaghy is entitled to receive an annual incentive performance bonus equal to a specified percentage of the Company's after-tax profit. The New Employment Agreements with Messrs. Downes, Springer and Donaghy use pre-tax income and after-tax profit to determine annual incentive compensation because pre-tax income and after-tax profits reflect the synthesis of the elements necessary to successfully operate and grow the Company's business and are measures commonly used by investors to evaluate our operational success. The measure further recognizes the central roles of Messrs. Downes, Springer and Donaghy within the Company. The annual incentive bonuses paid to Messrs. Downes, Springer and Donaghy for 2013 were \$4,289,701, \$2,712,313 and \$935,108, respectively.

Long-Term Equity Incentive Compensation

In 2013, in connection with their appointments to their current positions and their entry into the New Employment Agreements and the Wilcox Employment Agreement, the Compensation Committee awarded restricted stock grants to each of Messrs. Downes, Springer, Donaghy and Wilcox. Mr. Downes received a grant of 500,000 restricted shares in 2013, vesting in April 2014. Mr. Springer received a grant of 250,000 restricted shares, vesting in April 2014. Mr. Donaghy received a grant of 100,000 restricted shares, also vesting in April 2014. Mr. Wilcox received a grant of 150,000 restricted shares, vesting in two (2) equal tranches in October 2014 and October 2015. In addition, the

Compensation Committee considered the achievements of the Named

Table of Contents

Executive Officers and the strong performance of the Company during 2013 and, in recognition of extraordinary performance by Messrs. Downes, Springer and Donaghy during 2013, the Compensation Committee awarded Mr. Springer an option for 100,000 shares of Common Stock in March 2013 and a second option for 300,000 shares of Common Stock in July 2013, Mr. Downes an option for 300,000 shares of Common Stock in November 2013, and Mr. Donaghy an option for 200,000 shares of Common Stock, also in November 2013. Mr. Springer's stock option awards vest in three (3) equal tranches on the first, second and third anniversaries of the grant date, and each of the awards to Messrs. Downes and Donaghy vests in three (3) equal tranches on the third, fourth and fifth anniversaries of the grant date.

The Compensation Committee did not award any long-term incentive compensation to Messrs. Meier or De Heer for 2013.

Perquisites and Fringe Benefits

In 2013, Messrs. Downes, Springer, Donaghy and Wilcox received health and welfare benefits, such as group medical, group life and long-term disability coverage under the New Employment Agreements and the Wilcox Employment Agreement. Under their New Employment Agreements, each of Messrs. Downes, Springer and Donaghy were also entitled to an annual automobile allowance.

In addition, we believe that our executives should be able to provide for their retirement needs from the total annual compensation they earn under their employment agreements and based on the Company's performance (or, in Mr. Wilcox's case, his individual performance). Accordingly, other than an employer matching contribution to the accounts of certain Named Executive Officers under the Company's 401(k) Plan (as defined herein), which is the same matching contribution rate that the Company provides all eligible full-time employees, the Company did not offer Messrs. Downes, Springer, Donaghy or Wilcox any qualified or nonqualified pension plans, supplemental executive retirement plans, deferred compensation plans or other forms of compensation for retirement under the New Employment Agreements or the Wilcox Employment Agreement in 2013.

Advisory Votes on Compensation

The Board recognizes the fundamental interest that our shareholders have in the compensation of our executive officers. At the 2011 annual meeting, our shareholders approved, on an advisory basis, the compensation of our Named Executive Officers (a say-on-pay proposal) as disclosed in the proxy statement for such meeting. Our shareholders approved the say-on-pay proposal by the affirmative vote of 80% of the shares cast on that proposal. While the Compensation Committee believes that this result generally affirms our shareholders' support of the Company's approach to executive compensation, as described above, the Compensation Committee made certain changes to the Company's compensation program in 2013 to reflect changes in management and the evolution of the Company. The Compensation Committee will continue to consider the outcome of the Company's say-on-pay proposals when making future compensation decisions for our executive officers.

Also at the 2011 annual meeting, our shareholders had the opportunity to cast an advisory vote (a say-on-frequency proposal) on how often the Company should include a say-on-pay proposal in its proxy statement. Based on our shareholders' vote on the say-on-frequency proposal, the Board determined that we will hold shareholder say-on-pay advisory votes on executive compensation once every three (3) years, with the next say-on-pay advisory vote solicited in this Proxy Statement under Proposal 3.

Table of Contents**Tax Considerations**

Under Section 162(m) of the Code, the federal income tax deductibility of compensation paid to our executive officers may be limited to the extent that it exceeds \$1.0 million in any one (1) year. The Company can deduct compensation in excess of that amount if it qualifies as performance-based compensation under Section 162(m). For the performance bonuses of Messrs. Downes, Springer and Donaghy, as set forth in the New Employment Agreements, to qualify as performance-based compensation, the performance-based formulas used to determine them must be approved by our shareholders, which approval was obtained at the 2013 annual meeting. We reserve the right to pay compensation that is not deductible. A substantial portion of the compensation paid or awarded under the Downes New Employment Agreement and the Springer Employment Agreement is not deductible by operation of Section 162(m). For 2013, the Company paid approximately \$1.7 million in compensation to Mr. Downes and approximately \$464,000 in compensation to Mr. Springer under their respective New Employment Agreements that was not deductible by operation of Section 162(m) of the Code.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

Employment Agreements and Potential Payments Upon Termination of Employment or Change in Control

The following summaries describe the Original Employment Agreements between the Company and Messrs. Meier and Downes, the New Employment Agreements with Messrs. Downes, Springer and Donaghy, the Wilcox Employment Agreement with Mr. Wilcox and the employment agreement between the Company and Mr. De Heer and sets forth potential amounts payable to each Named Executive Officer upon termination of employment or a change in control under such agreements.

Employment Agreement with Mr. Meier

The Company's Original Employment Agreement with Mr. Meier is dated as of August 11, 1999. The Company and Mr. Meier have amended Mr. Meier's Original Employment Agreement, with the most recent amendment effective as of August 23, 2012 (the employment agreement and the amendments are collectively referred to as the Meier Original

Employment Agreement). Under the terms of the Meier Original Employment Agreement, Mr. Meier served as the Company's President and Chief Executive Officer. Pursuant to the Meier Original Employment Agreement, Mr. Meier was entitled to receive a base salary of \$2,299,621 in 2013 and he was entitled to a 7.25% increase in base salary each year beginning in 2012. Additionally, pursuant to the Meier Original Employment Agreement, Mr. Meier was entitled to an annual performance bonus equal to 3% of the pre-tax income of the Company up to \$5 million, and 4% of the pre-tax income of the Company in

Table of Contents

excess of \$5 million; provided, however, that any such bonus was contingent upon our shareholders approving such bonus formula, which they have done. In connection with Mr. Meier's resignation effective February 22, 2013, it was agreed that Mr. Meier would not receive a performance bonus for 2013.

Mr. Meier was also eligible to receive health and welfare benefits, such as group medical, group life and long-term disability coverage. The Meier Original Employment Agreement contained noncompete, nonsolicitation and confidentiality provisions.

In the event that the Company terminated the Meier Original Employment Agreement, the Company was obligated to pay Mr. Meier 24 months' total compensation. In addition, in the event of a change in control of the Company, the Company was obligated to pay Mr. Meier an amount equal to 48 months' base salary, plus two (2) times any bonus paid for the preceding fiscal year, including any taxes resulting from such payment in accordance with applicable U.S. tax laws. Further, in the event of a change in control, all options held by Mr. Meier would vest and become immediately exercisable. However, if it was determined by an independent accounting firm that any of the amounts payable to Mr. Meier upon a change in control would be subject to an excise tax under Section 4999 of the Code, then the value of the payments which constitute parachute payments would have been reduced to an amount equal to 2.99 times Mr. Meier's base amount, as those terms are defined under Section 280G(b)(2) of the Code. Generally, the base amount equals the average of the taxable compensation paid during the preceding five taxable years.

If Mr. Meier died during the term of his employment, the Company would have been obligated to pay to his estate compensation which would otherwise be payable to Mr. Meier for the shorter of (i) three (3) years from the date of his death, or (ii) through the termination date of his employment agreement. If Mr. Meier became disabled during the term of his employment for a consecutive period of 365 days, the Company would have been entitled to terminate the officership held. In the event of such termination, Mr. Meier would have remained an employee of the Company and received 70% of his compensation and all of his fringe benefits.

The Meier Original Employment Agreement provided that such agreement would expire on December 31, 2012 but automatically renew each year thereafter unless the Company or Mr. Meier provided written notice that the agreement was being terminated 60 days in advance of the anniversary date of the Meier Original Employment Agreement.

On February 22, 2013, Mr. Meier resigned as President and Chief Executive Officer of the Company. No severance or other payments were paid to Mr. Meier in connection with his resignation. However, the Company entered into the Adviser Agreement described in Certain Relationships and Related Party Transactions pursuant to which Mr. Meier provides advisory and consulting services to the successor Chief Executive Officer, Mr. Downes, and to the Board and its committees. Under the Adviser Agreement, Mr. Meier receives a base salary of \$575,000 and is entitled to health and welfare benefits, an automobile allowance and a mobile phone allowance. In addition, pursuant to the Adviser Agreement, the Company paid Mr. Meier for his accrued vacation time but Mr. Meier will not accrue any additional vacation time in his new role. The Adviser Agreement includes nondisparagement, noncompete, nonsolicitation and confidentiality provisions and other customary terms. Pursuant to the Adviser Agreement, Mr. Meier will not seek or have access to material nonpublic information not otherwise known to him as of February 22, 2013. The Adviser Agreement expires on December 31, 2015, unless earlier terminated in accordance with its terms.

Employment Agreement with Mr. Downes

The Company's Original Employment Agreement with Mr. Downes is dated as of January 1, 2005, and provided that Mr. Downes would serve as the Company's Senior Vice President and Chief Operating Officer. The Company and Mr. Downes amended the agreement, with the most recent amendment dated August 23,

2012 (the employment agreement and the amendments are collectively referred to as the Downes Original Employment Agreement). Pursuant to the Downes Original Employment Agreement, Mr. Downes was entitled to receive a base salary of \$1,825,406 in 2013 and he was entitled to a 7.25% increase in base salary on January 1, 2014. Additionally, pursuant to the Downes Original Employment Agreement, Mr. Downes was entitled to an annual performance bonus equal to 3% of the pre-tax income of the Company, provided, however, that any such bonus was contingent upon our shareholders approving such bonus formula, which they have done. Under the Downes Original Employment Agreement, the Company had the option to grant Mr. Downes options or warrants to purchase Common Stock.

Under the Downes Original Employment Agreement, Mr. Downes was also eligible to receive health and welfare benefits, such as group medical, group life and long-term disability coverage. The Downes Original Employment Agreement contained noncompete, nonsolicitation and confidentiality provisions.

In the event of a change in control of the Company, the Company was obligated to pay Mr. Downes an amount equal to 48 months base salary, plus an amount equal to two (2) times any bonuses paid for the preceding fiscal year. However, if it was determined by an independent accounting firm that any of the amounts payable to Mr. Downes upon a change in control would be subject to an excise tax under Section 4999 of the Code, then the value of the payments which constitute parachute payments would have been reduced to an amount equal to 2.99 times Mr. Downes base amount, as those terms are defined under Section 280G(b)(2) of the Code. Generally, the base amount equals the average of the taxable compensation paid during the preceding five taxable years. Further, in the event of a change in control, all options held by Mr. Downes would vest and become immediately exercisable.

If Mr. Downes died during the term of his employment, under the Downes Original Employment Agreement, the Company would have been obligated to pay to his estate compensation which would otherwise be payable to Mr. Downes for the shorter of (i) one (1) year from the date of his death, or (ii) through the termination date of his employment agreement. If Mr. Downes became disabled during the term of his employment for a consecutive period of 90 days, the Company would have had the option to terminate the officership held. In the event of such termination, Mr. Downes would have remained an employee of the Company and received 50% of his compensation and all of his fringe benefits for a period ending on the next December 31st or 270 days, whichever was longer.

The Downes Original Employment Agreement provided that such agreement would expire on December 31, 2013 unless extended in writing by the Company.

On February 22, 2013, Mr. Downes succeeded Mr. Meier as President and Chief Executive Officer of the Company. In connection with the succession, the Company entered into the Downes New Employment Agreement which supersedes the Downes Original Employment Agreement. Under the Downes New Employment Agreement, Mr. Downes is entitled to receive an annual base salary of \$2,000,000, which amount increased by 7.25% on January 1, 2014 and will increase by 7.25% on January 1, 2015 over the rate then in effect. Mr. Downes will also receive an annual performance bonus of 3% of the Company s pre-tax income up to \$5,000,000 and 4% of the Company s pre-tax income over \$5,000,000, subject to the Company s shareholders approving the material terms of the performance goals for such bonus, which they did at the 2013 annual meeting. Mr. Downes also received a total of 1,500,000 restricted shares of Common Stock in three (3) separate grants. The shares will vest over a period of three (3) years, with 500,000 of such shares being subject to the achievement of performance-based vesting standards. Mr. Downes receipt of such shares is subject to his continued employment through the applicable grant date and vesting date.

Pursuant to the Springer Employment Agreement, the Company pays annual premiums for Mr. Springer's term life insurance policy in the amount of \$1,000,000.

In the event that the Company terminates Mr. Springer's employment without cause or if Mr. Springer voluntarily terminates his employment for good reason, Mr. Springer is entitled to receive a lump-sum cash payment equal to Mr. Springer's base salary for a period of 12 months and certain other payments, provided that Mr. Springer executes a valid and irrevocable release agreement in favor of the Company and Mr. Springer is not in breach of certain provisions of the Springer Employment Agreement. All restricted stock awards held by Mr. Springer will become fully vested immediately prior to the applicable date of termination without cause or voluntary termination for good reason.

If Mr. Springer dies during the term of the Springer Employment Agreement, the Company will pay to Mr. Springer's estate, among other payments, a lump sum cash payment equal to Mr. Springer's ending base salary for the lesser of (i) one (1) year from the date of death or (ii) the remaining term of the Springer Employment Agreement, and any employee benefits to which Mr. Springer may be entitled to pursuant to the Company's employee benefit plans through such period. If, during the term of the Springer Employment Agreement, Mr. Springer becomes disabled, then the Company may suspend the officership but Mr. Springer shall remain an employee of the Company and receive his compensation and benefits for the lesser of (i) one (1) year from the date of such suspension or (ii) the remaining term

ADVISORY VOTE ON EXECUTIVE COMPENSATION (SAY-ON-PAY VOTE)

(PROPOSAL 2)

Rule 14a-21 of the Exchange Act affords our shareholders the right to vote to approve, on an advisory (nonbinding) basis, the compensation of our Named Executive Officers as disclosed in this Proxy Statement in accordance with Item 402 of Regulation S-K promulgated under the Securities Act of 1933, as amended. At the 2011 annual meeting, our shareholders approved, on an advisory (nonbinding) basis, the say-on-pay proposal as disclosed in the proxy statement for such meeting. Our shareholders approved the say-on-pay proposal by the affirmative vote of 80% of the shares cast on that proposal. While the Compensation Committee believes that this result generally affirms our shareholders' support of the Company's approach to executive compensation, as described in this proxy statement, the Compensation Committee made certain changes to the Company's compensation program in 2013 to reflect changes in management and the evolution of the Company. The Compensation Committee will continue to consider the outcome of the Company's say-on-pay proposals when making future compensation decisions for our executive officers.

Also at our 2011 annual meeting, our shareholders had the opportunity to vote on an advisory say-on-frequency proposal on how often we should include a say-on-pay proposal in the proxy statement for our annual meeting. Based on our shareholders' vote on the say-on-frequency proposal, the Board determined that we will hold shareholder say-on-pay advisory votes on executive compensation once every three (3) years, with the next say-on-frequency advisory vote to be held at the 2017 annual meeting.

As described in detail under the heading "Executive Compensation Compensation Discussion and Analysis," the Company's executive compensation program is designed to provide compensation to retain the executive talent that has been central to our consistent and high-level growth and to offer incentive-based programs to challenge executives to increase pre-tax income and after-tax profit by balancing the essential elements of the business without imprudent risk. We believe the focus on sound, profitable growth best serves

Table of Contents

the interests of our shareholders. Please read the Compensation Discussion and Analysis for additional details about our executive compensation programs, including information about the fiscal year 2013 compensation of our Named Executive Officers.

Highlights of our executive compensation program include the following:

the Compensation Committee's intention is to promote sound, profitable growth by using compensation to reward past growth and future growth in both pre-tax and after-tax profit;

the Compensation Committee recognizes the entrepreneurial nature of the Company and desires to retain the individuals most responsible for the Company's consistent leadership among its peers in growth and total shareholder return;

the Compensation Committee believes the provisions of the existing employment agreements with Messrs. Downes, Springer, Donaghy and Wilcox serve the Company's interests by providing base salaries that recognize both the entrepreneurial nature of the Company and their past achievements driving the Company's profitable growth;

the Compensation Committee believes that maintaining income as the principal measurement for cash incentive awards directs management to sound profitable growth because success in the Company's business depends on balancing a number of interests, such as investment of reserves, underwriting, premium setting, reinsurance strategies, claims processing, sales and geographic expansion to spread risk; and

Messrs. Downes, Springer and Donaghy, separately and together, are principally responsible for the various aspects of the business and the balancing of those aspects and, as such, generally assume more responsibility and duty than officers at comparable companies.

In 2013, the Compensation Committee negotiated new employment agreements with each of Messrs. Downes, Springer, Donaghy and Wilcox upon appointment to their current positions. Each of these agreements provide for fixed terms expiring in either 2014 (with respect to Messrs. Springer and Donaghy) or 2015 (with respect to Messrs. Downes and Wilcox). These terms are in contrast to the automatically renewed terms under the employment agreements with the Company's former Chief Executive Officer and President, Mr. Bradley I. Meier, and with Mr. Downes in his former position as Chief Operating Officer. The Compensation Committee believes that the fixed-term employment agreements provide the Compensation Committee greater flexibility to adjust the compensation program as the Company evolves.

The Compensation Committee reviews the compensation program for our Named Executive Officers to ensure it achieves the desired goal of directing management toward sound, profitable growth and recognizing the Company's growth over time. We are asking our shareholders to indicate their support for the compensation program for our Named Executive Officers as described in this Proxy Statement. This proposal, commonly known as a say-on-pay proposal, gives our shareholders the opportunity to express their views on our Named Executive Officers compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the philosophy, policies and practices described in this Proxy

Statement. Accordingly, we will ask the Company's shareholders to vote FOR the following resolution at the Annual Meeting:

RESOLVED, that the Company's shareholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company's Proxy Statement for the 2014 Annual Meeting of Shareholders pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the 2013 Summary Compensation Table and the other related tables and narrative disclosures.

Table of Contents

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or the Board. The Board and Compensation Committee value the opinions of our shareholders and to the extent there is any significant vote against the Named Executive Officer compensation as disclosed in this Proxy Statement, the Company will consider shareholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO ITEM 402 OF REGULATION S-K.
